(Please use this box to add any other information you believe relevant to this Application)

By signing this Application, the Applicant acknowledges:

1. That all the STS Verification and Assessment Terms and Conditions as appear on the STS Website under that name at the date of this Application shall apply as if they had been set out herein and the Applicant and PCS shall be bound by them. No amendments to this Application or to any information contained in this application shall modify in any way the STS Verification and Assessment Terms and Conditions nor their applicability to this STS Verification or any Assessment contracted hereunder.
2. That it has read the STS Verification and Assessment Terms and Conditions as appear on the STS Website under that name at the date of this Application.
3. That all terms appearing in this Application shall bear the meanings provided for them (if any) in the STS Verification and Assessment Terms and Conditions as appear on the STS Website under that name at the date of this Application.
4. That no contract shall be created between the Applicant and PCS until PCS has confirmed in writing to the Applicant that it accepts the engagement. Upon receipt of such Assessment by the Applicant, a contract for the provision of an STS Verification (and, if relevant, one or more Assessments) shall come into being on the terms of this Application and the STS Verification and Assessment

Terms and Conditions as appear on the STS Website under that name at the date of this Application.

5. That, in accordance with the requirements of the STS Regulation and as set out in the STS Verification and Assessment Terms and Conditions as appear on the STS Website under that name at the date of this Application, following the receipt by PCS of this Application all Fees will have to be paid on closing or thirty days from an invoice irrespective of whether the Transaction goes ahead (save only in the circumstances specified in those terms and conditions).

This Application shall be governed by English law and the Applicant submits to the jurisdiction of the English courts.
