STSS56 - Priorities of payment and triggered events	Confirmed
STSS56 - Priorities of payment and triggered events comment	The Transaction Documents clearly specify the Priorities of Payments, the events which trigger changes in such Priorities of Payments as well as the obligation to report such events, and any change in the Priority of Payments which will materially adversely affect the repayment of the Notes of the relevant Series. Pursuant to the Cash Allocation, Management and Payments Agreement, the Calculation Agent has undertaken to prepare, on each Sec Reg Report Date, the Sec Reg Investor Report and to deliver it via email to the Originator setting out certain information with respect to the Notes of each Series (including, inter alia, the events which trigger changes in the Priorities of Payments), in compliance with the Securitisation Regulation, and the Originator has undertaken to make it available to the investors in the Notes on the website of European DataWarehouse.
STSS57 - Timely resolution of conflicts	Confirmed
