

IMPORTANT NOTICE

NOT FOR DISTRIBUTION TO ANY US PERSON (AS DEFINED BELOW) OR TO ANY PERSON OR ADDRESS IN THE US EXCEPT TO QUALIFIED INSTITUTIONAL BUYERS (AS DEFINED BELOW) IMPORTANT: YOU MUST READ THE FOLLOWING BEFORE CONTINUING. THE FOLLOWING APPLIES TO THE PRELIMINARY BASE PROSPECTUS (THE "PRELIMINARY BASE PROSPECTUS") FOLLOWING THIS PAGE, AND YOU ARE THEREFORE ADVISED TO READ THIS CAREFULLY BEFORE READING, ACCESSING OR MAKING ANY OTHER USE OF THE PRELIMINARY BASE PROSPECTUS. IN ACCESSING THE PRELIMINARY BASE PROSPECTUS, YOU AGREE TO BE BOUND BY THE FOLLOWING TERMS AND CONDITIONS, INCLUDING ANY MODIFICATIONS TO THEM ANY TIME YOU RECEIVE ANY INFORMATION FROM US AS A RESULT OF SUCH ACCESS.

Nothing in this electronic transmission constitutes an offer to sell or the solicitation of an offer to buy the Notes of the Issuer in the United States or any other jurisdiction where it is unlawful to do so. The Notes have not been, and will not be, registered under the US Securities Act of 1933, as amended (the "**Securities Act**"), or the securities laws of any state or other jurisdiction of the US, and therefore may not be offered or sold within the US or to, or for the account or benefit of, US persons (as defined in Regulation S under the Securities Act ("**Regulation S**")), except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state or local securities laws. The acquisition and transfer of the Notes are subject to any additional restrictions described in the Preliminary Base Prospectus.

The Notes may be offered and sold only (a) to "qualified institutional buyers" (as defined in Rule 144A under the Securities Act) in reliance on Rule 144A under the Securities Act ("**Rule 144A**"), or (b) outside the United States to institutional investors that are non-US persons in reliance on Regulation S.

You may not forward or distribute the Preliminary Base Prospectus to any other person or reproduce the Preliminary Base Prospectus in any manner whatsoever, and, in particular, you may not forward the Preliminary Base Prospectus to any US person or to any US address. Any such forwarding, distribution or reproduction of the Preliminary Base Prospectus in whole or in part is unauthorised. Failure to comply with this directive may result in a violation of the Securities Act or the applicable laws of other jurisdictions. The Notes have not been approved or disapproved by the US Securities and Exchange Commission (the "**SEC**"), any state securities commission or any other US or state regulatory authority, nor have any of the foregoing authorities approved or disapproved this Preliminary Base Prospectus or confirmed the accuracy or adequacy of the Preliminary Base Prospectus. Any representation to the contrary is a criminal offence under the US law.

The contents of the Preliminary Base Prospectus are confidential and may not be forwarded, distributed, published or reproduced (in whole or in part) or disclosed by you to any other person (within or outside your company or organisation). Failure to comply with this directive may result in a violation of the Securities Act or the applicable laws of other jurisdictions.

The Preliminary Base Prospectus has been delivered to you on the basis that you are a person into whose possession the Preliminary Base Prospectus may be lawfully delivered in accordance with the laws of the jurisdiction in which you are located. By accessing the Preliminary Base Prospectus, you will be deemed to have confirmed and represented to us that (a) you have understood and agree to the terms set out herein, (b) you consent to delivery of the Preliminary Base Prospectus by electronic transmission, (c) you are either (i) not a "US person" (within the meaning of Regulation S) or acting for the account or benefit of a US person and the electronic mail address that you have given to us and to which this e-mail has been delivered is not located in the United States, its territories and possessions (including Puerto Rico, the US Virgin Islands, Guam, American Samoa, Wake Island and the Northern Mariana

Islands) or the District of Columbia, or (ii) a qualified institutional buyer (as defined in Rule 144A), (d) if you are a person in the United Kingdom (the "**UK**"), then you are a person who (i) has professional experience in matters relating to investments, or (ii) is a high-net-worth entity falling within Articles 49(2)(a) to (d) of the Financial Services and Markets Act (Financial Promotion) Order 2005, and (e) you are neither: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, "**MiFID II**") or as defined in point (11) of Article 4(1) within the meaning of Directive 2016/97/EU as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 and secondary legislation made under it, in each case, as amended, including by the European Union (Withdrawal Agreement) Act 2020 (the "**Withdrawal Act**") ("**UK MiFID II**"); nor (ii) a customer within the meaning of Directive 2016/97/EU (as amended) or within the meaning of the provisions of the Financial Services and Markets Act 2000, as amended ("**FSMA**") and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II or point (10) of Article 4(1) of UK MiFID II.

The Preliminary Base Prospectus has been sent to you in an electronic form. You are reminded that documents transmitted via this medium may be altered or changed during the process of electronic transmission and consequently none of the Issuer (as defined below), Bank of Ireland (UK) plc ("**BOIUK**"), the Arranger (as defined below), the Dealer(s) (as defined below) nor any person who controls any such person nor any director, officer, employee or agent of any such person or affiliate of any such person accepts any liability or responsibility whatsoever in respect of any difference between the Preliminary Base Prospectus distributed to you in electronic format and the hard copy version available to you on request from the Arranger or the Dealer(s).

PRELIMINARY BASE PROSPECTUS DATED 21 MAY 2025

SUBJECT TO COMPLETION AND AMENDMENT

BOWBELL MASTER ISSUER PLC

(incorporated in England and Wales with limited liability under registered number 16184252 and with Legal Entity Identifier (LEI) code 635400XCQGYTIUKUXG54)

Residential Mortgage-Backed Note Programme

Programme establishment	Bowbell Master Issuer PLC established a residential mortgage-backed note programme on [●] 2025 (the " Programme Date ").
Issuance in Series	<p>Notes issued under the Programme will be issued in Series. Each Series issued will be subject to the Conditions and, in the case of the Class A Notes, may consist of one or more Sub-Classes. However, there will be no more than one Series of Class Z VFNs or of the Seller's Note in respect of the Programme. The Class Z VFNs consist of two Sub-Classes, being the Class Z(S) VFN and the Class Z(R) VFN. Notes of the same Class rank <i>pari passu</i> and <i>pro rata</i> among themselves. Each Series of the same Class will not, however, be subject to identical terms in all respects (for example, interest rates, interest calculations, expected maturity and final maturity dates may differ between each Series).</p> <p>Each Series of Class A Notes issued under the Programme may comprise more than one Sub-Series which are (i) expressed to be consolidated and form a single series, and (ii) identical in all respects (including as to listing) except for their respective Issuance Dates, Interest Commencement Dates and/or issue prices. As used in this Base Prospectus, "Sub-Series" means a sub-series of Class A Notes that are identical in all respects (including as to listing and admission to trading) except for their respective Issuance Dates, Interest Commencement Dates and/or issue prices with all other Class A Notes of the Series of which it is a part.</p> <p>Furthermore, the Issuer retains the right to issue notes in the future that are subordinated to the Class A Notes, but are senior to Class Z VFNs and the Seller's Note, and modify the terms of the Programme accordingly.</p>
Classes of Notes .	The Issuer may, from time to time, issue Class A Notes consisting of one or more Sub-Classes in one or more Series. The Issuer will, on the First Issuance Date, issue the Class Z(R) VFN, Class Z(S) VFN and the Seller's Note.
The Notes	The Notes have not been and will not be registered under the Securities Act or the securities laws of any state of the US or any other relevant jurisdiction and may not be offered or sold within the US or to, or for the account or benefit of, "US Persons" (as defined in Regulation S) except (in the case of Rule 144A Notes) to QIBs within the meaning of Rule 144A in reliance on Rule 144A or another available exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state or local securities laws. Prospective purchasers are hereby notified that the Issuer and any seller of any Notes may be relying on the exemption from the registration requirements of Section 5 of the Securities Act provided by Rule 144A.

The Issuer may issue Regulation S Notes to be offered and sold outside the US to persons (other than US Persons) in reliance on Regulation S.

Final Terms Each Series of Notes and each Sub-Series of the Class A Notes will be subject to Final Terms which, for the purpose of that Series and that Sub-Series only, supplement (or incorporate by reference, as applicable) the Conditions set out in this Base Prospectus and must be read in conjunction with this Base Prospectus.

The principal amount and interest payable in respect of a Series and Class of Notes, any Sub-Series of the Class A Notes and any other terms and conditions not described in this Base Prospectus that are applicable to such Notes will be set forth in the Final Terms for such Notes. A drawdown prospectus may be used when the Issuer intends to issue Notes in a form not contemplated by the Conditions, or if it considers that the information contained in this Base Prospectus and the Final Terms needs to be supplemented, amended and/or replaced in the context of an issue of a particular Series or Class of Notes or Sub-Series of Class A Notes. In all other cases, Final Terms will be used. The Final Terms will be filed with the FCA and made available to the public in accordance with the UK Prospectus Regulation and the UK Prospectus Rules.

Underlying assets The Issuer's primary source of funds to make payments on the Notes will be payments received in respect of a portfolio of first ranking residential Mortgage Loans originated by Bank of Ireland (UK) plc ("**BOIUK**"), and secured on properties located in England and Wales. Each Series and Class of Notes and any Sub-Series of the Class A Notes will be secured by the Mortgage Portfolio.

The Mortgage Loans included in the Mortgage Portfolio consist of several different types of mortgage loans with a variety of characteristics relating to, among other things, calculation of interest and repayment of principal. See "The Mortgage Loans and the Mortgage Portfolio – Characteristics of the Mortgage Loans" for a detailed description of the Mortgage Loans offered by the Seller that may be included in the Mortgage Portfolio. Pursuant to the Mortgage Sale Agreement, the Seller may from time to time, subject to satisfaction of the Eligibility Criteria and the Portfolio Criteria, assign further Mortgage Loans and their Related Security to the Issuer.

Credit enhancement

- Subordination of the Class Z(S) VFN;
- Use of the Reserve Fund to cover Revenue Shortfalls and certain interest and principal payment obligations;
- The requirement to maintain the Required Subordination Amount; and
- Use of excess Enhanced Available Revenue Receipts and the Principal Deficiency Ledger mechanics.

Liquidity support

- Use of the Reserve Fund to cover Revenue Shortfalls;
- Use of Enhanced Available Principal Receipts to cover Remaining Revenue Shortfalls;

- Overcollateralisation by the purchase of Additional Mortgage Loans, funded by drawing down on the Seller's Note, to increase Available Principal Receipts and Available Revenue Receipts; and
- Use of drawings on the Seller's Note to make up any shortfalls caused by any shortfalls in Revenue Receipts.

Redemption provisions

Information on any optional and mandatory redemption of the Notes is summarised in "Transaction Overview – Overview of the Terms and Conditions of the Notes – Redemption" and set out in full in Condition 5 (Redemption, Purchase and Cancellation).

Rating Agencies..

Each Series of Class A Notes will be rated by two or more of (i) Standard & Poor's Rating Services, a division of Standard & Poor's Credit Market Services Europe Limited ("**S&P**"), (ii) Moody's Investors Service Limited ("**Moody's**"), (iii) Fitch Ratings Ltd. ("**Fitch**") or (iv) DBRS Ratings Limited ("**DBRS**"), or any other credit rating agency established in the UK and registered under the UK CRA Regulation appointed by the Issuer to rate any Series of Notes (each an "**Additional Rating Agency**"). Ratings are expected to be assigned to each Series of Class A Notes on or before the relevant Issuance Date and the anticipated rating will be indicated in the applicable Final Terms. The Rating Agencies rating a particular Series of Class A Notes will be indicated in the applicable Final Terms and are subject to removal, replacement and substitution from time to time. See further "Transaction Overview – Description of the Notes – Ratings Modification Events" and "Risk Factors – Risks Relating to the Structure and the Notes – Ratings Modification Event".

As at the date of this Base Prospectus, each of S&P, Moody's, Fitch and DBRS is a credit rating agency established in the UK and is registered under the UK CRA Regulation and the ratings to be issued by each of S&P, Moody's, Fitch and DBRS will be endorsed by S&P Global Ratings Europe Limited, Moody's Deutschland GmbH, Fitch Ratings Ireland Limited and DBRS Ratings GmbH, respectively each of which is registered under the EU CRA Regulation. In general, European- and UK-regulated investors are restricted from using a rating for regulatory purposes if such rating is not issued by a credit rating agency established in the European Union or the UK (as applicable) and registered under the EU CRA Regulation or the UK CRA Regulation unless the rating is provided by a credit rating agency operating in the European Union before 7 June 2010 that has submitted an application for registration in accordance with the EU CRA Regulation or the UK CRA Regulation and such registration is not refused. Each of S&P, Moody's, Fitch and DBRS is included on the list of credit ratings agencies published by (i) the European Securities and Markets Authority (the "**ESMA**") on its website (<https://www.esma.europa.eu/credit-rating-agencies/cra-authorisation>) (this website and the contents thereof do not form part of this Base Prospectus), and (ii) the FCA on its website (<https://www.fca.org.uk/markets/credit-rating-agencies/registered-certified-cras>) (this website and the contents thereof do not form part of this Base Prospectus).

Credit ratings

The rating assigned to the Class A Notes of each Series will be set out in the applicable Final Terms.

The issue of the VFNs is not conditional upon a rating and the Issuer is not expected to request any rating of the VFNs.

The ratings (if any) assigned by Fitch, S&P and DBRS to a Series and Class of Notes address their respective opinions on the likelihood of (a) timely payment of interest due to the Noteholders on each Note Payment Date for such Notes, and (b) full payment of principal by a date that is not later than the Final Maturity Date for such Notes. The ratings (if any) assigned by Moody's to a Series and Class of Notes address the probability and the severity of credit losses that the Noteholders may suffer by the Final Maturity Date for such Notes.

The assignment of ratings to any of the Class A Notes by any Rating Agency is not a recommendation to invest in any of the Class A Notes or to buy, sell or hold securities. Any credit rating assigned to the Class A Notes may be revised, suspended or withdrawn at any time by the assigning Rating Agency.

Listing This Base Prospectus has been approved by the FCA, as competent authority under Regulation (EU) 2017/1129 of the European Parliament as it forms part of domestic law by virtue of the Withdrawal Act (the "**UK Prospectus Regulation**"). The FCA approves this Base Prospectus only as meeting the standards of completeness, comprehensibility and consistency imposed by the UK Prospectus Regulation. Such approval should not be considered as an endorsement of the Issuer that is the subject of this Base Prospectus or the quality of the Notes that are the subject of this Base Prospectus. Investors should make their own assessment as to the suitability of investing in the Class A Notes.

Such approval relates only to each Series and Sub-Class of Class A Notes that is to be admitted to trading on the regulated market of the London Stock Exchange or other regulated markets for the purposes of UK MiFID II or which is to be offered to the public in the UK.

Application will be made to the FCA for each Series and Sub-Class of Class A Notes issued under the Programme during the period of 12 months from the date of this Base Prospectus to be listed on the Official List and to the London Stock Exchange plc for such Series and Sub-Classes of Class A Notes to be admitted to trading on its regulated market. On the First Issuance Date, the VFNs will not be listed on the London Stock Exchange plc or admitted to trading on its regulated market.

Notice of the aggregate nominal amount of the Class A Notes of the relevant Series, interest payable in respect of Class A Notes of the relevant Series, the issue price of Class A Notes of the relevant Series and any other terms and conditions that are applicable to each Sub-Series (as defined under "Terms and Conditions of the Notes") of Class A Notes of the relevant Series will be set out in the Final Terms in respect of the relevant Sub-Series which, with respect to Class A Notes of the relevant Series to be admitted to the Official List and admitted to trading by the London Stock Exchange, will be delivered to the Listing Authority and the London Stock Exchange on or before the date of issue of such Sub-Series of Class A Notes of the relevant Series.

Validity	This Base Prospectus is valid for 12 months after its approval.
Obligations	The Notes will be obligations of the Issuer alone and will not be guaranteed by, or be the responsibility of, any other entity. In particular, the Notes will not be obligations of or guaranteed by any other Transaction Party, their affiliates or any other party named in this Base Prospectus.
Definitions	See "Glossary" for a list of defined terms and their meanings, and " <i>Index of Defined Terms</i> " for where the meanings of defined terms may be found in this Base Prospectus.
EU Risk Retention Requirements and UK Risk Retention Rules ..	<p>The Seller will (in its capacity as originator for the purposes of each of the EU Securitisation Regulation and the UK Securitisation Framework and PRA Securitisation Rules) retain, on an ongoing basis, a material net economic interest in the securitisation of not less than 5% of the nominal value of the securitised exposures in accordance with (A) Article 6 of the EU Securitisation Regulation, subject always to any requirement of law (the "EU Risk Retention Requirements"), and (B) Article 6(1) of Chapter 2 of the PRA Securitisation Rules, subject always to any requirement of law (the "UK Risk Retention Rules"). The Seller intends to satisfy both the EU Risk Retention Requirements and the UK Risk Retention Rules through retaining a portion of the Seller's Note in an amount at least equal to 5% of the then aggregate outstanding Current Balance of the Mortgage Portfolio in accordance with Article 6(3)(b) of the EU Securitisation Regulation and (i) Article 6(3)(b) of Chapter 2 of the PRA Securitisation Rules.</p> <p>Each prospective investor is required to independently assess and determine the sufficiency of the information described above in this Base Prospectus and which may otherwise be made available to investors (if any) generally for the purposes of complying with both the EU Risk Retention Requirements and the UK Risk Retention Rules, and none of the Issuer, the Arranger, the Dealer(s), the Seller nor any of the other Transaction Parties makes any representation that any such information is sufficient in all circumstances for such purposes. Prospective investors who are uncertain as to the requirements under either the EU Risk Retention Requirements or the UK Risk Retention Rules that apply to them in respect of their relevant jurisdiction should seek guidance from their regulator.</p> <p>See further "Certain Regulatory Requirements – The UK Securitisation Framework" and "Certain Regulatory Requirements – The EU Securitisation Regulation".</p>
Simple, Transparent and Standardised (STS) Securitisation	<p>The Seller in its capacity as originator may procure a notification to be submitted to the FCA, in accordance with SECN 2.5, confirming that the UK STS Criteria Requirements have been satisfied with respect to a Series and Class of Notes.</p> <p>In relation to such notification (the "UK STS Notification"), the Seller has been designated as the first contact point for investors and competent authorities.</p> <p>The notification, with respect to a Series and Class of Notes, once made to the Financial Conduct Authority ("FCA"), will be available for download on the</p>

FCA Register of Securitisation STS Notifications at the following website: <https://data.fca.org.uk/#/sts/stssecuritisations> (or its successor website) (the "**FCA STS Register website**"). For the avoidance of doubt, the FCA STS Register website and the contents thereof do not form part of this Base Prospectus. The UK STS status of the Notes is not static and investors should verify the current status on the FCA STS Register website, which will be updated where the relevant Notes are no longer considered to be in compliance with the UK STS Criteria Requirements following a decision of competent authorities or a notification by the Seller.

Note that designation as a UK STS securitisation does not meet, as at the date of this Base Prospectus, the requirements of a "simple, transparent and standardised" securitisation under the EU Securitisation Regulation. For further information, please refer to the Risk Factor entitled "Simple, Transparent and Standardised Securitisations and UK STS Designation" below.

No representation or warranty is made by the Arranger, the Dealer(s), the Issuer or any other person as to compliance with the UK STS Criteria Requirements.

**US Credit Risk
Retention**

For so long as any Rule 144A Notes are outstanding, the Seller, as the "sponsor" of a "securitisation transaction", will be required under Section 15G of the Exchange Act and regulations promulgated thereunder (the "**US Credit Risk Retention Requirements**") to retain an economic interest in the credit risk of the interests created by the Issuer in an amount of not less than 5%. In such capacity, the Seller intends to satisfy the US Credit Risk Retention Requirements by retaining and maintaining (either directly or through one or more wholly owned affiliates (as such term is defined in the US Credit Risk Retention Requirements) a "seller's interest" (as defined in the US Credit Risk Retention Requirements), in the form of the Seller's Note, which seller's interest will be in a minimum amount equal to at least 5% of the aggregate unpaid principal amount of the outstanding Notes of all Series issued by the Issuer, other than any Notes that are at all times held by the Seller (or one or more of the Seller's wholly owned affiliates) (the "**US Retained Interest**"), calculated in all cases in accordance with the US Credit Risk Retention Requirements and measured at the Issuance Date of each issuance of Notes and on each Payment Date for so long as any Rule 144A Notes are outstanding. For so long as any Rule 144A Notes are outstanding, the Seller will disclose within a reasonable time after each Issuance Date the amount of the seller's interest on such Issuance Date if it is materially different from that disclosed in the relevant Final Terms. As used herein, the term "Notes" does not include the Seller's Note. See "The VFNs" for a description of how the amount of the Seller's Note is computed. See further "Certain Regulatory Requirements – US Credit Risk Retention".

Volcker Rule

The Issuer has been structured not to be a "covered fund" for the purposes of regulations adopted under Section 13 of the Bank Holding Company Act of 1956, as amended (such statutory provisions, together with such implementing regulations, being the Volcker Rule). In reaching this conclusion, although other statutory or regulatory exemptions under the Investment Company Act and under the Volcker Rule may be available, the Issuer has relied on an exemption from registration as an "investment company" under the Investment Company Act under Section (3)(c)(5)(C) thereof. Under the Volcker Rule, a "covered fund" does not include an issuer that may rely on an exclusion or

exemption from the definition of "investment company" under the Investment Company Act other than the exclusions contained in Section 3(c)(1) and Section 3(c)(7) thereof. Any prospective investor in the Notes should consult its own legal advisers regarding such matters and other effects of the Volcker Rule.

Benchmarks Interest and/or other amounts payable under the Notes may be calculated by reference to certain reference rates, which may constitute a benchmark under Regulation (EU) 2016/1011, as amended and as it forms part of the UK domestic law by virtue of the Withdrawal Act (the "**UK Benchmarks Regulation**"). If any such reference rate does constitute such a benchmark, the applicable Final Terms will indicate whether or not the administrator thereof is included in the register of administrators and benchmarks established and maintained by the FCA pursuant to Article 36 of the UK Benchmarks Regulation. Not every reference rate will fall within the scope of the UK Benchmarks Regulation. Furthermore, transitional provisions in the UK Benchmarks Regulation may have the result that the administrator of a particular benchmark is not required to appear in the register of administrators and benchmarks at the date of the applicable Final Terms. The registration status of any administrator under the UK Benchmarks Regulation is a matter of public record and, save where required by applicable law, the Issuer does not intend to update any Final Terms to reflect any change in the registration status of any administrator.

The section entitled "Risk Factors", starting on page 1, contains details of certain risks and other factors that should be given particular consideration before investing in the Notes. Prospective investors should be aware of the issues summarised within that section.

The Notes offered hereby have not been approved or disapproved by the SEC, any US federal or state securities commission or any other US regulatory authority, nor have any of the foregoing authorities approved or disapproved this Base Prospectus or confirmed the accuracy or adequacy of the Base Prospectus. Any representation to the contrary is a criminal offence under US law.

None of the Arranger, the Dealer(s), the Seller, the Servicer, the Interest Rate Swap Counterparty, the First Account Bank, the Custodian, the Second Account Bank, the Swap Collateral Account Bank, the VFN Registrar, the Note Trustee, the Security Trustee, the Cash Manager, the Corporate Services Provider, the Back-up Servicer Facilitator nor the Agents is responsible for any matter that is the subject of any statement, representation, warranty or covenant of the Issuer contained in the Notes or any Programme Documents, or any other agreement or document relating to the Notes or any Programme Document or for the execution, legality, effectiveness, adequacy, genuineness, validity, enforceability or admissibility in evidence thereof. In particular, but without limitation, none of the Arranger, the Dealer(s), the Seller, the Servicer, the Interest Rate Swap Counterparty, the First Account Bank, the Custodian, the Second Account Bank, the Swap Collateral Account Bank, the VFN Registrar, the Note Trustee, the Security Trustee, the Cash Manager, the Corporate Services Provider, the Back-up Servicer Facilitator nor the Agents makes any representation, warranty or guarantee that the holder of the Seller's Note, its affiliates or the transactions contemplated in this Base Prospectus will be in compliance with any of the EU Risk Retention Requirements, the UK Risk Retention Rules, the US Credit Risk Retention Requirements or the Volcker Rule, nor is it responsible for compliance by the Issuer (or by the Seller as the designated reporting entity) with, in particular, the transparency requirements set out in Article 7 of the EU Securitisation Regulation, SECN 6 and Article 7 of Chapter 2 of the PRA Securitisation Rules.

Subject as provided in the applicable Final Terms, the only persons authorised to use this Base Prospectus in connection with an offer of the Notes are the persons named in the applicable Final Terms as the relevant Dealer(s).

No person is or has been authorised to give any information or to make any representation not contained in this Base Prospectus and, if given or made, such information or representation must not be relied upon as having been authorised by or on behalf of the Issuer, the directors of the Issuer, any Transaction Party, any of their respective affiliates or any other party to the Transaction Documents.

Neither the delivery of this Base Prospectus nor any offer, sale or allotment made in connection with the offering of any Notes will under any circumstances constitute a representation or create any implication that there has been no change in the affairs of the Issuer, any Transaction Party or any of their respective affiliates or in the information contained herein since the date hereof or that the information contained herein is correct as at any time subsequent to the date hereof or that there has been no change in any other information supplied in connection with the Programme as of any time subsequent to the date indicated in the document containing the same or that such information is correct at any time subsequent to the date thereof.

The Notes may not be offered or sold, directly or indirectly, and neither this Base Prospectus nor any part hereof nor any other prospectus, form of application, advertisement, other offering material or other information may be issued, distributed or published in any country or jurisdiction (including the UK), except in circumstances that will result in compliance with all applicable laws, orders, rules and regulations.

Supplementary prospectuses

If, after the date of this Base Prospectus, any significant (for the purposes of making an informed assessment of the assets and liabilities, financial position, profits and losses, and prospects of the Issuer and the rights attaching to the Notes) new factor, material mistake or material inaccuracy relating to the information included in this Base Prospectus arises, the Issuer will prepare a supplementary prospectus for the purposes of Section 87G of the FSMA for approval by and filing with the FCA which will be made available to the public as required under the UK Prospectus Regulation.

MiFID II product governance

Solely for the purposes of each manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in MiFID II; and (ii) all channels for the distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a "**distributor**") should take into consideration the manufacturers' target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers' target market assessment) and determining appropriate distribution channels.

UK MiFIR product governance

Solely for the purposes of each manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is only eligible counterparties, as defined in the FCA Handbook Conduct of Business Sourcebook ("**COBS**"), and professional clients, as defined in Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the Withdrawal Act ("**UK MiFIR**"); and (ii) all channels for the distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a "**distributor**") should take into consideration the manufacturers' target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the "**UK MiFIR Product Governance Rules**") is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers' target market assessment) and determining appropriate distribution channels.

PRIIPs Regulation

The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area ("**EEA**"). For these purposes, a retail investor means a person who is one (or more) of: (a) a retail client as defined in point (11) of Article 4(1) of MiFID II; or (b) a customer within the meaning of Directive (EU) 2016/97 (as amended, the "**Insurance Distribution Directive**"), where that customer would not qualify as a professional client (as defined in point (10) of Article 4(1) of MiFID II). Consequently, no key information document required by Regulation (EU) No 1286/2014 (the "**PRIIPs Regulation**") for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

UK PRIIPs Regulation

The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the United Kingdom ("**UK**"). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law by virtue of the Withdrawal Act; or (ii) a customer within the meaning of the provisions of the Financial Services and Markets Act 2000, as amended (the "**FSMA**") and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the Withdrawal Act. Consequently, no key information document required by Regulation (EU) No 1286/2014 as it forms part of domestic law by virtue of the Withdrawal Act (the "**UK PRIIPs Regulation**") for offering or selling the Notes or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.

Certain definitions

References in this Base Prospectus to "**£**" or "**Sterling**" are to the lawful currency for the time being of the United Kingdom of Great Britain and Northern Ireland. References in this Base Prospectus to "**€**" or "**Euro**" are references to the single currency introduced at the start of the third stage of European Economic and Monetary Union pursuant to the Treaty of Rome of 25 March 1957, as amended from time to time. References in this Base Prospectus to "**\$**", "**US\$**", "**US Dollars**" or "**Dollars**" are to the lawful currency for the time being of the United States of America.

The "**United Kingdom**" and "**UK**" are abbreviated references to the United Kingdom of Great Britain and Northern Ireland. The UK comprises three distinct legal systems, namely those of England and Wales, Scotland and Northern Ireland, each with its own judicial process. However, leaving aside devolution of certain powers to Welsh, Scottish and Northern Irish legislative bodies, the legislative body for each of these three jurisdictions is the UK Parliament. Accordingly, references to UK law are to laws promulgated by the UK Parliament and which are binding on the UK.

The "**United States**" and "**US**" are abbreviated references to the United States of America.

Governing law

The Programme Documents are governed by the laws of England and Wales.

Notice to US investors

The Class A Notes sold in reliance on Regulation S will be represented on issue by one or more Regulation S Global Note Certificates, in fully registered form without interest coupons or principal receipts attached. The Regulation S Global Note Certificates are expected to be deposited with, and registered in the name of a nominee of, a Common Depositary or Common Safekeeper, as specified in the applicable Final Terms, for Euroclear and Clearstream, Luxembourg. The Class A Notes sold in reliance on Rule 144A will be represented by one or more Rule 144A Global Note Certificates. Rule 144A Global Note Certificates representing Notes denominated in any currency other than US Dollars are expected to be deposited with a Common Depositary or Common Safekeeper, as specified in the applicable Final Terms, for Euroclear and Clearstream, Luxembourg, and registered in the name of a nominee of a Common Depositary or Common Safekeeper, as the case may be, for Euroclear and Clearstream, Luxembourg. Rule 144A Global Note Certificates representing Notes denominated in US Dollars are expected to be deposited with the DTC Custodian for, and registered in the name of, Cede & Co. as nominee of DTC.

The Class Z VFNs and the Seller's Note will be issued in definitive form and be represented by Regulation S Individual Note Certificates. The Issuer will also maintain a register, to be kept on the Issuer's behalf by the VFN Registrar, in which the Class Z VFNs and the Seller's Note will be registered in the name of the Class Z VFN Holder and the holder of the Seller's Note, respectively. Transfers of all or any portion of the interest in the Class Z VFNs or the Seller's Note may be made only through the register maintained by the Issuer. Neither the Class Z VFNs nor the Seller's Note may be transferred to a US person.

Prospective purchasers should note that the Regulation S Notes are not designed for, and may not be purchased or held by, any "employee benefit plan", as defined in Section 3(3) of the US Employee Retirement Income Security Act of 1974, as amended ("**ERISA**"), which is subject to the fiduciary responsibility provisions of Title I of ERISA, any "plan" as defined in Section 4975(e)(1) of the US Internal Revenue Code of 1986, as amended (the "**Code**"), which is subject to Section 4975 of the Code or by any person or entity the underlying assets of which include, or are deemed under the US Department of Labor regulation at 29 C.F.R. § 2510.3-101, as modified by Section 3(42) of ERISA (the "**Plan Asset Regulation**"), to include, assets of such an "employee benefit plan" or "plan" by reason of

such employee benefit plan's or plans' investment in the person or entity (each of the foregoing, a **"Benefit Plan Investor"**). Each purchaser or transferee of a Regulation S Note (or any interest therein) will be deemed to have represented, warranted and agreed that (i) it is not, and is not acting on behalf of (and for so long as it holds a Regulation S Note will not be, and will not be acting on behalf of), a Benefit Plan Investor, and (ii) if it is a governmental, church or non-US plan, (A) it is not, and for so long as it holds such Notes or interests therein will not be, subject to any federal, state, local or non-US law or regulation that could cause the underlying assets of the Issuer to be treated as assets of the investor in any Note (or interest therein) by virtue of its interest and thereby subject the Issuer (or other persons responsible for the investment and operation of the Issuer's assets) to any US federal, state, local or non-US law or regulation that is substantially similar to the prohibited transaction provisions of Section 406 of ERISA or Section 4975 of the Code (**"Similar Law"**), and (B) its acquisition, holding and disposition of such Note (or any interest therein) will not constitute or result in a violation of any such Similar Law.

The Dealer(s) will not offer or sell any Notes into the US except through a US-registered broker-dealer affiliate or pursuant to an available exemption from registration as a broker-dealer under the Exchange Act.

Stabilisation

In connection with the issue of any Series or Class of Notes, or any Sub-Series of the Class A Notes of the relevant Series, the Dealer(s) (if any) named as the stabilising manager (or persons acting on behalf of any stabilising manager) in the applicable Final Terms may over-allot such Notes (**provided that**, in the case of any Series or Class of Notes or any Sub-Series of the Class A Notes of the relevant Series to be admitted to trading on the regulated market of the London Stock Exchange or any other regulated market (within the meaning of MiFID II) in the European Economic Area or in the UK, the aggregate principal amount of a Series or Class of Notes or any Sub-Series of the Class A Notes of the relevant Series allotted does not exceed 105% of the aggregate principal amount of the relevant Series and Class of Notes or any Sub-Series of the Class A Notes of the relevant Series) or effect transactions with a view to supporting the market price of that Series and Class of Notes or any Sub-Series of the Class A Notes of the relevant Series at a level higher than that which might otherwise prevail. However, there is no assurance that the stabilising manager (or persons acting on behalf of a stabilising manager) will undertake stabilisation action. Any stabilisation action may begin on or after the date on which adequate public disclosure of the terms of the offer of the relevant Series and Class of Notes or any Sub-Series of the Class A Notes of the relevant Series is made and, if begun, may be ended at any time, but it must end no later than the earlier of 30 days after the issue date of the relevant Series and Class of Notes or any Sub-Series of the Class A Notes of the relevant Series and 60 days after the date of the allotment of the relevant Series and Class of Notes or any Sub-Series of the Class A Notes of the relevant Series. Any stabilisation action or over-allotment must be conducted by the relevant stabilising manager(s) (or person acting on behalf of any stabilising manager(s)) in accordance with all applicable laws and rules.

Information as to placement within the US

The Notes have not been and will not be registered under the Securities Act or the securities laws of any state or other jurisdiction of the US and may not be offered or sold within the US or to, or for the account or benefit of, US Persons (as defined in Regulation S) except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and any applicable federal, state or local securities laws. Accordingly, (a) the Rule 144A Notes are being offered and sold in the US only to QIBs pursuant to Rule 144A under the Securities Act, in each case acting for their own account or for the account of one or more QIBs, and (b) the Regulation S Notes are being offered and sold outside the US to persons other than US Persons pursuant to Regulation S. For a description of certain restrictions on resales or transfers of the notes, see "Subscription and Sale and Transfer and Selling Restrictions – Transfer Restrictions".

This Base Prospectus has been prepared by the Issuer solely for use in connection with the offering of the Notes. This Base Prospectus is personal to each potential investor to whom it has been delivered by the Issuer, the Dealer(s) or any of their respective affiliates and does not constitute an offer to any other person or to the public generally to subscribe for or otherwise acquire the Notes. Distribution of this Base Prospectus in the US to any persons other than the potential investors who are QIBs and those persons, if any, retained to advise such offerees with respect thereto is unauthorised, and any disclosure of any of its contents, without the prior written consent of the Issuer, is prohibited. Additionally, each purchaser of Notes will be deemed to have made the representations, warranties and acknowledgements that are described in this Base Prospectus under "Subscription and Sale and Transfer and Selling Restrictions – Transfer Restrictions".

Subscription, Sale and Transfer Restrictions

This Base Prospectus does not constitute an offer of, or an invitation by or on behalf of, the Issuer, the Arranger or the Dealer(s) to subscribe for or purchase any of the Notes. The distribution of this Base Prospectus and the offering of the Notes in certain jurisdictions may be restricted by law. Persons into whose possession this Base Prospectus comes are required by the Issuer and the Dealer(s) to inform themselves about, and to observe, such restrictions. For a description of certain further restrictions on offers and sales of Notes and distribution of this Base Prospectus, see "Subscription and Sale and Transfer and Selling Restrictions". Neither this Base Prospectus nor any part hereof constitutes an offer of, or an invitation by, or on behalf of, the Issuer, the Arranger or the Dealer(s) to subscribe for or purchase any Notes and neither this Base Prospectus, nor any part hereof, may be used for or in connection with an offer to, or solicitation by, any person in any jurisdiction or in any circumstances in which such offer or solicitation is not authorised or to any person to whom it is unlawful to make such offer or solicitation.

Available information

To permit compliance with Rule 144A in connection with the sale of any Rule 144A Notes, for so long as any Rule 144A Notes remain outstanding and are "restricted securities" within the meaning of Rule 144(a)(3) under the Securities Act, the Issuer will be required to furnish, upon the request of a holder of any Rule 144A Note, to such holder and a prospective purchaser designated by such holder, the information required to be delivered under Rule 144A(d)(4) under the Securities Act if, at the time of the request, the Issuer is neither a reporting company under Section 13 or Section 15(d) of the Exchange Act, nor exempt from reporting pursuant to Rule 12g3-2(b) under the Exchange Act. All information made available by the Issuer pursuant to the terms of this paragraph may also be obtained during usual business hours free of charge at the specified office of any Paying Agent.

By requesting copies of the documents referred to herein or by making any other requests for additional information relating to the issue of the Notes or to the Issuer, each potential investor agrees to keep confidential the various documents and all written information that from time to time has been or will be disclosed to it, to the extent that such documents or information are not otherwise publicly available, and agrees not to disclose any portion of such information to any person except in connection with the proposed resale of the Notes or as required by law.

A copy of this Base Prospectus and each of the Final Terms relating to the Notes will be available for inspection at the registered offices of the Issuer, at the specified offices of the Paying Agents and each financial intermediary placing or selling such Notes or will be available for inspection on the website of the FCA in accordance with the UK Prospectus Regulation and the UK Prospectus Rules.

Notwithstanding any provision in this Base Prospectus to the contrary, each prospective investor (and each employee, representative, or other agent of each such prospective investor) may disclose to any and all persons, without limitation of any kind, the US federal income tax treatment and the US federal income tax structure of any transaction contemplated in this Base Prospectus and all materials of any

kind (including opinions or other tax analyses) that are provided to it relating to such US federal income tax treatment and US federal income tax structure.

Rounding adjustments

Certain monetary amounts and currency translations included in this document have been subject to rounding adjustments. Accordingly, figures shown as currency translations in certain tables may not be an arithmetic aggregation of the figures that preceded them.

Forward-looking statements

This Base Prospectus includes statements that are, or may be deemed to be, "forward-looking statements" within the meaning of Section 27A of the Securities Act and Section 21E of the Exchange Act. These forward-looking statements can be identified by the use of forward-looking terminology, including the terms "believes", "estimates", "anticipates", "expects", "intends", "plans", "may", "will", or "should" or, in each case, their negative or other variations or comparable terminology. These forward-looking statements include all matters that are not historical facts. They appear in a number of places throughout this Base Prospectus and involve known and unknown risks, uncertainties and other important factors that could cause the actual results and performance of the Notes, the Issuer, the Seller or the UK residential mortgage industry to differ materially from any future results or performance expressed or implied in the forward-looking statements.

In addition, even if the results and performance of the Notes, the Issuer, the Seller or the UK residential mortgage industry are consistent with the forward-looking statements set out in this Base Prospectus, those results or developments may not be indicative of results or developments in subsequent periods. Many factors could cause the results and performance of the Notes, the Issuer, the Seller or the UK residential mortgage industry to be materially different from any future results, performance or achievements that may be expressed or implied by such forward-looking statements including, but not limited to, those described in the section entitled "Risk Factors".

Any forward-looking statements that are made in this Base Prospectus speak only as of the date of such statements and are not guarantees of future performance. The Issuer does not intend or undertake any obligation, to revise the forward-looking statements included in this Base Prospectus to reflect any future events or circumstances. Actual results, performance or achievements could differ materially from the results expressed or implied by these forward-looking statements. Factors that could cause or contribute to such differences include those discussed in the section entitled "Risk Factors". These factors should not be construed as exhaustive and should be read in conjunction with the other cautionary statements in the Base Prospectus.

Enforceability of judgments

The Issuer is a public limited company registered in England and Wales. All of the Issuer's assets are located outside the US and all of the officers or directors of the Issuer reside outside the US. As a result, it may not be possible for investors to effect service of process within the US upon the Issuer or such persons not residing in the US, including with respect to matters arising under the federal or state securities laws of the US or any State or territory within the US, or to enforce against them judgments of the courts of the US, including judgments predicated upon the civil liability provisions of such securities laws. There is doubt as to the enforceability in the UK, in original actions or in actions for the enforcement of judgments of US courts, of civil liabilities predicated solely upon such securities laws.

The Seller is a retail and commercial bank registered in England and Wales. All of the Seller's assets are located outside the US and all of the officers or directors of the Seller reside outside the US. As a result, it may not be possible for investors to effect service of process within the US upon the Seller or

such persons not residing in the US, including with respect to matters arising under the federal or state securities laws of the US or any State or territory within the US, or to enforce against them judgments of the courts of the US, including judgments predicated upon the civil liability provisions of such securities laws. There is doubt as to the enforceability in the UK, in original actions or in actions for the enforcement of judgments of US courts, of civil liabilities predicated solely upon such securities laws.

Use of licensed broker or dealer

If a jurisdiction requires that the offering of the Notes be made by a licensed broker or dealer and any of the Dealer(s) or any parent company or affiliate of the Dealer(s) is a licensed broker or dealer in that jurisdiction, the offering of the Notes will be deemed to be made by such Dealer(s) or such parent company or affiliate on behalf of the Issuer in such jurisdiction.

DIAGRAMMATIC OVERVIEW OF THE TRANSACTION

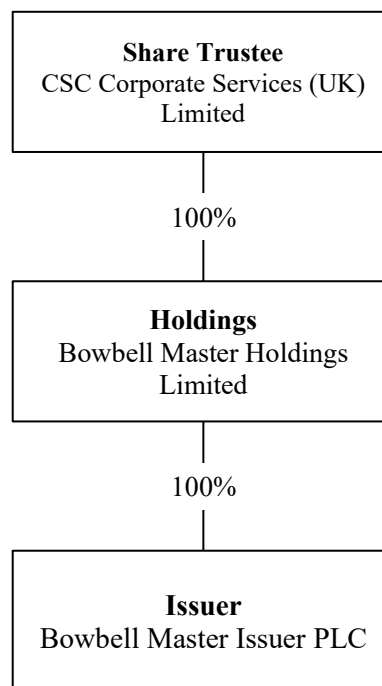

Diagrammatic Overview of the Transaction

DIAGRAMMATIC OVERVIEW OF ON-GOING CASHFLOWS

DIAGRAMMATIC OVERVIEW OF THE OWNERSHIP STRUCTURE

This diagram illustrates the ownership structure of the principal parties to the securitisation transaction.

- The Issuer is a wholly owned subsidiary of Holdings.
- The entire issued share capital of Holdings is held on trust by the Share Trustee under the terms of a discretionary trust. The Share Trustee is not affiliated with the Seller. The payments under the Notes will not be affected by this arrangement. See "Holdings".

RISK FACTORS

This section describes the material risks associated with an investment in the Notes. An investment in the Notes involves substantial risks and is suitable only for investors experienced in financial matters who are in a position to fully assess the risks relating to such an investment and who have sufficient financial means to suffer any potential loss stemming therefrom.

The Issuer considers that the risks described below are the material risks inherent in the transaction for Noteholders, and that the factor described first in each category of factors set out below is the most material factor in relation to that category, based on the probability of its occurrence and the expected magnitude of its negative impact. However, additional risks and uncertainties relating to the Issuer that are not currently known to the Issuer, or that it currently deems immaterial, may individually or cumulatively also have a material adverse effect on the business, financial condition, results of operations and/or prospects of the Issuer and, if any such risk should occur, the price of the Notes may decline and investors could lose all or part of their investment. The factors set out below are not exhaustive or an explanation of all risks that investors may face when making an investment in the Notes.

Prospective Noteholders should (a) read the information set out below and elsewhere in this Base Prospectus and in the applicable Final Terms and reach their own views, including as to the level, order of materiality and potential of occurrence of the risks set out below, together with their own professional advisers, prior to making any investment decision, (b) ensure that they understand the nature of the Notes and the extent of their exposure to risk, (c) consider carefully, in the light of their own financial circumstances and investment objectives (and those of any accounts for which they are acting) and in consultation with such legal, financial, regulatory and tax advisers as they deem appropriate, all the information set out in this Base Prospectus and in the applicable Final Terms so as to arrive at their own independent evaluation of the investment, and (d) confirm that an investment in the Notes is fully consistent with their respective financial needs, objectives and any applicable investment restrictions and is suitable for them.

RISKS RELATING TO THE AVAILABILITY OF FUNDS TO PAY THE NOTES

The Issuer has limited resources available to it to make payments on the Notes

The Issuer is the only party responsible for making payments on the Notes. The Notes will not represent an interest in or obligation of, and will not be insured or guaranteed by any other party to the transaction other than the Issuer. Furthermore, no person other than the Issuer will accept any liability whatsoever to the Noteholders in respect of any failure by the Issuer to pay any amount due under the Notes.

The ability of the Issuer to make payments of interest on, and principal of, the Notes and to pay its operating and administrative expenses will therefore be dependent solely on the Revenue Receipts and the Principal Receipts in respect of the Mortgage Loans in the Mortgage Portfolio, interest earned on certain amounts standing to the credit of the Transaction Accounts (including amounts standing to the credit of the Reserve Fund and the Cash Accumulation Ledgers) and income from any Authorised Investments. In addition, the Issuer will rely on the Interest Rate Swaps to provide hedging in respect of certain interest rate variance risk to which certain Funding Notes which bear a floating rate of interest are exposed in relation to the Fixed Rate Mortgage Loans in the Mortgage Portfolio and Currency Swaps to provide currency and/or interest rate hedging (as appropriate) in respect of the relevant Series and Classes of Notes as specified in the applicable Final Terms.

Other than the foregoing, the Issuer will not have any sources of funds available to meet its obligations under the Notes and/or any other payments ranking in priority to the Notes. If the resources described

above are insufficient, any such insufficiency will be borne by the Noteholders and the other Secured Creditors, subject to the applicable Priority of Payments.

Effects of prepayments on, or redemptions of, the Mortgage Loans on the yield to maturity of the Notes

The yield to maturity of the Notes of each Class will depend mostly on (a) the amount and timing of the repayment of principal on the Mortgage Loans, and (b) the price paid by the Noteholders of each Class of Notes. The yield to maturity of the Notes of each Class may be adversely affected by a higher or lower than anticipated rate of prepayments on the Mortgage Loans. The rate of prepayment of Mortgage Loans is influenced by a wide variety of factors, including as summarised below under "Risks Relating to the Mortgage Loans – Decline in house prices may adversely affect the performance and market value of the Notes" and "Risks Relating to the Mortgage Loans – Delinquencies or Default by Borrowers in paying amounts due on their Mortgage Loans". Variation in the rate and timing of prepayments of principal on the Mortgage Loans may affect each Class of Notes differently depending upon whether an Asset Trigger Event has occurred and/or whether a Non-Asset Trigger Event is continuing or the Security has been enforced. As a general matter, if prepayments on the Mortgage Loans occur less frequently than anticipated, then the amortisation of the Notes may take much longer than is presently anticipated and the actual yields on the Notes may be lower than anticipated. If the aggregate rates of prepayments and scheduled repayments fall to levels much lower than the historical CPR levels in respect of the Mortgage Portfolio, this may affect the repayment rates on any Pass-Through Redemption Notes or Controlled Amortisation Notes, and in addition the ability of the Issuer to accumulate sufficient Principal Receipts on each Cash Accumulation Ledger to repay the relevant Bullet Redemption Notes. Alternatively, it is unlikely that the average lives of the Notes will be reduced unless CPRs rise to levels much higher than the historical CPR levels in respect of the Mortgage Portfolio (or the UK mortgage market in general) and the Seller ceases to maintain the required amount of Mortgage Loans in the Mortgage Portfolio. Any decline in prepayment rates in respect of the Mortgage Loans could leave the Issuer with insufficient proceeds to repay the Notes on the relevant scheduled maturity dates.

Certain features of the Mortgage Loans may also affect the yield to maturity of the Notes. For example, the grant by the Seller of a Product Switch may cause the rates of prepayments and scheduled repayments on the Mortgage Loans to be lower than expected.

No assurance can be given that the Issuer will receive sufficient funds during the Cash Accumulation Period prior to the Bullet Redemption Date for a Bullet Redemption Note or prior to any Controlled Amortisation Date for a Controlled Amortisation Note in time for the Issuer to redeem the relevant Series and Classes of Notes on their Bullet Redemption Date or Controlled Amortisation Dates, respectively. The extent to which sufficient funds are received by the Issuer during such periods or prior to any Controlled Amortisation Date for a Controlled Amortisation Note will depend on, among other things, whether the actual principal prepayment rate of the Mortgage Loans is the same as the assumed principal prepayment rate.

In addition, during a Cash Accumulation Period prior to the Bullet Redemption Date for a Bullet Redemption Note, if, on a Note Payment Date, a Cash Accumulation Shortfall is continuing and the PPR is less than the PPR required in accordance with the Anticipated Cash Accumulation Period, then no repayment will be made of any principal amount due on that Note Payment Date on any Controlled Amortisation Notes or Pass-Through Redemption Notes, which may have an adverse effect on the yield to maturity of those Notes.

If the Issuer does not have sufficient funds to pay the full amount scheduled to be redeemed on Controlled Amortisation Notes on their Controlled Amortisation Dates, then the Issuer is required to pay only the amount it has available. Any shortfall on such Notes will be deferred to and paid on subsequent Note Payment Dates when the Issuer has sufficient funds to pay the shortfall amount to be

repaid on the relevant Series and Classes of Notes. If this happens, holders of affected Notes will not receive repayment of principal when expected, which may have an adverse effect on the yield to maturity of those Notes.

The yield to maturity of the Notes may also be affected by the exercise by the Issuer of its rights, under Conditions 5(e) (*Optional redemption in full or in part*) and 5(f) (*Optional redemption for tax and other reasons*), to redeem the Notes in the circumstances set out therein.

The Issuer's ability to pay interest on and/or redeem the Notes may be affected by a high rate of default on the Mortgage Loans

The amounts required to pay interest on and/or redeem the Notes are generated substantially from payments of interest and principal pursuant to the Mortgage Loans. Where defaults in payment on the Mortgage Loans occur, there is a risk that the payments made under the remaining Mortgage Loans (where no default has occurred) may not be sufficient to pay interest on and/or redeem the Notes (either partially or in full) on the relevant Note Payment Dates or Final Maturity Dates, or at all.

The default by a Borrower under a Mortgage Loan in payment of interest and/or principal gives rise to the lender's rights to enforce its security (for example by selling the property) in order to repay the debt secured in full (including accrued but unpaid interest and principal). There are, however, several requirements that would need to be complied with before proceeds could be realised from such security and be applied in or towards repayment or redemption of the related Mortgage Loan. In order to enforce a power of sale in respect of a Mortgaged Property, the relevant mortgagee (which may be the Seller or the Issuer) must first obtain possession of the relevant Mortgaged Property. Obtaining possession can be a lengthy and costly process and will involve the mortgagee assuming certain risks. Obtaining possession involves complying with any applicable current or future codes of practice and protocols (including the Mortgage Charter) relating to possession proceedings (see "The Servicer and the Servicing Agreement" and the discussion of the FCA's changes to the FCA's Mortgages and Home Finance: Conduct of Business Sourcebook ("**MCOB**") with respect to forbearance in "Regulation of the UK Residential Mortgage Market") and obtaining a court order for possession. In addition, obtaining possession can be delayed as a result of any requests received from an applicable regulator or the government or as a result of industry-led factors. There is also a requirement to market the property for a reasonable period in order to ensure a proper price is obtained.

The combined effect of the above is that there may be a delay between the date of any default occurring under any Mortgage Loan and the time when the proceeds of the sale of the security for such Mortgage Loan are available to repay such Mortgage Loan. During this period there may be no payments made under the relevant Mortgage Loan (thus increasing the amount of the arrears as well as any interest due under the relevant Mortgage Loan due to the charging of any default interest from the date of default to the date of judgment by the court in relation to any proceedings commenced by the relevant Mortgagee in relation to the relevant Mortgaged Property) and there may also be costs and expenses (for example maintenance costs, insurance premiums, and/or the costs of providing services and/or enforcing the security) relating to the property which would need to be discharged. There can be no assurance, at the end of such process, that such realisation proceeds would be sufficient to discharge the shortfall accumulated during the interim period between a default occurring under the relevant Mortgage Loan and the date on which the Mortgagee (after enforcing its acceleration or enforcement rights under the relevant Mortgage Loan Agreement and enforcing its security under the Mortgage Deed and any Related Security) becomes a mortgagee in possession of the Mortgaged Property and subsequently sells the Mortgaged Property to be able to redeem the full amount due (inclusive of the costs and fees mentioned above) due in respect of the relevant Mortgage Loan. The Issuer's ability to make payments on the Notes may therefore be reduced.

Excess Available Revenue Receipts and (without double counting) the Funding Note Principal Portion may not be sufficient to replenish principal that has been used to pay interest due on the Notes, which may result in the Notes not being repaid in full

If on any Payment Date there is a Revenue Shortfall, then, following the application of amounts standing to the credit of the Reserve Fund, the Issuer will be permitted to use Enhanced Available Principal Receipts to make up the Remaining Revenue Shortfall.

As described in more detail under "Credit Structure and Cashflows – Use of Principal Receipts to pay Remaining Revenue Shortfall", if the Issuer uses Enhanced Available Principal Receipts in this manner, the amount available to repay principal on the Class Z(S) VFN and the Class A Notes will be reduced. The inability to repay the Class A Notes will, subject to the Conditions, cause an Event of Default. Application of Enhanced Available Principal Receipts in this manner will be recorded on the Principal Deficiency Sub-Ledger for the Class A Notes and the Class Z(S) VFN in reverse sequential order, starting with the Class Z(S) VFN.

During the life of the Programme, however, it is expected that these principal deficiencies will be recouped from the application of Enhanced Available Revenue Receipts in accordance with the applicable Priority of Payments to eliminate debits on the Funding Principal Deficiency Sub-Ledger or the application of the Seller's Note Revenue Portion to eliminate debits on the Seller's Note Principal Deficiency Sub-Ledger and/or may be reduced or eliminated out of drawings on the Class Z(R) VFN (with the Class Z VFN Holder exercising sole discretion as to whether such drawing will be funded). However, if such Enhanced Available Revenue Receipts or the application of the Seller's Note Revenue Portion (as applicable) are or is insufficient to recoup principal deficiencies, the funds available to the Issuer may not be sufficient, after making the payments to be made in priority thereto, to pay, in full or at all, interest due on the Notes or to redeem the Notes.

For more information on principal deficiencies, see "Credit Structure and Cashflows – Principal Deficiencies and the Principal Deficiency Ledger".

Subordination of other Classes may not protect the Class A Noteholders from all risk of loss

The payment of interest due on any Payment Date in respect of the Class Z(R) VFN and the Class Z(S) VFN is subordinated to the payment of interest due on such Payment Date in respect of the Class A Notes of all Series and the Seller's Note, with the payment of interest on the Class A Notes and the Seller's Note ranking *pro rata* and *pari passu*.

The payment of interest due on any Payment Date in respect of the Class Z(R) VFN and the Class Z(S) VFN is also subordinated to the replenishment of the Reserve Fund up to the Reserve Fund Required Amount. None of the VFNs has the benefit of amounts standing to the credit of the Reserve Fund.

The repayment of principal due on any Payment Date in respect of the Class Z(S) VFN is subordinated to the repayment of principal due on such Payment Date in respect of the Class A Notes.

The repayment of principal due on any Payment Date in respect of the Seller's Note: (i) prior to service of an Enforcement Notice (for so long as no Asset Trigger Event has occurred and no Non-Asset Trigger Event is continuing); and (ii) following service of an Enforcement Notice, will rank *pro rata* and *pari passu* with the repayment of principal on the Class A Notes.

Where an Asset Trigger Event has occurred and/or a Non-Asset Trigger Event is continuing, and **provided that** no action has been taken to enforce the security created by the Issuer under the Transaction Documents, the repayment of principal due on any Payment Date in respect of the Seller's Note is subordinated to the repayment of principal on the Class A Notes and the Class Z(S) VFN.

In addition, it should be noted that, irrespective of whether or not an Asset Trigger Event has occurred and/or a Non-Asset Trigger Event is continuing, and irrespective of whether an Event of Default has occurred and is continuing and/or any action has been taken to enforce the security for the obligations of the Issuer under the Transaction Documents, any proceeds from the repurchase of the Mortgage Loans on exercise of the Seller's Note Permitted Repurchase Procedure will be applied by the Issuer exclusively to reduce the Principal Amount Outstanding of the Seller's Note, as described in "Credit Structure and Cashflows – Application of Available Principal Receipts or Enhanced Available Principal Receipts (as the case maybe) while no Asset Trigger Event has occurred and no Non-Asset Trigger Event is continuing and prior to the delivery of an Enforcement Notice".

However, not all Classes and Sub-Classes of Notes are scheduled to receive payments of interest and repayments of principal on the same Payment Dates. The dates for the payment of interest and principal in respect of a Series and Class of Notes will be the Note Payment Dates specified for such Notes in the applicable Final Terms. A Class of Notes of a particular Series may have Note Payment Dates in respect of interest and/or principal that are different from other Notes of the same Class (but of different Series) or of the same Series (but of a different Class or Sub-Class).

Subject to compliance with the Reapplication Rule, principal on a Class of Notes of a particular Series may be repaid before principal is repaid on other Notes of the same Class (but of different Series) or on other Notes of the same Series (but of a different Class or Sub-Class), irrespective of whether such Series or Class of Notes was issued before or after such other Series or Class of Notes. Further issuances of Notes may also therefore affect the rate of payment of principal on any particular existing Series or Class of Notes. See also "Risks Relating to the Structure and the Notes – Effect of the occurrence of a Trigger Event on the repayment of the Notes".

Payments of principal are expected to be made on each Class of Notes in amounts up to the amounts set forth under "Credit Structure and Cashflows – Available Principal Receipts".

Furthermore, if the Issuer exercises an option to redeem a Series and Class of Notes in any of the circumstances set out in Condition 5(e) (*Optional redemption in full or in part*), then those Series and Classes of Notes so redeemed will be repaid before other Series and Classes of Notes that are not so redeemed, irrespective of the ranking or Final Maturity Date of those Notes.

There is no assurance that these subordination rules will protect the Class A Noteholders or the holders of each Sub-Class of Class Z VFNs from all risks of loss. If the losses borne by the Class Z VFNs are in an aggregate amount equal to the aggregate Principal Amount Outstanding of the Class Z VFNs, then losses on the Mortgage Loans will thereafter be borne by the Class A Notes at which point there will be an Asset Trigger Event.

Furthermore, the Issuer retains the right to restructure certain terms of the Programme following the Programme Date, in each case in accordance with Condition 11 (*Meetings of Noteholders, modifications and waiver*) and subject, where relevant, to obtaining the Ratings Confirmation in respect of the proposed modifications.

Payments of Class Z VFNs may be delayed or reduced in certain circumstances

If, on any Payment Date on which a repayment of principal is due on any Sub-Class of Class Z VFNs but, if the repayment was made, the Principal Amount Outstanding of the remaining Class Z(S) VFN, less any amount recorded as a debit on the Class Z(S) VFN Principal Deficiency Sub-Ledger, would not be sufficient to provide the level of credit enhancement required to support the ratings on the Class A Notes (of all Series) then outstanding and the Issuer is unable to make a further Class Z VFN drawing, or obtain acceptable alternative forms of credit enhancement, then the Class Z VFNs will not be entitled to receive payments of principal until all Class A Notes outstanding have their required level of credit enhancement. The obligation of the Issuer to make a payment of principal on the Class Z(S) VFN on

any Note Payment Date on which a payment of principal is due on the Class Z(S) VFN is subject to the Actual Subordination Amount being at least equal to the Required Subordination Amount following such repayment. The failure to repay principal in respect of the Class Z(S) VFN in such circumstances will not constitute an Event of Default. See "Credit Structure and Cashflows – Available Principal Receipts – Rules for the repayment of principal amounts due on the Notes".

The VFN Holder may elect not to advance funds

The VFN Holder is required to advance funds to the Issuer only in certain limited circumstances (see "The VFNs"). There can be no assurance that the VFN Holder will advance funds to the Issuer under the Class Z(R) VFN, the Class Z(S) VFN or the Seller's Note when it has the right, but not the obligation, to do so. A decision by the VFN Holder not to advance funds in such circumstances could increase the risk of a Trigger Event or an Event of Default occurring, which may have the effects described in "Risks Relating to the Structure and the Notes – Effect of the occurrence of a Trigger Event on the repayment of the Notes" below, and could adversely affect the yield to maturity of the Notes.

RISKS RELATING TO THE MORTGAGE LOANS

Decline in house prices may adversely affect the performance and market value of the Notes

The value of the Related Security in respect of the Mortgage Loans may be affected by, among other things, a decline in the residential property values in the United Kingdom. If the residential property market in the United Kingdom should experience an overall decline in property values, such a decline could in certain circumstances result in the value of the Related Security being significantly reduced and, in the event that the Related Security is required to be enforced, may result in an adverse effect on payments on the Notes.

The Issuer cannot guarantee that the value of a property will remain at the same level as on the date of origination of the related Mortgage Loan. Downturns in the United Kingdom's economy generally have a negative effect on the housing market and, consequently a fall in property prices resulting from a deterioration in the housing market could result in losses being incurred by lenders where the net recovery proceeds are insufficient to redeem the outstanding loan. If the value of the Related Security backing the Mortgage Loans is reduced this may ultimately result in losses to Noteholders if the Related Security is required to be enforced and the resulting proceeds are insufficient to make payments on all Notes.

Borrowers may have insufficient equity to refinance their Mortgage Loans with lenders other than the Seller and may have insufficient resources to pay amounts in respect of their Mortgage Loans as and when they fall due. This could lead to higher delinquency rates and losses which in turn may adversely affect payments on the Notes.

There is also a risk that house-price growth will accelerate faster than earnings, stretching affordability and leaving households more vulnerable to shocks, such as increases in interest rates that could ultimately lead to higher retail loan losses.

UK house prices ended 2024 on a strong footing, +4.7% y/y (Nationwide), the strongest performance since 2021 with average prices now just below the all-time high recorded in summer 2022. Average prices remained broadly stable in Q1 2025. Net mortgage borrowing has been on an upwards trend since Q2 2024 and this is expected to continue during 2025.

Some degree of volatility in housing and mortgage markets is likely in H1 2025 with April's changes to stamp duty incentivising buyers to bring purchases forward to avoid the additional tax which may contribute to a jump in transactions in Q1 and a corresponding lull in Q2, repeating the pattern of previous tax changes. This may make it slightly more difficult to discern the underlying strength of the market in 2025. The long-term structural challenge for the UK market remains the requirement to boost the supply of new housing.

UKF data indicates mortgage arrears peaked in Q1 2023. There were few signs of market stress in 2024 with arrears and possessions data for Q4 2024 showing the number of homeowner and buy-to-let mortgages in arrears continuing on a gently downward trend. At the start of 2025 and consistent with the UK government's pro-growth regulatory agenda, the FCA confirmed it will consider relaxing some of the mortgage rules introduced in the period post the Financial Crisis. The overall impact of any potential changes to mortgage regulation is uncertain.

Geographic Concentration Risks

Mortgage Loans in the Mortgage Portfolio may also be subject to geographic concentration risks within certain regions of the United Kingdom. To the extent that specific geographic regions within the United Kingdom have experienced, or may experience in the future, weaker regional economic conditions (due

to local, national and/or global macroeconomic factors) and weaker housing markets than other regions in the United Kingdom, a concentration of the Mortgage Loans in such a region may be expected to exacerbate the risks relating to the Mortgage Loans described in these risk factors. The economy of each geographic region within the United Kingdom is dependent on a different mixture of industries and other factors. Any downturn in a local economy or particular industry may adversely affect the regional employment levels and consequently the repayment ability of the Borrowers in that region or the region that relies most heavily on that industry leading to an increased repayment, credit or default risk in relation to the affected Mortgage Loans. In addition, any localised natural disasters or health crises or the fear of such crises (such as coronavirus (including Covid-19), measles, SARS, Ebola, H1N1, Zika, avian influenza, swine flu, or other epidemic diseases) in a particular region may weaken economic conditions and reduce the value of affected Mortgaged Properties, the ability to sell Mortgaged Properties in a timely manner and/or negatively impact the ability of affected Borrowers to make timely payments on the Mortgage Loans. This may result in a loss being incurred upon sale of the Mortgaged Property and/or otherwise affect receipts on the Mortgage Loans. If the timing and payment of the Mortgage Loans is adversely affected by any of the risks described in this paragraph, then payments on the Notes could be reduced and/or delayed and could ultimately result in losses on the Notes.

Given the unpredictable effect such factors may have on the local, national or global economy, no assurance can be given as to the impact of any of the matters described in this paragraph and, in particular, no assurance can be given that such matters would not adversely affect the ability of the Issuer to satisfy its obligations under the Notes.

Delinquencies or Default by Borrowers in paying amounts due on their Mortgage Loans

As noted above, the ability of the Issuer to meet its obligations to pay principal and interest on the Notes is dependent on receipts from the Mortgage Loans in the Mortgage Portfolio. As such, if Borrowers make payments on their Mortgage Loans late, the Issuer may have insufficient funds on any Payment Date to make payments of interest on the Notes.

Borrowers may default on their Mortgage Loans for a variety of reasons, including, without limitation:

- changes in the local, national or international macroeconomic climate, political developments and government policies. The economy of the UK and of each geographic region within the UK is dependent on a different mixture of industries and other factors. Any downturn in the local or national economy or a particular industry may adversely affect the regional or national employment levels and consequently the repayment ability of the Borrowers in that region or nationally or the region that relies most heavily on that industry. It is not possible to accurately predict the ultimate extent or duration of any such downturn or the impact it could have on the repayment ability of the Borrowers. In addition, UK and global economic conditions may be severely adversely affected by broader geopolitical issues such as the continuation or escalation of conflicts between Russia and Ukraine and/or in the Middle East, as well as the emergence of other regional conflicts and wars with global impact, or US political risks (including tariffs, counter-tariffs, export controls, economic sanctions, currency regulations and other changes driven by US trade policy which have in the past and could in the future trigger retaliatory actions by affected countries and otherwise affect global trade and which could, in turn, lead to increased costs and disrupt supply chains, as well as increasing the risk of inflation or other negative impacts on the global economy or certain sectors thereof). Such elevated instability could potentially adversely impact and/or increase volatility in the financial markets and cause a downturn in the global and UK economies;
- a deterioration in economic conditions in a particular area or region, which may adversely affect the regional employment levels and/or house prices and consequently the repayment ability of the Borrowers in that region. To the extent that specific geographic regions within the UK have

experienced, or may experience in the future, weaker regional economic conditions (due to local, national and/or global macroeconomic factors) and weaker housing markets than other regions of the UK, a concentration of Mortgage Loans in one region may be expected to exacerbate such risks;

- any widespread natural disasters or health crises, government policies in response to such crises or such potential crises (including, but not limited to, COVID-19 (or any strain of the foregoing), measles, SARS, Ebola, H1N1, Zika, avian influenza, swine flu, or other epidemic diseases) and/or the fear of any such crises may weaken economic conditions and reduce house prices, the ability to sell a property in a timely manner, and/or negatively impact the repayment ability of Borrowers within the United Kingdom;
- an increase in the prevailing market interest rate, which, for those Mortgage Loans subject to a variable rate of interest, would increase a Borrower's monthly payments. Borrowers may seek to avoid any increased monthly payments by refinancing such Mortgage Loans, as to which see the Risk Factor entitled "Macro-Economic Risks";
- changes to the BBR and/or SONIA, which may, for those Mortgage Loans subject to a variable interest rate, cause an increase in a Borrower's monthly payments. An increase in such reference rates could result in higher monthly repayments, which, in turn, could reduce Borrowers' capacity to service their Mortgage Loans. The Issuer could therefore be subject to a higher risk of default in payment by Borrowers over the course of the transaction, which may affect the ability of the Issuer to make payments on the Notes;
- a decline in property values due to, among other things, local, national and/or global macroeconomic factors;
- house price growth continuing to accelerate faster than earnings, which could stretch affordability and leave households more vulnerable to shocks, such as increases in interest rates that could ultimately lead to higher loan losses. There is potential for economic activity and real estate prices to decline should the labour market situation deteriorate, if strains in the financial system re-emerge and impair the flow of credit to the wider economy or other factors cause a deterioration in economic conditions. This risk is particularly relevant to Interest-Only Mortgage Loans;
- in respect of Interest-Only Mortgage Loans, the failure of a Borrower to sell the relevant property or refinance the loan at maturity;
- sustained increase in inflation resulting in increases to the cost of living for Borrowers. A sharp increase in energy prices and the overall rate of inflation, together with rising interest rates, could adversely impact the Borrowers' ability to repay the Mortgage Loans and/or their ability to meet the affordability requirements of any replacement loan; and
- a lack of availability of buyers for a property and/or a decline in value of a property, which may affect the ability of a Borrower to sell a property given as security for a Mortgage Loan at a price sufficient to repay the amounts outstanding under that Mortgage Loan.

Given the unpredictable effect that these factors may have on the local, national or global economy, no assurance can be given as to the impact of any such factors and, in particular, no assurance can be given that such factors would not adversely affect the ability of the Issuer to satisfy its obligations under the Notes. These risks are mitigated to an extent by certain credit enhancement features and liquidity support, as described in the section entitled "Credit Structure and Cashflows". However, no assurance can be given as to the effectiveness of such credit enhancement features or liquidity support or that the Noteholders would be protected from all risk of loss and/or delayed payment.

The timing and amount of payments on the Mortgage Loans could be affected by various factors which may adversely affect payments on the Notes

If Borrowers fail to repay some or all of the interest and/or principal due on their Mortgage Loans and the enforcement procedures fail to realise or recover sufficient funds to discharge all amounts due and owing by the relevant Borrower, the Issuer may have insufficient funds to make payments of interest and/or principal on the Notes. See also "*Regulation of the UK Residential Mortgage Market – Mortgage reposessions*" below. The only security that exists in relation to a Mortgage Loan in the Mortgage Portfolio will be the mortgage in respect of the relevant property. The ability of a Borrower to refinance the relevant property will be affected by a number of factors, including but not limited to the value of the relevant property, the Borrower's equity in the relevant property, the Borrower's age and employment status, the financial condition and payment history of the Borrower, tax laws and prevailing general economic conditions. In recent times and in response to increases in regulation, lenders have maintained stricter conditions to the advancing of loans that are secured by mortgages. In addition, in periods of economic downturns lenders usually apply more restrictive conditions to advancing loans leading to Borrowers being less likely to meet lending criteria for refinancing. The inability of the Borrowers to refinance their respective properties may ultimately result in a reduction of amounts available to the Issuer and adversely affect its ability to make payments on the Notes.

In order to enforce a power of sale in respect of a mortgaged property in England and Wales, the relevant mortgagee must first obtain possession of the relevant property. Possession is usually obtained by way of a court order. This can be a lengthy and costly process and will involve the mortgagee assuming certain risks. In addition, once possession has been obtained, a reasonable period must be allowed for marketing the property, to discharge obligations and to take reasonable care to obtain a proper price.

If obtaining possession of properties and arranging a sale in such circumstances is lengthy or costly, the Issuer's ability to make payments on the Notes may be reduced. The Issuer's ability to make such payments may be reduced further if the powers of a mortgagee in relation to obtaining possession of properties permitted by law are restricted in the future.

Each of the Note Trustee and the Security Trustee has the absolute discretion at any time to refrain from taking any action under the Trust Deed or the Deed of Charge (as applicable) or any of the Transaction Documents including becoming a mortgagee in possession in respect of any property contained with the Mortgage Portfolio, unless it is satisfied at that time that it is indemnified and/or secured and/or prefunded to its satisfaction against any liability that it may incur by so acting.

Interest-Only Mortgage Loans

Interest-Only Mortgage Loans may be included in the Initial Mortgage Portfolio and some of the Additional Mortgage Loans could be Interest-Only Mortgage Loans. Interest-Only Mortgage Loans are originated with a requirement that the Borrower pay scheduled interest payments only. There is no scheduled amortisation of principal. Consequently, upon the maturity of an Interest-Only Mortgage Loan, the relevant Borrower will be required to make a "bullet" payment that will represent the entirety of the principal amount outstanding. The ability of such a Borrower to repay an Interest-Only Mortgage Loan at maturity frequently may depend on such Borrower's ability to sell the Mortgaged Property, refinance the Mortgaged Property or obtain funds from another source such as savings accounts, a pension policy, personal equity plans or an endowment policy. None of the Issuer, the Note Trustee, the Security Trustee, the Seller, the Arranger nor any Dealer(s) has verified that any such Borrower has such other source of funds and none of them has obtained security over such Borrower's right in respect of any such other source of funds. The ability of a Borrower to sell or refinance the Mortgaged Property will be affected by a number of factors, including but not limited to the value of the Mortgaged Property, the Borrower's equity in the Mortgaged Property, the financial condition of the Borrower, tax laws and general economic conditions at the time. Because of the greater risk relating to the refinancing of Interest-Only Mortgage Loans, a significant downturn in the property markets or the economy could

lead to a greater increase in defaults. This could lead to higher delinquency rates and losses which in turn may adversely affect payments on the Notes.

Further Advances and Product Switches

The Seller or the Servicer (on behalf of the Seller) may offer a Borrower, or a Borrower may request, a Further Advance or Product Switch from time to time. Any Mortgage Loan that has been the subject of a Further Advance or a Product Switch following an application by the Borrower will remain in the Mortgage Portfolio. If the Issuer subsequently determines on the relevant Testing Date (as defined below) that any Further Advance or Product Switch does not satisfy the Eligibility Criteria or the Portfolio Criteria (with reference to the relevant Mortgage Loan(s) as at the end of the calendar month immediately preceding the relevant Advance Date or Switch Date), and such breach is not remedied in accordance with the Mortgage Sale Agreement, the Seller will be required to repurchase the relevant Mortgage Loan and its Related Security. See further "The Mortgage Loans and the Mortgage Portfolio".

It should be noted that any Mortgage Loan Warranty made by the Seller in relation to a Further Advance and/or Product Switch may be amended from time to time and such changes will be notified to the Rating Agencies. The consent of the Noteholders in relation to such amendments may not be obtained if the Security Trustee has given its prior consent to such amendment (and for such purpose, the Security Trustee may, but is not obliged to, have regard to any Ratings Confirmation in respect of those amendments). Where the Seller is required to repurchase because the warranties are not true, there can be no assurance that such Seller will have the financial resources to honour its repurchase obligations under the Mortgage Sale Agreement. Either of these circumstances may affect the quality of the Mortgage Loans and their Related Security in the Mortgage Portfolio and accordingly the ability of the Issuer to make payments on the Notes.

Further, there may be circumstances in which a Borrower might seek to argue that any Mortgage Loan, Further Advance or Product Switch is wholly or partly unenforceable by virtue of non-compliance with the FSMA or the Consumer Credit Act 1974 (as amended) (the "CCA") as further discussed below.

If this were to occur, then this could adversely affect the Issuer's ability to make payments due on the Notes or to redeem the Notes.

Searches, Investigations and Warranties in Relation to the Mortgage Loans

The Seller will give certain warranties to each of the Issuer and the Security Trustee regarding the Mortgage Loans and their Related Security comprising the Initial Mortgage Portfolio sold to the Issuer on the First Issuance Date (and in respect of any Additional Mortgage Loans, on the Payment Date immediately following the relevant Assignment Date) and will give similar warranties to each of the Issuer and the Security Trustee regarding any Further Advances and Product Switches, in each case, on the relevant Testing Date (see "The Mortgage Loans and the Mortgage Portfolio" for a summary of these).

None of the Note Trustee, the Security Trustee, the Arranger, the Dealer(s) nor the Issuer has undertaken, or will undertake, any investigations, searches or other actions of any nature whatsoever in respect of any Mortgage Loan or its Related Security in the Mortgage Portfolio and each relies instead on the warranties given in the Mortgage Sale Agreement by the Seller. The primary remedy of the Issuer against the Seller if any of the warranties made by the Seller in respect of any Mortgage Loans comprising the Mortgage Portfolio is materially breached or proves to be materially in breach as at the First Issuance Date in respect of the Initial Mortgage Portfolio, or as at the Payment Date immediately following the relevant Assignment Date in respect of any Additional Mortgage Loans or on the Testing Date in respect of any Further Advance or Product Switch (as applicable), which breach is not remedied within 30 Business Days after receiving written notice of such breach, is that the Seller shall be required to repurchase the relevant Mortgage Loan and its Related Security in accordance with the repurchase

provisions in the Mortgage Sale Agreement. However, there can be no assurance that such Seller will have the financial resources to honour such obligations under such Mortgage Sale Agreement. This may affect the quality of the Mortgage Loans and their Related Security in the Mortgage Portfolio and accordingly the ability of the Issuer to make payments due on the Notes.

It should also be noted that any warranties made by the Seller, in relation to Further Advances and/or Product Switches or, while a Sale Period is continuing, any Additional Mortgage Loans sold to the Issuer, may be amended from time to time and differ from the warranties made by the Seller on the relevant Assignment Date without the consent of the Noteholders, **provided that** the Security Trustee has given its consent to such amendments (and for such purpose, the Security Trustee may, but is not obliged to, have regard to any Ratings Confirmation in respect of those amendments). Changes to the warranties may affect the quality of Mortgage Loans in the Mortgage Portfolio and accordingly the ability of the Issuer to make payments due on the Notes.

Seller to initially retain legal title to the Mortgage Loans and risks relating to set-off

The sale by the Seller to the Issuer of Mortgage Loans and their Related Security (until legal title is conveyed) takes effect in equity only. This means that legal title to the Mortgage Loans and their Related Security in the Mortgage Portfolio will remain with the Seller until certain trigger events occur under the terms of the Mortgage Sale Agreement (see "The Mortgage Loans and the Mortgage Portfolio" below). Until such time, the assignment to the Issuer of Mortgage Loans and their Related Security takes effect in equity only, the Issuer will hold a beneficial interest only. The Issuer has not and will not apply to the Land Registry to register or record its equitable or beneficial interest in the Mortgages.

As a consequence of the Issuer not obtaining legal title to the Mortgage Loans and their Related Security or the Mortgaged Properties secured thereby, a bona fide purchaser from the Seller for value of any of such Mortgage Loans and their Related Security without notice of any of the interests of the Issuer might obtain a good title free of any such interest. If this occurred, then the Issuer would not have good title to the affected Mortgage Loan and its Related Security, and it would not be entitled to payments by a Borrower in respect of that Mortgage Loan. However, the risk of third-party claims obtaining priority to the interests of the Issuer in this way would likely be limited to circumstances arising from a breach by the Seller of its contractual obligations or fraud, negligence or mistake on the part of the Seller or the Issuer or their respective personnel or agents. Further, the rights of the Issuer and the Security Trustee may be or become subject to the direct rights of the Borrowers against the Seller. Such rights may include the rights of set-off which arise in relation to transactions made between certain Borrowers and the Seller and the right of the relevant Borrowers to redeem their Mortgage Loans by repaying the relevant Mortgage Loan directly to the Seller. These rights may result in the Issuer receiving less monies than anticipated from the Mortgage Loans.

Further, prior to the insolvency of the Seller, unless notice of the assignment was given to a Borrower who is a creditor of the Seller in the context of the Mortgage Loans and their Related Security, equitable or independent set-off rights may accrue in favour of the Borrower against their obligation to make payments to the Seller under the relevant Mortgage Loan. These rights may result in the Issuer receiving reduced payments on the Mortgage Loans. The transfer of the benefit of any Mortgage Loans to the Issuer will continue to be subject to any prior rights the Borrower may become entitled to after the transfer. Where notice of the assignment is given to the Borrower, however, some rights of set-off (being those rights that are not connected with or related to the relevant Mortgage Loan) may not arise after the date notice is given.

Until notice of the assignment is given to the Borrowers, the Issuer would not be able to enforce any Borrower's obligations under a Mortgage Loan, or Related Security itself but would have to join the Seller as a party to any legal proceedings. Borrowers will also have the right to redeem their Mortgages by repaying the relevant Mortgage Loan directly to the Seller. However, the Seller will undertake,

pursuant to the Mortgage Sale Agreement, to hold any money repaid to it in respect of relevant Mortgage Loans to the order of the Issuer.

If any of the risks described above were to occur, the Issuer may receive less money than anticipated from the Mortgage Loans, which may affect the ability of the Issuer to repay the Notes. The Required Subordination Percentage has been calculated such that it is expected to be sufficient to allow Class Z(S) VFN to cover these risks. The Required Subordination Percentage is used to calculate the Required Subordination Amount. There can be no assurance that the Required Subordination Percentage, and so the Required Subordination Amount, will be sufficient to allow the Class Z(S) VFN to cover the risks described above. If they are not sufficient, the Class A Noteholders may not receive all amounts due on the Class A Notes, or payments to the Class A Noteholders may not be made when due.

Once notice has been given to the Borrowers of the assignment of the Mortgage Loans and their Related Security to the Issuer, independent set-off rights that a Borrower has against the Seller (such as set-off rights not associated with or connected to the relevant Mortgage Loan) will crystallise and further rights of independent set-off would cease to accrue from that date and no new rights of independent set-off could be asserted following that notice. Set-off rights arising under a "transaction set-off" (which are set-off claims arising out of a transaction connected with the Mortgage Loan) will not be affected by that notice and will continue to exist.

For so long as the Issuer does not have legal title, the Seller will undertake, for the benefit of the Issuer, to lend its name to, and take such other steps as may reasonably be required by the Issuer in relation to, any legal proceedings in respect of the relevant Mortgage Loans and their Related Security.

Insurance Policies

The Seller has the benefit of the proceeds of certain Insurance Policies, which related to the Mortgages and the properties upon which they are secured as well as to certain mortgages and properties that the Seller will assign to the Issuer the benefit of the proceeds of those policies pursuant to the Mortgage Sale Agreement. The policies of the Seller in relation to buildings insurance are described under "The Mortgage Loans and the Mortgage Portfolio – Insurance policies". As the Seller does not verify whether building insurance has been taken out by a Borrower, the Seller cannot be certain that a Borrower has taken out or maintained building insurance or that any such cover would be sufficient to cover any loss and/or that the Seller's interest has been advised to the insurer. No assurance can therefore be given that the Issuer will always receive the benefit of any claims made under any applicable buildings insurance contracts. This could adversely affect the Issuer's ability to redeem the Notes.

Levels of arrears

There can be no assurance that the arrears experience with respect to the Mortgage Loans in the Mortgage Portfolio will correspond to the experience of the Seller's overall mortgage account portfolio or that of the residential mortgage market in general. Noteholders should note that the UK has previously experienced a "boom and bust" economic effect in the residential property market. This trend is often exacerbated at times of change to monetary policy, for example increases in interest rates. This boom-and-bust economic effect has led historically to higher levels of arrears and repossessions. Since 2014, mortgage market regulation has been successful in raising responsible lending standards across the industry and more recently government initiatives such as 'Cost of Living' and 'Mortgage Charter' measures have looked to support customers during periods of economic difficulty, however there can be no assurance that the current economic environment will not lead to a similar boom-and-bust effect, with such resulting high levels of arrears and repossessions at some point in the future. Any increase in the level of defaults and repossessions could have an adverse effect on the ability of the Issuer to make payments under the Notes.

Change in characteristics of the Mortgage Portfolio

The Lending Criteria and the representations and warranties set out in the Mortgage Sale Agreement may be revised and amended from time to time. If, as a result, any Additional Mortgage Loans have been originated under revised Lending Criteria and the Mortgage Loans are then sold to the Issuer in accordance with and pursuant to the terms of the Mortgage Sale Agreement, the characteristics and risk profile of the Mortgage Portfolio could at such time change. If any such change in the characteristics of the Mortgage Portfolio were to lead to a deterioration in the quality of the Mortgage Portfolio, this could adversely affect the ability of the Issuer to meet its obligations under the Notes.

Limited Secondary Market for Mortgage Loans

The ability of the Issuer to redeem all of the Notes in full, including following the occurrence of an Event of Default (as defined in the Conditions) in relation to the Notes while any of the Mortgage Loans are still outstanding, may depend upon whether the Mortgage Loans can be realised to obtain an amount sufficient to redeem the Notes. There is not, at present, an active and liquid secondary market for mortgage loans of this type in the UK. None of the Notes have been, or will be, registered under the Securities Act or the securities laws of any state or other jurisdiction of the US, or any other applicable securities laws and they are subject to certain restrictions on the resale and other transfer thereof as set forth under "Subscription and Sale and Transfer and Selling Restrictions – Transfer Restrictions". There can be no assurance that a secondary market for the Mortgage Loans will develop or, if a secondary market does develop, that it will provide sufficient liquidity of investment for the Mortgage Loans to be realised or that if it does develop it will continue for the life of the Notes. The Issuer and, following the delivery of an Enforcement Notice, the Security Trustee may not, therefore, be able to sell the Mortgages for an amount sufficient to discharge amounts due to the Secured Creditors (including the Noteholders) in full should they be required to do so, which would adversely affect payments on the Notes.

Changes to the Lending Criteria applicable to any Additional Mortgage Loan at the time of its origination

Pursuant to the terms of the Mortgage Sale Agreement, the Seller has represented that each of the Mortgage Loans was originated in accordance with the Lending Criteria applicable at the time of origination. The Lending Criteria consider a variety of factors such as a potential borrower's credit history, employment status and repayment ability, as well as the value of the property to be mortgaged. It should be noted that the Lending Criteria for a Mortgage Loan that has been subjected to a Product Switch prior to its sale to the Issuer (and therefore, included as a Mortgage Loan that is part of the Mortgage Portfolio) will have a relatively limited set of requirements prior to the grant of any such Product Switch (including that no further affordability checks will have been undertaken at such time). In the event of the sale of any Additional Mortgage Loans and their Related Security to the Issuer, representations and warranties will at such time be given to the Issuer that those Additional Mortgage Loans and their Related Security were originated in accordance with the Seller's Lending Criteria applicable at the time of the origination of such Additional Mortgage Loans. While any Additional Mortgage Loans and their Related Security will have to comply with the representations and warranties set out in the Mortgage Sale Agreement, the Seller retains the right to revise its Lending Criteria as determined from time to time in its absolute discretion, **provided that** it acts in accordance with the standard of a Prudent Mortgage Lender, and the Lending Criteria applicable to any Additional Mortgage Loan at the time of its origination may not be the same as those in force as at the date of this Base Prospectus and such differences may be material. Any change in the characteristics of the Mortgage Loans could lead to a delay or a reduction in the payments received on the Notes or it could increase the rate of repayment of the Notes.

Repurchases of Mortgage Loans by the Seller may have the same effect as prepayments on the Mortgage Loans

The Seller will be required to repurchase Mortgage Loans from the Issuer where those Mortgage Loans are subject to Product Switches where (i) such Product Switch causes the relevant Mortgage Loan to be in breach of the Eligibility Criteria or would cause the Mortgage Portfolio to be in breach of the Portfolio Criteria (in each case, with reference to the relevant Mortgage Loan(s) as at the end of the calendar month immediately preceding the relevant Switch Date); or (ii) a Sale Period was not continuing on the relevant Switch Date.

The Seller will be required to repurchase Mortgage Loans from the Issuer where those Mortgage Loans are subject to a Further Advance and (i) such Further Advance would cause the relevant Mortgage Loan to be in breach of the Eligibility Criteria or would cause the Mortgage Portfolio to be in breach of the Portfolio Criteria (in each case, with reference to the relevant Mortgage Loan(s) as at the end of the calendar month immediately preceding the relevant Advance Date), (ii) the holder of the Seller's Note is unable or unwilling to advance a further drawing on the Seller's Note to fund the purchase of such Further Advance, or (iii) a Sale Period was not continuing on the relevant Advance Date, each as tested on the relevant Testing Date.

In addition, the Seller may at its discretion, in accordance with the terms of the Transaction Documents and the Conditions, also offer to repurchase Mortgage Loans and their Related Security (a) in order to effect any permitted redemption of any Seller's Notes, (b) where the relevant Mortgage Loans are Non-Compliant Mortgage Loans, (c) where the relevant Mortgage Loans are at least two months in arrears, (d) where the relevant Mortgage Loans (after the relevant Cut-Off Date) become Significant Deposit Loans as well as (e) in the event that FCA (or other regulatory authority) requires Redress to be made in respect of a Mortgage Loan, provided, in each case, that the Mortgage Portfolio will continue to meet the Portfolio Criteria immediately following such repurchase. For repurchase events in (a) and (e), the Issuer will be required to accept any such offer while for the repurchase event in (b),(c) and (d), the Issuer may accept such offer. See "Assignment of the Mortgage Loans and Related Security – General ability to repurchase".

In the event that the Seller repurchases Mortgage Loans, the payment received by the Issuer pursuant to such repurchase may have the same effect as a prepayment of such Mortgage Loans. The yield to maturity of the Notes may be affected by such repurchase of Mortgage Loans. The number and timing of any such repurchases are not within the control of the Issuer. Accordingly, no assurance can be given as to the level of effective prepayments that the Mortgage Portfolio may experience as a result. See "Risks Relating to the Availability of Funds to Pay the Notes – Effects of prepayments on, or redemptions of, the Mortgage Loans on the yield to maturity of the Notes".

The Issuer will only have recourse to the Seller if there is a breach of warranty by the Seller that has a material adverse effect

The Issuer will not undertake any investigations, searches or other actions on any Mortgage Loan or its Related Security and will instead rely on the warranties given in the Mortgage Sale Agreement by the Seller.

If any Mortgage Loan Warranty is untrue on the date on which such Mortgage Loan is assigned to the Issuer, or on such other date as the representations and warranties are required to be repeated pursuant to the Mortgage Sale Agreement, and such breach could have a material adverse effect on such Mortgage Loan and/or its Related Security, then, in the first instance, the Seller will be required to remedy the error (if capable of remedy) within 30 Business Days of receipt by the Seller of a notice from the Issuer or, following the delivery of an Enforcement Notice, the Security Trustee.

If the error is not remedied by the Seller or waived within such 30 Business Days period or if the error is not capable of remedy, then the Seller will be required to repurchase from the Issuer (a) the relevant Mortgage Loan and its Related Security, and (b) any other Mortgage Loans of the relevant Borrower and their Related Security that are in the Mortgage Portfolio, for an amount (not less than zero) equal to the Current Balance thereof as at the date of completion of such repurchase.

There can be no assurance that the Seller will have the financial resources to repurchase any such Mortgage Loan(s) and their Related Security. Other than as described here, the Issuer will have no recourse to the assets of the Seller in relation to such material breach of warranty under the Mortgage Sale Agreement.

Competition in the UK mortgage loan industry and declines in mortgage approvals could increase the risk of the occurrence of a Non-Asset Trigger Event

The mortgage loan industry in the UK is highly competitive. This competitive environment, together with the risk of a downturn or continued downturn in the UK economy, may affect the rate at which mortgage loans are originated by the Seller and may also affect the repayment rate of the existing borrowers of the Seller.

Regulatory changes could also impact the level of mortgage approvals. The mortgage approval rules, which require a lender to conduct a full affordability check on potential mortgage applicants, were introduced by the FCA in April 2014, and resulted in a fall in the number of mortgage approvals immediately after the new rules were implemented. On 20 June 2022, the Bank of England's Financial Policy Committee took the decision to withdraw its affordability test recommendation with effect from 1 August 2022. Although lenders are not required to make changes as a result of the withdrawal, this decision could impact the Seller's assessment of affordability in the medium term.

If the rate at which mortgage loans are originated by the Seller declines significantly or if existing borrowers refinance their mortgage loans with lenders other than the Seller, then the Issuer may be unable to apply Enhanced Available Principal Receipts to purchase Additional Mortgage Loans. If (a) any amounts would have remained recorded on the Excess Principal Ledger, on a FIFO basis, as at the Payment Date immediately following the expiration of a period of 18 months following the date on which such amounts were first so recorded, or (b) amounts standing to the credit of the Excess Principal Ledger are at any time in excess of the Excess Principal Fund Threshold Amount, then a Non-Asset Trigger Event will occur, which could result in an early redemption of the Notes or a delay in the repayment of the Notes.

Market volatility

Global social, political and economic events and trends, including, but not limited to, the war between Russia and Ukraine and the ongoing conflict in the Middle East, have resulted in increased uncertainty in the currency and credit markets. The uncertainty caused by these and other events and trends has resulted in, and may continue to result in, increased volatility in the financial markets, which may affect the rate at which the Seller originates mortgage loans. If the rate at which mortgage loans are originated declines significantly, then the Issuer may be unable to apply Enhanced Available Principal Receipts to purchase Additional Mortgage Loans. This may result in an increase in the amounts available to be applied to the credit of the Excess Principal Ledger and/or cause such amounts to be recorded on the Excess Principal Ledger for an extended period of time. This, in turn, increases the risk of a Non-Asset Trigger Event occurring due to any amounts standing to the credit of the Excess Principal Ledger being at any time greater than the Excess Principal Fund Threshold Amount or due to any amounts remaining recorded on the Excess Principal Ledger, on a FIFO basis, as at the Payment Date immediately following the expiration of 18 months following the date on which such amounts were first so recorded, as described in "Risks Relating to the Structure and the Notes – Effect of the occurrence of a Trigger

Event on the repayment of the Notes" below. The yield to maturity of the Notes can also be adversely affected.

Where (a) the amount standing to the credit of the Excess Principal Fund at any time exceeds the Excess Principal Fund Threshold Amount, or (b) on any date, any amounts would on the next succeeding Payment Date have remained recorded on the Excess Principal Ledger, on a FIFO basis, for a period of 18 months or more, where that period starts on the date on which such amounts were first so recorded, a Non-Asset Trigger Event shall occur, which could result in an early redemption of the Notes or a delay in the repayment of the Notes.

Mortgage Loans are subject to certain legal and regulatory risks

Certain regulatory risks exist in relation to the Mortgage Loans, including in relation to the legal and regulatory considerations relating to the Mortgage Loans and their Related Security, changes in law, regulation, the possibility of complaints by Borrowers in relation to terms of the Mortgage Loans and in relation to the policies and procedures of the Seller. If any of these risks materialise they could have an adverse effect on the ability of the Issuer to satisfy its obligations under the Notes. Further detail on certain considerations in relation to the regulation of mortgages in the UK is set out in the section headed "Regulation of the UK Residential Mortgage Market" and certain specific risks are set out below:

Regulated Mortgage Contracts

A Borrower who is a private person may be entitled to claim damages for loss suffered as a result of any contravention by an authorised person of the FCA rules, and may set off the amount of the claim against the amount owing by the borrower under the loan or any other loan that the borrower has taken with that authorised person. Any such claim or set off may adversely affect the Issuer's ability to make payments on the Notes. Further detail is included in the section headed "*Regulation of the UK Residential Mortgage Market – Regulated Mortgage Contracts*".

Unfair Relationships

If a court determined that there was an unfair relationship between the Seller and the Borrowers in respect of the Loans and ordered that financial redress was made in respect of such Mortgage Loans, such redress may adversely affect the ultimate amount received by the Issuer in respect of the relevant Mortgage Loans and the realisable value of the Mortgage Portfolio and/or the Issuer's ability to make payment in full on the Notes when due. Further detail is included in the section headed "*Regulation of the UK Residential Mortgage Market – Unfair relationships*" below.

Distance Marketing

Distance Marketing Regulations allow, in certain specified circumstances, a borrower to cancel a credit agreement it has entered into with lenders. If a significant portion of the Mortgage Loans are characterised as being cancellable under the Distance Marketing Regulations, then there is a risk that there could be an adverse effect on the Issuer's receipts in respect of the Mortgage Loans, affecting the Issuer's ability to make payments in full on the Notes when due. Further detail is included in the section headed "*Regulation of the UK Residential Mortgage Market – Distance Marketing*" below.

UTCCR and CRA

The UTCCR and the CRA provide that a consumer (which would include a borrower under all or almost all of the loans) may challenge a term in an agreement on the basis that it is "unfair" under the UTCCR or the CRA as applicable and therefore not binding on the consumer (although the rest of the agreement will remain enforceable if it is capable of continuing in existence without the unfair term) and provide that a regulator may take action to stop the use of terms which are considered to be unfair. Where a term

of a consumer contract is "unfair" it will not bind the consumer. However, the remainder of the contract, will, so far as is practicable, continue to have effect in every other respect. Where a term in a consumer contract is susceptible to multiple different meanings, the meaning most favourable to the consumer will prevail. It is the duty of the court to consider the fairness of any given term. This can be done even where neither of the parties to proceedings has explicitly raised the issue of fairness. In general, the interpretation of each is open to some doubt, particularly in light of sometimes conflicting reported case law between the English courts and the CJEU. The broad and general wording of the UTCCR and CRA makes any assessment of the fairness of terms largely subjective and makes it difficult to predict whether or not a term would be held by a court to be unfair. It is therefore possible that any loans which have been made to borrowers covered by the UTCCR and/or CRA may contain unfair terms, which may result in the possible unenforceability of the terms of the underlying loans. If any term of the Mortgage Loans entered into between 1 July 1995 and 30 September 2015 is found to be unfair for the purpose of the UTCCR or entered into from 1 October 2015 found to be unfair for the purpose of the CRA, this may reduce the amounts available to meet the payments due in respect of the Notes, including by way of non-recovery of a Mortgage Loan, a claim made by the Borrower or the exercise by the Borrower of a right of set-off arising as a result of a term of a loan being found to be unfair (and therefore not binding on the consumer). Further detail is included in the section headed "*Regulation of the UK Residential Mortgage Market – Unfair Terms in Consumer Contracts Regulations 1994 and 1999 and the Consumer Rights Act 2015*" below.

Consumer Protection from Unfair Trading Regulations and the Digital Markets, Competition and Consumers Act 2024

The CPUTR prohibits certain practices which are deemed unfair within the terms of the CPUTR. Breach of the CPUTR does not (of itself) render an agreement void or unenforceable, but is a criminal offence punishable by a fine and/or imprisonment. Under the terms of the CPUTR, the possible liabilities for misrepresentation or breach of contract in relation to the underlying credit agreements may result in irrecoverable losses on amounts to which such agreements apply and which may adversely affect the ability of the Issuer to satisfy its obligations under the Notes. In May 2024 some parts of the DMCCA came into force. Once fully in force, the DMCCA will revoke the CPUTR rules and recreate their effect, with some amendments. The new regime will introduce new rules on consumer reviews, drip pricing and consumer vulnerability, new powers to expand the list of automatically unfair practices and a new enforcement regime. While the new unfair commercial practices regime under the DMCCA will apply to acts or omissions which take place on or after the commencement date (to be determined by secondary legislation) the possibility of having an adverse impact on the Mortgage Loans cannot be excluded. Further detail is included in the section headed "*Regulation of the UK Residential Mortgage Market – Consumer Protection from Unfair Trading Regulations and the Digital Markets, Competition and Consumers Act 2024*".

Financial Ombudsman Service

Under the FSMA, the Financial Ombudsman Service (the "**Ombudsman**") is required to make decisions on, among other things, complaints relating to activities and transactions under its jurisdiction. The Ombudsman is required to make decisions on the basis of, among other things, the principles of fairness, and may order a money award to a borrower, which may adversely affect the ability of the Issuer to meet its obligations under the Notes. As the Ombudsman is required to make decisions on the basis of, among other things, the principles of fairness, and may order a monetary award to a complaining borrower, it is not possible to predict how any future decision of the Ombudsman would affect the ability of the Issuer to make payments due in respect of the Notes. Further detail is included in the section headed "*Regulation of the UK Residential Mortgage Market – Financial Ombudsman Service*".

Mortgage repossessions

The protocols for mortgage repossession may have adverse effects in relation to the ability of the Seller as legal title holder to repossess properties in markets experiencing above average levels of possession claims. Delays in the initiation of responsive action in respect of the Mortgage Loans may result in lower recoveries and may adversely affect the ability of the Issuer to make payments to Noteholders. Further detail is included in the section headed "*Regulation of the UK Residential Mortgage Market – Mortgage repossessions*".

FCA response to cost of living pressures

The FCA have stated that they want to build on the Mortgages Tailored Support Guidance and provide a stronger framework for lenders to protect customers facing payment difficulties; they would do this by incorporating relevant aspects of the Mortgages Tailored Support Guidance into their Handbook, as well as introducing further targeted changes. For mortgages, the FCA changed their guidance to allow lenders more scope to capitalise payment shortfalls where appropriate and to improve disclosure for all customers in payment shortfall. The new rules came into force on 4 November 2024 and the Mortgages Tailored Support Guidance was withdrawn at that time. It is worth noting that the rules will not apply to unregulated buy-to-let loans.

There can be no assurance that the FCA, or other UK government or regulatory bodies, will not take further steps in response to the rising cost of living in the UK which may impact the performance of the Mortgage Loans, including further amending and extending the scope of the above guidance. Further detail is included in the section headed "*Regulation of the UK Residential Mortgage Market – FCA response to cost of living*".

Breathing Space Regulations

The Breathing Space Regulations gives eligible individuals in England and Wales the right to legal protection from their creditors, including almost all enforcement action, during a period of "breathing space". A standard breathing space will give an individual in England and Wales with problem debt legal protection from creditor action for up to 60 days; and a mental health crisis breathing space will give an individual in England and Wales protection from creditor action for the duration of their mental health crisis treatment (which is not limited in duration) plus an additional 30 days. There is a risk that delays in the initiation of enforcement action in respect of the Mortgage Loans may result in lower recoveries and may adversely affect the ability of the Issuer to make payments due under the Notes. Further detail is included in the section headed "*Regulation of the UK Residential Mortgage Market – Breathing Space Regulations*".

Mortgage Charter

On 26 June 2023, HM Treasury published the 'Mortgage Charter' in light of the current pressures on households following interest rate rises and the cost-of-living crisis. The Mortgage Charter states that the UK's largest mortgage lenders and the FCA have agreed with the standards that they will adopt when helping their regulated mortgage borrowers worried about high interest rates (the "**Mortgage Charter**"). The Seller is a signatory to the Mortgage Charter and have agreed that, among other things, a borrower will not be forced to leave their home without their consent unless in exceptional circumstances, in less than a year from their first missed payment. There can be no assurance that the FCA or other UK government or regulatory bodies will not take further steps in response to the rising cost of living in the UK, which may impact the performance of the Mortgage Loans, including further amending and extending the scope of the Mortgage Charter or related rules. Such developments may impact the performance of the Mortgage Loans and therefore may adversely affect the ability of the Issuer to make payments in full on the Notes when due. "*Regulation of the UK Residential Mortgage Market – Mortgage Charter*".

Assured Shorthold Tenancy (AST)

Depending on the level of ground rent payable at any one time it is possible that a long leasehold in England and Wales may also be an AT or an AST under the HA 1988. There is a risk that in certain circumstances, where a long lease is also an AT/AST due to the level of the ground rent, the long lease will come to an end and the landlord will be able to re-enter the relevant property. This may adversely affect the realisable value of the Mortgage Portfolio, and/or the ability of the Issuer to make payments in full on the Notes when due. Further detail is included in the section headed "*Regulation of the UK Residential Mortgage Market – Assured Shorthold Tenancy (AST)*".

FCA Consumer Duty

The FCA has published final rules on the introduction of a new consumer duty on regulated firms (the "**Consumer Duty**"), which aims to set a higher level of consumer protection in retail financial markets. The FCA published its final rules on the Consumer Duty in July 2022, which provide that the Consumer Duty came into effect from 31 July 2023 for products and services that remain open to sale or renewal and from 31 July 2024 for closed products and services. The cross-cutting rules include an obligation to avoid causing foreseeable harm to the consumer and the outcomes include an obligation to ensure that the product (for example, a mortgage loan) provides fair value to the retail customer. Although the Consumer Duty will not apply retrospectively, the FCA will require firms to apply the Consumer Duty to existing products on a forward-looking basis. The FCA has its usual enforcement powers, such as issuing fines and securing redress for consumers, in relation to breaches of the Consumer Duty. If (for example) the obligations relating to fair value or not causing harm are not met in relation to the Mortgage Loans, it could adversely affect the amounts received or recoverable in relation to the Mortgage Loans. This may adversely affect the ability of the Issuer to make payments in full on the Notes when due. In addition, the implementation of and compliance with these rules may impose additional compliance costs, which may have a material adverse effect on the Servicer and/or the Issuer and their respective businesses and operations, which may in turn adversely affect the Issuer's ability to make payments of interest and/or principal due on the Notes. Further detail is included in the section headed "*Regulation of the UK Residential Mortgage Market – FCA Consumer Duty*".

Potential effects of any additional regulatory changes

In the UK and elsewhere, there is continuing political and regulatory scrutiny of the banking industry and, in particular, retail banking. In recent years there have been several issues in the UK financial services industry in which the FCA has intervened directly, including the sale of personal pensions, payment protection insurance and the sale of mortgage-related endowments. No assurance can be given that changes will not be made to the regulatory regime and developments in respect of the mortgage market in the United Kingdom. Any such action or developments, in particular, but not limited to, the cost of compliance, may have a material adverse effect on the parties involved in this transaction and their businesses and operations. This may adversely affect the Issuer's ability to make payments in full when due on the Notes. Further detail is included in the section headed "*Regulation of the UK Residential Mortgage Market – Potential effects of any additional regulatory changes*".

RISKS RELATING TO THE STRUCTURE AND THE NOTES

The Notes are limited recourse obligations of the Issuer

The Notes are limited recourse obligations of the Issuer. If at any time following:

- (a) the occurrence of either:
 - (i) the Final Maturity Date for any Series or any earlier date upon which all of the Notes of each Series and Class are due and payable; or
 - (ii) the service of an Enforcement Notice; and
- (b) the realisation of the Charged Property and application in full of any amounts available to pay amounts due and payable under the Notes and all claims ranking in priority to payments under the Notes in accordance with the applicable Priority of Payments,

the proceeds of such realisation are insufficient, after payment of all other claims ranking in priority in accordance with the applicable Priority of Payments, to pay in full all amounts then due and payable under any Series and Class of Notes, then the amount remaining to be paid (after such application in full of the amounts first referred to in paragraph (b) above) under such Class of Notes (and any Class of Notes junior to that Class of Notes) will, on the day following such application in full of the amounts referred to in paragraph (b) above, cease to be due and payable by the Issuer. The Issuer will not be obliged to pay any amounts representing a shortfall and any claims in respect of such shortfall will be extinguished, which may result in losses under the Notes.

Apart from the Security Trustee, none of the Secured Creditors, including the Noteholders will be entitled to institute against the Issuer any bankruptcy, reorganisation, arrangement, examination, insolvency or liquidation proceedings or other proceedings under any applicable bankruptcy or similar law in connection with any obligation relating to the Notes or the other Programme Documents unless the Security Trustee, having become bound to take steps or proceedings, fails to do so within a reasonable period and such failure is continuing, and then only if and to the extent that such Secured Creditor is able to do so under applicable law.

Effect of the occurrence of a Trigger Event on the repayment of the Notes

On each Payment Date while an Asset Trigger Event has occurred and/or for so long as a Non-Asset Trigger Event is continuing (but prior to the delivery of an Enforcement Notice), the Cash Manager (on behalf of the Issuer), will apply Available Principal Receipts or Enhanced Available Principal Receipts (as the case maybe) (other than, for the avoidance of doubt, Swap Collateral Excluded Amounts due to any Swap Counterparty and any Swap Collateral Available Amounts to be applied by the Cash Manager (on behalf of the Issuer) in accordance with the Swap Collateral Account Priority of Payments) and any amount representing items (E), (F) and (G) of the definition of Funding Note Principal Portion, after making the requisite payments in respect of:

- (a) the Senior Fees and Expenses (to the extent not covered by the application of the Pre-Enforcement Revenue Priority of Payments); and
- (b) following the determination of and application of the Funding Note Revenue Portion, interest due and payable (if any) on the Class A Notes of each Series of Notes;

to:

- (i) without double counting, pay any amounts due to any Currency Swap Counterparty (including any Swap Termination Payment following the return of any Swap Collateral Excluded Amounts, but excluding any Currency Swap Excluded Termination Amount); and
- (ii)
 - (A) if an Asset Trigger Event has occurred, redeem all the Class A Notes that remain outstanding in no order of priority among them but in proportion to the respective amounts due; or
 - (B) if a Non-Asset Trigger Event is continuing, but an Asset Trigger Event has not occurred, in the following order of priority:
 - (I) *first*, in the order of their Final Maturity Date, beginning with the earliest such date (and if two or more Series of Class A Notes have the same Final Maturity Date, in proportion to the respective amounts due), to redeem any Class A Notes with Final Maturity Dates falling within five years from the date on which the respective Non-Asset Trigger Event has occurred; and
 - (II) *second*, in no order of priority among them but in proportion to the respective amounts due, to redeem the remaining Class A Notes with Final Maturity Dates falling five years or later from the date on which the respective Non-Asset Trigger Event has occurred;
- (iii) to the extent any Non-Sterling Notes remain outstanding following their Sterling Equivalent Redemption Date (after the application of any Principal Excess Amounts), to redeem any Non-Sterling Notes until they have been redeemed in full;
- (iv) to redeem the Class Z(S) VFN in full;
- (v) to redeem the Seller's Note; and
- (vi) any remaining amounts to be applied as Available Revenue Receipts.

In addition, while an Asset Trigger Event has occurred and/or a Non-Asset Trigger Event is continuing (but prior to the delivery of an Enforcement Notice):

- each Series and Class of Bullet Redemption Notes and Controlled Amortisation Notes will become a Series and Class of Pass-Through Redemption Notes;
- following the occurrence of an Asset Trigger Event (but not following the occurrence of a Non-Asset Trigger Event) and if the Provisioning Effective Date has occurred, if not already so calculated, interest and principal on each Series and Class of Notes will be calculated on a monthly basis and will be due and payable by the Issuer on each applicable Payment Date; and
- the Issuer will, on each Payment Date, apply Enhanced Available Principal Receipts in redemption of the Notes in accordance with the applicable Priority of Payments (including, first, meeting the payment of the Senior Fees and Expenses).

This may cause certain Series and Classes of Notes to be repaid more rapidly than expected and other Series and Classes of Notes to be repaid more slowly than expected and may also mean that there is a risk that such Notes may not be repaid by their Final Maturity Date.

In addition, at any time other than while a Sale Period is continuing, the Issuer will be prohibited from purchasing any further Additional Mortgage Loans (whether that purchase would be funded through the application of Available Principal Receipts or the proceeds of any further drawdowns under the Class Z(S) VFN or the Seller's Note), which is likely to affect the rate of amortisation of the Class A Notes.

Ability of the Issuer to procure payment of the Money Market Note Mandatory Transfer Price may affect timely payment on the Money Market Notes

The ability of the Issuer to procure payment of the relevant Money Market Note Mandatory Transfer Price for a Series and Class of Money Market Notes will be dependent upon the applicable Remarketing Agent either:

- (a) agreeing terms for the sale of such Notes to investors on or prior to the applicable Money Market Note Mandatory Transfer Date for such Notes and procuring payment of the Money Market Note Mandatory Transfer Price for such Notes from those investors; or
- (b) exercising the Issuer's rights under the applicable Conditional Note Purchase Agreement to require the applicable Conditional Note Purchaser to acquire some or all of such Notes.

Under the terms of the Remarketing Agreement for a Series and Class of Money Market Notes, subject to receipt of the information regarding the amount to be the Principal Amount Outstanding of such Notes on the next following Money Market Note Mandatory Transfer Date for such Notes (after giving effect to the payment of any Note Principal Payments (or any part thereof) that will be made on such date in respect of such Notes), and notice from the Issuer that no Event of Default is then outstanding, the applicable Remarketing Agent will give notice to the applicable Conditional Note Purchaser of the amount required to pay for such Notes three business days prior to the applicable Money Market Note Mandatory Transfer Date.

After the occurrence of an Automatic Remarketing Termination Event in relation to a Series and Class of Money Market Notes, such Notes will no longer be subject to any mandatory transfer under Condition 5(h) (*Money Market Note Mandatory Transfer Arrangements*) and if this were to occur, this could lead to a delay or reduction in payments on the Notes.

Each Money Market Note Mandatory Transfer may be dependent upon identification of investors interested in acquiring Money Market Notes

There can be no assurance that the Remarketing Agent for a Series and Class of Money Market Notes will be able to identify investors interested in acquiring such Notes on each Money Market Note Mandatory Transfer Date for such Notes. Each Money Market Note Mandatory Transfer may therefore be dependent upon the ability of the applicable Conditional Note Purchaser to pay the Money Market Note Mandatory Transfer Price for such Notes and acquire the relevant unplaced Money Market Notes.

The obligation of the Remarketing Agent for a Series and Class of Money Market Notes to act as the agent of the Issuer in remarketing such Notes on each Money Market Note Mandatory Transfer Date for such Notes will terminate either upon the occurrence of an Automatic Remarketing Termination Event in relation to such Notes or may be terminated at the discretion of the Remarketing Agent upon the occurrence of an optional Remarketing Termination Event in relation to such Notes (for a description of such events, see "Description of the Trust Deed and The Notes – Money Market Notes – Remarketing agreements"). While there will be no remarketing of a Series and Class of Money Market Notes upon the occurrence of an optional Remarketing Termination Event in relation to such Notes where the option to terminate has been exercised by the applicable Remarketing Agent, the applicable Conditional Note Purchaser will be required, in the absence of an Automatic Remarketing Termination Event in relation to such Notes, to purchase such Notes on the next succeeding Money Market Note

Mandatory Transfer Date for such Notes that would otherwise have been remarketed. Upon the occurrence of an Automatic Remarketing Termination Event in relation to a Series and Class of Money Market Notes, the Issuer will not be obliged to procure any subsequent purchase of such Notes, the applicable Remarketing Agent will not be obliged to remarket such Notes and the applicable Conditional Note Purchaser will not be obliged to purchase any of such Notes.

If the Conditional Note Purchaser for a Series and Class of Money Market Notes defaults upon its obligation to pay the amounts otherwise due under the applicable Conditional Note Purchase Agreement on a Money Market Note Mandatory Transfer Date for such Notes, the Issuer may not be able to procure the purchase of all or any of such Notes on such date. The Issuer will not be liable for such failure to the extent such failure is a result of the failure of the applicable Remarketing Agent or the applicable Conditional Note Purchaser to perform their respective obligations under the applicable Remarketing Agreement or the applicable Conditional Note Purchase Agreement. Accordingly, in such circumstances, the failure to pay the Money Market Note Mandatory Transfer Price and complete the purchase of such Notes on any Money Market Note Mandatory Transfer Date will not constitute an Event of Default.

To the extent that there are principal amounts outstanding on a Series and Class of Money Market Notes on any Money Market Note Mandatory Transfer Date for such Notes, the payment of the Money Market Note Mandatory Transfer Price will be dependent upon the applicable Remarketing Agent, as agent of the Issuer, agreeing terms for the sale of such Notes to third-party purchasers and arranging for the transfer of the proceeds on or prior to the relevant Money Market Note Mandatory Transfer Date and/or (on any Money Market Note Mandatory Transfer Date) the exercise of the Issuer's rights under the applicable Conditional Note Purchase Agreement, if appropriate, to require the applicable Conditional Note Purchaser to acquire some or all of such Notes.

Ratings assigned to any of the Class A Notes may be qualified, lowered or withdrawn after the Noteholders purchase those Notes, which may lower the market value of those Notes

The ratings (if any) assigned by S&P, Fitch and DBRS to a Series of the Class A Notes address their respective opinions on the likelihood of (a) timely payment of interest due to the Noteholders on each Note Payment Date for such Notes; and (b) full payment of principal by a date that is not later than the Final Maturity Date for such Notes. The ratings (if any) assigned by Moody's to a Series of the Class A Notes address the probability and the severity of credit losses that the Noteholders may suffer by the Final Maturity Date for such Notes.

The identity of the Rating Agencies rating each Series and Sub-Class of Class A Notes, and details of the expected ratings for each such Series and Class, will be specified for such Notes in the applicable Final Terms. Any Rating Agency may lower, withdraw, qualify or suspend its rating of a Series and Class of Notes at any time and for any reason, including as a result of changes in, or unavailability of, information or a revision of its relevant rating criteria or rating methodology or if, in the sole judgment of the Rating Agency, the credit quality of such Notes has declined or is in question or circumstances so warrant. If any rating assigned to a Series and Class of Notes is subsequently suspended, lowered, withdrawn or qualified, the market value of the Notes may be reduced (and, in the case of Money Market Notes, such Money Market Notes may no longer be eligible for investment by money market funds).

The Issuer is not obliged, on or following a revision by a Rating Agency of its rating criteria or rating methodology, to take steps to amend any of the Programme Documents in order to maintain the then current rating by that Rating Agency of a Series and Class A Notes. However, the Note Trustee and the Security Trustee may, and, in certain circumstances and subject to certain conditions being met, will, be obliged to agree to such amendments (if so proposed) without the consent of the Noteholders (see "Risks relating to Changes to the Structure and the Documents – There may be a conflict between the interests of the holders of the various Classes of Notes and the interests of the holders of other Classes of Notes or other Secured Creditors", "Risks relating to Changes to the Structure and the

Documents – The Note Trustee or the Security Trustee may agree to modifications to the Transaction Documents without the Noteholders' or other Secured Creditors' prior consent" and Condition 11(g) (*Exercise of Note Trustee's functions*)) or with the consent of the Noteholders provided by way of Extraordinary Resolution (see Condition 11 (*Meetings of Noteholders, modifications and waiver*)).

Ratings Modification Event

At any time after the Issuance Date of a Series of Notes rated by one or more Rating Agencies as specified in the relevant Final Terms, the Issuer may, without the consent or sanction of any Noteholder in respect of a Series of Notes or the Secured Creditors:

- (a) remove any one of the Rating Agencies (a "**Removed Rating Agency**") from rating such Series of Notes together with the related ratings criteria, rating tests, rating triggers and any and all requirements specified by and/or relating to such Removed Rating Agency (an "**Existing Rating Agency Removal**"); and/or
- (b) subsequently reappoint any such Removed Rating Agency or substitute any such Removed Rating Agency for one of the Rating Agencies then rating such Series of Notes to provide a rating in respect of any such Series of Notes (an "**Existing Rating Agency Reappointment**") and include the then-current relevant ratings criteria, rating tests, rating triggers and any and all relevant requirements specified by and/or relating to the reappointed Rating Agency,

(a "**Ratings Modification Event**"), **provided that**, in each case and at all times, such Series of Notes continues to be rated by at least two Rating Agencies, and **further provided that** the Issuer has given at least 15 Business Days' notice to the holders of each relevant Series and Classes of Notes of such Ratings Modification Event.

Furthermore, the Issuer may appoint an Additional Rating Agency **provided that**, where such Additional Rating Agency is not an Initial Rating Agency, such appointment will be made in accordance with the procedure set out in Condition 11(f)(i)(S) (*Additional rights of modification*) (whereby the Noteholders representing at least 10% of the aggregate Sterling Equivalent Principal Amount Outstanding of the Most Senior Class of Notes across all Series are allowed to object to such appointment, which would make such appointment subject to the approval by an Extraordinary Resolution of the Noteholders of the Most Senior Class of Notes then outstanding).

In the event of an Existing Rating Agency Removal, all ratings criteria, rating tests, rating triggers and any and all requirements specified by and/or relating to the removed Rating Agency will cease to apply as they relate to such Series of Notes, and the Issuer may make such consequential modifications to the terms and conditions applying to the relevant Notes or any Transaction Document as are necessary to implement the removal of the relevant Rating Agency and all ratings criteria, rating tests, rating triggers and any and all requirements specified by and/or relating to such removed Rating Agency.

In the event of an Existing Rating Agency Reappointment, all then-current relevant ratings criteria, rating tests, rating triggers and any and all relevant requirements specified by and/or relating to the reappointed Rating Agency will apply and the Issuer may make such consequential modifications to the terms and conditions applying to the relevant Notes or any Programme Document as are necessary to implement the reappointment of the relevant Rating Agency and all then-current relevant ratings criteria, rating tests, rating triggers and any and all relevant requirements specified by and/or relating to such reappointed Rating Agency.

Any modifications to the Conditions of any Series of Notes and/or any Programme Document to implement a Ratings Modification Event or appointment of an Additional Rating Agency will not require consent or sanction of any holder of any such Series of Notes or the Secured Creditors and will be binding on all the holders of any such Series of Notes or the Secured Creditors. There is no guarantee

that any such modification will not ultimately adversely affect the rights of the holders of any such Series of Notes or the Secured Creditors, or payments on the Notes.

See further "Risks relating to Changes to the Structure and the Documents – The Note Trustee or the Security Trustee may agree to modifications to the Transaction Documents without the Noteholders' or other Secured Creditors' prior consent" below.

Changes to rating methodology and rating criteria may adversely affect the then-current ratings of the Notes

At any time any Rating Agency may revise its relevant rating methodology or revise its current ratings criteria with the result that, among other things, any rating assigned to the Notes may be lowered and/or, in order to comply with any such revised criteria or rating methodology, amendments may need to be made to the Programme Documents.

Noteholders should note that the Note Trustee and the Security Trustee will, pursuant to the Conditions, and the terms of the Trust Deed and the Deed of Charge, in certain circumstances, and subject to certain conditions being met, be required to approve any modification (other than Basic Terms Modifications), or to provide any waiver or authorisation, requested by the Issuer to the Notes, of one or more Series or Sub-Series, the Conditions or to any Programme Documents. The Note Trustee and the Security Trustee will approve any modifications and provide any waiver or authorisation where such modification, waiver or authorisation are required in order to, amongst others, (a) comply with, implement or reflect any change in the criteria of one or more Rating Agencies, and (b) enable the relevant Swap Counterparties, an Account Bank, the Custodian, the Cash Manager, the Servicer and/or the Seller to remain eligible to perform their respective roles in conformity with applicable Rating Agency criteria or to avoid such entities having to take action (which they would otherwise have to take) to enable them to continue performing such role, without seeking to determine if such requested modification is materially prejudicial to the interest of Noteholders and/or the Secured Creditors and without seeking the direction of such Noteholders and/or Secured Creditors, **provided that** the conditions set out in Condition 11(g) (*Exercise of Note Trustee's functions*) are met including, without limitation, that the proposed modification would not adversely affect the then-current ratings of the Notes (and the Note Trustee and Security Trustee may rely on certifications to that effect from the Issuer) and that the Issuer has provided, among other things, at least 30 calendar days' notice to the Noteholders of each relevant Class and the Noteholders representing at least 10% of the aggregate Principal Amount Outstanding of the Most Senior Class of Notes across all Series then outstanding have not notified the Note Trustee that such Noteholders do not consent to the modification. See "Risks relating to Changes to the Structure and the Documents – The Note Trustee or the Security Trustee may agree to modifications to the Transaction Documents without the Noteholders' or other Secured Creditors' prior consent" and Condition 11 (*Meetings of Noteholders, modifications and waiver*).

For the avoidance of doubt, the Issuer will not be obliged, following a change in rating methodology by any Rating Agency, to amend any of the Programme Documents or take any other action to maintain the then-current ratings of the Notes.

Any modification, waiver or authorisation made in accordance with the provisions described above may be adverse to the interests of the Noteholders of one or more Series or Sub-Series and Class of Notes, but if the Programme or a counterparty of the Issuer no longer complies with the revised rating methodology or criteria, any rating assigned to the Notes may be lowered, which may adversely affect the market value and/or liquidity of the Notes.

The Notes may be subject to exchange rate and interest rate risks

Repayments of principal and payments of interest on a Series and Class of Notes may be made in a currency other than Sterling but all Mortgage Loans in the Mortgage Portfolio are denominated in

Sterling and such interest payments may be determined on the basis of a floating rate of interest. In such case, to hedge its currency exchange rate exposure and/or interest rate exposure, on the Issuance Date for the related Series and Class of Notes, the Issuer will, where required, enter into an appropriate currency swap transaction and/or interest rate swap transaction with a Currency Swap Counterparty (see "The Swap Agreements – The Currency Swaps").

The relevant Currency Swap Counterparty will be obliged to make payments to the Issuer under a Currency Swap only as long as the Issuer complies with its obligations under such Currency Swap to make the payments to the relevant Currency Swap Counterparty. If the relevant Currency Swap Counterparty is not obliged to make payments of, or if it defaults in its obligations to make payments of, the full amount scheduled to be paid to the Issuer on the dates for payment specified under a Currency Swap or such Currency Swap is otherwise terminated, the Issuer is exposed to changes in the exchange rates between Sterling and the Specified Currency of the relevant Notes and, if applicable, to changes in the relevant interest rates. Unless a replacement Currency Swap is entered into, the Issuer may have insufficient funds to make payments due and payable on the applicable Series and Class of Notes.

If the Issuer receives a Swap Termination Payment from a Currency Swap Counterparty, then the Issuer will be required to use those funds towards meeting its costs in entering into any applicable replacement hedging transactions to mitigate its exposure to currency and/or interest rate risks until a new Currency Swap Agreement and Currency Swap are entered into and/or to acquire a replacement Currency Swap. Noteholders will not receive extra amounts (over and above interest and principal due and payable on the Notes) as a result of the Issuer receiving a Swap Termination Payment.

In addition, some of the Mortgage Loans carry variable rates of interest, some of the Mortgage Loans pay interest at a fixed rate or rates of interest, and some of the Mortgage Loans pay interest at a rate that tracks the Bank of England base rate. However, these interest rates on the Mortgage Loans will not necessarily match the rates of interest payable on the Notes, which can be fixed or as calculated pursuant to a margin under or over Sterling SONIA, EURIBOR, €STR, SOFR or such other floating reference rate and for such interest period as may be specified in the applicable Final Terms.

On the First Issuance Date the Issuer will enter into, and on each subsequent Issuance Date on which any further Series of Class A Notes that are Floating Rate Notes are issued, the Issuer will enter into one or more Interest Rate Swap Agreements and Interest Rate Swaps in respect of (a) the product of the Current Balance of the Fixed Rate Mortgage Loans in the Mortgage Portfolio (as determined in accordance with the terms of the relevant Interest Rate Swap) and the applicable Performance Ratio multiplied by (b) the Swap Funding Note Percentage from time to time in order to hedge its exposure against the variance between the fixed rate of interest payable in respect of the Fixed Rate Mortgage Loans and any Floating Rate Notes. However, as at the date of this Base Prospectus, the Issuer has not entered into any Interest Rate Swap Agreement with respect to any Variable Rate Mortgage Loans in the Mortgage Portfolio, and accordingly no assurance can be given that the Issuer will not be exposed to basis risk in respect of these Mortgage Loans. The Servicer has, however, covenanted in the Servicing Agreement that, so long as BOIUK is the Servicer and following the completion of legal assignment of the Mortgage Loans and their Related Security to the Issuer (including any notification of such legal assignment to the Borrowers) as a result of a Perfection Trigger Event, it will maintain the Issuer Standard Variable Rate applicable to any Mortgage Loans at an interest rate of not less than SONIA plus 2% per annum.

If any Interest Rate Swap Counterparty fails to make payments under a relevant Interest Rate Swap Agreement in respect of an Interest Rate Swap or if a relevant Interest Rate Swap otherwise terminates, the Issuer will, in addition to the basis risks outlined above, be exposed to the variance between the rates of interest payable on the Fixed Rate Mortgage Loans and the floating rate of interest payable on the Floating Rate Notes. Unless a replacement Interest Rate Swap is entered into, the Issuer may have insufficient funds to make payments due on the Notes of any Class and any Series as a consequence.

Under the terms of the Interest Rate Swap Agreement, in circumstances where the Interest Rate Swap Counterparty Swap Amount is negative for any Swap Calculation Period, the Issuer will be required to pay the Interest Rate Swap Counterparty the absolute value of the relevant Interest Rate Swap Counterparty Swap Amount (the "**Issuer Interest Rate Swap Additional Amount**"). Therefore, in this situation and in respect of the relevant Swap Calculation Period, the Issuer will be required to pay to the Interest Rate Swap Counterparty the scheduled Issuer Interest Rate Swap Amount (subject to the terms of the Interest Rate Swap Agreement) plus the Issuer Interest Rate Swap Additional Amount. The Issuer may as a consequence have insufficient funds to make payments which rank beneath payments to the Interest Rate Swap Counterparty.

If any Class A Notes, the Class Z(S) VFN or the Seller's Note are issued (including on any date that is not a Payment Date or a Calculation Date) during the Payment Period immediately prior to a Calculation Date, the Funding Note Revenue Portion and the Seller's Note Revenue Portion will be recalculated to take into account those newly issued Notes in accordance with the applicable calculation.

LEGAL AND REGULATORY RISKS RELATING TO THE STRUCTURE AND THE NOTES

Change of Law

The transactions described in this Base Prospectus (including the issue of the Notes) and the ratings which are to be assigned to the Class A Notes are based on the law and administrative practice in effect as at the date of this Base Prospectus as it affects the parties to the transaction and the Mortgage Portfolio, and having regard to the expected tax treatment of all relevant entities under such law and practice. No assurance can be given as to the impact of any possible change to such law (including any change in regulation which may occur without a change in primary legislation), administrative practice or tax treatment after the date of this Base Prospectus nor can any assurance be given as to whether any such change would adversely affect the ability of the Issuer to make payments under the Notes. In addition, it should be noted that regulatory requirements (including any applicable retention, due diligence or disclosure obligations) may be amended, and there can be no assurance that any such changes will not adversely affect the compliance position of a transaction described in this Base Prospectus or of any party under any applicable law or regulation.

Regulatory initiatives may result in increased regulatory capital requirements and/or decreased liquidity in respect of the Notes

In Europe, the US and elsewhere there is increased political and regulatory scrutiny of the asset-backed securities industry. This has resulted in a large number of measures for increased regulation which are currently at various stages of implementation and which may have an adverse impact on the regulatory capital charge to certain investors in securitisation exposures and/or the incentives for certain investors to hold asset-backed securities, and may thereby affect the liquidity of such securities. Investors in the Notes are responsible for analysing their own regulatory position and none of the Issuer, the Arranger, the Dealer(s) nor the Seller makes any representation to any prospective investor or purchaser of the Notes regarding the regulatory capital treatment of their investment in the Notes on the relevant Issuance Date or at any time in the future.

It is not certain whether the impact of any change in law or change in any regulatory, accounting or administrative practice, or in the published practice of the UK tax authorities or tax authorities of any other relevant taxing jurisdiction, or in the interpretation or administration of any such law or practice, after the date of this Base Prospectus could adversely affect the ability of the Issuer to make payments under the Notes, the market value of the Notes, the Noteholders' ability to resell their Notes and/or the Servicer's ability to perform its obligations under the Programme Documents.

Prudential regulation reforms under Basel or other frameworks may have an adverse impact on the regulatory capital treatment of the Notes

Investors should note in particular that the Basel Committee on Banking Supervision (the "BCBS") has approved a series of significant changes to the Basel framework for prudential regulation (such changes being referred to by the BCBS as Basel III, and referred to, colloquially, as Basel III in respect of reforms finalised prior to 7 December 2017 and Basel IV in respect of reforms finalised on or following that date). The Basel III/IV reforms, which include revisions to the credit risk framework in general and the securitisation framework in particular, may result in increased regulatory capital and/or other prudential requirements in respect of securitisation positions. The BCBS continues to work on new policy initiatives. National implementation of the Basel III/IV reforms may vary those reforms and/or their timing. It should also be noted that changes to prudential requirements have been made for insurance and reinsurance undertakings through participating jurisdiction initiatives, such as the Solvency II frameworks in Europe and the UK, both of which are under review and subject to further reforms. Investors in the Notes are responsible for analysing their own regulatory position and

prudential regulation treatment applicable to the Notes and should consult their own advisers in this respect.

Non-compliance with the EU Securitisation Regulation and/or the UK Securitisation Framework, as applicable, may have an adverse impact on the regulatory treatment of the Notes and/or decrease liquidity of the Notes

The EU Securitisation Regulation applies in general (subject to certain grandfathering) from 1 January 2019 and, from 9 April 2021, the EU Securitisation Regulation applies as amended by Regulation (EU) 2021/557. In addition, further amendments are expected to be introduced to the EU Securitisation Regulation regime as a result of its periodic wider review. In this regard it should be noted that in October 2024 the European Commission published a consultation on various policy options for the wide reforms to the prudential and non-prudential regulation of securitisation ("**EC Consultation**"), including, among other things, reforms aimed at potentially reducing the regulatory burden in relation to the investor due diligence and transparency requirements under the EU Securitisation Regulation. It is expected that, later in 2025, this consultation will be followed by the publication of a package of legislative amendments by the European Commission, followed by the negotiation of this package of reforms with the European Parliament and the Council of the European Union. Furthermore, on 20 December 2024 ESMA published a feedback statement on the outcome of its 2023 consultation on the review of the EU reporting templates confirming that ESMA intends to coordinate its next steps with the wider review of the EU Securitisation Regulation. Therefore, when any such reforms (including any targeted amendments by ESMA to the EU technical standards prescribing the reporting templates) will be finalised and become applicable and whether such reforms will benefit the parties to this Transaction and/or the Notes remains to be seen.

The EU Securitisation Regulation establishes certain common rules for all securitisations that fall within its scope (including recast of pre-1 January 2019 risk retention and investor due diligence regimes). The EU Securitisation Regulation has direct effect in member states of the EU and, once the EU Securitisation Regulation is incorporated into the EEA Agreement, it will apply more broadly in the EEA, including Iceland, Norway and Liechtenstein.

Following the UK's withdrawal from the EU at the end of 2020, the Regulation (EU) 2017/2402 as it formed part of domestic law by virtue of the EUWA (the "**UK Securitisation Regulation**") became applicable in the UK largely mirroring (with some adjustments) the EU Securitisation Regulation as it applied in the EU at the end of 2020. However, from 1 November 2024, the UK Securitisation Regulation regime was revoked and replaced (subject to certain grandfathering and transitional provisions) with the UK Securitisation Framework. The UK Securitisation Framework applies to this Transaction. Also note that in H2 2025 the UK government, the PRA and the FCA will consult on some amendments to the requirements applicable under the UK Securitisation Framework including, but not limited to, amendments to the investor due diligence, risk retention, transparency and reporting requirements. Therefore, at this stage, not all the details are known on the implementation of the UK Securitisation Framework. Please note that some divergence between EU and UK regimes exists already. While the UK Securitisation Framework brings some alignment with the EU regime, it also introduces new points of divergence and the risk of further divergence between EU and UK regimes cannot be ruled out in the longer term as it is not known at this stage how the ongoing reforms or any future reforms will be finalised and implemented in the UK or the EU.

The EU Securitisation Regulation and/or the UK Securitisation Framework requirements will apply in respect of the Notes. As such, certain EU-regulated institutional investors or UK-regulated institutional investors, which include relevant credit institutions, investment firms, authorised alternative investment fund managers, insurance and reinsurance undertakings, certain undertakings for the collective investment of transferable securities and certain regulated pension funds (institutions for occupational retirement provision), are required to comply, as applicable, with certain due diligence requirements prior to holding a securitisation position and on an ongoing basis while holding the position under

Article 5 of the EU Securitisation Regulation or the relevant due diligence provisions of the UK Securitisation Framework. Among other things, prior to holding a securitisation position, such institutional investors are required to verify under their respective EU or UK regime certain matters with respect to compliance of the relevant transaction parties with credit granting standards, risk retention and transparency requirements and, on transactions notified as EU STS or UK STS, compliance of that transaction with the EU or UK STS requirements, as applicable.

If the relevant EU- or UK-regulated institutional investor elects to acquire or holds the Notes having failed to comply with one or more of the requirements, as applicable to them under their respective EU or UK regime, this may result in the imposition of a penal capital charge on the Notes for institutional investors subject to regulatory capital requirements or a requirement to take a corrective action, in the case of a certain type of regulated fund investors.

With respect to the commitment of the Seller to retain a material net economic interest in the securitisation pursuant to the UK Risk Retention Rules, and Article 6 of the EU Securitisation Regulation (as if it were applicable to it and as in force on as at the most recent Issuance Date) (which does not take into account any relevant national measures) and with respect to the information to be made available by the Issuer (or by the Servicer on the Issuer's behalf), please see the statements set out in "Regulatory initiatives may result in increased regulatory capital requirements and/or decreased liquidity in respect of the Notes". Relevant investors are required to assess independently and determine the sufficiency of the information described above for the purposes of complying with any relevant requirements. None of the Issuer, the Arranger, the Dealer(s), the Seller nor any of the other transaction parties makes any representation that the information described above is sufficient for such purposes. Various parties to the securitisation transaction described in this Base Prospectus (including the Seller and the Issuer) are also subject to the requirements of the UK Securitisation Framework. However, some uncertainty remains in relation to the interpretation of some of these requirements and what is or will be required to demonstrate compliance to the relevant UK Regulators.

Prospective investors are referred to the sections entitled "General Information", "Certain Regulatory Requirements", "The Servicer and the Servicing Agreement" for further details and should note that there can be no assurance that the information in this Base Prospectus or to be made available to investors in accordance the UK Securitisation Framework or Article 7 of the EU Securitisation Regulation (as if it were applicable to the Seller and as in force as at the most recent Issuance Date) will be adequate for any prospective institutional investors to comply with their due diligence obligations under the UK Securitisation Framework, or the EU Securitisation Regulation, as applicable.

Prospective investors should also note that the Seller will not be obliged to comply with Article 6 of the EU Securitisation Regulation (as if it were applicable to it and as in force as at the most recent Issuance Date) should there be any amendments to the EU Securitisation Regulation following the relevant Issuance Date.

Aspects of the requirements of the EU Securitisation Regulation and the UK Securitisation Framework and what is or will be required to demonstrate compliance to national regulators remain unclear. Prospective investors should therefore make themselves aware of the requirements (including any changes arising as a result of the reforms) applicable to them in their respective jurisdictions and are required to independently assess and determine the sufficiency of the information described in this Prospectus generally for the purposes of complying with such due diligence requirements, as applicable.

Non-compliance with the UK Securitisation Framework and/or the EU Securitisation Regulation could adversely affect the regulatory treatment of the Notes and the market value and/or liquidity of the Notes in the secondary market.

Prospective investors in the Notes are responsible for analysing their own regulatory position, and should consult their own advisers in this respect.

Simple, Transparent and Standardised Securitisations and UK STS Designation

The UK Securitisation Framework (and the UK CRR) includes provisions that implement the revised securitisation framework developed by BCBS (with adjustments) and provides, among other things, for harmonised foundation criteria and procedures applicable to securitisations seeking designation as UK STS securitisations.

The UK STS securitisation designation impacts on the potential ability of the Notes to achieve better or more flexible regulatory treatment from the perspective of the applicable UK regulatory regimes, such as the prudential regulation of UK CRR firms and UK Solvency II firms, and from the perspective of the UK EMIR regime, as to which investors are referred to the risk factor entitled "UK and EU European Market Infrastructure Regulation".

It is intended that a UK STS Notification will be submitted to the FCA by the Seller. The UK STS Notification, once notified to the FCA, will be available for download on the FCA STS Register website.

The Seller has used the services of Prime Collateralised Securities (PCS) UK Limited ("**PCS UK**") to carry out the UK STS Verification and UK STS Additional Assessments. It is expected that the UK STS Verification and the UK STS Additional Assessments prepared by PCS UK will be available on its website at (<https://www.pcsmarket.org/transactions/>). For the avoidance of doubt, the website of PCS UK and the contents of that website do not form part of this Base Prospectus.

However, no assurance can be given that the Notes will remain compliant, because the UK STS Criteria Requirements may change over time. In addition, no assurance can be given on how the PRA will interpret and apply the UK STS Criteria Requirements or other related regulations such as the UK CRR and the UK LCR Regulation, and what is or will be required to demonstrate compliance to national regulators remains unclear, any international or national regulatory guidance may be subject to change. Therefore, what is or will be required to demonstrate compliance with the UK STS Criteria Requirements to the FCA, PRA or other national regulators remains unclear.

It is important to note that the involvement of PCS UK is not mandatory and the responsibility for compliance with the UK Securitisation Framework (or, if applicable, the EU Securitisation Regulation) remains with the relevant institutional investors, originators, sponsors and issuers, as applicable in each case. A UK STS Verification (and/or UK STS Additional Assessments) will not absolve such entities from making their own assessments with respect to the UK Securitisation Framework (or, if applicable, the EU Securitisation Regulation) and other relevant regulatory provisions, and an UK STS Verification (and/or UK STS Additional Assessments) cannot be relied on to determine compliance with the foregoing regulations in the absence of such assessments by the relevant entities.

The transaction does not (and will not) fall within the simple, transparent and standardised regime of the EU Securitisation Regulation.

The Dodd-Frank Wall Street Reform and Consumer Protection Act

Legislation and regulations adopted by the United States federal government following the financial crisis continue to create uncertainty in the credit and other financial markets. These actions include, but are not limited to, the enactment of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the "**Dodd-Frank Act**") and the adoption of its related regulations, which imposed a new regulatory framework over the US financial services industry and the US consumer credit markets in general. In addition, there is also uncertainty regarding the nature and timing of additional regulations that are required under the Dodd-Frank Act but have yet to be promulgated. Given the broad scope and sweeping nature of these changes and the fact that final implementing rules and regulations have not yet, in certain cases, been enacted or come into effect, the potential impact of these actions on the Issuer, any of the Notes or any owners of interests in the Notes is unknown, and no assurance can be made that

the impact of such changes would not have a material adverse effect on the prospects of the Issuer or the value or marketability of the Notes.

In particular, if existing transactions are not exempted from any such new rules or regulations, the costs of compliance with such rules and regulations could have a material adverse effect on the Issuer and the Noteholders.

Pursuant to the Dodd-Frank Act, the Commodity Futures Trading Commission and the prudential regulators have each promulgated a range of recent regulatory requirements that may affect the pricing, terms and compliance costs associated with the entry into of any swap transaction by the Issuer and the availability of such swap transactions, including the Swaps. Some or all of the swap transactions that the Issuer may enter into may be affected by (i) the requirement that certain transactions be centrally cleared and in some cases traded on a designated contract market or swap execution facility, (ii) initial and variation margin requirements of any central clearing organisation (with respect to cleared swaps) or initial or variation requirements as may otherwise be required with respect to uncleared transactions, and (iii) recordkeeping obligations, and other matters. These requirements may significantly increase the cost to the Issuer of entering into any swap transactions, including the Swaps, resulting in a material adverse effect on the Issuer and the Noteholders.

Volcker Rule

The Volcker Rule generally prohibits "banking entities" (broadly defined to include US banks, bank holding companies and foreign banking organisations, together with their respective subsidiaries and other affiliates) from (i) engaging in proprietary trading, (ii) acquiring or retaining an ownership interest in, or sponsoring, a "covered fund", and (iii) entering into certain relationships with such funds, subject to certain exceptions and exclusions.

There is limited interpretive guidance regarding the Volcker Rule, and implementation of the regulatory framework for the Volcker Rule is still evolving. The Volcker Rule's prohibitions and lack of interpretive guidance could negatively impact the liquidity and value of the Notes. Any entity that is a "banking entity" as defined under the Volcker Rule and is considering an investment in the Notes should consider the potential impact of the Volcker Rule in respect of such investment and on its portfolio generally. Each prospective investor must determine for itself whether it is a banking entity subject to regulation under the Volcker Rule.

None of the Issuer, the Arranger, the Dealer(s) or any other person makes any representation to any prospective investor regarding the application of the Volcker Rule to the Issuer or to such prospective investor's investment in the Notes, as of the date hereof or at any time in the future.

See the section entitled "Certain Regulatory Requirements – US Regulatory Considerations – Volcker Rule Considerations" for information on the Issuer's status under the Volcker Rule. Any prospective investor in any Notes, including a US or foreign bank or a subsidiary or other affiliate thereof, should consult its own legal advisers regarding the application and effect of the Volcker Rule.

US Credit Risk Retention

In the US, on 21 October 2014, the Federal Deposit Insurance Corporation (the "**FDIC**"), the Federal Housing Finance Agency (the "**FHFA**") and the Office of the Comptroller of the Currency (the "**OCC**") adopted a final rule implementing the credit risk retention requirements of Section 941 of the Dodd-Frank Act for asset-backed securities (the "**US Credit Risk Retention Requirements**"). The following day, the Board of Governors of the Federal Reserve System, the US Securities and Exchange Commission (the "**SEC**") and the Department of Housing and Urban Development adopted the US Credit Risk Retention Requirements. As required by the Dodd-Frank Act, the US Credit Risk Retention Requirements generally require the "sponsor" of a securitisation transaction to retain not less than 5%

of the credit risk of the assets collateralising the issuance of "asset-backed securities" and generally prohibit a "sponsor" from directly or indirectly eliminating or reducing its credit exposure by hedging or otherwise transferring the credit risk that the "sponsor" is required to retain. The US Credit Risk Retention Requirements became effective for residential mortgage-backed securities on 24 December 2015. As described under "Certain Regulatory Requirements – US Credit Risk Retention", for so long as any Rule 144A Notes are outstanding the Seller intends to comply with this requirement by retaining and maintaining (either directly or through one or more wholly owned affiliates) a "seller's interest" (as defined in the US Credit Risk Retention Requirements), in the form of the Seller's Note, which seller's interest will be in a minimum amount equal to at least 5% of the aggregate unpaid principal amount of the outstanding Notes of all Series issued by the Issuer, other than any Notes paid on each Payment Date for so long as any Rule 144A Notes are outstanding. For so long as any Rule 144A Notes are outstanding, the Seller will disclose within a reasonable time after each Issuance Date the amount of the seller's interest on such Issuance Date if it is materially different from that disclosed in the relevant Final Terms.

If the Seller fails to retain credit risk in accordance with the US Credit Risk Retention Requirements for so long as any Rule 144A Notes are outstanding, the value and liquidity of the Notes may be adversely impacted. See "Certain Regulatory Requirements – US Credit Risk Retention" in this Base Prospectus for further information.

Prospective investors should make themselves aware of the changes and requirements described under the headings above (and any corresponding implementing rules of their regulator), where applicable to them, in addition to any other applicable regulatory requirements with respect to their investment in the Notes. The matters described above and any other changes to the regulation or regulatory treatment of the Notes for some or all investors may negatively impact the regulatory position of individual investors and, in addition, have a negative impact on the price and liquidity of the Notes in the secondary market.

Risks relating to the Banking Act 2009

The Banking Act 2009 (the "**Banking Act**") includes provision for a special resolution regime pursuant to which specified UK authorities have extended tools to deal with the failure (or likely failure) of certain UK-incorporated entities, including authorised deposit-taking institutions and certain authorised investment firms, and powers to take certain resolution actions in respect of third-country institutions. In addition, powers may be used in certain circumstances in respect of UK--established banking group companies, where such companies are in the same group as a relevant UK or third-country institution. Relevant Transaction Parties for these purposes include BOIUK (in its various capacities).

The tools available under the Banking Act include share and property transfer powers (including powers for partial property transfers), bail-in powers, certain ancillary powers (including powers to modify contractual arrangements in certain circumstances) and special insolvency procedures which may be commenced by the UK authorities. It is possible that the tools described above could be used prior to the point at which an application for insolvency proceedings with respect to a relevant entity could be made and, in certain circumstances, the UK authorities may exercise broad pre-resolution powers in respect of relevant entities with a view to removing impediments to the exercise of the stabilisation tools.

In general, the Banking Act requires the UK authorities to have regard to specified objectives in exercising the powers provided for by the Banking Act. One of the objectives (which is required to be balanced as appropriate with the other specified objectives) refers to the protection and enhancement of the stability of the financial system of the United Kingdom. The Banking Act includes provisions related to compensation in respect of instruments and orders made under it. In general, there is considerable uncertainty about the scope of the powers afforded to UK authorities under the Banking Act and how the authorities may choose to exercise them.

If an instrument or order were to be made under the provisions of the Banking Act currently in force in respect of a relevant entity as described above, such action may (among other things) affect the ability of such entities to satisfy their obligations under the Programme Documents and/or result in the cancellation, modification or conversion of certain unsecured liabilities of such entity under the Transaction Documents or in other modifications to such documents. In particular, modifications may be made pursuant to powers permitting (i) certain trust arrangements to be removed or modified, (ii) contractual arrangements between relevant entities and other parties to be removed, modified or created where considered necessary to enable a transferee in the context of a property or share transfer to operate the transferred business effectively, and (iii) in connection with the modification of an unsecured liability through use of the bail-in tool, the discharge of a relevant entity from further performance of its obligations under a contract. In addition, subject to certain conditions, powers would apply to require a relevant instrument or order (and related events) to be disregarded in determining whether certain widely defined "default events" have occurred (which events may include trigger events included in the Transaction Documents in respect of the relevant entity, including termination events and (in the case of the Seller) trigger events in respect of perfection of legal title to the relevant Mortgage Loans). As a result, the making of an instrument or order in respect of a relevant entity as described above may affect the ability of the Issuer to meet its obligations in respect of the Notes.

As noted above, the stabilisation tools may be used in respect of certain banking group companies provided certain conditions are met. If the Issuer was regarded to be a banking group company and no exclusion applied, then it would be possible in certain scenarios for the relevant authority to exercise one or more relevant stabilisation tools (including the property transfer powers and/or the bail-in powers) in respect of it, which could result in reduced amounts being available to make payments in respect of the Notes and/or in the modification, cancellation or conversion of any unsecured portion of the liability of the Issuer under the Notes at the relevant time. In this regard, it should be noted that the UK authorities have provided an exclusion for certain securitisation companies, which exclusion is expected to extend to the Issuer, although aspects of the relevant provisions are not entirely clear.

At present, the UK authorities have not made an instrument or order under the Banking Act in respect of the relevant entities referred to above and there has been no indication that any such instrument or order will be made, but there can be no assurance that this will not change and/or that Noteholders will not be adversely affected by any such instrument or order if made. While there is provision for compensation in certain circumstances under the Banking Act, there can be no assurance that Noteholders would recover compensation promptly and equal to any loss actually incurred.

Withholding Tax Under the Notes

Provided that the Class A Notes are and continue to be "listed on a recognised stock exchange" (within the meaning of Section 1005 of the Income Tax Act 2007 (the "ITA") for the purposes of Section 987 of the ITA), as at the date of this Base Prospectus, no withholding or deduction for or on account of United Kingdom income tax will be required on payments of interest on the Class A Notes. However, there can be no assurance that the law in this area will not change during the life of the Notes.

In the event that any withholding or deduction for or on account of any taxes is imposed in respect of payments to Noteholders of any amounts due under the Notes, neither the Issuer nor any other person is obliged to gross up or otherwise compensate Noteholders for the lesser amounts the Noteholders will receive as a result of such withholding or deduction. However, in such circumstances and if such withholding or deduction cannot be avoided taking reasonable measures available to it, the Issuer will, in accordance with Condition 5(f) (*Optional redemption for tax and other reasons*) of the Notes, use its reasonable endeavours to arrange the substitution of a company incorporated in another jurisdiction approved by the Note Trustee as principal debtor under such Notes, subject to certain conditions being met.

The applicability of any withholding or deduction for or on account of United Kingdom tax on payments of interest on the Notes is discussed further under "UK Tax Consequences".

US Tax Characterisation of the Notes

The Issuer has agreed and, by its acceptance of a Class A Note, each holder (and any beneficial owners of any interest therein) will be deemed to have agreed, to treat the Class A Note as debt of the Issuer for US federal income tax purposes, except as otherwise required by applicable law and for certain limited purposes. The determination of whether a Class A Note will or should be treated as debt for US federal income tax purposes is based on the facts and circumstances existing at the time the Class A Note is issued.

Prospective investors should be aware that the classification of an instrument as debt or equity is highly factual, and there can be no assurance that the US Internal Revenue Service will not seek to characterise any of the Class A Notes as something other than indebtedness. If any of the Class A Notes were treated as equity for US federal income tax purposes, adverse US federal income tax consequences might apply.

See the section entitled "Material US Tax Considerations".

Pensions Act 2004

Under the Pensions Act 2004 a person that is 'connected with' or an 'associate' of an employer under an occupational pension scheme can be subject to either a contribution notice or a financial support direction. The Issuer may be treated as associated/connected to one or more employers under an occupational pension scheme which is within the Seller.

A contribution notice will require the target to pay a specified sum into the pension scheme. A contribution notice could be served on the Issuer if it was party to an act, or a deliberate failure to act: (a) which has caused a material detriment to the pension scheme (whether or not intentionally); or (b) the main purpose or one of the main purposes of which was either (i) to prevent the recovery of the whole or any part of a debt which was, or might become, due from the employer under Section 75 of the Pensions Act 1995, or (ii) otherwise than in good faith, to prevent such a debt becoming due, to compromise or otherwise settle such a debt, or to reduce the amount of such a debt which would otherwise become due.

A financial support direction will require the target to provide support to the pension scheme whether by way of a cash contribution or other means, such as a guarantee. A financial support direction could be served on the Issuer where the employer is either a service company or insufficiently resourced. An employer is insufficiently resourced if, broadly speaking, the value of its resources is less than 50% of the pension scheme's deficit calculated on an annuity buy out basis and there is a connected or associated person whose resources at least cover that difference. A contribution notice or financial support direction can only be served where the Pensions Regulator considers it is reasonable to do so, having regard to a number of factors.

As a result of the Supreme Court decision in *Re Nortel, Re Lehman Companies* [2013] UKSC 52, if the Pensions Regulator issued a financial support direction or contribution notice against the Issuer then, depending on when such a direction or notice was issued (and regardless of whether the Issuer was in liquidation or administration, as the case may be, at that time), any corresponding liability would not be treated as an expense of the administration or liquidation (as the case may be). As a result, such a claim would be treated as an ordinary unsecured debt and such claim would not rank in priority to, or *pari passu* with, the rights and claims of the Security Trustee under the Deed of Charge with respect to any charged asset.

If a contribution notice or financial support direction were to be served on the Issuer this could adversely affect the interests of the Noteholders.

Strengthening of the UK pensions regulatory regime

The Pension Schemes Act 2021, the relevant provisions of which came into force on 1 October 2021 (as to which see the Pension Schemes Act 2021 (Commencement No 3 and Transitional and Saving Provisions) Regulations 2021), amends the Pensions Act 2004 (the "**Act**") by adding two new grounds under which the UK Pensions Regulator can issue a contribution notice. Under the Act (as amended), the UK Pensions Regulator can issue a contribution notice (i) where it believes that an act or failure to act has materially reduced the amount of a debt due from the employer under Section 75 of the Pensions Act 1995 that a defined benefit scheme could have recovered if a Section 75 debt had been triggered immediately after the act or failure to act, and (ii) where the UK Pensions Regulator believes that an act or failure to act has reduced the value of the employer's resources and this reduction is material relative to a defined benefit scheme's estimated Section 75 debt.

The Act (as amended) makes it a criminal offence to fail to comply with a contribution notice. This is punishable by an unlimited fine. The Act (as amended) also introduces two standalone criminal offences in relation to defined benefit pension schemes. The first offence is where a person does an act or engages in a course of conduct, or a failure to act, which (i) prevents the pension scheme from recovering a debt due from the employer under Section 75 of the Pensions Act 1995, (ii) prevents a Section 75 debt becoming due, (iii) compromises or settles a Section 75 debt, or (iv) reduces the amount of any Section 75 debt which would otherwise become due. The person must have intended that their action would have this effect and must not have had a reasonable excuse for doing the act or engaging in the course of conduct or failure to act.

The second offence is committed where a person does an act or engages in a course of conduct, or a failure to act, which detrimentally affects in a material way the likelihood of accrued scheme benefits being received. The person must have known, or ought to have known, that their actions or failure to act would have such an effect and must not have had a reasonable excuse for doing the act or engaging in the course of conduct or failure to act.

As these offences apply to any "person" involved with the activity in question, the Issuer, the Security Trustee and/or any Noteholders (and their directors, employees and advisers) could be caught by the new offences or civil penalties if they were involved in any relevant action which constituted an offence.

The Act (as amended) also introduces new powers for the UK Pensions Regulator to issue civil penalties of up to £1 million in certain circumstances. The first is where a person engages in an act or a deliberate failure to act (or knowingly assists in the act or failure) the main purpose, or one of the main purposes of which, was (i) to prevent the pension scheme from recovering a debt due from the employer under Section 75 of the Pensions Act 1995, (ii) to prevent a Section 75 debt becoming due, (iii) to compromise or settle a Section 75 debt, or (iv) to reduce the amount of any Section 75 debt which would otherwise become due and it was not reasonable for the person to act or fail to act in the way they did.

The second circumstance in respect of which the UK Pensions Regulator can issue a civil penalty is where a person engages in an act or a deliberate failure to act (or knowingly assists in the act or failure) that materially risks accrued scheme benefits, where the person knew or ought to have known that the act or failure would have that effect and where it was not reasonable for the person to act or fail to act in that way. The UK Pensions Regulator may also issue civil fines where a person, without reasonable excuse, fails to comply with a contribution notice, as well as in respect of certain other breaches. As these civil penalties apply to any "person" involved with the activity in question, the Issuer, and/or the Security Trustee (and their directors, employees and advisers) could be caught by the new civil penalties if they were involved in any action or failure to act which constituted a civil penalty.

If the UK Pensions Regulator takes any action against the Issuer, the Security Trustee and/or any Noteholders this could adversely affect the interests of the Noteholders.

UK and EU European Market Infrastructure Regulation

The derivatives markets are subject to extensive and recently implemented regulation in a number of jurisdictions. The EU regulatory framework and legal regime relating to derivatives is primarily set out in Regulation (EU) No 648/2012 of the European Parliament and Council on over-the-counter derivatives ("**OTC derivatives**"), central counterparties and trade repositories dated 4 July 2012, as amended by Regulation (EU) 2019/834 of the European Parliament (as amended, including by Regulation (EU) 2019/834 of the European Parliament and of the Council dated 20 May 2019 ("**EMIR Refit**")) ("**EU EMIR**"). A similar regime applies in the UK under EU EMIR as it forms part of English law as may be amended, supplemented or replaced from time to time ("**UK EMIR**") and in the US under the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, each as amended and supplemented from time to time.

Counterparties subject to UK EMIR and EU EMIR will be subject to certain regulatory requirements, including (i) a general obligation to clear all "eligible" OTC derivative contracts through a duly authorised or recognised central counterparty (the "**Clearing Obligation**"), unless one or both counterparties' derivatives trading activity falls below the relevant clearing threshold, (ii) a collateral exchange obligation for OTC derivatives contracts not subject to clearing (the "**Collateral Obligation**"), (iii) daily valuation and other risk-mitigation techniques for OTC derivatives contracts not subject to clearing, and (iv) certain reporting and record-keeping requirements.

Pursuant to UK EMIR and EU EMIR, counterparties can be classified as (i) financial counterparties ("**FCs**") (which, following changes made by EMIR Refit, includes a sub-category of small FCs ("**FC-s**")), (ii) non-financial counterparties ("**NFCs**"), and (iii) third country entities equivalent to FCs or NFCs. The NFC classification is further split into: (i) non-financial counterparties whose positions, together with the positions of all other non-financial counterparties in its group (as defined in UK EMIR and EU EMIR), in OTC derivatives (excluding hedging positions) exceed a specified clearing threshold ("**NFC+s**"); and (ii) non-financial counterparties whose positions in OTC derivatives do not exceed any of the specified clearing thresholds ("**NFC-s**"). Whereas FCs and NFC+ entities may be subject to the Clearing Obligation or, to the extent that the relevant swaps are not subject to clearing, to the Collateral Obligation, such obligations do not apply in any event in respect of NFC- entities. In addition, in respect of the Reporting Obligation, UK FCs are solely responsible and legally liable for reporting the details of OTC derivative contracts concluded with NFC-s on behalf of both counterparties as well as for ensuring the correctness of the reported details (known as "mandatory reporting"). Note that the calculation of the UK EMIR clearing threshold (together with other aspects of UK EMIR) may be impacted in due course by reforms although the scope of the UK EMIR reforms is yet to be confirmed.

The Issuer is currently categorised as NFC-, for the purposes of UK EMIR and a third-country equivalent to an NFC- (a "**TCE NFC-**") for the purposes of EU EMIR. As a result, neither the Clearing Obligation nor the Collateral Obligation apply to it. If the Issuer's counterparty status changes to NFC+ or FC for the purposes of UK EMIR and/or a third-country equivalent to a NFC+ or FC (a "**TCE NFC+**" or a "**TCE FC**") for the purposes of EU EMIR, then certain OTC derivatives contracts that are entered into by the Issuer may become subject to the Clearing Obligation or the Collateral Obligation. In this regard, it should be noted that it is not clear that any of the Swaps would be a relevant type of OTC derivative contract that would be subject to the Clearing Obligation under the relevant implementing measures made to date.

Notwithstanding the qualifications on application described above, the position of any of the Swaps under each of the Clearing Obligation and Collateral Obligation is not entirely clear and may be affected by further measures still to be made.

It is possible that UK EMIR and EU EMIR will increase the costs of and restrict participation in the derivatives markets, thereby increasing the costs of engaging in hedging or other transactions and reducing liquidity and the use of the derivatives markets. If applicable in the context of the Swap Agreements, such additional requirements, corresponding increased costs and/or related limitations on the ability of the Issuer to hedge certain risks may reduce amounts available to the Issuer to meet its obligations and may result in investors receiving less interest or principal than expected.

If the classification of the Issuer changes and, to the extent relevant, one or more of the Swaps is regarded to be in-scope, then a Swap entered into or materially amended on or after the relevant application date may become subject to the Clearing Obligation or (more likely) to the Collateral Obligation. Prospective investors should note that there is some uncertainty with respect to the ability of the Issuer to comply with these obligations if applicable, which may (i) lead to regulatory sanctions, (ii) adversely affect the ability of the Issuer to continue to be party to a Swap (possibly resulting in a restructuring or termination of the Swap) or to enter into Swaps, and/or (iii) significantly increase the cost of such arrangements, thereby negatively affecting the ability of the Issuer to hedge certain risks.

As a result, the amounts available to the Issuer to meet its obligations may be reduced, which may in turn result in investors receiving less interest or principal than expected.

Investors should also be aware that the reporting requirements and other requirements of UK EMIR and EU EMIR currently impose obligations on the Issuer (as an NFC- for the purposes of UK EMIR and as a TCE NFC- for the purposes of EU EMIR), to the extent it enters into derivative transactions.

In respect of the Reporting Obligation under UK EMIR, with effect from 30 September 2024, changes are being made to the existing UK EMIR reporting regime and the Issuer must comply with the changes from this date (as the Issuer remains legally liable and responsible for the Reporting Obligation even if it has delegated the Reporting Obligation to a third party). Amongst other things, all new reports (including any modifications or terminations of derivatives entered into before 30 September 2024) must comply with the amended requirements. Prospective investors should note that failure to comply with the Reporting Obligation may lead to regulatory sanctions (including fines). If sanctions were imposed, the amounts available to the Issuer to meet its obligations may be reduced, which may in turn result in investors' receiving less interest or principal than expected.

It should also be noted that the UK Securitisation Framework, among other things, makes provisions for the development of technical standards in connection with the UK EMIR regime specifying (i) an exemption from clearing obligations, and (ii) a partial exemption from the collateral exchange obligations for non-cleared OTC derivatives, in each case for UK STS securitisation swaps (subject to the satisfaction of the relevant conditions).

The Seller may procure a UK STS Notification to be submitted to the FCA that the UK STS Criteria Requirements have been satisfied with respect to the issuance of a Series of Notes. However, until the final new technical standards referred to above are in force, no assurance can be given that the Swaps will meet the applicable exemption criteria provided therein, to the extent applicable to the issuance of a Series of Notes. Notwithstanding the UK STS designation (to the extent applicable to a Series of Notes) and the ability, as a result, to rely on the exemptions from clearing and collateral exchange obligations under the UK EMIR regime, the expectation is that the Issuer should not be required to comply with the UK EMIR collateral exchange obligations and clearing requirements for the reasons outlined above (being its NFC- status) in any event. The UK STS designation (to the extent applicable to a series of notes) and the related forthcoming exemptions from collateral exchange obligations and clearing requirements are only likely to become relevant should the status under the UK EMIR of the Issuer change from NFC- to NFC+ or FC and, if applicable, should the Swaps be regarded as a type that is subject to the UK EMIR clearing requirement. In respect of EU EMIR, the Notes (given they will not be eligible to obtain an STS designation under the EU Securitisation Regulation) will not be

able to benefit from the equivalent exemption under EU EMIR should the status of the Issuer change to TCE NFC+ or TCE FC.

The Note Trustee will be obliged, without any consent or sanction of the Noteholders, or any of the other Secured Creditors, to concur with the Issuer, and to direct the Security Trustee to concur with the Issuer or any other person, in making any modifications to the Transaction Documents and/or the Conditions applying to Notes of any one or more Series to comply with UK EMIR and EU EMIR. Furthermore, certain modifications may be made to the Transaction Documents by the Note Trustee as described above under "Risks relating to Changes to the Structure and the Documents – The Note Trustee or the Security Trustee may agree to modifications to the Transaction Documents without the Noteholders' or other Secured Creditors' prior consent". In each case, such amendments may be made irrespective of whether such modifications are materially prejudicial to the interests of any Noteholder or any other Secured Creditor and provided such modifications do not relate to a Basic Terms Modification.

Risks relating to the Rule 2a-7 suitability of the Money Market Notes

The Issuer may, from time to time, issue Money Market Notes. Any such Notes would be designated as Money Market Notes in the applicable Final Terms. Money market notes are intended to be "eligible securities" for purchase by money market funds meeting the requirements of Rule 2a-7 under the Investment Company Act.

However, the determination as to whether any applicable Series and Class of Notes will qualify as "eligible securities" under Rule 2a-7 will involve investment determinations and interpretive questions that, as with qualification and compliance with other aspects of Rule 2a-7, will be solely the responsibility of each money market fund and its investment adviser. None of the Issuer, the Seller, the Arranger, the Note Trustee, the Security Trustee, each Remarketing Agent, each Tender Agent, each Conditional Note Purchaser or any other party to the Programme Documents will make any representation as to the suitability of any Money Market Notes for investment by money market funds subject to Rule 2a-7 under the Investment Company Act. See "Description of the Trust Deed and The Notes – Money Market Notes" below for additional information regarding Money Market Notes and the remarketing arrangements related thereto.

Prospective investors should be aware that, even if Notes designated as Money Market Notes qualify at the time of issuance as "eligible securities" for the purposes of Rule 2a-7, there is no assurance that they will continue to so qualify until their maturity. Among other things, no assurance can be given that an investor in Money Market Notes will be able to confirm or satisfy the pre-condition for Rule 2a-7 eligibility that it is able to monitor readily the conditions limiting the exercise of the Money Market Note Mandatory Transfer, as there is no affirmative obligation pursuant to the terms of the Programme Documents that any information be made available to investors. To the extent Money Market Notes do not qualify as "eligible securities", an investor subject to Rule 2a-7 may be required to dispose of any such notes.

Further, no assurance can be given that any Remarketing Agent or Conditional Note Purchaser for a Series and Class of Money Market Notes will comply with and perform their respective obligations under the remarketing arrangements. Non-compliance with Condition 5(h) (*Money Market Note Mandatory Transfer Arrangements*) by reason of any failure on the part of any Remarketing Agent or any Conditional Note Purchaser to perform their respective obligations under the relevant Programme Documents will not constitute an Event of Default. Investors should therefore consider the risk posed if the relevant notes cannot be transferred on a Money Market Note Mandatory Transfer Date (or any other time) as no assurance can be given that the Conditional Note Purchaser will comply with and perform its obligations and in those circumstances.

Holders of the Class A Notes will not receive physical Notes, which may cause delays in distributions and hamper their ability to pledge or resell Class A Notes

Unless and until the Global Note Certificates representing the Class A Notes are exchanged for the Individual Note Certificates representing Class A Notes, which will only occur under a limited set of circumstances, Noteholders' beneficial ownership of the Class A Notes will only be registered in book-entry form with the relevant Clearing System. This means that persons acquiring Class A Notes will not be the legal owners or holders of such Class A Notes but will have rights in their capacity as participants in accordance with the rules and procedures of the relevant Clearing System and, in the case of indirect participants, their agreements with direct participants (such rights, "**Book-Entry Interests**").

So long as the Class A Notes are represented by the Global Note Certificates, payments of principal and interest on, and other amounts due in respect of, the Class A Notes will be made to the nominee of the Common Depositary or, as applicable, Common Safekeeper as nominee of Euroclear and Clearstream, Luxembourg and to Cede & Co as nominee of DTC (as the case may be). None of the Issuer, the Note Trustee, the Security Trustee, the Custodian, any Paying Agent or the Registrar will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, the Book-Entry Interests or for maintaining, supervising or reviewing any records relating to such Book-Entry Interests.

Unlike holders of Individual Note Certificates, holders of the Book-Entry Interests will not have direct rights under the Trust Deed to act upon solicitations of consents or requests by the Issuer for waivers or other actions from Noteholders. Instead, a holder of Book-Entry Interests will be permitted to act only to the extent it has received appropriate proxies to do so from Euroclear, Clearstream, Luxembourg or DTC (as the case may be) and, if applicable, direct participants. There can be no assurance that procedures implemented for the granting of such proxies will be sufficient to enable holders of Book-Entry Interests to vote on any requested actions on a timely basis or that the procedures to be implemented by Euroclear, Clearstream, Luxembourg, DTC and the DTC Custodian upon the occurrence of an Event of Default will be adequate to ensure the timely exercise of remedies under the Trust Deed.

In addition, the lack of physical notes could, among other things:

- result in payment delays on the Class A Notes because the Issuer will be sending distributions on the Class A Notes to Euroclear, Clearstream, Luxembourg or DTC (as the case may be) instead of directly to Noteholders;
- make it difficult for Noteholders to pledge or otherwise grant security over the Class A Notes if physical notes are required by the party demanding the pledge or other security; and
- hinder Noteholders' ability to resell the Class A Notes because some investors may be unwilling or unable to buy notes that are not in physical form.

COUNTERPARTY RISKS

The Issuer will rely on third parties and Noteholders may be adversely affected if they fail to perform their obligations

The Issuer is party to contracts with a number of other third parties that have agreed to perform services in relation to the Programme. In particular, the Servicer, the Cash Manager, the Account Banks, the Custodian, each Interest Rate Swap Counterparty, each Currency Swap Counterparty (if any), the Agents, the Corporate Services Provider and the Back-up Servicer Facilitator have agreed to provide the Issuer with administration services, cash management services and account bank services, payment and calculation services in relation to the Notes, certain hedges against interest rate fluctuations and currency fluctuations and certain corporate services.

Noteholders may be adversely affected if such third parties or any of their successors fail to perform their obligations under the respective agreements to which they are a party (including any failure arising from circumstances beyond their control, such as epidemics, pandemics and natural disasters). Furthermore, the Noteholders may be adversely affected if the appointment of a third party is terminated and no replacement can be found. In addition, no assurance can be given that the Issuer will be able to enter into a replacement Swap or, if one is entered into, that the credit rating of the replacement Swap Counterparty (notwithstanding the terms of the Programme Documents) will be sufficiently high to prevent a reduction, qualification or withdrawal of the then-current ratings of the Notes by the Rating Agencies. See also "Swap Termination Payments may adversely affect the funds available to make payments on the Notes" below.

The Issuer may from time to time become subject to regulatory, rating or other requirements that may require it to appoint additional third parties (or increase the level of responsibility of an existing third party) to provide relevant services and/or incur additional costs and expenses to enable it to comply with the regulatory requirements. The Issuer may be in breach of the regulatory requirements and adversely affected if it were to be unable to find a third party to provide the relevant services or (where appropriate) perform them itself. Moreover, any such regulatory requirements may give rise to additional costs and expenses for the Issuer which would be payable prior to making payments with respect to the Notes and thereby reduce amounts available to make such payments.

In the event that the Issuer were to be in breach of regulatory requirements or incur additional costs and expenses one or more Series of Notes may be adversely affected.

Swap Termination Payments may adversely affect the funds available to make payments on the Notes

If any of the Interest Rate Swaps or the Currency Swaps terminate, the Issuer may be obliged to pay a Swap Termination Payment to the relevant Swap Counterparty. The amount of any applicable Swap Termination Payment will be based on the cost of entering into a replacement Swap. The amount of such termination payment will be based on the value of any benefit that would otherwise accrue to the Issuer as a result of terminating and replacing the relevant Swap Agreement.

No assurance can be given that the Issuer will have the funds available to make any Swap Termination Payment under the relevant Swap Agreement or to make subsequent payments in respect of the Notes.

Except where termination of any Interest Rate Swap occurs as a result of any Interest Rate Swap Counterparty Default, any Swap Termination Payment due by the Issuer under the relevant Interest Rate Swap Agreement will rank in priority to payments due on the Notes. Any additional amounts required to be paid by the Issuer following termination of any Interest Rate Swap Agreement (including any

extra costs incurred (for example, from entering into other hedging transactions) if the Issuer cannot immediately enter into a replacement swap), will also rank in priority to payments due on the Notes.

Except where termination of a Currency Swap Agreement occurs as a result of a Currency Swap Counterparty Default, any Swap Termination Payment due by the Issuer under a Currency Swap will rank equally with payments due on the Class A Notes. Any additional amounts required to be paid by the Issuer following termination of the relevant Currency Swap Agreement (including any extra costs incurred (for example, from entering into other hedging transactions) if the Issuer cannot immediately enter into a replacement swap), will also rank equally with payments due on the Class A Notes.

Therefore, if the Issuer is obliged to make a termination payment to a Swap Counterparty or to pay any other additional amount as a result of the termination of the relevant Swap, this may affect the amount of funds which the Issuer has available to make payments on the Notes of any Class.

Termination of the Original Currency Swap for any Series of Non-Sterling Notes

Prior to the delivery of an Enforcement Notice, the allocation of Enhanced Available Principal Receipts, if any, towards the redemption of any Series of Non-Sterling Notes will be determined on a *pro rata* basis by reference to the Sterling Equivalent Principal Amount Outstanding of such Non-Sterling Notes (as per Condition 5(b) (*Mandatory redemption of the Notes in Part*)). An allocation based on the Sterling Equivalent Principal Amount Outstanding of the Non-Sterling Notes means that the proportion of Enhanced Available Principal Receipts allocated to the Non-Sterling Notes is the same irrespective of the termination of the Original Currency Swap or the terms of any replacement Currency Swap entered into with respect to the Non-Sterling Notes.

Under this allocation arrangement, the risk of any reduction in principal amounts available to make payments in respect of the Non-Sterling Notes on any Note Payment Date following the termination of the Original Currency Swap because (a) a replacement Currency Swap is not in place and the applicable Spot Rate is less favourable to the Issuer than the Original Exchange Rate; or (b) the Replacement Exchange Rate in respect of any replacement Currency Swap Agreement is less favourable to the Issuer than the Original Exchange Rate is, prior to the delivery of an Enforcement Notice, borne by the holders of the relevant Series and Class of Non-Sterling Notes.

If the Original Currency Swap is terminated (and irrespective of whether a replacement Currency Swap is in place), prior to the delivery of an Enforcement Notice and while no Asset Trigger Event has occurred and no Non-Asset Trigger Event is continuing, on any Note Payment Date falling on or following the Sterling Equivalent Redemption Date, following the application of any amounts held in the Swap Excess Reserve Account towards the redemption of the Non-Sterling Notes, any remaining Principal Amount Outstanding of the Non-Sterling Notes (being the Principal Shortfall Amounts) will only be paid subject to and in accordance with paragraph (d) of the Pre-Enforcement Pre-Trigger Principal Priority of Payments relating to the application of the Funding Note Principal Portion and paragraph (d) of the Pre-Enforcement Post-Trigger Principal Priority of Payments, and will accordingly be subordinated to, among other things, payments of principal on the other Class A Notes.

Prior to the delivery of an Enforcement Notice and following the occurrence of an Asset Trigger Event and/or for so long as a Non-Asset Trigger Event is continuing, any remaining Principal Amount Outstanding of the Non-Sterling Notes will only be paid subject to and in accordance with paragraph (d) of the Pre-Enforcement Post-Trigger Principal Priority of Payments.

Following the delivery of an Enforcement Notice (which constitutes a termination event under the Original Currency Swap), any remaining Principal Amount Outstanding of the Non-Sterling Notes will cease to be subordinated to the other Class A Notes and will rank *pari passu* with amounts payable in respect of any other Class A Notes in accordance with paragraph (a) of the Post-Enforcement Priority of Payments relating to the application of the Funding Note Principal Portion. Available amounts in

accordance with the Post-Enforcement Priority of Payments will be allocated on a *pro rata* basis by reference to the respective Sterling Equivalent amounts of such Notes determined using the applicable prevailing Spot Rate.

An allocation on this basis means that the proportion of funds allocated to the sterling Notes and the Non-Sterling Notes will be affected by variations in the prevailing Spot Rate. If the prevailing Spot Rate is less favourable to the Issuer than the Original Exchange Rate or a previous Spot Rate, then the sterling Notes will be allocated a greater proportion of the available amounts applied towards the redemption of the Notes in accordance with the Post-Enforcement Priority of Payments.

Termination of the Servicer and appointment of a substitute servicer

The Seller has been appointed by the Issuer as Servicer to service the Mortgage Loans. If the Servicer breaches the terms of the Servicing Agreement, then the Issuer will be entitled to terminate the appointment of the Servicer and will be entitled to appoint a substitute servicer with the assistance of the Back-up Servicer Facilitator.

There can be no assurance that a substitute servicer would be found who would be willing and able to service the Mortgage Loans on the terms of the Servicing Agreement. In particular, there can be no assurance that a substitute servicer would be willing to accept an appointment in consideration of the Servicing Fee, which is calculated as, broadly, a fixed percentage of the aggregate Current Balance of the Mortgage Portfolio. If a substitute servicer were required at a time when the Current Balance of the Mortgage Loans in the Mortgage Portfolio was relatively low, the amount of the servicing fee so calculated might be insufficient to obtain a substitute servicer. The Servicing Agreement provides that the Issuer and a potential substitute servicer (other than the Seller or a member of its corporate group) may agree a different servicing fee, which could be higher than the current fee. In addition, any substitute servicer will be required to be appropriately licensed under the CCA and, as described under "Regulation of the UK Residential Mortgage Market", a substitute servicer will also be required to be authorised with the appropriate permissions under the FSMA in order to administer Mortgage Loans that constitute regulated mortgage contracts. The ability of a substitute servicer fully to perform the required services would depend, among other things, on the information, software and records available at the time of the appointment. Any delay in the appointment of (if a substitute servicer can be found) or inability to appoint a substitute servicer may affect payments on the Mortgage Loans and hence the ability of the Issuer to make payments when due on the Notes.

Transfer of the Transaction Accounts

The Account Banks are required to satisfy certain criteria (including certain criteria and/or permissions set or required by the FCA from time to time and compliance by such Account Banks with the required Account Bank Minimum Required Rating), in order for deposits to continue to be made into the Transaction Accounts. If an Account Bank ceases to satisfy these criteria, then the relevant amounts standing credit to the Transaction Accounts held with that Account Bank may need to be transferred to the other Account Bank or another entity which does satisfy these criteria, and/or new Transaction Accounts may need to be established. In these circumstances, the new account bank may not offer a Transaction Account on terms as favourable as those provided by the previous Account Bank.

Noteholders should be aware that, in the event of the rating of an Account Bank falling below the Account Bank Minimum Required Rating, if the Issuer elects to obtain a guarantee of such Account Bank's obligations from a guarantor bank or financial institution with a rating at least equal to the Account Bank Minimum Required Rating, there will be no requirement to replace such Account Bank.

The failure to transfer the relevant amount standing credit to the Transaction Accounts from an Account Bank that no longer satisfies the required Account Bank Minimum Required Rating to one that does may increase the risk of losses on amounts held by the Issuer at the affected Account Bank and affect

the ability of the Issuer to make payments when due on the Notes, and may have an adverse effect on the ratings assigned to the Class A Notes.

For a summary of the Account Bank Minimum Required Rating, see "Cash Management – Account Bank Agreements and Bank Accounts – Account Bank Minimum Required Rating". The Custodian will be required to hold the Account Bank Minimum Required Rating pursuant to the terms of the Custody Agreement and the Swap Collateral Custody Agreement. These criteria are subject to change by the Rating Agencies.

Certain conflicts of interest involving or relating to the Arranger, the Dealer(s) and their affiliates

The Arranger, the Dealer(s) and their respective affiliates and their respective related entities, associates, officers or employees (the "**Relevant Entities**") have engaged, and may in the future engage, in investment banking and/or commercial banking transactions with, and may perform services for, the Seller. Other parties to the transaction may also perform multiple roles, including the Seller, which will act as Servicer, Cash Manager, Interest Rate Swap Counterparty and VFN Registrar.

Nothing in the Transaction Documents shall prevent any of the parties to the Transaction Documents from rendering services similar to those provided for in the Transaction Documents to other persons, firms or companies or from carrying on any business similar to or in competition with the business of any of the parties to the Transaction Documents.

Accordingly, conflicts of interest may exist or may arise as a result of parties to this transaction:

- (a) having previously engaged or in the future engaging in transactions with other parties to the transaction;
- (b) having multiple roles in this transaction; and/or
- (c) carrying out roles in other transactions for third parties.

In the event that any of the above parties were to fail to perform their obligations under the respective agreements to which they are a party, Noteholders may be adversely affected.

In addition to the interests described in this Base Prospectus, prospective investors should be aware that each of the Relevant Entities will play various roles in relation to the offering of the Notes and other offerings of securities or other funds, as described below.

The Relevant Entities may assist clients and counterparties in transactions related to the Notes (including assisting clients in future purchases and sales of the Notes and hedging transactions) and as such the Relevant Entities would expect to earn fees and other revenues from these transactions.

The Relevant Entities may act as lead managers, arrangers, placement agents and/or initial purchasers or investment managers in other transactions involving issues of residential mortgage-backed securities or other investment funds with assets similar to those of the Issuer, which may have an adverse effect on the price or value of the Notes. The Relevant Entities will not disclose specific trading positions or their hedging strategies, including whether they are in long or short positions in any Notes or obligations referred to in this Base Prospectus except where required in accordance with applicable law.

In the ordinary course of business, the Relevant Entities or customers may actively trade in and/or otherwise hold long or short positions in the Notes or enter into transactions similar to or referencing the Notes for their own accounts and for the accounts of their customers. If any of the Relevant Entities becomes an owner of any of the Notes, through market-making activity or otherwise, any actions that it takes in its capacity as owner, including voting, providing consents or otherwise will not necessarily

be aligned with the interests of other owners of the Notes. To the extent any of the Relevant Entities makes a market in the Notes (which it is under no obligation to do), it would expect to receive income from the spreads between its bid and offer prices for the Notes. In connection with any such activity, it will have no obligation to take, refrain from taking or cease taking any action with respect to these transactions and activities based on the potential effect on an investor in the Notes. The price at which any of the Relevant Entities may be willing to purchase Notes, if it makes a market, will depend on market conditions and other relevant factors and may be significantly lower than the issue price for the Notes and significantly lower than the price at which it may be willing to sell the Notes.

RISKS RELATING TO CHANGES TO THE STRUCTURE AND THE DOCUMENTS

Issuance of additional Notes may affect the timing and amounts of payments in respect of the existing Notes

The Issuer is permitted to issue Notes at any time without notice to existing Noteholders and without their consent, and such Notes may be issued with different terms from the then outstanding Notes. For a description of the conditions that must be met before the Issuer can issue Notes, see "Issuance of Notes".

The payment of interest and principal on the Notes will be funded primarily from amounts received by the Issuer from the Mortgage Portfolio. The Issuer's obligation to make payments (or part thereof) in respect of a Series and Class of Notes may rank in priority to payments of interest and principal made by the Issuer in respect of another Series and Class of Notes, subject to the terms and seniority of such payments and the dates on which they are required to be made.

The issuance of Notes by the Issuer could adversely affect the timing and amount of payments on the then outstanding Notes. For example, if Notes of the same Class as existing Notes but issued after such existing Notes have a higher interest rate than such existing Notes, this could result in a reduction in the available funds used to pay interest on the existing Notes. Also, when such Notes are issued, the voting rights of existing Notes will be diluted. Further, the issuance of Notes of the same Class as existing Notes but issued after such existing Notes which have scheduled payments on a more frequent basis than the existing Notes could result in a reduction in the available funds to make payments on the existing Notes.

The proceeds of each such issue may be used, among other things, to pay the Initial Additional Mortgage Portfolio Purchase Price to the Seller in connection with the sale to the Issuer of any Additional Mortgage Portfolio or to refinance all or part of any Series and Class of Notes then outstanding. If any Series and Class of Notes is refinanced, in whole or in part, the relevant Noteholders could be repaid early.

The terms of any Series and Class of Notes to be issued by the Issuer may result in such Notes being repaid prior to the repayment of any Notes already outstanding at the time of such issuance. Noteholders will not have any right of prior review, nor will their consent be required, prior to the issue by the Issuer of any further Series, Class of Notes or any Sub-Series of the Class A Notes.

Principal Amount Outstanding of the Seller's Note may be increased or decreased without consent of the Noteholders

The Principal Amount Outstanding of the Seller's Note may be increased or decreased without consent of the Noteholders, **provided that** it is at least equal to the Minimum Seller's Note Amount for so long as any Class A Notes (or any other Notes that are not at all times held by the Seller (or its wholly owned affiliates)) or any Class Z VFNs remain outstanding.

It should be noted that any redemption of the Seller's Note may be funded by the Issuer from consideration to which it is entitled in relation to the repurchase by the Seller of Mortgage Loans in accordance with the Seller's Note Permitted Repurchase Procedure. Any such reduction in the size of the Seller's Note will therefore affect the amount of Principal Receipts from the Mortgage Loans, and as a result may affect the timing and amount of principal repayments under the Class A Notes.

There may be a conflict between the interests of the holders of the various Classes of Notes and the interests of the holders of other Classes of Notes or other Secured Creditors

The Trust Deed and the Conditions provide that, in connection with the exercise of its trusts, authorities, powers and discretions under the Trust Deed, the Note Trustee is to have regard to the interests of the holders of all the Classes of Notes of all Series. There may be circumstances, however, where the interests of one Class of the Noteholders of any Series conflict with the interests of another Class or Classes of the Noteholders of the same or another Series. In general, the Trust Deed provides that the Note Trustee will give priority to the interests of the holders of the Class of Notes such that the Note Trustee is to have regard only to the interests of the Class A Noteholders in the event of a conflict between the interests of the Class A Noteholders on the one hand and the VFN Holders on the other hand.

There may be circumstances where the interests of a Sub-Class of the Class A Noteholders of a Series of Notes conflict with the interests of another Sub-Class of the Class A Noteholders of that Series.

The Trust Deed and the Conditions provide that where, in the sole opinion of the Note Trustee, there is such a conflict, then a resolution directing the Note Trustee to take any action must be passed at separate meetings of the holders of each such Sub-Class of the relevant Class of Notes of that Series. A resolution may only be passed at a single meeting of the Noteholders of each Sub-Class of the relevant Class of Notes of that Series if the Note Trustee is, in its absolute discretion, satisfied that there is no conflict between them.

In certain circumstances, the Note Trustee or the Security Trustee may agree to make modifications to the Transaction Documents without the prior consent of the Noteholders. The Deed of Charge provides that the Security Trustee will not, and will not be bound to, take any steps, institute any proceedings, exercise its rights and/or take any other action under or in connection with any of the Transaction Documents (including, without limitation, enforcing the Security) unless the Security Trustee is directed to do so by the Note Trustee or, if there are no Notes outstanding, the other Secured Creditors and, in each case, subject to it being indemnified and/or secured and/or prefunded to its satisfaction. In addition, where a Secured Creditor and/or any of its affiliates act in numerous capacities there may be actual or potential conflicts between (1) the interests of such Secured Creditor and/or any such affiliates in such various capacities, and (2) the interests of the Noteholders and such other Secured Creditor and/or any such affiliates.

The Seller will only be entitled to exercise their rights in respect of the Class A Notes held by them where all of the Class A Notes of such Series are held by or on behalf of or for the benefit of one or more Relevant Persons, subject to any limited conditions set out in the definition of "outstanding". Notwithstanding the foregoing, there are no restrictions on the ability of such Seller to exercise their rights in respect of any Basic Terms Modifications. There may be circumstances where the interests of The Seller as a Noteholder conflict with the interests of the other Noteholders in the same Class or Sub-Class of a Series.

Consequently, Noteholders should be aware that, in the event that any of the above conflicts of interest materialises, the relevant conflict will be resolved in accordance with the terms of the Transaction Documents and not necessarily in way that is desirable for any particular Noteholder.

The Note Trustee or the Security Trustee may agree to modifications to the Transaction Documents without the Noteholders' or other Secured Creditors' prior consent

Pursuant to the Conditions, the terms of the Trust Deed and the Deed of Charge, the Note Trustee may from time to time, without the consent or sanction of the Noteholders of any Series or other Secured Creditors, (i) concur with the Issuer or any other person or (ii) direct the Security Trustee to concur with the Issuer or any other person in making (x) any modifications to the Notes of any Series including the Conditions applicable thereto or the Transaction Documents (other than in respect of a Basic Terms Modification) or (y) any waiver or authorisation of any breach or proposed breach of any of the provisions of the Conditions, the Notes of any Series, or the Transaction Document where the Note Trustee is of the opinion that such modification, waiver or authorisation will not be materially prejudicial to the interests of any of the Noteholders of any Series or where such modification (i) is made to correct a manifest error; or (ii) is of a formal, minor or technical nature.

In addition, the Conditions provide that, subject to certain conditions being met, the Note Trustee and the Security Trustee, acting on the direction of the Note Trustee, will be obliged, without the consent or sanction of the Noteholders or, subject to receipt of the consent from each relevant Secured Creditor (as per the Conditions), to concur with the Issuer in making and/or approving any modification (other than in respect of a Basic Terms Modification) to the Notes (including the Conditions) or to any Transaction Document to which it is a party or (as applicable) in respect of which it holds security or entering into any new, supplemental or additional documents, in each case that the Issuer (or the Cash Manager on its behalf) considers necessary, **provided that** (among other things): (a) the proposed modifications would not adversely affect the then-current ratings of the Notes; (b) the Issuer has provided at least 30 calendar days' notice to the Noteholders which would be affected by the proposed modification; and (c) Noteholders representing at least 10% of the aggregate Principal Amount Outstanding of the Most Senior Class of Notes have not notified the Note Trustee or the Security Trustee that they do not consent to such modification (and investors should note that if such notification has not been provided, the modification(s) will, provided the other conditions are all met, be binding on all Noteholders).

Such modification(s) include those that are made for the purpose of: (a) complying with or implementing any change in the criteria of the Rating Agencies; (b) meeting the eligibility criteria for any funding or liquidity scheme provided by a central bank; (c) enabling the Issuer and/or the relevant Swap Counterparty to comply with any obligation which applies to it under EU EMIR and/or UK EMIR, and together with EU EMIR, "EMIR"); (d) complying with any changes in the requirements under the EU Securitisation Regulation or the UK Securitisation Framework (as applicable), the UK CRR, the EU CRR or the US Credit Risk Retention Requirements or any other risk retention legislation or regulations or official guidance; (e) enabling the Notes to be (or to remain) listed on the London Stock Exchange; (f) enabling the Issuer to comply (or continue to comply) with the provisions of Rule 17g-5 of the Securities Exchange Act 1934; (g) complying with any changes in the requirements of the EU CRA Regulation or the UK CRA Regulation after the relevant Issuance Date, including as a result of the adoption of regulatory technical standards in relation to the EU CRA Regulation or the UK CRA Regulation or regulations or official guidance in relation thereto; (h) enabling any of the Notes to comply with the relevant criteria set out in the UK LCR Regulation; (i) enabling the Issuer, the Seller or the Servicer to comply with any obligation which applies to it under the EU Securitisation Regulation or the UK Securitisation Framework, including due to adoption of technical standards for the EU Securitisation Regulation or the UK Securitisation Framework or any other such legislation or regulations or official guidance, including for enabling the Notes to comply with the criteria for simple, transparent and standardised securitisations set out in the UK Securitisation Framework or any other such legislation or regulations or official guidance; (j) complying with the applicable requirements of the UK CRR, the EU CRR, UK Solvency II or EU Solvency II after the relevant Issuance Date, including as a result of the adoption of regulatory technical standards in relation to the UK CRR, the EU CRR, UK Solvency II or EU Solvency II or regulations or official guidance; (k) amending the

Eligibility Criteria or the Portfolio Criteria solely for the purpose of the addition of a New Mortgage Loan Type to the Mortgage Portfolio; (l) amending any Mortgage Loan Warranty made by the Seller in relation to a Further Advance and/or Product Switch; (m) enabling modifications to the original Swap Agreement, the Account Bank Agreement, or the Custody Agreement in connection with the transfer of any: Swap Agreement to a replacement Swap Counterparty, Account Bank Agreement to a replacement Account Bank, or Custody Agreement to a replacement Custodian, respectively; (n) appointing additional Rating Agencies to rate any Series of Notes or any new Class of Notes (each, an "**Additional Rating Agency**") where such Additional Rating Agency is not an Initial Rating Agency; and (o) enabling the Issuer to issue Notes in the future that are subordinated to the Class A notes, but are senior to Class Z VFNs and the Seller's Note; **provided that** the relevant entity has certified to the Note Trustee and Security Trustee that such modification is required for such purpose.

Furthermore, at the request of the Issuer, the Note Trustee and the Security Trustee are required to concur with the Issuer in effecting a Ratings Modification Event without the consent of the Noteholders of any Series of Notes and without the consent of the other Secured Creditors, subject to receipt by the Note Trustee and the Security Trustee of a certificate of the Issuer signed by two of its directors certifying that the requested modifications to the Conditions applying to such Notes or any Transaction Documents are solely for that purpose, **provided that**, in each case and at all times, such Series of Notes continues to be rated by at least two Rating Agencies, and **further provided that** the Issuer has given at least 15 Business Days' notice to the holders of each relevant Series and Class of Notes of such Ratings Modification Event.

Furthermore, the Issuer may appoint any number of additional rating agencies to rate any Series of Notes or any new Class of Notes (each, an "**Additional Rating Agency**") in accordance with the procedure set out in Condition 11(f)(i)(S) (*Additional rights of modification*) (which permits a certain class of Noteholders to object to such appointment, which would make such appointment subject to the approval by an Extraordinary Resolution of the Noteholders of such class of Noteholders).

The Noteholders and other Secured Creditors will be bound by the modifications made to the Transaction Documents and/or the terms and conditions to implement any such Ratings Modification Event or the appointment of any Additional Rating Agency whether or not such modifications are materially prejudicial to the interests of Noteholders and the other Secured Creditors, **provided that** neither the Note Trustee nor the Security Trustee will be obliged to agree to any modifications made to the Transaction Documents and/or to the Conditions to implement any such Ratings Modification Event or appointment of an Additional Rating Agency which, in the sole opinion of the Note Trustee or the Security Trustee, would have the effect of (a) exposing the Note Trustee and/or the Security Trustee to any liability against which it has not been indemnified and/or secured and/or prefunded to its satisfaction; or (b) increasing the obligations or duties, or decreasing the protections of the Note Trustee and/or the Security Trustee under the Transaction Documents and/or the Conditions.

Any modifications made in the manner described above will be binding on all Noteholders. There is no guarantee that any modification to the Notes of one or more Series or Sub-Series or of any Transaction Documents will not ultimately adversely affect the rights of Noteholders or payments on the Notes.

Risks relating to the replacement of the Screen Rate

Investors should note the various circumstances in which a modification may be made to the Conditions or any other Programme Documents for the purposes of making a Benchmark Rate Modification and to the Swap Agreements for the purpose of making a Swap Rate Modification. These circumstances broadly relate to the disruption or discontinuation of the screen rate (which is expected to be SONIA for Sterling, €STR for Euro or SOFR for US Dollars), but also specifically include, among other things, any public statements by the administrator of the applicable screen rate or certain regulatory bodies that EURIBOR will be discontinued or may no longer be used. A Benchmark Rate Modification or a Swap

Rate Modification may also be made if the Issuer (or the Servicer on its behalf) reasonably expects any of these events to occur within six months of the proposed effective date of the Benchmark Rate Modification or the Swap Rate Modification, subject to certain conditions. Investors should note the various circumstances in which a Benchmark Rate Modification or a Swap Rate Modification may be made, which are specified in Condition 11(f) (*Additional rights of modification*) and should also note the various options permitted as an Alternative Benchmark Rate specified therein.

Investors should also be aware that:

- (a) if the screen rate is discontinued or is otherwise permanently unavailable and a Benchmark Rate Modification (as described in the paragraph above) has not been made, then the rate of interest on the Notes will be determined for a period by the fall-back provisions provided for under Condition 4 (*Interest*), although such provisions, being dependent in part upon the provision by Reference Banks of offered quotations for the EURIBOR rate, may not operate as intended (depending on market circumstances and the availability of rates information at the relevant time) and may result in the effective application of a fixed rate based on the rate which applied in the previous period when EURIBOR was available in respect of the applicable Series;
- (b) while an amendment may be made under Condition 11(f)(ii) (*Additional rights of modification*) to change the screen rate on the Notes to an Alternative Benchmark Rate under certain circumstances broadly related to EURIBOR dysfunction or discontinuation and subject to certain conditions, there can be no assurance that any such amendment will be made or, if made, that it will (i) fully or effectively mitigate interest rate risks or result in an equivalent methodology for determining the interest rates on the Notes; or (ii) be made prior to any date on which any of the risks described in this risk factor may become relevant (in this regard, please also refer to the risk factor above entitled "The Note Trustee or the Security Trustee may agree to modifications to the Transaction Documents without the Noteholders' or other Secured Creditors' prior consent"); and
- (c) if EURIBOR is discontinued and a Swap Rate Modification is not made, there can be no assurance that the applicable fall-back provisions under any Swap Agreements would operate so as to ensure that the rate used to determine payments under the Swap Agreements is the same as that used to determine interest payments under the Notes, or that any such amendment made under Condition 11(f)(ii) (*Additional rights of modification*) would be utilised in such a way that the transactions under the Swap Agreements to effectively mitigate interest rate risk or currency risks on the Notes in circumstances where the reference rate used in a Swap Agreement was no longer aligned with the Notes.

In addition, it should be noted that broadly divergent interest rate calculation methodologies may develop and apply as between the Mortgage Loans, the Notes and/or the Swap Agreements due to applicable fall-back provisions or other matters and the effects of this are uncertain but could include a reduction in the amounts available to the Issuer to meet its payment obligations in respect of the Notes.

Moreover, any of the above matters (including an amendment to change the base rate as described in paragraph (b) above) or any other significant change to the setting or existence of EURIBOR or any other relevant interest rate benchmark could affect the ability of the Issuer to meet its obligations under the Notes and/or could have a material adverse effect on the value or liquidity of, and the amount payable under, any of the Notes. Changes in the manner of administration of EURIBOR or any other relevant interest rate benchmark could result in adjustment to the Conditions, early redemption, discretionary valuation by the calculation agent, delisting or other consequences in relation to the Floating Rate Notes. There can be no assurance that any such amendments will be made, or if made, that they will (i) fully mitigate the interest rate risks or result in an effective replacement methodology

for determining the reference rate on the Notes; or (ii) be made prior to any date on which any of the risks described in this risk factor may become relevant.

Ratings Confirmations

The terms of certain of the Programme Documents require that certain actions proposed to be taken by the Note Trustee, Security Trustee, the Issuer and certain other parties to the Programme Documents may not proceed unless a Ratings Confirmation is received.

A written Actual Ratings Confirmation may or may not be given at the sole discretion of that Rating Agency. It should be noted that, depending on the timing of delivery of the request and any information needed to be provided as part of any such request, it may be the case that a Rating Agency cannot provide a written Actual Ratings Confirmation in the time available or at all, and the Rating Agency will not be responsible for the consequences thereof. Certain rating agencies have indicated that, as a matter of policy, they will no longer provide written Actual Ratings Confirmations.

An Actual Ratings Confirmation from the Rating Agencies, if given, will be given on the basis of the facts and circumstances prevailing at the relevant time and in the context of cumulative changes to the transaction of which the securities form part since the relevant Issuance Date. An Actual Ratings Confirmation provided by a Rating Agency represents only a restatement of the opinions given by that Rating Agency as at the relevant Issuance Date and cannot be construed as advice for the benefit of any parties to the transaction. An Actual Ratings Confirmation does not confirm that such action (i) is permitted by the terms of the Transaction Documents; or (ii) is in the best interests of, or prejudicial to, the Noteholders.

To the extent that an Actual Ratings Confirmation cannot be obtained, whether or not a proposed amendment, action, determination or appointment will ultimately take place will be determined in accordance with the provisions of the relevant Transaction Documents.

Where the Transaction Documents allow the Note Trustee or the Security Trustee to seek a Ratings Confirmation and a written request for an Actual Ratings Confirmation or response is delivered to each Rating Agency by or on behalf of the Issuer and (i) one Rating Agency indicates that it does not consider an Actual Ratings Confirmation or response necessary in the circumstances or that it does not, as a matter of practice or policy, provide such Actual Ratings Confirmation or response, or (ii) within 30 days of delivery of such request, no Actual Ratings Confirmation or response is received and/or such request elicits no statement by such Rating Agency that such Ratings Confirmation or response could not be given, then the relevant Rating Agency will be considered a "**Non-Responsive Rating Agency**", and such condition to receive a Ratings Confirmation or response from such Rating Agency will be modified so that there will be no requirement for the Actual Ratings Confirmation or response from the Non-Responsive Rating Agency if the Issuer (or the Cash Manager on its behalf) provides to the Note Trustee and the Security Trustee a Deemed Ratings Confirmation. The Note Trustee and the Security Trustee will be entitled to rely on such Deemed Ratings Confirmation without further enquiry or liability. Any Deemed Ratings Confirmation by the Issuer (or the Cash Manager on its behalf) may or may not be given at the sole discretion of the Issuer (or the Cash Manager on its behalf).

Any Deemed Ratings Confirmation delivered by the Cash Manager (on behalf of the Issuer) does not constitute an Actual Ratings Confirmation from, and is not binding on, the Rating Agencies. There is therefore a risk that a Rating Agency may not share the opinion of the Cash Manager (on behalf of the Issuer) presented in a certificate provided by the Cash Manager (on behalf of the Issuer), and that the then current ratings assigned to the Class A Notes (or the relevant Series of the Class A Notes to which the Ratings Confirmation is required to apply) are reduced, qualified, suspended or withdrawn.

The requirement for an Actual Ratings Confirmation from a Rating Agency will not apply to Notes which are not, at the relevant time, rated by that Rating Agency.

In addition, the terms of the Trust Deed provide that, in determining whether or not the exercise of any power, right, trust, authority, duty or discretion under or in relation to the Trust Deed or any of the other Issuer transaction documents is materially prejudicial to the interests of the Noteholders, the Note Trustee, acting in its sole discretion may (but will not be obliged to) have regard to such Ratings Confirmation.

Noteholders of each Series should also be aware that other Series of outstanding Notes may be rated by different Rating Agencies and consequently that any Ratings Confirmation requested in respect of any Programme-level amendments may be required from additional Rating Agencies to those rating their particular Series of Notes.

MACRO-ECONOMIC RISKS

Absence of secondary market; lack of liquidity

No assurance is provided that there is an active and liquid secondary market for the Notes, and no assurance is provided that a secondary market for the Notes will develop or, if it does develop, that it will provide Noteholders with liquidity of investment for the life of the Notes. Investors in the Notes must be prepared to hold their Notes, for an indefinite period of time, which may continue until the Final Maturity Date of those Notes, or alternatively that they may only be able to sell the Notes at a discount to the original purchase price of those Notes.

The secondary market for mortgage-backed securities similar to the Notes has, at times, experienced limited liquidity. Limited liquidity in the secondary market may have an adverse effect on the market value of mortgage-backed securities, especially those securities that are more sensitive to prepayment, credit or interest rate risk and those securities that have been structured to meet the requirements of limited categories of investors.

Potential investors should be aware that these prevailing market conditions affecting securities similar to the Notes could lead to reductions in the market value and/or a severe lack of liquidity in the secondary market for instruments similar to the Notes. Such falls in market value and/or lack of liquidity may result in investors suffering losses on the Notes in secondary resales even if there is no decline in the performance of the Mortgage Loans.

The Issuer cannot predict when these circumstances will change and whether, if and when they do change, there would be an increase in the market value and/or whether there will be a more liquid market for the Notes and instruments similar to the Notes at that time.

None of the Issuer, the Arranger or any Dealer(s) is or will be obliged to make a market for a Series of Notes issued by the Issuer.

The market continues to develop in relation to risk free rates as a reference rate for Floating Rate Notes

Where the relevant Final Terms for a Series of Floating Rate Notes identifies that the Rate of Interest for such Notes will be determined by reference to SOFR, SONIA or €STR, the Rate of Interest will be determined on the basis of the relevant reference rate as described in the applicable conditions. All such rates are based on "overnight rates". Overnight rates differ from interbank offered rates, such as EURIBOR, in a number of material respects, including (without limitation) that such rates are backwards-looking, risk-free overnight rates, whereas interbank offered rates are expressed on the basis of a forward-looking term and include a risk-element based on inter-bank lending. As such, investors should be aware that overnight rates may behave materially differently as interest reference rates for notes issued under the programme described in this base prospectus compared to interbank offered rates.

Furthermore, such risk-free rates have a limited performance history and the future performance of such risk-free rates is impossible to predict. As a consequence, no future performance of the relevant risk-free rate or the Notes referencing such risk-free rate may be inferred from any of the hypothetical or actual historical performance data. Moreover, SOFR is a secured rate and, since publication of SOFR began, daily changes in SOFR have, on occasion, been more volatile than daily changes in comparable benchmarks or other market rates. The use of overnight rates as a reference rate for securities is developing and is subject to change in terms of the substance of the calculation and in the development and adoption of market infrastructure for the issuance and trading of securities referencing such overnight rates. If the manner in which the relevant risk-free rate is calculated is changed, that change

may result in a reduction of the amount of interest payable on such Notes and the trading prices of such Notes.

Consequently, Notes referencing risk-free rates issued in the future may differ materially in terms of interest determination when compared with any previous Notes referencing risk-free rates issued under this Programme. If the market adopts a different calculation method, that could adversely affect the market value of Notes issued pursuant to this Programme. Equally in such circumstances, it may be difficult for the Issuer to find any replacement currency swap counterparty and/or interest rate swap counterparty (as the case may be) should a Currency Swap Counterparty and/or an Interest Rate Swap Counterparty need to be replaced and the relevant Floating Rate Note at that time uses an application of the risk free rate that differs from products then prepared to be hedged by any potential replacement swap counterparties. The Rate of Interest on Notes which references a risk-free rate is only capable of being determined at the end of the relevant Observation Period and immediately prior to the relevant Note Payment Date. It may be difficult for investors in Notes which reference a risk-free rate to estimate reliably the amount of interest which will be payable on such Notes. Some investors may be unable or unwilling to trade such Notes without changes to their IT systems which could adversely impact the liquidity of such Notes.

Further, for SONIA, the Bank of England released a discussion paper in February 2020 entitled "Supporting Risk-Free Rate transition through the provision of compounded SONIA" pursuant to which the Bank of England stated its intention to publish a daily SONIA compounded index and its consideration whether to publish a set of compounded SONIA period averages, an approach similar to that already taken by the Federal Reserve Bank of New York in respect of SOFR. There is no guarantee that the Bank of England will not withdraw, modify or amend any published SONIA index or index data, or that such index or averages will be widely used in the marketplace. This means that a screen rate based on an observable publicly available average rate or index may evolve over time but there is no guarantee of this.

Each risk-free rate is published and calculated by third parties based on data received from other sources and the Issuer has no control over their respective determinations, calculations or publications.

There can be no guarantee that the relevant risk-free rate (including the Compounded Daily SONIA) will not be discontinued or fundamentally altered in a manner that is materially adverse to the interests of investors in Notes linked to or which reference such risk-free rate (or that any applicable benchmark fallback provisions provided for in the Conditions will provide a rate which is economically equivalent for Noteholders). None of the Bank of England, the Federal Reserve, or the European Central Bank have an obligation to consider the interests of Noteholders in calculating, adjusting, converting, revising or discontinuing the relevant risk-free rate. It may be difficult for investors in Notes which reference such risk-free rates to reliably estimate the amount of interest which will be payable on such Notes.

Notes referencing risk-free rates may have no established trading market when issued, and an established trading market may never develop or may not be very liquid which, in turn, may reduce the trading price of the Notes or mean that investors in such Notes may not be able to sell such Notes at all or may not be able to sell such Notes at prices that will provide them with a yield comparable to similar investments that have a developed secondary market, and may consequently suffer from increased pricing volatility and market risk. Investors should consider these matters when making their investment decision with respect to any such Floating Rate Notes.

In addition, market participants and relevant working groups continue to explore alternative reference rates based on SONIA, including compounded rates and weighted average rates and observation methodologies for such rates (including so-called 'shift', 'lag' and 'lock-out') and such groups may also explore forward-looking term SONIA reference rates (which seek to measure the market's forward expectation of an average SONIA rate over a designated term).

Further, if Notes referencing a risk-free rate become due and payable as a result of an Event of Default, or are otherwise redeemed early on a date which is not a Note Payment Date, the final Rate of Interest payable in respect of such Notes will only be determined immediately prior to the date on which the Notes become due and payable.

In addition, the manner of adoption or application of risk-free rates in the bond markets may differ materially compared with the application and adoption of risk-free rates in other markets, such as the derivatives and loan markets. Investors should carefully consider how any mismatch between the adoption of such reference rates across these markets may impact any hedging or other financial arrangements which they may put in place in connection with any acquisition, holding or disposal of Notes referencing such risk-free rates.

Investors should carefully consider these matters when making their investment decision with respect to any such Notes.

Risks relating to the discontinuation of EURIBOR

EURIBOR and other interest rates or other types of rates and indices which are deemed to be "benchmarks" are the subject of ongoing national and international regulatory reform.

Separate work streams are underway in Europe to reform EURIBOR using a hybrid methodology and to provide a fall-back by reference to a Euro risk-free rate (based on a Euro overnight risk-free rate as adjusted by a methodology to create a term rate). On 13 September 2018, the working group on Euro risk-free rates recommended €STR as the new risk-free rate. €STR was published by the ECB for the first time on 2 October 2019. On 21 January 2019, the Euro risk free-rate working group published a set of guiding principles for fall-back provisions in new Euro-denominated cash products (including bonds) referencing EURIBOR and on 11 May 2021, the Euro risk free-rate working group published a set of guiding principles for fall-back trigger events and €STR-based EURIBOR fallback rates. The guiding principles indicate, among other things, that continuing to reference EURIBOR in relevant contracts (without robust fall-back provisions) may increase the risk to the Euro area financial system.

Following the implementation of any such potential reforms, the manner of administration of benchmarks may change, with the result that they may cause one or more interest rate benchmarks to disappear entirely, to perform differently than in the past (as a result of a change in methodology or otherwise), create disincentives for market participants to continue to administer or participate in certain benchmarks or have other consequences which cannot be predicted.

Any changes to EURIBOR and other interest rate benchmarks will also require compliance with the EU Benchmarks Regulation.

Under the EU Benchmarks Regulation, which applied as from 1 January 2018 in general, new requirements apply with respect to the provision of a wide range of benchmarks (including EURIBOR), the contribution of input data to a benchmark and the use of a benchmark within the EU. In particular, the EU Benchmarks Regulation will, among other things, (a) require benchmark administrators to be authorised or registered (or, if non-EU-based, to be subject to an equivalent regime or otherwise recognised or endorsed) and to comply with extensive requirements in relation to the administration of benchmarks, and (b) prevent certain uses by EU-supervised entities of benchmarks of administrators that are not authorised or registered (or, if non-EU based, deemed equivalent or recognised or endorsed). The UK Benchmarks Regulation, among other things, applies to the provision of benchmarks and the use of a benchmark in the UK. Similarly, it prohibits the use in the UK by UK-supervised entities of benchmarks of administrators that are not authorised by the FCA or registered on the FCA register (or, if non-UK based, not deemed equivalent or recognised or endorsed). The EU Benchmarks Regulation and the UK Benchmarks Regulation could have a material impact on any Notes linked to or referencing a particular benchmark, if the methodology or other terms of the benchmark are changed in order to

comply with the requirements of the UK Benchmarks Regulation or the EU Benchmarks Regulation, as applicable. Such changes could, among other things, have the effect of reducing, increasing or otherwise affecting the volatility of the published rate or level of the relevant benchmark. These reforms and other pressures may cause one or more interest rate benchmarks to disappear entirely, to perform differently than in the past (as a result of a change in methodology or otherwise), create disincentives for market participants to continue to administer or participate in certain benchmarks or have other consequences which cannot be predicted.

The administrators of SONIA or SOFR are not currently required to obtain authorisation/registration and SONIA or SOFR do not fall within the scope of the EU Benchmarks Regulation or the UK Benchmarks Regulation by virtue of Article 2 of each of these regulations.

Changes in the manner of administration of the interest rates by EURIBOR could result in adjustment to the Conditions, early redemption, delisting or other consequences in relation to the Notes. No assurance may be provided that relevant changes will not occur with respect to EURIBOR or SONIA or any other relevant interest rate benchmark and/or that such benchmarks will continue to exist. Investors should consider these matters when making their investment decision with respect to the Notes.

The issuance of unsolicited ratings on the Notes could adversely affect the market value of and/or liquidity of the Notes

Credit rating agencies that have not been engaged to rate Notes issued by the Issuer (a "Non-Hired NRSRO") may issue unsolicited credit ratings on such Notes (or issue other commentary on one or more classes of the Notes) at any time, in each case relying on information they receive pursuant to Rule 17g-5 under the Exchange Act, or otherwise. Any unsolicited ratings (or other commentary) by a Non-Hired NRSRO in respect of the Notes may differ from the ratings expected to be assigned by the Relevant Rating Agencies in respect of such Notes and may not be reflected in any Final Terms. Any requirement for a Ratings Confirmation pursuant to the terms of the Programme Documents will not include a requirement to receive a confirmation from any Non-Hired NRSRO. Issuance of an unsolicited rating which is lower (or commentary that implies a lower rating) by a Non-Hired NRSRO than the ratings assigned by Relevant Rating Agencies in respect of the Class A Notes may adversely affect the market value and/or the liquidity of the Notes. In addition, if the Issuer fails to make available to the Non-Hired NRSROs any information provided to the Relevant Rating Agencies for the purpose of assigning or monitoring the ratings on the Notes, one or more of the Relevant Rating Agencies could withdraw their ratings on the Notes, which could adversely affect the market value of the Notes and/or the liquidity of the Notes.

The Issuer will select two or more Rating Agencies to rate each Series of Class A Notes, as specified in the related Final Terms. There can be no assurance that, had the Issuer selected other rating agencies to rate such Class A Notes, the ratings that such rating agencies would have ultimately assigned to those such Class A Notes would have been equivalent to those assigned by the Relevant Rating Agencies in respect to the relevant Series and Classes of Notes (subject to the Ratings Modification Event or appointment of an Additional Rating Agency). Neither the Issuer nor any other person or entity will have any duty to notify Noteholders if any Non-Hired NRSRO issues, or delivers notice of its intention to issue, unsolicited ratings (or other commentary) on any Notes. Furthermore, the SEC may determine that one or more of the Rating Agencies engaged by the Issuer no longer qualifies as a nationally recognised statistical rating organisation, or is no longer qualified to rate the Notes, and that determination may have an adverse effect on the liquidity, market value and regulatory characteristics of the Notes.

RISKS RELATING TO THE ISSUER

Insolvency proceedings and subordination provisions

There is uncertainty as to the validity and/or enforceability of a provision which, based on contractual (such as the contractual Priority of Payments as contemplated in this transaction) and/or trust principles, subordinates certain payment rights of a creditor to the payment rights of other creditors of its counterparty upon the occurrence of insolvency proceedings relating to that creditor. In particular, several cases have focused on provisions involving the subordination of a swap counterparty's payment rights in respect of certain termination payments upon the occurrence of insolvency proceedings or other default on the part of such counterparty (so called "flip clauses"). Such provisions are similar in effect to the terms included in the Transaction Documents relating to the subordination of Interest Rate Swap Excluded Termination Amounts payable in respect of the Interest Rate Swap or any replacement interest rate swap transaction.

The English Supreme Court has held in *Belmont Park Investments Pty Limited v BNY Corporate Trustee Services Ltd and Lehman Brothers Special Financing Inc* [2011] UKSC 38 that a flip clause as described above is valid under English law. Contrary to this, however, the US Bankruptcy Court has held that such a subordination provision is unenforceable under US bankruptcy law and that any action to enforce such provision would violate the automatic stay which applies under such law in the case of a US bankruptcy of the counterparty. However, a subsequent 2016 US Bankruptcy Court decision held that in certain circumstances flip clauses are protected under the US Bankruptcy Code and therefore enforceable in bankruptcy. The 2016 decision was affirmed on 14 March 2018 by the US District Court for the Southern District of New York, which 2018 decision was further affirmed on 11 August 2020 by the US Court of Appeals for the Second Circuit. The implications of this conflicting judgment remain unresolved.

If a creditor of the Issuer (such as the Interest Rate Swap Counterparty) or a related entity becomes subject to insolvency proceedings in any jurisdiction outside England and Wales (including, but not limited to, the US), and it is owed a payment by the Issuer, a question arises as to whether the insolvent creditor or any insolvency official appointed in respect of that creditor could successfully challenge the validity and/or enforceability of subordination provisions included in the English law-governed Transaction Documents (such as a provision of the Priority of Payment which refers to the ranking of a swap provider's payment rights in respect of Interest Rate Swap Excluded Termination Amounts). In particular, based on the decision of the US Bankruptcy Court referred to above, there is a risk that such subordination provisions would not be upheld under US bankruptcy laws. Such laws may be relevant in certain circumstances with respect to any replacement swap counterparty, depending on certain matters in respect of that entity.

In general, if a subordination provision included in the Transaction Documents was successfully challenged under the insolvency laws of any relevant jurisdiction outside England and Wales and any relevant foreign judgment or order was recognised by the English courts, there can be no assurance that such actions would not adversely affect the rights of the Class A Noteholders, the market value of the Class A Notes and/or the ability of the Issuer to satisfy its obligations under the Class A Notes.

Lastly, given the general relevance of the issues under discussion in the judgments referred to above and that the Transaction Documents include terms providing for the subordination of the Interest Rate Swap Excluded Termination Amounts, there is a risk that the final outcome of the dispute in such judgments (including any recognition action by the English courts) may result in negative rating pressure in respect of the Class A Notes. If any rating assigned to the Class A Notes is lowered, the market value of the Class A Notes may reduce.

English law security and insolvency considerations

The Issuer will enter into the Deed of Charge pursuant to which it will grant the Security in respect of certain of its obligations, including its obligations under the Notes (as to which, see "Security for the Issuer's Obligations"). In certain circumstances, including the occurrence of certain insolvency (or certain pre-insolvency) events in respect of the Issuer, the ability to realise the Security may be delayed and/or the value of the security impaired. In particular, it should be noted that significant changes to the UK insolvency regime have been enacted under the Corporate Insolvency and Governance Act 2020. The changes include, among other things: (i) the introduction of a new moratorium regime that certain eligible companies can obtain which will prevent creditors taking certain action against the company for a specified period; (ii) a ban on the operation of or exercise of *ipso facto* clauses preventing (subject to exemptions) termination, variation or exercise of other rights under a contract due to a counterparty entering into certain insolvency or restructuring procedures; and (iii) a new compromise or arrangement under Part 26A of the Companies Act 2006 (the "**Restructuring Plan**") that provides for ways of imposing a restructuring on creditors and/or shareholders without their consent (so-called cross-class cram-down procedure), subject to certain conditions being met and with a court adjudicating on the fairness of the restructuring proposal as a whole in determining whether or not to exercise its discretionary power to sanction the Restructuring Plan. While the Issuer is expected to be exempt from the application of the new moratorium regime and the ban on *ipso facto* clauses, there is no guidance on how the new legislation will be interpreted and the Secretary of State may by regulations modify the exceptions. For the purposes of the Restructuring Plan, it should also be noted that there are currently no exemptions, but the Secretary of State may by regulations provide for the exclusion of certain companies providing financial services, while the UK government has expressly provided for changes to the Restructuring Plan to be effected through secondary legislation, particularly in relation to the cross-class cram-down procedure. It is therefore possible that aspects of the legislation may change. While the transaction structure is designed to minimise the likelihood of the Issuer becoming insolvent and/or subject to pre-insolvency restructuring proceedings, no assurance can be given that any modification of the exceptions from the application of the new insolvency reforms referred to above will not be detrimental to the interests of the Noteholders and there can be no assurance that the Issuer will not become insolvent and/or the subject of insolvency or pre-insolvency restructuring proceedings and/or that the Noteholders would not be adversely affected by the application of insolvency laws (including English insolvency laws or the laws affecting the creditors' rights generally).

In addition, it should be noted that, to the extent that the assets of the Issuer are subject only to a floating charge (including any fixed charge characterised by the courts as a floating charge), in certain circumstances under the provisions of sections 174A, 176ZA and 176A of the Insolvency Act 1986, certain floating charge realisations which would otherwise be available to satisfy the claims of secured creditors under the Deed of Charge may be used to satisfy any expenses of the insolvency proceeding, or the claims of unsecured creditors or creditors who otherwise take priority over floating charge recoveries. While certain of the covenants given by the Issuer in the Transaction Documents are intended to ensure it has no significant creditors other than the secured creditors under the Deed of Charge, it will be a matter of fact as to whether the Issuer has any other such creditors at any time. There can be no assurance that the Noteholders will not be adversely affected by any such reduction in floating charge realisations upon the enforcement of the Security.

Fixed charges may take effect under English law as floating charges

Pursuant to the terms of the Deed of Charge, the Issuer has purported to grant fixed charges in favour of the Security Trustee over, among other things, its interests in the Mortgages and their respective Related Security, the Issuer's interest in its bank accounts maintained with the Account Bank and the Swap Collateral Account Bank, the Issuer's beneficial interests in the Collection Accounts and the Issuer's interest in all Authorised Investments purchased from time to time.

The law in England and Wales relating to the characterisation of fixed charges is unsettled. There is a risk that a court could determine that the fixed charges purported to be granted by the Issuer take effect under English law as floating charges only, if, for example, it is determined that the Security Trustee does not exert sufficient control over the charged property for the security to be said to constitute fixed charges. If the charges take effect as floating charges instead of fixed charges, then, as a matter of law, certain claims would have priority over the claims of the Security Trustee in respect of the floating charge assets. Monies paid into accounts or derived from those assets could be diverted to pay preferential creditors and certain other liabilities where a receiver, liquidator or administrator is to be appointed in respect of the relevant company in whose name the account is held.

Liquidation expenses

On 6 April 2008, a provision in the Insolvency Act 1986 came into force which effectively reversed by statute the House of Lords' decision in the case of *Leyland Daf* in 2004. Accordingly, the costs and expenses of a liquidation (including certain tax charges) will be payable out of floating charge assets in priority to the claims of the floating charge-holder. In respect of certain litigation expenses of the liquidator only, this is subject to approval of the amount of such expenses by the floating charge-holder (or, in certain circumstances, the court) pursuant to Rules 6.44 to 6.48 and Rules 7.111 to 7.116 of the Insolvency (England and Wales) Rules 2016 (as amended) in the case of voluntary winding up and compulsory winding up by the court, respectively.

As a result of the changes described above, upon the enforcement of the floating charge security granted by the Issuer, floating charge realisations which would otherwise be available to satisfy the claims of the Secured Creditors under the Deed of Charge may be reduced by at least a significant proportion of any liquidation or administration expenses. There can be no assurance that the Noteholders will not be adversely affected by such a reduction in floating charge realisations.

UK Taxation Position of the Issuer

The Issuer has been advised that it should, once the Notes have been issued and provided that the Notes are issued in accordance with the terms prescribed hereunder, fall within the permanent regime for the taxation of securitisation companies (as set out in the Taxation of Securitisation Companies Regulations 2006 (SI 2006/3296) (as amended) (the "**Securitisation Tax Regulations**")), and as such should be taxed only on the amount of its "retained profit" (as that term is defined in the Securitisation Tax Regulations), for so long as it satisfies the conditions of the Securitisation Tax Regulations. However, if the Issuer does not in fact satisfy the conditions to be taxed in accordance with the Securitisation Tax Regulations (or subsequently ceases to satisfy those conditions), then the Issuer may be subject to tax liabilities not contemplated in the cashflows for the transaction described in this Base Prospectus. Any such tax liabilities may reduce amounts available to the Issuer to meet its obligations under the Notes and may result in investors receiving less interest and/or principal than expected.

CERTAIN REGULATORY REQUIREMENTS

THE UK SECURITISATION FRAMEWORK

UK risk retention rules

The Seller as originator will retain for the life of the transaction a material net economic interest of not less than 5% in the securitisation as required by Article 6(1) of Chapter 2 of the PRA Securitisation Rules (the "**UK Risk Retention Rules**"). As at the Programme Date, this requirement will be satisfied by the retention of the Minimum Seller's Note Amount that will not be less than 5% of the nominal value of securitised exposures in accordance with Article 6(3)(b) of Chapter 2 of the PRA Securitisation Rules (the "**UK Retained Interest**"). Any change to the manner in which such interest is held will be notified to the Note Trustee and the Noteholders in accordance with the applicable Conditions and the requirements of SECN 6.2.1R(7)(c) and Article 7(1)(g)(iii) of Chapter 2 of the PRA Securitisation Rules. The Seller's UK Retained Interest will be confirmed through the disclosure in the UK SR Investor Report.

The Seller has provided a corresponding undertaking with respect to the UK Retained Interest as specified in the introductory paragraph above to the Issuer, the Security Trustee and the Note Trustee on behalf of the Noteholders pursuant to the Deed of Charge. The Note Trustee shall have the benefit of certain protections contained in the Trust Deed in relation to the compliance by the Seller with such undertaking.

UK transparency requirements

For the purposes of SECN 6.3.1R(1) and Article 7(2) of Chapter 2 of the PRA Securitisation Rules, the Seller as originator has been designated as the entity responsible for compliance with the UK Transparency Rules and will either fulfil such requirements itself or shall procure that such requirements are complied with on its behalf subject always to any requirement of law and **provided that** the Seller will not be in breach of such undertaking if the Seller fails to so comply due to events, actions or circumstances beyond the Seller's control.

The information required to be made available for the purposes of SECN 6.2.1R(1) and Article 7(1) of Chapter 2 of the PRA Securitisation Rules will be published or made otherwise available by the Seller to the Issuer, the Servicer, the Note Trustee, the Security Trustee, the Noteholders, the relevant competent authorities, the Rating Agencies and, upon request, potential investors in the Notes, by means of the UK Securitisation Repository.

The Seller will prepare and publish or procure the preparation and publication of:

- (a) a UK SR Investor Report in respect of the relevant period, as required by and in accordance with the UK Transparency Rules and provided that the first UK SR Investor Report for each Series of Notes shall be published no later than one month from the first Note Payment Date in relation to that Series of Notes;
- (b) prior to the pricing date of each Series of Notes upon request and thereafter on a quarterly basis and simultaneously with the UK SR Investor Report, the UK SR Loan Level Report in respect of the relevant period as required by and in accordance with the UK Transparency Rules and provided that the first UK SR Loan Level Report for each Series of Notes shall be published no later than one month from the first Note Payment Date in relation to that Series of Notes;
- (c) make available the documents as required by SECN 6.2.1R(2) and Article 7(1)(b) of Chapter 2 of the PRA Securitisation Rules (in draft form) prior to the pricing date of each Series of Notes

and in final form, if applicable, at the latest 15 days after the relevant Issuance Date in relation to that Series of Notes;

- (d) without delay any UK Inside Information/Significant Event Report as required by and in accordance with the UK Transparency Rules;
- (e) each UK STS Notification (in draft form) prior to the pricing of a Series of Notes (as applicable) and in final form at the latest 15 days after the relevant Issuance Date in relation to that Series of Notes.

The Seller undertakes that it will:

- (a) procure that the information referred to above is made available to the Noteholders, the FCA, the Bank of England, the PRA and/or the UK Pensions Regulator and, upon request, to potential investors and provided in a manner consistent with the requirements of the UK Transparency Rules by means of the UK Securitisation Repository;
- (b) provide information to and to comply with written confirmation requests of the UK Securitisation Repository, as required under the UK Securitisation Repository Operational Standards.
- (a) additionally, the Seller will prepare or procure the preparation of the Bank of England Investor Reports and the Bank of England Loan Level Report and each Bank of England Report shall be made available via the UK Securitisation Repository of which:
 - (i) each Bank of England Investor Report shall be made available by no later than five (5) Business Days after the 23rd day of each calendar month; and
 - (ii) each Bank of England Loan Level Report shall be made available no later than one month following the Note Payment Date.

For the avoidance of doubt, the UK Securitisation Repository (and the contents thereof) does not form part of this Base Prospectus.

The designation of the Seller as the designated reporting entity does not relieve the Seller nor the Issuer from its respective reporting obligations under the FCA Transparency Rules.

Investors to assess compliance

In accordance with the applicable investor due diligence requirements of the UK Securitisation Framework as prescribed under Article 5 of Chapter 2 of the PRA Securitisation Rules ("**PRA Due Diligence Rules**"), SECN 4 ("**FCA Due Diligence Rules**") and regulations 32B, 32C and 32D of the 2024 UK SR SI ("**OPS Due Diligence Rules**", where OPS means an occupational pension scheme as defined in section 1(1) of the Pension Schemes Act 1993 that has its main administration in the United Kingdom), collectively the "**UK Due Diligence Rules**", each prospective investor is required to independently assess and determine the sufficiency of the information described above and in this Base Prospectus and the related Final Terms generally for the purposes of complying with each of the UK Due Diligence Rules (respectively), and none of the Issuer, the Seller, the Arranger or the Dealer(s) makes any representation that the information described above or in this Base Prospectus and any Final Terms is sufficient in all circumstances for such purposes. In addition, each prospective investor should ensure that they comply with the UK Due Diligence Rules. Investors who are uncertain as to the requirements which apply to them in respect of their relevant jurisdiction, should seek guidance from their regulator.

See further "Risk Factors - Legal and Regulatory Risks relating to the Structure and the Notes – Regulatory initiatives may result in increased regulatory capital requirements and/or decreased liquidity in respect of the Notes" and "Simple, Transparent and Standardised Securitisations and UK STS Designation" below for further information on the implications of the UK Risk Retention Rules and the UK Securitisation Framework.

Information regarding the policies and procedures of the Seller

The Seller has internal policies and procedures in relation to the granting of credit, administration of credit-risk bearing portfolios and risk mitigation as required by SECN 8.2 and Article 9(1) of Chapter 2 of the PRA Securitisation Rules. The policies and procedures of the Seller in this regard broadly include the following:

- (a) criteria for the granting of credit and the process for approving, amending, renewing and refinancing credits, as to which see the information set out under "The Mortgage Loans and the Mortgage Portfolio – Origination channels" and "The Mortgage Loans and the Mortgage Portfolio – Lending Criteria", "The Servicer and the Servicing Agreement";
- (b) systems in place to administer and monitor the various credit-risk bearing portfolios and exposures. The Mortgage Portfolio will be serviced in line with the usual servicing procedures of the Seller, as to which see the information set out under "The Servicer and the Servicing Agreement";
- (c) diversification of credit portfolios taking into account the Seller's target market and overall credit strategy; and
- (d) policies and procedures in relation to risk mitigation techniques, as to which see the information set out under "The Mortgage Loans and the Mortgage Portfolio – Origination channels" and "The Mortgage Loans and the Mortgage Portfolio – Lending Criteria", "The Servicer and the Servicing Agreement".

The Seller has applied the same policies, procedures and sound and well-defined criteria for the Mortgage Loans as they apply to equivalent mortgage loans that are not part of the Mortgage Portfolio, as to which please see "The Mortgage Loans and the Mortgage Portfolio – Lending Criteria".

Simple, Transparent and Standardised Securitisations

The Seller in its capacity as originator for the purposes of the UK Securitisation Framework, may procure that a UK STS Notification is submitted to the FCA, in accordance with SECN 2.5, confirming that the UK STS Criteria Requirements have been satisfied with respect to the issuance of a Series and Class of Notes. Each UK STS Notification in respect of each relevant Series and Class of Notes' compliance with the UK STS Criteria Requirements will be available for inspection on the FCA STS Register website and the UK Securitisation Repository. The UK STS status of any Series and Class of Notes is not static and prospective investors should verify the current status of such Notes on the FCA STS Register website.

Verification of data

Prior to the issuance of any Series or Classes of Notes, the Seller may cause a sample of the Mortgage Loans included in the Mortgage Portfolio (including the data disclosed in the applicable Final Terms in respect of the Mortgage Loans) to be subject to external verification by one or more appropriate and independent third parties (such as a review of a representative sample of loans based on agreed upon procedures and/or a verification of the stratification tables set out in the applicable Final Terms), the details of which will be set out in the applicable Final Terms.

Liability cashflow model

The Seller will make available a liability cashflow model, either directly or indirectly, through one or more entities which provide such liability cashflow models to investors generally, the details of which will be set out in the applicable Final Terms. The Seller will procure that such liability cashflow model (a) precisely represents the contractual relationship between the Mortgage Loans and the payments flowing between the Seller, investors in the Notes, other third parties and the Issuer, and (b) is made available to (i) prior to pricing of the notes, potential investors, and (ii) on an ongoing basis, investors in the Notes and to potential investors in the Notes upon request.

Authorised verification agent

With respect to a UK STS Notification, the Seller may obtain an assessment from PCS UK (or another third party verification agent) as an authorised verification agent authorised under Regulation 25 of the 2024 UK SR SI ("**Authorised Verification Agent**") to assess whether any Series or Classes of Notes comply with the UK STS Criteria Requirements (a "**UK STS Assessment**"). If an Authorised Verification Agent is appointed to prepare an UK STS Assessment with respect to any Notes issued under the Programme, the name of such agent will be disclosed in the relevant UK STS Notification (and the relevant Final Terms) and the corresponding UK STS Assessment will be publicly available.

THE EU SECURITISATION REGULATION

EU risk retention requirements

The Seller will:

- (a) retain, on an ongoing basis, a material net economic interest of not less than 5% in the securitisation as required by Article 6 of the EU Securitisation Regulation (as if it were applicable to the Seller and solely as it applies as at the most recent Issuance Date) (the "**EU Risk Retention Requirements**");
- (b) at all relevant times comply with the requirements of Article 7(1)(e) of the EU Securitisation Regulation by confirming in the EU SR Investor Report the risk retention of the Seller as contemplated by Article 6 of the EU Securitisation Regulation (in each case, as if it were applicable to the Seller and solely as it applies as at the most recent Issuance Date);
- (c) not change the manner in which it retains such material net economic interest, except to the extent permitted by the EU Securitisation Regulation (as if it were applicable to the Seller and solely as it applies as at the most recent Issuance Date); and
- (d) not sell, hedge or otherwise enter into any credit risk mitigation, short position or any other credit risk hedge with respect to its retained material net economic interest, except to the extent permitted by the EU Securitisation Regulation (as if it were applicable to the Seller and solely as it applies as at the most recent Issuance Date).

The Seller intends to satisfy the EU Risk Retention Requirements through the retention of the Minimum Seller's Note Amount which will not be less than 5% of the then nominal value of each of the securitised exposures in accordance with Article 6(3)(b) of the EU Securitisation Regulation (as if it were applicable to the Seller and solely as it applies as at the most recent Issuance Date) (the "**EU Retained Interest**"). Any change to the manner in which such interest is held will be notified to the Issuer, the Note Trustee and the Noteholders in accordance with the Conditions.

EU transparency requirements

Subject to certain conditions, the Seller has contractually agreed to provide (or to procure the provision of) certain information and reports required pursuant to Article 7 of the EU Securitisation Regulation (as if it were applicable to the Seller and solely as it applies as at the most recent Issuance Date). The Issuer has appointed the Seller to perform any obligations that the Issuer may have under Article 7 of the EU Securitisation Regulation (as if it were applicable to the Issuer and the Seller and solely as it applies as at the most recent Issuance Date) subject always to any requirement of law, and (i) provided that the Seller will not be in breach of such undertaking if the Seller fails to so comply due to events, actions or circumstances beyond the Seller's control and (ii) the Seller is only required to do so to the extent that the relevant disclosure requirements under Article 7 of the EU Securitisation Regulation (as if it were applicable to the Issuer and the Seller and solely as it applies as at the most recent Issuance Date) remain in effect. See further "The Servicer and the Servicing Agreement – Covenants and Representations and Warranties of the Servicer" and "Cash Management – Cash Management Agreement – Reporting".

The Seller has contractually agreed to prepare and publish or procure the preparation and publication of:

- (a) an EU SR Investor Report in respect of the relevant period, as required by and in accordance with the EU Securitisation Regulation (as if it were applicable to the Issuer and the Seller and

solely as it applies as at the most recent Issuance Date) and provided that the first EU SR Investor Report for each Series of Notes shall be published no later than one month from the first Note Payment Date in relation to that Series of Notes;

- (b) prior to the pricing date of each Series of Notes upon request and thereafter on a quarterly basis and simultaneously with the EU SR Investor Report, an EU SR Loan Level Report in respect of the relevant period as required by and in accordance with the EU Securitisation Regulation (as if it were applicable to the Issuer and the Seller and solely as it applies as at the most recent Issuance Date) and provided that the first EU SR Loan Level Report for each Series of Notes shall be published no later than one month from the first Note Payment Date in relation to that Series of Notes;
- (c) make available the documents required by Article 7(1)(b) of the EU Securitisation Regulation (as if it were applicable to the Issuer and the Seller and solely as it applies as at the most recent Issuance Date) (if draft form) prior to the pricing date of each Series of Notes (and in final form, if applicable, at the latest 15 days after the relevant Issuance Date in relation to that Series of Notes); and
- (d) without delay any EU Significant Event Report as required by and in accordance with the EU Securitisation Regulation (in each case, as if it were applicable to the Issuer and the Seller and solely as it applies as at the most recent Issuance Date).

The Seller undertakes that it will procure that the information referred to above is made available to the Issuer, the Servicer, the Note Trustee, the Security Trustee, the Noteholders, the relevant competent authorities, the Rating Agencies and, upon request, potential investors in the Notes, on the EU Reporting Website.

For the avoidance of doubt, the EU Reporting Website (and the contents thereof) does not form part of this Base Prospectus.

The designation of the Seller as the designated reporting entity does not relieve the Seller or the Issuer from its reporting obligations under Article 7(1) of the EU Securitisation Regulation (as if it were applicable to the Issuer and the Seller and solely as it applies as at the most recent Issuance Date).

Investors to assess compliance

In accordance with Article 5 of the EU Securitisation Regulation, each prospective investor is required to independently assess and determine the sufficiency of the information described above and in this Base Prospectus and the related Final Terms generally for the purposes of complying with each of Article 6, Article 7 and Article 9 of the EU Securitisation Regulation, and none of the Issuer, the Seller, the Arranger or any Dealer(s) makes any representation that the information described above or in this Base Prospectus and any Final Terms is sufficient in all circumstances for such purposes. In addition, each prospective investor should ensure that it complies with the implementing provisions in respect of Article 6, Article 7 and Article 9 of the EU Securitisation Regulation in its relevant jurisdiction. Investors who are uncertain as to the requirements which apply to them in respect of their relevant jurisdiction should seek guidance from their regulator. See further "Risk Factors – Regulatory initiatives may result in increased regulatory capital requirements and/or decreased liquidity in respect of the Notes" above for further information on the implications of the EU Risk Retention Requirements and the EU Securitisation Regulation.

Information regarding the policies and procedures of the Seller

As required by Article 9(1) of the EU Securitisation Regulation (as if it were applicable to the Seller and solely as it applies as at the most recent Issuance Date), the Seller has applied the same sound and

well-defined credit-granting criteria for the Mortgage Loans as it has applied to equivalent Mortgage Loans that are not part of the Mortgage Portfolio. In particular:

- (a) the Seller has applied the same clearly established processes for approving and, where relevant, amending, renewing and refinancing Mortgage Loans as it has applied to equivalent mortgage loans that are not part of the Mortgage Portfolio; and
- (b) the Seller has effective systems in place to apply those criteria and processes in order to ensure that credit-granting is based on a thorough assessment of the Borrower's creditworthiness taking appropriate account of factors relevant to verifying the prospect of the Borrower meeting its obligations under the Mortgage Sale Agreement,

as to which please see "The Mortgage Loans and the Mortgage Portfolio – Lending Criteria".

US CREDIT RISK RETENTION

For so long as any Rule 144A Notes are outstanding, the Seller, as the "sponsor" of a "securitization transaction", will be required under the US Credit Risk Retention Requirements to retain an economic interest in the credit risk of the securitized assets of the Issuer in an amount not less than 5%.

In such capacity, the Seller intends to satisfy the US Credit Risk Retention Requirements by retaining and maintaining (either directly or through one or more wholly owned affiliates) a "seller's interest" (as defined in the US Credit Risk Retention Requirements) in the form of the Seller's Note, which seller's interest will be in a minimum amount equal to at least 5% of the aggregate unpaid principal amount of the outstanding Notes of all Series issued by the Issuer, other than any Notes that are at all times held by the Seller (or one or more of the Seller's wholly owned affiliates), calculated in all cases in accordance with the US Credit Risk Retention Requirements and measured at the Issuance Date of each issuance of Notes and on each Payment Date for so long as any Rule 144A Notes are outstanding. As used herein the term "Notes" does not include the Seller's Note. For purposes of the foregoing, a "**wholly owned Affiliate**" of the Seller will include any entity (other than the Issuer) that, directly or indirectly, wholly controls, is wholly controlled by, or is wholly under common control with, the Seller, and "**wholly controls**" means ownership of 100% of the equity of the relevant entity.

The amount of the Seller's Note will be calculated for these purposes as a percentage of the aggregate principal amount outstanding of all Notes issued by the Issuer, other than any Notes that are at all times held by the Seller or one or more of its wholly owned affiliates, as of the Issuance Date of each issuance of Notes (after any sale of Mortgage Loans to the Issuer on that date) and on each Payment Date for so long as any Rule 144A Notes are outstanding (each, a "**Retention Calculation Date**"). If on any Retention Calculation Date, the Seller's Note is less than 5% of such amount and if such percentage is not increased to at least 5% of such amount within one month after such Retention Calculation Date, the US Credit Risk Retention Requirements will not be satisfied. See "The VFNs – Seller's Note" for a description of how the amount of the Seller's Note is computed.

In the Bank of England Investor Report, relevant information with regard to the US Credit Risk Retention Requirements will be disclosed in accordance with applicable disclosure requirements for so long as any Rule 144A Notes are outstanding.

For each issuance of a Series and Class of Notes, the related Final Terms will specify the amount and the percentage of the Seller's Note that the Seller expects to hold at the issuance of such Series and Class of Notes. Such calculation will be based on the outstanding principal amount of all Notes as of the immediately preceding Note Payment Date, or such other specified date such date being not more than 60 or, where the payment dates are quarterly (or less frequent), 135 days prior to the date of first use of this Base Prospectus (together with the related Final Terms) for such Series with investors, adjusted to reflect the hypothetical issuance of Notes on such Issuance Date. Any material difference in the amount of the seller's interest retained at the Issuance Date of any offering of Notes from the expected seller's interest disclosed in the relevant Final Terms will be disclosed in the first Bank of England Investor Reports following the relevant Issuance Date for so long as any Rule 144A Notes are outstanding. For the purposes of the above calculation, the Seller may exclude the amount of any Notes intended to be held at all times by the Seller (or its wholly owned affiliates) as permitted under the US Credit Risk Retention Requirements. As such retention is at the Programme level, the Seller will provide details in the relevant Final Terms for so long as any Rule 144A Notes are outstanding irrespective of whether such offering of Notes is pursuant to Regulation S or Rule 144A.

In addition to the above, for so long as any Rule 144A Notes are outstanding, the Seller will not purchase, transfer or sell any Notes, or enter into any derivative, agreement or position, which in either case would reduce or limit its financial exposure in respect of the seller's interest that it will maintain to satisfy the US Credit Risk Retention Requirements to the extent such activities would be prohibited

hedging activities in accordance with the US Credit Risk Retention Requirements. Subject to compliance with the US Credit Risk Retention Requirements, the Seller may hedge or finance the Seller's Note, but such financing must be full recourse to the Seller. In the event that there is an event of default under a secured financing of the Seller's Note, the Seller's Note may be subject to foreclosure, and in such instance, the Seller may be out of compliance with the US Credit Risk Retention Requirements.

If the Seller fails to retain credit risk in accordance with the US Credit Risk Retention Requirements, the price and liquidity of the Notes in the secondary market may be adversely impacted. However, investors should note that, pursuant to Section 5(l) of the US Credit Risk Retention Requirements, the US Credit Risk Retention Requirements will not be violated following the decrease of the seller share below 5% of the aggregate outstanding principal balance of the Notes of all Series issued by the Issuer, other than any Notes that are at all times held by the Seller (or one or more of its wholly owned affiliates), if, following the occurrence of an Asset Trigger Event and/or for as long as a Non-Asset Trigger Event is continuing, all Bullet Redemption Notes and Controlled Amortisation Notes have become Pass-Through Redemption Notes and the Seller was in compliance with the US Credit Risk Retention Requirements at the time when such Bullet Redemption Notes and Controlled Amortisation Notes became Pass-Through Redemption Notes, and no additional Notes are issued thereafter.

In the future, the Seller may elect to comply with the US Credit Risk Retention Requirements through any other means permitted thereunder. In making such election, the Seller will comply with the provisions of the US Credit Risk Retention Requirements, including applicable disclosure requirements.

Notwithstanding any references in this Base Prospectus to the US Credit Risk Retention Requirements, the Seller and other risk retention related matters, in the event the US Credit Risk Retention Requirements (or any relevant portion thereof) are repealed or determined by applicable regulatory agencies to be no longer applicable to the Programme, neither the Seller nor any other party will be required to comply with or act in accordance with the US Credit Risk Retention Requirements (or such relevant portion thereof).

US REGULATORY CONSIDERATIONS

Volcker Rule Considerations

The Issuer is of the view that it is not now, and immediately following the issuance of the Notes and the application of the proceeds thereof, will not be, a "covered fund" as defined in the Volcker Rule. Although other statutory or regulatory exclusions or exemptions under the Investment Company Act or the Volcker Rule may be available to the Issuer, this view is based on the determination that the Issuer may rely on the exclusion from the definition of "investment company" under the Investment Company Act provided by Section 3(c)(5)(C) thereunder, and accordingly the Issuer need not rely on Section 3(c)(1) or Section 3(c)(7) of the Investment Company Act for its exemption from registration under the Investment Company Act and may rely on the exemption from the definition of a "covered fund" under the Volcker Rule made available to entities that do not rely solely on Section 3(c)(1) or Section 3(c)(7) of the Investment Company Act for their exemption from registration under the Investment Company Act.

Rule 15Ga-2 under the Exchange Act

On 27 August 2014, the SEC approved rules and issued a release regarding third-party due diligence reports. The release relates primarily to Rule 15Ga-2 and Rule 17g-10 under the Exchange Act, each of which became effective on 10 June 2015. Rule 15Ga-2 requires any issuer or underwriter of asset-backed securities (including, for this purpose, securitisations of residential and commercial mortgage loans as well as other asset classes) rated by a nationally recognised statistical rating agency to furnish a form (a "**Form ABS-15G**") via the SEC's EDGAR database describing the findings and conclusions

of any third-party due diligence report obtained by the issuer or an underwriter, at least five business days prior to the first sale of the asset-backed securities. The filing requirements apply to both publicly registered offerings and unregistered securitisations of assets offered within the United States such as those relying on Rule 144A. A third-party due diligence report is any report containing findings and conclusions relating to due diligences services, which are defined as a review of pool assets for the purposes of issuing findings on: (1) the accuracy of the asset data; (2) determining whether the assets conform to stated underwriting standards; (3) asset value(s); (4) legal compliance by the originator; and (5) any other factor material to the likelihood that the issuer will pay interest and principal as required. These due diligence services are routinely provided by third party due diligence vendors in asset-backed securities structured transactions and affect their credit ratings.

If required pursuant to Rule 15Ga-2, a Form ABS-15G containing diligence findings and conclusions with respect to any relevant third-party due diligence reports prepared for the purpose of the transactions contemplated by this Base Prospectus in respect of any Series or Classes of Notes will be prepared and furnished to the SEC by the Seller no later than five business days prior to the pricing of the Notes and will be publicly available on EDGAR pursuant to Rule 15Ga-2. Any such Form ABS-15G is not and will not be, by this reference or otherwise, incorporated into this Base Prospectus or the relevant Final Terms and should not be relied upon by any prospective investor as a basis for making a decision to invest in any Notes.

Prospective investors should rely exclusively on this Base Prospectus in making their investment decisions. See "Risk Factors - Legal and Regulatory Risks relating to the Structure and the Notes – Regulatory initiatives may result in increased regulatory capital requirements and/or decreased liquidity in respect of the Notes".

Rule 17g-5 Compliance

In order to permit the Rating Agencies specified in the Final Terms in respect of the applicable Series or Class of Notes (subject, where applicable, to the Ratings Modification Event and the appointment of an Additional Rating Agency) to comply with their obligations under Rule 17g-5 under the Exchange Act, all information that is provided to the Rating Agencies for the purposes of determining the initial credit ratings of the Notes or undertaking credit rating surveillance of the Notes will be posted on a password-protected internet website (the "**Rule 17g-5 Website**"), at the same time as such information is provided to the Rating Agencies.

Any notices or requests to, or any other written communications with or written information provided to, the Rating Agencies, or any of their officers, directors or employees pursuant to, in connection with or related directly or indirectly to the Mortgage Portfolio, the Notes or otherwise in connection with the transaction described in this Base Prospectus will be, in each case, posted to the Rule 17g-5 Website. See also "Macro-Economic Risks – The issuance of unsolicited ratings on the Notes could adversely affect the market value of and/or liquidity of the Notes" above.

OVERVIEW OF MORTGAGE PORTFOLIO AND SERVICING

Please refer to the sections entitled "The Mortgage Loans and the Mortgage Portfolio", "Assignment of the Mortgage Loans and Related Security" and "The Servicer and the Servicing Agreement" for further detail in respect of the characteristics of the Mortgage Portfolio and the sale and servicing arrangements in respect of the Mortgage Portfolio.

Sale of Mortgage

Portfolio

The Mortgage Portfolio consists of Mortgage Loans and their Related Security sold from time to time by the Seller to the Issuer in accordance with the terms of the Mortgage Sale Agreement. The types of Mortgage Loans forming part of the Mortgage Portfolio will vary over time **provided that**, at the time the relevant Mortgage Loans are sold to the Issuer, the Eligibility Criteria and the Portfolio Criteria (each as described below) in respect of such Mortgage Loans are met on the relevant Assignment Date.

Each Mortgage Loan will be governed by English law.

The Mortgage Loans comprising the Initial Mortgage Portfolio and any Additional Mortgage Portfolio may be Variable Rate Mortgage Loans, Tracker Mortgage Loans or Fixed Rate Mortgage Loans and/or other types of Mortgage Loans that may be assigned to the Issuer, from time to time, in accordance with the Mortgage Sale Agreement and no Mortgage Loan is an Excluded Loan.

The terms "**sale**", "**sell**" and "**sold**" when used in this Base Prospectus in connection with the Mortgage Loans and their Related Security shall be construed to mean the creation of an equitable interest and equitable assignment of such Mortgage Loans and their Related Security. The terms "repurchase" and "repurchased" when used in this Base Prospectus in connection with a Mortgage Loan and its Related Security shall be construed to include: (A) the repurchase of the beneficial interest of the Issuer in respect of such Mortgage Loan and its Related Security; and (B) the purchase by the Seller of such Mortgage Loan and its Related Security from the Issuer pursuant to the terms of the Mortgage Sale Agreement.

All of the Mortgage Loans in the Mortgage Portfolio will be secured by first ranking legal charges over freehold, leasehold or commonhold properties located in England or Wales.

Prior to the occurrence of a Perfection Trigger Event as set out below, notice of the sale of the relevant Mortgage Loans and their Related Security comprising the Mortgage Portfolio will not be given to the Borrowers and the Issuer will not apply to the Land Registry to register or record its equitable or beneficial interest in the Mortgages. Prior to the occurrence of a Perfection Trigger Event, the legal title to each Mortgage Loan and its Related Security in the Mortgage Portfolio will be held by the Seller on bare trust for the Issuer. Following a Perfection Trigger Event and notice of the transfer of the relevant Mortgage Loans and their Related Security to the Issuer (or its nominee) being sent to the relevant Borrowers, legal title to the Mortgage Loans and their Related Security will pass to the Issuer.

See "Assignment of the Mortgage Loans and Related Security" for further information on this.

Features of Mortgage Loans

The following is a summary of certain features of the Mortgage Loans as at the date of this Base Prospectus and investors should refer to, and carefully consider, the section entitled "The Mortgage Loans and the Mortgage Portfolio".

Type of Borrower	Prime
Mortgage Loan Payment Types	Repayment Mortgage Loans, Interest-Only Mortgage Loans, and Part and Part Mortgage Loans
Self-Certified Mortgage Loans	Not Permitted
Buy-To-Let Mortgage Loans	Not Permitted

Additional Mortgage Loans and New Mortgage Loan Type may be sold to the Issuer after the date of this Base Prospectus. The Mortgage Loan Warranties, Eligibility Criteria and Portfolio Criteria may be modified as required to accommodate New Mortgage Loan Types, subject to receipt of a Ratings Confirmation.

Consideration

The consideration payable by the Issuer in respect of the sale of each Mortgage Portfolio is a combination of:

- (a) the Initial Purchase Price in respect of the Initial Mortgage Portfolio;
- (b) the Initial Additional Mortgage Portfolio Purchase Price in respect of any Additional Mortgage Portfolio; and
- (c) the payment to the Seller of Deferred Consideration with respect to the Initial Mortgage Portfolio and each Additional Mortgage Portfolio.

Eligibility Criteria

Any Mortgage Loans and the Related Security must comply with, among other things, the following criteria as at the relevant Assignment Date or the relevant Testing Date for that Mortgage Loan:

- (a) the Mortgage Loan complies with the Mortgage Loan Warranties in the Mortgage Sale Agreement;
- (b) no Mortgage Loan has an aggregate amount in arrears which is more than the amount of the Monthly Payment then due;
- (c) the Mortgage Loan has been made to a Borrower who is a natural legal person and at least 18 years of age;
- (d) each Mortgage Loan is secured by a Mortgage constituting a valid and subsisting first charge by way of legal mortgage over the relevant Mortgaged Property;

- (e) the Mortgage Loan has an Original LTV Ratio of no more than 95%;
- (f) the Mortgage Loan has a Current Indexed LTV Ratio of no more than 90%;
- (g) the Mortgage Loan was not originated prior to 1 May 2014;
- (h) the Mortgage Loan has a Current Balance of no more than £2 million at the relevant Assignment Date;
- (i) each Mortgage Loan in the Mortgage Portfolio is either:
 - (i) a Variable Rate Mortgage Loan, a Tracker Mortgage Loan, a Fixed Rate Mortgage Loan; or
 - (ii) a New Mortgage Loan Type which will not result in the then current ratings of the Class A Notes being downgraded, withdrawn or qualified,
 and no Mortgage Loan is a Capped (Variable Rate) Mortgage Loan;
- (j) the Mortgage Loan is not an Excluded Loan;
- (k) the Mortgage Loan is not a shared ownership loan;
- (l) as at the First Issuance Date or on the date when any Mortgage Loans and their Related Security are included in the Mortgage Portfolio, as applicable, each Mortgage Loan has a standardised risk weight equal to or smaller than 40% on an exposure value-weighted average basis for the Mortgage Portfolio, as such terms are described in Article 243 of the UK CRR;
- (m) no Mortgage Loan is guaranteed by a third-party guarantor or any mortgage guarantee scheme or similar arrangement associated with any of the Mortgage Loans in the Mortgage Portfolio;
- (n) the Seller is not required to make any future Further Advances under any Mortgage Loan; and
- (o) no Mortgage Loan is a Mortgage Loan which, so far as the Seller is aware, is a Mortgage Loan to a Borrower who is a "credit-impaired obligor" as described in Article 13(2)(j) of the UK LCR Regulation or paragraph 2(k) of Article 177 of Regulation (EU) No 2015/35 (or, in each case, if different, the equivalent provisions in any such enacted version of such Commission Delegated Regulation).

The sale of any Further Advance to the Issuer or the inclusion of any Mortgage Loan in respect of which a Product Switch is made in the Mortgage Portfolio will also be subject to that Mortgage Loan satisfying the Eligibility Criteria at the relevant Advance Date or Switch Date, as

applicable, of which such satisfaction shall be determined on the relevant Testing Date with reference to the relevant Mortgage Loan(s) as at the end of the calendar month immediately preceding the relevant Advance Date or Switch Date, as applicable.

The Issuer has the right to amend the Eligibility Criteria, subject to receipt of a Ratings Confirmation. The prior written consent of the Note Trustee, the Security Trustee, the Noteholders and the other Secured Creditors to the amendments will not be required.

See "Assignment of the Mortgage Loans and Related Security – Eligibility Criteria" for more information on the Eligibility Criteria.

Portfolio Criteria..... In addition, on each Assignment Date and, in relation to a Further Advance or Product Switch, the relevant Advance Date or Switch Date (as applicable), the Mortgage Portfolio (including any Mortgage Loans and the Related Security to be sold to the Issuer on that Assignment Date, any Further Advance to be sold to the Issuer on that Advance Date or any Product Switch to remain in the Mortgage Portfolio on that Switch Date, as applicable) must comply with, among other things, the following criteria:

- (a) no Asset Trigger Event has occurred;
- (b) no Event of Default has occurred which is continuing;
- (c) where the sale would include any Mortgage Loan which is a New Mortgage Loan Type, the Issuer has received a Ratings Confirmation in respect of the inclusion of such New Mortgage Loan Type and any modifications to the Eligibility Criteria, the Portfolio Criteria or the Mortgage Loan Warranties;
- (d) the weighted average Original LTV Ratio of the Mortgage Portfolio immediately following the sale will not exceed the weighted average Original LTV Ratio of the Mortgage Portfolio measured as at the most recent Issuance Date in respect of the Class A Notes by more than 5%;
- (e) the weighted average Current Indexed LTV Ratio of the Mortgage Portfolio immediately following the sale will be less than or equal to 80%;
- (f) the aggregate of the Current Balance of all Mortgage Loans to a single Borrower does not exceed 2% of the Current Balance of the Mortgage Portfolio;
- (g) the aggregate of the Current Balance of all New Build Mortgage Loans in the Mortgage Portfolio immediately following the sale will be less than or equal to 15% of the Current Balance of the Mortgage Portfolio measured as at the most recent Issuance Date in respect of the Class A Notes;
- (h) the aggregate of the Current Balance of each Interest-Only Mortgage Loan in the Mortgage Portfolio immediately following

the sale will be less than or equal to 10% of the Current Balance of the Mortgage Portfolio measured as at the most recent Issuance Date in respect of the Class A Notes;

- (i) the aggregate of the Current Balance of each Mortgage Loan with an Original LTV Ratio greater than 85% in the Mortgage Portfolio immediately following the sale will be less than or equal to 37.5% of the Current Balance of the Mortgage Portfolio measured as at the most recent Issuance Date in respect of the Class A Notes; and
- (j) the aggregate Current Balance of all the Mortgage Loans in arrears in the Mortgage Portfolio does not exceed 5% of the aggregate Current Balance of the Mortgage Portfolio.

Similar to the Eligibility Criteria, the sale of any Further Advance to the Issuer or the inclusion of any Mortgage Loan in respect of which a Product Switch is made in the Mortgage Portfolio will also be subject to the Mortgage Portfolio (including such Further Advance or Product Switch) satisfying the Portfolio Criteria at the relevant Advance Date or Switch Date, as applicable, of which such satisfaction shall be determined on the relevant Testing Date with reference to the relevant Mortgage Loan(s) as at the end of the calendar month immediately preceding the relevant Advance Date or Switch Date, as applicable.

The Issuer has the right to amend the Portfolio Criteria, subject to receipt of a Ratings Confirmation. The prior written consent of the Note Trustee, the Security Trustee, the Noteholders and the other Secured Creditors to the amendments will not be required.

See "Assignment of the Mortgage Loans and Related Security – Portfolio Criteria" for more information on the Portfolio Criteria.

Representations and Warranties

The Seller is required to give the Mortgage Loan Warranties in respect of the Initial Mortgage Portfolio and each Additional Mortgage Portfolio sold to the Issuer. The Seller will give the relevant Mortgage Loan Warranties to the Issuer on each Assignment Date.

The Mortgage Loan Warranties include (but are not limited to) the following matters:

- (a)
 - (i) in relation to loans comprised in the Initial Mortgage Portfolio, the particulars of the Mortgage Loans comprised in the Initial Mortgage Portfolio set out in the Data Tape are true, complete and accurate in all material respects as at the Cut-Off Date; and
 - (ii) in relation to any Additional Mortgage Loans, the particulars of any Additional Mortgage Loans set out in the relevant Additional Mortgage Portfolio Sale Notice are true, complete and accurate in all material respects as at the relevant Cut-Off Date;

- (b) each Mortgage Loan and its Related Security is valid, binding and enforceable with full recourse to the relevant Borrower in accordance with its terms and is non-cancellable, **provided however that:**
 - (i) this warranty will not be deemed to have been breached if the reason for the invalidity, non-binding nature or enforceability is a failure to comply with the Unfair Terms in Consumer Contracts Regulations 1994 or 1999, the Consumer Rights Act 2015, the Consumer Credit Act 1974 (where such legislation applies to a particular Mortgage Loan) or the FSMA (where such legislation applies to a particular Mortgage Loan);
 - (ii) the Seller makes no representation as to the fairness or otherwise of terms which relate to its ability to vary the rate of interest;
 - (iii) enforceability may be limited by bankruptcy, insolvency or other similar laws of general applicability affecting the enforcement of creditors' rights generally and the courts' discretion in relation to equitable remedies; and
 - (iv) this representation will not apply in respect of any early repayment charges, mortgage administration fees, exit fees or charges payable in the event of Borrower default;
- (c) to the extent that any Mortgage Loan constitutes a regulated mortgage contract for the purposes of the Financial Services and Markets Act 2000 (Regulated Activities) Order 2001, at the time it was made, such Mortgage Loan complied with all applicable provisions of MCOB and any other applicable rules and guidance of the FCA or PRA and, prior to the sale of such Mortgage Loan to the Issuer pursuant to the terms of the Mortgage Sale Agreement, such Mortgage Loan was administered in accordance with the provisions of MCOB and any other applicable rules and guidance of the FCA or PRA;
- (d) subject to completion of any registration or recording which may be pending at the Land Registry, each Mortgage Loan is secured by a mortgage which constitutes a first ranking charge by way of legal mortgage over the relevant residential property, and there is nothing to prevent such registration or recording being effected with absolute title or good leasehold title in due course. For the avoidance of doubt, the fact of the existence of a second ranking charge over the relevant property does not render this warranty untrue;
- (e) each property the subject of the mortgage securing any Mortgage Loan is a residential property situated in England or Wales;

- (f) each Property constitutes a separate dwelling unit (subject to limited case by case exceptions which would be acceptable to a Prudent Mortgage Lender);
- (g) all steps necessary to perfect the Seller's title to each Mortgage Loan and its Related Security were duly taken at the appropriate time or are in the process of being taken with all due diligence;
- (h) immediately prior to the purchase of any Mortgage Loan and the Related Security by the Issuer and subject only, where applicable, to completion of the registration or recording at the Land Registry, the Seller is the absolute unencumbered legal and beneficial owner of the Mortgage Loans and their related mortgages and other Related Security, is free and clear from all prior security interests, the Seller has good title to, and is the absolute unencumbered legal and beneficial owner of, all property, interests, rights and benefits in relation to the Mortgage Loans and Related Security agreed to be sold and/or assigned and/or held in trust by the Seller to or for the Issuer pursuant to the Mortgage Sale Agreement and is free and clear of all security interests, claims and equities);
- (i) no lien or right of set off, retention, compensation, rescission, defence or counterclaim has been created or has arisen between the Seller and any Borrower which would entitle such Borrower to reduce the amount of any payment otherwise due in respect of such Mortgage Loan and to the best of the Seller's knowledge, no such lien or right has been asserted by any Borrower;
- (j) save where the Mortgage in respect of the Mortgage Loan is covered by a valid defective title and/or local search insurance policy, prior to making a Mortgage Loan to a Borrower, the Seller:
 - (i) caused its approved solicitors or approved conveyancers to carry out in relation to the relevant Mortgaged Property all investigations, searches and other actions and enquiries which a Prudent Mortgage Lender or its solicitors normally make when lending to an individual on the security of residential property, as the case may be, in England or Wales; and
 - (ii) received a certificate of title from approved solicitors or approved conveyancers relating to such Mortgaged Property and the results thereof were such as would be acceptable to a Prudent Mortgage Lender in order to proceed with the Mortgage Loan;
- (k) each Borrower has a good and marketable title to the relevant Mortgaged Property free from any encumbrance which:
 - (i) would materially adversely affect such title; and

- (ii) a Prudent Mortgage Lender would regard as unacceptable for security purposes;
- (l) prior to making a Mortgage Loan (other than in respect of a Further Advance), the relevant Mortgaged Property was valued in accordance with the Lending Criteria by either:
 - (i) an independent qualified surveyor (AssocRICS, MRICS or FRICS or equivalent qualification) chosen from the panel of valuers from time to time appointed by the Seller or as otherwise permitted under the Lending Criteria; or
 - (ii) an Automated Valuation Model (AVM) valuation supplied by Hometrack Ltd for origination mortgage applications where a combination of the mortgage product's terms and some, pre-defined, attributes of the property meet the Seller's Lending Criteria requirements for when the use of an AVM valuation is permitted,

the results of each such valuation would be acceptable to a Prudent Mortgage Lender;
- (m) prior to the making of a Mortgage Loan, each Initial Advance and Further Advance, the then applicable Lending Criteria were satisfied in all material respects subject only to such exceptions and waivers made on a case by case basis as would be acceptable to a Prudent Mortgage Lender;
- (n) each Mortgage Loan was made and its Related Security taken or received on the terms of the Standard Documentation of the Seller without any material variation thereto and nothing has been done subsequently to add to, lessen, modify or otherwise vary the express provisions of any of the same in any material respect subject only to such exceptions as are made on a case by case basis and which would be acceptable to a Prudent Mortgage Lender;
- (o) no agreement for any Mortgage Loan is in whole or in part a regulated agreement or consumer credit agreement (as defined in section 8 of the Consumer Credit Act 1974 (as amended, extended or re-enacted from time to time)) or, to the extent that any Mortgage Loan is in whole or in part a regulated agreement or consumer credit agreement, the procedures and requirements set out in the Consumer Credit Act 1974 have been complied with in all material respects;
- (p) the Seller is not aware of any fraud in relation to any Mortgage Loan or Related Security;
- (q) each Borrower has made at least one Monthly Payment;
- (r) the Seller took such steps as a Prudent Mortgage Lender would take to ensure that at the date of completion of each Mortgage

Loan (other than in respect of a Further Advance) the relevant Mortgaged Property was insured under a policy with an insurance company in the joint names of the Borrower and the Seller, or with the Seller's interest noted or in accordance with the Lenders' Handbook, against fire and other commercial risks usually covered by a Prudent Mortgage Lender for an amount not less than the full reinstatement value at or around the time that the relevant Mortgage Loan was made, or in the case of leasehold properties, the relevant Mortgaged Property was insured by the relevant landlord;

- (s) each Borrower is an individual, was 18 years or over at the time of completion of the relevant Mortgage Loan and, if a Borrower was an employee or officer of the Originator at such time, the terms of the Mortgage Loan were not more favourable to the Borrower than would have been the case were the Borrower not an employee or officer of the Originator;
- (t) the Seller has, since the making of each Mortgage Loan, kept or procured the keeping of full and proper accounts, books and records as are necessary to show all material transactions, payments, receipts, proceedings and notices relating to such Mortgage Loan;
- (u) as at the relevant Cut-Off Date, the Seller has not received written notice of any litigation or claim calling into question in any material way its title to any Mortgage Loan and/or its related Mortgage or the value of any other security relative to that Mortgage Loan;
- (v) except where lodged with the relevant registry in relation to any registration or recording which may be pending at the Land Registry, all Title Deeds and Mortgage Loan Files in respect of Mortgage Loans are in the Seller's possession or held to its order or are held on trust for it by GovCo;
- (w) all formal approvals, consents and other steps necessary to permit an equitable or beneficial transfer of, and a transfer of servicing away from the Seller of, the Mortgage Loans and their related Mortgages to be sold under the Mortgage Sale Agreement whenever required under the Transaction Documents have been obtained or taken and there is no requirement in order for such transfer to be effective to notify the Borrower before, on, or after any such equitable or beneficial transfer. Neither the entry by the Seller into the Mortgage Sale Agreement, nor any sale, transfer, assignment, assignation or creation of trust contemplated by the Mortgage Sale Agreement and its related agreements, materially adversely affects or will materially adversely affect any of the Mortgage Loans and their Related Security and the Seller may enter into the Mortgage Sale Agreement and, as applicable, freely sell, transfer, assign and enter into trust arrangements in respect of all its respective rights, title, interests and benefits therein as contemplated in the Transaction Documents without breaching

any term or condition applying to any of the Mortgage Loans or their Related Security;

- (x) so far as the Seller is aware, none of the terms in any Mortgage Loan and its related Mortgage are unfair terms within the meaning of the Unfair Terms in Consumer Contracts Regulations 1994, the Unfair Terms in Consumer Contracts Regulations 1999 or the Consumer Rights Act 2015 in any material respect save those which impose Early Repayment Charges;
- (y) no Mortgage Loan is an Excluded Loan;
- (z) each Mortgage Loan was originated by the Seller in the ordinary course of business pursuant to underwriting standards that are no less stringent than those the Seller applied at the time of origination to similar loans that are not securitised and was denominated in pounds sterling upon origination;
- (aa) the Seller has not knowingly waived or acquiesced in any breach of any of its rights in respect of a Mortgage Loan or its Related Security, other than waivers and acquiescence such as a Prudent Mortgage Lender might make on a case-by-case basis;
- (bb) none of the provisions of the Mortgage Loan agreements in respect of the Mortgage Loans were (at the time any such Mortgage Loan agreement was entered into) or have since been waived, altered or modified except (i) in connection with a Product Switch where "Product Switch" means a variation in the Mortgage Loan agreement in respect of a Mortgage Loan so that it changes from one of the forms of Mortgage Loan agreement forming part of the Standard Documentation to one of the other forms of Mortgage Loan agreement forming part of the Standard Documentation and/or (ii) a change to the terms of a Mortgage Loan to which a Prudent Mortgage Lender would have agreed;
- (cc) so far as the Seller is aware no bankruptcy order has been made against any Borrower and no Borrower has applied for an individual voluntary arrangement, trust deed or debt arrangement scheme, or had a county court judgement (or equivalent decree) entered against them in the period 6 years immediately prior to the point of origination of the relevant Mortgage Loan;
- (dd) as at the relevant Cut-Off Date, no Mortgage Loan has been rescheduled or altered as a result of being in or falling into arrears or adverse performance (excluding, for the avoidance of doubt, a Mortgage Loan which is not in arrears or adverse performance at the time it is restructured or altered);
- (ee) so far as the Seller is aware, no Borrower is in material breach of the mortgage conditions of its Mortgage Loan;
- (ff) as at the relevant Cut-Off Date, each Mortgage Loan has a contractual maturity of no longer than 40 years;

- (gg) no Mortgage Loan has a final maturity beyond the date falling two years prior to the relevant Final Maturity Date;
- (hh) no Mortgage Loan or Related Security is or consists of "stock" or "marketable-securities" (in either case for the purposes of Section 122 of the Stamp Act 1891), "chargeable securities" (for the purposes of Section 99 of the Finance Act 1986) or a "chargeable interest" for the purposes of Section 48 of the Finance Act 2003 or Section 4 of the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017;
- (ii) the Mortgages and any Related Security are interests or rights (other than a rent charge) held for the purposes of securing the payment of money or the performance of another obligation;
- (jj) the Mortgage Loans are "financial assets" within the meaning of Regulation 9A of the Taxation of Securitisation Companies Regulations S.I.2006/3296 (as amended);
- (kk) no Mortgage Loan is a Mortgage Loan which, so far as the Seller is aware, is a Mortgage Loan to a Borrower who is a "credit-impaired debtor" as described SECN 2.2.12R and in accordance with any official guidance issued in relation thereto; and
- (ll) As at the relevant Cut-Off Date, no Mortgage Loan is a Significant Deposit Loan.

See the section entitled "Assignment of the Mortgage Loans and Related Security – Representations and warranties" for a list of Mortgage Loan Warranties given by the Seller.

Seller's Lending

Criteria.....

Each of the Mortgage Loans was originated in accordance with the Lending Criteria applicable at the time of origination.

Subject to the terms of the Mortgage Sale Agreement, and **provided that** it acts in accordance with the standard of a Prudent Mortgage Lender, the Seller is entitled to change its Lending Criteria from time to time, so that Additional Mortgage Loans originated after the date of that change will be subject to such new Lending Criteria. Notwithstanding any such change to such Lending Criteria, such Additional Mortgage Loans may still be sold to the Issuer **provided that** the Mortgage Loans are able to continue to comply with the Eligibility Criteria.

Repurchase of the

Mortgage Loans

The Seller will repurchase the relevant Mortgage Loans and their Related Security in the following circumstances:

- (a) upon material breach of the Mortgage Loan Warranties (which is either not capable of remedy or if the Seller fails to remedy it within the agreed grace period); or
- (b) upon the breach of the Portfolio Criteria (which is either not capable of remedy or if the Seller fails to remedy it within the agreed grace period); or

- (c) in certain circumstances, following the making of a Further Advance or the granting of a Product Switch to the relevant Borrower, including where the relevant Further Advance or Product Switch causes the relevant Mortgage Loan to be in breach of the Eligibility Criteria or would cause the Mortgage Portfolio to be in breach of the Portfolio Criteria on the relevant Switch Date or Advance Date (as applicable, and as tested on the relevant Testing Date with reference to the relevant Mortgage Loan(s) as at the end of the calendar month immediately preceding the relevant Switch Date or Advance Date); or
- (d) in accordance with the Seller's Note Permitted Repurchase Procedure when the Principal Amount Outstanding of the Seller's Note is in excess of the Minimum Seller's Note Amount.

The Seller may also at its discretion, in accordance with the terms of the Transaction Documents and the Conditions, offer to repurchase Mortgage Loans and their Related Security and Issuer will be required to accept any such offer:

- (a) in order to effect any permitted redemption of any Notes; or
- (b) in the event that the FCA (or other regulatory authority) requires Redress to be made in respect of a Mortgage Loan,

provided, in each case, that the Mortgage Portfolio will continue to meet the Portfolio Criteria immediately following such repurchase. See "Assignment of the Mortgage Loans and Related Security – General ability to repurchase".

The Seller may also at its discretion, in accordance with the terms of the Transaction Documents and the Conditions, offer to repurchase Mortgage Loans and their Related Security and the Issuer may accept any such offer:

- (a) where such Mortgage Loans are Non-Compliant Mortgage Loans;
- (b) where the relevant Mortgage Loans are at least two months in arrears; or
- (c) where the relevant Mortgage Loans (after the relevant Cut-Off Date) become Significant Deposit Loans,

provided that:

- (i) if the repurchase is related to a Non-Compliant Mortgage Loan other than a Mortgage Loan which is designated as such under paragraph (e) of the definition of "Non-Compliant Mortgage Loan", such repurchase is necessary in order for the remaining Mortgage Loans to comply with the requirements of the UK LCR Regulation, the BoE Criteria, UK Solvency II, the UK

Securitisation Framework or Article 243 of the UK CRR Regulation, as the case may be; and

- (ii) in each case, the Mortgage Portfolio will continue to meet the Portfolio Criteria immediately following such repurchase.

See "Assignment of the Mortgage Loans and Related Security – General ability to repurchase.

Consideration for Repurchase Consideration payable by the Seller in respect of the repurchase of the Mortgage Loans will be an amount (not less than zero) equal to the Current Balance thereof as at the date of completion of such repurchase.

Redress Payments In the event that any Redress is required to be made in respect of a Mortgage Loan, the Seller may, by a date no later than the date by which the FCA or any other regulatory authority requires such Redress to be made, at its sole discretion, either repurchase the relevant Mortgage Loan and its Related Security or make a Redress Payment to the Issuer.

Perfection Trigger Events Transfer of the legal title to the relevant Mortgage Loans will be completed on the occurrence of a Perfection Trigger Event. See further "Assignment of the Mortgage Loans and Related Security – Transfer of Title to the Mortgage Loans to the Issuer" and the definition of Perfection Trigger Event set out therein.

Prior to the completion of the transfer of legal title to the Mortgage Loans, the Issuer will hold only the equitable title to those Mortgage Loans and will therefore be subject to certain risks as set out in the section entitled "Risk Factors – Risks Relating to the Mortgage Loans– Seller to initially retain legal title to the Mortgage Loans and risks relating to set-off".

Servicing of the Mortgage Portfolio The parties to the Servicing Agreement to be entered into on or about the Programme Date will be the Issuer, the Security Trustee, the Seller, the Back-up Servicer Facilitator and the Servicer.

The Servicer will be appointed by the Seller and the Issuer to service, on a day-to-day basis, the Mortgage Loans sold to the Issuer and their Related Security on behalf of the Issuer (such services, inter alia, the "Services").

So long as the Seller is the Servicer, the Issuer will, on each Payment Date, pay to the Servicer a servicing fee (inclusive of VAT, if any) (the "Servicing Fee") totalling 0.13% per annum on the aggregate Current Balance of the Mortgage Loans in the Mortgage Portfolio as determined on the last day of the calendar month before the preceding Calculation Date. If a substitute servicer from outside the Seller's Group is appointed in accordance with the terms of the Servicing Agreement, the Issuer shall pay the successor servicer for its services a fee to be determined at the time of such appointment. The Servicing Fee will rank ahead of all payments on the Notes.

The appointment of the Servicer may be terminated by the Issuer (subject to the prior written consent of the Security Trustee) upon the occurrence of the following events (the "**Servicer Termination Events**"):

- (a) the Servicer defaults in the payment on the due date of any payment due and payable by it under the Servicing Agreement and such default continues unremedied for a period of 30 Business Days after the earlier of the Servicer becoming aware of such default and receipt by the Servicer of written notice from the Issuer or (following service of an Enforcement Notice) the Security Trustee, as the case may be, requiring the same to be remedied;
- (b) the Servicer defaults in the performance or observance of any of its other covenants and obligations under the Servicing Agreement, which failure in the reasonable opinion of (prior to the delivery of an Enforcement Notice) the Issuer or (following service of an Enforcement Notice) the Security Trustee acting on the instructions of the Note Trustee is materially prejudicial to the interests of the Noteholders, and the Servicer does not remedy that failure within 30 Business Days after the earlier of the Servicer becoming aware of the failure or of receipt by the Servicer of written notice from the Issuer or (following service of an Enforcement Notice) the Security Trustee, as the case may be, requiring the Servicer's non-compliance to be remedied (subject to certain provisos in relation to the situation where the default occurs as a result of a default by any person to whom the Servicer has subcontracted or delegated part of its obligations);
- (c) the revocation of any applicable licence, registration or regulatory permission held by the Servicer required for the Servicer to perform any of its obligations under the Servicing Agreement; or
- (d) an Insolvency Event occurs in relation to the Servicer.

Subject to the fulfilment of certain conditions, the Servicer may also resign upon giving 12 months' written notice, provided a replacement servicer has been appointed by the Issuer (with the consent of the Security Trustee).

In the absence of a Servicer Termination Event, Noteholders have no right to instruct the Note Trustee to direct the Security Trustee to terminate the appointment of the Servicer.

Delegation The Servicer may delegate some or all of its servicing function to a third party **provided that** it meets the conditions as set out in the Servicing Agreement.

See "The Servicer and the Servicing Agreement".

OVERVIEW OF THE TERMS AND CONDITIONS OF THE NOTES

Please refer to section entitled "Terms and Conditions of the Notes" for further information in respect of the terms of the Notes.

General..... The Notes will be issued in Series. Series of Class A Notes will be issued from time to time and may consist of one or more Sub-Classes and one or more Sub-Series. However, there will be no more than one Series of Class Z VFNs or the Seller's Note in respect of the Programme. The Class Z VFNs consist of two Sub-Classes, being the Class Z(S) VFN and the Class Z(R) VFN, as further explained below. The Class Z(S) VFN, Class Z(R) VFN and the Seller's Note will be issued on the First Issuance Date. A class designation determines the relative seniority for receipt of cashflows. The Class A Notes in different Series (and the Class A Notes of differing Sub-Classes of the same Class and Series) will not necessarily have the same terms. Differences may include principal amount, interest rates, interest rate calculations, currency, permitted redemption dates and/or Final Maturity Dates.

Furthermore, the Issuer retains the right to issue notes in the future that are subordinated to the Class A Notes, but are senior to Class Z VFNs, and modify the terms of the Programme accordingly.

The Issuer will, subject to the terms of the Trust Deed, be at liberty from time to time, without the consent of the Noteholders, subject to the Issuance Tests, to create and issue further Class A Notes (and, as the case may be, further Sub-Series of the Class A Notes) having terms and conditions the same as the Class A Notes of any Series then in existence in all respects save for the amount and date of the first payment of interest thereon, issue date and/or purchase price and so that the same will be consolidated and form a single Series and Class with the outstanding Notes of such Series (including all the Sub-Series then in existence).

The Class A Notes, the Class Z(S) VFN, the Class Z(R) VFN and the Seller's Note are constituted by the Trust Deed and share the same Security pursuant to the Deed of Charge.

Payment priority and ranking The Notes of each Series are direct, secured unconditional obligations of the Issuer.

The payment of interest due on any Payment Date in respect of the Class Z(R) VFN and the Class Z(S) VFN is subordinated to the payment of interest due on such Payment Date in respect of the Class A Notes of all Series and the Seller's Note, with the payment of interest on the Class A Notes and the Seller's Note ranking *pro rata* and *pari passu*.

The payment of interest due on any Payment Date in respect of the Class Z(R) VFN and the Class Z(S) VFN is also subordinated to the replenishment of the Reserve Fund up to the Reserve Fund Required Amount. None of the VFNs has the benefit of amounts standing to the credit of the Reserve Fund.

The repayment of principal due on any Payment Date in respect of the Class Z(R) VFN is subordinated to the payment of interest due on such Payment Date in respect of the Class A Notes of all Series and the Seller's Note, with

the payment of interest on the Class A Notes and the Seller's Note ranking *pro rata* and *pari passu*.

The repayment of principal due on any Payment Date in respect of the Class Z(S) VFN is subordinated to the repayment of principal due on such Payment Date in respect of the Class A Notes.

The repayment of principal due on any Payment Date in respect of the Seller's Note (i) prior to service of an Enforcement Notice (for so long as no Asset Trigger Event has occurred and no Non-Asset Trigger Event is continuing), and (ii) following service of an Enforcement Notice, will rank *pro rata* and *pari passu* with the repayment of principal on the Class A Notes.

Where an Asset Trigger Event has occurred and/or a Non-Asset Trigger Event is continuing, and **provided that** no action has been taken to enforce the security created by the Issuer under the Transaction Documents, the repayment of principal due on any Payment Date in respect of the Seller's Note is subordinated to the repayment of principal on the Class A Notes and the Class Z(S) VFN.

The Note Payment Dates for a Series and Class of Notes will be the Note Payment Dates specified for such Notes in the applicable Final Terms.

For more information on the Priority of Payments, see "Credit Structure and Cashflows" and see also "Risk Factors – Risks Relating to the Availability of Funds to Pay the Notes – Subordination of other Classes may not protect the Class A Noteholders from all risk of loss".

Payments..... Prior to service of an Enforcement Notice, the Issuer, or the Cash Manager on its behalf, will, in accordance with the relevant Priority of Payments (and after making the appropriate hedging exchanges pursuant to the applicable Swap Agreement(s) entered into by the Issuer (as described under "The Swap Agreements")), pay interest on and repay principal of each Series of Notes using, primarily, interest payments and principal repayments received in respect of the Mortgage Loans in the Mortgage Portfolio.

Following service of an Enforcement Notice, the Security Trustee, or the Cash Manager on its behalf, will apply amounts received or recovered by it to repay all Series and Classes of outstanding Notes in accordance with the Post-Enforcement Priority of Payments.

Security As security for the payment of all monies payable in respect of the Notes of each Series, the Issuer has, pursuant to the Deed of Charge, created security in favour of the Security Trustee for itself and on trust for, among others, the Noteholders of each Series including the following:

- a first fixed charge over all of the Issuer's right, title, interest and benefit, present and future, in, to and under the Mortgage Portfolio in respect of the Mortgage Loans and their Related Security and all other related rights under the same;
- an assignment by way of first fixed security of the Issuer's right, title, interest and benefit, present and future, in, to and under each of the Transaction Documents to which it is a party (but excluding all of the

Issuer's right, title, interest and benefit in the Deed of Charge (and, in respect of the Swap Agreements, after giving effect to all applicable netting and set-off provisions therein));

- a first fixed charge over the Issuer's right, title, interest and benefit in each Transaction Account, each Custody Account, each Swap Collateral Account and each other account (if any) of the Issuer and all amounts or securities standing to the credit of those accounts (including all interest or other income or distributions earned on such amounts or securities) and the debts represented by them, together with all rights and claims relating or attached thereto including, without limitation, the right to interest and the proceeds of any of the foregoing;
- a first fixed charge over the Issuer's right, title, benefit and interest, present and future in, to and under all Authorised Investments made by or on behalf of the Issuer (including all interest and other income or distributions paid or payable on such investments), any Swap Collateral in the form of securities from time to time being owned by the Issuer and all rights in respect of or ancillary to such Authorised Investments and such Swap Collateral, including the right to income, distributions and the proceeds of any of the foregoing;
- an assignment by way of first fixed security of the Issuer's rights, title, interest and benefit in any Insurance Policies; and
- a first floating charge over all the assets and undertakings of the Issuer which are not otherwise effectively subject to a fixed charge or assignment by way of security as described in the preceding paragraphs.

See "Security for the Issuer's Obligations" for more information.

Interest provisions

Interest will accrue on a Series and Class of Notes from its date of issuance (or such other date specified for such Notes in the applicable Final Terms) at the interest rate specified for such Notes in the applicable Final Terms which may be a fixed or floating rate or have a combination of these characteristics (see Condition 4 (*Interest*)). Interest on a Series and Class of Notes will be due and payable on the Note Payment Dates specified for such Notes in the applicable Final Terms.

Please refer to the applicable Final Terms for a Series of Notes for the interest provisions applicable to such Notes.

Interest deferral ..

The Issuer is not permitted to defer payments of interest in respect of the Class A Notes of any Series. The failure to pay interest on the Class A Notes of any Series will, subject to a five Business Day grace period, constitute an Event of Default. The Issuer may defer payments of interest on the Class Z(S) VFN, the Class Z(R) VFN and/or on the Seller's Note and failure to pay interest on the Class Z(S), the Class Z(R) VFN and/or on the Seller's Note will not constitute an Event of Default.

Gross-up..... None of the Issuer, the Note Trustee, the Security Trustee, any agent or any other person will be obliged to gross-up payments to the Noteholders if any withholding or deduction for or on account of taxes is required to be made in respect of the Notes.

Redemption..... The Notes are subject to the following optional or mandatory redemption events (and as fully set out in Condition 5 (*Redemption, Purchase and Cancellation*)):

- mandatory redemption in full on the Final Maturity Date for such Series;
- for Controlled Amortisation Notes, mandatory redemption in instalments on each Note Payment Date to the extent of Enhanced Available Principal Receipts in an amount up to the Controlled Amortisation Amount;
- for Pass-Through Redemption Notes, mandatory redemption on each Note Payment Date to the extent of Enhanced Available Principal Receipts;
- for Soft Bullet Redemption Notes, mandatory redemption in whole on the relevant Soft Bullet Scheduled Redemption Date, and on each Note Payment Date thereafter until the relevant Soft Bullet Final Redemption Date, in each case subject to the amount of Enhanced Available Principal Receipts then available;
- for Hard Bullet Redemption Notes, mandatory redemption in whole on the relevant Hard Bullet Redemption Date;
- optional redemption of a Series and Class of Notes in whole exercisable by the Issuer on the Step-Up Date and on any Note Payment Date thereafter;
- optional redemption of a Series of the Class A Notes in whole exercisable by the Issuer on any Note Payment Date on which the aggregate Sterling Equivalent Principal Amount Outstanding of such Series of Class A Notes is less than 10% of the aggregate Sterling Equivalent Principal Amount Outstanding of such Series of Class A Notes as at the Issuance Date for such Series of Class A Notes;
- optional redemption of a Series and Class of Notes in whole (or, where specified in the applicable Final Terms, in part (in such case to be reflected in the records of ICSDs as either a pool factor or reduction in nominal amount, at their discretion)) exercisable by the Issuer on any date **provided that** all the Noteholders of such Notes have given prior written consent to such redemption;
- on each Note Payment Date following the occurrence of an Asset Trigger Event and/or for so long as a Non-Asset Trigger Event is continuing and on each Note Payment Date following the Step-Up Date (if any) in respect of a Series and Class of Notes, mandatory redemption in part on each Note Payment Date to the extent of the

Enhanced Available Principal Receipts and applied in accordance with the Reapplication Rule and the Priority of Payments;

- optional redemption of a Series and Class of Notes in whole exercisable by the Issuer for tax and other reasons; and
- optional redemption of a series of the Class A Notes that satisfy UK STS Criteria Requirements at any time following the occurrence of a Revolving Period End Trigger Event.

Unless stated otherwise in the applicable Final Terms, any Note redeemed pursuant to the above redemption provisions will be redeemed at an amount equal to the Principal Amount Outstanding of the relevant Note to be redeemed, together with accrued (and unpaid) interest on the Principal Amount Outstanding of the relevant Note.

In addition, following the exercise by the Seller of the Seller's Note Permitted Repurchase Procedure, the Issuer must redeem the Seller's Note using the proceeds of the sale of the relevant Mortgage Loans.

Termination of the Original Currency Swap Agreement for Non-Sterling Notes

As more fully set out in Condition 5(c) (*Termination of the applicable Original Currency Swap*), prior to the delivery of an Enforcement Notice, in respect of any principal due and payable in respect of any Series and Class of Non-Sterling Notes on any Note Payment Date following termination of the Original Currency Swap applicable to such Notes:

- (a) the Non-Sterling Notes will be allocated a *pro rata* share of the Enhanced Available Principal Receipts which will be converted into the relevant Specified Currency at the Spot Rate or the Replacement Exchange Rate, as the case may be; and
- (b) if such conversion produces:
 - (i) an excess over the amount required to pay principal due on the Non-Sterling Notes, then such excess will be transferred to the Swap Excess Reserve Account for the relevant Class of Non-Sterling Notes; or
 - (ii) a shortfall in terms of the amount required to pay principal due on the Non-Sterling Notes, then, to the extent that such shortfall cannot be compensated from amounts already standing to the credit of the Swap Excess Reserve Account for such Class of Non-Sterling Notes, the remaining principal due in respect of such Series and Class of Non-Sterling Notes will be subordinated to all other principal amounts payable in respect of the Class A Notes.

Events of Default

As fully set out in Condition 9 (*Events of Default*), an Event of Default broadly includes (where relevant, subject to any applicable grace period):

- non-payment of principal and/or non-payment of interest on the Class A Notes of any Series, provided that in relation to any Series or Sub-Series of Controlled Amortisation Notes non-payment of the

applicable Controlled Amortisation Amount on the relevant Controlled Amortisation Date shall not constitute an Event of Default;

- breach of contractual obligations by the Issuer under the Programme Documents that are material to the Most Senior Class of Notes; or
- certain insolvency-related events with respect to the Issuer (unless in certain cases it is approved by the Most Senior Class of outstanding Notes).

Acceleration

All Notes will become immediately due and payable and the Note Trustee will be entitled to instruct the Security Trustee to enforce the Security upon the service on the Issuer by the Note Trustee of an Enforcement Notice. The Note Trustee will be entitled to serve an Enforcement Notice at any time after the occurrence of an Event of Default in respect of the Most Senior Class of Notes and it will do so, subject in each case to being indemnified and/or secured and/or prefunded to its satisfaction: (i) on the written instructions of holders of not less than 25% in aggregate of the Sterling Equivalent Principal Amount Outstanding of the Most Senior Class of Notes across all Series; or (ii) if directed to do so by a Programme Resolution of the Most Senior Class of Notes across all Series.

Enforcement

At any time after the Security has become enforceable (including after the service of an Enforcement Notice), the Security Trustee will be bound to take action to enforce the Security if it has been so directed by the Note Trustee, **provided that** the Security Trustee has been indemnified and/or secured and/or prefunded to its satisfaction.

The Note Trustee will not be bound to so direct the Security Trustee unless:

- (a) (subject in all cases to restrictions contained in the Trust Deed to protect the interests of any higher-ranking Class of Noteholders) it will have been so directed by a Programme Resolution of the Most Senior Class of Notes across all Series or so requested in writing by the holders of not less than 25% of the aggregate Sterling Equivalent Principal Amount Outstanding of the Most Senior Class of Notes across all Series; and
- (b) it will have been indemnified and/or secured and/or prefunded to its satisfaction.

Any Programme Resolution of the Noteholders of any Class of Notes to direct the Note Trustee to deliver an Enforcement Notice or to take any enforcement action or to instruct the Security Trustee to enforce the Security will only be capable of being passed at a single meeting of the Noteholders of all Series of such Class of Notes.

Limited recourse

All Notes are and will be limited recourse obligations of the Issuer. Where, following the occurrence of certain events, and following the realisation and application of the Charged Property, amounts outstanding under the Notes are not paid in full, any such unpaid amounts will cease to be due and payable, which is described in more detail in Condition 10(b) (*Limited Recourse*).

Non petition	The Noteholders will not be entitled to take any corporate action or other steps or legal proceedings for the winding up, dissolution, arrangement, reconstruction or reorganisation of the Issuer, unless the Note Trustee or, as applicable, the Security Trustee, has become bound to institute such proceedings but has failed to do so within 30 days of becoming so bound and the failure is continuing. See Condition 10(b) (<i>Limited Recourse</i>).
Certain ERISA and related considerations for investors	<p>Unless otherwise specified in the applicable Final Terms, Class A Notes of any Series that are the Rule 144A Notes will be eligible for purchase by Benefit Plan Investors and by governmental, church or non-US plans that are subject to any Similar Law, subject to consideration of the issues described in this Base Prospectus under "Certain ERISA and Related Considerations". Each purchaser of any such Notes (and all subsequent transferees thereof) will be deemed to have represented and warranted that its acquisition, holding and disposition of such Notes (or any interest therein) will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code or a violation of any applicable Similar Law. In addition, any fiduciary of a plan subject to the fiduciary responsibility provisions of Title I of ERISA or any applicable Similar Law should consult with its counsel to determine whether an investment in the Notes satisfies the investment prudence, investment diversification and other applicable requirements of those provisions.</p> <p>Regulation S Notes and the VFNs will not be eligible for purchase by Benefit Plan Investors (see "Certain ERISA and Related Considerations" for further information).</p>
Governing Law....	The Notes and any non-contractual obligations arising out of or in connection with them will be governed by and construed in accordance with English law.

OVERVIEW OF RIGHTS OF NOTEHOLDERS

Please refer to the section entitled "Terms and Conditions of the Notes" for further information in respect of the rights of Noteholders, conditions for exercising such rights and relationship with other Secured Creditors.

Convening a Meeting.....

Meetings of the Noteholders to consider matters relating to the Notes of one or more Series will be convened by the Note Trustee at a place in the UK if it is requested to do so by Noteholders holding no less than one-tenth in principal amount of the Notes of any Class for the time being outstanding subject in each case to the Note Trustee having been indemnified and/or secured and/or prefunded to its satisfaction. Noteholders may also participate in any appropriate Noteholders' meeting convened by the Issuer or the Note Trustee to consider any matter affecting such Noteholders' interests.

Noteholders' meeting provisions ..

Notice Periods

Initial meeting No less than 21 clear days and no more than 365 clear days for the initial meeting

<i>Written Resolution</i>	In relation to an Ordinary Resolution: a resolution in writing signed by or on behalf of holder or holders not less than a simple majority in aggregate of Sterling Equivalent Principal Amount Outstanding of the Notes of the relevant Series and Class or of the relevant one or more Series of Notes of the same Class.
---------------------------	---

In relation to an Extraordinary Resolution: a resolution in writing signed by or on behalf of holder or holders not less than 75% of Sterling Equivalent Principal Amount Outstanding of the Notes of the relevant Series and Class or of the relevant one or more Series of Notes of the same Class.

<i>Electronic Consent</i>	In relation to an Ordinary Resolution: an Electronic Consent given through the relevant Clearing System(s) (in a form satisfactory to the Note Trustee) by or on behalf of holder or holders not less than a simple majority of Sterling Equivalent Principal Amount Outstanding of the Notes of the relevant Series and Class or of the relevant one or more Series of Notes of the same Class.
---------------------------	--

In relation to an Extraordinary Resolution: an Electronic Consent given through the relevant Clearing System(s) (in a form satisfactory to the Note Trustee) by or on behalf of holder or holders not less than 75% of Sterling Equivalent Principal Amount Outstanding of the Notes of the relevant Series and Class or of the relevant one or more Series of Notes of the same Class.

Programme Resolution: Unanimous.

Matters requiring Extraordinary Resolution

Broadly, the following matters, among others, require an Extraordinary Resolution:

- sanctioning a Basic Terms Modification;
- sanctioning any compromise or arrangement proposed to be made between the Issuer, the Note Trustee, any appointee of the Note Trustee and the Noteholders or any of them;
- sanctioning any abrogation, modification, compromise or arrangement in respect of the rights of the Note Trustee, any appointee of the Note Trustee, the Noteholders or the Issuer against any other or others of them or against any other party to any of the Programme Documents or against any of their property, whether such rights will arise under the Trust Deed, any other Programme Document or otherwise;
- assenting to any modification of the provisions of the Conditions, the Trust Deed or any other Programme Document which will be proposed by the Issuer, the Note Trustee, or any Noteholder or any other person;
- discharging or exonerating the Note Trustee or the Security Trustee and/or any appointee of the Note Trustee or the Security Trustee from all liability in respect of any act or omission for which the Note Trustee and/or the Security Trustee and/or such appointee may have become responsible under the Trust Deed;
- to give any other authorisation or approval which under the Trust Deed or the Notes or any other Transaction Document is required to be given by Extraordinary Resolution; and
- the approval of certain modifications in the circumstances set out in Condition 11(f) (*Additional rights of modification*).

See Condition 11 (*Meetings of Noteholders, modifications and waiver*) for further information.

An Extraordinary Resolution of the holders of the Class A Notes will be binding on all other classes **provided that** no Extraordinary Resolution to sanction a modification (including a Basic Terms Modification) of, or any

waiver or authorisation of any breach or proposed breach of, any of the provisions of the Transaction Documents or the Conditions will take effect unless it has been sanctioned by an Extraordinary Resolution of the VFN Holders and the holder of the Seller's Note, **provided** no such sanction by the VFN Holders or the holder of the Seller's Note will be required where the Note Trustee is of the opinion that it would not be materially prejudicial to the interests of the VFN Holders and/or the holder of the Seller's Note.

Matters requiring Programme Resolution

Broadly, the following matters, among others, require a Programme Resolution:

- (a) approving a person to be appointed as a Note Trustee or a Security Trustee and the power to remove any Note Trustee or Security Trustee for the time being;
- (b) any direction to the Note Trustee to deliver an Enforcement Notice to the Issuer and the Security Trustee following an Event of Default or to take any enforcement action or to instruct the Security Trustee to enforce the Security; and
- (c) any transfer of title to the VFN or the Seller's Note.

Relationship between Classes of Noteholders.....

The Security Trustee will be bound to exercise its rights under the Deed of Charge only in accordance with the directions of the Note Trustee, which will in turn be bound to act as directed by the Noteholders, subject to both the Security Trustee and the Note Trustee being indemnified and/or secured and/or prefunded to their satisfaction. If there is a conflict between the interests of one Class of Noteholders of one Series and the same Class of Noteholders of another Series, then a resolution directing the Note Trustee to take any action must be passed at separate meetings of the holders of each Series of the relevant Class of Notes. Where the interests of the Class A Noteholders conflict with the interests of the holders of the Class Z VFNs or the holder of the Seller's Note, then the Note Trustee is to have regard only to the interests of the Class A Noteholders.

For the avoidance of doubt, a resolution may only be passed at a single meeting of the Noteholders of each Sub-Class of the relevant Class of Notes of that Series if the Note Trustee is, in its sole discretion, satisfied that there is no conflict between them.

Seller as Noteholder

The Seller will only be able to exercise voting rights in respect of any Series of Class A Notes where all of the Class A Notes of such Series are held by or on behalf of or for the benefit of one or more Relevant Persons, subject to any limited conditions set out in the definition of "outstanding". Notwithstanding the foregoing, there are no restrictions on the ability of the Seller to exercise their voting rights in respect of sanctioning any Basic Terms Modification.

Relationship between Noteholders and other Secured Creditors.....

While any Notes are outstanding, the Note Trustee will only take into account the interests of the Noteholders in the exercise of its powers, trusts, authorities, and discretions under the Trust Deed or any other Transaction Documents, and not the interests of any other Secured Creditors. While any Notes are outstanding, the Security Trustee will act only at the direction of the Note Trustee.

Provision of information to the Noteholders..... See the sections entitled "Certain Regulatory Requirements – The UK Securitisation Framework" and "Certain Regulatory Requirements – The EU Securitisation Regulation".

Communication with Noteholders Any notice to be given by the Issuer or the Note Trustee to Noteholders may be given in the following manner:

- where the Notes are held in the Clearing Systems, by delivering to the relevant Clearing System for communication by it to Noteholders; and/or
- where the Notes are held in definitive form, by (i) email or (ii) first class post (or its equivalent) or (if posted to an address outside the United Kingdom) by airmail, at the respective email addresses or addresses (as the case may be) on the Register or the VFN Register; or
- publication of the notice in accordance with the rules of the relevant stock exchange on or by which the relevant Notes are listed and/or admitted to trading.

In addition to the above, simultaneous notice may also be given at the relevant time to Noteholders via a regulatory information service (such as the Regulatory News Service of the London Stock Exchange).

OVERVIEW OF CREDIT STRUCTURE AND CASHFLOWS

Please refer to the section entitled "Credit Structure and Cashflows" for further detail in respect of the credit structure and cashflow of the transaction.

General credit structure ...	The general credit structure of the transaction includes, broadly speaking, the following elements:
Credit Support from Available Revenue Receipts	It is expected that, during the life of the Notes, the Funding Note Revenue Portion (comprising primarily the share of Revenue Receipts received from Borrowers on the Mortgage Loans in the Mortgage Portfolio and allocated to the Funding Notes in accordance with the application of the Pre-Enforcement Revenue Priority of Payments) will be greater than the sum of the interest which the Issuer will be required to pay on the Class A Notes and its other senior costs and expenses under the Programme.
Reserve Fund	<p>Prior to the delivery of an Enforcement Notice, the Reserve Fund will be available to help (i) pay Senior Fees and Expenses, (ii) pay interest due and payable (if any) on the Class A Notes of each Series of Notes, and (iii) eliminate any debit entries on the Class A Principal Deficiency Sub-Ledger, on each Payment Date (and for the avoidance of doubt, the Reserve Fund will not be available to support the VFNs).</p> <p>Following the delivery of an Enforcement Notice, the Reserve Fund will be utilised by the Issuer in payment of any of its other liabilities, subject to and in accordance with the relevant Priority of Payments, and may be applied in making payments of principal due under the Class A Notes.</p> <p>The Reserve Fund will be funded on the First Issuance Date through an initial drawdown under the Class Z(R) VFN. It will be replenished through the application of the Funding Note Revenue Portion, applied in accordance with the Pre-Enforcement Revenue Priority of Payments, the proceeds of any further drawdowns under the Class Z(R) VFN on subsequent Issuance Dates and the proceeds of any further drawdowns under the Class Z(R) VFN at any time at the sole discretion of the Class Z VFN Holder as to whether such drawdowns will be funded.</p> <p>The Reserve Fund will be replenished up to the Reserve Fund Required Amount as applicable from time to time.</p> <p>See the section entitled "Credit Structure and Cashflows – Reserve Fund" for more details.</p>
Excess Principal Fund	The Excess Principal Fund will be established in the name of the Issuer on the First Issuance Date. Funds standing to the credit of the Excess Principal Fund will be added to certain other funds of the Issuer in calculating Available Principal Receipts on each Calculation Date, and will be recorded on the Excess Principal Ledger.

Where (a) the amount standing to the credit of the Excess Principal Fund at any time exceeds the Excess Principal Fund Threshold Amount, or (b) on any date, any amounts would on the next succeeding Payment Date have remained recorded on the Excess Principal Ledger, on a FIFO basis, for a period of 18 months or more, where that period starts on the date on which such amounts were first so recorded (such event being an "**Excess Principal Fund Threshold Event**"), a Non-Asset Trigger Event shall occur.

Any amounts representing the Funding Note Principal Portion which remain following the application of the Funding Note Principal Portion towards paragraphs (a) to (f) (inclusive) in the Pre-Enforcement Pre-Trigger Principal Priority of Payments (in respect of the application of the Funding Note Principal Portion) will be credited to the Excess Principal Fund on each Payment Date, except where an Asset Trigger Event has occurred and/or a Non-Asset Trigger Event is continuing.

Following the delivery of an Enforcement Notice, the Excess Principal Fund may be utilised by the Issuer in payment of any of its other liabilities, subject to and in accordance with the relevant Priority of Payments, and may be applied in making payments of principal due under all Classes of Notes.

See the section entitled "Credit Structure and Cashflows – Excess Principal Fund" for more detail.

- The Seller's Note** The Seller's Note will be issued on the First Issuance Date. It can be drawn for one or more of the following purposes:
- (a) maintaining the requisite level of ongoing Available Principal Receipts necessary so as to meet scheduled payments on the Controlled Amortisation Notes and the Cash Accumulation Requirement in respect of Bullet Redemption Notes;
 - (b) funding all or any part of the Initial Purchase Price for the Initial Mortgage Portfolio;
 - (c) funding all or any part of the Initial Additional Mortgage Portfolio Purchase Price for Additional Mortgage Portfolios;
 - (d) funding the purchase by the Issuer of Additional Mortgage Loans and their Related Security in circumstances where the Actual Subordination Amount is equal to, or greater than, the Required Subordination Amount;
 - (e) compliance with the EU Risk Retention Requirements, the UK Risk Retention Rules and the US Credit Risk Retention Requirements;
 - (f) application of the drawings thereunder as Available Principal Receipts to effect the redemption of the Class A Notes on the

next following Note Payment Date in accordance with Condition 5(b) (*Mandatory redemption of the Notes in Part*), and the applicable Priority of Payments and Reapplication Rule;

- (g) application of the drawings thereunder to effect the redemption of the Class Z(S) VFN in accordance with Condition 5 (*Redemption, Purchase and Cancellation*), subject to maintaining the Required Subordination Amount;
- (h) funding in whole or in part the purchase of any Further Advances on the applicable Mortgage Loans in the Mortgage Portfolio; and/or
- (i) making up for any shortfalls in Revenue Receipts through the application of drawings thereunder as the Funding Note Revenue Portion,

provided that the Principal Amount Outstanding of the Seller's Note is at least equal to the Minimum Seller's Note Amount for so long as any Class A Notes (or any other Notes that are not at all times held by the Seller (or its wholly owned affiliates)) or any Class Z VFNs remain outstanding.

The Minimum Seller's Note Liquidity Amount will be sized at the time of each issuance of the Class A Notes (and as specified in the then applicable Final Terms) so as to enable the Issuer to acquire additional Mortgage Loans to support the timely payment of the Class A Notes.

Application of Enhanced Available Principal Receipts to cover a Remaining Revenue Shortfall

If, after the application of the Reserve Fund to make up a Revenue Shortfall as described above, there remains a Remaining Revenue Shortfall, then the Cash Manager is required to apply, on behalf of the Issuer, Enhanced Available Principal Receipts, if any, to make up that deficit in accordance with the relevant Priorities of Payments.

Principal Deficiencies and the Principal Deficiency Ledger

The Principal Deficiency Ledger is constituted by the Funding Principal Deficiency Sub-Ledgers and the Seller's Note Principal Deficiency Sub-Ledger. Any Losses realised on the Mortgage Loans will be recorded on the Principal Deficiency Ledger as follows:

- (a) the Seller's Note Percentage of such Losses will be recorded on the Seller's Note Principal Deficiency Sub-Ledger; and
- (b) the Adjusted Funding Note Percentage of such Losses will be recorded on the Funding Principal Deficiency Sub-Ledgers.

In addition, the Funding Principal Deficiency Sub-Ledgers will record any application of Enhanced Available Principal Receipts to meet any Remaining Revenue Shortfall. For the avoidance of doubt, with the exception of any Losses realised on the Mortgage Portfolio, no debit entries will be made on the Seller's Note Principal Deficiency Sub-Ledger.

There will be a separate Funding Principal Deficiency Sub-Ledger for each of the Class A Notes and the Class Z(S) VFN (but not, for the avoidance of doubt, for the Class Z(R) VFN). Debit entries will be recorded on each Funding Principal Deficiency Sub-Ledger for the Class A Notes and the Class Z(S) VFN in reverse sequential order, starting with the Class Z(S) VFN. Debit entries may be adjusted in the event that the Principal Amount Outstanding of any Sub-Class of Class Z VFN is increased following any further drawdowns permitted under the Programme. Debit entries may also be reduced by the application of the Funding Note Revenue Portion in accordance with the Pre-Enforcement Revenue Priority of Payments in sequential order, starting with the Class A Principal Deficiency Sub-Ledger.

See the section entitled "Credit Structure and Cashflows – Principal Deficiencies and the Principal Deficiency Ledger" for more details.

Cash Accumulation Ledger	The Cash Manager will maintain separate Cash Accumulation Ledgers for the Issuer, which will record amounts accumulated by the Issuer to pay each outstanding Series of Bullet Redemption Notes.
Interest on the Class Z VFNs	At all times, interest payments due and payable under the Class Z(R) VFN and the Class Z(S) VFN will be subordinated to the payment of interest on the Class A Notes.
Deferral of interest	Interest due and payable on the Class Z(S) VFN, the Class Z(R) VFN and/or the Seller's Note may be deferred until sufficient funds are available. Interest due and payable on the Class A Notes may not be deferred. Interest payable on the Class A Notes and the Seller's Note will rank <i>pro rata</i> and <i>pari passu</i> , in accordance with the Seller's Note Revenue Portion and the Funding Note Revenue Portion.
Interest Rate Swap Agreements	The Issuer will enter, on the First Issuance Date and on each subsequent Issuance Date on which any further Series of Class A Notes that are Floating Rate Notes are issued, into one or more Interest Rate Swap Agreements and Interest Rate Swaps thereunder with the relevant Interest Rate Swap Counterparty to hedge against the difference between the rates of interest payable by the Borrowers under any Fixed Rate Mortgage Loans in the Mortgage Portfolio and interest payments due by the Issuer on the Floating Rate Notes in respect of each Series of Class A Notes. See the section entitled "The Swap Agreements – The Interest Rate Swap Agreements" for more information.
Key terms of the Interest Rate Swaps	The Interest Rate Swaps will include the following key commercial terms:

Swap notional amount

In respect of any Swap Calculation Period an amount equal to (a) the product of the Current Balance of the Fixed Rate Mortgage Loans (as determined in accordance with the terms of the relevant Interest Rate Swap) as at the relevant Calculation Date and the

applicable Performance Ratio, multiplied by (b) the applicable Swap Funding Note Percentage as at the Calculation Date immediately preceding the first day of such Swap Calculation Period, sized on a quarterly basis prior to the Swap Payment Switch Date and sized on a monthly basis from and including the Swap Payment Switch Date, provided that where the relevant Issue of Notes is subject to monthly Note Payment Dates only, the notional amount in respect of each Swap Calculation Period of the corresponding Interest Rate Swap will be calculated on a monthly basis.

Where some or all of the initial Calculation Period pre-dates the issuance of the relevant Notes, the notional amount for the initial Swap Calculation Period may be agreed between the parties.

Issuer payment

Periodic Sterling amounts calculated by reference to a weighted average of the rates of interest applicable under the Fixed Rate Mortgage Loans in the Mortgage Portfolio.

Where some or all of the initial Calculation Period pre-dates the issuance of the relevant Notes, the fixed rate applicable for the initial Swap Calculation Period may be agreed between the parties.

Interest Rate Swap Counterparty payment

Periodic Sterling amounts calculated by reference to either (a) compounded SONIA (expected to be Compounded Daily SONIA) plus relevant applicable margin (each as referenced in the latest Final Terms), or (b) fixed rate, as specified in the applicable Final Terms.

Frequency of payment

On the applicable Payment Date for the relevant Series of Notes.

Currency Swap

Agreements

For each Series and Class of Non-Sterling Notes, the Issuer will enter into a Currency Swap with a Currency Swap Counterparty to protect the Issuer against certain currency and/or interest rate fluctuations in respect of amounts payable to the Issuer under the Mortgage Loans and/or, as applicable, the relevant Interest Rate Swap Agreement and amounts payable by the Issuer under such corresponding Classes of

Notes of the relevant Series. See the section entitled "The Swap Agreements – The Currency Swaps" for more information.

Key terms of the Currency Swaps

Each Currency Swap will include the following key commercial terms:

<i>Issuer initial payment</i>	On the applicable Issuance Date, an amount in the Specified Currency equal to the proceeds of the issue of the Series and Class of Notes to which the Currency Swap relates.
<i>Currency Swap Counterparty initial payment</i>	On the applicable Issuance Date, the Sterling Equivalent of the proceeds of the issue of the Series and Class of Notes to which the Currency Swap relates.
<i>Issuer notional amount</i>	The Sterling Equivalent Principal Amount Outstanding of the Series and Class of Notes to which the Currency Swap relates from time to time.
<i>Currency Swap Counterparty notional amount</i>	The Principal Amount Outstanding of the Series and Class of Notes to which the Currency Swap relates from time to time.
<i>Issuer ongoing payments</i>	The Sterling Equivalent of the amounts of interest to be paid on the Series and Class of Notes to which the Currency Swap relates.
<i>Currency Swap Counterparty ongoing payments</i>	The amounts of interest to be paid on the Series and Class of Notes to which the Currency Swap relates.
<i>Issuer repayment amounts</i>	The Sterling Equivalent of the principal amount of the Series and Class of Notes to which the Currency Swap relates being redeemed on a given day.
<i>Currency Swap Counterparty repayment amount</i>	The principal amount of the Series and Class of Notes to which the Currency Swap relates being redeemed on a given day.
<i>Frequency of payment</i>	As described in the applicable Final Terms.

See the section entitled "The Swap Agreements" for further information.

Principal payments on Non-Sterling Notes

For the purposes of making payments in respect of any Series or Class of Non-Sterling Notes:

- (a) the Cash Manager will transfer to the relevant Currency Swap Counterparty the relevant principal exchange amount due under the relevant Currency Swap Agreement and the

relevant Currency Swap Counterparty will transfer the corresponding principal exchange amount in the currency of the relevant Class A Notes to the Principal Paying Agent for the account of the relevant Non-Sterling Noteholders; or

- (b) if there is no Currency Swap Agreement in place for the relevant Series of the Class A Notes (including, without limitation, as a result of the termination of the Original Currency Swap Agreement in relation to such Series), the Cash Manager will convert an amount equal to the applicable share of the Funding Note Principal Portion into the currency of the relevant Class A Notes at the applicable Spot Rate (booked for conversion for value on that Payment Date) and will transfer the amounts received following such conversion to the Principal Paying Agent for the account of the relevant Non-Sterling Noteholders.

Issuance Tests The issuance of any new Series of Class A Notes, or any Sub-Series of Class A Notes, under the Programme is subject to the satisfaction of the following tests:

- (a) no Event of Default has occurred and is continuing (and has not been waived) or will occur as a consequence of the issue of such Notes;
- (b) no Enforcement Notice has been delivered to the Issuer by the Note Trustee;
- (c) no Asset Trigger Event has occurred and no Non-Asset Trigger Event is continuing;
- (d) the Issuer has obtained a Ratings Confirmation in respect thereof;
- (e) each of the applicable Programme Issuance Documents has been executed by the relevant parties to those documents;
- (f) the Issuer having delivered the applicable solvency certificate to the Note Trustee;
- (g) on the Issuance Date of such Series and after giving effect to the issuance of such Series, the Actual Subordination Amount must be equal to, or greater than, the Required Subordination Amount; and
- (h) following the issuance of such Series, the Principal Amount Outstanding of the Seller's Note must be at least equal to the Minimum Seller's Note Amount.

See the section entitled "Issuance of Notes" for further details.

Required Subordination Amount..... The Issuer (or the Cash Manager on its behalf) will ensure at all times that the Actual Subordination Amount is not less than the Required Subordination Amount.

The Actual Subordination Amount for the Programme is initially funded through the Class Z(S) VFN. However, on an ongoing basis, the Actual Subordination Amount will reflect the aggregate of the Principal Amount Outstanding of the Class Z(S) VFN.

If the Actual Subordination Amount is in excess of the Required Subordination Amount (or will be following the application of the Funding Note Revenue Portion and the Funding Note Principal Portion on a Payment Date) the Class Z(S) VFN may, in accordance with the relevant Pre-Enforcement Principal Priority of Payments, be redeemed in an amount such that the Actual Subordination Amount is equal to the Required Subordination Amount.

See the sections entitled "Credit Structure and Cashflows" and "Class Z VFNs" for more details.

**Minimum Seller's Note
Amount.....**

The Issuer (or the Cash Manager on its behalf) will ensure that, for so long as any Class A Notes (or any other Notes that are not at all times held by the Seller (or one or more of its wholly owned affiliates)) or any Class Z VFNs remain outstanding, the Principal Amount Outstanding of the Seller's Note is at least equal to the Minimum Seller's Note Amount. The Minimum Seller's Note Amount will be the greatest of the (i) Required Retention Amount and (ii) Minimum Seller's Note Liquidity Amount.

If the Principal Amount Outstanding of the Seller's Note is greater than the Minimum Seller's Note Amount (or will be following the application of Enhanced Available Revenue Receipts and Enhanced Available Principal Receipts on a Payment Date), then:

- (a) the Seller's Note may, in accordance with the relevant Pre-Enforcement Principal Priority of Payments, be redeemed in an amount such that the Principal Amount Outstanding of the Seller's Note is at least equal to the Minimum Seller's Note Amount; or
- (b) the Seller may elect to exercise the Seller's Note Permitted Repurchase Procedure in order for it to repurchase Mortgage Loans and their Related Security from the Issuer, and the proceeds from such repurchase will be applied directly and exclusively towards the repayment of the Seller's Note.

In addition, the Issuer may apply an amount up to the gross proceeds of the issuance of the Class A Notes of any Series (the "**Class A Note Issuance Proceeds**") (with any costs and expenses associated with such issuance being funded by a drawing made under the Class Z(R) VFN), to redeem the Seller's Note, **provided that**:

- (a) following such redemption, the Principal Amount Outstanding of the Seller's Note would not be less than the Minimum Seller's Note Amount (the amount of such redemption being the "**Seller's Note Redemption Amount**"); and

- (b) the Seller's Note Redemption Amount shall not exceed the amount of such Class A Note Issuance Proceeds.

Any such redemption of the Seller's Note shall take place on the Issuance Date in respect of the relevant Class A Notes, and shall occur otherwise than in accordance with any Priority of Payments.

If some or all of the relevant Class A Notes are subscribed for by the holder of the Seller's Note (the "**Retained Class A Notes**"), then, to the extent that the Seller's Note Redemption Amount is less than or equal to the Class A Note Issuance Proceeds, the Seller's Note Redemption Amount shall be netted against an amount equal to the Retained Class A Notes. The holder of the Seller's Note shall procure that any surplus Class A Note Issuance Proceeds relating to Retained Class A Notes left following such netting are turned over to the Issuer.

For the avoidance of doubt, the Seller may exercise the Seller's Note Permitted Repurchase Procedure irrespective of whether (i) an Asset Trigger Event has occurred, (ii) a Non-Asset Trigger Event is continuing, or (iii) an Event of Default has occurred and is continuing.

See the sections entitled "Credit Structure and Cashflows" and "Class Z VFNs" for more details.

Transfer of collections Collections of interest and principal in respect of the Mortgage Loans in the Mortgage Portfolio are received into the Collection Accounts in the name of GovCo UK and swept into the Transaction Accounts within two (2) Business Days of identification of such amounts as collection amounts. Payments of interest and, in the case of Repayment Mortgage Loans, principal, are predominantly payable monthly in arrears.

See the section entitled "The Servicer and the Servicing Agreement" for more details.

Transaction Accounts As at the Programme Date, the Issuer holds the First Transaction Account with the First Account Bank and the Second Transaction Account with the Second Account Bank.

Pursuant to the terms of the First Account Bank Agreement, where the First Account Bank fails to satisfy the required Account Bank Minimum Required Rating, the Issuer will be required to move any amounts recorded to any of the Affected Ledgers maintained on the First Transaction Account to the Second Transaction Account or, if the Second Account Bank fails to satisfy the required Account Bank Minimum Required Rating at the relevant time, a replacement transaction account opened with a financial institution that complies with the required Account Bank Minimum Required Rating, and record the relevant amounts on the ledgers corresponding to the Affected Ledgers maintained with such replacement financial institution.

On any Business Day, the Cash Manager (on behalf of the Issuer) may transfer amounts standing to the credit of the First Transaction Account to the Second Transaction Account, and amounts standing to the credit of the Second Transaction Account to the First Transaction Account, provided that with respect to any amounts recorded to any of the Affected Ledgers, the First Transaction Account and/or the Second Transaction Account must maintain the required Account Bank Minimum Required Rating in order to hold such amounts.

In the event that the First Account Bank, having been rated below the Account Bank Minimum Required Rating, later regains the Account Bank Minimum Required Rating, the Cash Manager may (on behalf of the Issuer) transfer all or part of the amounts recorded to any of the Affected Ledgers from the Second Account Bank to the First Account Bank and vice versa.

See the section entitled "Cash Management" for more details.

Authorised Investments Amounts standing to the credit of the Transaction Accounts, including the Reserve Fund, may be invested in Authorised Investments. Authorised Investments are only required to mature or be liquidated, as applicable, to the extent that there are insufficient funds to meet the Issuer's obligations on such Payment Date standing to the credit of the Transaction Accounts. The remainder may continue to be held in Authorised Investments beyond the relevant Payment Date. Authorised Investments will be held with the Custodian in a Custody Account.

See the section entitled "Credit Structure and Cashflows" and "Cash Management" for more details.

Payment shortfalls due to arrears management On each Calculation Date, if the Cash Manager determines that there will be a shortfall in payment of interest and/or principal in respect of the Class A Notes on the next following Payment Date as a result of any shortfalls caused by any shortfalls in Revenue Receipts during the corresponding Calculation Period, the Issuer may draw down on the Seller's Note in the following amounts, as applicable:

- (a) an amount equal to such revenue shortfall multiplied by the then Adjusted Funding Note Percentage (such amount being the "**Arrears Management Revenue Shortfall Amount**"), to be included in the Funding Note Revenue Portion and applied in accordance with the Pre-Enforcement Revenue Priority of Payments; and/or
- (b) an amount equal to such principal shortfall, multiplied by the then Adjusted Funding Note Percentage (such amount being the "**Arrears Management Principal Shortfall Amount**") to be included in the Funding Note Principal Portion and applied in accordance with the relevant Pre-Enforcement Principal Priority of Payments.

Summary of Priorities of Payments

The Cash Manager will apply Available Revenue Receipts, Available Principal Receipts, Enhanced Available Revenue Receipts and Enhanced Available Principal Receipts on each Payment Date in accordance with the order of priority set out in the Cash Management Agreement, as summarised below. It should be noted that this is a summary of some of the main cashflows, and does not include every possible cashflow. For more information on cashflows, please refer to the sections entitled "Credit Structure and Cashflows – Application of Available Funds Following the Delivery of an Enforcement Notice", "Credit Structure and Cashflows – Available Principal Receipts" and "Credit Structure and Cashflows – Application of Available Funds Following the Delivery of an Enforcement Notice".

S&P

Transaction Party	Required Ratings/Triggers	Possible Effects of Trigger Being Breached
	<p>The required ratings and triggers described below (the S&P Required Ratings), as well as the possible effects of the relevant trigger being breached, will apply for so long as the Notes are rated by S&P. The relevant S&P Required Ratings depend on the rating of the Notes with the highest rating from S&P (the S&P Relevant Notes) and the applicable S&P framework elected by the Swap Counterparty from time to time (the S&P Framework). The S&P Global Ratings' 'Counterparty Risk Framework: Methodology And Assumptions' (published on 8 March 2019 (republished 27 July 2023)) permits four different options for selecting applicable frameworks containing transfer ratings triggers, and the contractual requirements that should apply on the occurrence of breach of a transfer ratings trigger by the Swap Provider. There are four S&P Frameworks: “Strong”, “Adequate”, “Moderate” and “Weak”.</p> <p>The Swap Counterparty (or its successor or relevant credit support provider) must satisfy the following requirements to have the S&P Required Ratings:</p> <p><u>Initial S&P Required Rating:</u> Where S&P Framework "Strong", "Adequate" or "Moderate" applies, an issuer credit rating or resolution counterparty rating assigned by S&P to the entity is at least as high as the rating corresponding to the rating of the S&P Relevant Notes and the applicable S&P Framework, as specified in Table 2 below under the column "Initial S&P Rating Event" (or such other rating from S&P that will support the then current rating of the S&P Relevant Notes).</p>	<p><u>Initial S&P Rating Event:</u> Subject to the terms of the Swap Agreement, the Swap Counterparty (or its successor or relevant credit support provider) must, within 10 business days, post collateral, and may (i) transfer its rights and obligations under the Swap Agreement to an eligible replacement, (ii) procure a guarantee from an eligible guarantor in respect of its obligations under the Swap Agreement, or (iii) take such other action (which may include taking no action) as required to maintain or restore the rating of the S&P Relevant Notes by S&P.</p> <p>The Issuer may terminate the Swaps under the Swap Agreement if the Swap Counterparty fails to post collateral in the relevant time period (to the extent it is required to do so).</p>

Transaction Party	Required Ratings/Triggers	Possible Effects of Trigger Being Breached
	<p><u>Subsequent S&P Required Rating:</u> Where S&P Framework “Strong”. “Adequate” or “Moderate” applies, an issuer credit rating or resolution counterparty rating assigned by S&P to the entity at least as high as the rating corresponding to the rating of the S&P Relevant Notes and the applicable S&P Framework, as specified in Table 2 below under the column "Subsequent S&P Rating Event" (or such other rating from S&P that will support the then current rating of the S&P Relevant Notes).</p> <p><u>Where S&P Framework “Weak” applies,</u></p>	<p><u>Subsequent S&P Rating Event:</u> Subject to the terms of the Swap Agreement, the Swap Counterparty (or its successor or relevant credit support provider) must, within 10 business days, post collateral, and use commercially reasonable efforts to within 90 calendar days, (i) transfer its rights and obligations under the Swap Agreement to an eligible replacement, (ii) procure a guarantee from an eligible guarantor in respect of its obligations under the Swap Agreement, or (iii) take such other action (which may include taking no action) as required to maintain or restore the rating of the S&P Relevant Notes by S&P.</p> <p>The Issuer may terminate the Swaps under the Swap Agreement if the Swap Counterparty fails to post collateral in the relevant time period (to the extent it is required to do so) or the Swap Counterparty fails to take the relevant actions set out in (i) to (iii) above in the relevant time period.</p> <p>Subject to the terms of the Swap Agreement, the Swap Counterparty (or its successor or relevant credit support provider) must, within 10 business days, post collateral, and use commercially reasonable efforts to within 90 calendar days, (i) transfer its rights and obligations under the Swap Agreement to an eligible replacement, (ii) procure a guarantee from an eligible guarantor in respect of its obligations under the Swap Agreement, or (iii) take such other action (which may include taking no action) as required to maintain or restore the rating of the S&P Relevant Notes by S&P</p> <p>There is no requirement to provide collateral whilst the process is on-going.</p>

DBRS

The required ratings and triggers described below (the **DBRS Required Ratings**), as well as the possible effects of the relevant trigger being breached, will apply for so long as the Notes are rated by DBRS. The relevant DBRS Required Ratings depend on the rating of the Notes with the highest rating from DBRS (the **"DBRS Relevant Notes"**).

Transaction Party	Required Ratings/Triggers	Possible Effects of Trigger Being Breached
	<p>The Swap Counterparty (or its successor or relevant credit support provider) must satisfy the following requirements to have the DBRS Required Ratings:</p>	
	<p><u>Initial DBRS Required Rating:</u> the Swap Counterparty must maintain a Long-Term DBRS Rating at least as high as "A" provided that the highest Notes rated by DBRS have a rating of at least AA(low).</p>	<p><u>Initial DBRS Rating Event:</u> Subject to the terms of the Swap Agreement, the Swap Counterparty must, within 30 business days of the loss of the Initial DBRS Required Rating, either (i) post collateral in accordance with the terms of the relevant Swap Agreement, (ii) transfer its rights and obligations under the Swap Agreement to an eligible replacement, (iii) procure a guarantee from an eligible guarantor in respect of its obligations under the Swap Agreement, or (iv) take such other action (which may include taking no action) as required to maintain or restore the rating of the DBRS Relevant Notes by DBRS.</p> <p>The Issuer may terminate the Swaps under the Swap Agreement if the Swap Counterparty fails to take one of actions set out in (i) to (iv) above in the relevant time period.</p>
	<p><u>Subsequent DBRS Required Rating:</u> the Swap Counterparty must maintain a Long-Term DBRS Rating of at least as high as "BBB"</p>	<p><u>Subsequent DBRS Rating Event:</u> Subject to the terms of the Swap Agreement, the Swap Counterparty must, within 30 business days of the loss of the Subsequent DBRS Required Rating, post collateral in accordance with the terms of the Swap Agreement, and use commercially reasonable efforts to either (i) transfer its rights and obligations under the Swap Agreement to an eligible replacement, (ii) procure a guarantee from an eligible guarantor in respect of its obligations under the Swap Agreement, or (iii) take such other action (which may include taking no action) as required to maintain or restore the rating of the DBRS Relevant Notes by DBRS.</p>

Transaction Party	Required Ratings/Triggers	Possible Effects of Trigger Being Breached
		<p>The Issuer may terminate the Swaps under the Swap Agreement if the Swap Counterparty fails to comply with the above requirements in the relevant time period.</p>
	<p>For the purposes of the above:</p>	
	<p>"Long-Term DBRS Rating" means, at any time, with respect to an entity and its long-term, unsecured and unsubordinated debt obligations:</p>	
	<p>(a) (i) its public Critical Obligations Rating or (ii) if a public Critical Obligations Rating is not maintained by such entity, the higher of (I) the issuer rating assigned by DBRS to such entity or (II) the rating assigned by DBRS to such entity's long term senior unsecured debt obligations; or</p> <p>(b) if no such rating has been assigned by DBRS, the corresponding DBRS Equivalent Rating.</p>	
	<p>"COR" or "Critical Obligations Rating" means, in relation to a relevant entity, the rating assigned by DBRS which addresses the risk of default of particular obligations and/or exposures of the relevant entity that in the view of DBRS have a higher probability of being excluded from bail-in and remaining in a continuing bank in the event of the resolution of a troubled bank than other senior unsecured obligations.</p>	
	<p>"DBRS Equivalent Rating" means (a) if a Fitch public rating, a Moody's public rating and an S&P public rating are all available in respect of the senior unsecured debt obligations of an entity, (i) the remaining rating (upon conversion on the basis of the DBRS Equivalent Chart) once the highest and the lowest rating have been excluded or (ii) in the case of two or more same ratings, any of such ratings (upon conversion on the basis of the DBRS Equivalent Chart), (b) if the DBRS Equivalent Rating cannot be determined under paragraph (a) above, but public ratings by any two of Fitch, Moody's and S&P are available, the lower rating available (upon conversion on the basis of the DBRS Equivalent Chart), and (c) if the DBRS Equivalent Rating cannot be determined</p>	

Transaction Party	Required Ratings/Triggers	Possible Effects of Trigger Being Breached
-------------------	---------------------------	--

under paragraph (a) or (b) above, and therefore only a public rating by one of Fitch, Moody's and S&P is available, such rating will be the DBRS Equivalent Rating (upon conversion on the basis of the DBRS Equivalent Chart).

"DBRS Equivalent Chart" means:

FEES

The table below sets out the principal ongoing transaction fees to be paid by the Issuer to Transaction Parties. Each of these fees is subject to change at any time without the notification or approval of Noteholders, including upon the appointment of any successor service provider or any other successor transaction party pursuant to the applicable Programme Document.

Type of Fee	Amount of Fee	Priority in Cashflow	Frequency
Servicing Fee	0.13% per annum (inclusive of VAT, if any) of the aggregate Current Balance of the Mortgage Portfolio as determined on the last day of the calendar month before the preceding Calculation Date	Ahead of all interest payments on the Notes	Each Payment Date
Cash management fee	0.02% per annum (inclusive of VAT, if any) of the aggregate Current Balance of the Mortgage Portfolio as determined on the last day of the calendar month before the preceding Calculation Date	Ahead of all interest payments on the Notes	Each Payment Date
Corporate expenses of Issuer	Estimated at £[150,000] per annum (exclusive of any VAT)	Ahead of all interest payments on the Notes	Each Payment Date
Fees related to the admission of the Class A Notes to trading	Calculated by the London Stock Exchange plc depending on the principal amount outstanding of the Notes to be admitted to trading	Ahead of all interest payments on the Notes	Within 30 days following the respective Issuance Date

The corporate expenses of the Issuer are exclusive of any VAT, which is currently chargeable at 20%, so that an amount equal to any VAT may be added to such expenses. Each of the Servicing Fee and the cash management fee is inclusive of VAT (if any), so that the actual amount of the fee will be the amount as set out above.

DESCRIPTION OF THE NOTES

THE CLASS A NOTES

Issuance Tests The Issuer may only issue a Series of Class A Notes or a Sub-Series of Class A Notes on the satisfaction of certain conditions precedent including the Issuance Tests, details of which are set out in the section entitled "Issuance of Notes – Issuance". Under the Issuance Tests, any Class A Notes and each Sub-Series of Class A Notes may be issued only if the amount of credit enhancement on the date of issuance of those Notes (after giving effect to such issuance), in the form of the Class Z VFNs, is equal to or greater than the Required Subordination Amount applicable across all outstanding Series of Class A Notes. The Required Subordination Amount will be calculated by reference to, among other things, the Required Subordination Percentage, which will be specified in the Final Terms for each Series of Class A Notes. The Required Subordination Percentage may, subject to certain conditions, be increased or decreased without Noteholder consent.

Ratings It is a condition of the issuance of each Series of Class A Notes issued by the Issuer (other than the Money Market Notes) that they be assigned the following ratings by at least two of Standard & Poor's, Moody's, Fitch or DBRS:

<u>S&P</u>	<u>Moody's</u>	<u>Fitch</u>	<u>DBRS</u>
AAA(sf)	Aaa(sf)	AAAsf	AAA(sf)

It is a condition of the issuance of any Series and Class of Money Market Notes that they be assigned a rating of A-1+, P-1, F1+ or R-1(low) by at least one of S&P, Moody's, Fitch or DBRS respectively.

The Relevant Rating Agencies and the ratings assigned by them to each Series of Class A Notes will be specified in the applicable Final Terms.

Ratings Modification Events At any time after the Issuance Date of a Series of Notes, the Issuer may, without the consent or sanction of Noteholders of a Series of Notes or the Secured Creditors:

- (a) remove any one of the Rating Agencies (a "**Removed Rating Agency**") from rating such Series of Notes (an "**Existing Rating Agency Removal**"); and/or
- (b) subsequently reappoint any such Removed Rating Agency or substitute any such Removed Rating Agency for one of the Rating Agencies then rating such Series of Notes ("**Existing Rating Agency Reappointment**"),

(a "**Ratings Modification Event**"), **provided that**, in each case and at all times, such Series of Notes continues to be rated by at least two Rating Agencies, and further **provided that** the Issuer has given at least 15 Business Days' prior notice to the holders of each relevant Series and Classes of Notes of such Ratings Modification Event.

Furthermore, the Issuer may appoint any number of additional rating agencies to rate any Series of Notes (each, an "**Additional Rating Agency**") **provided that**, where such Additional Rating Agency is not an Initial Rating Agency, such appointment will be made in accordance with the procedure set out in Condition 11(f)(i)(S) (*Additional rights of modification*) (whereby the Noteholders representing at least 10% of the aggregate Sterling Equivalent Principal Amount Outstanding of the Most Senior Class of Notes will be allowed to object to such appointment, which would make such appointment subject to approval by an Extraordinary Resolution of the Noteholders of the Most Senior Class of Notes then outstanding).

In the event of an Existing Rating Agency Removal, all ratings criteria, rating tests, rating triggers and any and all requirements specified by and/or relating to the removed Rating Agency will cease to apply as they relate to such Series of Notes and the Issuer may make such consequential modifications to the Conditions applying to the relevant Notes or any Transaction Document as are necessary to implement the removal of the relevant Rating Agency and all ratings criteria, rating tests, rating triggers and any and all requirements specified by and/or relating to such removed Rating Agency.

In the event of an Existing Rating Agency Reappointment, all then-current relevant ratings criteria, rating tests, rating triggers and any and all relevant requirements specified by and/or relating to the reappointed Rating Agency will apply and the Issuer may make such consequential modifications to the terms and conditions applying to the relevant Notes or any Transaction Document as are necessary to implement the reappointment of the relevant Rating Agency and all then-current relevant ratings criteria, rating tests, rating triggers and any and all relevant requirements specified by and/or relating to such reappointed Rating Agency.

Any modifications to the Conditions of any Series of Notes and/or any Transaction Document to implement a Ratings Modification Event or an appointment of an Additional Rating Agency will not require consent or sanction of any holder of any such Series of Notes or the Secured Creditors and will be binding on all the holders of any such Series of Notes or the Secured Creditors. There is no guarantee that any such modification will not ultimately adversely affect the rights of the holders of any such Series of Notes or the Secured Creditors, or payments on the Notes.

Denominations of the Notes.....	No less than £100,000 (and integral multiples of £1,000 in excess thereof) or, in respect of any Note issued which has a maturity of less than a year, £100,000 (or, in each case, its equivalent in the relevant currencies as at the date of issue of such Notes) or as otherwise specified in the applicable Final Terms.
Currencies.....	Sterling, US Dollar and Euro, or as otherwise specified in the applicable Final Terms.
Maturities.....	As specified in the applicable Final Terms.
Issue price	Fully paid/par, or at discount from, or premium over, par.
Selling restrictions.....	See the section entitled "Subscription and Sale and Transfer and Selling Restrictions".
Fixed Rate Notes	A Series of Class A Notes which are Fixed Rate Notes will bear interest at the fixed rate specified in the applicable Final Terms, which will be calculated on the basis of the Day Count Fraction specified in the applicable Final Terms (see Condition 4(a) (<i>Interest on Fixed Rate Notes</i>)).
Floating Rate Notes.....	<p>A Series of Class A Notes which are Floating Rate Notes will bear interest at a floating rate determined on the basis of SONIA, EURIBOR, €STR, SOFR or such other reference rate appearing on the agreed screen page of a commercial quotation service specified in the applicable Final Terms. The margin (if any) will be as specified in the applicable Final Terms (see Condition 4(b) (<i>Interest on Floating Rate Notes</i>)).</p> <p>Floating Rate Notes may also have a Maximum Rate of Interest, a Minimum Rate of Interest, certain step-up rates and/or a combination of such rates, in each case, as may be specified for such Notes in the applicable Final Terms.</p> <p>Interest on a Series of Floating Rate Notes will be calculated on the basis of the Day Count Fraction specified for such Notes in the applicable Final Terms.</p>
Pass-Through Redemption Notes	<p>A Series of Class A Notes which are Pass-Through Redemption Notes will be issued by the Issuer with no specified maturity date other than the Final Maturity Date specified for such Notes in the applicable Final Terms and will be redeemable in full on such Final Maturity Date.</p> <p>Each Series of Bullet Redemption Notes and each Series Controlled Amortisation Notes will become a Series of Pass-Through Redemption Notes following the occurrence of an Asset Trigger Event and/or for so long as a Non-Asset Trigger Event is continuing.</p>

Subject to the Reapplication Rule described in the section entitled "Credit Structure and Cashflows", the Issuer may, on each applicable Note Payment Date for a Series of Pass-Through Redemption Notes, repay all or part of such Notes in accordance with the Conditions prior to their Final Maturity Date. Following the occurrence of an Asset Trigger Event and/or for so long as a Non-Asset Trigger Event is continuing, the Issuer will repay such Notes in accordance with the Conditions, to the extent that funds are available and subject to the conditions for repayment, on the applicable Note Payment Dates.

**Controlled Amortisation
Notes.....**

A Series of Class A Notes which are Controlled Amortisation Notes will be issued by the Issuer on terms which allow for the redemption of the Sterling Equivalent Principal Amount Outstanding of such Notes on the Payment Dates specified as Controlled Amortisation Dates for such Notes in the applicable Final Terms, subject to limits on the Redemption Amount (specified as the Controlled Amortisation Amount for such Notes in the applicable Final Terms) which may be repaid on such Notes on each Controlled Amortisation Date.

To the extent that there are insufficient funds available on a Controlled Amortisation Date to repay the relevant Controlled Amortisation Amount then the Issuer will be required to pay the shortfall, to the extent it receives funds therefor, on subsequent Note Payment Dates in respect of such Notes.

Following the occurrence of an Asset Trigger Event and/or for so long as a Non-Asset Trigger Event is continuing in relation to a Series of Controlled Amortisation Notes, such Notes will become Pass-Through Redemption Notes and the Issuer will repay such Notes to the extent that funds are available and subject to the conditions regarding repayment, on the applicable Note Payment Dates. Furthermore, on each applicable Note Payment Date following the occurrence of an Asset Trigger Event and/or for so long as a Non-Asset Trigger Event is continuing, the Issuer, or the Cash Manager on its behalf, will apply Enhanced Available Principal Receipts, after making the requisite payments towards the Senior Fees and Expenses, any Revenue Shortfall and any amounts due to any Currency Swap Counterparty (excluding any Currency Swap Excluded Termination Amount), to redeem, if an Asset Trigger Event has occurred, all the Class A Notes which remain outstanding in no order of priority among them but in proportion to the respective amounts due or, if a Non-Asset Trigger Event is continuing, but an Asset Trigger Event has not occurred, in the following order of priority (i) in the order of their Final Maturity Date, beginning with the earliest such date (and if two or more Series of Class A Notes have the same Final Maturity Date, in proportion to the respective amounts due), any Class A Notes with Final Maturity Dates falling within five years from the date on which the respective Non-Asset Trigger Event has occurred, and (ii) in no

order of priority among them but in proportion to the respective amounts due, the remaining Class A Notes with Final Maturity Dates falling five years or later from the date on which the respective Non-Asset Trigger Event has occurred.

If, following the occurrence of a Non-Asset Trigger Event, no Non-Asset Trigger Event is continuing, the Controlled Amortisation Notes which became Pass-Through Redemption Notes while the Non-Asset Trigger Event was continuing will revert to being Controlled Amortisation Notes, and the Issuer may make repayments on such Notes in excess of the Controlled Amortisation Amount for such Notes, or may suspend making repayments on such Notes, on each Controlled Amortisation Date until the Sterling Equivalent Principal Amount Outstanding of such Notes is equal to the expected Sterling Equivalent Principal Amount Outstanding of such Notes on a Controlled Amortisation Date.

**Hard Bullet Redemption
Notes.....**

A Series of Class A Notes which are Hard Bullet Redemption Notes will be issued by the Issuer on terms which schedule the redemption of such Notes on one Note Payment Date specified as the Hard Bullet Redemption Date for such Notes in the applicable Final Terms.

The Issuer will seek to accumulate principal amounts for a Series of Hard Bullet Redemption Notes over the Cash Accumulation Period for such Notes and thus to redeem the Hard Bullet Redemption Notes in full on the relevant Hard Bullet Redemption Date. A Cash Accumulation Period for a Series and Class of Hard Bullet Redemption Notes will be determined according to a formula described under the section entitled "Credit Structure and Cashflows – Calculation of the Cash Accumulation Requirement" and, subject to such formula, will be the period of time estimated to be the number of months prior to the relevant Hard Bullet Redemption Date that is required by the Issuer to accumulate sufficient Principal Receipts (derived from the Mortgage Portfolio) to redeem the Sterling Equivalent Principal Amount Outstanding of the relevant Series of Hard Bullet Redemption Notes on their Hard Bullet Redemption Date.

The Issuer will apply Enhanced Available Principal Receipts and the amounts standing to the credit of the relevant Cash Accumulation Ledger in accordance with the applicable Priority of Payments in redemption of the relevant Hard Bullet Redemption Notes on the relevant Hard Bullet Scheduled Redemption Date to the extent that the Issuer has sufficient Enhanced Available Principal Receipts to do so.

If there are insufficient Enhanced Available Principal Receipts and there are insufficient amounts standing to the credit of each relevant Cash Accumulation Ledger to redeem the relevant Series and Class of Hard Bullet Redemption Notes in full on the relevant Hard Bullet Redemption Date, then an Event of Default will occur.

Following the occurrence of an Asset Trigger Event and/or for so long as a Non-Asset Trigger Event is continuing in relation to a Series of Hard Bullet Redemption Notes, such Notes will become Pass-Through Redemption Notes and the Issuer will repay such Notes to the extent that funds are available and subject to the conditions regarding repayment, on the applicable Note Payment Dates. Furthermore, on each applicable Note Payment Date following the occurrence of an Asset Trigger Event and/or for so long as a Non-Asset Trigger Event is continuing, the Issuer, or the Cash Manager on its behalf, will apply Enhanced Available Principal Receipts, after making the requisite payments towards the Senior Fees and Expenses, any Revenue Shortfall and any amounts due to any Currency Swap Counterparty (excluding any Currency Swap Excluded Termination Amount), to redeem, if an Asset Trigger Event has occurred, all the Class A Notes which remain outstanding in no order of priority among them but in proportion to the respective amounts due or, if a Non-Asset Trigger Event is continuing, but an Asset Trigger Event has not occurred, in the following order of priority (i) in the order of their Final Maturity Date, beginning with the earliest such date (and if two or more Series of Class A Notes have the same Final Maturity Date, in proportion to the respective amounts due), any Class A Notes with Final Maturity Dates falling within five years from the date on which the respective Non-Asset Trigger Event has occurred, and (ii) in no order of priority among them but in proportion to the respective amounts due, the remaining Class A Notes with Final Maturity Dates falling five years or later from the date on which the respective Non-Asset Trigger Event has occurred.

If, following the occurrence of a Non-Asset Trigger Event, no Non-Asset Trigger Event is continuing, the Hard Bullet Redemption Notes which became Pass-Through Redemption Notes while the Non-Asset Trigger Event was continuing will revert to being Hard Bullet Redemption Notes.

**Soft Bullet Redemption
Notes.....**

A Series of Class A Notes which are Soft Bullet Redemption Notes will be issued by the Issuer on terms which schedule the redemption of such Notes on one Note Payment Date specified as the Soft Bullet Scheduled Redemption Date for such Notes in the applicable Final Terms.

The Issuer will seek to accumulate principal amounts for a Series of Soft Bullet Redemption Notes over the relevant Cash Accumulation Period for such Notes and thus to redeem such Soft Bullet Redemption Notes in full on their Soft Bullet Scheduled Redemption Date. A Cash Accumulation Period for a Series of Soft Bullet Redemption Notes will be determined according to a formula described under the section entitled "Credit Structure and Cashflows – Calculation of the Cash Accumulation Requirement" and, subject to such formula, will be the period of time estimated to be the number of months prior

to the relevant Soft Bullet Scheduled Redemption Date that is required by the Issuer to accumulate sufficient Principal Receipts (derived from the Mortgage Portfolio) to redeem the Sterling Equivalent Principal Amount Outstanding of the relevant Series of Soft Bullet Redemption Notes on their Soft Bullet Scheduled Redemption Date.

The Issuer will apply Enhanced Available Principal Receipts and the amounts standing to the credit of the relevant Cash Accumulation Ledger in accordance with the applicable Priority of Payments in redemption of the relevant Soft Bullet Redemption Notes on the relevant Soft Bullet Scheduled Redemption Date to the extent that the Issuer has sufficient Enhanced Available Principal Receipts to do so. Thereafter, on each subsequent Note Payment Date up to and including the relevant Soft Bullet Final Redemption Date, the Issuer will, to the extent it has sufficient Enhanced Available Principal Receipts to do so, pay any remaining shortfall in accordance with the applicable Priority of Payments. If there are insufficient funds available to redeem any Soft Bullet Redemption Notes in full on any Soft Bullet Final Redemption Date, then an Event of Default will occur.

Following the occurrence of an Asset Trigger Event and/or for so long as a Non-Asset Trigger Event is continuing in relation to a Series of Soft Bullet Redemption Notes, such Notes will become Pass-Through Redemption Notes and the Issuer will repay such Notes to the extent that funds are available and subject to the conditions regarding repayment, on the applicable Note Payment Dates. Furthermore, on each applicable Note Payment Date following the occurrence of an Asset Trigger Event and/or for so long as a Non-Asset Trigger Event is continuing, the Issuer, or the Cash Manager on its behalf, will apply Enhanced Available Principal Receipts, after making the requisite payments towards the Senior Fees and Expenses, any Revenue Shortfall and any amounts due to any Currency Swap Counterparty (excluding any Currency Swap Excluded Termination Amount), to redeem, if an Asset Trigger Event has occurred, all the Class A Notes which remain outstanding in no order of priority among them but in proportion to the respective amounts due or, if a Non-Asset Trigger Event is continuing, but an Asset Trigger Event has not occurred, in the following order of priority (i) in the order of their Final Maturity Date, beginning with the earliest such date (and if two or more Series of Class A Notes have the same Final Maturity Date, in proportion to the respective amounts due), any Class A Notes with Final Maturity Dates falling within five years from the date on which the respective Non-Asset Trigger Event has occurred, and (ii) in no order of priority among them but in proportion to the respective amounts due, the remaining Class A Notes with Final Maturity Dates falling five years or later from the date on which the respective Non-Asset Trigger Event has occurred.

If, following the occurrence of a Non-Asset Trigger Event, no Non-Asset Trigger Event is continuing, the Soft Bullet Redemption Notes which became Pass-Through Redemption Notes while the relevant Non-Asset Trigger Event was continuing will revert to being Soft Bullet Redemption Notes.

Money Market Notes

The Issuer may, from time to time, issue a Series of Bullet Redemption Notes, Controlled Amortisation Notes or Pass-Through Redemption Notes that are designated as Money Market Notes in the applicable Final Terms. Money Market Notes are intended to be "eligible securities" for purchase by money market funds meeting the requirements of Rule 2a-7 under the Investment Company Act.

However, the determination as to whether any applicable Series of Notes will qualify as "eligible securities" under Rule 2a-7 will involve investment determinations and interpretive questions that, as with qualification and compliance with other aspects of Rule 2a-7, will be solely the responsibility of each money market fund and its investment adviser. None of the Issuer, the Seller, the Note Trustee, the Security Trustee, the Cash Manager, each Remarketing Agent, each Tender Agent, each Paying Agent, the Agent Bank, the Registrar, the Exchange and Transfer Agent, each Conditional Note Purchaser or any other party to the Programme Documents will make any representation as to the suitability of such Notes as "Money Market Notes" for investment by money market funds subject to Rule 2a-7.

The Final Maturity Date of any Money Market Notes will always be less than 397 days from the Issuance Date on which such Notes were issued unless the Issuer has entered into remarketing arrangements in relation to such Notes. Under such remarketing arrangements, a Remarketing Agent will agree to seek purchasers of the relevant Notes on specified dates throughout the term of such Notes and a Conditional Note Purchaser will agree to purchase any such Notes on such specified dates if purchasers for such Notes have not been found, **provided that** certain events have not then occurred. Such Money Market Notes will also be subject to the terms of Condition 5(h) (*Money Market Note Mandatory Transfer Arrangements*).

For more information on the Money Market Notes and the remarketing arrangements applicable thereto, see the sections entitled "Description of the Trust Deed and The Notes – Money Market Notes", "Risk Factors – Risks relating to the Rule 2a-7 suitability of the Money Market Notes", "Risks Relating to the Structure and the Notes – Ability of the Issuer to procure payment of the Money Market Note Mandatory Transfer Price may affect timely payment on the Money Market Notes" and "Risks Relating to the Structure and the Notes – Each Money Market Note Mandatory Transfer may be dependent upon

identification of investors interested in acquiring Money Market Notes".

THE VFNS

The Class Z VFNs The Class Z VFNs will be issued to the Class Z VFN Holder on the First Issuance Date. The Class Z VFNs consist of two separate Sub-Classes: the Class Z(R) VFN and the Class Z(S) VFN.

The Class Z(R) VFN The Class Z(R) VFN will be issued and can be drawn down at any time (a) to fund and, at the sole discretion of the Class Z VFN Holder, if necessary, to replenish the Reserve Fund, (b) at the sole discretion of the Class Z(R) VFN Holder, to be applied as Available Revenue Receipts for the purposes of curing any Revenue Shortfalls, (c) to pay the start-up expenses of the Issuer and to pay the fees, costs and expenses of the Issuer incurred in connection with the issuance of each Series of Notes or the operation of the Programme (and such amounts shall be applied as Available Revenue Receipts if paid on a Note Payment Date, but shall not be applied as Available Revenue Receipts if paid on any date which is not a Note Payment Date), (d) at the sole discretion of the Class Z(R) VFN Holder, to be applied as additional Available Revenue Receipts for the purposes of eliminating any debit entries on any Principal Deficiency Sub-Ledger, and (e) to fund any upfront premium under a Swap Agreement, if applicable.

If at any time the Reserve Fund Required Amount is reduced, and there is a Revenue Shortfall at such time, any amount in excess of the Reserve Fund Required Amount will be applied in accordance with the relevant Priority of Payments. If at any time the Reserve Fund Required Amount is reduced, and there is no Revenue Shortfall at such time, any amount in excess of the Reserve Fund Required Amount may be applied directly to repay the Class Z(R) VFN and any remaining amounts following such repayment to the Class Z VFN Holder may be paid directly to the Seller.

The Class Z(S) VFN The Class Z(S) VFN will be issued for the purposes of funding and maintaining the Required Subordination Amount for the Programme. The Principal Amount Outstanding under the Class Z(S) VFN at any time is required to be an amount equal to or greater than the Required Subordination Amount.

The Class Z VFN Holder may offer to advance, and the Issuer will accept, a drawing under the Class Z(S) VFN, in order to ensure that the Actual Subordination Amount is not less than the Required Subordination Amount. The Issuer will apply any drawings under the Class Z(S) VFN in one or more of the following ways:

- (a) to fund all or any part of the Initial Purchase Price for the Initial Mortgage Portfolio;

- (b) to fund all or any part of the Initial Additional Mortgage Portfolio Purchase Price for any Additional Mortgage Portfolio;
- (c) to purchase Additional Mortgage Loans and Related Security from the Seller pursuant to the terms of the Mortgage Sale Agreement in order to maintain the Required Subordination Amount;
- (d) as Available Principal Receipts to effect the redemption of any relevant Class A Notes on the next following Payment Date in accordance with Condition 5(b) (*Mandatory redemption of the Notes in Part*), the applicable Priority of Payments and the Reapplication Rule; and
- (e) to effect the redemption of the Seller's Note in accordance with Condition 5 (*Redemption, Purchase and Cancellation*), **provided that** any such redemption will not cause the Principal Amount Outstanding of the Seller's Note to be less than the Minimum Seller's Note Amount.

The Class Z(S) VFN ranks junior to the Class A Notes and the Class Z(R) VFN with respect to payments of interest.

If, on any Payment Date, the Actual Subordination Amount is in excess of the Required Subordination Amount (or will be following the application of Available Revenue Receipts and Available Principal Receipts on such Payment Date), then the Class Z(S) VFN may, in accordance with the relevant Pre-Enforcement Principal Priority of Payments, be repaid to an amount such that the Actual Subordination Amount is equal to the Required Subordination Amount.

Interest on the Class Z

VFNs.....

Compounded Daily SONIA.

Seller's Note

The Seller's Note will be issued and can be drawn down for one or more of the following purposes:

- (a) maintaining the requisite level of ongoing Principal Receipts necessary so as to meet scheduled payments on the Controlled Amortisation Notes and the Cash Accumulation Requirement in respect of Bullet Redemption Notes;
- (b) funding all or any part of the Initial Purchase Price for the Initial Mortgage Portfolio;
- (c) funding all or any part of the Initial Additional Mortgage Portfolio Purchase Price for any Additional Mortgage Portfolio;

- (d) funding the purchase by the Issuer of Additional Mortgage Loans and their Related Security in circumstances where the Actual Subordination Amount is greater than the Required Subordination Amount;
- (e) compliance with the EU Risk Retention Requirements, the UK Risk Retention Rules and the US Credit Risk Retention Requirements;
- (f) application of the drawings thereunder as Available Principal Receipts to effect the redemption of the Class A Notes on the next following Note Payment Date in accordance with Condition 5(b) (*Mandatory redemption of the Notes in Part*), the applicable Priority of Payments and the Reapplication Rule;
- (g) application of the drawings thereunder to effect the redemption of the Class Z(S) VFN in accordance with Condition 5 (*Redemption, Purchase and Cancellation*), subject to maintaining the Required Subordination Amount;
- (h) funding in whole or in part the purchase of any Further Advances on the applicable Mortgage Loans in the Mortgage Portfolio; and/or
- (i) making up for any shortfalls in Revenue Receipts through the application of drawings thereunder as the Funding Note Revenue Portion,

provided that the Issuer (or the Cash Manager on its behalf) will ensure that, for so long as any Class A Notes (or any other Notes that are not at all times held by the Seller (or its wholly owned affiliates)) or any Class Z VFNs remain outstanding, the Principal Amount Outstanding of the Seller's Note is at least equal to the Minimum Seller's Note Amount.

On each Payment Date, the Seller's Note may be repaid **provided that**, after such repayment, the Principal Amount Outstanding of the Seller's Note is not less than the Minimum Seller's Note Amount.

If the Principal Amount Outstanding of the Seller's Note is in excess of the Minimum Seller's Note Amount (or will be following the application of available funds in accordance with the applicable Priorities of Payment on a Payment Date), then:

- (a) the Seller's Note may, in accordance with the relevant Pre-Enforcement Principal Priority of Payments, be redeemed in an amount such that the Principal Amount Outstanding of the Seller's Note is at least equal to the Minimum Seller's Note Amount; or

- (b) the Seller may elect to exercise the Seller's Note Permitted Repurchase Procedure in order for it to repurchase Mortgage Loans and their Related Security from the Issuer, and the proceeds from such repurchase will be applied directly and exclusively towards the repayment of the Seller's Note.

In addition, the Issuer may apply the Class A Note Issuance Proceeds (with any costs and expenses associated with such issuance being funded by a drawing made under the Class Z(R) VFN) to redeem the Seller's Note, **provided that:**

- (a) following such redemption, the Principal Amount Outstanding of the Seller's Note would not be less than the Minimum Seller's Note Amount; and
- (b) the Seller's Note Redemption Amount shall not exceed the amount of such Class A Note Issuance Proceeds.

If some or all of the relevant Class A Notes are Retained Class A Notes, then, to the extent that the Seller's Note Redemption Amount is less than or equal to the Class A Note Issuance Proceeds, the Seller's Note Redemption Amount shall be netted against an amount equal to the Retained Class A Notes. The holder of the Seller's Note shall procure that any surplus Class A Note Issuance Proceeds relating to Retained Class A Notes left following such netting are turned over to the Issuer. Any such redemption of the Seller's Note shall take place on the Issuance Date in respect of the relevant Class A Notes, and shall occur otherwise than in accordance with any Priority of Payments.

It should be noted that, at any time when the Principal Amount Outstanding of the Seller's Note is in excess of the Minimum Seller's Note Amount, the Seller may, at its discretion, exercise the Seller's Note Permitted Repurchase Procedure. For the avoidance of doubt, the Seller may exercise the Seller's Note Permitted Repurchase Procedure irrespective of whether an Asset Trigger Event has occurred or whether a Non-Asset Trigger Event is continuing and/or an Event of Default has occurred and is continuing.

Interest on the Seller's Note

The lower of (i) Compounded Daily SONIA or (ii) the weighted average portfolio yield in respect of the Mortgage Loans comprised in the Mortgage Portfolio from time to time, with such rate then adjusted downwards by 1.0%, provided that the interest rate on the Seller's Note shall not be negative.

USE OF PROCEEDS

The Class A Notes

An amount equal to the gross proceeds of the issuance of the Class A Notes of each Series will (following, where applicable, the conversion into Sterling of the proceeds of any Class of Notes of such Series issued in a currency other than Sterling, pursuant to the terms of the relevant Currency Swap Agreement) be used by the Issuer:

- in respect of the First Issuance Date only, to pay to the Seller (in whole or in part) the Initial Purchase Price for the Initial Mortgage Portfolio to be assigned by the Seller to the Issuer on the First Issuance Date;
- to pay to the Seller (in whole or in part) the Initial Additional Mortgage Portfolio Purchase Price for any Additional Mortgage Portfolios to be assigned, from time to time, by the Seller to the Issuer;
- to redeem (in part) the Seller's Note on the respective Issuance Date **provided that** following such redemption, the Principal Amount Outstanding of the Seller's Note is at least equal to the Minimum Seller's Note Amount. Any such redemption of the Seller's Note shall take place on the Issuance Date in respect of the relevant Class A Notes, and shall occur otherwise than in accordance with any Priority of Payments; and/or
- to refinance any existing Series or Class of Notes.

The Class Z VFNs

The Issuer will issue on the First Issuance Date the Class Z VFNs which can be drawn down for one or more of the following purposes:

- in the case of the Class Z(S) VFN:
 - to fund all or any part of the Initial Purchase Price for the Initial Mortgage Portfolio;
 - to fund all or any part of the Initial Additional Mortgage Portfolio Purchase Price for any Additional Mortgage Portfolios;
 - to purchase Additional Mortgage Loans and their Related Security in order to maintain the Required Subordination Amount;
 - to be applied as Available Principal Receipts to effect the redemption of the Class A Notes on the next following Note Payment Date in accordance with Condition 5(b) (*Mandatory redemption of the Notes in Part*), the applicable Priority of Payments and the Reapplication Rule; and
 - to be applied to effect the redemption of the Seller's Note in accordance with Condition 5 (*Redemption, Purchase and Cancellation*), **provided that** the Principal Amount Outstanding of the Seller's Note is at least equal to the Minimum Seller's Note Amount for so long as any Class A Notes (or any other Notes that are not at all times held by the Seller (or its wholly owned affiliates)) or any Class Z VFNs remain outstanding; and
- in the case of the Class Z(R) VFN:

Use of Proceeds

- to fund and, at the sole discretion of the Class Z(R) VFN Holder, if necessary to replenish the Reserve Fund;
- at the sole discretion of the Class Z(R) VFN Holder, to be applied as Available Revenue Receipts for the purposes of curing any Revenue Shortfalls;
- to pay the start-up expenses of the Issuer and to pay the fees, costs and expenses of the Issuer incurred in connection with the issuance of each Series of Notes or the operation of the Programme (and such amounts shall be applied as Available Revenue Receipts if paid on a Note Payment Date, but shall not be applied as Available Revenue Receipts if paid on any date which is not a Note Payment Date);
- at the sole discretion of the Class Z(R) VFN Holder, to be applied as Available Revenue Receipts for the purposes of eliminating any debit entries on any Principal Deficiency Sub-Ledger; and
- to fund any upfront premium payable by the Issuer under a Swap Agreement, if applicable.

The Seller's Note

The Issuer will issue on the First Issuance Date the Seller's Note which can be drawn down for one or more of the following purposes:

- to maintain the requisite level of ongoing Principal Receipts necessary to meet scheduled payments on the Controlled Amortisation Notes and the Cash Accumulation Requirement in respect of Bullet Redemption Notes;
- to fund all or any part of the Initial Purchase Price for the Initial Mortgage Portfolio;
- to fund all or any part of the Initial Additional Mortgage Portfolio Purchase Price for any Additional Mortgage Portfolios;
- funding the purchase of Additional Mortgage Loans and their Related Security in circumstances where the Actual Subordination Amount is greater than the Required Subordination Amount;
- complying with the EU Risk Retention Requirements, the UK Risk Retention Rules and the US Credit Risk Retention Requirements;
- application of the drawings thereunder as Available Principal Receipts to effect the redemption of the Class A Notes on the next following Note Payment Date in accordance with Condition 5(b) (*Mandatory redemption of the Notes in Part*), the applicable Priority of Payments and the Reapplication Rule;
- application of the drawings thereunder to effect the redemption of the Class Z(S) VFN in accordance with Condition 5 (*Redemption, Purchase and Cancellation*), subject to maintaining the Required Subordination Amount;
- funding in whole or in part the purchase of any applicable Further Advances on the applicable Mortgage Loans in the Mortgage Portfolio at such time, in each case, following the application of any Principal Receipts available for such purposes in accordance with the applicable Priority of Payments; and/or
- making up for any shortfall caused by any shortfalls in Revenue Receipts,

Use of Proceeds

provided that the Principal Amount Outstanding of the Seller's Note is at least equal to the Minimum Seller's Note Amount, for so long as any Class A Notes (or any other Notes that are not at all times held by the Seller (or its wholly owned affiliates)) or any Class Z VFNs remain outstanding.

ISSUANCE OF NOTES

The following summary and the information set out in the sections entitled "Description of the Trust Deed and The Notes" and "Terms and Conditions of the Notes" summarise the material terms of the Notes and the Trust Deed. These summaries do not purport to be complete and are subject to the provisions of the Trust Deed and the Conditions.

General

The Notes will be issued in Series. Series of Class A Notes will be issued from time to time, and may consist of one or more Sub-Classes. However, there will be no more than one Series of Class Z VFNs or the Seller's Note in respect of the Programme. The Class Z VFNs consist of two Sub-Classes, being the Class Z(S) VFN and the Class Z(R) VFN, as further explained below. The Class Z(S) VFN, Class Z(R) VFN and the Seller's Note will be issued on the First Issuance Date. The Notes of a particular Class in different Series (and the Notes of differing Sub-Classes of the same Class and Series) will not necessarily have all the same terms. Differences may include principal amount, interest rates, interest rate calculations, currency, dates, Note Payment Dates, Final Maturity Dates and ratings. Each Series and Class of Notes will be secured by the same assets, being the Mortgage Portfolio. Noteholders holding certain Notes may have the benefit of remarketing and conditional purchase arrangements or similar arrangements. The terms of each Series of Notes (and, as applicable, each Sub-Series of the Class A Notes) will be set forth in the applicable Final Terms. Existing Noteholders will be informed of further issuances of new Series of Class A Notes via the regulatory news service on the London Stock Exchange website.

The Principal Amount Outstanding of the Notes issued on the First Issuance Date will be in excess of £5,000,000.

Issuance

The Issuer may issue new Series of Class A Notes without obtaining the consent of existing Noteholders. The Issuer may only issue a new Series of Class A Notes if sufficient subordination is provided for new Series through the Class Z(S) VFN, and the required amounts with respect to the Seller's Note and the Reserve Fund are met. The Required Subordination Percentage and the Reserve Fund Series Percentage, which are used to calculate the Required Subordination Amount and the Reserve Fund Required Amount, respectively, will be set forth in the relevant Final Terms. The issuance tests are set out below.

On the Issuance Date of any Series or, as the case may be, Sub-Series, of Class A Notes the "**Issuance Tests**" necessary to issue such Series or, as the case may be, such Sub-Series are as follows:

- no Event of Default has occurred and is continuing (and has not been waived) or will occur as a consequence of the issue of such Notes;
- no Enforcement Notice has been delivered to the Issuer by the Note Trustee;
- no Asset Trigger Event has occurred and no Non-Asset Trigger Event is continuing;
- the Issuer has obtained a Ratings Confirmation in respect thereof;
- each of the applicable Programme Issuance Documents has been executed by the relevant parties to those documents;
- the Issuer having delivered the applicable solvency certificate to the Note Trustee;

Issuance of Notes

- on the Issuance Date of such Series and after giving effect to the issuance of the Notes of that Series, the Actual Subordination Amount must be equal to, or greater than, the Required Subordination Amount; and
- following the issuance of such Series, the Principal Amount Outstanding of the Seller's Note must be at least equal to the Minimum Seller's Note Amount.

In relation to the above, the amounts available on any date for the payment of principal on the Notes will be calculated in accordance with the relevant Pre-Enforcement Principal Priority of Payments (as set out in the section entitled "Credit Structure and Cashflows – Available Principal Receipts") and will be calculated with reference to the rules for the application of Available Principal Receipts (as set out in the section entitled "Credit Structure and Cashflows – Available Principal Receipts – Rules for the repayment of principal amounts due on the Notes").

For the avoidance of doubt, where the relevant Step-Up Date has occurred in relation to any Series of Pass-Through Redemption Notes or Controlled Amortisation Notes, and such Notes remain outstanding, the Issuer will retain the right to issue additional Series of Pass-Through Redemption Notes but will be precluded from issuing any additional Series of Controlled Amortisation Notes or Bullet Redemption Notes.

THE MORTGAGE LOANS AND THE MORTGAGE PORTFOLIO

Introduction

The following is a description of some of the characteristics of the Mortgage Loans originated by the Seller and comprised in the Initial Mortgage Portfolio or any Additional Mortgage Portfolios to be assigned, including details of loan types, the underwriting process, lending criteria and selected statistical information.

The Seller will select the Mortgage Loans for transfer into the Initial Mortgage Portfolio using a system containing defined data on each of the qualifying loans in the Seller's overall portfolio of loans available for selection. This system allows the setting of exclusion criteria corresponding to, *inter alia*, relevant Mortgage Loan Warranties that the Seller makes in the Mortgage Sale Agreement in relation to the Mortgage Loans (see the section entitled "Assignment of the Mortgage Loans and Related Security – Representations and warranties"). This system also allows a limit to be set on some criteria. Once the criteria have been determined, the system identifies all loans owned by the Seller that are consistent with the criteria. From this subset, loans are selected at random until the target balance for Mortgage Loans has been reached, or the subset has been exhausted. After a pool of Mortgage Loans is selected in this way, the constituent Mortgage Loans are monitored to ensure their compliance with the Mortgage Loan Warranties on each Assignment Date. No Mortgage Loans in the Mortgage Portfolio will be selected with the aim of rendering losses on the Mortgage Loans sold to the Issuer, measured over a period of four years, higher than the losses over the same period on comparable assets held on the balance sheet of the Seller.

Unless otherwise indicated, the description that follows relates to types of loans that have been or could be sold to the Issuer as part of the Mortgage Portfolio on an Assignment Date.

Any Mortgage Loans sold to the Issuer on an Assignment Date will be selected from the relevant Cut-Off Date Mortgage Portfolio.

In addition, **provided that** a Sale Period is still continuing, the Seller may sell Additional Mortgage Loans to the Issuer on any Assignment Date. The Mortgage Loan Warranties in respect of such Additional Mortgage Loans (other than any Additional Mortgage Loans repurchased by the Seller) will be given on the Payment Date immediately following the relevant Assignment Date. See the section entitled "Repurchase of the Mortgage Loans due to breach of Mortgage Loan Warranties, Eligibility Criteria or Portfolio Criteria" below for more details.

In addition, the Seller or the Servicer (on behalf of the Seller) may agree to a request from a Borrower under a Mortgage Loan a Product Switch. If this occurs, the loan which the original Mortgage Loan is switched into may have mortgage terms different from those Mortgage Loans forming the Mortgage Portfolio (including characteristics that are not currently being offered to Borrowers or that have not yet been developed) and may have been originated according to different Lending Criteria. All Product Switches will be required to comply with the Eligibility Criteria and the Portfolio Criteria (of which such satisfaction will be determined on the applicable Testing Date and with reference to the relevant Mortgage Loan(s) as at the end of the calendar month immediately preceding the relevant Switch Date) as set out in the Mortgage Sale Agreement. The material warranties in the Mortgage Sale Agreement to be given as at the First Issuance Date (or, in respect of the relevant Additional Mortgage Loans, as at the Payment Date immediately following the relevant Assignment Date) and the Eligibility Criteria (which include satisfaction of the warranties) and the Portfolio Criteria, which must be met on each Switch Date (as determined on the applicable Testing Date and with reference to the relevant Mortgage Loan(s) as at the end of the calendar month immediately preceding the relevant Switch Date), are described in this Base Prospectus. See the section entitled "Repurchase of the Mortgage Loans due to breach of Mortgage Loan Warranties, Eligibility Criteria or Portfolio Criteria" below for more details.

The Mortgage Loans and the Mortgage Portfolio

The Seller is not permitted to sell newly originated Mortgage Loans to the Issuer at any time after it ceases to originate new loans that are capable of meeting the predetermined credit quality requirements set out in the Mortgage Sale Agreement and complying in all material respects with the applicable Mortgage Loan Warranties.

There has been no revaluation of any Mortgaged Properties for the purposes of the issuance of the Notes and the valuations quoted are those obtained prior to the origination of the Mortgage Loans in accordance with the relevant Lending Criteria.

The Mortgage Loans in the Mortgage Portfolio will not include at the time of selection for inclusion in the Mortgage Portfolio any exposures in default within the meaning of Article 178(1) of UK CRR for the purposes of SECN 2.2.12R.

The Mortgage Loans comprised in the Mortgage Portfolio are intended for Borrowers who wish to use the Mortgage Loans as a means to purchase or refinance a residential property to be used solely as the Borrower's own residence.

Characteristics of the Mortgage Loans

Repayment Terms

Mortgage Loans may combine one or more of the features listed in this section. Other customer incentives may be offered with the product, for example, free valuations and payment of legal fees. Additional features are also available to borrowers under certain circumstances on selected products. Overpayments are allowed on all products, within certain limits. See the section entitled "Overpayments, Restructurings and Credit Arrears Positions" below.

Mortgage Loans in the Initial Mortgage Portfolio are Repayment Mortgage Loans, Interest-Only Mortgage Loans and Part and Part Mortgage Loans.

The required accrued rate of interest on the Mortgage Loans will vary from month to month as a result of changes in interest rates.

Principal prepayments may be made in whole or in part at any time during the term of a Mortgage Loan, subject to the payment of any Early Repayment Charges (as described in the section entitled "Early Repayment Charges" below). A prepayment of the entire outstanding balance of a loan discharges the mortgage. Any prepayment in full must be made together with all Accrued Interest, Arrears of Interest, any unpaid expenses and any applicable repayment fee(s).

All payments on the Mortgage Loans must be made in Sterling and the majority of the payments are made by direct debit instruction through the UK direct debit system from a bank or building society account and are credited directly into the Collection Accounts.

Interest payments and interest rate setting

The Seller has responded to the competitive mortgage market by developing a range of products that are used to attract new borrowers and retain existing customers. Interest on the Mortgage Loans is charged on one of the following bases and the Seller is able to combine these to suit the requirements of the Borrower:

- **"Variable Rate Mortgage Loans"** are Mortgage Loans which are subject to the **"Standard Variable Rate"** or **"SVR"**, set from time to time by the Servicer in accordance with the Servicing Agreement. As at the Programme Date, the SVR is [7.64]%.

The Mortgage Loans and the Mortgage Portfolio

- **"Fixed Rate Mortgage Loans"** are Mortgage Loans which are subject to a rate of interest which is set at a fixed rate or a series of fixed rates for a specified initial period (the **"Product Period"**). At the end of the Product Period, the interest rate payable on the Fixed Rate Mortgage Loans is referenced to the SVR.
- **"Tracker Mortgage Loans"** are Mortgage Loans that are subject to a rate of interest linked to or tracking a rate set by the Bank of England.

The Seller may alter the Discretionary Rate or introduce other discretionary rates in the future. In certain instances, Early Repayment Charges may be payable by the Borrower if the Mortgage Loan is redeemed during the predetermined Product Period. See the section entitled "Early Repayment Charges" below.

All loans originated by the Seller provide for interest to be calculated on a monthly basis. The interest calculated at the end of each charging period is added to the amount of the loan. This interest is charged on the balance at the end of the last charging period or the balance at the beginning of the financial year depending on individual terms and conditions. Consequently, any payment by the Borrower will reduce the Borrower's balance on which interest will be calculated in line with the terms and conditions.

Except in limited circumstances as set out in the section entitled "The Servicer and the Servicing Agreement – Covenants and Representations and Warranties of the Servicer", the Servicer is responsible for setting the Discretionary Rates on the Mortgage Loans in the Mortgage Portfolio that are sold to the Issuer. Under the applicable version of the Mortgage Conditions, the Seller has a right to vary the interest rate (where the Seller reasonably believes the increase or decrease (which will be reasonable and proportionate) is needed) to take account of changes in the Bank of England base rate or in the event the Bank of England base rate is replaced, such other rate set by the Bank of England or any body which may, in the future, take over responsibility for interest rate setting from the Bank of England.

These reasons may relate to circumstances existing at the time or which the Seller reasonably expects to apply in the near future.

If the Seller wishes to vary the interest rate applicable to a Variable Rate Mortgage Loan, the Seller will notify Borrowers of the change personally either before or as soon as possible after the change is to take effect. If the Borrower does not agree to the change, they may repay the loan but if they do so they may incur Early Repayment Charges and other charges.

Early Repayment Charges

The Borrower may be required to pay an early repayment charge (an **"Early Repayment Charge"**) if certain events occur during the predetermined Product Period and the mortgage offer states that the Borrower is liable for Early Repayment Charges. These events include a full or partial unscheduled repayment of principal, or an agreement between the Seller and the Borrower to switch to a different mortgage product. If all or part of the principal owed by the Borrower, other than the scheduled monthly payments, is repaid before the end of the Product Period or the Borrower switches to another product, the Borrower may be liable to pay to the Seller all or part of an Early Repayment Charge based on the amount of principal borrowed at the outset of the mortgage (if a mortgage is redeemed in part, then a proportionate part of the Early Repayment Charge set out in the Offer Letter is payable).

The Servicer will be given the right, acting as a Prudent Mortgage Lender, to waive the payment of any Early Repayment Charges by a Borrower.

Overpayments, Restructurings and Credit Arrears Positions²

Delinquency and default of debtors, debt restructuring, debt forgiveness, forbearance, losses, charge-offs, recoveries and other asset performance remedies are defined in accordance with the Servicer's servicing policies and procedures. The Servicer would initiate its contact strategy with a borrower at the point where a loan is in arrears in an amount equal to or greater than £40 or is one month in arrears (whichever is the smaller in value) and at this point would consider a loan to be delinquent.

If the Borrower fails, on the second consecutive Monthly Payment Date in respect of that mortgage advance, to pay the full Monthly Payment then due, the Servicer will typically dispatch a third party to meet with the Borrower and offer field counselling, which also allows the Servicer to evaluate any potential issues. Telephone contact will continue to be attempted by the Servicer throughout this period.

If, at this stage, the Servicer has been unable to contact the Borrower or resolve the arrears position, a member of the Servicer's specialist mortgage collections team will typically send the Borrower a letter stating its intention to commence litigation proceedings. On loans regulated under the CCA, a formal default letter will be sent to the Borrower demanding immediate repayment of all amounts due under the relevant Mortgage Loan. If a satisfactory response is not received from the Borrower, the Servicer will generally refer the Mortgage Loan to its litigation team to commence formal legal proceedings for possession of the relevant property.

The courts will have discretion as it deems appropriate in accordance with applicable laws (such as section 36 of the Administration of Justice Act 1970, amongst others) and rules as to whether to grant an order requiring a Borrower to grant vacant possession of the relevant property, or to suspend such possession order on such the terms and/or conditions as agreed or directed. If a Borrower does not voluntarily vacate the relevant property after a possession order has been granted, a warrant for execution served by a court officer in accordance with the terms of the possession order will be required before the Servicer will be able to obtain vacant possession of that property.

After the Servicer has obtained possession of a property, it may take any action it considers appropriate, including:

- securing, maintaining or protecting the property and putting it into a suitable condition for sale;
- creating any estate or interest in the property, including a leasehold;
- disposing of the property (in whole or in part) or of any interest in the property, by auction, private sale or otherwise, for the best available price in the then current market conditions;
- letting the property for any period of time; and
- carrying out such works on the property as it considers appropriate (which may include the demolition of the whole or any part of it),

in each case, subject to any fiduciary duties which the Servicer may owe to the Borrower. The Servicer may vary any of these arrangements from time to time at its discretion, the primary aim being to restore the paying status of the Borrower and recover the arrears.

- **Overpayments** – Overpayments are allowed on all products, although an Early Repayment Charge may be payable (as described in the section entitled "Early Repayment Charges" above). Borrowers may either increase their regular monthly payments above the normal monthly payment then applicable or make lump sum payments at any time.

² Subject to final sign off.

The Mortgage Loans and the Mortgage Portfolio

Since interest is calculated on a daily basis, if Borrowers pay more than the scheduled monthly payment, the balance on their mortgage loan will be reduced. The Seller will charge interest on the reduced balance, which reduces the amount of interest the Borrower must pay.

- **Restructurings** – The Seller offer a range of forbearance options to support customers in or facing financial difficulty based on their individual circumstances, including promise to pay agreements, arrangement plans and term extensions. Payment plans are reviewed regularly with Borrowers, and the Seller does not alter an agreed plan until such plan is reviewed with the Borrower, unless the Borrower requests a change or there is a significant change in circumstances.
- **Losses** – Realised losses will be calculated after applying any recoveries following enforcement of a Mortgage Loan (but on or prior to the completion of enforcement proceedings in respect of such Mortgage Loan) to outstanding fees and interest amounts due and payable on the relevant Mortgage Loan.
- **Write-offs** – The Seller considers write-offs to include the loss that materialises post repossession (i.e. the shortfall from the recovery proceeds from the sale of the relevant Mortgaged Property in relation to the debt plus costs). The relevant Borrower will be provided with a completion statement once a sale has been completed, setting out how all final figures have been calculated. If there is a shortfall, the Servicer will comply with the UK Finance voluntary shortfall agreement and will only pursue the relevant Borrower for 6 years from the date of the last payment on the account.

Further Advances

If a Borrower wishes to take out a further loan secured by the same mortgage, the Borrower will need to make a further advance application and the Seller (or the Servicer on its behalf) will use the lending criteria applicable to further advances at that time in determining whether to approve the application. The original mortgage deed is expressed to cover all amounts due under the relevant loan which would cover any Further Advances. (See the section entitled "Risk Factors – Risks Relating to the Mortgage Loans – Further Advances and Product Switches").

Some Mortgage Loans in the Mortgage Portfolio may have Further Advances made on them prior to their being sold to the Issuer on the applicable Assignment Date.

If a Mortgage Loan is subject to a Further Advance after being sold to the Issuer, the Seller will be required to repurchase the Mortgage Loan and its Related Security from the Issuer to the extent that the Issuer does not have sufficient funds from the Principal Ledger or from a drawing under the Class Z(S) VFN or Seller's Note to fund the purchase of such Further Advance.

(See the section entitled "Risk Factors – Further Advances and Product Switches").

Product Switches

From time to time, Borrowers may request, or the Servicer may send, an offer of a variation in the financial terms and conditions applicable to the Borrower's loan. In limited circumstances, if a Mortgage Loan is subject to a Product Switch as a result of a variation, then the Seller may be required to repurchase the Mortgage Loan or Mortgage Loans and their Related Security from the Issuer. (See the section entitled "Risk Factors – Risks Relating to the Mortgage Loans – Further Advances and Product Switches").

Origination channels

The Seller currently derives the majority of its mortgage-lending business through mortgage brokers and other intermediaries.

Once an application for a mortgage loan is received from a prospective new customer (through whichever origination channel), or in the instance of Further Advances, the Seller completes a template, which includes information about the applicants' income, current employment details, bank account information, current mortgage information, if any, and certain other personal information. The Seller has original or electronic file copies of most (but not all) of the relevant application forms, which should not affect the enforceability of the mortgage loans. A credit reference agency search is completed in all cases against each applicant at their current address and, if necessary, former addresses, which gives details of public information including any county court judgments and details of any bankruptcy or sequestration. An internal credit score is also generated by an automated system in respect of each application to assist in the process of their credit application.

Since December 2001, all applications for mortgage loans have been evaluated by an automated system which sorts applications into 'accept', 'refer' and 'decline' categories.

Applications received through the automated system graded as 'accept' or 'refer' are referred to an Approver located in the Seller's central underwriting units for review. The system directs Approvers to review the application and to accept it conditionally or to decline it. In exceptional circumstances and on appeal from the relevant applicant a 'decline' decision may be overridden by a senior Approver, provided that there are sufficient positives attached to the relevant application.

The Seller requires (or required, as applicable) each Approver to complete a training programme with the Seller and to achieve a minimum competency level prior to being given the authority to approve a mortgage loan. The Seller has established various levels of authority for its Approvers that reflect, amongst other things, the degree of risk that the Approver is permitted to approve. Approval decisions are monitored regularly for compliance with approval authority and conformity with the Lending Criteria.

The Mortgage Portfolio does not and will not include any mortgage loans that were at the time of origination marketed and underwritten on the premise that the loan applicant or, where applicable, intermediaries were made aware that the information provided by the loan applicant might not be verified by the Seller for purposes of SECN 8.3.1(R).

The assessment of a borrower's creditworthiness is conducted in accordance with the lending criteria and, where appropriate, meets the requirements set out in Article 8 of the Consumer Credit Directive (Directive 2008/48/EC) or paragraphs 1 to 4, point (a) of paragraph 5, and paragraph 6 of Article 18 of the MCD or the applicable provisions of MCOB or, where applicable, equivalent requirements in third countries.

At the point of origination of the mortgage loans, the Seller may have offered or consider offering some Borrowers incentives such as cashback, free valuations and payment of legal fees.

The Seller is subject to the FSMA, MCOB (and other rules under the FSMA) and the Ombudsman, which is a statutory scheme under the FSMA.

"Approver" means an individual, regardless of actual job title, who has been granted specific authority to assess mortgage loan applications on behalf of the Seller. From June 2018, the Approver includes the Seller's in-house automated application placing system.

Lending Criteria

On each Issuance Date (and in respect of Additional Mortgage Loans, on the Payment Date immediately following the relevant Assignment Date), the Seller will represent that each Mortgage Loan being sold to the Issuer was originated according to the lending criteria of the Seller at the time the Mortgage Loan was offered (the "**Lending Criteria**"), in all material respects, subject only to exceptions made on a case-by-case basis as would be acceptable to a Prudent Mortgage Lender. Policy and risk appetite varies in line with a number of internal and external factors, in particular expectations of the housing market and wider economy and the Seller retains the right to revise its lending criteria from time to time, so the criteria applicable to any Mortgage Loans which are the subject of a Further Advance or a Product Switch may not be the same as those currently used or used at the time of the Initial Advance in relation to such mortgage loan.

The summary below and in this Base Prospectus reflects the Lending Criteria applied for originations of the Mortgage Loans as at the date of this Base Prospectus. The Seller's current policy reflects the uncertainty of the economy and in certain areas is more restrictive than the historic lending criteria.

(a) *Property - location*

Each property on which a mortgage loan is secured is situated in England and Wales.

(b) *Property - Borrower's title*

Each mortgaged property is a freehold or leasehold residential property in England and Wales, the legal title to which is vested in the Borrower and is a good and marketable title.

(c) *Property – Leasehold*

Prior to July 2015, there must be at least 70 years remaining on the lease at origination of a mortgage loan and at least 45 years remaining at the maturity of the mortgage loan.

From July 2015, there must be at least 85 years remaining on the lease at origination of a mortgage loan.

(d) *Property - valuation*

In most cases a valuation is required, to be performed by a valuer, being an Associate, Member or Fellow of the Royal Institution of Chartered Surveyors (or in limited circumstances the Seller's own surveyors) or is otherwise acceptable to the Seller acting as a Prudent Mortgage Lender except in the case of certain further advances where the loan-to-value ratio of the loan including the further advance is less than or equal to 75 per cent. of the indexed value of the property. The indexed valuation is calculated by applying the movement in the Nationwide House Price Index, for the relevant region and property type to the original valuation undertaken at the time of the initial advance and the original valuation report is less than ten years old. From October 2007, in the case of certain remortgage Mortgage Loans only, the valuation was or will be determined using an automated valuation model supplied by UK Valuation Ltd. From February 2017, in the case of certain mortgage loans, the valuation was or will be determined using an automated valuation model supplied by Hometrack Ltd.

(e) *Property - solicitors*

The firm of solicitors or licensed or qualified conveyancers acting for the Seller must be on the Seller's panel.

The Mortgage Loans and the Mortgage Portfolio

(f) *Property - construction*

The property must not be under construction.

(g) *Property - insured status*

It is a condition of each Mortgage Loan that each borrower is to effect and maintain (at their own expense) a property insurance policy (or, in the case of leasehold properties, provide full details of such policy to the Seller) in an amount sufficient to recover the reinstatement value of the property.

(h) *Property - occupiers*

Each applicant must disclose the details of every person who, at the date upon which the mortgage loan is entered into had attained the age of 17 and is in or about to be in actual occupation of the relevant property and each such person must either be named as a borrower or have signed a deed of consent in the form of the pro forma contained in the Standard Documentation which was applicable at the execution of the mortgage and which has the effect of postponing any present or future rights or interests as he or she may have or acquire over or in respect of the relevant property, and making such interests subject to the rights, interests and remedies of the Seller under the relevant mortgage.

(i) *Life assurance policy*

Borrowers are recommended to effect and maintain a suitable repayment strategy or vehicle, which may include a life assurance policy in the amount of the loan for the duration of the term which will repay the loan in the event of death. There is no requirement that such repayment vehicles or life assurance policies are (or will be) legally or equitably assigned to the Seller as security for the mortgage loan.

(j) *Mortgage Loan - loan to value ratio*

The loan-to-value ratio (the "LTV") is calculated by dividing the Current Balance of a Mortgage Loan advanced at completion of such Mortgage Loan (excluding any arrangement fees) by the lesser of the valuation or purchase price of the relevant Mortgaged Property. In the specific instance of a concessionary purchase, the LTV may be calculated by dividing the Current Balance of a Mortgage Loan advanced at completion of such Mortgage Loan (excluding any arrangement fees) by the valuation of the relevant Property. For the purpose of calculating the applicable LTV, any builder's deposit or incentives may be deducted from the relevant valuation or purchase price, depending on nature and size.

The LTV of any Mortgage Loan in the Mortgage Portfolio at the date of the initial advance to the Borrower cannot be more than 95 per cent..

(k) *Mortgage Loan - term*

The minimum term of a loan is generally five years for new residential mortgages and homeowner loans and the initial term of a loan is no longer than 40 years.

(l) *Borrower - capacity and status*

Applicants must have a minimum age of 18 and must have the right to live and work in the United Kingdom.

The Mortgage Loans and the Mortgage Portfolio

(m) *Borrower - credit history*

The applicant's credit and employment history may be assessed with the aid of one or more of the following:

- (i) electoral register or other proof of occupancy;
- (ii) search supplied by a credit reference agency;
- (iii) copy of the most recent pay slips and/or the most recent P60;
- (iv) up to three years' accounts;
- (v) accountant's certificate in the form supplied by the Seller or other acceptable form;
- (vi) existing lender's statements or reference;
- (vii) salary reference from current employers; or
- (viii) up to two years' SA302 and corresponding tax year overview.

(n) *Borrower - income*

Independently of the number of applicants who are parties to any one mortgage loan (a maximum of four), a mortgage loan is based on the income and status of a maximum of two of the applicants.

The principal amount advanced under a mortgage loan may not exceed a prescribed multiple of the assessed income of the applicant or, in the case of joint applications, the assessed income of relevant applicants (the "**Maximum Income Multiple**"). The Maximum Income Multiple for mortgage loans advanced:

- (a) from October 2012, 4.25 times the assessed income of the primary borrower or, in the case of joint applications 4.25 times the joint income;
- (b) from December 2014, 4.75 times the assessed income of the primary borrower or, in the case of joint applications 4.75 times the joint income;
- (c) from March 2015, in the case of loans less than or equal to £500,000, 4.75 times the assessed income of the primary borrower or, in the case of joint applications 4.75 times the joint income. In the case of loans greater than £500,000, 4 times the assessed income of the primary borrower or, in the case of joint applications 4 times the joint income;
- (d) from January 2016, in the case of loans less than or equal to £500,000, 4.5 times the assessed income of the primary borrower or, in the case of joint applications 4.5 times the joint income. In the case of loans greater than £500,000, 4 times the assessed income of the primary borrower or, in the case of joint applications 4 times the joint income;
- (e) from March 2017, in the case of loans less than or equal to £500,000, 4.5 times the assessed income of the primary borrower or, in the case of joint applications 4.5 times the joint income. In the case of loans greater than £500,000, 4.25 times the assessed

income of the primary borrower or, in the case of joint applications 4.25 times the joint income;

- (f) from January 2018, 4.49 times the assessed income of the primary borrower or, in the case of joint applications, 4.49 times the joint income;
- (g) from January 2019, 5.0 times the assessed income of the primary borrower or, in the case of joint applicants, 5.0 times the joint income.

The income of a borrower is determined by reference to the application form and supporting documentation, where appropriate, and may consist of the following:

- (i) salary plus 50 per cent. of overtime, bonus or commission payments if such overtime, bonus or commission payments are regular and continuing or 100 per cent. of overtime, bonus or commission payments if considered ongoing and regular or guaranteed; plus pension income if pension is guaranteed for life; plus in certain cases income from a second job; plus rent allowance, mortgage subsidy, London weighting or large town allowance, attendance allowance, shift allowance and/or car allowance; or
- (ii) any income in the form of profit (but not including drawings) confirmed in the last year's accounts or accountant's certificate for self-employed Borrowers and Borrowers with income derived from a 25 per cent. or greater shareholding.

Each applicant must disclose all of their material liabilities, which are assessed by the Seller.

Underwriting exceptions

The underwriting standards applied by the Seller in connection with the origination of the Mortgage Loans were and are no less stringent than those that the Seller applies at the time of origination to similar loans that are not securitised.

On a case-by-case basis the Seller may have determined that, based upon compensating factors, an applicant that did not strictly qualify under its Lending Criteria at that time warranted an underwriting exception. Compensating factors may be considered including, but not limited to, a low LTV ratio, overall affordability position and track record with the organisation. Any such exceptions would have been approved by an authorised mandate holder of the Seller.

Changes to the underwriting policies and the Lending Criteria

The Seller's underwriting policies and Lending Criteria were and are subject to change within the Seller's sole discretion. Mortgage Loans were and are originated by way of exception to the Lending Criteria where the Seller determined that the exception would have been acceptable to a Prudent Mortgage Lender. Additional Mortgage Loans, Further Advances and Product Switches that are originated under Lending Criteria that are different from the criteria set out here may be sold to the Issuer.

Any material changes from the Seller's prior underwriting policies and Lending Criteria shall be disclosed without undue delay to the extent required under SECN 2.2.11(R).

Insurance policies

Insurance on the property

The Mortgage Loans and the Mortgage Portfolio

Each mortgaged property is required to be insured with buildings insurance. The insurance may be purchased through the Seller or, alternatively, the Borrower or (in the case of leasehold property) a landlord may arrange for the buildings insurance independently. In either case, the Borrower must ensure that the payment of buildings insurance premiums is kept up to date.

If the Borrower does not insure the property, or insures but not in accordance with the Mortgage Conditions, the Seller may, upon becoming aware that no adequate insurance is in place, insure the property itself, in which case the Seller may determine who the insurer will be, what will be covered by the policy, the amount of the sum insured and any excess.

The Seller retains the right to settle all insurance claims on reasonable terms without the Borrower's consent. The Seller's current policy is that in most cases where it becomes aware that a property is not insured, it will not arrange insurance cover except in certain circumstances.

The Seller also has an indemnity policy in place to protect it against certain damage that may occur to a mortgaged property where the Borrower has failed to insure against such damage in accordance with the Mortgage Conditions. The Seller's indemnity policy is periodically reviewed and/or amended by the Seller in accordance with the standards of a Prudent Mortgage Lender.

Environmental performance

The administrative records of the Seller do not contain any information related to the environmental performance of any Mortgaged Property and, accordingly, there is no available information to be published related to the environmental performance of any Mortgaged Property. Such information will be published in future to the extent it becomes available.

Other characteristics

All Mortgage Loans comprised in the Mortgage Portfolio are homogeneous for purposes of SECN 2.2.9R, on the basis that all such Mortgage Loans: (a) have been underwritten by the Seller in accordance with similar underwriting standards applying similar approaches with respect to the assessment of a potential borrower's credit risk; (b) are Repayment Mortgage Loans or Interest-Only Mortgage Loans or a combination of both entered into substantially on the terms of similar standard documentation for residential mortgage loans; (c) are serviced by the Servicer pursuant to the Servicing Agreement in accordance with the same servicing procedures with respect to monitoring, collections and administration of cash receivables generated from such Mortgage Loans; and (d) form one asset category, namely residential loans secured with one or several mortgages on residential immovable property in England or Wales.

The Mortgage Loans comprised in the Mortgage Portfolio will not include: (i) any transferable securities for purposes of SECN 2.2.9R; (ii) any securitisation positions for purposes of SECN 2.2.10R; or (iii) any derivatives for the purposes of SECN 2.2.16R, in each case on the basis that such Mortgage Loans have been entered into substantially on the terms of similar standard documentation for residential mortgages loans. The Mortgage Loans comprised in the Mortgage Portfolio will be transferred to the Issuer after selection for inclusion in the Mortgage Portfolio without undue delay for purposes of SECN 2.2.12R.

Governing law

Each of the Mortgage Loans is governed by English law.

ASSIGNMENT OF THE MORTGAGE LOANS AND RELATED SECURITY

Pursuant to the terms of the Mortgage Sale Agreement entered into on or around the Programme Date between, *inter alios*, the Seller and the Issuer, the Seller has agreed to sell Mortgage Loans and their Related Security to the Issuer from time to time. The following section describes, in summary, the material terms of the Mortgage Sale Agreement. The description does not purport to be complete and is subject to the provisions of the Mortgage Sale Agreement.

As at the date of this Base Prospectus, the assets to be sold by the Seller to the Issuer to support the Issuer's obligations under the Notes will comprise residential mortgage loans originated by the Seller and secured over Mortgaged Properties situated in England or Wales.

Sale by the Seller of Mortgage Loans and Related Security

The Mortgage Portfolio consists of Mortgage Loans and their Related Security sold from time to time by the Seller to the Issuer on any Assignment Date in accordance with the terms of the Mortgage Sale Agreement. The types of Mortgage Loans forming part of the Mortgage Portfolio will vary over time **provided that**, at the time the relevant Mortgage Loans are sold to the Issuer, the Eligibility Criteria and the Portfolio Criteria (each as described below) are met on the relevant Assignment Date. Accordingly, the Mortgage Portfolio may, at any time, include Mortgage Loans with different characteristics to Mortgage Loans sold to the Issuer on previous Assignment Dates.

For so long as a Sale Period is continuing, the Issuer will be permitted to acquire Mortgage Loans and their Related Security from the Seller in the four circumstances described below:

- (a) in relation to the issue of Notes from time to time in accordance with the Programme;
- (b) in relation to further drawdowns under the Class Z(S) VFN in an amount sufficient to maintain the Required Subordination Amount;
- (c) the Issuer may use Enhanced Available Principal Receipts to acquire Additional Mortgage Loans and their Related Security from the Seller; and
- (d) where further drawdowns under the Seller's Note are made from time to time in accordance with the Transaction Documents, either to ensure the Principal Amount Outstanding of the Seller's Note is at least equal to the Minimum Seller's Note Amount or if the Seller has decided at its sole discretion to advance that drawdown (including for so long as a Non-Asset Trigger Event is continuing).

In consideration for the sale of the Initial Mortgage Portfolio to the Issuer:

- (a) the Seller will receive the applicable portion of the Initial Purchase Price, being a cash payment made by the Issuer from the proceeds of the issuance of the Series 2025-1 Class A Notes, as well as from the proceeds of initial drawings under the Class Z(S) VFN and the Seller's Note, in an amount equal to the Current Balance of those Mortgage Loans sold by it as at the First Issuance Date; and
- (b) the payment to the Seller of Deferred Consideration with respect to the Initial Mortgage Portfolio and each Additional Mortgage Portfolio.

Additional Mortgage Portfolios

The Seller may sell Additional Mortgage Portfolios comprising Additional Mortgage Loans and their Related Security to the Issuer for as long as a Sale Period is continuing.

Assignment of the Mortgage Loans and Related Security

Pursuant to the terms of the Mortgage Sale Agreement, the Seller may deliver to the Issuer a notice identifying the Additional Mortgage Portfolio offered thereunder (an "**Additional Mortgage Portfolio Sale Notice**"). Pursuant to, and on the Assignment Date specified in, such Additional Mortgage Portfolio Sale Notice, the Seller will offer to sell to the Issuer with full title guarantee, and the Issuer will agree to purchase the relevant Additional Mortgage Portfolio set out therein. The Seller will receive from the Issuer, as consideration for the sale of each Additional Mortgage Portfolio, a combination of:

- (a) the Initial Additional Mortgage Portfolio Purchase Price; and
- (b) Deferred Consideration, payable by the Issuer to the Seller on each Payment Date falling after the relevant Assignment Date, in accordance with the applicable Priority of Payments.

For as long as a Sale Period is continuing, the Issuer will pay the Initial Additional Mortgage Portfolio Purchase Price to the Seller by:

- (a) for so long as no Non-Asset Trigger Event is continuing:
 - (i) if the relevant Assignment Date is the same as the Issuance Date of the issuance of any Class A Notes, applying the proceeds from such issuance of the Class A Notes on the relevant Issuance Date; and/or
 - (ii) applying Available Principal Receipts (to the extent available for such purpose), and/or further amounts drawn down under the Class Z(S) VFN and/or, as applicable, the Seller's Note on the Payment Date which is the same as, or immediately follows, the relevant Assignment Date; and
- (b) for so long as a Non-Asset Trigger Event is continuing, drawing down further amounts under the Seller's Note on the Payment Date which is the same as, or immediately follows, the relevant Assignment Date.

At any time other than while a Sale Period is continuing, the Seller may not sell any Additional Mortgage Portfolios to the Issuer.

The obligation of the Issuer to purchase any Additional Mortgage Portfolio will be conditional upon the Eligibility Criteria and the Portfolio Criteria (as described below) being met with respect to the Mortgage Loans comprised in such Additional Mortgage Portfolio on the relevant Assignment Date.

The Seller will be required to repurchase Mortgage Loans and their Related Security sold to the Issuer in the circumstances described below under the section entitled "Repurchase of the Mortgage Loans due to breach of Mortgage Loan Warranties, Eligibility Criteria or Portfolio Criteria".

Eligibility Criteria

The sale of a Mortgage Loan and its Related Security to the Issuer will be subject to that Mortgage Loan satisfying the following "**Eligibility Criteria**" as at the relevant Assignment Date:

- (a) the Mortgage Loan complies with the Mortgage Loan Warranties in the Mortgage Sale Agreement;
- (b) no Mortgage Loan has an aggregate amount in arrears which is more than the amount of the Monthly Payment then due;
- (c) the Mortgage Loan has been made to a Borrower who is a natural legal person and at least 18 years of age;

Assignment of the Mortgage Loans and Related Security

- (d) each Mortgage Loan is secured by a Mortgage constituting a valid and subsisting first charge by way of legal mortgage over the relevant Mortgaged Property;
- (e) the Mortgage Loan has an Original LTV Ratio of no more than 95%;
- (f) the Mortgage Loan has a Current Indexed LTV Ratio of no more than 90%;
- (g) the Mortgage Loan was not originated prior to 1 May 2014;
- (h) the Mortgage Loan has a Current Balance of no more than £2 million at the relevant Assignment Date;
- (i) each Mortgage Loan in the Mortgage Portfolio is either:
 - (i) a Variable Rate Mortgage Loan, a Tracker Mortgage Loan, a Fixed Rate Mortgage Loan; or
 - (ii) a New Mortgage Loan Type which will not result in the then current ratings of the Class A Notes being downgraded, withdrawn or qualified,and no Mortgage Loan is a Capped (Variable Rate) Mortgage Loan;
- (j) the Mortgage Loan is not an Excluded Loan;
- (k) the Mortgage Loan is not a shared ownership loan;
- (l) as at the First Issuance Date or on the date when any Additional Mortgage Loans and their Related Security are included in the Mortgage Portfolio, as applicable, each Mortgage Loan has a standardised risk weight equal to or smaller than 40% on an exposure value-weighted average basis for the Mortgage Portfolio, as such terms are described in Article 243 of the UK CRR;
- (m) no Mortgage Loan is guaranteed by a third party guarantor or any mortgage guarantee scheme or similar arrangement associated with any of the Mortgage Loans in the Mortgage Portfolio;
- (n) the Seller is not required to make any future Further Advances under any Mortgage Loan; and
- (o) no Mortgage Loan is a Mortgage Loan which, so far as the Seller is aware, is a Mortgage Loan to a Borrower who is a "credit-impaired obligor" as described in Article 13(2)(j) of the UK LCR Regulation or paragraph 2(k) of Article 177 of Regulation (EU) No 2015/35 (or, in each case, if different, the equivalent provisions in any such enacted version of such Commission Delegated Regulation).

The Mortgage Loan Warranties will be given by the Seller in respect of the Mortgage Loans and their Related Security sold by the Seller to the Issuer on the relevant dates as set out in the section entitled "Representations and warranties" below.

The sale of any Further Advance to the Issuer or the inclusion of any Mortgage Loan in respect of which a Product Switch is made in the Mortgage Portfolio will also be subject to that Mortgage Loan satisfying the Eligibility Criteria at the relevant Advance Date or Switch Date, as applicable, of which such satisfaction shall be determined on the relevant Testing Date with reference to the relevant Mortgage Loan(s) as at the end of the calendar month immediately preceding the relevant Advance Date or Switch Date, as applicable.

Assignment of the Mortgage Loans and Related Security

The Issuer has the right to amend the Eligibility Criteria, subject to receipt of a Ratings Confirmation. The prior written consent of the Note Trustee, the Security Trustee, the Noteholders and the other Secured Creditors to the amendments will not be required.

Portfolio Criteria

In addition, the sale of a Mortgage Loan and its Related Security to the Issuer will be subject to the satisfaction of the following "**Portfolio Criteria**" as at the relevant Assignment Date:

- (a) no Asset Trigger Event has occurred;
- (b) no Event of Default has occurred which is continuing;
- (c) where the sale would include any Mortgage Loan which is a New Mortgage Loan Type, the Issuer has received a Ratings Confirmation in respect of the inclusion of such New Mortgage Loan Type and any modifications to the Eligibility Criteria, the Portfolio Criteria or the Mortgage Loan Warranties;
- (d) the weighted average Original LTV Ratio of the Mortgage Portfolio immediately following the sale will not exceed the weighted average Original LTV Ratio of the Mortgage Portfolio measured as at the most recent Issuance Date in respect of the Class A Notes by more than 5%;
- (e) the weighted average Current Indexed LTV Ratio of the Mortgage Portfolio immediately following the sale will be less than or equal to 80%;
- (f) the aggregate of the Current Balance of all Mortgage Loans to a single Borrower does not exceed 2% of the Current Balance of the Mortgage Portfolio;
- (g) the aggregate of the Current Balance of all New Build Mortgage Loan in the Mortgage Portfolio immediately following the sale will be less than or equal to 15% of the Current Balance of the Mortgage Portfolio measured as at the most recent Issuance Date in respect of the Class A Notes;
- (h) the aggregate of the Current Balance of each Interest-Only Mortgage Loan in the Mortgage Portfolio immediately following the sale will be less than or equal to 10% of the Current Balance of the Mortgage Portfolio measured as at the most recent Issuance Date in respect of the Class A Notes;
- (i) the aggregate of the Current Balance of each Mortgage Loan with an Original LTV Ratio greater than 85% in the Mortgage Portfolio immediately following the sale will be less than or equal to 37.5% of the Current Balance of the Mortgage Portfolio measured as at the most recent Issuance Date in respect of the Class A Notes; and
- (j) the aggregate Current Balance of all the Mortgage Loans in arrears in the Mortgage Portfolio does not exceed 5% of the aggregate of the Current Balance of each Mortgage Loan.

Similar to the Eligibility Criteria, the sale of any Further Advance to the Issuer or the inclusion of any Mortgage Loan in respect of which a Product Switch is made in the Mortgage Portfolio will also be subject to the Mortgage Portfolio (including such Further Advance or Product Switch) satisfying the Portfolio Criteria at the relevant Advance Date or Switch Date, as applicable, of which such satisfaction shall be determined on the relevant Testing Date with reference to the relevant Mortgage Loan(s) as at the end of the calendar month immediately preceding the relevant Advance Date or Switch Date, as applicable.

Assignment of the Mortgage Loans and Related Security

The Issuer has the right to amend the Portfolio Criteria, subject to receipt of a Ratings Confirmation. The prior written consent of the Note Trustee, the Security Trustee, the Noteholders and the other Secured Creditors to the amendments will not be required.

Transfer of Title to the Mortgage Loans to the Issuer

The Mortgage Loans will be sold by the Seller to the Issuer by way of equitable assignment. Such beneficiary's interest (as opposed to the legal title) cannot be registered or recorded in the Land Registry. As a result, legal title to the Mortgage Loans and their Related Security will remain with the Seller until legal assignments are delivered by the Seller to the Issuer and notice of the sale is given by the Seller to the Borrowers. Legal assignment of the Mortgage Loans and their Related Security (including, where appropriate, their registration or recording in the relevant property register) to the Issuer will be deferred and will only take place in the limited circumstances described below.

Legal assignment of the Mortgage Loans and their Related Security to the Issuer (including any notification of such legal assignment to the Borrowers) will be completed on or before the 30th Business Day after the earliest of the following (a "**Perfection Trigger Event**"):

- (a) the occurrence of an Event of Default and delivery of an Enforcement Notice;
- (b) the occurrence of an Insolvency Event in relation to the Seller;
- (c) a breach of material obligations by the Seller under the Mortgage Sale Agreement, where such breach, if capable of remedy, has not been remedied within 90 calendar days following the day on which the Seller becomes aware of such breach, provided further that (A) this provision shall not apply if none of the then outstanding Notes are UK STS compliant; and (B) this provision shall be subject to such amendment as the Seller may require so long as the Seller delivers a certificate to the Issuer that such amendment does not impact the designation as a 'simple, transparent and standardised' securitisation (within the meaning of the 2024 UK SR SI) in respect of any Series or Class of Notes then outstanding which are intended to satisfy the UK STS Criteria Requirements;
- (d) the Seller and/or the Issuer being required to perfect legal title to the Mortgage Loans by an order of a court of competent jurisdiction or a change in law occurring after the Programme Date, or by a regulatory authority of which the Seller is a member or to whose authority the Seller is subject or any organisation whose members comprise (but are not necessarily limited to) mortgage lenders with whose instructions it is customary for the Seller to comply;
- (e) the security created under or pursuant to the Deed of Charge or any material part of that security being, in the opinion of the Security Trustee, in jeopardy; and
- (f) the Seller determines, as at any date, that its CET1 Ratio has fallen below 7 per cent., where:

"CET1 Ratio" means the ratio (expressed as a percentage) of Common Equity Tier 1 as at such date to the Risk Weighted Assets as at the same date, in each case calculated by the Seller on an individual consolidated basis (as referred to in Article 9 of the UK CRR) or, as the context requires, a consolidated basis;

"Common Equity Tier 1" means, as at any date, the sum of all amounts that constitute common equity tier 1 capital of the Seller as at such date, less any deductions from common equity tier 1 capital required to be made as at such date, in each case as calculated by the Seller on an individual consolidated basis (as referred to in Article 9 of the UK CRR) or, as the context requires, a consolidated basis, in each case in accordance with the then prevailing capital

requirement regulations but without taking into account any transitional, phasing-in or similar provisions; and

"Risk Weighted Assets" means, as at any date, the aggregate amount of the risk weighted assets of the Seller as at such date, as calculated by the Seller on an individual consolidated basis (as referred to in Article 9 of the UK CRR) or, as the context requires, a consolidated basis, in each case in accordance with the then prevailing capital requirement regulations.

Pending completion of the legal assignment, the right of the Issuer to exercise the powers of the legal owner of the Mortgages will be secured by an irrevocable power of attorney granted by the Seller in favour of the Issuer and the Security Trustee.

The Title Deeds and Mortgage Loan Files relating to the Mortgage Loans in the Mortgage Portfolio will be held by or to the order of the Seller or the Servicer, as the case may be, or by solicitors or licensed conveyancers acting for the Seller in connection with the creation of the Mortgage Loans and their Related Security. The Seller or the Servicer, as the case may be, will undertake that all the Title Deeds and Mortgage Loan Files relating to the Mortgage Loans in the Mortgage Portfolio which are at any time in their possession or under their control or held to their order will be held to the order of the Security Trustee or as the Security Trustee may direct.

Representations and warranties³

The Seller will represent and warrant to the Issuer and the Security Trustee in the Mortgage Sale Agreement on the terms of the Mortgage Loan Warranties (as defined below) in each case subject to certain additional amendments and conditions as set out in the Mortgage Sale Agreement:

- (a) in respect of each Mortgage Loan and its Related Security comprised in the Initial Mortgage Portfolio, on the First Issuance Date (save for any Mortgage Loan Warranties expressed to be made by reference to a different day, such as the Cut-Off Date);
- (b) in respect of each Additional Mortgage Loan and its Related Security sold to the Issuer while a Sale Period is continuing, as at the Payment Date immediately following the relevant Assignment Date (save for any Mortgage Loan Warranties expressed to be made by reference to a different day, such as the relevant Cut-Off Date);
- (c) in relation to each Mortgage Loan which is subject to a Further Advance, and in relation to each Mortgage Loan Warranty other than Mortgage Loan Warranty (II), as at the relevant Testing Date (as if references to the relevant Cut-Off Date were references to the Mortgage Portfolio as at the end of the calendar month immediately preceding the relevant Advance Date);
- (d) in relation to each Mortgage Loan which is subject to a Product Switch, and in relation to the Product Switch Warranties only, as at the relevant Testing Date (such Product Switch Warranties being given in relation to the relevant Mortgage Loan on the relevant Switch Date and as if references to the relevant Cut-Off Date were references to the Mortgage Portfolio as at the end of the calendar month immediately preceding the relevant Switch Date).

If it is determined that any of the Mortgage Loan Warranties are materially breached in respect of a Mortgage Loan comprised in the Initial Mortgage Portfolio as at the First Issuance Date, or in respect of an Additional Mortgage Loan as at the relevant Assignment Date, or in respect of a Further Advance as at the relevant Testing Date or in respect of a Product Switch and only with respect to the Product Switch Warranties as at the relevant Testing Date (as applicable), such Mortgage Loan will be repurchased by the Seller in accordance with the provisions of the Mortgage Sale Agreement. (See the

³ Subject to final review.

section entitled "Repurchase of the Mortgage Loans due to breach of Mortgage Loan Warranties, Eligibility Criteria or Portfolio Criteria" below for more details.)

The Mortgage Loan Warranties to be given by the Seller will include, *inter alia*, the following warranties:

- (a)
 - (i) In relation to loans comprised in the Initial Mortgage Portfolio, the particulars of the Mortgage Loans comprised in the Initial Mortgage Portfolio set out in the Data Tape are true, complete and accurate in all material respects as at the Cut-Off Date; and
 - (ii) In relation to any Additional Mortgage Loans, the particulars of any Additional Mortgage Loans set out in the relevant Additional Mortgage Portfolio Sale Notice are true, complete and accurate in all material respects as at the relevant Cut-Off Date;
- (b) Each Mortgage Loan and its Related Security is valid, binding and enforceable with full recourse to the relevant Borrower in accordance with its terms and is non-cancellable, **provided however that:**
 - (i) this warranty will not be deemed to have been breached if the reason for the invalidity, non-binding nature or enforceability is a failure to comply with the Unfair Terms in Consumer Contracts Regulations 1994 or 1999, the Consumer Rights Act 2015, the Consumer Credit Act 1974 (where such legislation applies to a particular Mortgage Loan) or the FSMA (where such legislation applies to a particular Mortgage Loan);
 - (ii) the Seller makes no representation as to the fairness or otherwise of terms which relate to its ability to vary the rate of interest;
 - (iii) enforceability may be limited by bankruptcy, insolvency or other similar laws of general applicability affecting the enforcement of creditors' rights generally and the courts' discretion in relation to equitable remedies; and
 - (iv) this representation will not apply in respect of any early repayment charges, mortgage administration fees, exit fees or charges payable in the event of Borrower default;
- (c) To the extent that any Mortgage Loan constitutes a regulated mortgage contract for the purposes of the Financial Services and Markets Act 2000 (Regulated Activities) Order 2001, at the time it was made, such Mortgage Loan complied with all applicable provisions of MCOB and any other applicable rules and guidance of the FCA or PRA and, prior to the sale of such Mortgage Loan to the Issuer pursuant to the terms of the Mortgage Sale Agreement, such Mortgage Loan was administered in accordance with the provisions of MCOB and any other applicable rules and guidance of the FCA or PRA;
- (d) Subject to completion of any registration or recording which may be pending at the Land Registry, each Mortgage Loan is secured by a mortgage which constitutes a first ranking charge by way of legal mortgage over the relevant residential property, and there is nothing to prevent such registration or recording being effected with absolute title or good leasehold title in due course. For the avoidance of doubt, the fact of the existence of a second ranking charge over the relevant property does not render this warranty untrue;
- (e) Each property the subject of the mortgage securing any Mortgage Loan is a residential property situated in England or Wales;

Assignment of the Mortgage Loans and Related Security

- (f) Each Property constitutes a separate dwelling unit (subject to limited case by case exceptions which would be acceptable to a Prudent Mortgage Lender);
- (g) All steps necessary to perfect the Seller's title to each Mortgage Loan and its Related Security were duly taken at the appropriate time or are in the process of being taken with all due diligence;
- (h) Immediately prior to the purchase of any Mortgage Loan and the Related Security by the Issuer and subject only, where applicable, to completion of the registration or recording at the Land Registry, the Seller is the absolute unencumbered legal and beneficial owner of the Mortgage Loans and their related mortgages and other Related Security, is free and clear from all prior security interests, the Seller has good title to, and is the absolute unencumbered legal and beneficial owner of, all property, interests, rights and benefits in relation to the Mortgage Loans and Related Security agreed to be sold and/or assigned and/or held in trust by the Seller to or for the Issuer pursuant to the Mortgage Sale Agreement and is free and clear of all security interests, claims and equities);
- (i) No lien or right of set off, retention, compensation, rescission, defence or counterclaim has been created or has arisen between the Seller and any Borrower which would entitle such Borrower to reduce the amount of any payment otherwise due in respect of such Mortgage Loan and to the best of the Seller's knowledge, no such lien or right has been asserted by any Borrower;
- (j) Save where the Mortgage in respect of the Mortgage Loan is covered by a valid defective title and/or local search insurance policy, prior to making a Mortgage Loan to a Borrower, the Seller:
 - (i) caused its approved solicitors or approved conveyancers to carry out in relation to the relevant Mortgaged Property all investigations, searches and other actions and enquiries which a Prudent Mortgage Lender or its solicitors normally make when lending to an individual on the security of residential property, as the case may be, in England or Wales; and
 - (ii) received a certificate of title from approved solicitors or approved conveyancers relating to such Mortgaged Property and the results thereof were such as would be acceptable to a Prudent Mortgage Lender in order to proceed with the Mortgage Loan;
- (k) Each Borrower has a good and marketable title to the relevant Mortgaged Property free from any encumbrance which:
 - (i) would materially adversely affect such title; and
 - (ii) a Prudent Mortgage Lender would regard as unacceptable for security purposes;
- (l) Prior to making a Mortgage Loan (other than in respect of a Further Advance), the relevant Mortgaged Property was valued in accordance with the Lending Criteria by either:
 - (i) an independent qualified surveyor (AssocRICS, MRICS or FRICS or equivalent qualification) chosen from the panel of valuers from time to time appointed by the Seller or as otherwise permitted under the Lending Criteria; or
 - (ii) an Automated Valuation Model (**AVM**) valuation supplied by Hometrack Ltd for origination mortgage applications where a combination of the mortgage product's terms and some, pre-defined, attributes of the property meet the Seller's Lending Criteria requirements for when the use of an AVM valuation is permitted,

Assignment of the Mortgage Loans and Related Security

the results of each such valuation would be acceptable to a Prudent Mortgage Lender;

- (m) Prior to the making of a Mortgage Loan, each Initial Advance and Further Advance, the then applicable Lending Criteria were satisfied in all material respects subject only to such exceptions and waivers made on a case by case basis as would be acceptable to a Prudent Mortgage Lender;
- (n) Each Mortgage Loan was made and its Related Security taken or received on the terms of the Standard Documentation of the Seller without any material variation thereto and nothing has been done subsequently to add to, lessen, modify or otherwise vary the express provisions of any of the same in any material respect subject only to such exceptions as are made on a case by case basis and which would be acceptable to a Prudent Mortgage Lender;
- (o) No agreement for any Mortgage Loan is in whole or in part a regulated agreement or consumer credit agreement (as defined in section 8 of the Consumer Credit Act 1974 (as amended, extended or re-enacted from time to time)) or, to the extent that any Mortgage Loan is in whole or in part a regulated agreement or consumer credit agreement, the procedures and requirements set out in the Consumer Credit Act 1974 have been complied with in all material respects;
- (p) The Seller is not aware of any fraud in relation to any Mortgage Loan or Related Security;
- (q) Each Borrower has made at least one Monthly Payment;
- (r) The Seller took such steps as a Prudent Mortgage Lender would take to ensure that at the date of completion of each Mortgage Loan (other than in respect of a Further Advance) the relevant Mortgaged Property was insured under a policy with an insurance company in the joint names of the Borrower and the Seller, or with the Seller's interest noted or in accordance with the Lenders' Handbook, against fire and other commercial risks usually covered by a Prudent Mortgage Lender for an amount not less than the full reinstatement value at or around the time that the relevant Mortgage Loan was made, or in the case of leasehold properties, the relevant Mortgaged Property was insured by the relevant landlord;
- (s) Each Borrower is an individual, was 18 years or over at the time of completion of the relevant Mortgage Loan and, if a Borrower was an employee or officer of the Originator at such time, the terms of the Mortgage Loan were not more favourable to the Borrower than would have been the case were the Borrower not an employee or officer of the Originator;
- (t) The Seller has, since the making of each Mortgage Loan, kept or procured the keeping of full and proper accounts, books and records as are necessary to show all material transactions, payments, receipts, proceedings and notices relating to such Mortgage Loan;
- (u) As at the relevant Cut-Off Date, the Seller has not received written notice of any litigation or claim calling into question in any material way its title to any Mortgage Loan and/or its related Mortgage or the value of any other security relative to that Mortgage Loan;
- (v) Except where lodged with the relevant registry in relation to any registration or recording which may be pending at the Land Registry, all Title Deeds and Mortgage Loan Files in respect of Mortgage Loans are in the Seller's possession or held to its order or are held on trust for it by GovCo;
- (w) All formal approvals, consents and other steps necessary to permit an equitable or beneficial transfer of, and a transfer of servicing away from the Seller of, the Mortgage Loans and their related Mortgages to be sold under the Mortgage Sale Agreement whenever required under the Transaction Documents have been obtained or taken and there is no requirement in order for

Assignment of the Mortgage Loans and Related Security

such transfer to be effective to notify the Borrower before, on, or after any such equitable or beneficial transfer. Neither the entry by the Seller into the Mortgage Sale Agreement, nor any sale, transfer, assignment, assignation or creation of trust contemplated by the Mortgage Sale Agreement and its related agreements, materially adversely affects or will materially adversely affect any of the Mortgage Loans and their Related Security and the Seller may enter into the Mortgage Sale Agreement and, as applicable, freely sell, transfer, assign and enter into trust arrangements in respect of all its respective rights, title, interests and benefits therein as contemplated in the Transaction Documents without breaching any term or condition applying to any of the Mortgage Loans or their Related Security;

- (x) So far as the Seller is aware, none of the terms in any Mortgage Loan and its related Mortgage are unfair terms within the meaning of the Unfair Terms in Consumer Contracts Regulations 1994, the Unfair Terms in Consumer Contracts Regulations 1999 or the Consumer Rights Act 2015 in any material respect save those which impose Early Repayment Charges;
- (y) No Mortgage Loan is an Excluded Loan;
- (z) Each Mortgage Loan was originated by the Seller in the ordinary course of business pursuant to underwriting standards that are no less stringent than those the Seller applied at the time of origination to similar loans that are not securitised and was denominated in pounds sterling upon origination;
- (aa) The Seller has not knowingly waived or acquiesced in any breach of any of its rights in respect of a Mortgage Loan or its Related Security, other than waivers and acquiescence such as a Prudent Mortgage Lender might make on a case-by-case basis;
- (bb) None of the provisions of the Mortgage Loan agreements in respect of the Mortgage Loans were (at the time any such Mortgage Loan agreement was entered into) or have since been waived, altered or modified except (i) in connection with a Product Switch where "Product Switch" means a variation in the Mortgage Loan agreement in respect of a Mortgage Loan so that it changes from one of the forms of Mortgage Loan agreement forming part of the Standard Documentation to one of the other forms of Mortgage Loan agreement forming part of the Standard Documentation and/or (ii) a change to the terms of a Mortgage Loan to which a Prudent Mortgage Lender would have agreed;
- (cc) So far as the Seller is aware no bankruptcy order has been made against any Borrower and no Borrower has applied for an individual voluntary arrangement, trust deed or debt arrangement scheme, or had a county court judgement (or equivalent decree) entered against them in the period 6 years immediately prior to the point of origination of the relevant Mortgage Loan;
- (dd) As at the relevant Cut-Off Date, no Mortgage Loan has been rescheduled or altered as a result of being in or falling into arrears or adverse performance (excluding, for the avoidance of doubt, a Mortgage Loan which is not in arrears or adverse performance at the time it is restructured or altered);
- (ee) So far as the Seller is aware, no Borrower is in material breach of the mortgage conditions of its Mortgage Loan;
- (ff) As at the relevant Cut-Off Date, each Mortgage Loan has a contractual maturity of no longer than 40 years;
- (gg) No Mortgage Loan has a final maturity beyond the date falling two years prior to the relevant Final Maturity Date;

Assignment of the Mortgage Loans and Related Security

- (hh) No Mortgage Loan or Related Security is or consists of "stock" or "marketable-securities" (in either case for the purposes of Section 122 of the Stamp Act 1891), "chargeable securities" (for the purposes of Section 99 of the Finance Act 1986) or a "chargeable interest" for the purposes of Section 48 of the Finance Act 2003 or Section 4 of the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017;
- (ii) The Mortgages and any Related Security are interests or rights (other than a rent charge) held for the purposes of securing the payment of money or the performance of another obligation;
- (jj) The Mortgage Loans are "financial assets" within the meaning of Regulation 9A of the Taxation of Securitisation Companies Regulations S.I.2006/3296 (as amended);
- (kk) No Mortgage Loan is a Mortgage Loan which, so far as the Seller is aware, is a Mortgage Loan to a Borrower who is a "credit-impaired debtor" as described SECN 2.2.12R and in accordance with any official guidance issued in relation thereto; and
- (ll) As at the relevant Cut-Off Date, no Mortgage Loan is a Significant Deposit Loan.

None of the Issuer, the Security Trustee or the Note Trustee has made or has caused to be made on its behalf any enquiries, searches or investigations in respect of the Mortgage Loans and their Related Security to be sold to the Issuer. Instead, each is relying entirely on the Mortgage Loan Warranties. The parties to the Mortgage Sale Agreement may, with the prior written consent of the Security Trustee (which will be given if the Rating Agencies have confirmed it would not adversely affect the then current ratings of the Class A Notes), amend the Mortgage Loan Warranties.

If New Mortgage Loan Types are to be sold to the Issuer, then the Mortgage Loan Warranties may be modified as required to accommodate these New Mortgage Loan Types, subject to the Rating Agencies confirming that such New Mortgage Loan Type may be sold to the Issuer. The prior written consent of the Noteholders to the amendments will not be required.

Further Advances

Under the Mortgage Sale Agreement, the Issuer has agreed that the Seller or the Servicer (on behalf of the Seller) may accept application for, or make offers to Borrowers of, a Further Advance. If the Seller or the Servicer (on behalf of the Seller) accepts applications for, or makes offers to Borrowers of, Further Advances under a Mortgage Loan, the Seller or the Servicer (on behalf of the Seller) will be solely responsible for funding that Further Advance and the Seller or the Servicer (on behalf of the Seller) will be responsible for offering and documenting that Further Advance. Provided that a Sale Period is continuing, any Further Advance made to a Borrower will (subject to the conditions below) be purchased by the Issuer on the date on which that Further Advance is made by the Seller to the relevant Borrower (the "**Advance Date**").

The purchase price for the relevant Further Advance will be an amount equal to the principal amount of the Further Advance as at the Advance Date (the "**Further Advance Purchase Price**"). While a Sale Period is continuing, the Cash Manager (on behalf of the Issuer) will, to the extent that the Issuer has sufficient funds to make such payment, fund the payment of the Further Advance Purchase Price to the Seller by:

- (a) for so long as a Non-Asset Trigger Event is not continuing, a combination of:
 - (i) applying the proceeds from a drawing under the Seller's Note; and
 - (ii) if any Enhanced Available Principal Receipts are available for such purpose, and to the extent that the payment of the relevant Further Advance Purchase Price has not been

Assignment of the Mortgage Loans and Related Security

satisfied pursuant to paragraph (i) above, applying Enhanced Available Principal Receipts standing to the credit of the Transaction Accounts,

on the Payment Date immediately following the Calculation Period in which the relevant Advance Date occurred; or

- (b) for so long as a Non-Asset Trigger Event is continuing, drawing down further amounts under the Seller's Note on the Payment Date immediately following the Calculation Period in which the relevant Advance Date occurred.

The obligation of the Issuer to purchase any Further Advances will be subject to satisfaction of the following conditions:

- (a) delivery by the Seller to the Issuer of notice prior to the Calculation Date in respect of the Calculation Period in which any Further Advance has been made with details of the Further Advances made in that Calculation Period and specifying the Further Advance Purchase Price due and payable;
- (b) no Event of Default will have occurred and be continuing on the relevant Advance Date;
- (c) the relevant Advance Date having occurred while a Sale Period is continuing;
- (d) for as long as a Non-Asset Trigger Event is not continuing:
 - (i) unless and until the holder of the Seller's Note, in its sole discretion, notifies the Issuer in writing that it is unwilling to permit the Issuer to make a further drawing, the Issuer makes a further drawing under the Seller's Note to pay the Further Advance Purchase Price either in whole or in part; or
 - (ii) where the Further Advance Purchase Price has been paid in part by applying the proceeds of a drawing under the Seller's Note, there being sufficient Enhanced Available Principal Receipts standing to the credit of the Transaction Accounts and available to be applied in accordance with the Pre-Enforcement Post-Trigger Principal Priority of Payments to enable the Issuer to pay the part of the Further Advance Purchase Price that has not been paid for by the proceeds from such drawing under the Seller's Note,

in each case, on the Payment Date immediately following the Calculation Period in which the relevant Advance Date occurred;

- (e) for as long as a Non-Asset Trigger Event is continuing and unless and until the holder of the Seller's Note, in its sole discretion, notifies the Issuer in writing that it is unwilling to permit the Issuer to make a further drawing, the Issuer makes a further drawings under the Seller's Note to pay the Further Advance Purchase Price in whole on the Payment Date immediately following the Calculation Period in which the relevant Advance Date occurred;
- (f) on the relevant Testing Date and with reference to the relevant Mortgage Loan(s) as at the end of the calendar month immediately preceding the relevant Advance Date, it is confirmed that the Eligibility Criteria with respect to the Mortgage Loan subject to Further Advance were satisfied on the relevant Advance Date;
- (g) on the relevant Testing Date and with reference to the relevant Mortgage Loan(s) as at the end of the calendar month immediately preceding the relevant Advance Date, it is confirmed that

Assignment of the Mortgage Loans and Related Security

the purchase of such Further Advance did not cause the Mortgage Portfolio to be in breach of the Portfolio Criteria on the relevant Advance Date;

- (h) on the relevant Testing Date and with reference to the relevant Mortgage Loan(s) as at the end of the calendar month immediately preceding the relevant Advance Date, it is confirmed the Mortgage Loan Warranties (other than Mortgage Loan Warranty (II)) in respect of the Mortgage Loan subject to Further Advance were materially true as at the Advance Date; and
- (i) the making of the Further Advance would not result in the Issuer arranging or advising in respect of, administering or entering into a Regulated Mortgage Contract or agreeing to carry on any of these activities if the Issuer would be required to be authorised under the FSMA to do so.

If any of the above conditions are not satisfied on the relevant Advance Date and/or the relevant Payment Date, and/or if the Servicer determines on the relevant Testing Date that:

- (a) the Eligibility Criteria (with respect to the Mortgage Portfolio as at the end of the calendar month immediately preceding the relevant Advance Date) were not satisfied with respect to a Mortgage Loan to which a Further Advance relates on the relevant Advance Date;
- (b) the Portfolio Criteria were (with respect to the Mortgage Portfolio as at the end of the calendar month immediately preceding the relevant Advance Date) breached as a result of including the Further Advance on the relevant Advance Date; or
- (c) the Mortgage Loan Warranties (other than Mortgage Loan Warranty (II)) were (with respect to the Mortgage Portfolio as at the end of the calendar month immediately preceding the relevant Advance Date) materially untrue on the relevant Advance Date with respect to the Mortgage Loan to which the Further Advance relates,

then the Issuer or the Servicer or the Seller or (following the delivery the Enforcement Notice) the Security Trustee (whichever becomes aware of the breach) shall notify the other parties as soon as reasonably practicable and in any event within 30 Business Days of discovery of the same specifying the Mortgage Loan or Mortgage Loans to which the breach or alleged breach relates; and **provided that** such conditions, criteria or warranties (if capable of remedy) continue not to be satisfied within a 30 Business Day grace period from and including the date on which the Seller was notified of or, if earlier, first became aware of the breach, the Issuer will (or following the delivery of an Enforcement Notice, the Security Trustee may) deliver to the Seller a mortgage loan repurchase notice and the Seller will then be obliged to repurchase the relevant Mortgage Loan and its Related Security (including the Further Advance) together with any other Mortgage Loan secured or intended to be secured by such Related Security or any part of it. The consideration for any such repurchase will be an amount equal to the aggregate Current Balance(s) of the Mortgage Loan(s) (including the amount of any Further Advance(s) that have been purchased by the Issuer as at the close of business on the Business Day preceding the date of completion of such repurchase) subject to repurchase, and will be provided in cash.

Product Switches

Under the Mortgage Sale Agreement, the Seller may offer a Borrower (and the Borrower may accept), or a Borrower may request, a Product Switch. If a Borrower requests, or the Seller or the Servicer (on behalf of the Seller) offers, a Product Switch under a Mortgage Loan, the Seller or the Servicer (on behalf of the Seller) will be solely responsible for offering and documenting that Product Switch and such Product Switch will be effective from the date stated in the relevant request or offer (the "**Switch Date**").

Assignment of the Mortgage Loans and Related Security

If the Seller makes a Product Switch in respect of any Mortgage Loan in the Mortgage Portfolio, the relevant Mortgage Loan in respect of which the Product Switch is made will remain in the Mortgage Portfolio, **provided that**:

- (a) no Event of Default will have occurred and be continuing on the relevant Switch Date;
- (b) a Sale Period is continuing on the relevant Switch Date;
- (c) on the relevant Testing Date and with reference to the relevant Mortgage Loan(s) as at the end of the calendar month immediately preceding the relevant Switch Date, it is confirmed that the Mortgage Loan subject to the Product Switch satisfied the Product Switch Warranties on the relevant Switch Date;
- (d) on the relevant Testing Date and with reference to the relevant Mortgage Loan(s) as at the end of the calendar month immediately preceding the relevant Switch Date, it is confirmed that the Mortgage Loan subject to the Product Switch satisfied the Eligibility Criteria on the relevant Switch Date; and
- (e) on the relevant Testing Date and with reference to the relevant Mortgage Loan(s) as at the end of the calendar month immediately preceding the relevant Switch Date, it is confirmed that the inclusion of such Product Switch in the Mortgage Portfolio did not cause a breach of the Portfolio Criteria on the relevant Switch Date;
- (f) if a Mortgage Loan becomes a Fixed Rate Mortgage Loan as a result of the relevant Product Switch, the Issuer will enter into an Interest Rate Swap in respect of the applicable Swap Funding Note Percentage of such Fixed Rate Mortgage Loan by the relevant Testing Date;
- (g) the granting of a Product Switch would not result in the Issuer arranging or advising in respect of, administering or entering into a Regulated Mortgage Contract or agreeing to carry on any of these activities where the Issuer would be required to be authorised under the FSMA to do so.

If any of the above conditions are not satisfied on the relevant Switch Date and/or the relevant Payment Date, or if the Servicer determines on the relevant Testing Date that:

- (a) the Eligibility Criteria were (with respect to the Mortgage Portfolio as at the end of the calendar month immediately preceding the relevant Switch Date) not satisfied with respect to a Mortgage Loan to which a Product Switch relates on the relevant Switch Date;
- (b) the Portfolio Criteria were (with respect to the Mortgage Portfolio as at the end of the calendar month immediately preceding the relevant Switch Date) breached as a result of including the Product Switch on the relevant Switch Date;
- (c) the Product Switch Warranties were (with respect to the Mortgage Portfolio as at the end of the calendar month immediately preceding the relevant Switch Date) materially untrue on the relevant Switch Date with respect to the Mortgage Loan to which the Product Switch relates; and/or
- (d) if a Mortgage Loan becomes a Fixed Rate Mortgage Loan as a result of the relevant Product Switch, the Issuer has not entered into an Interest Rate Swap in respect of the applicable Swap Funding Note Percentage of such Fixed Rate Mortgage Loan by the relevant Testing Date,

then the Issuer, the Servicer or the Seller or (following the delivery the Enforcement Notice) the Security Trustee (whichever becomes aware of the breach) will promptly notify the other parties (with a copy to

Assignment of the Mortgage Loans and Related Security

the Security Trustee, if applicable) as soon as reasonably practicable and in any event within 30 Business Days of discovery of the same specifying the Mortgage Loan or Mortgage Loans to which the breach or alleged breach relates, and **provided that** if such conditions, criteria or warranties (if capable of remedy) continue not to be satisfied within a 30 Business Day grace period from and including the date on which the Seller was notified of or, if earlier, first became aware of the breach, the Issuer or (following the delivery the Enforcement Notice) the Security Trustee will deliver to the Seller a mortgage loan repurchase notice and the Seller will then be obliged to repurchase the relevant Mortgage Loan and its Related Security together with any other Mortgage Loan secured or intended to be secured by such Related Security or any part of it. The consideration for any such repurchase will be an amount equal to the aggregate Current Balance of the Mortgage Loan(s) subject to repurchase as at the close of business on the Business Day preceding the date of completion of such repurchase, and will be provided in cash.

Repurchase of the Mortgage Loans due to breach of Mortgage Loan Warranties, Eligibility Criteria or Portfolio Criteria

If the Seller receives a notice from the Issuer or, following the delivery of an Enforcement Notice, the Security Trustee identifying (a) a Mortgage Loan or its Related Security in the Mortgage Portfolio which did not, as at the relevant Assignment Date, comply with the Mortgage Loan Warranties and such non-compliance could have a material adverse effect on the relevant Mortgage Loan or its Related Security, or (b) that the Mortgage Portfolio did not comply with the Portfolio Criteria or the Eligibility Criteria as at the relevant Assignment Date, then, in the first instance, the Seller will be required to remedy the error (if capable of remedy) within 30 Business Days of the Seller becoming aware of the same or of receipt by it of the notice from the Issuer or, following the delivery of an Enforcement Notice, the Security Trustee.

If the error is not remedied by the Seller or waived by the Issuer or, following the delivery of an Enforcement Notice, the Security Trustee within such 30 Business Day period or if the error is not capable of remedy, then the Seller will be required to repurchase from the Issuer, in the case of paragraph (a) above (i) any such Mortgage Loan and its Related Security and (ii) any other Mortgage Loans made to the relevant Borrower and their Related Security that are included in the Mortgage Portfolio, or, in the case of paragraph (b) above, Mortgage Loans and their Related Security selected, if and to the extent applicable, on a random basis to ensure that the Mortgage Portfolio complies with the Portfolio Criteria.

In addition to the foregoing circumstances, the Seller will be required to repurchase a Mortgage Loan or Mortgage Loans and its or their Related Security sold by it to the Issuer in the circumstances described in the sections entitled "Further Advances" and "Product Switches" above.

The Seller's rights and obligations to sell Mortgage Loans and their Related Security to the Issuer and/or repurchase Mortgage Loans and their Related Security from the Issuer pursuant to the Mortgage Sale Agreement do not constitute active portfolio management for the purposes of SECN 2.2.8R.

Optional Repurchase of Non-Compliant Mortgage Loans, Mortgage Loans in arrears or Significant Deposit Loans

In addition, the Seller may, but will not be required to, repurchase from the Issuer any Mortgage Loan (including any Mortgage Loan subject to a Further Advance or a Product Switch) sold to the Issuer pursuant to the Mortgage Sale Agreement which is a Non-Compliant Mortgage Loan, which is at least two months in arrears or which, after the relevant Cut-Off Date, becomes a Significant Deposit Loan.

In this case, the Seller may, at its sole discretion, offer to repurchase the relevant Mortgage Loan and its Related Security from the Issuer at a repurchase price equal to the then Current Balance of the relevant Mortgage Loan at the close of business on the Business Day preceding the date of completion

of such repurchase by delivering a notice to the Issuer, the Servicer and the Cash Manager and the Security Trustee substantially in the form set out in the Mortgage Sale Agreement. The Issuer may accept such offer by delivering a duly signed notice and the provisions of the Mortgage Sale Agreement will apply.

Redress and Redress Payments

In the event that any Redress is required to be made in respect of a Mortgage Loan, the Seller may, by a date no later than the date by which the FCA or any other regulatory authority requires such Redress to be made, at its sole discretion, either repurchase the relevant Mortgage Loan and its Related Security or make a Redress Payment to the Issuer.

General ability to repurchase

In order to effect any permitted redemption of any Notes in accordance with the terms of the Transaction Documents and the Conditions, the Seller may, at its discretion, from time to time offer to repurchase randomly selected Mortgage Loans and their Related Security from the Issuer for a purchase price equal to the Current Balance of the relevant Mortgage Loans, **provided that** the Mortgage Portfolio will continue to meet the Portfolio Criteria immediately following such repurchase. The Issuer will be required to accept any such offer.

Repurchase price

The repurchase price payable for each Mortgage Loan repurchased by the Seller in accordance with the Mortgage Sale Agreement is an amount (not less than zero) equal to the Current Balance thereof at the close of business on the Business Day preceding the date of completion of such repurchase. The repurchase proceeds received by the Issuer will be applied (i) as Principal Receipts in accordance with the relevant Pre-Enforcement Principal Priority of Payments, or (ii) in the case of Accrued Interest and Arrears of Interest, as Revenue Receipts and in accordance with the Pre-Enforcement Revenue Priority of Payments (see the section entitled "Credit Structure and Cashflows"), or (iii) in relation to repurchases made by the Seller in accordance with the Seller's Note Permitted Repurchase Procedure, to make repayments on the Seller's Note.

If, pursuant to the terms of the Mortgage Sale Agreement, the Seller assigns Additional Mortgage Loans together with their Related Security to the Issuer on any date on which the Seller is obliged to repurchase any Mortgage Loan or Mortgage Loans, the Seller will be entitled to set off the amount of any Initial Additional Mortgage Portfolio Purchase Price payable for any such Additional Mortgage Loans against the repurchase price payable by it and will pay or be paid a net amount.

Governing law

The Mortgage Sale Agreement is governed by English law and have been entered into by way of a deed.

THE SERVICER AND THE SERVICING AGREEMENT

The following section describes, in summary, the material terms of the Servicing Agreement. The description does not purport to be complete and is subject to the provisions of the Servicing Agreement.

Servicing Agreement

Pursuant to the terms of the Servicing Agreement entered into on the Programme Date between the Issuer, the Seller, the Servicer, the Back-up Servicer Facilitator and the Security Trustee, the Servicer agrees to service, on behalf of the Issuer, the Mortgage Loans and their Related Security to be sold by the Seller to the Issuer.

Covenants and Representations and Warranties of the Servicer

Pursuant to the terms of the Servicing Agreement, the Servicer will, in relation to the Mortgage Loans and their Related Security, *inter alia*:

- (a) administer the relevant Mortgage Loans and their Related Security and all related matters in accordance with the Mortgage Policies and Procedures including:
 - (i) keep records (written or computerised) and books of account for the Issuer in relation to the Mortgage Loans and Related Security comprised in the Mortgage Portfolio;
 - (ii) collect payments on the Mortgage Loans and discharge the Mortgage Loans and Related Security on redemption;
 - (iii) procure the transfer of Principal Receipts and Revenue Receipts from the Collection Accounts to the Transaction Account (in the case of payments made by direct debit) on the Business Day following the date of receipt of collection into the relevant Collection Account or (in all other cases) within two Business Days following the date of receipt of the collection into the relevant Collection Account;
 - (iv) keep records for all taxation purposes and VAT;
 - (v) notify relevant Borrowers of any change in their Monthly Payments;
 - (vi) assist the auditors of the Issuer and provide information to them upon reasonable request for the purposes of carrying out their duties as auditors;
 - (vii) provide a redemption statement to a Borrower or any person acting on the Borrower's behalf, in each case upon written request or otherwise at the discretion of the Servicer;
 - (viii) manage requests for and completion of Product Switches and Further Advances in respect of Borrowers;
 - (ix) notify relevant Borrowers of any other matter or thing which the applicable Mortgage Conditions require them to be notified of in the manner and at the time required by the relevant Mortgage Conditions;
 - (x) subject to the provisions of the Servicing Agreement, take all reasonable steps to recover all sums due to the Issuer including, without limitation, by the institution of proceedings and/or the enforcement of any Mortgage Loan and/or Related Security comprised in the Mortgage Portfolio;

The Servicer and the Servicing Agreement

- (xi) take all other action and do all other things which it would be reasonable to expect a Prudent Mortgage Lender to do in administering its Mortgage Loans and Related Security;
- (xii) at its discretion, prepare and send on request an annual mortgage statement to Borrowers in relation to each calendar year in the agreed form;
- (xiii) monitor and, where appropriate, pursue arrears and enforce the Related Security in accordance with the Mortgage Policies and Procedures (including the Enforcement Procedures);
- (xiv) provide to the Cash Manager such information and/or reports as the Cash Manager may reasonably require to comply with its obligations under the Cash Management Agreement;
- (xv) take or refrain from taking any action, waive any payment due from a Borrower or make any payment to any Borrower in order to (i) resolve any claim or complaint from a Borrower (ii) comply with the rules and guidance of the FCA or (iii) comply with an order of the court or a decision of the Ombudsman or any regulatory body; and
- (xvi) manage communications with Borrowers (including changes to Borrower details);
- (b) provide the Services in such manner and with the same level of skill, care and diligence as would a Prudent Mortgage Lender;
- (c) comply with any proper directions, orders and instructions which the Issuer and/or, following the service of an Enforcement Notice, the Security Trustee may from time to time give to it in accordance with the provisions of the Servicing Agreement and, in the event of any conflict, those of the Security Trustee (following the service of an Enforcement Notice) shall prevail;
- (d) determine on each Payment Date:
 - (i) ⁴the Standard Variable Rate and the margins in respect of the relevant Mortgage Loans which the Servicer proposes to set under the Servicing Agreement; and
 - (ii) all other resources available to the Issuer including the Reserve Fund,and notify the Cash Manager of such amounts;
- (e) keep in force all approvals, authorisations, permissions and consents required in order to properly service the Mortgage Loans and their Related Security and to perform or comply with its obligations under the Servicing Agreement, and to prepare and submit all necessary applications and requests for any further approvals, authorisations, permissions, registrations and consents required in connection with the performance of the Services under the Servicing Agreement, and in particular any necessary notification under Regulation (EU) 2016/679 as it forms part of the domestic law of the UK by virtue of the Withdrawal Act and/or the Data Protection Act 2018, and any authorisation and permissions under the FSMA to the extent applicable;
- (f) save as otherwise agreed with the Issuer, provide, upon written request free of charge to the Issuer, office space, facilities, equipment and staff sufficient to enable the Issuer to perform its obligations under the Servicing Agreement;

⁴ Deleted as BOI system doesn't accommodate forward looking.

The Servicer and the Servicing Agreement

- (g) not knowingly fail to comply with any legal or regulatory requirements in the performance of the Services;
- (h) make all payments required to be made by it pursuant to the Servicing Agreement on the due date for payment thereof in Sterling (or as otherwise required under the Transaction Documents) in immediately available funds for value on such day without set-off (including, without limitation, in respect of any fees owed to it) or counterclaim but subject to any deductions required by law;
- (i) use reasonable endeavours to procure that the Seller makes payments in respect of the Mortgage Loans into the Transaction Accounts not later than (i) in case payments are made by direct debit, the end of the next London Banking Day following the receipts of such amounts as Collection Amounts and (ii) in all other cases, no later than two (2) Business Days following the receipts thereof;
- (j) keep records and accounts on behalf of the Issuer in relation to the Mortgage Loans;
- (k) keep the Mortgage Loan Files and Title Deeds in its possession or under its control in safe custody (including, where relevant, in de-materialised form) and maintain records necessary to enforce each Mortgage and to provide the Issuer and the Security Trustee with access to the Title Deeds and other records relating to the administration of the Mortgage Loans and their Related Security;
- (l) as soon as reasonably practicable upon becoming aware of any event which may reasonably give rise to an obligation of the Seller to repurchase any Mortgage Loan sold by the Seller to the Issuer pursuant to the Mortgage Sale Agreement, notify the Issuer in writing of such event;
- (m) if required under the Servicing Agreement, use best efforts to appoint a back-up servicer on terms similar to those set out in the Servicing Agreement, taking into account the then-current market conditions;
- (n) make available to the Issuer and the Security Trustee a report on a quarterly basis containing information, on an anonymised basis, about the Mortgage Loans and their Related Security comprised in the Mortgage Portfolio;
- (o) assist the Cash Manager (through provision of the relevant information) in the preparation of the SR Loan Level Reports and the SR Investor Reports in accordance with the Cash Management Agreement;
- (p) take all reasonable steps to collect and recover all sums due to the Issuer, including instituting proceedings and enforcing any relevant Mortgage Loan using the discretion of a Prudent Mortgage Lender in applying the Enforcement Procedures;
- (q) so long as BOIUK is the Servicer and following the completion of legal assignment of the Mortgage Loans and their Related Security to the Issuer (including any notification of such legal assignment to the Borrowers) as a result of a Perfection Trigger Event, maintain Issuer Standard Variable Rate applicable to any Mortgage Loans at an interest rate of not less than SONIA plus 2% per annum;
- (r) immediately notify the Issuer and the Security Trustee if it becomes aware of any Event of Default;
- (s) provide any assistance to the Issuer needed to implement a repurchase of Mortgage Loans and their Related Security pursuant to the Mortgage Sale Agreement; and

The Servicer and the Servicing Agreement

- (t) provide such other information to the Issuer and the Security Trustee as they may reasonably request.

The Servicer undertakes that in performing the services under the Servicing Agreement, that it will exercise the rights against the Borrower under any Mortgage Loan and Related Security in a way which is no less favourable to such Borrower than the way in which the Seller was exercising those rights prior to the sale thereof to the Issuer under the Mortgage Sale Agreement.

Setting of interest rates and margins

Pursuant to the terms of the Mortgage Sale Agreement and in accordance with relevant Mortgage Conditions applicable to certain of the Mortgage Loans, the Seller has prescribed policies relating to interest rate setting, arrears management and handling of complaints which the Issuer (and any subsequent purchaser thereof) will be required to adhere to following the transfer of Mortgage Loans and their Related Security. Such arrears management and handling of complaints policies are consistent with those to be applied by the Servicer under the terms of the Servicing Agreement. The interest rate setting policy specified in the Mortgage Sale Agreement is only applicable to Mortgage Loans with interest rates which may be varied from time to time at the discretion of the lender and requires that such interest rates should be set in accordance with any applicable statement of good practice of the FCA or any other requirements or recommendations of the FCA with which it is customary to comply.

In addition to the undertakings described above, the Servicer has also undertaken in the Servicing Agreement to determine and set in relation to all the Mortgage Loans in the Mortgage Portfolio the Standard Variable Rate applicable to Mortgage Loans in the Mortgage Portfolio as set, other than in limited circumstances, by the Servicer, in accordance with the terms of the Servicing Agreement (the "**Issuer Standard Variable Rate**") and any other discretionary rates and margins (in accordance with the policy to be adhered to by the Issuer above) except in the limited circumstances when the Issuer will be entitled to do so (described below in this subsection). The Servicer may not at any time without the prior written consent of the Issuer and, following the delivery of an Enforcement Notice, the Security Trustee, set or maintain:

- (a) the Issuer Standard Variable Rate applicable to the Variable Rate Mortgage Loans sold by the Seller to the Issuer and in the Mortgage Portfolio at a rate which is higher than (although it may be lower than or equal to) the then prevailing Standard Variable Rate of the Seller which applies to mortgage loans beneficially owned by the Seller outside the Mortgage Portfolio; and
- (b) any other discretionary rate or margin (together with the Standard Variable Rate, the "**Discretionary Rates**") in respect of any other Mortgage Loan sold by the Seller to the Issuer and in the Mortgage Portfolio which is higher than (although it may be lower than or equal to) the interest rate or margin which applies to that type of mortgage loan beneficially owned by the Seller outside the Mortgage Portfolio.

If the Issuer (or the Cash Manager on its behalf) notifies the Servicer that, having regard to the obligations of the Issuer, the Discretionary Rates should be increased or decreased, then the Servicer may take all steps which are necessary to increase or decrease the Discretionary Rates (as applicable), including publishing any notice which is required in accordance with the applicable mortgage terms.

Prior to the delivery of an Enforcement Notice, the Issuer (with the prior written consent of the Security Trustee) and, following delivery of a Enforcement Notice, the Security Trustee may terminate the authority of the Servicer under the Servicing Agreement to determine and set the Discretionary Rates on or after the occurrence of a Servicer Termination Event (as defined under the section entitled "Removal or resignation of the Servicer" below) (**provided that** neither the Issuer nor the Security Trustee will be entitled to terminate such authority if the Servicer has been appointed as substitute

The Servicer and the Servicing Agreement

servicer under any master servicing agreement), in which case the Issuer shall set the Discretionary Rates itself in accordance with the above provisions.

The Servicer has agreed to take all reasonable steps necessary under the Mortgage Conditions and applicable law to notify Borrowers of each change in interest rates and any consequent changes in Monthly Payments, whether due to a change in the Issuer Standard Variable Rate or any other rate or margin (including any such change effected at the request of the Issuer) or as a consequence of the Mortgage Conditions. The Servicer will also notify the Issuer and the Security Trustee of any change in the Issuer Standard Variable Rate via the Bank of England Investor Report.

Any of the Issuer and, following the delivery of an Enforcement Notice, the Security Trustee may terminate the authority of the Servicer to set the interest rates applicable to Mortgage Loans included in the Mortgage Portfolio in certain limited circumstances set out in the Servicing Agreement, including upon the occurrence of any Servicer Termination Event (as described below).

Collection of payments

The Servicer has undertaken to ensure that all payments due under the Mortgage Loans in the Mortgage Portfolio will be made by the relevant Borrower by direct debit or other means into accounts in the name of GovCo UK in accordance with the Servicing Agreement.

Subject to the terms of the Servicing Agreement, amounts standing to the credit of the collection accounts of GovCo UK that represent amounts collected in respect of Mortgage Loans in the Mortgage Portfolio ("**Collection Amounts**") are required to be transferred to the Transaction Accounts (i) (in the case of payments made by direct debit) on the Business Day following the date of receipt of collection into the relevant collection accounts of GovCo UK or (ii) (in all other cases) within two Business Days following the date of receipt of the collection into the relevant collection accounts of GovCo UK.

Servicer's liability

The Servicer will indemnify each of the Issuer and the Security Trustee on demand on an after-tax basis for any loss, liability, claim, expense or damage suffered or incurred by it in respect of the negligence, fraud or wilful default of the Servicer or any of its sub-contractors or delegates in carrying out its functions as Servicer under, or as a result of a breach by the Servicer of the terms and provisions of, the Servicing Agreement or such other Transaction Documents to which the Servicer is a party (in its capacity as such) in relation to such functions, provided that the Servicer shall not be liable to indemnify (i) the Issuer for any liabilities which arise as a result of negligence, wilful default, fraud, breach of trust or material breach of the Servicing Agreement by the Issuer and/or (ii) the Security Trustee for any liabilities which arise as a result of gross negligence, wilful default or fraud or the Security Trustee.

Compensation

The Servicer receives a fee for servicing the Mortgage Loans and their Related Security. So long as the Seller (or any member of the Seller) is the Servicer, the Issuer pays to the Servicer on each Payment Date the Servicing Fee. The fee is payable in arrears on each Payment Date in the manner contemplated by, and in accordance with, the Pre-Enforcement Revenue Priority of Payments or, as the case may be, the Post-Enforcement Priority of Payments. If a substitute servicer from outside the Seller's Group is appointed in accordance with the terms of the Servicing Agreement, the Issuer shall pay to the successor servicer for its services a fee to be determined at the time of such appointment (which may be higher than the fee payable to the Seller (or any member of the Seller) as Servicer).

Removal or resignation of the Servicer

The Issuer (subject to the prior written consent of the Security Trustee) may, upon written notice to the Servicer, terminate the Servicer's appointment under the Servicing Agreement upon the occurrence of a Servicer Termination Event. For further details, please see "Triggers Tables - Servicer Termination Event".

Subject to the fulfilment of a number of conditions, the Servicer may voluntarily resign by giving not less than 12 months' written notice to, among others, the Security Trustee and the Issuer (or such shorter time as may be agreed between the Servicer, the Issuer and the Security Trustee) with a copy to each Rating Agency, **provided that** a substitute servicer qualified to act as such under the FSMA and with a management team with experience of servicing residential mortgages in the United Kingdom has been appointed and enters into a servicing agreement with the Issuer substantially on the same terms as the Servicing Agreement. The resignation of the Servicer is conditional on the resignation having no adverse effect on the then-current ratings of the Notes unless the Noteholders agree otherwise by Extraordinary Resolution.

If the appointment of the Servicer is terminated or the Servicer resigns, the Servicer must deliver the Mortgage Loan Files relating to the Mortgage Loans comprised in the Mortgage Portfolio in its possession to, or at the direction of, the Issuer. The Servicing Agreement will terminate at such time as the Issuer has no further interest in any of the Mortgage Loans or their Related Security serviced under the Servicing Agreement that have been comprised in the Mortgage Portfolio.

Neither the Note Trustee nor the Security Trustee is obliged to act as servicer in any circumstances.

Governing law

The Servicing Agreement and any non-contractual obligations arising out of or in connection with it are governed by English law.

REGULATION OF THE UK RESIDENTIAL MORTGAGE MARKET

The following discussion is a summary of the material laws and regulations governing the UK residential mortgage market. This discussion does not purport to be an exhaustive analysis of the relevant law. Any prospective investor in any Notes should consult its own legal advisers regarding the effect of the applicable laws and regulations.

Regulated Mortgage Contracts

In the UK, regulation of residential mortgage business under the FSMA came into force on 31 October 2004 (the date known as the "**Regulation Effective Date**"). Entering into a regulated mortgage contract as a lender, arranging a regulated mortgage contract or advising in respect of a regulated mortgage contract and administering a regulated mortgage contract (or agreeing to do any of those activities) are (subject to applicable exemptions) regulated activities under the FSMA and RAO requiring authorisation and permission from the FCA.

The original definition of a regulated mortgage contract was such that if a mortgage contract was entered into on or after the Regulation Effective Date but prior to 21 March 2016, it will be a regulated mortgage contract under the RAO if: (i) the lender provides credit to an individual or to trustees; (ii) the obligation of the Borrower to repay was secured by a first legal mortgage in the UK; and (iii) at least 40% of which was used, or was intended to be used, as or in connection with a dwelling by the Borrower or (in the case of credit provided to trustees) by an individual who was a beneficiary of the trust, or by a related person. A related person is: (1) that person's spouse or civil partner; (2) a person (whether or not of the opposite sex) whose relationship with that person has the characteristics of the relationship between husband and wife; or (3) that person's parent, brother, sister, child, grandparent or grandchild (a "**Related Person**").

The current definition of a regulated mortgage contract ("**Regulated Mortgage Contract**") is such that if the mortgage contract was entered into on or after 21 March 2016, it will be a Regulated Mortgage Contract if it meets the following conditions (when read in conjunction with and subject to certain relevant exclusions): (a) the borrower is an individual or trustee; and (b) the contract which provides for the obligation of the borrower to repay is secured by a mortgage on land, at least 40% of which is used, or is intended to be used: (i) in the case of credit provided to an individual, as or in connection with a dwelling; or (ii) (in the case of credit provided to a trustee who is not an individual) as or in connection with a dwelling by an individual who is a beneficiary of the trust, or by a Related Person. In relation to a contract entered into before 23:00 on 31 December 2020, 'land' means land in the United Kingdom or within the territory of an EEA state, and in relation to a contract entered into on or after 23:00 on 31 December 2020, 'land' means land in the United Kingdom.

On and from the Regulation Effective Date, subject to any exemption, persons carrying on any specified regulated mortgage related activities by way of business must be authorised under the FSMA. The specified activities currently are: (a) entering into a Regulated Mortgage Contract as lender; (b) "administering" a Regulated Mortgage Contract (administering in this context broadly means notifying borrowers of changes in mortgage payments and/or taking any necessary steps for the purposes of collecting payments due under the mortgage loan); (c) advising in respect of Regulated Mortgage Contracts; and (d) arranging Regulated Mortgage Contracts. Agreeing to carry on any of these activities is also a regulated activity. If requirements as to the authorisation of lenders and brokers are not complied with, a Regulated Mortgage Contract will be unenforceable against the borrower except with the approval of a court and the unauthorised person may commit a criminal offence. An unauthorised person who carries on the regulated mortgage activity of administering a Regulated Mortgage Contract that has been validly entered into may commit an offence, although this will not render the contract unenforceable against the borrower. The regime under the FSMA regulating financial promotions covers the content and manner of the promotion of agreements relating to qualifying credit and who can issue or approve financial promotions. In this respect, the FSMA regime not only covers financial

promotions of Regulated Mortgage Contracts but also promotions of certain other types of secured credit agreements under which the lender is a person (such as an originator) who carries on the regulated activity of entering into a Regulated Mortgage Contract. Failure to comply with the financial promotion regime (as regards who can issue or approve financial promotions) is a criminal offence and will render the Regulated Mortgage Contract or other secured credit agreement in question unenforceable against the borrower except with the approval of a court.

The Servicer is required to hold and does hold authorisation and permission to enter into and to administer Regulated Mortgage Contracts. Brokers are in certain circumstances required to hold authorisation and permission to arrange and, where applicable, to advise in respect of Regulated Mortgage Contracts. The Issuer is not, and does not propose to be, an authorised person under the FSMA. Under the RAO, the Issuer does not require authorisation in order to acquire legal or beneficial title to a Regulated Mortgage Contract. The Issuer does not carry on the regulated activity of administering Regulated Mortgage Contracts by having them administered pursuant to a servicing agreement by an entity having the required authorisation and permission under the FSMA. If such a servicing agreement terminates, the Issuer will have a period of not more than one month (beginning with the day on which such arrangement terminates) in which to arrange for mortgage administration to be carried out by a replacement servicer having the required FSMA authorisation and permission.

The Issuer will only hold beneficial title to the Mortgage Loans and their Related Security. In the event that legal title to the relevant Mortgage Loans is transferred to the Issuer upon the occurrence of a Perfection Trigger Event, the Issuer will have arranged for a servicer to administer these Mortgage Loans and is not expected to enter into any new Regulated Mortgage Contracts as lender under article 61(1) of the RAO. However, in the event that a mortgage is varied, such that a new contract is entered into and that contract constitutes a Regulated Mortgage Contract, then the arrangement of, advice on, administration of and entering into of such variation would need to be carried out by an appropriately authorised entity.

The FCA's Mortgages and Home Finance: Conduct of Business sourcebook ("**MCOB**"), which sets out the FCA's rules for regulated mortgage activities, came into force on 31 October 2004. These rules cover, among other things, certain pre-origination matters such as financial promotion and pre-application illustrations, pre-contract and start-of-contract and post-contract disclosure, contract changes, charges and arrears and repossessions. Further rules for prudential and authorisation requirements for mortgage firms, and for extending the appointed representatives regime to mortgages, came into force on 31 October 2004.

Unfair relationships

Under the CCA, the earlier "extortionate credit" regime was replaced by an "unfair relationship" test. The "unfair relationship" test applies to all existing and new credit agreements, except Regulated Mortgage Contracts, and also applies to (as described below) "consumer credit back book mortgage contracts". If the court makes a determination that the relationship between a lender and a borrower is unfair, then it may make an order, among other things, requiring the relevant originator, or any assignee such as the Issuer, to repay amounts received from such borrower. In applying the "unfair relationship" test, the courts are able to consider a wider range of circumstances surrounding the transaction, including the conduct of the creditor (or anyone acting on behalf of the creditor) before and after making the agreement or in relation to any related agreement. There is no statutory definition of the word "unfair" in the CCA as the intention is for the test to be flexible and subject to judicial discretion and it is therefore difficult to predict whether a court would find a relationship "unfair". However, the word "unfair" is not an unfamiliar term in UK legislation due to the UTCCR (and the CRA (each as defined below)). The courts may, but are not obliged to, look solely to the CCA for guidance. The principle of "treating customers fairly" under the FSMA, and guidance published by the FSA and, subsequently, the FCA on that principle and by the OFT on the unfair relationship test, may also be relevant. Under the

CCA, once the debtor alleges that an "unfair relationship" exists, the burden of proof is on the creditor to prove the contrary.

Plevin v Paragon Personal Finance Limited [2014] UKSC 61, a Supreme Court judgment, has clarified that compliance with the relevant regulatory rules by the creditor (or a person acting on behalf of the creditor) does not preclude a finding of unfairness, as a wider range of considerations may be relevant to the fairness of the relationship than those which would be relevant to the application of the rules. Where add-on products such as insurance are sold and are subject to significant commission payments, it is possible that the non-disclosure of commission by the lender is a factor that could form part of a finding of an unfair relationship.

PPI

The FCA set a deadline of 29 August 2019 by which consumers needed to make their PPI complaints or lose their right to have them assessed by firms or the FOS (although consumers will still be able to bring claims in court after the deadline).

Two points of note in respect of PPI came out of a 2023 Supreme Court judgment in *Smith v RBS*. The claimants had successful unfair relationship claims in respect of non-disclosure of broker commission on their PPI policies, the claimants had already been compensated by the lender in respect of Plevin style PPI claims following the FCA rules and guidance (the FCA's approach included a 50% commission 'tipping point' at which lenders should presume, for handling PPI complaints, that the failure to disclose commission gave rise to an unfair relationship, and that profit share should be included in firms' calculation of commission. Redress was calculated as the excess commission over the 50% tipping point), however the claimants were seeking repayment of the full amount paid as their PPI premium plus interest. Secondly, even though the PPI policies themselves had expired and were not within the limitation period, the credit cards the policies were associated with had continued and so the unfair relationship continued and the limitation period was 6 years after the relevant credit card had expired (and the unfair relationship had ended), so RBS' defence of the claims being out of time failed.

Following the *RBS v Smith* judgment, Harcus Parker (a commercial litigation firm) sought a group litigation order to pursue relevant lenders for redress of the full amount paid by the borrower as the PPI premium plus interest, Harcus Parker's application for a group litigation order was dismissed by Birmingham County Court in a judgment handed down on 7 January 2025.

Distance Marketing

In the United Kingdom, the Financial Services (Distance Marketing) Regulations 2004 (the "**Distance Marketing Regulations**") apply to contracts for financial services entered into on or after 31 October 2004 by a "consumer" within the meaning of the Distance Marketing Regulations and by means of distance communication (i.e. without any substantive simultaneous physical presence of the originator and the borrower).

The Distance Marketing Regulations require suppliers of financial services by way of distance communication to provide certain information to consumers. This information generally has to be provided before the consumer is bound by the contract and includes, but is not limited to, general information in respect of the supplier and the financial service, the contractual terms and conditions, and whether or not there is a right of cancellation.

A regulated mortgage contract under the FSMA, if originated by a United Kingdom lender (who is authorised by the FCA) from an establishment in the United Kingdom, will not be cancellable under the Distance Marketing Regulations, but will be subject to related pre-contract disclosure requirements in MCOB. Failure to comply with MCOB pre-contract disclosure rules could result in, among other things, disciplinary action by the FCA and claims for damages under Section 138D of the FSMA.

Certain other agreements for financial services will be cancellable under the Distance Marketing Regulations if the borrower does not receive the prescribed information at the prescribed time. Where the credit agreement is cancellable under the Distance Marketing Regulations, the borrower may send notice of cancellation at any time before the expiry of 14 days beginning with: (i) the day after the day on which the contract is made (where all of the prescribed information has been provided prior to the contract being entered into); or (ii) the day after the day on which the last of the prescribed information is provided (where all of the prescribed information was not provided prior to the contract being entered into).

Compliance with the Distance Marketing Regulations may be secured by way of injunction obtained by an enforcement authority, granted on such terms as the court thinks fit to ensure such compliance, and certain breaches of the Distance Marketing Regulations may render the originator or intermediaries (and their respective relevant officers) liable to a fine.

If the borrower cancels the contract under the Distance Marketing Regulations, then: (a) the borrower is liable to repay the principal and any other sums paid by or on behalf of the originator to the borrower, under or in relation to the contract, within 30 calendar days of cancellation, beginning with the day of the borrower sending notice of cancellation or, if later, the lender receiving notice of cancellation; (b) the borrower is liable to pay interest, early repayment charges and other charges for services actually provided in accordance with the contract only if: (i) the amount is in proportion to the extent of the service provided before cancellation (in comparison with the full coverage of the contract) and is not such that it could be construed as a penalty; (ii) the borrower received certain prescribed information at the prescribed time about the amounts payable; and (iii) the originator did not commence performance of the contract before the expiry of the relevant cancellation period (unless requested to do so by the borrower); and (c) any security provided in relation to the contract is to be treated as never having had effect.

Unfair Terms in Consumer Contracts Regulations 1994 and 1999 and the Consumer Rights Act 2015

In the UK, the 1999 Regulations, and (insofar as applicable) the UTCCR, apply to business-to-consumer agreements made on or after 1 July 1995 and before 1 October 2015 where the terms have not been individually negotiated (and the "consumer" for these purposes falls within the definition provided in the UTCCR). The Consumer Rights Act 2015 ("CRA") has revoked the UTCCR in respect of contracts made on or after 1 October 2015. In respect of contracts that: (a) were entered into on or after 1 October 2015; or (b) were, since 1 October 2015, subject to a material variation such that they are treated as new contracts falling within the scope of the CRA, the CRA applies. The CRA is also applicable on or after 1 October 2015 to notices of variation, such as variation of interest rates under contracts.

The FCA has stated that the finalised FCA guidance "Fairness of variation terms in financial services consumer contracts under the Consumer Rights Act 2015" applies equally to factors that firms should consider to achieve fairness under the UTCCR.

The UTCCR and the CRA provide that a consumer (which would include a borrower under all or almost all of the Mortgage Loans) may challenge a term in an agreement on the basis that it is "unfair" within the UTCCR or the CRA, as applicable, and therefore not binding on the consumer (although the rest of the agreement will remain enforceable if it is capable of continuing in existence without the unfair term) and provide that a regulator may take action to stop the use of terms which are considered to be unfair.

UTCCR

The UTCCR will not generally affect terms which define the main subject matter of the contract, such as the borrower's obligation to repay the principal, **provided that** these terms are written in plain and intelligible language and are drawn adequately to the consumer's attention. The UTCCR may affect

terms that are not considered to be terms which define the main subject matter of the contract, such as the lender's power to vary the interest rate and certain terms imposing early repayment charges and mortgage exit administration fees. For example, if a term permitting the lender to vary the interest rate (as the originator is permitted to do) is found to be unfair, the borrower will not be liable to pay interest at the increased rate or, to the extent that the borrower has paid it, will be able, as against the lender, or any assignee such as the Issuer, to claim repayment of the extra interest amounts paid or to set off the amount of the claim against the amount owing by the borrower under the loan or any other loan agreement that the borrower has taken with the lender.

CRA

The main provisions of the CRA came into force on 1 October 2015 and apply to agreements made on or after that date. The CRA significantly reforms and consolidates consumer law in the UK. The CRA involves the creation of a single regime out of the Unfair Contract Terms Act 1977 (which essentially deals with attempts to limit liability for breach of contract) and the UTCCR. The CRA has revoked the UTCCR in respect of contracts made on or after 1 October 2015 and introduced a new regime for dealing with unfair contractual terms as follows:

Under Part 2 of the CRA, an unfair term of a consumer contract (a contract between a trader and a consumer) is not binding on a consumer (an individual acting for purposes that are wholly or mainly outside that individual's trade, business, craft or profession). Additionally, an unfair notice is not binding on a consumer, although a consumer may rely on the term or notice if the consumer chooses to do so. A term will be unfair where, contrary to the requirement of good faith, it causes significant imbalance in the parties' rights and obligations under the contract to the detriment of the consumer. In determining whether a term is fair, it is necessary to: (i) take into account the nature of the subject matter of the contract; (ii) refer to all the circumstances existing when the term was agreed; and (iii) refer to all of the other terms of the contract or any other contract on which it depends.

Schedule 2 of the CRA contains an indicative and non-exhaustive "grey list" of terms of consumer contracts that may be regarded as unfair. Notably, paragraph 11 lists "a term which has the object or effect of enabling the trader to alter the terms of the contract unilaterally without a valid reason which is specified in the contract", although paragraph 22 of Schedule 2 provides that this does not include a term by which a supplier of financial services reserves the right to alter the rate of interest payable by or due to the consumer, or the amount of other charges for financial services without notice where there is a valid reason if the supplier is required to inform the consumer of the alteration at the earliest opportunity and the consumer is free to dissolve the contract immediately.

A term of a consumer contract which is not on the "grey list" may nevertheless be regarded as unfair.

Where a term of a consumer contract is "unfair", it will not bind the consumer. However, the remainder of the contract, will, so far as is practicable, continue to have effect in every other respect. Where a term in a consumer contract is susceptible of multiple different meanings, the meaning most favourable to the consumer will prevail. It is the duty of the court to consider the fairness of any given term. This can be done even where neither of the parties to proceedings have explicitly raised the issue of fairness.

Regulatory Developments

Historically, the OFT, FSA and FCA (as appropriate) have issued guidance on the UTCCR. This has included: (i) OFT guidance on fair terms for interest variation in mortgage contracts dated February 2000; (ii) an FSA statement of good practice on fairness of terms in consumer contracts dated May 2005; (iii) an FSA statement of good practice on mortgage exit administration fees dated January 2007; and (iv) FSA finalised guidance on unfair contract terms and improving standards in consumer contracts dated January 2012.

On 2 March 2015, the FCA updated its online unfair contract terms library by removing some of its material (including the abovementioned guidance) relating to unfair contract terms. The FCA stated that such material "no longer reflects the FCA's views on unfair contract terms" and that firms should no longer rely on the content of the documents that have been removed.

On 19 December 2018, the FCA published finalised guidance: "Fairness of variation terms in financial services consumer contracts under the Consumer Rights Act 2015" (FG 18/7), outlining factors the FCA consider firms should have regard to when drafting and reviewing variation terms in consumer contracts. This follows developments in case law, including at the Court of Justice of the EU ("CJEU"). The finalised guidance relates to all financial services consumer contracts entered into since 1 July 1995. The FCA stated that firms should consider both this guidance and other rules that apply when they draft and use variation terms in their consumer contracts. The FCA stated that the finalised guidance will apply to FCA authorised persons and their appointed representative in relation to any consumer contracts which contain variation terms.

The provisions in the CRA governing unfair contractual terms came into force on 1 October 2015. The Unfair Contract Terms and Consumer Notices Regulation Guide (UNFCOG in the FCA handbook) explains the FCA's policy on how it uses its powers under the CRA and the CMA published guidance on the unfair terms provisions in the CRA on 31 July 2015 (the "**CMA Guidance**"). The CMA indicated in the CMA Guidance that the fairness and transparency provisions of the CRA are regarded to be "effectively the same as those of the UTCCR" (save in applying the consumer notices and negotiated terms). The document further notes that "the extent of continuity in unfair terms legislation means that existing case law generally, and that of the Court of Justice of the EU particularly, is for the most part as relevant to the Act as it was the UTCCRs". The guidance issued by the FSA (and as of 1 April 2013, the FCA), the OFT and the CMA has changed over time and it is possible that it may change in the future.

In general, there is little reported case law on the UTCCR and/or the CRA and the interpretation of each is open to some doubt. The broad and general wording of the CRA makes any assessment of the fairness of terms largely subjective and makes it difficult to predict whether or not a term would be held by a court to be unfair. It is therefore possible that any Mortgage Loans which have been made to Borrowers covered by the CRA may contain unfair terms, which may result in the possible unenforceability of the terms of the underlying loans.

Consumer Protection from Unfair Trading Regulations and the Digital Markets, Competition and Consumers Act 2024

The Consumer Protection from Unfair Trading Regulations ("**CPUTR**") came into force on 26 May 2008 and prohibits certain practices which are deemed "unfair" within the terms of the CPUTR. Breach of the CPUTR does not (of itself) render an agreement void or unenforceable, but is a criminal offence punishable by a fine and/or imprisonment. Under the terms of the CPUTR, the possible liabilities for misrepresentation or breach of contract in relation to the underlying credit agreement may result in irrecoverable losses on amounts to which such agreements apply. Most of the provisions of the Consumer Protection (Amendment) Regulations 2014 came into force on 1 October 2014 and amended the CPUTR. In certain circumstances, these amendments to the CPUTR give consumers a right to redress for misleading or aggressive commercial practices (as defined in the CPUTR), including a right to unwind agreements.

On 24 May 2024 the Digital Markets, Competition and Consumers Bill received royal assent, becoming the Digital Markets, Competition and Consumers Act 2024 ("**DMCCA**"). The DMCCA is not yet fully in force and most of its key provisions will be brought into force through secondary legislation. Once fully in force, the DMCCA will revoke the CPUTR and recreate their effect, with minor amendments (Part 4 of the DMCCA), prohibiting unfair commercial practices in business to consumer relationships. In addition to some minor amendments to the CPUTR rules, the new regime will introduce new rules

on consumer reviews, drip pricing and consumer vulnerability. In addition, the DMCCA largely replicates the list of specified banned practices contained in the CPUTR and creates new powers to expand the list of automatically unfair practices. Under the DMCCA, the unfair commercial practices regime, along with all other consumer protection legislation, will become subject to a new enforcement regime under which the CMA will enjoy new direct enforcement powers, which will operate in parallel with a court-based enforcement regime.

The new unfair commercial practices regime established by the DMCCA will apply to acts or omissions which take place on or after the commencement date (to be determined by secondary legislation).

FCA Consumer Duty

Rules relating to a consumer duty on regulated firms (the "**Consumer Duty**") were published by the FCA, aiming to set a higher level of consumer protection in retail financial markets. The Consumer Duty applied from 31 July 2023 for products and services that remain open to sale or renewal and from 31 July 2024 for closed products and services.

The Consumer Duty applies to the regulated activities and ancillary activities of all firms authorised under the FSMA.

There are three main elements to the new Consumer Duty, comprising a new consumer principle, that "a firm must act to deliver good outcomes for the retail consumers of its products", cross-cutting rules supporting the consumer principle, and four outcomes, relating to the quality of firms' products and services, price and value, consumer understanding and consumer support.

The Consumer Duty applies not only at origination of a product but throughout its subsistence (so in the case of a mortgage loan, throughout the period the mortgage loan is outstanding). The cross-cutting rules include an obligation to avoid causing foreseeable harm to the consumer and the outcomes include an obligation to ensure that the product (for example, a mortgage loan) provides fair value to the retail customer. These obligations (as with the remainder of the Consumer Duty) must be assessed on a regular basis throughout the life of the product.

The Consumer Duty applies in respect of Regulated Mortgage Contracts (as well as loans falling within the consumer credit regime). It applies to product manufacturers and distributors, which include purchasers of in scope mortgage loans, as well as firms administering or servicing those mortgage loans. Although the Consumer Duty does not apply retrospectively, the FCA requires firms to apply the Consumer Duty to existing products on a forward-looking basis. If (for example) the obligations relating to fair value or not causing harm are not met in relation to the Mortgage Loans, it could adversely affect the amounts received or recoverable in relation to the Mortgage Loans. This may adversely affect the ability of the Issuer to make payments in full on the Notes when due. The FCA has its usual enforcement powers, such as issuing fines and securing redress for consumers, in relation to breaches of the Consumer Duty.

Mortgage repossessions

The pre-action protocol for mortgage repossession cases in England and Wales (the "**Pre-action Protocol**") sets out the steps that judges will expect any lender to take before starting a claim. A number of mortgage lenders have confirmed that they will delay the initiation of repossession action for at least three months after a borrower, who is an owner-occupier, is in arrears. The application of such a moratorium is subject to the wishes of the relevant borrower and may not apply in cases of fraud. In addition, under the protocol the lender must consider whether to postpone the start of a possession claim where the borrower has made a genuine complaint to the Ombudsman about the potential possession claim.

Breathing Space Regulations

The Debt Respite Scheme (Breathing Space Moratorium and Mental Health Crisis Moratorium) (England and Wales) Regulations 2020 (SI 2020/1311) ("**Breathing Space Regulations**") (which came into force on 4 May 2021) give eligible individuals in England and Wales the right to legal protection from their creditors, including almost all enforcement action, during a period of "breathing space". A standard breathing space will give an individual in England and Wales with problem debt legal protection from creditor action for up to 60 days; and a mental health crisis breathing space will give an individual in England and Wales protection from creditor action for the duration of their mental health crisis treatment (which is not limited in duration) plus an additional 30 days.

However, the Breathing Space Regulations do not apply to mortgages, except for arrears which are uncapitalised at the date of the application under the Breathing Space Regulations. Interest can still be charged on the principal secured debt during the breathing space period, but not on the arrears. Any mortgage arrears incurred during any breathing space period are not protected from creditor action. The Borrower must continue to make mortgage payments in respect of any mortgage secured against their primary residence (save in respect of arrears accrued prior to the moratorium) during the breathing space period, otherwise the relevant debt adviser may cancel the breathing space period.

In February 2021, the FCA issued a policy statement (PS21/1) on the application of the Breathing Space Regulations, in which they confirm that no changes are currently being made to the rules under MCOB, in relation to how mortgage lenders should treat a "breathing space" as an indicator of payment difficulties. The FCA's view is that this is something that firms should take into account, but should not be treated more specifically than other potential indicators of payment difficulties.

FCA response to cost of living pressures

On 10 April 2024, the FCA published PS24/2: Strengthening protections for borrowers in financial difficulty: Consumer credit and mortgages and the related Consumer Credit and Mortgages (Tailored Support) Instrument 2024 (FCA 2024/7). It also published FG24/2: Guidance for firms supporting existing mortgage borrowers impacted by rising living costs. The FCA stated that they wanted to build on the Mortgages Tailored Support Guidance (issued on 25 March 2021 to address exceptional circumstances arising out of coronavirus) and provide a stronger framework for lenders to protect customers facing payment difficulties, they would do this by incorporating relevant aspects of the Mortgages Tailored Support Guidance into their Handbook, as well as introducing further targeted changes. For mortgages, the FCA changed their guidance to allow lenders more scope to capitalise payment shortfalls where appropriate and to improve disclosure for all customers in payment shortfall. The new rules came into force on 4 November 2024 and the Mortgages Tailored Support Guidance was withdrawn at that time.

There can be no assurance that the FCA, or other UK government or regulatory bodies, will not take further steps in response to the rising cost of living in the UK, including further amending and extending the scope of the above guidance.

Mortgage Charter

On 26 June 2023, HM Treasury published the 'Mortgage Charter' in light of the current pressures on households following interest rate rises and the cost-of-living crisis. The Mortgage Charter states that the UK's largest mortgage lenders and the FCA have agreed with the Chancellor a set of standards that they will adopt when helping their regulated mortgage borrowers worried about high interest rates (the "**Mortgage Charter**"). The Seller is a signatory to the Mortgage Charter and has agreed that among other things, a borrower will not be forced to leave their home without their consent unless in exceptional circumstances, in less than a year from their first missed payment. In addition, lenders will permit borrowers who are up-to-date with their payments to: (i) switch to interest-only payments for six

months (the "**MC Interest-only Agreement**"); or (ii) extend their mortgage term to reduce their monthly payments and give borrowers the option to revert to their original term within six months by contacting their lender (the "**MC Extension Agreement**"). These options can be taken by borrowers who are up-to-date with their payments without a new affordability check or affecting their credit score.

With effect on and from 30 June 2023, the FCA has amended the Mortgages and Home Finance: Conduct of Business Sourcebook (MCOB) to allow (rather than require) lenders to give effect to the MC Interest-only Agreement and the MC Extension Agreement. The amendments made by the FCA do not apply to second ranking mortgages or bridging loans. The FCA announced that it intends to review the impact of the rule changes within 12 months.

The Mortgage Charter is currently voluntary and adhering to it will be a decision for lenders to make individually.

Assured Shorthold Tenancy (AST)

Depending on the level of ground rent payable at any one time it is possible that a long leasehold in England and Wales may also be an Assured Tenancy ("**AT**") or Assured Shorthold Tenancy ("**AST**") under the Housing Act 1988 ("**HA 1988**"). If it is, this could have the consequences set out below.

A tenancy or lease in England and Wales will be an AT if granted after 15 January 1989 and:

- (a) the tenant, or as the case may be, each of the joint tenants, is an individual;
- (b) the tenant, or as the case may be, at least one of the joint tenants, occupies the dwelling-house as their only or principal home; and
- (c) if granted before 1 April 1990:
 - (i) the property had a rateable value at 31 March 1990 lower than £1,500 in Greater London or £750 elsewhere; and
 - (ii) the rent payable for the time being is greater than 2/3rds of the rateable value at 31 March 1990;
- (d) if granted on or after 1 April 1990 the rent payable for the time being is between £251 and £100,000 inclusive (or between £1,001 and £100,000 inclusive in Greater London).

There is no maximum term for an AT and therefore any lease can constitute an AT if it satisfies the relevant criteria.

Since 28 February 1997 all ATs will automatically be ASTs (unless the landlord serves notice to the contrary) which gives landlords the right to recover the property at the end of the term of the tenancy. The HA 1988 also entitles a landlord to obtain an order for possession and terminate an AT/AST during its fixed term on proving one of the grounds for possession specified in section 7(6) of the HA 1988. The ground for possession of most concern in relation to long leaseholds is Ground 8 – namely that if the rent is payable yearly (as most ground rents are), at least three months' rent is more than three months in arrears both at the date of service of the landlord's notice and the date of the hearing.

Most leases give the landlord a right to forfeit the lease if rent is unpaid for a certain period of time but the courts normally have power to grant relief, cancelling the forfeiture as long as the arrears are paid off. There are also statutory protections in place to protect long leaseholders from unjustified forfeiture action. However, an action for possession under Ground 8 is not the same as a forfeiture action and the court's power to grant relief does not apply to Ground 8. In order to obtain possession, the landlord will

have to follow the notice procedure in section 8 of the HA 1988 and, if the tenant does not leave on expiry of the notice, apply for a court order. However, as ground 8 is a mandatory ground, the court will have no discretion and will be obliged to grant the order if the relevant conditions are satisfied. There is government consultation underway to review residential leasehold law generally and it is anticipated that this issue will be addressed as part of any resulting reforms.

Currently, however, there is a risk that where:

- (a) a long lease is also an AT/AST due to the level of the ground rent;
- (b) the tenant is in arrears of ground rent for more than three months;
- (c) the landlord chooses to use the HA 1988 route to seek possession under Ground 8; and
- (d) the tenant does not manage to reduce the arrears to below three months' ground rent by the date of the court hearing,

the long lease will come to an end and the landlord will be able to re-enter the relevant property.

Financial Ombudsman Service

Under the FSMA, the Ombudsman is required to make decisions on, among other things, complaints relating to the activities and transactions under its jurisdiction on the basis of what, in the Ombudsman's opinion, would be fair and reasonable in all circumstances of the case, taking into account law and guidance, rather than making determinations strictly on the basis of compliance with law.

Complaints properly brought before the Ombudsman for consideration must be decided on a case-by-case basis, with reference to the particular facts of any individual case. Each case would first be adjudicated and parties to the case may appeal against the adjudication. In the event of an appeal, the case proceeds to a final decision by the Ombudsman.

The Ombudsman is required to make decisions on the basis of, among other things, the principles of fairness, and may order a money award to the borrower.

Potential effects of any additional regulatory changes

In the UK and elsewhere, there is continuing political and regulatory scrutiny of the banking industry and, in particular, retail banking. In the UK, the FCA (and previously its predecessor the FSA), the PRA and the CMA have recently carried out, or are currently conducting, several enquiries. In recent years there have been several issues in the UK financial services industry in which the FCA has intervened directly, including the sale of personal pensions, payment protection insurance and the sale of mortgage-related endowments. No assurance can be given that changes will not be made to the regulatory regime and developments described above in respect of the mortgage market in the United Kingdom generally, the Seller's particular sector in that market or specifically in relation to the Seller.

CREDIT STRUCTURE AND CASHFLOWS

GENERAL CREDIT STRUCTURE

The Notes will be the obligations of the Issuer only and will not be obligations of, or the responsibility of, or guaranteed by, any other party. However, the following are the main features of the Programme which will enhance the likelihood of timely receipt of payments to Noteholders:

- Enhanced Available Revenue Receipts are expected to exceed interest and fees payable by the Issuer;
- the Reserve Fund will be available to meet Revenue Shortfalls;
- a Remaining Revenue Shortfall may be made up by use of Enhanced Available Principal Receipts;
- with respect to payments of interest, payments on the Class Z(R) VFN and the Class Z(S) VFN will be subordinated to payments on the Class A Notes (with payments on the Seller's Note ranking *pro rata* and *pari passu* with the Class A Notes, as described below);
- with respect to repayments of principal, (a) repayments on the Class Z(S) VFN will be subordinated to payments on the Class A Notes, (b) repayments on the Seller's Note (i) prior to service of an Enforcement Notice (for so long as no Asset Trigger Event has occurred and/or no Non-Asset Trigger Event is continuing), and (ii) following service of an Enforcement Notice, will rank *pro rata* and *pari passu* with the repayment of principal on the Class A Notes. Where an Asset Trigger Event has occurred and/or a Non-Asset Trigger Event is continuing, and **provided that** no action has been taken to enforce the security created by the Issuer under the Transaction Documents, the repayment of principal due on any Payment Date in respect of the Seller's Note will be subordinated to the repayment of principal on the Class A Notes and the Class Z(S) VFN;
- the Issuer will be able to draw down amounts under the Class Z(S) VFN and to apply the proceeds of such drawdowns as Available Principal Receipts to effect the redemption of the Class A Notes on the next following Note Payment Date in accordance with Condition 5(b) (*Mandatory redemption of the Notes in Part*), the applicable Priority of Payments and the Reapplication Rule;
- the Issuer will be able to draw down amounts under the Class Z(S) VFN and to apply the proceeds of such drawdowns to effect the redemption of the Seller's Note in accordance with Condition 5 (*Redemption, Purchase and Cancellation*) and the applicable Priority of Payments, **provided that** the Principal Amount Outstanding of the Seller's Note is at least equal to the Minimum Seller's Note Amount for so long as any Class A Notes (or any other Notes that are not at all times held by the Seller (or its wholly owned affiliates)) or any Class Z VFNs remain outstanding;
- the Issuer will be able to draw down amounts under the Class Z(R) VFN from time to time to fund, among other things, any required increase to the Reserve Fund and start-up expenses and to pay the fees, costs and expenses of the Issuer incurred in connection with any issuance of Notes (the Class Z VFN Holder having sole discretion as to whether such drawdown will be funded, and subject to the conditions for further drawdowns set out in Condition 18 (*Increasing the Principal Amount Outstanding of the VFNs*)) and to fund the upfront premium under a Swap Agreement;

Credit Structure and Cashflows

- the Issuer will be able to draw down amounts under the Seller's Note and to apply the proceeds of such drawdown to effect the redemption of the Class A Notes on the next following Note Payment Date in accordance with Condition 5(b) (*Mandatory redemption of the Notes in Part*), the applicable Priority of Payments and the Reapplication Rule;
- the Issuer will be able to draw down amounts under the Seller's Note and to apply the proceeds of such drawdown to effect the redemption of the Class Z(S) VFN in accordance with Condition 5 (*Redemption, Purchase and Cancellation*) and in accordance with the applicable Priority of Payments, subject to maintaining the Required Subordination Amount;
- the Maximum Rate of Interest under the Seller's Note will be capped at the percentage rate equal to the lower of (i) Compounded Daily SONIA or (ii) the weighted average portfolio yield in respect of the Mortgage Loans comprised in the Mortgage Portfolio from time to time, with such rate then adjusted downwards by 1.0%, provided that the Maximum Rate of Interest under the Seller's Note shall not be negative;
- in the case of any Bullet Redemption Notes, the Funding Note Principal Portion will be credited to each Cash Accumulation Ledger in priority to repayments of principal on the Class Z(S) VFN; and
- Subject to the provisions set out in Condition 5(g) (*Mandatory redemption of the Class Z(S) VFN and the Seller's Note in part*), payments of principal in respect of the Class Z(S) VFN will be paid subordinate to payments of principal on the Class A Notes, subject to and in accordance with the relevant Priorities of Payments.

Each of these factors is considered more fully in the remainder of this section. Any changes to these features after the date of this Base Prospectus will be made in accordance with the provisions of the relevant Transaction Documents.

Credit support for the Notes provided by Enhanced Available Revenue Receipts

The interest rates charged on the Mortgage Loans vary according to product type. It is expected, however, that during the life of the Notes, the Funding Note Revenue Portion (comprising primarily the share of Revenue Receipts received from Borrowers on the Mortgage Loans in the Mortgage Portfolio and allocated to the Funding Notes in accordance with the application of the Pre-Enforcement Revenue Priority of Payments) will be greater than the sum of the interest which the Issuer will be required to pay on the Notes and its other senior costs and expenses under the Programme.

The actual amount of Revenue Receipts will vary from time to time during the life of the Notes. The key factors determining such variation will be as follows:

- the weighted average interest rate on the Mortgage Loans in the Mortgage Portfolio;
- the level of arrears experienced; and
- the availability of any hedging.

On any Payment Date, item (c) of the Seller's Note Revenue Portion (at the Seller's sole discretion) alongside any excess Funding Note Revenue Portion will be available, to meet the other payments set out in the Pre-Enforcement Revenue Priority of Payments, and ultimately to pay Deferred Consideration to the Seller.

Interest Rate Swaps

The Issuer will enter, on the First Issuance Date, and has agreed to enter on each subsequent Issuance Date on which any further Series of Class A Notes that are Floating Rate Notes are issued, into one or more Interest Rate Swap Agreements and Interest Rate Swaps thereunder with respect to, in respect of each Swap Calculation Period under such Interest Rate Swaps, the product of (a) the Current Balance of the Fixed Rate Mortgage Loans in the Mortgage Portfolio (as determined in accordance with the terms of the relevant Interest Rate Swap) as at the relevant Monthly Swap Calculation Date or Quarterly Swap Calculation Date (as may be applicable) and the applicable Performance Ratio, multiplied by (b) the applicable Swap Funding Note Percentage from time to time, in order to hedge against the variances on the rates payable in respect of the Fixed Rate Mortgage Loans in the Mortgage Portfolio and interest payments due by the Issuer on the Floating Rate Notes in respect of each Series of Class A Notes. The notional amount under each Interest Rate Swap will be calculated on a quarterly basis prior to the Swap Payment Switch Date and on a monthly basis from and including the Swap Payment Switch Date, provided that where the relevant Issue of Notes is subject to monthly Note Payment Dates only, the notional amount in respect of each Swap Calculation Period of the corresponding Interest Rate Swap will be calculated on a monthly basis. Where some or all of the initial Calculation Period pre-dates the issuance of the relevant Notes, the notional amount for the initial Swap Calculation Period under a relevant Interest Rate Swap may be agreed between the parties. See the section entitled "The Swap Agreements" for further information.

Currency Swaps

The Issuer has agreed to enter into a Currency Swap Agreement with respect to any Series and Class of Non-Sterling Notes issued from time to time, in order to provide currency and/or interest rate hedging in respect of any Series of Notes with a Specified Currency other than Sterling. See the section entitled "The Swap Agreements" for further information.

Reserve Fund

Application and purpose

The Reserve Fund will be established in the name of the Issuer on the First Issuance Date to help (i) pay Senior Fees and Expenses, (ii) pay interest due and payable (if any) on the Class A Notes of each Series of Notes, and (iii) eliminate any debit entries on the Class A Principal Deficiency Sub-Ledger on each Payment Date (and for the avoidance of doubt, the Reserve Fund will not be available to support the Seller's Note, the Class Z(S) VFN or the Class Z(R) VFN).

On each Payment Date, funds standing to the credit of the Reserve Fund will be added to certain other funds of the Issuer in calculating Available Revenue Receipts and if applicable, the Funding Note Principal Portion. In making any withdrawals from the Reserve Fund described above, the Issuer (or the Cash Manager on its behalf) will only withdraw the amount actually needed for the purpose. To the extent that the Reserve Fund is held in Authorised Investments, any portion of the Reserve Fund not required for these purposes may remain invested in Authorised Investments. See the section entitled "Authorised Investments" below.

Funding and Replenishment

The Reserve Fund will be funded and, as applicable, will be replenished up to the Reserve Fund Required Amount from time to time from:

- an initial drawing under the Class Z(R) VFN on the First Issuance Date and the proceeds of any further drawdowns under the Class Z(R) VFN on subsequent Issuance Dates if required;

Credit Structure and Cashflows

- the proceeds of any further drawdowns under the Class Z(R) VFN at any time at the sole discretion of the Class Z VFN Holder as to whether such drawdown will be funded; and
- the Funding Note Revenue Portion in accordance with paragraph (d) of the Pre-Enforcement Revenue Priority of Payments in respect of the application of the Funding Note Revenue Portion.

The Class Z VFN Holder also has the right, at its sole discretion, but not the obligation, to fund the Reserve Fund in an amount in excess of the Reserve Fund Required Amount, by way of making further advances under the Class Z(R) VFN. The Class Z VFN Holder shall only exercise such discretion following receipt by it of a certificate from the Seller (copied to the Issuer) confirming that, having taken appropriate advice from reputable tax and/or legal advisers in relation to the requirements of regulation 11 or any other relevant provision of the Securitisation Tax Regulations, the proposed funding of the Reserve Fund in an amount in excess of the Reserve Fund Required Amount could not result in the Issuer failing to meet the requirements of regulation 11 or any other relevant provision of the Securitisation Tax Regulations at that time or at any time in the future.

Adjustment of Reserve Fund Required Amount

The Cash Manager may modify, at any time (including, without limitation, on each Issuance Date), the Reserve Fund Series Percentage or the method of computing the Reserve Fund Required Amount without the consent of any Noteholders, **provided that**:

- the Reserve Fund Required Amount is calculated by reference to the highest Reserve Fund Series Percentage applicable from time to time with respect to all Class A Notes which are outstanding and have not been repaid in full; and
- for so long as any Series and Class of Notes that remain outstanding are Rule 144A Notes, the Issuer has obtained an opinion of counsel that for US federal income tax purposes (i) the change will not adversely affect the tax characterisation as debt of any outstanding Class A Notes that were characterised as debt for US tax purposes at the time of their issuance and (ii) such change will not cause or constitute an event in which gain or loss would be recognised by any holder of such Notes.

If at any time the Reserve Fund Required Amount is reduced, and there is a Revenue Shortfall at such time, any amount in excess of the Reserve Fund Required Amount will be applied in accordance with the relevant Priority of Payments. If at any time the Reserve Fund Required Amount is reduced, and there is no Revenue Shortfall at such time, any amount in excess of the Reserve Fund Required Amount may be applied directly to repay the Class Z(R) VFN and any remaining amounts following such repayment to the Class Z VFN Holder may be paid directly to the Seller. It is anticipated that the Reserve Fund Series Percentage for each new Series of Notes will be provided in the relevant Final Terms. If the Reserve Fund Series Percentage changes with respect to a Series of Notes, any such change will be notified to the Noteholders in the Bank of England Investor Reports.

Following the delivery of an Enforcement Notice, the Reserve Fund will be utilised by the Issuer in payment of any of its other liabilities, subject to and in accordance with the Post-Enforcement Priority of Payments, and may be applied in making payments of principal due under the Class A Notes.

The monies credited to the Reserve Fund will be deposited into the Transaction Accounts. The Cash Manager may invest such funds in Authorised Investments from time to time in accordance with and pursuant to the terms of the Cash Management Agreement. The Reserve Ledger is maintained by the Cash Manager in the name of the Issuer to record amounts standing to the credit of the Reserve Fund from time to time and withdrawals from and deposits into the Reserve Fund.

Excess Principal Fund

Application and purpose

The Excess Principal Fund will be established in the name of the Issuer on the First Issuance Date. Funds standing to the credit of the Excess Principal Fund are recorded on the Excess Principal Ledger and will be added to certain other funds of the Issuer in calculating Available Principal Receipts on each Calculation Date.

Crediting the Excess Principal Fund

Any Enhanced Available Principal Receipts which remain following the application of such amounts towards paragraphs (a) to (f) (inclusive) in the application of the Funding Note Principal Portion of the Pre-Enforcement Pre-Trigger Principal Priority of Payments will be credited to the Excess Principal Fund on each Payment Date.

The Issuer may retain any amounts of Enhanced Available Principal Receipts credited to the Excess Principal Fund for a period not exceeding 18 months following the date on which such amounts were first recorded.

Where, on any date, any amounts would, on the next succeeding Payment Date, have remained recorded on the Excess Principal Ledger, on a FIFO basis, for a period of 18 months or more, where that period starts on the date on which such amounts were first so recorded, a Non-Asset Trigger Event shall occur. All amounts credited to the Excess Principal Fund must be released and distributed as Available Principal Receipts in accordance with the applicable Pre-Enforcement Principal Priority of Payments on the occurrence of a Non-Asset Trigger Event.

Excess Principal Fund Threshold Amount

The Excess Principal Fund Threshold Amount will be calculated by reference to the Excess Principal Fund Threshold Percentage, which will be specified in each set of Final Terms. If the amount standing to the credit of the Excess Principal Fund at any time exceeds the Excess Principal Fund Threshold Amount, then a Non-Asset Trigger Event will occur.

The monies credited to the Excess Principal Fund will be deposited into the Transaction Accounts. The Excess Principal Ledger is maintained by the Cash Manager in the name of the Issuer to record amounts standing to the credit of the Excess Principal Fund from time to time and the date of any withdrawals from and deposits into the Excess Principal Fund.

Interest Provision Fund and Principal Provision Fund

Application and purpose

The Interest Provision Fund and the Principal Provision Fund will be established (but not funded) in the name of the Issuer on the First Issuance Date and are maintained in the Transaction Accounts to help provide for the payment of interest and principal on the Notes in respect of which payments are not made on a monthly basis. The balance of the Interest Provision Fund and the Principal Provision Fund will be recorded on sub-ledgers in respect of each Series and Class of Notes that are not Monthly Notes. The Interest Provision Fund and the Principal Provision Fund will only be funded on and from the Provisioning Effective Date.

On each Note Payment Date in respect of a Series and Class of Notes that are not Monthly Notes, funds standing to the credit of the Interest Provision Fund and the Principal Provision Fund in respect of that

Series and Class of Notes will be added to certain other funds of the Issuer in calculating Available Revenue Receipts and Available Principal Receipts, respectively.

Funding and Replenishment

On and from the Provisioning Effective Date, the Interest Provision Fund and the Principal Provision Fund are required to be maintained in an amount not less than the Interest Provision Fund Required Amount and the Principal Provision Fund Required Amount respectively.

The Interest Provision Fund will be funded from time to time from the Funding Note Revenue Portion in accordance with paragraph (b)(iii) of the application of the Funding Note Revenue Portion under the Pre-Enforcement Revenue Priority of Payments.

The Principal Provision Fund will be funded from time to time from the Funding Note Principal Portion in accordance with paragraph (b)(v) of the application of the Funding Note Principal Portion under the Pre-Enforcement Pre-Trigger Principal Priority of Payments or paragraph (c)(ii) of the application of the Funding Note Principal Portion under the Pre-Enforcement Post-Trigger Principal Priority of Payments.

Use of Principal Receipts to pay Remaining Revenue Shortfall

On the Calculation Date immediately preceding each Payment Date, the Cash Manager is required to calculate whether there will be a Remaining Revenue Shortfall, being a deficit of Enhanced Available Revenue Receipts to pay Senior Fees and Expenses and paragraphs (a) and (b) of the Funding Note Revenue Portion of the Pre-Enforcement Revenue Priority of Payments following any application of the Reserve Fund as described under the section entitled "Reserve Fund – Application and purpose" above.

If there is such a Remaining Revenue Shortfall, then the Cash Manager is required to pay or provide for that deficit by the application of Enhanced Available Principal Receipts, if any and, if any of such amounts are so applied, the Cash Manager will make a corresponding debit entry in the relevant Funding Principal Deficiency Sub-Ledger or Seller's Note Principal Deficiency Sub-Ledger (as applicable), as described under the section entitled "Principal Deficiencies and the Principal Deficiency Ledger" below. In so doing, the Cash Manager will apply (a) *first*, amounts standing to the credit of the Principal Ledger, and (b) *second*, if the amounts standing to the credit of the Principal Ledger are insufficient, any amounts standing to the credit of each Cash Accumulation Ledger.

Principal Deficiencies and the Principal Deficiency Ledger

The Principal Deficiency Ledger is constituted by way of the Funding Principal Deficiency Sub-Ledgers and the Seller's Note Principal Deficiency Sub-Ledger. The Principal Deficiency Ledger is maintained in the name of the Issuer to record any Losses realised on the Mortgage Loans as follows:

- the Seller's Note Percentage of such Losses will be recorded on the Seller's Note Principal Deficiency Sub-Ledger; and
- the Adjusted Funding Note Percentage of such Losses will be recorded on the Funding Principal Deficiency Sub-Ledgers.

Any Losses realised on the Mortgage Loans on account of Borrowers exercising any right of set-off will be recorded on the Seller's Note Principal Deficiency Sub-Ledger in amounts equal to the relevant Mortgage Loan Deposit Excess Amounts.

The Funding Principal Deficiency Sub-Ledgers will record any application of the Funding Note Principal Portion to meet any Remaining Revenue Shortfall (as described under the section entitled "Use of Principal Receipts to pay Remaining Revenue Shortfall" above). For the avoidance of doubt, with the exception of any Losses realised on the Mortgage Portfolio, no other debit entries will be made on the Seller's Note Principal Deficiency Sub-Ledger.

There is a separate Funding Principal Deficiency Sub-Ledger for each of the Class A Notes and the Class Z(S) VFN (but not, for the avoidance of doubt, the Class Z(R) VFN). Debit entries will be recorded on each Funding Principal Deficiency Sub-Ledger for the Class A Notes and the Class Z(S) VFN in reverse sequential order, starting with the Class Z(S) VFN. Debit entries may be adjusted in the event that the Principal Amount Outstanding of any Sub-Class of Class Z VFN is increased following any further drawdowns permitted under the Programme. Debit entries may also be reduced by the application of the Funding Note Revenue Portion in accordance with the Pre-Enforcement Revenue Priority of Payments in sequential order starting with the Class A Principal Deficiency Sub-Ledger.

The Funding Note Percentage of Losses on the Mortgage Loans, as well as the application of Enhanced Available Principal Receipts in respect of any Remaining Revenue Shortfall or any Enhanced Available Principal Receipts to replenish the Reserve Fund are required to be recorded on the Funding Principal Deficiency Sub-Ledgers as follows:

- (a) *first*, on the Class Z(S) VFN Principal Deficiency Sub-Ledger, until the balance of that sub-ledger is equal to the then-current Principal Amount Outstanding of the Class Z(S) VFN; and
- (b) *second*, on the Class A Principal Deficiency Sub-Ledger, at which point there will be an Asset Trigger Event.

Amounts recorded as debit entries on the Funding Principal Deficiency Sub-Ledgers may be reduced through the subsequent application of the Funding Note Revenue Portion in accordance with the Pre-Enforcement Revenue Priority of Payments, with the debit entries being reduced in the following order:

- (a) *first*, on the Class A Principal Deficiency Sub-Ledger; and
- (b) *second*, on the Class Z(S) VFN Principal Deficiency Sub-Ledger.

In addition, the Issuer may apply the proceeds of any further drawdowns under the Class Z(R) VFN as Available Revenue Receipts for the purposes of reducing any debit entries on any Funding Principal Deficiency Sub-Ledger. The Class Z VFN Holder has sole discretion over whether any such further drawdowns will be funded, and any such drawdown will be subject to satisfaction of the drawdown tests set out in Condition 18 (*Increasing the Principal Amount Outstanding of the VFNs*).

Amounts recorded as debits on the Seller's Note Principal Deficiency Sub-Ledger may be reduced through the application of the Seller's Note Revenue Portion of Available Revenue Receipts.

Priority of interest payments among the Class A Notes and the Class Z VFNs

The order of payments of interest to be made on the Classes of Notes is prioritised so that, on any Payment Date:

- (a) interest payments due on the Class Z(S) VFN will be subordinated to interest payments due on the Class Z(R) VFN and the Class A Notes; and
- (b) interest payments due on the Class Z(R) VFN will be subordinated to interest payments due on the Class A Notes,

in each case in accordance with the Pre-Enforcement Revenue Priority of Payments.

Prior to the delivery by the Note Trustee of an Enforcement Notice, the payment of interest due on any Note Payment Date in respect of the Class Z(R) VFN and the Class Z(S) VFN is also subordinated to the replenishment of the Reserve Fund up to the Reserve Fund Required Amount.

Priority of interest payments among the Class A Notes and the Seller's Note

The order of payments of interest to be made on the Classes of Notes is prioritised so that, on any Payment Date, interest due on the Class A Notes and the Seller's Note will rank *pro rata* and *pari passu*, in accordance with the Funding Note Revenue Portion and the Seller's Note Revenue Portion. If any Class A Notes, Class Z(S) VFN or Seller's Note are issued (including on any date that is not a Payment Date or a Calculation Date) during the Payment Period immediately prior to a Calculation Date, the Funding Note Revenue Portion and the Seller's Note Revenue Portion will be recalculated to take into account those newly issued Notes in accordance with the applicable calculation.

Deferral of interest

Any interest amounts due but unpaid in respect of the Class Z(S) VFN, the Class Z(R) VFN and/or on the Seller's Note on any Note Payment Date will be deferred until the immediately succeeding Note Payment Date on which such amounts fall due. On that Note Payment Date, the amount of interest due on the Class Z(S) VFN, the Class Z(R) VFN and/or on the Seller's Note will be increased to take account of any deferred interest. If on that Note Payment Date there is still a shortfall in amounts available to pay interest due on that Sub-Class of Class Z(S) VFN, the Class Z(R) VFN and/or on the Seller's Note that interest will be deferred again in the same way.

The Issuer will not be able to defer payments of interest due on any Note Payment Date in respect of the Class A Notes. Failure to pay interest due on any Class A Notes on any Note Payment Date will (following the expiry of any grace period) be an Event of Default.

Redemption of a Series and Class of Notes on or after their Step-Up Date

The Issuer may redeem a Series and Class of Notes on or after their Step-Up Date in accordance with Condition 5(e) (*Optional redemption in full or in part*), including by applying the proceeds of a further issuance of Notes or consideration received for the repurchase of Mortgage Loans in accordance with the Seller's general right of repurchase (see further the section entitled "Assignment of the Mortgage Loans and Related Security – General ability to repurchase"). Any proceeds of such issuance or repurchase will be applied directly in the redemption of the relevant Series and Class of Notes and will not form part of Available Principal Receipts or the Funding Note Principal Portion.

Cashflows

Under the Cash Management Agreement, the Cash Manager is responsible for distributing Available Revenue Receipts, the Seller's Note Revenue Portion and the Funding Note Revenue Portion and Available Principal Receipts, the Seller's Note Principal Portion and the Funding Note Principal Portion, on behalf of the Issuer on each Payment Date in accordance with the orders of priorities described in the following section. For further information on the role of the Cash Manager, see the section entitled "Cash Management".

Any change in the Priority of Payments and any events which trigger such a change shall be disclosed without undue delay to the extent required under SECN 2.2.23R.

Transaction Accounts

As at the Programme Date, the Issuer holds Transaction Accounts with the First Account Bank and the Second Account Bank pursuant to the terms of the First Account Bank Agreement and the Second Account Bank Agreement. The Issuer may, from time to time after the Programme Date, hold additional Transaction Accounts with Account Banks.

For details, see the section entitled "Cash Management – Account Bank Agreements and Bank Accounts".

Authorised Investments

Pursuant to the terms of the Cash Management Agreement, the Cash Manager may invest amounts in the Transaction Accounts, including the Reserve Fund and amounts standing to the credit of each Cash Accumulation Ledger, in Authorised Investments. Prior to the occurrence of an Asset Trigger Event and for as long as no Non-Asset Trigger Event is continuing, the Cash Manager will be required to determine on each Calculation Date the amount of Authorised Investments that will need to be liquidated for the purposes of applying Available Revenue Receipts to pay the Senior Fees and Expenses, the Enhanced Available Revenue Receipts to pay interest due on the Class A Notes and for the purposes of applying Enhanced Available Principal Receipts to repay any principal due and payable in respect of the Notes and any other amounts payable in accordance with paragraphs (a) to (d) of the Pre-Enforcement Revenue Priority of Payments prior to the splitting of the remaining Available Revenue Receipts to form part of the Funding Note Revenue Portion and the Seller's Note Revenue Portion, and will only be required to liquidate that amount on the relevant Payment Date. See the section entitled "Reserve Fund – Application and purpose" above. Authorised Investments will be held with the Custodian in a Custody Account.

Arrears Management

On each Calculation Date, if the Cash Manager determines that there will be a shortfall in payment of interest and/or principal in respect of the Class A Notes on the next following Payment Date as a result of any shortfalls caused by any shortfalls in Revenue Receipts during the corresponding Calculation Period, the Issuer may draw down on the Seller's Note, subject to the Seller's sole discretion, in the following amounts, as applicable:

- (a) an amount equal to such revenue shortfall multiplied by the then Adjusted Funding Note Percentage (such amount being the "**Arrears Management Revenue Shortfall Amount**"), to be added to the Funding Note Revenue Portion and applied in accordance with the Pre-Enforcement Revenue Priority of Payments; and/or
- (b) an amount equal to such principal shortfall, multiplied by the then Adjusted Funding Note Percentage (such amount being the "**Arrears Management Principal Shortfall Amount**") to be added to the Funding Note Principal Portion and applied in accordance with the relevant Pre-Enforcement Principal Priority of Payments.

AVAILABLE REVENUE RECEIPTS

Available Revenue Receipts in respect of any Payment Date are required to be calculated by the Cash Manager on the Calculation Date immediately preceding such Payment Date. When calculating the Available Revenue Receipts and Enhanced Available Revenue Receipts on any Calculation Date and applying such Enhanced Available Revenue Receipts on any Payment Date, the Cash Manager will withdraw from the Reserve Fund only such amounts as are actually required to meet a relevant Revenue Shortfall as at such Payment Date, and in calculating the amount available to be actually withdrawn from or the amount standing to the credit of the Reserve Fund at any time, the Cash Manager will include (without double-counting) funds that have been withdrawn from the Transaction Accounts and invested in Authorised Investments at the discretion of the Cash Manager pursuant to and in accordance with the Cash Management Agreement.

Pre-Enforcement Revenue Priority of Payments

Prior to the delivery by the Note Trustee of an Enforcement Notice, on each Payment Date, the Cash Manager is required to apply Available Revenue Receipts or Enhanced Available Revenue Receipts (as the case may be) in the following order of priority (the "**Pre-Enforcement Revenue Priority of Payments**"):

- (a) *first*, in no order of priority among them but in proportion to the amounts due, to pay amounts due to the Note Trustee and the Security Trustee and any of their respective Appointees under the Trust Deed and/or the Deed of Charge, as applicable;
- (b) *second*, in no order of priority among them but in proportion to the respective amounts due:
 - (i) to the Agent Bank, the Paying Agents, the Exchange and Transfer Agent, the VFN Registrar and/or the Registrar under the Agency Agreement; and
 - (ii) to the Servicer and/or the Back-up Servicer Facilitator under the Servicing Agreement;
 - (iii) to the Cash Manager under the Cash Management Agreement;
 - (iv) to the Corporate Services Provider under the Corporate Services Agreement;
 - (v) to the Tender Agent under a Remarketing Agreement;
 - (vi) to the Account Banks under the Account Bank Agreements;
 - (vii) to the Custodian under the Custody Agreement and the Swap Collateral Custody Agreement;
- (c) *third*, to pay amounts due to any third party creditors of the Issuer (other than those referred to elsewhere in this Pre-Enforcement Revenue Priority of Payments) of which the Cash Manager has notice prior to the relevant Payment Date, which amounts have been incurred without breach in any material respect by the Issuer of the terms of the Transaction Documents to which it is a party (and for which payment has not been provided for elsewhere) and to pay or discharge any liability of the Issuer for tax (save to the extent that tax is corporation tax on the taxable profits of the Issuer and can be met out of the Issuer Profit Amount); and
- (d) *fourth*, to retain an amount equal to the Issuer Profit Amount as profit,

(the amounts referred to in paragraphs (a) to (d) are collectively referred to as the "**Senior Fees and Expenses**").

The Cash Manager will, following the payment of the Senior Fees and Expenses in full, allocate the remaining Available Revenue Receipts (the "**Remaining Available Revenue Receipts**") (but not taking into account any Reserve Fund) into the Seller's Note Revenue Portion (the "**Seller's Note Revenue Portion**") and the Funding Note Revenue Portion (the "**Funding Note Revenue Portion**"). The Cash Manager will determine the size of the Seller's Note Revenue Portion on the basis of the following formula:

$$A \times \text{Seller's Note Revenue Percentage}$$

and the size of the Funding Note Revenue Portion on the basis of the following formula:

$$(A \times \text{Adjusted Funding Note Revenue Percentage}) + B + C + D$$

where:

- A = the then Remaining Available Revenue Receipts;
- B = to the extent applicable and at the discretion of the Seller, such portion of the Seller's Note Revenue Portion that has been added to the Funding Note Revenue Portion in lieu of paying Deferred Consideration as described in item (c) below in relation to the application of the Seller's Note Revenue Portion to the Seller;
- C = amounts received or to be received by the Issuer on or before such Payment Date under or in connection with any Swap Agreement, including any early termination amount received in connection with the relevant Swap Agreement and which is not required to fund any related Swap Replacement Premium payable by the Issuer, and any Swap Collateral Account Surplus which is to form part of the Funding Note Revenue Portion in accordance with the Swap Collateral Account Priority of Payments; and
- D = any Arrears Management Revenue Shortfall Amount.

The Cash Manager will apply such Seller's Note Revenue Portion as follows:

- (a) *first*, to pay interest due on the Seller's Note;
- (b) *second*, to eliminate any debits on the Seller's Note Principal Deficiency Sub-Ledger; and
- (c) *third*, to pay the remainder as Deferred Consideration to the Seller. The Seller may, however, direct the Issuer, at its sole discretion, that, instead of receiving such Deferred Consideration, such amounts are, in whole or in part, instead added to the Funding Note Revenue Portion and applied as described in more detail immediately below.

The Cash Manager will apply such Funding Note Revenue Portion as follows:

- (a) *first*, (to the extent not satisfied by any amounts available to be applied in accordance with the Swap Collateral Account Priority of Payments), to pay amounts (including such part of any Swap Termination Payment following the return of any Swap Collateral Excluded Amounts) due to any Interest Rate Swap Counterparty under each Interest Rate Swap Agreement (excluding any Interest Rate Swap Excluded Termination Amount);
- (b) *second*, in no order of priority among them but in proportion to the respective amounts due:

- (i) (to the extent not satisfied by any amounts available to be applied in accordance with the Swap Collateral Account Priority of Payments) to pay amounts due and payable to the relevant Currency Swap Counterparty (if any) in respect of interest due and payable (if any) on the Class A Notes of each Series of Notes (including any Swap Termination Payment following the return of any Swap Collateral Excluded Amounts, but excluding any Currency Swap Excluded Termination Amount) in accordance with the terms of the relevant Currency Swap Agreement(s);
- (ii) to pay interest due and payable (if any) on the Class A Notes of each Series of Notes; and
- (iii) in respect of the Class A Notes of each Series of Notes in respect of which such Payment Date is not a Note Payment Date, to credit the Interest Provision Fund in an amount equal to the Interest Provision Fund Required Amount;
- (c) *third*, to eliminate any debit entry on the Class A Principal Deficiency Sub-Ledger;
- (d) *fourth*, to credit the Reserve Fund up to the Reserve Fund Required Amount;
- (e) *fifth*, to eliminate any debit entry on the Class Z(S) VFN Principal Deficiency Sub-Ledger;
- (f) *sixth*, following the occurrence of an Asset Trigger Event and/or for so long as a Non-Asset Trigger Event is continuing, the remainder to be applied as Available Principal Receipts in order to provide for payment of paragraphs (c) and (d) of the Pre-Enforcement Post-Trigger Principal Priority of Payments, and thereafter to be applied at paragraphs (g) to (k) inclusive of the application of the Funding Note Revenue Portion under the Pre-Enforcement Revenue Priority of Payments;
- (g) *seventh*, to pay interest due and payable on the Class Z(R) VFN;
- (h) *eighth*, to pay interest due and payable on the Class Z(S) VFN;
- (i) *ninth*, to pay principal due and payable under the Class Z(R) VFN;
- (j) *tenth*, in no order of priority among them but in proportion to the respective amounts due, to pay Swap Excluded Termination Amounts to any Interest Rate Swap Counterparty or any Currency Swap Counterparties; and
- (k) *eleventh*, to pay the remainder as Deferred Consideration to the Seller in respect of the sale of the Mortgage Loans under the Mortgage Sale Agreement.

AVAILABLE PRINCIPAL RECEIPTS

Available Principal Receipts and Enhanced Available Principal Receipts in respect of a Payment Date will be calculated by the Cash Manager on behalf of the Issuer on the Calculation Date immediately preceding the relevant Payment Date. All Principal Receipts received by the Issuer will be deposited in the Transaction Accounts, will be credited by the Cash Manager to the Principal Ledger and will form part of the Available Principal Receipts.

The "**Pre-Enforcement Principal Priority of Payments**" means, together, the priorities of payments set out under the following sub-headings:

- "Application of Available Principal Receipts or Enhanced Available Principal Receipts (as the case maybe) while no Asset Trigger Event has occurred and no Non-Asset Trigger Event is continuing and prior to the delivery of an Enforcement Notice"; and
- "Application of Available Principal Receipts or Enhanced Available Principal Receipts (as the case maybe) following the occurrence of an Asset Trigger Event and/or for so long as a Non-Asset Trigger Event is continuing but prior to the delivery of an Enforcement Notice".

Application of Available Principal Receipts or Enhanced Available Principal Receipts (as the case maybe) while no Asset Trigger Event has occurred and no Non-Asset Trigger Event is continuing and prior to the delivery of an Enforcement Notice

On each Payment Date while no Asset Trigger Event has occurred and no Non-Asset Trigger Event is continuing but prior to the delivery by a Note Trustee of an Enforcement Notice, subject to the Reapplication Rule, the Cash Manager will apply Available Principal Receipts or Enhanced Available Principal Receipts (as the case maybe) (other than, for the avoidance of doubt, Swap Collateral Excluded Amounts due to a Swap Counterparty and any Swap Collateral Available Amounts to be applied by the Cash Manager (on behalf of the Issuer) in accordance with the Swap Collateral Account Priority of Payments) to pay, firstly, the Senior Fees and Expenses (to the extent not covered by the application of the Pre-Enforcement Revenue Priority of Payments).

The Cash Manager will determine the remaining Available Principal Receipts after paying any Senior Fees and Expenses (to the extent not covered by the application of the Pre-Enforcement Revenue Priority of Payments) (the "**Remaining Available Principal Receipts**"). Upon such determination the Cash Manager will calculate Seller's Note Portion of such Remaining Available Principal Receipts (the "**Seller's Note Principal Portion**") in accordance with the following formula:

$$A \times \left(\frac{B}{C}\right)$$

where:

- A = the Remaining Available Principal Receipts;
- B = the aggregate, as at (i) the relevant Calculation Date or (ii) if there has been an issuance of any Class A Note, Class Z(S) VFN or Seller's Note during the Payment Period immediately prior to such Calculation Date, then the date of issuance of such Notes, of the Sterling Equivalent Principal Amount Outstanding of the Seller's Note; and
- C = the aggregate, as at (i) the relevant Calculation Date or (ii) if there has been an issuance of any Class A Notes, Class Z(S) VFN or Seller's Note during the Payment Period immediately prior to such Calculation Date, then the date of issuance of such Notes, of the Sterling Equivalent Principal Amount Outstanding of each of the Class A Notes, the Class Z(S) VFN and the Seller's Note.

The Cash Manager will then calculate the Funding Notes Principal Portion on the basis of the following formula:

$$A \times \left(1 - \left(\frac{B}{C}\right)\right) + D + E + F + G$$

where:

- A = the Remaining Available Principal Receipts;
- B = the aggregate, as at (i) the relevant Calculation Date or (ii) if there has been an issuance of any Class A Note, Class Z(S) VFN or Seller's Note during the Payment Period immediately prior to such Calculation Date, then the date of issuance of such Notes, of the Sterling Equivalent Principal Amount Outstanding of the Seller's Note; and
- C = the aggregate, as at (i) the relevant Calculation Date or (ii) if there has been an issuance of any Class A Note, Class Z(S) VFN or Seller's Note during the Payment Period immediately prior to such Calculation Date, then the date of issuance of such Notes, of the Sterling Equivalent Principal Amount Outstanding of each of the Class A Notes, the Class Z(S) VFN and the Seller's Note.
- D = all other principal amounts standing to the credit of the Principal Ledger on the Transaction Accounts including any Available Principal Receipts previously credited to the Principal Ledger on a Payment Date in accordance with the relevant Pre-Enforcement Principal Priority of Payments;
- E = any amounts standing to the credit of the Reserve Fund which may be applied in repayment of the Funding Notes;
- F = amounts applied from the Seller's Note Principal Portion in respect of any Funding Note Principal Portion Shortfall; and
- G = any Arrears Management Principal Shortfall Amount

(the "**Funding Note Principal Portion**") **provided that**, while no Asset Trigger Event has occurred and for long as no Non-Asset Trigger Event is continuing, amounts standing to the credit of each Cash Accumulation Ledger can be applied to redeem the relevant Series of Bullet Redemption Notes only.

The application of any Remaining Available Principal Receipts attributable to the Seller's Note Principal Portion will not take into account, nor have the benefit of any payment made by, any Interest Rate Swap Counterparty.

The Cash Manager will apply such Seller's Note Principal Portion to repay principal on the Seller's Note down to the Minimum Seller's Note Amount, **provided that**, to the extent there is a shortfall in Funding Note Principal Portion (other than any amounts referred to in paragraph (G) of the definition of Funding Note Principal Portion) in respect of the payment of paragraphs (b)(i) and (b)(ii) below ("**Funding Note Principal Portion Shortfall**"), the Seller's Note Principal Portion will be reduced by an amount equal to the Funding Note Principal Portion Shortfall and such amount will be added to the Funding Note Principal Portion and applied as described in more detail immediately below.

The Cash Manager will apply such Funding Note Principal Portion, as follows:

- (a) *first*, to the extent there is a Revenue Shortfall following the application of the Funding Note Revenue Portion, to pay interest due and payable (if any) on the Class A Notes of each Series of Notes;
- (b) *second*, in accordance with the Reapplication Rule where applicable but otherwise in no order of priority amongst them but in accordance with the respective amounts due:
 - (i) (a) during the relevant Cash Accumulation Period, *pro rata* and *pari passu*, to credit the relevant Cash Accumulation Ledger towards the payment of principal due and

payable on the relevant Class A Notes which are Bullet Redemption Notes up to an amount equal to the Cash Accumulation Requirement in respect of the relevant Class A Notes, (b) on any Payment Date which is the Bullet Redemption Date for any relevant Bullet Redemption Notes, to apply amounts standing to the credit of the relevant Cash Accumulation Ledger towards redeeming such Bullet Redemption Notes, and (c) with respect to any Soft Bullet Redemption Notes which have not been repaid in full on the relevant Soft Bullet Scheduled Redemption Date, to pay any remaining amount of principal due and payable on such Class A Notes;

- (ii) towards the payment of principal due and payable on the Class A Notes which are Controlled Amortisation Notes in an amount up to the Controlled Amortisation Amount on such Payment Date;
 - (iii) towards the payment of principal due and payable on the Class A Notes which are Pass-Through Redemption Notes until their Sterling Equivalent Principal Amount Outstanding is zero;
 - (iv) towards the payment of amounts due and payable to the relevant Currency Swap Counterparty (if any) in respect of principal due and payable (if any) on non-Sterling denominated Class A Notes of each Series of Notes (including any Swap Termination Payment following the return of any Swap Collateral Excluded Amounts, but excluding any Currency Swap Excluded Termination Amount) in accordance with the terms of the relevant Currency Swap Agreement(s); and
 - (v) in respect of the Class A Notes of each Series of Notes in respect of which such Payment Date is not a Note Payment Date, to credit the Principal Provision Fund up to the Principal Provision Fund Required Amount,
- (c) *third*, for so long as a Revolving Period End Trigger Event is not continuing, and **provided that** any Series of the Class A Notes that satisfy the UK STS Criteria Requirements and which were outstanding at the time of the occurrence of such Revolving Period End Trigger Event have been redeemed by the Issuer in full:
- (i) towards the purchase by the Issuer of any Additional Mortgage Portfolios; and
 - (ii) towards payment of further consideration in respect of the purchase of any Further Advances granted in respect of any of the Mortgage Loans in the Mortgage Portfolio at such time,

provided that the amount so applied shall be determined after taking into account any amount advanced by the VFN Holder under the Class Z(S) VFN or the Seller's Note in respect of Additional Mortgage Portfolios, or Further Advances, as applicable, in each case on such Payment Date;

- (d) *fourth*, to the extent any Non-Sterling Notes remain outstanding following their Sterling Equivalent Redemption Date (after the application of any Principal Excess Amounts) to redeem any Non-Sterling Notes until they have been redeemed in full;
- (e) *fifth*, to repay principal amounts due on the Class Z(S) VFN, in order to reduce the Principal Amount Outstanding of the Class Z(S) VFN such that it is no less than the Required Subordination Amount and if, after giving effect to principal amounts due on the Class Z(S) VFN and the payment to be made on such date in respect of the Class A Notes, the Actual Subordination Amount is equal to or greater than the Required Subordination Amount;

- (f) *sixth*, to repay principal on the Seller's Note **provided that**, following such repayment, the Principal Amount Outstanding on the Seller's Note shall be not less than the Minimum Seller's Note Amount; and
- (g) *seventh*, to credit the Excess Principal Fund.

In the applicable circumstances, the Reapplication Rule will apply to the Priority of Payments described above.

The Seller may, at any time, give written notice to the Issuer that the Seller intends to repurchase Mortgage Loans (selected at random by the Servicer) with an aggregate Current Balance less than or equal to the Seller's Note Permitted Principal Repayment Amount and repurchase the relevant Mortgage Loans (and their Related Security) from the Issuer. The proceeds of such repurchase will be used solely and exclusively in order to reduce the Seller's Note (subject always to the Reapplication Rule and **provided that** the Principal Amount Outstanding of the Seller's Note may not, after such repurchase and reduction, be less than the Minimum Seller's Note Amount) (the "**Seller's Note Permitted Repurchase Procedure**"). The Seller may exercise the Seller's Note Permitted Repurchase Procedure irrespective of whether an Asset Trigger Event has occurred or a Non-Asset Trigger Event is continuing or an Event of Default has occurred and is continuing. For these purposes, the "**Seller's Note Permitted Principal Repayment Amount**" will be calculated in accordance with the following formula:

$$A = B - C$$

where:

- A = Seller's Note Permitted Principal Repayment Amount;
- B = Principal Amount Outstanding of the Seller's Note;
- C = the Minimum Seller's Note Amount.

Calculation of the Cash Accumulation Requirement

On each Calculation Date, the Cash Manager is required to determine whether the immediately following Payment Date is within a Cash Accumulation Period relating to any Bullet Redemption Notes. The "**Cash Accumulation Period**" means, in relation to any Series of Bullet Redemption Notes (the "**Relevant Bullet Redemption Notes**"), the period beginning on the earlier to occur of:

- (a) the date determined after counting back in time from the Bullet Redemption Date for the Relevant Bullet Redemption Notes, the number of months calculated in respect of the Anticipated Cash Accumulation Period relating to the Relevant Bullet Redemption Notes; and
- (b) the Cash Accumulation Start Date,

and ending (i) with respect to the Hard Bullet Redemption Notes, on the relevant Hard Bullet Redemption Date, and (ii) with respect to the Soft Bullet Redemption Notes, on the relevant Soft Bullet Scheduled Redemption Date.

"**Anticipated Cash Accumulation Period**" means, for any Relevant Bullet Redemption Notes, the anticipated number of months required to accumulate sufficient Principal Receipts to pay the Sterling Equivalent Redemption Amount for such Notes on the Hard Bullet Redemption Date or, as applicable, the Soft Bullet Scheduled Redemption Date—for the relevant Series, which will be equal to:

$$\frac{A + B - C}{D \times E \times F}$$

calculated in months and rounded up to the nearest whole number, where:

- A = the Sterling Equivalent Redemption Amount for the Relevant Bullet Redemption Notes;
- B = the aggregate, as at the Calculation Date, of the Sterling Equivalent Principal Amount Outstanding of each other Series of Bullet Redemption Notes where the relevant Hard Bullet Redemption Date or, as applicable, Soft Bullet Scheduled Redemption Date falls on or before the Bullet Redemption Date of the Relevant Bullet Redemption Notes;
- C = the amounts standing to the credit of each Cash Accumulation Ledger at the relevant Calculation Date which are available to repay the relevant Bullet Redemption Amounts;
- D = the lowest of (i) the PPR on the most recent Calculation Date, (ii) the sum of each PPR on the three most recent Calculation Dates divided by three, (iii) the sum of each PPR on the 12 most recent Calculation Dates divided by 12 and (iv) (in the case of Money Market Notes) any alternative PPR if specified in the applicable Final Terms;
- E = 85%; and
- F = the aggregate Current Balance of the Mortgage Loans in the Mortgage Portfolio at the beginning of the immediately preceding Calculation Period.

On each Calculation Date, the Cash Manager will additionally calculate the Cash Accumulation Requirement.

Rules for the repayment of principal amounts due on the Notes

The Cash Management Agreement sets out the rules for the application by the Cash Manager (on behalf of the Issuer), of principal amounts in respect of paragraph (b) of the application of the Funding Note Principal Portion under the Pre-Enforcement Pre-Trigger Principal Priority of Payments (the "**Reapplication Rule**"):

- (a) the Cash Manager will allocate the Funding Note Principal Portion available to be applied in accordance with paragraph (b) of the application of the Funding Note Principal Portion under the Pre-Enforcement Pre-Trigger Principal Priority of Payments to each of the Controlled Amortisation Notes in proportion to the respective amounts due on such Controlled Amortisation Notes on the relevant Payment Date expressed as a percentage of the aggregate Sterling Equivalent Principal Amount Outstanding of such Controlled Amortisation Notes as at the relevant Calculation Date (each, a "**Note Principal Allocation Amount**");
- (b) the Cash Manager will apply each Note Principal Allocation Amount towards the payment of principal due and payable on such Payment Date on each of the Controlled Amortisation Notes in an amount up to the Controlled Amortisation Amount in respect of such Controlled Amortisation Notes on such Payment Date, where:
 - (i) the Note Principal Allocation Amount exceeds the Controlled Amortisation Amount in respect of any Controlled Amortisation Note (such excess, a "**Note Principal Allocation Excess**"); or
 - (ii) the Controlled Amortisation Amount exceeds the Note Principal Allocation Amount in respect of any Controlled Amortisation Note (such shortfall, a "**Note Principal Allocation Shortfall**");
- (c) the Cash Manager will allocate the aggregate of any Note Principal Allocation Excess to each Note Principal Allocation Shortfall in proportion to the respective Principal Amount

Outstanding of the relevant Controlled Amortisation Note following payments in accordance with paragraph (b) above;

- (d) the Cash Manager will apply aggregate of remaining Note Principal Allocation Excess amounts in accordance with paragraphs (b) and (c) again until either the aggregate Note Principal Allocation Excess or the Note Principal Allocation Shortfall is reduced to zero; and
- (e) the Cash Manager will then apply any remaining amount available to be applied in accordance with paragraph (b)(ii) of the application of the Funding Note Principal Portion under the Pre-Enforcement Pre-Trigger Principal Priority of Payments towards the payment of principal due and payable on the Class A Notes that are Pass-Through Redemption Notes in proportion to their respective aggregate Sterling Equivalent Principal Amount Outstanding.

Trigger Events

An "**Asset Trigger Event**" will occur if any amount is recorded as a debit on the Class A Principal Deficiency Sub-Ledger after the application of available funds in accordance with the applicable Priorities of Payment on a Payment Date.

Any of the following events is a "**Non-Asset Trigger Event**" (and, together with an Asset Trigger Event, a "**Trigger Event**");

- (a) the occurrence of an Insolvency Event in relation to the Seller or the Servicer;
- (b) notice is provided by the Issuer to the Servicer terminating the appointment of the Servicer following the occurrence of a Servicer Termination Event in accordance with the terms of the Servicing Agreement, and a replacement Servicer is not appointed within six months following such termination;
- (c) the Actual Subordination Amount continues to be less than the Required Subordination Amount for a period of two months following the date on which the Cash Manager became aware of the reduction of the Actual Subordination Amount below the Required Subordination Amount, and the Actual Subordination Amount is not restored to the level which is at least equal to the Required Subordination Amount by the end of such period;
- (d) the Principal Amount Outstanding of the Seller's Note continues to be less than the Minimum Seller's Note Amount
 - (i) prior to the Provisioning Effective Date, for a period ending on the next following Payment Date; or
 - (ii) on and from the Provisioning Effective Date, for a period of two months,

in each case, following the date on which the Cash Manager became aware of the reduction of the Principal Amount Outstanding of the Seller's Note below the Minimum Seller's Note Amount, and in each case the Principal Amount Outstanding of the Seller's Note is not restored to the Minimum Seller's Note Amount by the end of such period; or

- (e) the occurrence of an Excess Principal Fund Threshold Event.

Each of the Non-Asset Trigger Events set out at paragraphs (a) and (e) above is also a "**Revolving Period End Trigger Event**".

Following the occurrence of an Asset Trigger Event and/or for so long as a Non-Asset Trigger Event is continuing the following will occur:

- all Bullet Redemption Notes and Controlled Amortisation Notes will become Pass-Through Redemption Notes;
- following the occurrence of an Asset Trigger Event (but not following the occurrence of a Non-Asset Trigger Event) and if the Provisioning Effective Date has occurred, interest on all Class A Notes and Sub-Classes of Class A Notes in each Series will be determined and paid on a monthly basis and will be due and payable by the Issuer on each applicable Payment Date; and
- on each Payment Date, the Issuer will be required to apply Enhanced Available Principal Receipts in accordance with the Priority of Payment set out under the section entitled "Application of Available Principal Receipts or Enhanced Available Principal Receipts (as the case maybe) following the occurrence of an Asset Trigger Event and/or for so long as a Non-Asset Trigger Event is continuing but prior to the delivery of an Enforcement Notice" below.

At any time where a Sale Period is not continuing, the Seller will be required to repurchase any Mortgage Loans in respect of which a Further Advance was granted or a Product Switch was made following the occurrence of an event which resulted in the suspension of a Sale Period.

For as long as a Non-Asset Trigger Event is continuing, and **provided that** a Sale Period is still continuing, the purchase by the Issuer of any Additional Mortgage Portfolio or any Further Advances in respect of the applicable Mortgage Loans in the Mortgage Portfolio at such time, can be funded solely by drawings under the Seller's Note.

Upon the redemption in full of all Series of Class A Notes that were both (i) outstanding at the time that a Revolving Period End Trigger Event occurred; and (ii) designated as being in compliance with the UK STS Criteria Requirements, the Issuer will no longer be prohibited from applying Enhanced Available Principal Receipts or the proceeds of any further drawdowns under the Class Z(S) VFN or the Seller's Note towards the purchase by the Issuer of any Additional Mortgage Portfolio or any Further Advances in respect of the applicable Mortgage Loans in the Mortgage Portfolio at such time.

At any time following the occurrence of a Revolving Period End Trigger Event the Issuer may, having given not more than 60 nor less than 30 days' notice to the Note Trustee, the relevant Currency Swap Counterparty (if any) and the Noteholders in accordance with Condition 14 (*Notice to Noteholders*), redeem all (but not some only) of such Series of the Class A Notes that satisfy the UK STS Criteria Requirements as of the date on which such Revolving Period End Trigger Event first occurred on the immediately succeeding Note Payment Date for such Notes at their aggregate Redemption Amount together with any accrued and unpaid interest in respect thereof.

If, following the occurrence of a Non-Asset Trigger Event, no Non-Asset Trigger Event is continuing:

- the Bullet Redemption Notes which became Pass-Through Redemption Notes while the relevant Non-Asset Trigger Event was continuing will revert to being Hard Bullet Redemption Notes or Soft Bullet Redemption Notes, as applicable;
- the Controlled Amortisation Notes which became Pass-Through Redemption Notes while the relevant Non-Asset Trigger Event was continuing will revert to being Controlled Amortisation Notes, **provided that** on each subsequent Note Payment Date or, as the case may be, Controlled Amortisation Date, until such time as the Sterling Equivalent Principal Amount Outstanding of such Controlled Amortisation Notes immediately prior to such Note Payment Date or, as the case may be, such Controlled Amortisation Date, is greater than or equal to the Target Balance (i) on such Note Payment Date, or (ii) if no such Target Balance is specified in respect of such

Note Payment Date, the next Controlled Amortisation Date for such Controlled Amortisation Notes, the Issuer will not apply any amounts in redemption of such Controlled Amortisation Notes on such Note Payment Date or, as the case may be, such Controlled Amortisation Date; and

- on each Payment Date, the Issuer will be required to apply Enhanced Available Principal Receipts in accordance with the Priority of Payment set out under the section entitled "Application of Available Principal Receipts or Enhanced Available Principal Receipts (as the case maybe) while no Asset Trigger Event has occurred and no Non-Asset Trigger Event is continuing and prior to the delivery of an Enforcement Notice" above,

provided that if such Non-Asset Trigger Event was also a Revolving Period End Trigger Event, paragraph (c) of the application of the Funding Note Principal Portion under the Pre-Enforcement Pre-Trigger Principal Priority of Payments will not apply.

Application of Available Principal Receipts or Enhanced Available Principal Receipts (as the case maybe) following the occurrence of an Asset Trigger Event and/or for so long as a Non-Asset Trigger Event is continuing but prior to the delivery of an Enforcement Notice

On each Payment Date following the occurrence of an Asset Trigger Event and/or for so long as a Non-Asset Trigger Event is continuing (but prior to the delivery of an Enforcement Notice) the Cash Manager (on behalf of the Issuer) will apply Available Principal Receipts or Enhanced Available Principal Receipts (as the case maybe) (other than, for the avoidance of doubt, Swap Collateral Excluded Amounts due to any Swap Counterparty and any Swap Collateral Available Amounts to be applied by the Cash Manager (on behalf of the Issuer) in accordance with the Swap Collateral Account Priority of Payments) and together with items ((E), (F) and (G) of the definition of Funding Note Principal Portion in the following order of priority:

- (a) *first*, to pay the Senior Fees and Expenses (to the extent not covered by the application of the Pre-Enforcement Revenue Priority of Payments);
- (b) *second*, following the determination of and application of the Funding Note Revenue Portion, to pay interest due and payable (if any) on the Class A Notes of each Series of Notes;
- (c) *third*, in no order of priority among them but in proportion to the respective amounts due:
 - (i) to the extent not satisfied by any amounts available to be applied in accordance with the Swap Collateral Account Priority of Payments, to pay amounts due and payable to the relevant Currency Swap Counterparty (if any) in respect of principal due and payable (if any) on non-Sterling denominated Class A Notes of each Series of Notes (including any Swap Termination Payment following the return of any Swap Collateral Excluded Amounts, but excluding any Currency Swap Excluded Termination Amount) in accordance with the terms of the relevant Currency Swap Agreement(s); and
 - (ii) if an Asset Trigger Event has occurred, to redeem all the Class A Notes which remain outstanding in no order of priority among them but in proportion to the respective amounts due or, if a Non-Asset Trigger Event is continuing, but an Asset Trigger Event has not occurred, in the following order of priority:
 - (A) first, in the order of their Final Maturity Date, beginning with the earliest such date (and if two or more Series of Class A Notes have the same Final Maturity Date, in proportion to the respective amounts due), to redeem any Class A Notes with Final Maturity Dates falling within five years from the date on which the respective Non-Asset Trigger Event has occurred; and

- (B) second, in no order of priority among them but in proportion to the respective amounts due, to redeem the remaining Class A Notes with Final Maturity Dates falling five years or later from the date on which the respective Non-Asset Trigger Event has occurred,

provided that, in respect of any Series of Class A Notes for which the relevant Payment Date is not a Note Payment Date, the Cash Manager (on behalf of the Issuer) will credit the Principal Provision Fund up to the Principal Provision Fund Required Amount, and **provided further that**, for the purposes of making any payments in respect of any Series or Class of Non-Sterling Notes:

- (I) the Cash Manager will transfer to the relevant Currency Swap Counterparty the relevant principal exchange amount due under the relevant Currency Swap Agreement and the relevant Currency Swap Counterparty will transfer the corresponding principal exchange amount in the currency of the relevant Class A Notes to the Principal Paying Agent for the account of the relevant Non-Sterling Noteholders; or
 - (II) if there is no Currency Swap Agreement in place for the relevant Series, the Cash Manager will convert an amount equal to the applicable share of Enhanced Available Principal Receipts into the currency of the relevant Class A Notes at the applicable Spot Rate (booked for conversion for value on that Payment Date) and will transfer the amounts received following such conversion to the Principal Paying Agent for the account of the relevant Non-Sterling Noteholders;
- (d) *fourth*, to the extent any Non-Sterling Notes remain outstanding following their Sterling Equivalent Redemption Date (after the application of any Principal Excess Amounts) to redeem any Non-Sterling Notes until they have been redeemed in full;
- (e) *fifth*, to redeem the Class Z(S) VFN in full;
- (f) *sixth*, to redeem the Seller's Note in full; and
- (g) *seventh*, any remaining amounts to be applied as Available Revenue Receipts.

Principal Payments in respect of Non-Sterling Notes

For the purposes of making payments in respect of any Series or Class of Non-Sterling Notes:

- (a) the Cash Manager will transfer to the relevant Currency Swap Counterparty the relevant principal exchange amount due under the relevant Currency Swap Agreement and the relevant Currency Swap Counterparty will transfer the corresponding principal exchange amount in the currency of the relevant Class A Notes to the Principal Paying Agent for the account of the relevant Non-Sterling Noteholders; or
- (b) if there is no Currency Swap Agreement in place for the relevant Series, the Cash Manager will convert an amount equal to the applicable share of Enhanced Available Principal Receipts into the currency of the relevant Class A Notes at the applicable Spot Rate (booked for conversion for value on that Payment Date) and will transfer the amounts received following such conversion to the Principal Paying Agent for the account of the relevant Non-Sterling Noteholder.

If the Original Currency Swap relating to any Series or Class of Non-Sterling Notes has been terminated, then, on each Payment Date prior to the delivery of an Enforcement Notice:

- (a) if, on such Payment Date, the pro rata share of the Enhanced Available Principal Receipts available under the relevant Pre-Enforcement Principal Priority of Payments to repay principal of the Non-Sterling Notes in accordance with Condition 5(c) (*Termination of the applicable Original Currency Swap*) following conversion into the Specified Currency at:
 - (i) if no replacement Currency Swap is in force, the Spot Rate (as determined by the Cash Manager); or
 - (ii) if a replacement Currency Swap is in force, the Replacement Exchange Rate,is less than the amount that would have been payable in the Specified Currency by the original Currency Swap Counterparty in respect of principal if the Original Currency Swap Agreement had not been terminated, the shortfall amounts (such amounts being "**Principal Shortfall Amounts**") will only be paid from any Principal Excess Amounts (as defined below);
- (b) if, on such Payment Date, the pro rata share of the Enhanced Available Principal Receipts available under the relevant Pre-Enforcement Principal Priority of Payments to pay principal of the Non-Sterling Notes in accordance with Condition 5(c) (*Termination of the applicable Original Currency Swap*) following conversion into Specified Currency at:
 - (i) if no replacement Currency Swap is in force, the Spot Rate (by the Cash Manager); or
 - (ii) if a replacement Currency Swap is in force, the Replacement Exchange Rate,is greater than the amount that would have been payable in the Specified Currency by the original Currency Swap Counterparty in respect of principal if the original Currency Swap Agreement had not been terminated, then:
 - (A) if no replacement Currency Swap is in force, excess amounts (such amounts being "**Principal Excess Amounts**") will be used to pay any Principal Shortfall Amounts, with any excess being transferred to the Swap Excess Reserve Account for application (subject to the terms of the Transaction Documents) on subsequent Payment Dates to pay any future Principal Shortfall Amounts; and
 - (B) if a replacement Currency Swap is in force, Principal Excess Amounts will be used to pay any Principal Shortfall Amounts, but any excess shall be released (and for the avoidance of doubt any amounts of such excess already held in the Swap Excess Reserve Account will also be released) and will be transferred to a Transaction Account (after conversion into Sterling at the applicable Spot Rate) and credited to the Revenue Ledger for application in accordance with the Pre-Enforcement Revenue Priority of Payments; and
- (c) if that Payment Date falls on or following the Sterling Equivalent Redemption Date for the relevant Series or Class of Non-Sterling Notes:
 - (i) if the relevant Series or Class of Non-Sterling Notes has not been redeemed in full, following application of any amounts held in the Swap Excess Reserve Account, any remaining Principal Amount Outstanding of the relevant Non-Sterling Notes will only be paid subject to and in accordance with paragraph (d) of the Pre-Enforcement Pre-Trigger Principal Priority of Payments in respect of the application of the Funding Note

Principal Portion or, following the occurrence of an Asset Trigger Event and/or for so long as a Non-Asset Trigger Event is continuing, paragraph (d) of the Pre-Enforcement Post-Trigger Principal Priority of Payments; or

- (ii) if the relevant Series or Class of Non-Sterling Notes has been redeemed in full, any amounts held in the Swap Excess Reserve Account will be transferred to a Transaction Account (after conversion into Sterling by the Cash Manager at the applicable Spot Rate) and credited to the Revenue Ledger for application in accordance with the Pre-Enforcement Revenue Priority of Payments.

On or after the delivery of an Enforcement Notice, any amounts held in the Swap Excess Reserve Account will be transferred to a Transaction Account (after conversion into Sterling by the Cash Manager at the applicable Spot Rate) and applied in accordance with the Post-Enforcement Priority of Payments.

APPLICATION OF AVAILABLE FUNDS FOLLOWING THE DELIVERY OF AN ENFORCEMENT NOTICE

Following the delivery by the Note Trustee of an Enforcement Notice to the Issuer, but prior to the Security Trustee (or a Receiver appointed on its behalf) exercising any rights to enforce the Security, the Seller will have the right to exercise the Seller's Note Permitted Repurchase Procedure in order to repurchase Mortgage Loans from the Issuer, and the proceeds from such repurchase will be applied directly and exclusively towards the repayment of the Seller's Note down to the Minimum Seller's Note Amount (as determined on the date of the delivery of the Enforcement Notice). If the Seller intends to exercise such right, it will provide a notice of such intention to the Security Trustee before the date falling 30 days after the date the Seller receives the copy of the Enforcement Notice, specifying the date on which the Seller intends to exercise its right (the "**Post-Enforcement Repurchase Date**") and setting out the aggregate value of the Mortgage Loans that the Seller will repurchase. The Seller shall then repurchase the relevant Mortgage Loans on the Post-Enforcement Repurchase Date, and the Security Trustee (or the Cash Manager on its behalf) will apply the proceeds of such repurchase directly towards the redemption of the Seller's Note.

Following such exercise of the Seller's Note Permitted Repurchase Procedure on the Post-Enforcement Repurchase Date, or if the Seller has not provided notice of its intention to exercise the Seller's Note Permitted Repurchase Procedure within the 30-day period specified above, the Security Trustee (or a Receiver appointed on its behalf) will be permitted to exercise its rights to enforce the Security. The Cash Management Agreement sets out the order of priority for the application by the Security Trustee (or the Cash Manager on its behalf) of amounts received or recovered by the Security Trustee or a Receiver appointed on its behalf, including any repurchase amounts remaining following the redemption of the Seller's Note.

On each Payment Date following the delivery by the Note Trustee of an Enforcement Notice to the Issuer, the Security Trustee (or the Cash Manager on its behalf) will be required to apply all amounts received or recovered by the Security Trustee (or a Receiver appointed on its behalf) (excluding Swap Collateral Excluded Amounts (if any) due to any Swap Counterparty by the Issuer under any Swap Agreement which will be applied in accordance with the Swap Collateral Account Priority of Payments) in accordance with the following order of priority (the "**Post-Enforcement Priority of Payments**"):

- (a) *first*, in no order of priority among them but in proportion to the amounts due, to pay amounts due to the Note Trustee, the Security Trustee and any Receiver appointed by the Security Trustee and any of their respective Appointees pursuant to the terms of the Trust Deed and/or the Deed of Charge, as applicable;
- (b) *second*, in no order of priority among them but in proportion to the respective amounts due:

Credit Structure and Cashflows

- (i) to pay amounts due to the Agent Bank, the Paying Agents, the Exchange and Transfer Agent, the VFN Registrar and/or the Registrar pursuant to the terms of the Agency Agreement;
- (ii) in no order of priority among them but in proportion to the respective amounts due, to pay:
 - (A) any amounts due and payable to the Servicer and/or the Back-up Servicer Facilitator under the Servicing Agreement;
 - (B) any amounts due and payable to the Cash Manager under the Cash Management Agreement;
 - (C) any amounts due and payable to the Corporate Services Provider under the Corporate Services Agreement;
 - (D) any amounts due and payable to any Tender Agent under a Remarketing Agreement;
 - (E) any amounts due and payable to the Account Banks under the Account Bank Agreements;
 - (F) any amounts due and payable to the Custodian under the Custody Agreement and the Swap Collateral Custody Agreement;
- (c) *third* (to the extent not satisfied by any amounts available to be applied in accordance with the Swap Collateral Account Priority of Payments), to pay amounts (including such part of any Swap Termination Payment following the return of any Swap Collateral Excluded Amounts) due to any Swap Counterparty under the relevant Swap Agreement (excluding any relevant Swap Excluded Termination Amount).

The Security Trustee (or the Cash Manager on its behalf) will, following the payment of the amounts referred to in paragraphs (a) to (c) above, allocate the remaining amounts received or recovered by the Security Trustee (or a Receiver appointed on its behalf) (including any amounts under or in connection with any Swap Agreement) (the "**Remaining Available Enforcement Receipts**") into the Seller's Note Portion ("**Seller's Note Post-Enforcement Portion**") and the Funding Note Portion ("**Funding Note Post-Enforcement Portion**"). The Security Trustee (or the Cash Manager on its behalf) will determine the size of the Seller's Note Post-Enforcement Portion on the basis of the following formula:

$$A \times \left(\frac{B}{C}\right)$$

and the size of the Funding Note Post-Enforcement Portion on the basis of the following formula:

$$A \times \left(1 - \left(\frac{B}{C}\right)\right)$$

where:

- A = Remaining Available Enforcement Receipts;
- B = the aggregate, as at the relevant Calculation Date, of the Sterling Equivalent Principal Amount Outstanding of the Seller's Note; and

- C = the aggregate, as at the relevant Calculation Date, of the Sterling Equivalent Principal Amount Outstanding of each of the Class A Notes, the Class Z(S) VFN and the Seller's Note.

Save as described above and the application of the Remaining Available Enforcement Receipts, the application of any Remaining Available Enforcement Receipts attributable to the Seller's Note Post-Enforcement Portion will not take into account, nor have the benefit of, the application of the Reserve Fund and/or any payment made by any Interest Rate Swap Counterparty, such amounts to be used solely and exclusively in connection with the Funding Note Post-Enforcement Portion.

The Security Trustee (or the Cash Manager on its behalf) will apply the Seller's Note Post-Enforcement Portion to pay interest due or overdue on, and to repay principal on, the Seller's Note. Should the Seller exercise the Seller's Note Permitted Repurchase Procedure, any proceeds received by the Issuer from such repurchase will be applied directly towards repayment of principal on the Seller's Note, and these amounts will not be distributed in accordance with any applicable Priority of Payments.

The Security Trustee (or the Cash Manager on its behalf) will apply the Funding Note Post-Enforcement Portion in accordance with the following order of priority:

- (a) *first*, in no order of priority among them but in proportion to the respective amounts due, to pay interest and fees due or overdue on, and to repay principal of, the applicable Series of Class A Notes and (to the extent not satisfied by any amounts available to be applied in accordance with the Swap Collateral Account Priority of Payments) to pay any Swap Termination Payment due to the relevant Swap Counterparty for each Series of Class A Notes (but excluding any Swap Excluded Termination Amount);
- (b) *second*, in no order of priority among them but in proportion to the respective amounts due, to pay interest due or overdue on each Sub-Class of the Class Z VFNs;
- (c) *third* (to the extent not satisfied by any amounts available to be applied in accordance with the Swap Collateral Account Priority of Payments), in no order of priority among them but in proportion to the respective amounts due, to pay any Swap Excluded Termination Amounts to any Swap Counterparty;
- (d) *fourth*, to retain an amount equal to the Issuer Profit Amount as profit;
- (e) *fifth*, to repay principal on the Class Z(R) VFN;
- (f) *sixth*, to repay principal on the Class Z(S) VFN;
- (g) *seventh*, to pay amounts due to any third party creditors of the Issuer (other than those referred to elsewhere in this Post-Enforcement Priority of Payments) of which the Cash Manager has notice prior to the relevant Payment Date, which amounts have been incurred without breach in any material respect by the Issuer of the terms of the Transaction Documents to which it is a party (and for which payment has not been provided for elsewhere) and to pay or discharge any liability of the Issuer for tax (save to the extent that the relevant tax is corporation tax on the taxable profits of the Issuer which can be met out of the Issuer Profit Amount); and
- (h) *eighth*, to pay any amount remaining to the Seller as Deferred Consideration.

As described in the section entitled "Available Principal Receipts – Application of Available Principal Receipts or Enhanced Available Principal Receipts (as the case maybe) while no Asset Trigger Event has occurred and no Non-Asset Trigger Event is continuing and prior to the delivery of an Enforcement

Notice" above, the Seller may continue to exercise the Seller's Note Permitted Repurchase Procedure at any time following the delivery by the Note Trustee of an Enforcement Notice to the Issuer for so long as any Mortgage Loans remain in the Mortgage Portfolio. For the avoidance of doubt, the Seller will ensure that the Principal Amount Outstanding of the Seller's Note is at least equal to the Minimum Seller's Note Amount for so long as any Class A Notes (or any other Notes that are not at all times held by the Seller (or their Affiliates)) or any Class Z VFNs remain outstanding.

SWAP COLLATERAL ACCOUNT PRIORITY OF PAYMENTS

Swap Collateral

In the event that a Swap Counterparty is required to transfer Swap Collateral to the Issuer in respect of its obligations under the relevant Swap Agreement in accordance with the terms of the relevant Credit Support Annex, that Swap Collateral (and any interest and/or distributions earned thereon) will be credited to the relevant Swap Collateral Account and credited to the relevant Swap Collateral Ledger. In addition, upon termination of a Swap Agreement, (a) any Swap Replacement Premium received by the Issuer from a replacement Swap Counterparty, (b) any termination payment received by the Issuer from the relevant outgoing Swap Counterparty which is required to fund any Swap Replacement Premium payable by the Issuer, and (c) any Swap Tax Credits will be credited to the relevant Swap Collateral Account and recorded on the relevant Swap Collateral Ledger.

Amounts standing to the credit of the relevant Swap Collateral Account (including interest, distributions and redemption or sale proceeds thereon or thereof) and recorded on the relevant Swap Collateral Ledger will not be available for the Issuer or the Security Trustee to make payments to the Secured Creditors generally, but may be applied by the Cash Manager only in accordance with the following provisions (the "**Swap Collateral Account Priority of Payments**"), and **provided further that** if the Swap Collateral Account Priority of Payments and any of the Priorities of Payments are to be operated on the same date, the Swap Collateral Account Priority of Payments will be operated prior to any of the Priorities of Payments:

- (a) to pay, subject to the terms of the relevant Swap Agreement, to the relevant Swap Counterparty an amount equal to any Swap Tax Credits received by the Issuer;
- (b) prior to the designation of an early termination date (as such term is defined in the relevant Swap Agreement, the "**Early Termination Date**") in respect of the relevant Swap Agreement, solely in or towards payment or discharge of any Return Amounts, Interest Amounts and Distributions (each as defined in the relevant Credit Support Annex), on any day, directly to the relevant Swap Counterparty;
- (c) following the occurrence of an Early Termination Date in respect of a Swap Agreement where (A) such Early Termination Date has been designated following a Swap Counterparty Default or Swap Counterparty Downgrade Event, and (B) the Issuer enters into a Replacement Swap Agreement in respect of the relevant Swap Agreement on or around the Early Termination Date of such Swap Agreement (and no later than 20 Business Days following such Early Termination Date), on the later of (1) the day on which such Replacement Swap Agreement is entered into, (2) (**provided that** the Cash Manager may apply such amounts on such earlier date (as notified by the Issuer to the Cash Manager) as the Issuer may determine appropriate if the Issuer reasonably believes that the Issuer will not receive the corresponding termination payment from the relevant Swap Counterparty on the relevant due date under the relevant Swap Agreement) the day on which a termination payment (if any) payable to the Issuer has been received, and (3) the day on which any Swap Replacement Premium (if any) payable to the Issuer has been received, in the following order of priority:

- (i) *first*, in or towards payment of any Swap Replacement Premium (if any) payable by the Issuer to the relevant replacement Swap Counterparty in order to enter into the relevant Replacement Swap Agreement with the Issuer with respect to the relevant Swap Agreement being terminated;
 - (ii) *second*, in or towards payment of any termination payment due to the relevant outgoing Swap Counterparty; and
 - (iii) *third*, the surplus (if any) on such day to be transferred to a Transaction Account, to be applied as Funding Note Revenue Portion;
- (d) following the occurrence of an Early Termination Date in respect of a Swap Agreement where:
 - (A) such Early Termination Date has been designated otherwise than as a result of one of the events specified at paragraph (c) above, and (B) the Issuer enters into a Replacement Swap Agreement in respect of the relevant Swap Agreement on or around the Early Termination Date of such Swap Agreement (and no later than 20 Business Days following such Early Termination Date), on the later of (1) the day on which such Replacement Swap Agreement is entered into, (2) **(provided that** the Cash Manager may apply such amounts on such earlier date (as notified by the Issuer to the Cash Manager) as the Issuer may determine appropriate if the Issuer reasonably believes that the Issuer will not receive the corresponding termination payment from the relevant Swap Counterparty on the relevant due date under the relevant Swap Agreement) the day on which a termination payment (if any) payable to the Issuer has been received, and (3) the day on which any Swap Replacement Premium (if any) payable to the Issuer has been received, in the following order of priority:
 - (i) *first*, in or towards payment of any termination payment due to the relevant outgoing Swap Counterparty;
 - (ii) *second*, in or towards payment of any Swap Replacement Premium (if any) payable by the Issuer to the relevant replacement Swap Counterparty in order to enter into the relevant Replacement Swap Agreement with the Issuer with respect to the Swap Agreement being terminated; and
 - (iii) *third*, the surplus (if any) on such day to be transferred to a Transaction Account, to be applied as Funding Note Revenue Portion;
- (e) following the occurrence of an Early Termination Date in respect of a Swap Agreement for any reason where the Issuer does not enter, or intend to enter, into a Replacement Swap Agreement within 20 Business Days of such Early Termination Date, then on the date on which the relevant payment is due, in or towards payment of any termination payment due to the relevant outgoing Swap Counterparty; and
- (f) following payments of amounts due pursuant to paragraph (e) above, if amounts remain standing to the credit of a Swap Collateral Account, such amounts may be transferred to a Transaction Account, to be applied as Funding Note Revenue Portion, **provided that** for so long as the Issuer does not enter into a Replacement Swap Agreement with respect to the relevant Swap Agreement, on each Swap Payment Date, the Issuer (or the Cash Manager on its behalf) will be permitted to withdraw an amount from the relevant Swap Collateral Account (which will be debited to the relevant Swap Collateral Ledger), equal to the excess of such amount, determined in accordance with the terms of the relevant Swap Agreement, over the amount which would have been paid by the relevant Swap Counterparty to the Issuer on such Swap Payment Date but for the designation of an Early Termination Date under the relevant Swap Agreement, such surplus to be transferred to a Transaction Account, to be applied as Funding Note Revenue Portion; and **provided further that** for so long as the Issuer does not

enter into a Replacement Swap Agreement with respect to the relevant Swap Agreement on or prior to the earlier of:

- (i) the Calculation Date immediately before the Payment Date on which the Principal Amount Outstanding of all Class A Notes would be reduced to zero (taking into account any Swap Collateral Account Surplus to be applied as Funding Note Revenue Portion on such Payment Date); or
- (ii) the day on which an Enforcement Notice is served in accordance with Condition 9 (*Events of Default*); or
- (iii) the date on which the Current Balance of the Fixed Rate Mortgage Loans (excluding any Enforced Mortgage Loans) is reduced to zero,

then the amount standing to the credit of such Swap Collateral Account on such day will be transferred to a Transaction Account, to be applied as Funding Note Revenue Portion as soon as reasonably practicable thereafter.

THE CLASS Z VFNS AND THE SELLER'S NOTE

On the First Issuance Date, the Issuer will issue the Class Z VFNs and the Seller's Note to the VFN Holder. The Class Z VFNs consist of two separate Sub-Classes, namely the Class Z(R) VFN and the Class Z(S) VFN, each as explained below. On the First Issuance Date, the Class Z VFNs and the Seller's Note will not be listed on the London Stock Exchange plc or admitted to trading on its regulated market.

Form and denomination

The Class Z VFNs and the Seller's Note have been issued in definitive form and are represented by Regulation S Individual Note Certificates pursuant to the Trust Deed. The Issuer also maintains a VFN Register, kept on the Issuer's behalf by the VFN Registrar, in which the Class Z VFNs and the Seller's Note are registered in the name of the VFN Holder. Transfers of the Class Z VFNs and the Seller's Note may be made only through the Register maintained by the Issuer and are subject to the transfer restrictions set out in Condition 1(d) (*Transfers*).

Ranking

The payment of interest due on any Payment Date in respect of the Class Z(R) VFN and the Class Z(S) VFN is subordinated to the payment of interest due on such Payment Date in respect of the Class A Notes of all Series and the Seller's Note, with the payment of interest on the Class A Notes and the Seller's Note ranking pro rata and *pari passu*.

The payment of interest due on any Payment Date in respect of the Class Z(R) VFN and the Class Z(S) VFN is also subordinated to the replenishment of the Reserve Fund up to the Reserve Fund Required Amount. None of the Class Z VFNs or the Seller's Note has the benefit of amounts standing to the credit of the Reserve Fund.

The repayment of principal due on any Payment Date in respect of the Class Z(S) VFN is subordinated to the repayment of principal due on such Payment Date in respect of the Class A Notes.

The repayment of principal due on any Payment Date in respect of the Seller's Note (i) prior to service of an Enforcement Notice (for so long as no Asset Trigger Event has occurred and no Non-Asset Trigger Event is continuing), and (ii) following service of an Enforcement Notice, will rank pro rata and *pari passu* with the repayment of principal on the Class A Notes.

Where an Asset Trigger Event has occurred and/or a Non-Asset Trigger Event is continuing, and **provided that** no action has been taken to enforce the security created by the Issuer under the Transaction Documents, the repayment of principal due on any Payment Date in respect of the Seller's Note is subordinated to the repayment of principal on the Class A Notes and the Class Z(S) VFN.

See also the section entitled "Credit Structure and Cashflows" and "Risk Factors – Subordination of other Classes may not protect the Class A Noteholders from all risk of loss".

Class Z VFNs

Each Sub-Class of Class Z VFN has been issued as a separate variable funding note, the Principal Amount Outstanding of which may be increased through further drawdowns from time to time, or may be decreased through:

- (a) in the case of the Class Z(R) VFN, being repaid from the Funding Note Revenue Portion in accordance with the Pre-Enforcement Revenue Priority of Payments; or

The Class Z VFNS and the Seller's Note

- (b) in the case of the Class Z(S) VFN, being repaid from the Funding Note Principal Portion in accordance with the relevant Pre-Enforcement Principal Priority of Payments (subject to certain conditions as set out in the section entitled "Credit Structure and Cashflows" including, in particular, that the Required Subordination Amount for the Class A Notes is maintained at all times),

or otherwise in accordance with Condition 5 (*Redemption, Purchase and Cancellation*).

Any further drawdown under any Sub-Class of Class Z VFN will be carried out in accordance with, and subject to the conditions set out in, Condition 18 (*Increasing the Principal Amount Outstanding of the VFNS*).

Interest

Each Sub-Class of Class Z VFNS bears interest on its Principal Amount Outstanding from time to time as described in Condition 4 (*Interest*). Interest on each Sub-Class of Class Z VFNS is payable on each Payment Date in accordance with the Pre-Enforcement Revenue Priority of Payments.

The Seller's Note

The Seller's Note will be issued to the Seller on the First Issuance Date. The Seller's Note will be issued for one or more of the following purposes:

- (a) maintaining the requisite level of ongoing Principal Receipts necessary so as to meet scheduled payments on the Controlled Amortisation Notes and the Cash Accumulation Requirement in respect of Bullet Redemption Notes;
- (b) funding all or any part of the Initial Purchase Price for the Initial Mortgage Portfolio;
- (c) funding all or any part of the Initial Additional Mortgage Portfolio Purchase Price for any Additional Mortgage Portfolios;
- (d) funding the purchase of Additional Mortgage Loans and their Related Security in circumstances where the Actual Subordination Amount is greater than the Required Subordination Amount;
- (e) complying with the EU Risk Retention Requirements, the UK Risk Retention Rules and the US Credit Risk Retention Requirements;
- (f) application of the drawings thereunder as Available Principal Receipts to effect the redemption of the Class A Notes on the next following Note Payment Date in accordance with Condition 5(b) (*Mandatory redemption of the Notes in Part*), the applicable Priority of Payments and the Reapplication Rule;
- (g) application of the drawings thereunder to effect the redemption of the Class Z(S) VFN in accordance with Condition 5 (*Redemption, Purchase and Cancellation*), subject to maintaining the Required Subordination Amount; and/or
- (h) making up for any shortfalls in Revenue Receipts,

provided that the Issuer (or the Cash Manager on its behalf) will ensure that the Principal Amount Outstanding of the Seller's Note is at least equal to the Minimum Seller's Note Amount.

Minimum Seller's Note Amount

The Issuer (or the Cash Manager on its behalf) will ensure that, for so long as any Class A Notes (or any other Notes that are not at all times held by the Seller (or its wholly owned affiliates)) or any Class Z VFNs remain outstanding, the Principal Amount Outstanding of the Seller's Note is at least equal to the Minimum Seller's Note Amount.

If the Principal Amount Outstanding of the Seller's Note is in excess of the Minimum Seller's Note Amount, then:

- (a) the Seller's Note may, in accordance with the relevant Pre-Enforcement Principal Priority of Payments, be redeemed in an amount such that, following such repayment, Principal Amount Outstanding of the Seller's Note is at least equal to the Minimum Seller's Note Amount; and/or
- (b) the Seller may elect to exercise the Seller's Note Permitted Repurchase Procedure in order for the Seller to repurchase Mortgage Loans and their Related Security from the Issuer, and the proceeds from such repurchase will be applied directly and exclusively towards the repayment of the Seller's Note.

In addition, the Issuer may apply the Class A Note Issuance Proceeds (with any costs and expenses associated with such issuance being funded by a drawing made under the Class Z(R) VFN) to redeem the Seller's Note, **provided that:**

- (a) following such redemption, the Principal Amount Outstanding of the Seller's Note would not be less than the Minimum Seller's Note Amount; and
- (b) the Seller's Note Redemption Amount shall not exceed the amount of such Class A Note Issuance Proceeds.

If some or all of the relevant Class A Notes are Retained Class A Notes, then, to the extent that the Seller's Note Redemption Amount is less than or equal to the Class A Note Issuance Proceeds, the Seller's Note Redemption Amount shall be netted against an amount equal to the Retained Class A Notes. The holder of the Seller's Note shall procure that any surplus Class A Note Issuance Proceeds relating to Retained Class A Notes left following such netting are turned over to the Issuer. Any such redemption of the Seller's Note shall take place on the Issuance Date in respect of the relevant Class A Notes, and shall occur otherwise than in accordance with any Priority of Payments.

It should be noted that, at any time when the Principal Amount Outstanding of the Seller's Note is in excess of the Minimum Seller's Note Amount, the Seller may, at its discretion, exercise the Seller's Note Permitted Repurchase Procedure. For the avoidance of doubt, the Seller may exercise the Seller's Note Permitted Repurchase Procedure irrespective of whether an Asset Trigger Event has occurred or whether a Non-Asset Trigger Event is continuing and/or an Event of Default has occurred and is continuing.

The Class Z(S) VFN

The Class Z(S) VFN will be issued to the VFN Holder on the First Issuance Date.

Required Subordination Amount

The overall Required Subordination Amount for the Programme and each Series of outstanding Class A Notes from time to time will be achieved through the retention by the VFN Holder of the Class Z(S) VFN. The Principal Amount Outstanding under the Class Z(S) VFN at any time is required to be an amount equal to or greater than the Required Subordination Amount.

The Class Z VFNS and the Seller's Note

The Issuer (or the Cash Manager on its behalf) may change the Required Subordination Percentage or the method of computing the Required Subordination Amount, at any time (including, without limitation, on any Issuance Date) without the consent of any Noteholders **provided that**:

- it ensures that the Required Subordination Amount is calculated by reference to the highest Required Subordination Percentage applicable from time to time with respect to all Class A Notes which are outstanding and have not been repaid in full;
- it has obtained a Ratings Confirmation in respect thereof; and
- for so long as any Series and Class of Notes that remain outstanding are Rule 144A Notes, it has obtained an opinion of counsel that for US federal income tax purposes: (i) the change will not adversely affect the tax characterisation as debt of any outstanding Series and Class of Notes that were characterised as debt at the time of their issuance; and (ii) such change will not cause or constitute an event in which gain or loss would be recognised by any holder of such Notes.

If, on any Calculation Date, the Cash Manager determines that a Subordination Deficit has occurred, it will notify the Issuer who in turn will notify the VFN Holder of such occurrence.

Upon receipt of notice of a Subordination Deficit, the VFN Holder will make an offer to advance a Class Z(S) Increase to the Issuer. The Issuer is required to accept any such offer, and the VFN Holder will advance an amount equal to the relevant Class Z(S) Increase to the Issuer on the relevant Payment Date, to be applied by the Issuer on such Payment Date either in payment to the Seller of the Initial Additional Mortgage Portfolio Purchase Price payable for Additional Mortgage Portfolios on such Payment Date or as Available Principal Receipts.

If, on any Calculation Date, the Cash Manager determines that the Actual Subordination Amount is (or will be following the application of Enhanced Available Revenue Receipts and Enhanced Available Principal Receipts on the relevant Payment Date) in excess of the Required Subordination Amount, the Class Z(S) VFN may, in accordance with the relevant Pre-Enforcement Principal Priority of Payments, be repaid on the relevant Payment Date in an amount such that the Actual Subordination Amount is at least equal to the Required Subordination Amount.

The Class Z(R) VFN

The Class Z(R) VFN will be issued to the VFN Holder on the First Issuance Date, and may be drawn down for the purposes of paying the start-up expenses of the Issuer and the fees, costs and expenses of the Issuer incurred in connection with the issuance of each Series of Notes, funding and (at the sole discretion of the VFN Holder) replenishing the Reserve Fund, the payment of any upfront swap premium and (at the sole discretion of the VFN Holder) eliminating any debt entries on any Principal Deficiency Sub-Ledger.

Reserve Deficits

If, on any Calculation Date, the Cash Manager determines that:

- (a) the amount standing to the credit of the Reserve Fund on such Calculation Date is less than the Reserve Fund Required Amount and there will be insufficient Enhanced Available Revenue Receipts to be applied in accordance with paragraph (d) of the application of the Funding Note Revenue Portion under the Pre-Enforcement Revenue Priority of Payments on the immediately succeeding Payment Date to credit the Reserve Fund to the Reserve Fund Required Amount; or
- (b) a Revenue Shortfall will occur on the immediately succeeding Payment Date,

then the Cash Manager will notify the VFN Holder of the amount that the Issuer wishes to draw down under the Class Z(R) VFN, being an amount equal to:

- (i) the Reserve Fund Required Amount on such Payment Date; *less*
- (ii) the amount that will be standing to the credit of the Reserve Fund on such Payment Date after application of Enhanced Available Revenue Receipts in accordance with the Pre-Enforcement Revenue Priority of Payments on such Payment Date,

(the "**Reserve Deficit Drawing**").

Upon receipt of notice of a Reserve Deficit Drawing, the VFN Holder may, at its sole discretion, make an offer to the Issuer to advance a Class Z(R) Increase in an amount up to the Reserve Deficit Drawing.

The Issuer is required to accept any such offer, and the VFN Holder will advance an amount equal to the relevant Class Z(R) Increase to the Issuer on the relevant Payment Date to be applied by the Issuer as Available Revenue Receipts.

Principal Deficiencies

If, on any Calculation Date, the Cash Manager determines that there is a Principal Deficiency, or there will be a Principal Deficiency following the application of available funds in accordance with the relevant Priority of Payments on the immediately succeeding Payment Date, then the Cash Manager will notify the Issuer who will in turn notify the VFN Holder.

Upon receipt of notice of a Principal Deficiency, the VFN Holder may, at its sole discretion, make an offer to the Issuer to advance an amount under the Class Z(R) VFN up to an amount equal to the Principal Deficiency.

The Issuer is required to accept any such offer, and the VFN Holder will advance an amount equal to the relevant Class Z(R) Increase to the Issuer on the relevant Payment Date.

CASH MANAGEMENT

The material terms of the Cash Management Agreement, the Account Bank Agreements, the Custody Agreement and the Swap Collateral Custody Agreement are summarised in this section. The summary does not purport to be complete and it is subject to the provisions of the Cash Management Agreement, the Account Bank Agreements, the Custody Agreement and the Swap Collateral Custody Agreement.

Cash Management Agreement

Pursuant to the terms of the Cash Management Agreement, the Cash Manager has been appointed to provide cash management services to the Issuer.

Cash Management Services

The Cash Manager's duties include, but are not limited to:

- (a) maintaining the following ledgers on behalf of the Issuer:
 - (i) the Principal Ledger, which will record Principal Receipts received by the Issuer;
 - (ii) the Revenue Ledger, which will record Revenue Receipts received by the Issuer;
 - (iii) the relevant Cash Accumulation Ledgers which will record the Principal Receipts accumulated by the Issuer to repay the relevant Bullet Redemption Amounts;
 - (iv) the Profit Ledger, which will record all amounts retained by the Issuer as profit on each Payment Date;
 - (v) the Reserve Ledger, which will record the amount credited to the Reserve Fund from time to time, and subsequent withdrawals from and deposits to the Reserve Fund;
 - (vi) the Interest Provision Ledger, which will record amounts credited to the Interest Provision Fund from time to time, and subsequent withdrawals from the Interest Provision Fund to be applied as Available Revenue Receipts;
 - (vii) the Principal Provision Ledger, which will record amounts credited to the Principal Provision Fund from time to time, and subsequent withdrawals from the Principal Provision Fund to be applied as Enhanced Available Principal Receipts;
 - (viii) the Excess Principal Ledger, which will record amounts standing to the credit of the Excess Principal Fund at any time and on a FIFO basis, for a period of 18 months or more, where that period starts on the date on which such amounts were first so recorded and the date of any withdrawals from and deposits into the Excess Principal Fund;
 - (ix) the Principal Deficiency Ledger (to be divided into Funding Principal Deficiency Sub-Ledgers and the Seller's Note Principal Deficiency Sub-Ledger) which will record, among other things, any Losses on the Mortgage Loans in the Mortgage Portfolio together with the application of any Enhanced Available Principal Receipts in respect of any Revenue Shortfall; and
 - (x) the relevant Swap Collateral Ledgers which will record all payments, deliveries, transfers and receipts in connection with Swap Collateral in respect of any Swap Agreement;

Cash Management

- (b) making the following determinations on each Calculation Date:
 - (i) the amount of Enhanced Available Revenue Receipts and Enhanced Available Principal Receipts to be applied on the relevant Payment Date;
 - (ii) the Principal Amount Outstanding of each Series and Class of Notes;
 - (iii) the amounts to be applied in accordance with each Priority of Payments on the relevant Payment Date;
 - (iv) the Interest Provision Fund Required Amount and the Principal Provision Fund Required Amount;
 - (v) whether any Series of Bullet Redemption Notes is in a Cash Accumulation Period, along with the Cash Accumulation Requirement, the Pass-Through Redemption Allocation and the Controlled Amortisation Allocation;
 - (vi) the Actual Subordination Amount and the Required Subordination Amount and any amounts that may be repaid in respect of the Sub-Classes of Class Z VFNs;
 - (vii) the Reserve Fund Required Amount;
 - (viii) whether a Revenue Shortfall will exist on the relevant Payment Date;
 - (ix) whether an Excess Principal Fund Threshold Event has occurred; and
 - (x) such other amounts as are expressed to be calculations and determinations made by the Cash Manager under the Transaction Documents and the Conditions;
- (c) investing sums standing to the credit of the Transaction Accounts, in Authorised Investments as described in the section entitled "Credit Structure and Cashflows – General Credit Structure – Authorised Investments";
- (d) making withdrawals from the Reserve Fund as and when required;
- (e) applying Enhanced Available Revenue Receipts and Enhanced Available Principal Receipts in accordance with the relevant Priority of Payments;
- (f) administering Further Advances under the Class Z VFNs and Seller's Note; and
- (g) preparing and providing to the Issuer the Security Trustee and the Rating Agencies, the SR Investor Reports and the SR Loan Level Reports via the UK Securitisation Repository and the EU Reporting Website; and
- (h) providing to the Issuer the Security Trustee and the Rating Agencies, the Bank of England Reports via the UK Reporting Repository.

For details of the cashflows applicable to the Programme, see the section entitled "Credit Structure and Cashflows".

Reporting

The Cash Manager will make available electronically to the Issuer, the Servicer, the Note Trustee, the Security Trustee, the Noteholders, the relevant competent authorities, the Rating Agencies and, upon request, potential investors in the Notes, via:

Cash Management

- (a) the UK Securitisation Repository and the EU Reporting Website, the SR Investor Report and the SR Loan Level Report within one month of each Note Payment Date to the Issuer, the Servicer, the Note Trustee, the Security Trustee and the Rating Agencies;
- (b) the UK Securitisation Repository:
 - (i) the Bank of England Investor Report no later than five (5) Business Days after the 23rd day of each calendar month; and
 - (b) the Bank of England Loan Level Report no later than one month following the Note Payment Date.

The Cash Manager will report any change in the Priority of Payments that will materially adversely affect the repayment of the Notes without undue delay to the extent required under SECN 2.2.23R, as provided for in the Cash Management Agreement.

Compensation of Cash Manager

The Cash Manager is paid an annual fee for its services which is required to be paid in equal instalments in arrear on a Payment Date. In addition, the Cash Manager is entitled to be indemnified for any expenses or other amounts properly incurred by it in carrying out its duties. The fees, expenses and other amounts are required to be paid by the Issuer in accordance with and subject to the terms of the relevant Priority of Payments, prior to the payment of amounts due in respect of the Notes.

Resignation of Cash Manager

The Cash Manager is entitled to resign only on giving 90 days' prior written notice to the Issuer and the Security Trustee **provided that**:

- a substitute Cash Manager has been appointed and a new Cash Management Agreement is entered into on terms substantially the same as the Cash Management Agreement and the rights of the Issuer under such agreement are assigned by way of security in favour of the Security Trustee; and
- a Ratings Confirmation is received in respect of the replacement.

Termination of appointment of Cash Manager

The Issuer (with the prior written consent of the Security Trustee) or (following delivery of an Enforcement Notice) the Security Trustee is entitled, upon written notice to the Cash Manager, to terminate the appointment of the Cash Manager immediately on, or at any time after, the occurrence of certain events, including:

- default is made by the Cash Manager in the payment on the due date of any payment to be made by it under this Agreement (subject to funds being available for the same) and such default, unless waived by the Issuer (subject to a prior written consent of the Security Trustee), continues unremedied for a period of seven (7) Business Days after the earlier of the Cash Manager becoming aware of such default and receipt by the Cash Manager of written notice from the Issuer or (following delivery of an Enforcement Notice) the Security Trustee requiring the same to be remedied;
- default is made by the Cash Manager in the performance or observance of any of its other covenants and obligations under the Cash Management Agreement, and is not waived by the Issuer (subject to a prior written consent of the Security Trustee), which in the opinion of the

Cash Management

Issuer or (following the delivery of an Enforcement Notice) the Security Trustee (acting in accordance with the direction of the Note Trustee) is materially prejudicial to the interests of the holders of the Most Senior Class of Notes and such default continues unremedied for a period of 30 Business Days after the earlier of the Cash Manager becoming aware of such default and receipt by the Cash Manager of written notice from the Issuer or (following delivery of an Enforcement Notice) the Security Trustee requiring the same to be remedied;

- it is or will become unlawful for the Cash Manager to perform or comply with any of its obligations under the Cash Management Agreement; or
- an Insolvency Event occurs in respect of the Cash Manager.

Upon termination of the appointment of the Cash Manager, the Issuer is required to use its reasonable endeavours to procure the appointment of a substitute Cash Manager. Any such substitute Cash Manager will be required to enter into an agreement on substantially the same terms as the provisions of the Cash Management Agreement and any appointment is conditional upon receipt of a Ratings Confirmation.

If the appointment of the Cash Manager is terminated or it resigns, the Cash Manager is required to deliver its books of account relating to the Mortgage Loans in the Mortgage Portfolio to or at the direction of the Issuer or (following delivery of an Enforcement Notice) the Security Trustee. The Cash Management Agreement will terminate automatically when the Issuer has no further interest in the Mortgage Portfolio and all indebtedness of the Issuer has been repaid or otherwise discharged.

Governing law

The Cash Management Agreement is and any non-contractual obligations arising out of or in connection with it are governed by and construed in accordance with English law.

Account Bank Agreements and Bank Accounts

Pursuant to the terms of the Account Bank Agreements the Issuer will maintain the Bank Accounts.

Transaction Accounts

As at the Programme Date, the Issuer holds the First Transaction Account with the First Account Bank and the Second Transaction Account with the Second Account Bank pursuant to the terms of the First Account Bank Agreement and the Second Account Bank Agreement, respectively. The Issuer may, from time to time after the Programme Date, hold additional Transaction Accounts with any Account Banks.

The Issuer is required to credit all Revenue Receipts and all Principal Receipts and all other amounts received by it in connection with the Mortgage Portfolio and the Transaction Documents into either Transaction Account at its discretion, subject to the limitation described under "Transfers between the First Transaction Account and the Second Transaction Account" below.

In connection with any payment to be made by or on behalf of the Issuer from amounts standing to the credit of the Transaction Accounts, the Issuer (or the Cash Manager on its behalf) may apply amounts standing to the credit of one or all of the Transaction Accounts at its discretion. In addition, subject to the limitation described under "Transfers between the First Transaction Account and the Second Transaction Account" below, the Issuer (or the Cash Manager on its behalf) may at any time and at its sole discretion transfer amounts between the First Transaction Account, the Second Transaction Account and any other Transaction Account established in the name of the Issuer in accordance with the Cash Management Agreement and the Deed of Charge.

Transfers between the First Transaction Account and the Second Transaction Account

As outlined below, if the First Account Bank fails to satisfy the required Account Bank Minimum Required Rating, the Issuer may continue to operate the First Transaction Account held with the First Account Bank for any purpose other than to maintain any of the Affected Ledgers, but must move any amounts recorded to any Affected Ledgers to the Second Transaction Account held with the Second Account Bank or, if the rating of the Second Account Bank falls below the Account Bank Minimum Required Rating at the relevant time, a replacement transaction account opened with a financial institution that complies with the required Account Bank Minimum Required Rating.

Additionally, where the First Account Bank fails to satisfy the required Account Bank Minimum Required Rating, the Issuer will be required to move any amounts recorded to any Affected Ledgers held with the First Account Bank to the Second Transaction Account held with the Second Account Bank or, in the event the rating of Second Account Bank falls below the Account Bank Minimum Required Rating at such time, a replacement transaction account opened with a financial institution that complies with the required Account Bank Minimum Required Rating.

Liquidation of Authorised Investments

If the Cash Manager determines that, on any Payment Date, after taking into account the amounts of cash already standing to the credit of the Transaction Accounts, there are insufficient funds to meet the Issuer's obligations on such Payment Date (the amount by which such funds are insufficient being a "**Cash Shortfall**"), the Cash Manager may liquidate any Authorised Investments in an amount necessary to make up for such Cash Shortfall. The Cash Manager will deposit the proceeds of such liquidation of Authorised Investments into one or more Transaction Accounts, and such proceeds will be added to the relevant cash amounts standing to the credit of such Transaction Accounts, and will be applied in accordance with the relevant Priority of Payments.

Downgrade and replacement of the First Account Bank

Pursuant to the terms of the First Account Bank Agreement, where the First Account Bank fails to satisfy the required Account Bank Minimum Required Rating, the Issuer will be required to move any amounts recorded to any of the Affected Ledgers to the Second Transaction Account held with the Second Account Bank or, if the Second Account Bank fails to satisfy the Account Bank Minimum Required Rating, a replacement transaction account opened with a financial institution that complies with the required Account Bank Minimum Required Rating, and record the relevant amounts on ledgers corresponding to the Affected Ledgers maintained with such replacement financial institution.

Alternatively, the First Account Bank may obtain a guarantee in support of its obligations under the Account Bank Agreement or take such other actions as may be reasonably requested by the parties to the First Account Bank Agreement (other than the Security Trustee) to ensure that the rating of the Class A Notes immediately prior to the breach is not adversely affected by the breach.

Where the First Account Bank fails to satisfy the required Account Bank Minimum Required Rating, the Issuer (or the Cash Manager on its behalf) may continue to operate the Transaction Accounts held with the First Account Bank for any purpose other than to maintain the Affected Ledgers.

In the event that the First Account Bank, having been rated below the Account Bank Minimum Required Rating, later regains the Account Bank Minimum Required Rating, the Cash Manager may (on behalf of the Issuer) transfer all or part of the amounts recorded to any of the Affected Ledgers to the First Account Bank.

Downgrade of the Second Account Bank

Pursuant to the terms of the Second Account Bank Agreement, if the Second Account Bank fails to satisfy the required Account Bank Minimum Rating the Bank Accounts held with the Second Account Bank will be required to be transferred from the Second Account Bank to a replacement transaction account opened with a financial institution that complies with the required Account Bank Minimum Required Rating.

Alternatively, the Second Account Bank may obtain a guarantee in support of its obligations under the Account Bank Agreement or take such other actions as may be reasonably requested by the parties to the Second Account Bank Agreement (other than the Security Trustee) to ensure that the rating of the Class A Notes immediately prior to the breach is not adversely affected by the breach.

Account Bank Minimum Required Rating

The "**Account Bank Minimum Required Rating**" will be the rating requirements of the Relevant Rating Agencies specified in the table below, as updated from time to time:

Fitch.	A short-term issuer default rating of at least F1 by Fitch or a long-term issuer default rating (or deposit rating, if assigned) of at least A by Fitch;
Moody's.	A long-term bank deposits rating of at least A3 by Moody's or a short-term deposit rating of at least P-1 by Moody's;
S&P.	A short-term unsecured, unguaranteed and unsubordinated debt rating of at least A-1 by S&P (if a short-term unsecured, unguaranteed and unsubordinated debt rating is assigned by S&P) and a long term unsecured, unguaranteed and unsubordinated debt rating of at least A by S&P, or should the relevant Account Bank not benefit from a short-term unsecured, unguaranteed and unsubordinated debt rating of at least A-1 from S&P, a long-term unsecured, unguaranteed and unsubordinated debt rating of at least A+ by S&P; and
DBRS.	The higher of (A) if a COR is currently maintained in respect of the relevant Account Bank, a rating one notch below such Account Bank's COR, and (B) a long-term senior unsecured debt rating or deposit rating of "A" from DBRS or (C) if none of (A) or (B) above is currently maintained in respect of the relevant Account Bank, a DBRS Equivalent Rating at least equal to "A",

or such other ratings that are consistent with the then published criteria of the relevant Rating Agency as being the minimum ratings that are required to support the then rating of the Class A Notes (for so long as the Class A Notes are rated by the relevant Rating Agency).

Governing law

The Account Bank Agreements and all non-contractual obligations arising out of or in connection with them are governed by and construed in accordance with English law.

The Swap Collateral Account Bank Agreement

Pursuant to the terms of the Swap Collateral Account Bank Agreement entered into on the Programme Date between, among others, the Issuer, the Security Trustee and the Swap Collateral Account Bank, the Issuer will open one or more Swap Collateral Accounts with the Swap Collateral Account Bank.

Where a Swap Collateral Account has been opened with the Swap Collateral Account Bank pursuant to the Swap Collateral Account Bank Agreement, such Swap Collateral Account shall be used for posting of Swap Collateral in the form of cash by a Swap Counterparty to the Issuer in accordance with the terms of the relevant Swap Agreement and administered in accordance with the Cash Management Agreement. The Swap Collateral Account Bank will be required to maintain the required Swap Collateral Account Bank Minimum Required Ratings.

Swap Collateral Account Bank Minimum Required Ratings

The "**Swap Collateral Account Bank Minimum Required Rating**" will be the rating requirements of the Relevant Rating Agencies specified in the table below, as updated from time to time:

- | | |
|-----------------|---|
| Fitch. | A short-term issuer default rating of at least F1 by Fitch or a long-term issuer default rating (or deposit rating, if assigned) of at least A by Fitch; |
| Moody's. | A long-term bank deposits rating of at least A3 by Moody's or a short-term deposit rating of at least P-1 by Moody's; |
| S&P. | A short-term unsecured, unguaranteed and unsubordinated debt rating of at least A-1 by S&P (if a short-term unsecured, unguaranteed and unsubordinated debt rating is assigned by S&P) and a long-term unsecured, unguaranteed and unsubordinated debt rating of at least A by S&P, or should the Swap Collateral Account Bank not benefit from a short-term unsecured, unguaranteed and unsubordinated debt rating of at least A-1 from S&P, a long-term unsecured, unguaranteed and unsubordinated debt rating of at least A+ by S&P; and |
| DBRS. | The higher of (A) if a COR is currently maintained in respect of the relevant Swap Collateral Account Bank, a rating one notch below the Swap Collateral Account Bank's COR, and (B) a long-term senior unsecured debt rating or deposit rating of "A" from DBRS or (C) if none of (A) or (B) above is currently maintained in respect of the Swap Collateral Account Bank, a DBRS Equivalent Rating at least equal to "A", |

or such other ratings that are consistent with the then published criteria of the relevant Rating Agency as being the minimum ratings that are required to support the then rating of the Class A Notes (for so long as the Class A Notes are rated by the relevant Rating Agency).

Governing law

The Swap Collateral Account Bank Agreement and all non-contractual obligations arising out of or in connection with it is governed by and construed in accordance with English law.

The Collection Accounts Declaration of Trust

The collections due from Borrowers under the Mortgage Loans are paid into several Collection Accounts in the name of GovCo UK. The Collection Accounts are subject to existing trust arrangements (the "**Existing Trusts**") in respect of which GovCo UK and BOIUK are trustees and beneficiaries.

Each of GovCo UK and BOIUK will declare a trust (the "**Collection Accounts Declaration of Trust**") over its interest in the Existing Trusts in favour of the Issuer, itself and all other persons beneficially entitled to mortgage loans or other assets in respect of which the collections are paid into the relevant Collection Accounts as beneficiaries in the manner and in the proportions specified in the Collection Accounts Declaration of Trust.

The Issuer's share of the Collection Accounts at any relevant time shall equal all amounts credited to the relevant Collection Accounts at such time in respect of the Mortgage Loans and their Related Security comprised in the Mortgage Portfolio at such time.

Governing Law

The Collection Accounts Declaration of Trust and any non-contractual obligations arising out of or in connection with it is governed by and construed in accordance with English law.

Custody Agreement and the Custody Accounts

Pursuant to the terms of the Second Account Bank Agreement, should the Issuer (or the Cash Manager on its behalf) elect to invest in any Authorised Investments, the Issuer will enter into a Custody Agreement and open one or more Custody Accounts with the Custodian.

The Issuer will deposit in the Custody Account any Authorised Investments held as securities.

Pursuant to the terms of the Custody Agreement, the Custodian will be required to hold the required Custodian Minimum Required Rating.

Custodian Minimum Required Ratings

The "**Custodian Minimum Required Rating**" will be the rating requirements of the Relevant Rating Agencies specified in the table below, as updated from time to time:

Fitch.	A short-term issuer default rating of at least F1 by Fitch or a long-term issuer default rating (or deposit rating, if assigned) of at least A by Fitch;
Moody's.	A long-term bank deposits rating of at least A3 by Moody's or a short-term deposit rating of at least P-1 by Moody's;
S&P.	A short-term unsecured, unguaranteed and unsubordinated debt rating of at least A-1 by S&P (if a short-term unsecured, unguaranteed and unsubordinated debt rating is assigned by S&P) and a long-term unsecured, unguaranteed and unsubordinated debt rating of at least A by S&P, or should the Custodian not benefit from a short-term unsecured, unguaranteed and unsubordinated debt rating of at least A-1 from S&P, a long-term unsecured, unguaranteed and unsubordinated debt rating of at least A+ by S&P; and
DBRS.	The higher of (A) if a COR is currently maintained in respect of the relevant Swap Collateral Account Bank, a rating one notch below the Custodian's COR, and (B) a long-term senior unsecured debt rating or deposit rating of "A" from DBRS or (C) if none of (A) or (B) above is currently maintained in respect of the Custodian, a DBRS Equivalent Rating at least equal to "A",

or such other ratings that are consistent with the then published criteria of the relevant Rating Agency as being the minimum ratings that are required to support the then rating of the Class A Notes (for so long as the Class A Notes are rated by the relevant Rating Agency).

Governing law

The Custody Agreement and all non-contractual obligations arising out of or in connection with it will be governed by and construed in accordance with English law.

Swap Collateral Custody Agreement and the Swap Collateral Custody Accounts

Pursuant to the terms of the Swap Collateral Custody Agreement entered into on the Programme Date between, among others, the Issuer, the Security Trustee and the Custodian, the Issuer will open one or more Swap Collateral Custody Accounts with the Custodian.

The Swap Collateral Custody Account shall be used to deposit any Swap Collateral posted by the Swap Counterparty to the Issuer in the form of securities in accordance with the terms of the Custody Agreement.

Pursuant to the terms of the Swap Collateral Custody Agreement, the Custodian will be required to hold the required Custodian Minimum Required Rating.

Governing law

The Swap Collateral Custody Agreement and all non-contractual obligations arising out of or in connection with it is governed by and construed in accordance with English law.

THE SWAP AGREEMENTS

The following section describes, in summary, the material terms of the Interest Rate Swap Agreements and the Currency Swap Agreements and each Swap. The description does not purport to be complete and is subject to the provisions of each of the Swap Agreements.

The Interest Rate Swap Agreements

The Issuer will enter, on the First Issuance Date, and will be required to enter, on each subsequent Issuance Date on which any further Series of Class A Notes which are Floating Rate Notes are issued, into one or more Interest Rate Swap Agreements and Interest Rate Swaps thereunder with respect to, in respect of each Swap Calculation Period under such Interest Rate Swaps, the product of (a) the Current Balance of the Fixed Rate Mortgage Loans (as determined in accordance with the terms of the relevant Interest Rate Swap) as at the relevant Monthly Swap Calculation Date or Quarterly Swap Calculation Date (as may be applicable) sold to the Issuer under the Mortgage Sale Agreement and the applicable Performance Ratio multiplied by (b) the applicable Swap Funding Note Percentage. Fixed Rate Mortgage Loans will pay a fixed rate of interest for a period of time. The purpose of each Interest Rate Swap is to mitigate the Issuer's interest rate risk with respect to the Fixed Rate Mortgage Loans and to provide for the Issuer on each Swap Payment Date to receive from the relevant Interest Rate Swap Counterparty floating rate amounts ("**Interest Rate Swap Counterparty Swap Amounts**") which will enable it to meet interest payments due on certain Notes bearing a floating rate of interest. In return for such amounts, the Issuer will pay to the relevant Interest Rate Swap Counterparty amounts ("**Issuer Interest Rate Swap Amounts**") based on a Fixed Rate (as defined in the relevant Interest Rate Swap Agreement) determined on the rates of interest on the relevant portfolio of Fixed Rate Mortgage Loans in the Mortgage Portfolio (provided that where some or all of the initial Calculation Period pre-dates the issuance of the relevant Notes, the fixed rate for the initial Swap Calculation Period under a relevant Interest Rate Swap may be as agreed between the parties). Each Interest Rate Swap will properly mitigate the interest rate risk present in the transaction in the context of the Notes bearing a floating rate of interest.

After the Interest Rate Swap Counterparty Amount and Issuer Interest Rate Swap Amount are calculated in relation to a Swap Payment Date, and subject as provided below in relation to circumstances where the Interest Rate Swap Counterparty Swap Amount is negative for any Swap Calculation Period, the following payments will be made on that Swap Payment Date:

- (a) if the Interest Rate Swap Counterparty Swap Amount for that Swap Payment Date is greater than the Issuer Interest Rate Swap Amount for that Swap Payment Date, then the Interest Rate Swap Counterparty will pay an amount equal to the excess to the Issuer;
- (b) if the Issuer Interest Rate Swap Amount for that Swap Payment Date is greater than the Interest Rate Swap Counterparty Swap Amount for that Swap Payment Date, then the Issuer will pay an amount equal to the excess to the Interest Rate Swap Counterparty; and
- (c) if the two amounts are equal, neither party will make a payment to the other.

In circumstances where the Interest Rate Swap Counterparty Swap Amount is negative for any Swap Calculation Period, the Issuer will be required to pay the Interest Rate Swap Counterparty the Issuer Interest Rate Swap Additional Amount. In this situation and in respect of the relevant Swap Calculation Period, the Issuer will be required to pay to the Interest Rate Swap Counterparty the scheduled Issuer Interest Rate Swap Amount (subject to the terms of the Interest Rate Swap Agreement) plus the Issuer Interest Rate Swap Additional Amount. The Interest Rate Swap Counterparty would not be required to make any payment to the Issuer in respect of the Interest Rate Swap Counterparty Swap Amount.

The Swap Agreements

The Issuer may be required to pay an upfront premium under the terms of an Interest Rate Swap Agreement.

The notional amount under each Interest Rate Swap will be calculated on a quarterly basis prior to the Swap Payment Switch Date and on a monthly basis from and including the Swap Payment Switch Date, provided that where the relevant Issue of Notes is subject to monthly Note Payment Dates only, the notional amount in respect of each Swap Calculation Period of the corresponding Interest Rate Swap will be calculated on a monthly basis. Where some or all of the initial Calculation Period pre-dates the issuance of the relevant Notes, the notional amount for the initial Swap Calculation Period under a relevant Interest Rate Swap may be as agreed between the parties.

If a payment is to be made by any Interest Rate Swap Counterparty pursuant to the terms of any Interest Rate Swap, that payment will be included by the Issuer (or the Cash Manager on its behalf) in the Funding Note Revenue Portion on its receipt from such Interest Rate Swap Counterparty and will be applied on the relevant Payment Date according to the relevant Priority of Payments. If a payment is to be made by the Issuer pursuant to the terms of any Interest Rate Swap, it will be made according to the relevant Priority of Payments.

In the event that any Interest Rate Swap terminates prior to the delivery by the Note Trustee of an Enforcement Notice to the Issuer or the latest occurring Final Maturity Date of the relevant Note, the Issuer will be required to use its reasonable efforts to enter into a replacement Interest Rate Swap specified in the relevant Interest Rate Swap Agreement.

Pursuant to the terms of each Interest Rate Swap Agreement, in the event that the rating of the respective Interest Rate Swap Counterparty (or any guarantor of any Interest Rate Swap Counterparty) is downgraded by a Relevant Rating Agency below the rating(s) specified in the relevant Interest Rate Swap Agreement (in accordance with the requirements of the Relevant Rating Agencies) and, where applicable, the then-current ratings of the Notes by the Relevant Rating Agencies would or may, as applicable, be adversely affected as a result of the downgrade, that Interest Rate Swap Counterparty will, as a result of the downgrade, be required to take certain remedial measures (see Section - *Ratings Triggers Tables* above for further detail). Such measures may include providing collateral for its obligations under the relevant Interest Rate Swap, arranging for its rights and obligations under the relevant Interest Rate Swap Agreement to be transferred to an entity with the ratings required by the Relevant Rating Agencies, procuring another entity with the ratings required by the Relevant Rating Agencies to become a co-obligor in respect of, or guarantor of, its obligations under the relevant Interest Rate Swap Agreement or taking such other action as may be agreed with the Relevant Rating Agencies. A failure to take such steps will allow the Issuer to terminate such Interest Rate Swap, **provided that** in connection with certain termination events where the Issuer is entitled to designate an Early Termination Date (as defined in the relevant Interest Rate Swap Agreement) and there is a payment due to that Interest Rate Swap Counterparty, the Issuer may only designate such an Early Termination Date if it has found a replacement Interest Rate Swap Counterparty.

The Currency Swaps

To protect the Issuer against certain interest rate and/or currency risks in respect of amounts received by the Issuer in respect of the Mortgage Portfolio and amounts payable by the Issuer under each Series and Class of Notes, the Issuer will, on the Issuance Date for a Series and Class of Notes (and where it is required to hedge such risks) enter into a Currency Swap Agreement with the relevant Currency Swap Counterparty. The Currency Swap will cover a major share of the currency risk present in the transaction in the context of any Series of Notes with a specified currency other than Sterling and therefore the risk is properly mitigated.

Pursuant to the terms of a Currency Swap entered into in respect of a Series and Class of Notes:

The Swap Agreements

- (a) the Issuer will be scheduled to pay to the relevant Currency Swap Counterparty:
- (i) where such Notes have been issued in a specified currency other than Sterling:
- on the applicable Issuance Date, an amount in the specified currency equal to the proceeds of the issue of such Notes; and
 - on each Note Payment Date in respect of such Notes, an amount in Sterling equivalent to the principal payment (in the specified currency) to be made on such Series and Class of Notes on that Note Payment Date, such amount to be calculated by reference to the relevant Specified Currency Exchange Rate; and/or
- (ii) on each Payment Date, an amount in Sterling calculated by applying the applicable interest rate as specified in the Currency Swap Agreement to the Principal Amount Outstanding of such Notes (or, as applicable, its Sterling Equivalent); and
- (b) the relevant Currency Swap Counterparty will be scheduled to pay to the Issuer:
- (i) where such Notes have been issued in a Specified Currency other than Sterling:
- on the applicable Issuance Date, an amount in Sterling Equivalent to the proceeds of the issue of such Notes, converted from the Specified Currency into Sterling at the specified currency swap rate;
 - on each Note Payment Date in respect of such Notes, an amount in the Specified Currency equal to the principal payments to be made on the relevant Series and Class of Notes on that Note Payment Date; and/or
- (ii) on each Note Payment Date in respect of such Notes, an amount in the Specified Currency equal to the interest to be paid in the Specified Currency on such Notes on that Note Payment Date.

Pursuant to the terms of the Currency Swap Agreements, the Currency Swap Counterparties have been directed by the Cash Manager to make all payments of interest and principal due and payable in respect of the Notes on each Note Payment Date directly to the Principal Paying Agent until instructed otherwise.

In order to allow for the effective currency amount of each Currency Swap to amortise at the same rate as the relevant Series and Class of Notes, each Currency Swap Agreement will provide that, as and when the Notes amortise, a corresponding portion of the currency amount of the relevant Currency Swap will amortise. Pursuant to each Currency Swap Agreement, any portion of Currency Swap so amortised will be swapped from Sterling into US Dollars at the relevant US Dollar currency exchange rate, into Euro at the Euro currency exchange rate or into such other relevant Specified Currency at the relevant Specified Currency Exchange Rate, as applicable.

In the event that a Currency Swap is terminated prior to the delivery by the Note Trustee of an Enforcement Notice to the Issuer or the Final Maturity Date in respect of the applicable Series and Class of Notes (and where such Notes have not been repaid in full), the Issuer will be required to use its reasonable efforts to enter into a replacement Currency Swap in respect of such Notes. Any replacement Currency Swap must be entered into on terms specified in the relevant Currency Swap Agreement.

Pursuant to the terms of each Currency Swap Agreement, in the event that the relevant rating of the relevant Currency Swap Counterparty (or any guarantor of that Currency Swap Counterparty) is

downgraded by a Relevant Rating Agency below the rating(s) specified in the relevant Currency Swap Agreement (in accordance with the requirements of the Rating Agencies) and, where applicable, the then-current ratings of the Notes would or may, as applicable, be adversely affected as a result of the downgrade, such Currency Swap Counterparty will be required to take certain remedial measures. Such measures may include providing collateral for its rights and obligations under the relevant Currency Swap Agreement, arranging for its obligations under the relevant Currency Swap Agreement to be transferred to an entity with the ratings required by the Relevant Rating Agencies, procuring another entity with the ratings required by the Relevant Rating Agencies to become a co-obligor in respect of, or guarantor of, its obligations under the relevant Currency Swap Agreement or taking such other action as may be agreed with the Relevant Rating Agencies. A failure to take such steps will allow the Issuer to terminate the relevant Currency Swap, **provided that** in connection with certain termination events where the Issuer is entitled to designate an Early Termination Date (as defined in the relevant Currency Swap Agreement) and there is a payment due to the relevant Currency Swap Counterparty, the Issuer may only designate such an early termination date if it has found a replacement Currency Swap Counterparty. (see Section - *Ratings Triggers Tables* above for further detail).

Termination of the Swaps

A Swap may also be terminated on the occurrence of certain other Swap Early Termination Events which may include, but will not be limited to, the following:

- at the option of one party to the Swap, if there is a failure by the other party to pay any amounts due and payable pursuant to the terms of the Swap Agreement. Certain amounts may be due but not payable pursuant to the terms of the Swap Agreement as described below under the section entitled "Limited recourse and swap payment obligation";
- delivery of an Enforcement Notice;
- if withholding taxes are imposed on payments under the relevant agreement due to a change in law (as described below under "**Taxation**"); and
- upon the occurrence of certain insolvency events in relation to any of the parties to a Swap Agreement (or, in the case of the Swap Counterparty, its credit support provider, if applicable) or the merger of a party (or its credit support provider, if applicable) without an assumption of the obligations under the Swaps or the relevant credit support document (as the case may be), or changes in law resulting in the obligations of one of the parties to a Swap Agreement (or, in the case of the Swap Counterparty, its credit support provider, if applicable) becoming illegal.

Upon the occurrence of a Swap Early Termination Event pursuant to the terms of any Swap Agreement, the Issuer or the relevant Swap Counterparty may be liable to make a Swap Termination Payment to the other. This Swap Termination Payment in respect of an Interest Rate Swap Agreement will be calculated and made in Sterling, with the Swap Termination Payment in respect of a Currency Swap Agreement being calculated and made in the relevant Non-Sterling currency to which such Currency Swap Agreement relates. The amount of any Swap Termination Payment is expected to be based on the market value of the terminated swap based on market quotations of the cost of entering into a swap with the same terms and conditions that would have the effect of preserving the respective full payment obligations of the parties (or based upon loss in the event that no market quotation can be obtained). Any such Swap Termination Payment could be substantial.

Following termination of any Swap as a result of a Swap Counterparty default with respect to the relevant Swap Counterparty, where a Swap Termination Payment becomes due from the Issuer to the relevant Swap Counterparty, such payment will be made by the Issuer only after paying interest amounts due on the Notes and replenishing the Principal Deficiency Ledger.

The Swap Agreements

However, following termination of any Swap as a result of a default by the Issuer with respect to the relevant Swap Counterparty:

- (a) any Swap Termination Payment due by the Issuer under the relevant Interest Rate Swap Agreement will rank in priority to payments due on the Notes. Any additional amounts required to be paid by the Issuer following the termination of the relevant Interest Rate Swap (including any extra costs incurred (for example, from entering into other hedging transactions) if the Issuer cannot immediately enter into a replacement swap), will also rank in priority to payments due on the Notes; and
- (b) any Swap Termination Payment due by the Issuer under a Currency Swap will rank equally with payments due on the Class A Notes. Any additional amounts required to be paid by the Issuer following termination of the relevant Currency Swap (including any extra costs incurred (for example, from entering into other hedging transactions) if the Issuer cannot immediately enter into a replacement swap), will also rank equally with payments due on the Class A Notes.

The payment by the Issuer of Swap Termination Payments due to the relevant Swap Counterparty may affect the funds available to pay amounts due to Noteholders (see the section entitled "Risk Factors – Swap Termination Payments may adversely affect the funds available to make payments on the Notes").

The Issuer (or the Servicer on the Issuer's behalf) will be required to use commercially reasonable endeavours to find a replacement Swap Counterparty. If the Issuer receives a Swap Termination Payment from a Swap Counterparty, then the Issuer may be required to use those funds towards meeting its costs in effecting applicable hedging transactions until a replacement Swap is entered into and/or to acquire a replacement Swap. Noteholders will not receive extra amounts (over and above interest and principal payable on the Notes) as a result of the Issuer receiving a Swap Termination Payment.

Taxation

The Issuer will not be obliged under any of the Swaps to gross up payments made by the Issuer if withholding taxes are imposed on payments to be made pursuant to the Swap Agreements. Each Interest Rate Swap Counterparty will be obliged under the relevant Interest Rate Swap Agreement to gross up payments made by such Interest Rate Swap Counterparty if withholding taxes are imposed on payments to be made pursuant to the relevant Interest Rate Swap Agreement. If withholding taxes are imposed on payments made under the relevant Interest Rate Swap Agreement, the affected Interest Rate Swap Counterparty may have the right to terminate its applicable Interest Rate Swap.

The relevant Currency Swap Counterparty will always be obliged to gross up payments made by it to the Issuer if withholding taxes are imposed on payments made under the applicable Currency Swap. If withholding taxes are imposed on payments made under the Currency Swap Agreement, the affected Currency Swap Counterparty may have the right to terminate its applicable Currency Swap.

Limited recourse and swap payment obligation

On any scheduled payment date in respect of a Currency Swap, the Issuer will only be obliged to pay an amount to the relevant Swap Counterparty in respect of a Swap Agreement to the extent that it has sufficient funds available subject to and in accordance with the relevant Priority of Payments, and the relevant Swap Counterparty will only be obliged to pay to the Issuer an amount that is proportionate to the amount of the related payment(s) that it has received from the Issuer on or prior to that scheduled payment date.

SECURITY FOR THE ISSUER'S OBLIGATIONS

Deed of Charge

To provide security for its obligations under the Notes and the other Programme Documents, the Issuer entered into the Deed of Charge with, inter alios, the Security Trustee. A summary of the material terms of the Deed of Charge is set out below. The summary does not purport to be complete and is subject to the provisions of the Deed of Charge.

Security

The Issuer has granted the following security to be held by the Security Trustee for itself and on trust for the benefit of the Secured Creditors (which definition includes the Noteholders):

- a first fixed charge over all of the Issuer's right, title, interest and benefit, present and future, in, to and under the Mortgage Portfolio in respect of the Mortgage Loans and their Related Security and all other related rights under the same;
- an assignment by way of first fixed security of the Issuer's right, title, interest, benefit and interest, present and future, in, to and under each of the Transaction Documents to which it is a party (but excluding all of the Issuer's right, title, interest and benefit in the Deed of Charge (and, in respect of the Swap Agreements, after giving effect to all applicable netting and set-off provisions therein));
- a first fixed charge over the Issuer's right, title, interest and benefit in each Transaction Account, each Custody Account, each Swap Collateral Account and each other account (if any) of the Issuer and all amounts or securities standing to the credit of those accounts (including all interest or other income or distributions earned on such amounts or securities) and the debts represented by them, together with all rights and claims relating or attached thereto including, without limitation, the right to interest and the proceeds of any of the foregoing;
- a first fixed charge over the Issuer's right, title, benefit and interest, present and future in, to and under all Authorised Investments made by or on behalf of the Issuer (including all interest and other income or distributions paid or payable on such investments), any Swap Collateral in the form of securities from time to time being owned by the Issuer and all rights in respect of or ancillary to such Authorised Investments and such Swap Collateral, including the right to income, distributions and the proceeds of any of the foregoing;
- an assignment by way of first fixed security of the Issuer's right, title, interest and benefit in any Insurance Policies; and
- a first floating charge over all the assets and undertaking of the Issuer which are not otherwise effectively subject to a fixed charge or assignment by way of security as described in the preceding paragraphs.

Security which is expressed to be fixed in nature may take effect as floating security depending on the degree of control which the secured party is given over the relevant assets and the degree to which such secured party exercises such control. See the section entitled further "Risk Factors – Fixed charges may take effect under English law as floating charges".

Secured Creditors

Each Secured Creditor has agreed that, on each occasion that the Issuer issues a Series and Class of Notes, it will execute any deed of accession and any other additional agreement that may be required in

Security for the Issuer's Obligations

relation to such issuance and take such other action as may be necessary or required by the Rating Agencies or otherwise to take into account the terms of that Series and Class of Notes.

As a condition precedent to any Series of Notes issued under the Programme, any new Secured Creditor will be required to accede to the terms of the Deed of Charge by executing an accession undertaking.

Upon:

- (a) the issuance of any Series and Class of Notes, any new Currency Swap Counterparties, where relevant; or
- (b) the Issuer entering into a new or replacement Interest Rate Swaps and Interest Rate Swap Agreements with a new or replacement Interest Rate Swap Counterparty, the new or replacement Interest Rate Swap Counterparty,

may be required to enter into deeds of accession or supplemental deeds in relation to the Deed of Charge.

Each Secured Creditor (other than the Security Trustee) agrees that if any amount is received by it (including by way of set-off) in respect of any secured obligation owed to it other than in accordance with the provisions of the Deed of Charge, then an amount equal to the difference between the amount so received by it and the amount that it would have received had it been paid in accordance with the provisions of the Deed of Charge, will be received and held by it as trustee (except in the case of the Agents, the Account Banks and the Custodian which will hold such funds as banker and to the order of the Security Trustee) for the Security Trustee and will be paid over to the Security Trustee (or as the Security Trustee may direct) immediately upon receipt so that such amount can be applied in accordance with the provisions of the Deed of Charge.

Enforcement

The Security will become enforceable following the delivery by the Note Trustee of an Enforcement Notice to the Issuer. No provision of the Deed of Charge requires automatic liquidation upon default.

For the avoidance of doubt, the Seller may exercise the Seller's Note Permitted Repurchase Procedure at any time both prior to and following delivery by the Note Trustee of an Enforcement Notice to the Issuer.

Conflicts

The Deed of Charge contains provisions which require the Security Trustee, while any Notes issued by the Issuer are outstanding, to act only at the direction of the Note Trustee. Pursuant to the provisions of the Trust Deed, if in the sole opinion of the Note Trustee, there may be a conflict among Noteholders, the Note Trustee is required to have regard to the interests of the Class of Noteholders with the highest-ranking Notes only. If there is a conflict between the interests of the Class A Noteholders of one Series, Class or Sub-Class of Class A Notes and the Class A Noteholders of another Series, Class or Sub-Class of Class A Notes, or, in the case of the VFN Holder, a conflict between the VFN Holder of the different Sub-Classes of Class Z VFNs then a resolution directing the Note Trustee to take any action will be deemed to have been duly passed only if passed at separate meetings of the holders of each Series of Class A Notes or, as applicable, each Sub-Class of the VFNs subject to the conflict.

If there is a conflict of interest between the interests of the Noteholders of one Sub-Class of Notes of a Series and the Noteholders of another Sub-Class of Notes of the same Class and Series, then a resolution directing the Note Trustee to take any action will be deemed to have been duly passed only if passed at separate meetings of the holders of such Sub-Classes of Notes.

Security for the Issuer's Obligations

In all cases, the Security Trustee will only be obliged to act if it is indemnified and/or secured and/or prefunded to its satisfaction.

For more information on how conflicts between Noteholders are resolved, see Condition 11 (*Meetings of Noteholders, modifications and waiver*).

No enforcement by Secured Creditors

Pursuant to the terms of the Deed of Charge, each of the Secured Creditors (other than the Security Trustee and the Note Trustee acting on behalf of the Noteholders) has agreed that: (i) only the Security Trustee may enforce the security created by the Deed of Charge; and (ii) it will not take steps directly against the Issuer to recover amounts owing to it by the Issuer unless the Security Trustee has become bound to enforce the Security but has failed to do so within 30 days of becoming so bound.

Fees, expenses and indemnity

The Issuer is required to:

- pay to the Security Trustee a fee of such amount and on such dates as will be agreed from time to time by the Security Trustee and the Issuer;
- reimburse the Security Trustee for all costs and expenses properly incurred by it in acting as Security Trustee; and
- indemnify the Security Trustee and its directors, officers, agents and employees in respect of all Liabilities to which it (or any person appointed by it under or pursuant to the Deed of Charge) may be or become liable or which may be properly incurred by it (or any such person as aforesaid) in the execution or purported execution of any of its trusts, powers, authorities and discretions under or pursuant to the Deed of Charge or its functions under any such appointment or in respect of any other matter or thing done or omitted in any way relating to the Deed of Charge and any of the other Transaction Documents to which the Security Trustee is a party save where the same arises as a result of the fraud, gross negligence or wilful default of the Security Trustee.

Retirement and removal

Subject to the appointment of a successor Security Trustee, the Security Trustee may retire after giving three months' notice in writing to the Issuer, without giving any reason and without being responsible for any costs occasioned by such retirement. The Security Trustee may also be removed by a Programme Resolution of the Class A Noteholders and the VFN Holders. The retirement or removal of the Security Trustee shall not become effective unless there remains a trustee (being a sole trustee or the only trust corporation) in office after such retirement or removal. The Issuer will agree in the Deed of Charge that, in the event of the sole trustee or the only trustee under the Deed of Charge giving notice of its retirement, it shall use its best endeavours to procure a new trustee to be appointed as soon as practicable thereafter and if, after 60 calendar days from the date the Security Trustee gives its notice of retirement or the date of the Programme Resolution passed by the Class A Noteholders and the VFN Holders, the Issuer is not able to find such replacement, the outgoing Security Trustee will be entitled to appoint a successor (**provided that** such successor is acceptable to the Rating Agencies and agrees to be bound by the terms of the Deed of Charge).

If the Note Trustee retires or is removed, then the Security Trustee will be required to retire in accordance with the Deed of Charge. In such case, the successor Security Trustee is required to be the same person as the Note Trustee. In addition, the Security Trustee may, subject to the conditions specified in the Deed of Charge, appoint a co-trustee to act jointly with it.

Additional provisions of the Deed of Charge

The Deed of Charge contains a range of provisions regulating the scope of the Security Trustee's duties and liabilities. These include the following:

- the Security Trustee is not responsible for the execution, legality, effectiveness, adequacy, genuineness, validity, enforceability or admissibility in evidence of any Transaction Document or any other document entered into in connection therewith or any security thereby constituted or purported to be constituted thereby nor will it be responsible or liable to any person because of any invalidity of any provision of such documents or the unenforceability thereof, whether arising from statute, law or decision of any court;
- the Security Trustee will not be bound to ascertain whether any Event of Default or Potential Event of Default has happened and, until it will have express notice to the contrary, the Security Trustee will be entitled to assume that no such Event of Default or Potential Event of Default has happened and that the Issuer is observing and performing all the obligations on its part under the Notes and the Deed of Charge and no event has happened as a consequence of which any Notes may become repayable. "**Potential Event of Default**" means any condition, event or act which with the lapse of time and/or the giving of any notice and/or determination of materiality and/or fulfilment of any similar condition would constitute an Event of Default;
- the Security Trustee will be under no obligation to monitor or supervise and will not have any duty to make any investigation in respect of or in any way be liable whatsoever for the performance or observance by the Issuer or any other person of the provisions of the Deed of Charge or any other Transaction Document and will be entitled to assume that each person is properly performing and complying with its obligations hereunder;
- the Security Trustee as between itself and the Secured Creditors or any of them will have full power to determine all questions and doubts arising in relation to any of the provisions of the Deed of Charge and/or any other Transaction Document and every such determination, whether made upon a question actually raised or implied in the acts or proceedings of the Security Trustee, will be conclusive and will bind the Security Trustee and the Secured Creditors;
- each Noteholder and each other Secured Creditor must make its own independent appraisal, without reliance on the Security Trustee, as to the financial condition and affairs of the Issuer;
- the Security Trustee will not have any duty to make any investigation in respect of or in any way be liable whatsoever for the failure to call for delivery of documents of title to or require any transfers, legal mortgages, standard securities, charges or other further assurances in relation to any of the assets the subject matter of any of the Deed of Charge or any other document;
- the Security Trustee may accept such title as the Issuer has to the Issuer charged property and will not be required to investigate or make inquiry into the Issuer's title to such property;
- the Security Trustee will not be responsible for any shortfall which may arise because it is liable to tax in respect of the Issuer charged property or the proceeds of such property; and
- the Security Trustee is not required to take steps or action in connection with the Programme Documents (including enforcing the Security) unless: (1) while the Notes are outstanding, it has been directed or instructed to do so by the Note Trustee; or (2) following the redemption of the Notes, it has been directed or instructed to do so by any other Secured Creditor **provided that**, in each case, it has been indemnified and/or secured and/or prefunded to its satisfaction against all costs, liabilities and claims which it may incur or in respect of which it may become liable.

Security for the Issuer's Obligations

Governing law

The Deed of Charge and any non-contractual obligations arising out of or in connection with it are governed by and construed in accordance with English law.

DESCRIPTION OF THE TRUST DEED AND THE NOTES

The principal agreement governing the Notes is the Trust Deed. A summary of the material terms of the Trust Deed and the Global Note Certificates is set out below. The summary does not purport to be complete and it is subject to the provisions of the Trust Deed.

The Trust Deed sets out the forms of the Global Note Certificates and the Individual Note Certificates. It also sets out the conditions for the issue of Individual Note Certificates and/or the cancellation of any Notes. The Agency Agreement contains the detailed provisions as to the appointment of the Paying Agents and other agents and regulates how payments are made on the Notes and how determinations and notifications are made.

The Trust Deed also contains covenants to be made by the Issuer in favour of the Note Trustee and the Noteholders. The main covenants are that the Issuer will pay interest on, and repay the principal of, each of the Notes when due. Some of the covenants also appear in the Conditions.

The Issuer also covenants that it will: (i) do all things necessary to maintain the listing of the Class A Notes issued by it on the Official List and to maintain trading of such Class A Notes on the market; (ii) keep in place a Common Depositary, a Common Safekeeper, Paying Agents, the VFN Registrar and an Agent Bank; and (iii) comply with and perform and observe all its obligations in the Trust Deed. The Trust Deed provides for delivery to the Note Trustee of a certificate, annually and within 14 days of request by the Note Trustee, signed by two directors of the Issuer to the effect that no Event of Default exists or has existed since the date of the previous annual statement and that the Issuer has complied with all its obligations under the Transaction Documents (to which it is a party) throughout the preceding financial year, except to the extent specified in such statement.

The Trust Deed provides that the interests of the Class A Noteholders will take precedence for so long as the Class A Notes of any Series are outstanding and thereafter the interests of the VFN Holder take precedence. Certain basic terms of each Class of Notes will not be able to be amended without the consent of the majority of the holders of that Class of Note and the consent of the majority of the holders of the other classes of affected Notes outstanding (see Condition 11 (*Meetings of Noteholders, modifications and waiver*)).

The Trust Deed also sets out the terms under which the Note Trustee is appointed, the indemnification of the Note Trustee, the payments it will be entitled to receive and the extent of the Note Trustee's authority to act beyond its statutory powers under English law. The Note Trustee is also given the ability to appoint a delegate or agent in the execution of any of its duties under the Trust Deed. The Trust Deed also sets out the circumstances in which the Note Trustee may resign or retire.

Finally, the Trust Deed provides that until the Notes have been paid in full, holders of any Series and Class of Notes are entitled to the benefit of and be bound by the terms and conditions of the Trust Deed. The Trust Deed will be discharged with respect to the collateral securing the Notes upon the delivery to the Note Trustee for cancellation of all the Notes or, with certain limitations, upon deposit with the Note Trustee of funds sufficient for the payment in full of all the Notes.

The Notes

Each issuance of Notes by the Issuer will be authorised by a resolution of the board of directors of the Issuer prior to the relevant Issuance Date. Each issue of Notes will be constituted by a deed or deeds supplemental to the Trust Deed between the Issuer and the Note Trustee. The Trust Deed includes provisions which enable it to be modified or supplemented and any reference to the Trust Deed will be a reference also to the Trust Deed as modified or supplemented in accordance with its terms.

Form of the Notes

Class A Notes

The Class A Notes sold in reliance on Regulation S will be represented on issue by one or more Regulation S Global Note Certificates, which will be deposited on behalf of the beneficial owners of those Class A Notes with a Common Depositary or Common Safekeeper, as the case may be, for Euroclear and Clearstream, Luxembourg, and registered in the name of a nominee of a Common Depositary for Euroclear and Clearstream, Luxembourg or in the name of a nominee of a Common Safekeeper for Euroclear and Clearstream, Luxembourg. Beneficial interests in a Regulation S Global Note Certificate may be held only through Euroclear or Clearstream, Luxembourg or their participants at any time. On confirmation from the Common Depositary or, as applicable, the Common Safekeeper that it holds the Regulation S Global Note Certificates, Euroclear or Clearstream, Luxembourg, as applicable, will record book-entry interests in the beneficial owner's account or the participant account through which the beneficial owner holds its interests in the Regulation S Notes. These book-entry interests will represent the beneficial owner's beneficial interest in the relevant Regulation S Global Note Certificates.

The Class A Notes sold in reliance on Rule 144A will be represented on issue by one or more Rule 144A Global Note Certificates. Rule 144A Global Note Certificates representing Rule 144A Notes denominated in a currency other than US Dollars will be deposited with a Common Depositary or Common Safekeeper for Euroclear and Clearstream, Luxembourg. Rule 144A Global Note Certificates representing Rule 144A Notes denominated in US Dollars will be deposited with U.S. Bank Europe DAC, UK Branch, as custodian for, and registered in the name of, Cede & Co., as nominee of DTC. Beneficial interests in a Rule 144A Global Note Certificate may only be held through Euroclear, Clearstream, Luxembourg (in the case of Rule 144A Notes denominated in a currency other than US Dollars) or DTC (in the case of Rule 144A Notes denominated in US Dollars) or their participants at any time. Beneficial interests in a Rule 144A Global Note Certificate may only be held by persons who are QIBs holding their interests for their own account or for the account of one or more QIBs. By acquisition of a beneficial interest in a Rule 144A Global Note Certificate, the purchaser thereof will be deemed to represent, among other things, that it is a QIB and that, if in the future it determines to transfer such beneficial interest, it will transfer such interest in accordance with the procedures and restrictions contained in the Rule 144A Global Note Certificates (see the section entitled "Subscription and Sale and Transfer and Selling Restrictions – Transfer Restrictions"). On confirmation from the Common Depositary or, as applicable, Common Safekeeper that it holds the Rule 144A Global Note Certificates (in the case of Rule 144A Notes denominated in a currency other than US Dollars) or the custodian that it holds the Rule 144A Global Note Certificates (in the case of Rule 144A Notes denominated in US Dollars), Euroclear, Clearstream, Luxembourg or DTC, as the case may be, will record book-entry interests in the beneficial owner's account or the participant account through which the beneficial owner holds its interests in the Class A Notes. These book-entry interests will represent the beneficial owner's beneficial interest in the relevant Rule 144A Global Note Certificates.

Beneficial interests in a Regulation S Note may be exchanged for beneficial interests in a Rule 144A Note only if such exchange occurs in connection with a transfer of the Class A Notes pursuant to Rule 144A and, prior to the first business day that is 40 calendar days after the later of the commencement of the offering and the applicable Issuance Date (the "**Release Date**"), the transferring Noteholder first delivers to the Exchange and Transfer Agent and the Registrar: (i) instructions given in accordance with the procedures of Euroclear, Clearstream, Luxembourg and/or DTC, as applicable, directing the Exchange and Transfer Agent and the Registrar to credit or cause to be credited a beneficial interest in the Rule 144A Note in an amount equal to the beneficial interest in the Regulation S Note to be exchanged or transferred; (ii) a written order given in accordance with the procedures of Euroclear, Clearstream, Luxembourg and/or DTC, as applicable, containing information regarding the account to be credited with such increase and the name of such account; and (iii) a written certificate in the form

Description of the Trust Deed and The Notes

required by the Trust Deed to the effect that the transfer is being made to a person who the transferor reasonably believes is a QIB, purchasing for its own account or the account of a QIB in a transaction meeting the requirements of Rule 144A and in accordance with all applicable securities laws of the states of the US and other jurisdictions.

Beneficial interests in a Rule 144A Note may be transferred to a person who takes delivery in the form of an interest in a Regulation S Note, whether before or after the Release Date, only if the transferring Noteholder first delivers to the Exchange and Transfer Agent and the Registrar: (i) instructions given in accordance with the procedures of Euroclear, Clearstream, Luxembourg and/or DTC, as applicable, from or on behalf of a beneficial owner of the Rule 144A Note, directing the Exchange and Transfer Agent and Registrar to credit or cause to be credited a beneficial interest in the Regulation S Note in an amount equal to the beneficial interest in the Rule 144A Note to be exchanged or transferred; (ii) a written order given in accordance with the procedures of Euroclear, Clearstream, Luxembourg and/or DTC, as applicable, containing information regarding the account to be credited with such increase and the name of such account; and (iii) a written certificate in the form required by the Trust Deed to the effect that such transfer is being made in accordance with Rule 903 or Rule 904 of Regulation S.

Transfers involving an exchange of a beneficial interest in a Regulation S Note for a beneficial interest in a Rule 144A Note denominated in US Dollars or vice versa will be effected in DTC by means of an instruction originated by the Exchange and Transfer Agent and Registrar through the facilities of DTC, Euroclear or Clearstream, Luxembourg (as applicable). Any beneficial interest in one of the Global Note Certificates that is transferred to a person who takes delivery in the form of an interest in the other Global Note Certificates will, upon transfer, cease to be an interest in such Global Note Certificate and will become an interest in the other Global Note Certificate and, accordingly, will thereafter be subject to all transfer restrictions and other procedures applicable to a beneficial interest in such other Global Note Certificate for so long as it remains such an interest. No service charge will be made for any registration of transfer or exchange of Class A Notes, but the Note Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

The amount of Class A Notes represented by each Global Note Certificate will be evidenced by the Register maintained for that purpose by the Registrar. Together, the Notes represented by the Global Note Certificates and any outstanding Individual Note Certificates will equal the aggregate principal amount of the Notes outstanding at any time. Except in the limited circumstances described under the section entitled "Individual Note Certificates" below, owners of beneficial interests in Global Note Certificates will not be entitled to receive physical delivery of certificated Class A Notes. The Class A Notes are not issued in bearer form.

Beneficial owners may hold their interests in the Global Note Certificates only through DTC, Clearstream, Luxembourg or Euroclear, as applicable, or indirectly through organisations that are participants in any of those systems. Ownership of these beneficial interests in a Global Note Certificate will be shown on, and the transfer of that ownership will be effected only through, records maintained by DTC, Clearstream, Luxembourg or Euroclear (with respect to interests of their participants) and the records of their participants (with respect to interests of persons other than their participants). By contrast, ownership of direct interests in a Global Note Certificate will be shown on, and the transfer of that ownership will be effected through, the register maintained by the Registrar. Because of this holding structure of the Notes, beneficial owners of Class A Notes may look only to DTC, Clearstream, Luxembourg or Euroclear, as applicable, or their respective participants for their beneficial entitlement to those Class A Notes. The Issuer expects that DTC, Clearstream, Luxembourg or Euroclear will take any action permitted to be taken by a beneficial owner of Class A Notes only at the direction of one or more participants to whose account the interests in a Global Note Certificate is credited and only in respect of that portion of the aggregate principal amount of Notes as to which that participant or those participants has or have given that direction. See the section entitled "Book-Entry Clearance Procedures" for more information about DTC, Clearstream, Luxembourg and Euroclear.

Description of the Trust Deed and The Notes

Beneficial owners will be entitled to the benefit of, will be bound by and will be deemed to have notice of, all the provisions of the Trust Deed and the Agency Agreement. Beneficial owners can see copies of these agreements at the principal office for the time being of the Note Trustee, which is, as of the date of this document, Fifth Floor, 125 Old Broad Street, London EC2N 1AR, United Kingdom and at the specified office for the time being of each of the Paying Agents.

VFNs

The Class Z VFNs and the Seller's Note will be issued in definitive form and are represented by Regulation S Individual Note Certificates pursuant to the Trust Deed. The Issuer maintains a VFN Register, kept on the Issuer's behalf by the VFN Registrar, in which the Class Z VFNs are registered in the name of the VFN Holder and the Seller's Note is registered in the name of the holder of the Seller's Note.

Individual Note Certificates

Owners of beneficial interests in the Global Note Certificates will only be entitled to receive Individual Note Certificates under the following limited circumstances:

- if, as a result of any amendment to or change in the laws or regulations of the UK (or any political subdivision thereof) or of any authority therein or thereof having power to tax or in the interpretation or administration of such laws or regulations which becomes effective on or after the relevant Issuance Date, the Issuer or any Paying Agent is or will be required to make any deduction or withholding from any payment on the Notes that would not be required if the Notes were represented by Individual Note Certificates;
- if, in relation to Rule 144A Notes denominated in US Dollars, DTC notifies the Issuer that it is unwilling or unable to hold the Rule 144A Global Note Certificates or is unwilling or unable to continue as, or has ceased to be, a clearing agency registered under the Exchange Act and, in each case, the Issuer cannot appoint a successor to DTC within 90 days of such notification; or
- if, in relation to Rule 144A Notes denominated in a currency other than US Dollars and Regulation S Notes, Clearstream, Luxembourg and Euroclear are closed for business for a continuous period of 14 days or more (other than by reason of legal holidays) or announce an intention to cease business permanently or do in fact do so and no alternative clearing system satisfactory to the Note Trustee is available.

In no event will Individual Note Certificates in bearer form be issued. Any Individual Note Certificate will be issued in registered form in minimum denominations as specified for such Class A Notes in the applicable Final Terms. With respect to any note which is lodged in a Clearing System, any Individual Note Certificates will be registered in that name or those names as the Registrar will be instructed by DTC, Clearstream, Luxembourg and Euroclear, as applicable. It is expected that these instructions will be based upon directions received by DTC, Clearstream, Luxembourg and Euroclear from their participants reflecting the ownership of book-entry interests. To the extent permitted by law, the Issuer, the Note Trustee and any Paying Agent will be entitled to treat the person in whose names any Individual Note Certificate is registered as the absolute owner thereof. The Agency Agreement contains provisions relating to the maintenance by a Registrar of a register reflecting ownership of the Notes and other provisions customary for a registered debt security.

Whenever a Global Note Certificate is to be exchanged for Individual Note Certificates relating to a Series of Class A Notes, such Individual Note Certificates will be issued in an aggregate principal amount equal to the principal amount of the relevant Global Note Certificate within five business days of the delivery, by or on behalf of the registered holder of the relevant Global Note Certificate, Euroclear and/or Clearstream, Luxembourg and/or DTC, as applicable, to the Registrar of such information as is

Description of the Trust Deed and The Notes

required to complete and deliver such Individual Note Certificates (including, without limitation to, the names and addresses of the persons in whose names the Individual Note Certificates are to be registered and the principal amount of each such person's holding) against the surrender of the relevant Global Note Certificate at the specified office of the Registrar. Such exchange will be effected in accordance with the provisions of the Agency Agreement and the regulations concerning the transfer and registration of Class A Notes scheduled thereto and, in particular, will be effected without charge to any holder or the Note Trustee, but against such indemnity as the Registrar may require in respect of any tax or other duty of whatsoever nature which may be levied or imposed in connection with such exchange.

Any person receiving Individual Note Certificates will not be obligated to pay or otherwise bear the cost of any tax or governmental charge or any cost or expense relating to insurance, postage, transportation or any similar charge, which will be solely the responsibility of the Issuer. No service charge will be made for any registration of transfer or exchange of any Individual Note Certificates.

Modification and waiver

The Note Trustee, the Security Trustee, acting in accordance with the direction of the Note Trustee, and the Issuer, may from time to time, without the consent or sanction of the Noteholders of any Series or any other Secured Creditor (other than any Secured Creditor who is party to the relevant Transaction Document):

- concur with the Issuer or any other person, or direct the Security Trustee to concur with the Issuer or any other person, in making any modification of the Notes of one or more Series or Sub-Series (including the Conditions applicable thereto) or of any Transaction Document (except for a Basic Terms Modification) **provided that** the Note Trustee is of the opinion that such modification will not be materially prejudicial to the interests of the holders of the Most Senior Class of Notes of any Series, is made to correct a manifest error or is of a formal, minor or technical nature; or
- without prejudice to its rights in respect of any subsequent breach: (a) waive or authorise any breach or proposed breach by the Issuer or any other party of any of the covenants or provisions contained in any Transaction Document if, in the opinion of the Note Trustee, such waiver or authorisation will not be materially prejudicial to the interests of the holders of the Most Senior Class of Notes of any Series, as applicable; or (b) in relation to the Note Trustee only, determine that any Event of Default in respect of any of the Noteholders of any Series will not be treated as such if in the opinion of the Note Trustee, such waiver or authorisation will not be materially prejudicial to the holders of the Most Senior Class of Notes of any Series **provided always that** the Note Trustee will not exercise any powers conferred on it in contravention of any express direction given by an Extraordinary Resolution, or of a request in writing made by the holders of not less than one quarter in aggregate principal amount of the relevant Class of Notes then outstanding, in accordance with the Conditions (but so that no such direction or request will affect any waiver, authorisation or determination previously given or made). Any such waiver, authorisation or determination may be given or made on such terms and subject to such conditions (if any) as the Note Trustee may determine,

but the Security Trustee will not be obliged to agree to any modification or waiver which, in the sole opinion of the Note Trustee and/or the Security Trustee would have the effect of: (A) exposing the Note Trustee and/or the Security Trustee to any liability against which it has not been indemnified and/or secured and/or prefunded to its satisfaction; or (B) increasing the obligations, liabilities or duties, or decreasing the rights or protection, of the Note Trustee and/or the Security Trustee in the Programme Documents and/or the Conditions.

Any such modification will be binding on the Noteholders and the Secured Creditors.

Description of the Trust Deed and The Notes

As a result of the operation of the provisions of the Deed of Charge, when formulating its opinion and/or when exercising the rights, benefits, trusts, authorities, directions and obligations under the Programme Documents to which it is a party, the Security Trustee will, while any of the Notes are outstanding, act only at the request or direction of the Note Trustee.

Governing law

The Trust Deed and any non-contractual obligations arising out of or in connection with it are, and the Notes will be, governed by and construed in accordance with English law.

Money Market Notes

The Issuer may, from time to time, issue Money Market Notes. However, the determination as to whether any applicable Series and Class of Notes will qualify as "eligible securities" under Rule 2a-7 will involve investment determinations and interpretive questions that, as with qualification and compliance with other aspects of Rule 2a-7, will be solely the responsibility of each money market fund and its investment adviser. None of the Issuer, the Seller, the Note Trustee, the Security Trustee, the Cash Manager, each Remarketing Agent, each Tender Agent, each Paying Agent, the Agent Bank, the Registrar, the Exchange and Transfer Agent, each Conditional Note Purchaser or any other party to the Programme Documents will make any representation as to the suitability of such Notes as "Money Market Notes" for investment by money market funds subject to Rule 2a-7.

The Final Maturity Date of any Money Market Notes will always be less than 397 days from the Issuance Date on which such Notes were issued unless the Money Market Notes are issued subject to the following remarketing arrangements.

Remarketing arrangements

If specified in relation to a Series and Class of Money Market Notes as being applicable to such Notes in the applicable Final Terms, such Notes will be issued subject to the mandatory transfer arrangements referred to in Condition 5(h) (*Money Market Note Mandatory Transfer Arrangements*), the Remarketing Agreement and the Conditional Note Purchase Agreement entered into in relation to such Notes, and the Trust Deed (the "**Money Market Note Mandatory Transfer**") under which:

- the applicable Remarketing Agent will agree, pursuant to the terms of the Remarketing Agreement, to seek purchasers of such Money Market Notes on the Payment Dates specified for such purpose in relation to such Notes in the applicable Final Terms, prior to the occurrence of a remarketing termination event (each such date a "**Money Market Note Mandatory Transfer Date**") until the Final Maturity Date or earlier redemption in full of such Notes; and
- the applicable Conditional Note Purchaser will agree, pursuant to the terms of the Conditional Note Purchase Agreement, to purchase some or all of such Money Market Notes on the Money Market Note Mandatory Transfer Date for such Notes to the extent that purchasers for such Notes have not been found, **provided that** certain events have not then occurred.

Noteholders should note, in particular, that the Money Market Note Mandatory Transfer would be likely to be deemed to be a "conditional demand feature" (as such term is defined in Rule 2a-7). One of the conditions of determination by the board of directors of the relevant money market fund of the eligibility of a Money Market Note for investment by such money market fund will be the determination that, where such note is issued with a Final Maturity Date that is more than 397 days from the Issuance Date on which such Notes were issued, there is minimal risk that the circumstances would occur that would result in such Money Market Note not being able to be transferred on a Money Market Note Mandatory Transfer Date for such Note. Each Series and Class of Money Market Notes, to which the Money Market Note Mandatory Transfer arrangements are expressed to be applicable, will be sold subject to

Description of the Trust Deed and The Notes

Condition 5(h) (*Money Market Note Mandatory Transfer Arrangements*), which will provide for mandatory transfer of such Notes on each Money Market Note Mandatory Transfer Date for such Notes. However, failure by the Issuer to make or procure any payment required under Condition 5(h) (*Money Market Note Mandatory Transfer Arrangements*) in relation to a Series and Class of Money Market Notes, by reason of any failure on the part of the applicable Remarketing Agent or the applicable Conditional Note Purchaser to perform their respective obligations under the relevant Programme Documents will not constitute an Event of Default.

In relation to a Series and Class of Money Market Notes, to which the Money Market Note Mandatory Transfer arrangements are expressed to be applicable, Condition 5(h) (*Money Market Note Mandatory Transfer Arrangements*) will provide for the applicable Remarketing Agent to have the ability, in order to effect the remarketing, to increase or decrease the margin on such Notes from that payable as at the Issuance Date for such Notes or the previous Money Market Note Mandatory Transfer Date (as appropriate) in accordance with the applicable Remarketing Agreement and, in each case, subject to the maximum reset margin for such Notes. Pursuant to the terms of the applicable Conditional Note Purchase Agreement, on each Money Market Note Mandatory Transfer Date for such Notes, the applicable Conditional Note Purchaser will be obliged to purchase, at the maximum reset margin for such Notes, some or all of such Notes to the extent not purchased by investors and, in the event of the occurrence of an optional Remarketing Termination Event in relation to such Notes (and, following which, the termination by the Remarketing Agent of its appointment under the Remarketing Agreement) all of such Notes. If some or all of such Notes are purchased by the Conditional Note Purchaser, the relevant margin in respect of the next interest period for all such Notes that are outstanding will be the applicable maximum reset margin for such Notes.

For the avoidance of doubt, all Notes comprising a Series and Class of Money Market Notes, to which the Money Market Note Mandatory Transfer arrangements are expressed to be applicable, will be transferred on the Money Market Note Mandatory Transfer Date for such Notes. However, existing holders of such Notes may, prior to their Final Maturity Date or earlier redemption in full, repurchase such Notes on each Money Market Note Mandatory Transfer Date for such Notes.

Remarketing agreements

Under the terms of the Remarketing Agreement to be entered into in relation to a Series and Class of Money Market Notes, the Issuer will appoint the applicable Remarketing Agent to act as its agent and use all reasonable endeavours to identify investors for such Notes on each Money Market Note Mandatory Transfer Date prior to the occurrence of either an optional Remarketing Termination Event in relation to such Notes (and, following which, the termination by the Remarketing Agent of its appointment under the Remarketing Agreement) or an Automatic Remarketing Termination Event in relation to such Notes, (each, a "**Remarketing Termination Event**").

Subject to there being no Remarketing Termination Event then outstanding in relation to a Series and Class of Money Market Notes, the applicable Remarketing Agent will be required to approach potential investors with a view to procuring investors for such Notes on the Money Market Note Mandatory Transfer Date for such Notes.

The Remarketing Agent for a Series and Class of Money Market Notes will be required to seek bids from investors for the margin to apply to such Notes as from the Money Market Note Mandatory Transfer Date. If there are one or more investors willing to purchase in aggregate all of such Notes, the margin on all of such Notes will be reset to an amount (not greater than the maximum reset margin for such Notes) being the lowest margin at which all of such Notes will be purchased at par by investors, as determined by the Remarketing Agent. If all of such Notes cannot be placed with investors, the applicable Conditional Note Purchaser will be required to purchase the unplaced Notes pursuant to the terms of the applicable Conditional Note Purchase Agreement and the margin on all such Notes that are outstanding will be reset to the maximum reset margin for such Notes.

Description of the Trust Deed and The Notes

The Remarketing Agent for a Series and Class of Money Market Notes will be required to notify details of the money market note reset margin applicable to such Notes to the Principal Paying Agent no later than three business days prior to each Money Market Note Mandatory Transfer Date for such Notes.

The Remarketing Agent for a Series and Class of Money Market Notes will be required to procure the payment of the Money Market Note Mandatory Transfer Price for such Notes in respect of the investors' firm bids for such Notes, so as to enable settlement of such Notes on the Money Market Note Mandatory Transfer Date for such Notes. (See the section entitled "Book-Entry Clearance Procedures – Transfer and settlement of Money Market Notes under the Remarketing Agreements and Conditional Note Purchase Agreements"). The Remarketing Agent will be required to hold any amounts paid to the applicable Remarketing Agent by any investor or the applicable Conditional Note Purchaser for such Notes as part of the relevant money market note mandatory transfer as fiduciary for the relevant purchaser or the Conditional Note Purchaser, as applicable.

To the extent that, no later than three business days prior to the Money Market Note Mandatory Transfer Date for a Series and Class of Money Market Notes, the applicable Remarketing Agent is unable to obtain firm bids for all of the outstanding Notes, and to procure the payment of the related purchase funds to enable settlement of all of such Notes, the Remarketing Agent (failing whom, the Issuer or the Cash Manager on its behalf) will be required to serve on the applicable Conditional Note Purchaser a notice in respect of the unplaced Notes in the manner set out in the applicable Conditional Note Purchase Agreement. Such notice will be required to specify the interests in such Notes that are to be purchased by the Conditional Note Purchaser on the Money Market Note Mandatory Transfer Date; the amount representing the Money Market Note Mandatory Transfer Price payable (if any) to the relevant Noteholders; and either: (i) the Principal Amount Outstanding of such Notes which cannot be placed with investors pursuant to the applicable Remarketing Agreement; or (ii) that an optional Remarketing Termination Event in relation to such Notes has occurred on or before the Money Market Note Mandatory Transfer Date.

Under the terms of a Remarketing Agreement for a Series and Class of Money Market Notes, the Issuer will be permitted to terminate the appointment of the applicable Remarketing Agent broadly where: (a) the Remarketing Agent becomes insolvent; (b) the Remarketing Agent no longer has the requisite authority or ability to act in accordance with the terms of the Remarketing Agreement; or (c) the Remarketing Agent is in material breach of any warranty or covenant given by it pursuant to the terms of the Remarketing Agreement. Following the termination of the appointment of the Remarketing Agent, the Issuer may require the Remarketing Agent to use all reasonable endeavours to appoint an alternative remarketing bank.

An optional Remarketing Termination Event in relation to a Series and Class of Money Market Notes will occur, broadly, where: (a) an event has occurred which is beyond the control of the applicable Remarketing Agent or the Issuer and, as a consequence of which, the Remarketing Agent will be unable to perform its obligations under the applicable Remarketing Agreement or which in the Remarketing Agent's reasonable opinion represents a material market change affecting such Notes; (b) the Remarketing Agent reasonably determines, following consultation with the applicable Conditional Note Purchaser that the enactment or amendment of any law or regulation or any form of banking, fiscal, monetary or regulatory control which is mandatory or customarily adopted in the banking, securities or broker/dealer industries would cause the Remarketing Agent to incur increased costs in carrying out its remarketing obligations or make it unlawful or impossible to carry out those obligations; or (c) the Issuer is in material breach of any representations and warranties given by it in the applicable Conditional Note Purchase Agreement as at the Issuance Date for such Notes. Following the occurrence of an optional Remarketing Termination Event in relation to such Notes, the Remarketing Agent will have the option to terminate its remarketing obligations under the Remarketing Agreement. Following termination of its remarketing obligations, in the absence of an Automatic Remarketing Termination Event in relation to such Notes, the Remarketing Agent will still be obliged under the Remarketing

Description of the Trust Deed and The Notes

Agreement, if required by the Issuer, to facilitate the transfer and settlement of such Notes. For the avoidance of doubt, the occurrence of an optional Remarketing Termination Event in relation to such Notes will not affect the obligations of the Conditional Note Purchaser under the terms of the Conditional Note Purchase Agreement.

An Automatic Remarketing Termination Event in relation to a Series and Class of Money Market Notes will occur, broadly, where: (a) an Event of Default has occurred which has not been remedied or waived; (b) the applicable Conditional Note Purchaser has purchased all such Notes which are outstanding and a notice to this effect has been delivered by the applicable Remarketing Agent or the applicable tender agent to the Issuer and the Principal Paying Agent; or (c) upon redemption in full of such Notes. Following the occurrence of an Automatic Remarketing Termination Event in relation to such Notes, the appointment of the Remarketing Agent will automatically terminate and the Remarketing Agent will have no further obligations in respect of such Notes. For the avoidance of doubt, following the occurrence of an Automatic Remarketing Termination Event in relation to a Series and Class of Money Market Notes, the Conditional Note Purchaser will have no obligation to purchase such Notes.

Each Remarketing Agent will be required to make the representations required of the Dealer(s) as described in the section entitled "Subscription and Sale and Transfer and Selling Restrictions – Transfer Restrictions".

Conditional Note Purchase Agreements

Under the terms of the Conditional Note Purchase Agreement to be entered into in relation to a Series and Class of Money Market Notes, **provided that** an Event of Default has not occurred, the applicable Conditional Note Purchaser will be obliged, on any Money Market Note Mandatory Transfer Date for such Notes prior to the occurrence of an Automatic Remarketing Termination Event in relation to such Notes, to purchase at the maximum reset margin for such Notes the outstanding Notes which the applicable Remarketing Agent is unable to place with investors pursuant to the applicable Remarketing Agreement.

Under the terms of the Conditional Note Purchase Agreement to be entered into in relation to a Series and Class of Money Market Notes if, on or before a Money Market Note Mandatory Transfer Date for such Notes, the applicable Remarketing Agent terminates its appointment following an optional Remarketing Termination Event in relation to such Notes, the applicable Conditional Note Purchaser will, pursuant to the terms of the Conditional Note Purchase Agreement, be obliged to purchase on such Money Market Note Mandatory Transfer Date all of the Notes at the maximum reset margin for such Notes. If an Automatic Remarketing Termination Event occurs in relation to such Notes, the Issuer will not be obliged to procure any subsequent purchase of such Notes, the Remarketing Agent will not be obliged to remarket any of such Notes and the Conditional Note Purchaser will not be obliged to purchase any of such Notes. For the avoidance of doubt, following the occurrence of an Event of Default, the margin payable on a Series and Class of Money Market Notes will be the margin applicable immediately prior to such Event of Default.

In the event of a downgrade of the short-term unsecured, unsubordinated and unguaranteed credit rating of the Conditional Note Purchaser for a Series and Class of Money Market Notes to a level which is below that sufficient to support the then-current short-term rating applicable to such Notes, the Issuer will, subject to certain conditions, have the right to terminate the appointment of such Conditional Note Purchaser **provided that** it is able, prior to any such termination taking effect, to appoint a successor Conditional Note Purchaser for such Notes which has a short-term rating at least equal to that sufficient to support the short-term ratings that were applicable to such Notes immediately prior to the downgrade of the Conditional Note Purchaser.

The Remarketing Agent and the Conditional Note Purchaser for a Series and Class of Money Market Notes will not have any recourse to the Issuer in respect of such arrangements.

Description of the Trust Deed and The Notes

No assurance can be given that any Remarketing Agent or Conditional Note Purchaser for a Series and Class of Money Market Notes will comply with and perform their respective obligations under the remarketing arrangements. In addition, if investors purchase such Notes, such investors will have no recourse against the Issuer, the Conditional Note Purchaser or the Remarketing Agent for any default or failure to purchase by the Conditional Note Purchaser under the terms of the applicable Conditional Note Purchase Agreement or default or failure to remarket by the Remarketing Agent under the terms of the applicable Remarketing Agreement. Although the other parties to these agreements may be able to enforce their respective terms, they will not be under any obligation to do so.

Eurosystem Eligibility

Where the Global Note Certificates issued in respect of any Class are intended to be held under the NSS, the Issuer will also notify the ICSDs upon the issue whether such Global Note Certificates are intended, or are not intended, to be held in a manner which would allow Eurosystem eligibility. Any indication that the Global Note Certificates are to be so held does not necessarily mean that the Notes of any Class will be recognised as eligible collateral for Eurosystem monetary policy and intra-day credit operations by the Eurosystem either upon issue or at any times during their life as such recognition depends upon the European Central Bank being satisfied that the Eurosystem eligibility criteria have been met.

BOOK-ENTRY CLEARANCE PROCEDURES

The information set out below has been obtained from Euroclear, Clearstream, Luxembourg and DTC (each with respect to itself), and the Issuer believes that such sources are reliable. However, prospective investors are advised to make their own enquiries as to the procedures described below. The Issuer accepts responsibility for the accurate reproduction of such information from publicly available information. In particular, such information is subject to any change in or reinterpretation of the rules, regulations and procedures of Euroclear, Clearstream, Luxembourg or DTC currently in effect and investors wishing to use the facilities of any of Euroclear, Clearstream, Luxembourg or DTC are therefore advised to confirm the continued applicability of the rules, regulations and procedures of the relevant Clearing System. None of the Issuer, the Seller, the Arranger, the Dealer(s), the Note Trustee, the Security Trustee, any Swap Counterparty, the Paying Agents, the Agent Bank, any of their respective affiliates or any other party to the Programme Documents will have any responsibility for the performance by Euroclear, Clearstream, Luxembourg and DTC or their respective direct and indirect participants or accountholders of their respective obligations under the rules and procedures governing their operations or for the sufficiency for any purpose of the arrangements described below.

Euroclear, Clearstream, Luxembourg and DTC

Custodial and depository links have been established between Euroclear and Clearstream, Luxembourg and DTC to facilitate the initial issue of the Notes and cross-market transfers of the Notes associated with secondary market trading. See the sections entitled "Initial settlement" and "Secondary trading" below.

Euroclear and Clearstream, Luxembourg

Euroclear and Clearstream, Luxembourg each hold securities for their participating organisations and facilitate the clearance and settlement of securities transactions between their respective participants through electronic book-entry changes in accounts of those participants, thereby eliminating the need for physical movement of securities. Euroclear and Clearstream, Luxembourg provide various services including safekeeping, administration, clearance and settlement of internationally traded securities and securities lending and borrowing. Euroclear and Clearstream, Luxembourg also deal with domestic securities markets in several countries through established depository and custodial relationships.

Euroclear and Clearstream, Luxembourg have established an electronic bridge between their two systems across which their respective participants may settle trades with each other. Transactions may be settled in Euroclear and Clearstream, Luxembourg in any of numerous currencies, including Sterling, US Dollars and Euro. Clearstream, Luxembourg is incorporated under the laws of Luxembourg as a professional depository. Clearstream, Luxembourg participants are financial institutions around the world, including underwriters, securities brokers and dealers, banks, trust companies, and clearing corporations. Indirect access to Clearstream, Luxembourg is also available to others, including banks, brokers, dealers and trust companies that clear through or maintain a custodial relationship with a Clearstream, Luxembourg participant, either directly or indirectly.

The Euroclear system was created in 1968 to hold securities for its participants and to clear and settle transactions between Euroclear participants through simultaneous electronic book-entry delivery against payment. The Euroclear system is operated by Euroclear Bank S.A./N.V. (the "**Euroclear Operator**"). All operations are conducted by the Euroclear Operator. All Euroclear securities clearance accounts and Euroclear cash accounts are accounts with the Euroclear Operator. Euroclear participants include banks – including central banks – securities brokers and dealers and other professional financial intermediaries. Indirect access to the Euroclear system is also available to other firms that maintain a custodial relationship with a Euroclear participant, either directly or indirectly.

Book-Entry Clearance Procedures

Securities clearance accounts and cash accounts with the Euroclear Operator are governed by the terms and conditions governing use of Euroclear and the related operating procedures of the Euroclear system. These terms and conditions govern the transfers of securities and cash within the Euroclear system, withdrawal of securities and cash from the Euroclear system, and receipts of payments for securities in the Euroclear system. All securities in the Euroclear system are held on a fungible basis without attribution of specific certificates to specific securities clearance accounts. The Euroclear Operator acts under these terms and conditions only on behalf of Euroclear participants and has no record of or relationship with persons holding through Euroclear participants.

DTC

DTC has advised the Issuer that it intends to follow the following procedures:

DTC will act as securities depository for the Rule 144A Global Note Certificates representing Rule 144A Notes denominated in US Dollars. These Rule 144A Global Note Certificates will be issued as securities registered in the name of Cede & Co. as DTC's nominee.

DTC has advised the Issuer that it is:

- a limited-purpose trust company organised under New York Banking Law;
- a "banking organisation" within the meaning of New York Banking Law;
- a member of the Federal Reserve System;
- a "clearing corporation" within the meaning of the New York Uniform Commercial Code; and
- a "clearing agency" registered under the provisions of Section 17A of the US Securities and Exchange Act of 1934, as amended (the "**Exchange Act**").

DTC holds securities for its participants and facilitates the clearance and settlement among its participants of securities transactions, including transfers and pledges, in deposited securities through electronic book-entry changes in its participants' accounts. This eliminates the need for physical movement of securities certificates. DTC participants include securities brokers and dealers, banks, trust companies, clearing corporations and other organisations. Indirect access to the DTC system is also available to others including securities brokers and dealers, banks and trust companies that clear through or maintain a custodial relationship with a participant, either directly or indirectly. The rules applicable to DTC and its participants are on file with the SEC.

Transfers between participants on the DTC system will occur under DTC rules. Transfers between participants on the Clearstream, Luxembourg system and participants in the Euroclear system will occur under their rules and operating procedures.

Purchases of Notes under the DTC system must be made by or through DTC participants, which will receive a credit for the Notes on DTC's records. The ownership interest of each actual beneficial owner is in turn to be recorded on the DTC participants' and indirect participants' records. Beneficial owners will not receive written confirmation from DTC of their purchase. However, beneficial owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the DTC participant or indirect participant through which the beneficial owner entered into the transaction. Transfer of ownership interests in the Rule 144A Notes deposited with DTC are to be accomplished by entries made on the books of DTC participants acting on behalf of beneficial owners. Beneficial owners will not receive certificates representing their ownership interest in Notes unless use of the book-entry system for the Notes described in this section is discontinued.

To facilitate subsequent transfers, all offered Global Note Certificates deposited with DTC are registered in the name of DTC's nominee, Cede & Co. The deposit of these offered Global Note Certificates with DTC and their registration in the name of Cede & Co. effect no change in beneficial ownership. DTC has no knowledge of the ultimate beneficial owners of the Notes. DTC's records reflect only the identity of the DTC participants to whose accounts the beneficial interests are credited, which may or may not be the actual beneficial owners of the Notes. The DTC participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to DTC participants, by DTC participants to indirect participants, and by DTC participants and indirect participants to beneficial owners will be governed by arrangements among them and by any statutory or regulatory requirements in effect from time to time.

Redemption notices for the Rule 144A Notes represented by Rule 144A Global Note Certificates deposited with DTC will be sent to DTC. If less than all of those Notes are being redeemed by investors, DTC's practice is to determine by lot the amount of the interest of each participant in those Notes to be redeemed.

Neither DTC nor Cede & Co. will consent or vote on behalf of the Rule 144A Noteholders. Under its usual procedures, DTC will mail an omnibus proxy to the Issuer as soon as possible after the record date, which assigns the consenting or voting rights of Cede & Co. to those DTC participants to whose accounts the book-entry interests are credited on the record date, identified in a list attached to the proxy.

The Issuer understands that under existing industry practices, when the Issuer requests any action of Noteholders or when a beneficial owner desires to give or take any action which a Noteholder is entitled to give or take under the Trust Deed, DTC generally will give or take that action, or authorise the relevant participants to give or take that action, and those participants would authorise beneficial owners owning through those participants to give or take that action or would otherwise act upon the instructions of beneficial owners through them.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Issuer believes to be reliable, but the Issuer takes no responsibility for the accuracy thereof.

Book-entry ownership

Each Regulation S Global Note Certificate will have an ISIN and a Common Code and will be delivered at initial settlement to a Common Depositary or Common Safekeeper, as specified in the applicable Final Terms, for Euroclear and Clearstream, Luxembourg and registered in the name of a nominee of a Common Depositary for Euroclear and Clearstream, Luxembourg or in the name of a nominee of a common safekeeper for Euroclear and Clearstream, Luxembourg.

Each Rule 144A Global Note Certificate representing Rule 144A Notes denominated in a currency other than US Dollars will have an ISIN and a Common Code and will be delivered at initial settlement to a Common Depositary on behalf of Euroclear and Clearstream, Luxembourg or to a Common Safekeeper on behalf of Euroclear and Clearstream, Luxembourg, as specified in the applicable Final Terms.

Each Rule 144A Global Note Certificate representing Rule 144A Notes denominated in US Dollars will have a CUSIP number and will be registered in the name of Cede & Co. as nominee for DTC, and be deposited with, the DTC Custodian, on or about the relevant Issuance Date. The DTC Custodian and DTC will electronically record the principal amount of the Rule 144A Notes held within the DTC system.

As the holders of book-entry interests, beneficial owners will not have the right under the Trust Deed to act on solicitations by the Issuer for action by Noteholders. Beneficial owners will only be able to act to the extent they receive the appropriate proxies to do so from DTC, Clearstream, Luxembourg or Euroclear or, if applicable, their respective participants. No assurances are made about these procedures or their adequacy for ensuring timely exercise of remedies under the Trust Deed.

No beneficial owner of an interest in a note represented by a Global Note Certificate will be able to transfer that interest except in accordance with applicable procedures, in addition to those provided for under the Trust Deed, of DTC, Clearstream, Luxembourg and Euroclear, as applicable.

Payment and relationship of participants with Clearing Systems

Principal and interest payments on the Rule 144A Notes accepted for clearance through DTC will be made via the Paying Agents to DTC or its nominee, as the registered holder of the Rule 144A Global Note Certificates. DTC's practice is to credit its participants' accounts on the applicable Note Payment Date according to their respective holdings shown on DTC's records unless DTC has reason to believe that it will not receive payment on that Note Payment Date.

Principal and interest payments on the Regulation S Notes and Rule 144A Notes accepted for clearance through Euroclear and/or Clearstream, Luxembourg will be made to the Principal Paying Agent and then credited by the Principal Paying Agent to the cash accounts of Euroclear, Clearstream, Luxembourg or (in the case of Notes represented by a Global Note Certificate) the Common Depositary by whom such note is held or a nominee in whose name it is registered or, in the case of Regulation S Global Note Certificates to be held under the NSS, the Common Safekeeper by whom such note is held or a nominee in whose name it is registered. After receipt of any payment from the Principal Paying Agent to the Common Depositary or, as applicable, Common Safekeeper (or, in either case, its nominee), Euroclear and Clearstream, Luxembourg, as the case may be, will credit their respective participants' accounts in proportion to those participants' holdings as shown on the records of Euroclear and Clearstream, Luxembourg, respectively.

Each of the persons shown in the records of Euroclear, Clearstream, Luxembourg or DTC as the holder of a note represented by a Global Note Certificate must look solely to Euroclear, Clearstream, Luxembourg or DTC (as the case may be) for their share of each payment made by the Issuer to the holder of such global note and in relation to all other rights arising under the Global Note Certificates, subject to and in accordance with the respective rules and procedures of Euroclear, Clearstream, Luxembourg or DTC (as the case may be). The Issuer expects that, upon receipt of any payment in respect of Notes represented by a Global Note Certificate, the Common Depositary or Common Safekeeper, as the case may be, by whom such note is held, or nominee in whose name it is registered, will immediately credit the relevant participants' or account holders' accounts in the relevant Clearing System with payments in amounts proportionate to their respective beneficial interests in the principal amount of the relevant global note as shown on the records of the relevant Clearing System or its nominee. The Issuer also expects that payments by direct participants in any Clearing System to owners of beneficial interests in any global note held through such direct participants in any Clearing System will be governed by standing instructions and customary practices. Save as aforesaid, such persons will have no claim directly against the Issuer in respect of payments due on the Notes for so long as the Notes are represented by such Global Note Certificates and the obligations of the Issuer will be discharged by payment to the registered holder, as the case may be, of such global note in respect of each amount so paid. None of the Issuer, the Note Trustee, the Security Trustee, the Custodian, the Arranger, any Dealer, any Paying Agent nor the Registrar will have any responsibility or liability for any aspect of the records of DTC, Clearstream, Luxembourg or Euroclear relating to or payments made by DTC, Clearstream, Luxembourg or Euroclear on account of beneficial interests in the Global Note Certificates or for maintaining, supervising or reviewing any records of DTC, Clearstream, Luxembourg or Euroclear relating to those beneficial interests.

Initial settlement

The Global Note Certificates for each Series and Class of Notes will be delivered on the relevant Issuance Date to U.S. Bank Europe DAC, UK Branch as custodian for DTC, and to the Common Depositary or, as applicable, Common Safekeeper for Euroclear and Clearstream, Luxembourg, as applicable. Customary settlement procedures will be followed for participants of each system on that Issuance Date. Notes will be credited to investors' securities accounts on the relevant Issuance Date against payment in same-day funds.

Secondary trading

Subject to the rules and procedures of each applicable Clearing System, purchases of Notes held within a Clearing System must be made by or through direct participants, which will receive a credit for such Notes on the Clearing System's records. The ownership interest of each beneficial owner of each such note will in turn be recorded on the participant's records. Beneficial owners will not receive written confirmation from any Clearing System of their purchase, but beneficial owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the direct and indirect participant through which they entered into the transaction. Transfers of ownership interests in Notes held within the Clearing System will be effected by entries made on the books of participants acting on behalf of beneficial owners. Beneficial owners will not receive certificates representing their ownership interests in such Notes, unless and until interests in any Global Note Certificate held within a Clearing System are exchanged for Individual Note Certificates.

No Clearing System has knowledge of the actual beneficial owners of the Notes held within such Clearing System and their records will reflect only the identity of the direct participants to whose accounts such Notes are credited, which may or may not be the beneficial owners. The participants will remain responsible for keeping account of their holdings on behalf of their customers. Conveyance of notices and other communications by the Clearing Systems to direct participants, by direct participants to indirect participants, and by direct participants and indirect participants to beneficial owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

The laws of some jurisdictions (including some states of the US) require that certain purchasers of securities take physical delivery of those securities in definitive form. These laws may impair the ability to transfer beneficial interests in a note represented by a Global Note Certificate. DTC can only act on behalf of direct participants, who in turn act on behalf of indirect participants, so the ability of a person having an interest in a global note to pledge such interest to persons or entities that do not participate in DTC, or otherwise take actions in respect of such interest, may be affected by a lack of a physical certificate in respect of such interest. See the section entitled "Risk Factors – Holders of the Class A Notes will not receive physical Notes, which may cause delays in distributions and hamper their ability to pledge or resell Class A Notes".

Trading between Euroclear and/or Clearstream, Luxembourg participants

Secondary market sales of book-entry interests in the Notes held through Euroclear or Clearstream, Luxembourg to purchasers of book-entry interests in the Notes held through Euroclear or Clearstream, Luxembourg will be conducted in accordance with the normal rules and operating procedures of Euroclear and Clearstream, Luxembourg and will be settled using the procedures applicable to conventional Eurobonds and US Dollar denominated bonds.

Trading between DTC participants

Secondary market sales of book-entry interests in the Notes between DTC participants will occur in the ordinary way in accordance with DTC rules and will be settled using the procedures applicable to US

corporate debt obligations in DTC's same-day funds settlement system in same-day funds, if payment is effected in US Dollars, or free of payment, if payment is not effected in US Dollars. Where payment is not effected in US Dollars, separate payment arrangements outside DTC are required to be made between the DTC participants.

Trading between DTC seller and Euroclear/Clearstream, Luxembourg purchaser

When book-entry interests in Notes are to be transferred from the account of a DTC participant holding a beneficial interest in a Global Note Certificate to the account of a Euroclear or Clearstream, Luxembourg accountholder wishing to purchase a beneficial interest in that global note (subject to the certification procedures provided in the Agency Agreement), the DTC participant will deliver instructions for delivery to the relevant Euroclear or Clearstream, Luxembourg accountholder to DTC by 12 noon, New York time, on the settlement date. Separate payment arrangements are required to be made between the DTC participant and the relevant Euroclear or Clearstream, Luxembourg participant. On the settlement date, the custodian of the Global Note Certificate will instruct the Registrar to: (i) decrease the amount of Notes registered in the name of Cede & Co., and evidenced by the relevant Global Note Certificate; and (ii) increase the amount of Notes registered in the name of the nominee of the Common Depositary or, as applicable, Common Safekeeper for Euroclear and Clearstream, Luxembourg and evidenced by the relevant Global Note Certificate. Book-entry interests will be delivered free of payment to Euroclear or Clearstream, Luxembourg, as the case may be, for credit to the relevant accountholder on the first business day following the settlement date.

Trading between Euroclear/Clearstream, Luxembourg seller and DTC purchaser

When book-entry interests in the Notes are to be transferred from the account of a Euroclear or Clearstream, Luxembourg accountholder to the account of a DTC participant wishing to purchase a beneficial interest in a Global Note Certificate (subject to the certification procedures provided in the Trust Deed and any Trust Deed supplement), the Euroclear or Clearstream, Luxembourg participant must send to Euroclear or Clearstream, Luxembourg delivery free of payment instructions by 7.45 pm, Brussels or Luxembourg time, one business day prior to the settlement date. Euroclear or Clearstream, Luxembourg, as the case may be, will in turn transmit appropriate instructions to the Common Depositary or the Common Service Provider, as the case may be, for Euroclear and Clearstream, Luxembourg and the Registrar to arrange delivery to the DTC participant on the settlement date. Separate payment arrangements are required to be made between the DTC participant and the relevant Euroclear or Clearstream, Luxembourg accountholder, as the case may be. On the settlement date, the Common Depositary or, as applicable, the Common Service Provider for Euroclear and Clearstream, Luxembourg will: (a) transmit appropriate instructions to the custodian of the Global Note Certificate who will in turn deliver evidence of such book-entry interests in the Notes free of payment to the relevant account of the DTC participant; and (b) instruct the Registrar to: (i) decrease the amount of Notes registered in the name of the nominee of the Common Depositary or, as applicable, the Common Safekeeper for Euroclear and Clearstream, Luxembourg and evidenced by the relevant Global Note Certificate; and (ii) increase the amount of Notes registered in the name of Cede & Co. and evidenced by the relevant Global Note Certificate.

Although DTC, Clearstream, Luxembourg and Euroclear have agreed to the foregoing procedures in order to facilitate transfers of beneficial interests in Global Note Certificates among participants and accountholders of DTC, Clearstream, Luxembourg and Euroclear, they are under no obligation to perform, or continue to perform, such procedures, and such procedures may be discontinued at any time. None of the Issuer, the directors of the Issuer, the Seller, the Arranger, any Dealer, the Note Trustee, the Security Trustee, any Interest Rate Swap Counterparty, any Currency Swap Counterparty, the Paying Agents or the Agent Bank will have any responsibility for the performance by DTC, Clearstream, Luxembourg or Euroclear or their respective participants of their respective obligations under the rules and procedures governing their operations.

Pre-issue trades settlement

It is expected that the delivery of each Series of Notes will be made against payment therefor on the Issuance Date for such Series of Notes, which could be more than three business days following the date of pricing for such Series of Notes. Under Rule 15c6-1 under the Exchange Act, trades in the US secondary market generally are required to settle within three business days (T+3), unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to trade Notes in the US on the date of pricing or the next succeeding business days until three days prior to the Issuance Date of a Series of Notes will be required, by virtue of the fact that the Notes initially will settle beyond T+3, to specify an alternate settlement cycle at the time of any such trade to prevent a failed settlement. Settlement procedures in other countries will vary. Purchasers of Notes may be affected by such local settlement practices and purchasers of Notes who wish to trade Notes between the date of pricing and the Issuance Date for such Series of Notes should consult their own adviser.

Sub-Series of the Class A Notes

Pursuant to the Agency Agreement, the Principal Paying Agent shall procure that, where any additional Sub-Series of Class A Notes is issued which is intended to form a single Series with the then existing Series or, as the case may be, Sub-Series of the Class A Notes, the Class A Notes of such additional Sub-Series shall be assigned a common code and ISIN and, where applicable, a CUSIP and CINS number which are different from the common code, ISIN, CUSIP and CINS assigned to Class A Notes of any existing Sub-Series of the relevant Series until at least the expiry of the Distribution Compliance Period applicable to the Class A Notes of such Sub-Series.

Transfer and settlement of Money Market Notes under the Remarketing Agreements and Conditional Note Purchase Agreements

A Series and Class of Money Market Notes will initially be represented by a Regulation S Global Note Certificate and/or a Rule 144A Global Note Certificate. Each Global Note Certificate will in turn be exchangeable for certificates in individual certificated form only in the circumstances described under the section entitled "Description of the Trust Deed and The Notes – The Notes – Individual Note Certificates".

Three business days before the Money Market Note Mandatory Transfer Date for a Series and Class of Money Market Notes, the applicable Remarketing Agent will be required to deliver to Euroclear and/or Clearstream, Luxembourg a written notice (a "**Euroclear/Clearstream Money Market Note Call Notice**") in respect of such Notes which are represented by a registered Regulation S Global Note Certificate (the "**Euroclear/Clearstream Money Market Notes**", and holders thereof, the "**Euroclear/Clearstream Money Market Noteholders**") that will specify, among other things, the applicable Remarketing Agent's account details with Euroclear or Clearstream, Luxembourg (as the case may be) and the Principal Amount Outstanding in respect of such Notes on such Money Market Note Mandatory Transfer Date (after giving effect to the payment of any Note Principal Payments (or any part thereof) that will be made on such date in respect of such Notes) (the "**Euroclear/Clearstream Money Market Note Mandatory Transfer Price**").

Prior to the Money Market Note Mandatory Transfer Date for a Series and Class of Money Market Notes, the applicable Remarketing Agent will be required to deliver to Euroclear and/or Clearstream, Luxembourg a second written notice (a "**Euroclear/Clearstream Money Market Note Transfer Notice**") in respect of the Euroclear/Clearstream Money Market Notes, which will specify, among other things, the account details with Euroclear and/or Clearstream, Luxembourg (as the case may be) of any purchaser of the Euroclear/Clearstream Money Market Notes, on such Money Market Note Mandatory Transfer Date (which will include the applicable Conditional Note Purchaser in respect of such Euroclear/Clearstream Money Market Notes if the Remarketing Agent is unable to identify investors for some or all of such Notes pursuant to the terms of the applicable Remarketing Agreement) (each

such purchaser of the Euroclear/Clearstream Money Market Notes being an **"Incoming Euroclear/Clearstream Money Market Noteholder"**) and the Euroclear/Clearstream Money Market Note Mandatory Transfer Price payable on such Money Market Note Mandatory Transfer Date.

No further action will be required of the Euroclear/Clearstream Money Market Noteholders in connection with the transfer of the Euroclear/Clearstream Money Market Notes to the applicable Remarketing Agent (as contemplated by the Euroclear/Clearstream Money Market Note Call Notice) or the transfer from the Remarketing Agent to the Incoming Euroclear/Clearstream Money Market Noteholders (as contemplated by the Euroclear/Clearstream Money Market Note Transfer Notice).

To facilitate the transfer of interests in a Series and Class of Money Market Notes held through DTC (the **"DTC Money Market Notes"**, and holders thereof, the **"DTC Money Market Noteholders"**) as part of the Money Market Note Mandatory Transfer Arrangements, the tender agent appointed in respect of such Series and Class of Notes will be required to arrange delivery and payment by and to the DTC Money Market Noteholders on the Money Market Note Mandatory Transfer Date for such Notes. The Remarketing Agent appointed in respect of such Series and Class of Notes will be required to provide a suitable securities account to be used for the purposes of settlement of the DTC Money Market Notes on each Money Market Note Mandatory Transfer Date for such Notes.

The Remarketing Agent for a Series and Class of Money Market Notes will be required (to the extent that any DTC Money Market Notes are held in global form) to notify DTC no later than three business days prior to a Money Market Note Mandatory Transfer Date for such Notes of: (i) the Principal Amount Outstanding on such Money Market Note Mandatory Transfer Date (after giving effect to the payment of any Note Principal Payments (or any part thereof) that will be made on such date in respect of such Notes), being the amount payable by the investors wishing to purchase the DTC Money Market Notes (the **"DTC Money Market Note Mandatory Transfer Price"**); (ii) the account details with DTC of any purchaser of the DTC Money Market Notes, on such Money Market Note Mandatory Transfer Date (which will include the related applicable Conditional Note Purchaser in respect of such DTC Money Market Notes if the Remarketing Agent is unable to identify investors for some or all of such Notes pursuant to the terms of the applicable Remarketing Agreement) (each such purchaser of the DTC Money Market Notes being an **"incoming DTC Money Market Noteholder"**), (iii) the money market note reset margin applicable to such Notes after that Money Market Note Mandatory Transfer Date; and (iv) the next Reset Period (which will be defined in the applicable Remarketing Agreement or the applicable Conditional Note Purchase Agreement) in respect of such Notes. The applicable Remarketing Agent will arrange delivery of the relevant DTC Money Market Notes to the incoming DTC Money Market Noteholders on each Money Market Note Mandatory Transfer Date for such Notes (including, without limitation, specifying details of the accounts of such incoming DTC Money Market Noteholders to DTC).

No further action will be required of the incoming DTC Money Market Noteholders for the transfer of DTC Money Market Notes to or for the account of a Remarketing Agent.

Upon payment on the Money Market Note Mandatory Transfer Date of the DTC Money Market Note Mandatory Transfer Price by the incoming DTC Money Market Noteholders for a Series and Class of Money Market Notes, all rights in respect of the DTC Money Market Notes will be transferred to or for the account of the applicable Remarketing Agent and then will be transferred that same day to the incoming DTC Money Market Noteholders.

If an existing holder of Money Market Notes wishes to repurchase such Notes on the Money Market Note Mandatory Transfer Date for such Notes, the transfer and settlement process is as described above except that there will be no cash payment of the applicable DTC Money Market Note Mandatory Transfer Price to or from such holder.

TERMS AND CONDITIONS OF THE NOTES

The following are the terms and conditions (the "**Conditions**", and any reference to a "**Condition**" will be construed accordingly) of Notes in the form (subject to amendment) which will be incorporated by reference into each Global Note Certificate and each Individual Note Certificate, and in the latter case with respect to the Notes, only if permitted by the relevant stock exchange or other relevant authority (if any) and agreed by the Issuer and the relevant Dealer at the time of issue but, if not so permitted and agreed, such Individual Note Certificate will have endorsed thereon or attached thereto such Conditions. The Final Terms in relation to each Series and Class of Notes and each Sub-Series of the Class A Notes may specify other terms and conditions which will, to the extent so specified or to the extent inconsistent with these Conditions, replace or modify these Conditions for the purpose of such Notes. The applicable Final Terms (or the relevant provisions thereof) for Notes will be endorsed upon, or attached to, each Global Note Certificate and Individual Note Certificate. References to the "**applicable Final Terms**" are, in relation to a Series and Class of Notes or a Sub-Series of the Class A Notes, to the Final Terms, pricing supplement or drawdown prospectus (or the relevant provisions thereof) attached to or endorsed on such Notes.

The Notes are constituted by a deed or deeds supplemental to the Trust Deed. The Security for the Notes is created pursuant to, and on the terms set out in, the Deed of Charge. By the Agency Agreement, provision is made for, among other things, the payment of principal and interest in respect of the Notes.

References herein to the "**Notes**" will, unless the context otherwise requires, be references to all the Notes issued by the Issuer and constituted by the Trust Deed and will mean:

- (a) in relation to any Notes of a Series and Class represented by a Global Note Certificate, units of the lowest Specified Denomination in the Specified Currency in each case of such Series and Class;
- (b) any Global Note Certificates; and/or
- (c) any Individual Note Certificates:
 - (i) in respect of the Class A Notes, issued in exchange for a Global Note Certificate; and/or
 - (ii) in respect of the Class Z VFNs and the Seller's Note, Regulation S Individual Note Certificates to be issued on the First Issuance Date.

Notes constituted by the Trust Deed are issued in series (each a "**Series**") and each Series comprises one or more Classes (each a "**Class**") of Notes. Each Class of Notes of any Series may comprise one or more Sub-Classes of Notes (each a "**Sub-Class**"). Each Series of Notes is subject to Final Terms.

As used in this Base Prospectus, "**Sub-Series**" means a sub-series of Class A Notes which are: (i) expressed to be consolidated and form a single series; and (ii) identical in all respects (including as to listing and admission to trading) except for their respective Issuance Date, Interest Commencement Dates and/or issue prices.

The statements in these Conditions include summaries of, and are subject to, the detailed provisions of the Trust Deed, the Deed of Charge and the Agency Agreement.

Copies of the Trust Deed, the Deed of Charge, the Agency Agreement and each of the other Programme Documents are available for inspection during normal business hours at the registered office of the Issuer, being 10th Floor, 5 Churchill Place, London E14 5HU, the specified office for the time being of the Principal Paying Agent, being at 125 Old Broad Street, Fifth Floor, London EC2N 1AR, and (if a US Paying Agent is appointed) the specified office of such US Paying Agent. Copies of the Final Terms

of each Series of Notes are obtainable by Noteholders during normal business hours at the registered office of the Issuer, the specified office for the time being of the Principal Paying Agent and (if a US Paying Agent is appointed) the specified office of such US Paying Agent and any Noteholder must produce evidence satisfactory to the Issuer, the Principal Paying Agent or (if applicable) the US Paying Agent (as the case may be) as to its holding of Notes and its identity.

The holders of any Series and Class of Notes are entitled to the benefit of, are bound by, and are deemed to have notice of all the provisions of, and definitions contained or incorporated in, the Trust Deed, the Deed of Charge, the Agency Agreement, each of the other Programme Documents and the applicable Final Terms and to have notice of each of the other Final Terms relating to each other Series and Class of Notes.

References herein to the "**Class A Noteholders**" will, in each case and unless specified otherwise, be references to the holders of the Class A Notes of all Series and all Sub-Classes of the Class A Notes.

References herein to the "**VFN Holders**" will, in each case and unless specified otherwise, be references to the holders of the Class Z VFNs of all Sub-Classes and to the Seller as the holder of the Seller's Note.

Unless the context otherwise requires, references herein to the "**Class A Notes**" will, in each case and unless specified otherwise, be references to the Class A Notes of all Series and all Sub-Classes of the Class A Notes.

Unless the context otherwise requires, references herein to the "**VFNs**" will, in each case and unless specified otherwise, be references to the Class Z VFNs of all Sub-Classes and to the Seller's Note.

The VFNs have been issued in definitive form and are represented by Regulation S Individual Note Certificates. The Issuer maintains the VFN Register, kept on the Issuer's behalf by the VFN Registrar, in which the Class Z VFNs are registered in the name of the VFN Holder and the Seller's Note is registered in the name of the Seller.

The Notes are not issuable in bearer form.

Except where the context otherwise requires, capitalised terms used and not otherwise defined in these Conditions will bear the meanings given to them in the applicable Final Terms and/or the Master Definitions Schedule set out in Schedule 1 (*Master Definitions Schedule*) to the Incorporated Terms Memorandum made between the parties to the Transaction Documents on or about the Programme Date (as modified and/or supplemented and/or restated from time to time, the "**Master Definitions Schedule**"), a copy of each of which may be obtained as described above.

For the purposes of: (1) the right to attend and vote at any meeting of the Noteholders of any Class A Notes of any Series, an Extraordinary Resolution in writing or an Ordinary Resolution in writing, a written resolution or an electronic consent through the relevant Clearing System(s) as envisaged by the Trust Deed and/or these Conditions and any direction or request by the Noteholders of any Class A Notes of any Series; (2) the determination of how many and which Class A Notes are for the time being outstanding; (3) any discretion, power or authority (whether contained in the trust presents, or vested by operation of law) which the Security Trustee and/or the Note Trustee is required, expressly or impliedly, to exercise in or by reference to the interests of the Noteholders of any Class A Notes; and (4) the determination by the Note Trustee whether any event, circumstance, matter or thing is, in its opinion, materially prejudicial to the interests of the Noteholders of any Class A Notes, "**outstanding**" means, in relation to the Class A Notes, all the Class A Notes issued from time to time other than those Class A Notes (if any) which are for the time being held by or on behalf of the Seller or any Subsidiary of the Seller (each such entity a "**Relevant Person**"), in each case as beneficial owner, those Class A Notes will (unless and until ceasing to be so held) be deemed not to remain outstanding. However, if:

- (a) all of the Class A Notes of any Series are held by or on behalf of or for the benefit of one or more Relevant Persons (the "**Relevant Notes**"); or
- (b) in respect of any of the Class A Notes of any Series which are prepositioned with the Bank of England, the European Central Bank or any other central bank, for the purposes of using the Bank of England's discount window facility or any other similar central bank liquidity scheme (**provided that** a certificate addressed to the Note Trustee (upon which the Note Trustee shall be entitled to rely without enquiry or liability) confirming the same has been provided by the Relevant Person to the Note Trustee, in the absence of which the Note Trustee shall be entitled to assume that the Class A Notes have not been so prepositioned),

then in each case, the Class A Notes held by or on behalf of or for the benefit of the Relevant Persons shall be deemed to remain outstanding. For the avoidance of doubt, for so long as the Seller's Note and/or any Class Z VFNs are held by a Relevant Person such Notes so held will be considered outstanding.

Notwithstanding the above, any Notes held by a Relevant Person will always be deemed to remain outstanding for the purposes of a sanctioning a Basic Terms Modification.

1. Form, Denomination, Register, Title and Transfers

(a) *Form and denomination*

The Rule 144A Notes have not been, and will not be, registered under the Securities Act and may not be offered or sold within the US or to, or for the account or benefit of, US persons, except to "qualified institutional buyers" (within the meaning of Rule 144A under the Securities Act) in reliance on the exemption from registration provided by Rule 144A under the Securities Act.

The Regulation S Notes will initially be offered and sold outside the US to non-US persons pursuant to Regulation S.

Each Series and Class of Class A Notes will be issued in registered form and denominated in the Specified Currency and in the Specified Denomination. Each Series and Class of Class A Notes which are Rule 144A Notes will be initially represented by a Rule 144A Global Note Certificate, which, in the aggregate, will represent the Principal Amount Outstanding from time to time of such Series and Class of Rule 144A Notes. Each Series and Class of Class A Notes which are Regulation S Notes will be initially represented by a Regulation S Global Note Certificate which, in the aggregate, will represent the Principal Amount Outstanding from time to time of such Series and Class of the Regulation S Notes.

Each Regulation S Global Note Certificate will be deposited with, and registered in the name of a nominee of, a common depositary or common safekeeper, as the case may be, for Euroclear and Clearstream, Luxembourg, as specified in the applicable final terms (or, in the case of exempt notes, the applicable pricing supplement). Each Rule 144A Global Note Certificate will either (i) be deposited with a custodian for, and registered in the name of a nominee for DTC (or as may be requested by an authorised representative of DTC) or (ii) be deposited with, and registered in the name of a nominee of, a Common Depositary or Common Safekeeper, as the case may be, for Euroclear and Clearstream, Luxembourg, as specified in the applicable Final Terms. Each Global Note Certificate will be numbered serially with an identifying number which will be recorded on the relevant Global Note Certificate and in the Register.

For so long as DTC or its nominee is the registered owner or holder of a Global Note Certificate, DTC or such nominee, as the case may be, will be considered the sole owner or holder of the

Notes represented by such Global Note Certificate for all purposes under the Trust Deed and the Agency Agreement and those Notes except to the extent that in accordance with DTC's published rules and procedures any ownership rights may be exercised by its participants or beneficial owners through participants.

Each Class Z VFN and the Seller's Note will be issued in definitive form and denominated in the Specified Currency and in the Specified Denomination. Each Class Z VFN and the Seller's Note will be represented by Regulation S Individual Note Certificates to be issued on the First Issuance Date. Each Regulation S Individual Note Certificate will represent the Principal Amount Outstanding from time to time of the relevant Class Z VFN and/or the Seller's Note.

Each Series and Class of Notes may be Fixed Rate Notes or Floating Rate Notes or a combination of the foregoing, depending upon the interest basis specified for such Notes in the applicable Final Terms.

Each Series and Class of Class A Notes may be Bullet Redemption Notes, Controlled Amortisation Notes, Pass-Through Redemption Notes or a combination of any of the foregoing, depending upon the redemption/payment basis specified for such Notes in the applicable Final Terms.

Global Note Certificates will be exchanged for Individual Note Certificates in definitive registered form only under certain limited circumstances (as described in the relevant Global Note Certificate). If Individual Note Certificates are issued, they will be serially numbered and issued in an aggregate principal amount equal to the Principal Amount Outstanding of the relevant Global Note Certificates and in registered form only.

In the case of a Series and Class of Notes with more than one Specified Denomination, Notes of one Specified Denomination may not be exchanged for Notes of such Series and Class of another Specified Denomination.

(b) ***Register***

The Registrar will maintain the Register in respect of the Class A Notes in accordance with the provisions of the Agency Agreement. In these Conditions, the "**Holder**" of a Class A Note means the person in whose name such Note is for the time being registered in the Register (or, in the case of a joint holding, the first named thereof). A Note Certificate will be issued to each Noteholder in respect of its registered holding. Each Note Certificate will be numbered serially with an identifying number which will be recorded in the Register.

The VFN Registrar will maintain the VFN Register in respect of the Class Z VFNs and the Seller's Note in accordance with the provisions of the Trust Deed. In these Conditions, the "**Holder**" of a Class Z VFN or of the Seller's Note means the person in whose name such Class Z VFN or the Seller's Note, as the case may be, is for the time being registered in the VFN Register.

(c) ***Title***

The Holder of each Note will (except as otherwise required by law) be treated by the Issuer, the Note Trustee, the Security Trustee, the Agent Bank and any Agent as the absolute owner of such Note for all purposes (whether or not it is overdue and regardless of any notice of ownership, trust or any other interest therein, any writing on the Note Certificate relating thereto (other than the endorsed form of transfer) or any notice of any previous loss or theft of such Note Certificate) and no person will be liable for so treating such holder.

(d) ***Transfers of Class A Notes***

(i) Transfer of Note Certificates

Transfers of beneficial interests in Global Note Certificates will be effected by the relevant Clearing Systems, as the case may be, and, in turn, by other participants and, if appropriate, indirect participants in such Clearing Systems acting on behalf of transferors and transferees of such interests. A beneficial interest in a Global Note Certificate will, subject to compliance with all applicable legal and regulatory restrictions, be transferable for Notes in definitive form or for a beneficial interest in another Registered Global Note of the same series only in the authorised denominations set out in the applicable Final Terms and only in accordance with the rules and operating procedures for the time being of the relevant Clearing Systems, and in accordance with the terms and conditions specified in the Trust Deed and the Agency Agreement.

Subject as provided otherwise in this Condition 1(d), upon the terms and subject to the conditions set forth in the Trust Deed and the Agency Agreement, a Class A Note represented by an Individual Note Certificate may be transferred upon surrender of the relevant Individual Note Certificate, with the endorsed form of transfer duly completed, at the specified office of the Registrar or the Exchange and Transfer Agent, together with such evidence as the Registrar or (as the case may be) the Exchange and Transfer Agent may reasonably require to prove the title of the transferor and the authority of the individuals who have executed the form of transfer; **provided, however, that** a Class A Note may not be transferred unless the principal amount of Notes transferred and (where not all of the Notes held by a holder are being transferred) the principal amount of the balance of Notes not transferred are each in the Minimum Specified Denomination. Where not all the Notes represented by the surrendered Note Certificate are the subject of the transfer, a new Note Certificate in respect of the balance of the Notes will be issued to the transferor.

Within five Business Days of such surrender of an Individual Note Certificate, the Registrar will register the transfer in question and deliver a new Individual Note Certificate of a like principal amount to the Notes transferred to each relevant holder at its specified office or (as the case may be) the specified office of the Exchange and Transfer Agent or (at the request and risk of any such relevant holder) by uninsured first class mail (and by airmail if the holder is overseas) to the address specified for such purpose by such relevant holder.

The transfer of a Class A Note will be effected without charge by, or on behalf of, the Issuer, the Registrar or the Exchange and Transfer Agent but against such indemnity as the Registrar or (as the case may be) such Exchange and Transfer Agent may require in respect of any tax or other duty of whatsoever nature which may be levied or imposed in connection with such transfer.

(ii) Transfer and exchange of Rule 144A Global Note Certificate to Regulation S Global Note Certificate

If the holder of a beneficial interest in a Rule 144A Global Note Certificate of one Class or Sub-Class wishes at any time to transfer such interest, such transfer may be effected to a person who wishes to take delivery thereof in the form of a beneficial interest in the Regulation S Global Note Certificate of the same Class or Sub-Class, subject to the rules and procedures of the relevant Clearing System, to the extent applicable (the "**Applicable Procedures**"), by the transferor giving a certificate to the Registrar and

the Exchange and Transfer Agent in, or substantially in, the form set out in the Trust Deed (a "**Regulation S Transfer Certificate**");

- (A) instructions given in accordance with the procedures of the relevant Clearing Systems, as applicable, from or on behalf of a beneficial owner of the Rule 144A Note, directing the Exchange and Transfer Agent and Registrar to credit or cause to be credited a beneficial interest in the Regulation S Note in an amount equal to the beneficial interest in the Rule 144A Note to be exchanged or transferred;
- (B) written order given in accordance with the relevant Clearing Systems, as applicable, containing information regarding the account to be credited with such increase and the name of such account; and
- (C) a written certificate in the form required by the Trust Deed to the effect that such transfer is being made in accordance with Rule 903 or Rule 904 of Regulation S (the "**Regulation S Transfer Certificate**"),

and such transfer is in compliance with and/or in accordance with any applicable securities laws of any state of the United States or any other jurisdiction.

- (iii) Transfer and exchange of Regulation S Global Note Certificate to Rule 144A Global Note Certificate during the Distribution Compliance Period

Beneficial interests in a Regulation S Note may be exchanged for beneficial interests in a Rule 144A Note only if such exchange occurs in connection with a transfer of the Class A Notes pursuant to Rule 144A and, prior to the first business day that is 40 calendar days after the later of the commencement of the offering and the applicable Issuance Date (the "**Distribution Compliance Period**"), the transferring Noteholder first delivers to the Exchange and Transfer Agent and the Registrar:

- (A) instructions given in accordance with the procedures of the relevant Clearing Systems, directing the Exchange and Transfer Agent and the Registrar to credit or cause to be credited a beneficial interest in the Rule 144A Note in an amount equal to the beneficial interest in the Regulation S Note to be exchanged or transferred;
- (B) a written order given in accordance with the procedures of the relevant Clearing Systems, containing information regarding the account to be credited with such increase and the name of such account; and
- (C) a written certificate in the form required by the Trust Deed to the effect that the transfer is being made to a person who the transferor reasonably believes is a QIB, purchasing for its own account or the account of a QIB in a transaction meeting the requirements of Rule 144A and in accordance with all applicable securities laws of the states of the US and other jurisdictions (the "**Rule 144A Transfer Certificate**").

- (iv) Transfer and exchange of Regulation S Global Note Certificate to Rule 144A Global Note Certificate after the Distribution Compliance Period

If the holder of a beneficial interest in a Regulation S Global Note Certificate of one Class or Sub-Class wishes at any time after the Distribution Compliance Period to transfer such interest, such transfer may be effected:

- (A) to a person who wishes to take delivery thereof in the form of a beneficial interest in the Rule 144A Global Note of the same Class or Sub-Class, such transfer may be effected, subject only to the Applicable Procedures;
- (B) otherwise pursuant to the Securities Act or an exemption therefrom, subject to receipt by the Issuer, the Exchange and Transfer Agent and the Registrar of such satisfactory evidence as the Issuer, the Exchange and Transfer Agent or the Registrar may reasonably require, that such transfer is in compliance with any applicable securities laws of any State of the United States, and, in each case, in accordance with any applicable securities laws of any state of the United States or any other jurisdiction.

Noteholders may not require transfers of Notes to be registered during the period of 15 days ending on the due date for any payment of principal or interest in respect of the Notes.

All transfers of Class A Notes and entries on the Register are subject to the detailed regulations concerning the transfer of Notes scheduled to the Agency Agreement. The regulations may be changed by the Issuer with the prior written approval of the Note Trustee and the Registrar. A copy of the current regulations will be mailed (free of charge) by the Registrar to any Noteholder who requests in writing a copy of such regulations.

(c) ***Transfers of Class Z VFN or the Seller's Note***

Title to a Class Z VFN or the Seller's Note shall only pass by and upon registration of the transfer in the VFN Register provided that no transferee shall be registered as a new Class Z VFN Holder or Seller's Note Holder, as applicable, unless (i) the prior written consent of the Issuer and (for so long as any Class A Notes are outstanding) the Note Trustee has been obtained (the Note Trustee shall give its consent to such a transfer if the same has been sanctioned by a Programme Resolution); (ii) the Principal Amount Outstanding of the relevant Notes is at least £5,000,000; and (iii) such transferee has certified to, *inter alios*, the VFN Registrar that it is (A) a person falling within paragraph 3 of Schedule 2A to the Insolvency Act 1986, (B) independent of the Issuer within the meaning of regulation 2(1) (as modified by regulation 2(3)) of the Taxation of Securitisation Companies Regulations 2006 (SI 2006/3296) (as amended) and (C) a Qualifying Noteholder by way of a Tax Certificate.

Title to a Class Z VFN and/or to the Seller's Note cannot be transferred to a US Person.

2. Status, priority and security

(a) ***Status***

The Notes of each Series and Class are direct, secured and, subject to the limited recourse provisions in Condition 10(b) (*Limited Recourse*), unconditional obligations of the Issuer.

Subject to the provisions of Conditions 5 (*Redemption, Purchase and Cancellation*) and 6 (*Payments*) and subject to the other payment conditions set out in the applicable Final Terms and the other Transaction Documents, amounts payable in respect of the Notes will be paid in accordance with the relevant Priority of Payments.

(b) ***Conflict between the Classes of Notes***

The Trust Deed contains provisions:

- (i) requiring the Note Trustee to have regard to the interests of the Class A Noteholders and the Class Z VFN Holder and the holder of the Seller's Note equally as regards all powers, trusts, authorities, duties and discretions of the Note Trustee under these Conditions or any of the Transaction Documents (except where expressly provided otherwise), but requiring the Note Trustee to have regard (except as expressly provided otherwise), for so long as there are any Class A Notes outstanding (of any Series), only to the interests of the Class A Noteholders if, in the opinion of the Note Trustee, there is or may be a conflict between the interests of the Class A Noteholders and the interests of the Class Z VFN Holder and the holder of the Seller's Note. If there is a conflict between the interests of one Class of Noteholders of one Series and the same Class of Noteholders of another Series, then a resolution directing the Note Trustee to take any action must be passed at separate meetings of the holders of each Series of the relevant Class of Notes; and
- (ii) limiting the powers of the Class Z VFN Holder and the holder of the Seller's Note, among other things, to request or direct the Note Trustee to take any action or to pass an effective Extraordinary Resolution according to the effect thereof on the interests of the Class A Noteholders (of that Series or of any other series). Except in certain circumstances described in Condition 11 (*Meetings of Noteholders, modifications and waiver*), the Trust Deed contains no such limitation on the powers of the Class A Noteholders, the exercise of which will be binding on the Class Z VFN Holder and the holder of the Seller's Note irrespective of the effect thereof on their interests.

The Note Trustee, in determining whether the exercise by it of any right, power, trust, authority, duty or discretion under or in relation to these Conditions or any of the Transaction Documents will not be materially prejudicial to the interests of the Noteholders (or any Series and Class thereof), will have regard to Ratings Confirmations (if issued) that the then-current ratings of the applicable Series and Class of Notes would not be reduced, withdrawn or qualified by such exercise and any other confirmation which it considers, in its sole and absolute discretion, is appropriate.

(c) ***Security***

As security for, among other things, the payment of all monies payable in respect of the Notes, the Issuer will enter into the Deed of Charge creating the Security in favour of the Security Trustee for itself and on trust for, *inter alios*, the Note Trustee and the Noteholders.

3. Covenants

Save with the prior written consent of the Note Trustee or unless provided in or contemplated under these Conditions or any of the Transaction Documents to which the Issuer is a party, the Issuer will not, so long as any note remains outstanding:

(a) ***Negative pledge***

create or permit to subsist any mortgage, standard security, pledge, lien, charge or other security interest whatsoever (unless arising by operation of law), upon the whole or any part of its assets (including any uncalled capital) or its undertakings, present or future;

(b) ***Disposal of assets***

sell, assign, transfer, lease or otherwise dispose of, or deal with, or grant any trust, option or present or future right to acquire all or any of its properties, assets, or

undertakings or any interest, estate, right, title or benefit therein or thereto or agree or attempt or purport to do any of the foregoing;

(c) ***Equitable interest***

permit any person other than itself and the Security Trustee (as to itself and on behalf of the Secured Creditors) to have any equitable or beneficial interest in any of its assets or undertakings or any interest, estate, right, title or benefit therein;

(d) ***Bank accounts***

have an interest in any bank account, other than a Bank Account or a Swap Excess Reserve Account;

(e) ***Custody accounts***

have an interest in any securities custody account, other than a Custody Account;

(f) ***Restrictions on activities***

carry on any business other than as described in the Base Prospectus (as revised, supplemented and/or amended from time to time) relating to the issue of the Notes and the related activities described therein or as contemplated in the Transaction Documents relating to the issue of the Notes;

(g) ***Borrowings***

incur any indebtedness in respect of borrowed money whatsoever or give any guarantee or indemnity in respect of any indebtedness or obligation of any person other than as contemplated in the Transaction Documents;

(h) ***Merger***

consolidate or merge with any other person or convey or transfer substantially all of its properties or assets to any other person;

(i) ***Waiver or consent***

permit the validity or effectiveness of any of the Trust Deed or the Deed of Charge or the priority of the security interests created thereby to be amended, terminated, postponed, waived or discharged, or permit any other person whose obligations form part of the Security to be released from such obligations;

(j) ***Employees or premises***

have any employees or premises or subsidiaries;

(k) ***Dividends and distributions***

pay any dividend (other than dividends paid out of amounts recorded in the Profit Ledger), or make any other distribution to its shareholders or issue any further shares or alter any rights attaching to its shares as at the date of the Deed of Charge;

(l) ***Purchase Notes***

purchase or otherwise acquire any Note or Notes;

(m) ***US activities***

engage in any activities in the US (directly or through agents), or derive any income from US sources as determined under US income tax principles, or hold any property if doing so would cause it to be engaged in a trade or business within the US as determined under US income tax principles; or

(n) ***VFNs***

allow the Principal Amount Outstanding of any Series, Class or Sub-Class of the VFNs to be less than £10,000 unless such Series, Class or Sub-Class of the VFNs is to be redeemed in full.

4. Interest

(a) ***Interest on Fixed Rate Notes***

Each Fixed Rate Note bears interest on its Principal Amount Outstanding from (and including) the Interest Commencement Date at the rate(s) per annum equal to the rate(s) of interest payable, subject as provided in these Conditions, in arrear on the Note Payment Date(s) in each year specified for such Note in the applicable Final Terms up to (but excluding) the Final Maturity Date.

Except as provided in the applicable Final Terms, the amount of interest payable in respect of any Fixed Rate Note on each Note Payment Date for a Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount. Payments of interest on any Note Payment Date will, if so specified for such Note in the applicable Final Terms, amount to the broken amount so specified.

If interest is required to be calculated in respect of any Fixed Rate Note for a period other than a Fixed Interest Period, such interest will be calculated by applying the Rate of Interest specified for such Note in the applicable Final Terms to the Principal Amount Outstanding on such Note, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

(b) ***Interest on Floating Rate Notes***

(i) ***Note Payment Dates***

Each Floating Rate Note bears interest on its Principal Amount Outstanding from (and including) the Interest Commencement Date and such interest will be payable in arrears on the Note Payment Date(s) in each year specified for such Note in the applicable Final Terms. Such interest will be payable in respect of each Floating Interest Period.

If a Business Day Convention is specified for a Floating Rate Note in the applicable Final Terms and: (x) if there is no numerically corresponding day in the calendar month in which a Note Payment Date should occur; or (y) if any Note Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day convention specified is:

- (A) the "**Following Business Day Convention**", the Note Payment Date for such Note will be postponed to the next day which is a Business Day;
- (B) the "**Modified Following Business Day Convention**", the Note Payment Date for such Note will be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Note Payment Date will be brought forward to the immediately preceding Business Day; or
- (C) the "**Preceding Business Day Convention**", the Note Payment Date for such Note will be brought forward to the immediately preceding Business Day.

(ii) *Rate of Interest*

The Rate of Interest payable from time to time in respect of a Floating Rate Note will be determined in the manner specified for such Note in the applicable Final Terms.

(iii) *ISDA determination for Floating Rate Notes*

Where ISDA determination is specified for such Notes in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate (**provided that** in any circumstances where under the ISDA Definitions, the Agent Bank would be required to exercise any discretion, including the selection of any reference banks and seeking quotations from reference banks, when calculating the relevant ISDA Rate, the relevant determination(s) which require the Agent Bank to exercise its discretion shall instead be made by the Issuer or its designee) plus or minus (as indicated for such Note in the applicable Final Terms) the Margin (if any). For the purposes of this paragraph (b), "**ISDA Rate**" for an Interest Period means a rate equal to the floating rate that would be determined by the Agent Bank (in respect of the Class A Notes) or the VFN Registrar (in respect of the Class Z VFNs and the Seller's Note), as the case may be, or other person specified in the applicable Final Terms under an interest rate swap transaction if the Agent Bank (in respect of the Class A Notes) or the VFN Registrar (in respect of the Class Z VFNs and the Seller's Note), as the case may be, or that other person were acting as calculation agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (A) the Floating Rate Option is as specified for such Notes in the applicable Final Terms;
- (B) the Designated Maturity is the period specified for such Notes in the applicable Final Terms; and
- (C) the relevant Reset Date is either: (i) if the applicable Floating Rate Option is based on EURIBOR for a currency, the first day of that Interest Period; or (ii) in any other case, as specified for such Note in the applicable Final Terms.

For the purposes of this paragraph (iii), "**Floating Rate**", "**Floating Rate Option**", "**Designated Maturity**" and "**Reset Date**" have the meanings given to those terms in the ISDA Definitions.

For the purposes of this Condition 4 (*Interest*), "**EURIBOR**" means the Euro-zone inter-bank offered rate.

(iv) *Screen Rate Determination for Floating Rate Notes – EURIBOR*

Where "**Screen Rate Determination**" is specified for a Floating Rate Note in the applicable Final Terms as the manner in which the Rate of Interest is to be determined for such Note, and the Reference Rate is specified in the applicable Final Terms as being EURIBOR, the Rate of Interest for such Notes for each Interest Period will, subject as provided below, be either:

- (A) the offered quotation (if there is only one quotation on the Relevant Screen Page); or
- (B) the arithmetic mean (rounded, if necessary, to the fourth decimal place, with 0.00005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum), for the Reference Rate(s) which appears or appear, as the case may be, on the Relevant Screen Page as at 11am (Brussels time, in the case of EURIBOR) on the Interest Determination Date in question (the "**Specified Time**") plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Agent Bank (in respect of the Class A Notes) or the VFN Registrar (in respect of the Class Z VFNs and the Seller's Note), as the case may be. If five or more offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one highest quotation, only one of those quotations) and the lowest (or, if there is more than one lowest quotation, only one of those quotations) will be disregarded by the Agent Bank (in respect of the Class A Notes) or the VFN Registrar (in respect of the Class Z VFNs and the Seller's Note), as the case may be, for the purpose of determining the arithmetic mean (rounded as provided above) of the offered quotations.

If the Relevant Screen Page is not available or if no offered quotation appears as at the Specified Time on the Interest Determination Date, the Issuer (in respect of the Class A Notes) or the VFN Registrar (in respect of the Class Z VFNs and the Seller's Note), as the case may be, will request each of the Reference Banks to provide the Issuer or an agent on its behalf appointed at such time (in respect of the Class A Notes) or the VFN Registrar (in respect of the Class Z VFNs and the Seller's Note), as the case may be, with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately the Specified Time on the Interest Determination Date in question. If two or more of the Reference Banks provide the Issuer (in respect of the Class A Notes) or the VFN Registrar (in respect of the Class Z VFNs and the Seller's Note), as the case may be, with offered quotations, the Rate of Interest for the Interest Period will be the arithmetic mean (rounded if necessary to the fourth decimal place, with 0.00005 being rounded upwards) of the offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Agent Bank (in respect of the Class A Notes) or the VFN Registrar (in respect of the Class Z VFNs and the Seller's Note), as the case may be.

If on any Interest Determination Date only one or none of the Reference Banks provides the Issuer (in respect of the Class A Notes) or the VFN Registrar (in respect of the Class Z VFNs and the Seller's Note), as the case may be, with an offered quotation as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period will be the rate per annum which the Agent Bank (in respect of the Class A Notes) or the VFN Registrar (in respect of the Class Z VFNs and the Seller's Note), as the case may be, determines as being the arithmetic mean (rounded if necessary to the fourth decimal place, with 0.00005 being rounded upwards) of the rates, as communicated to (and at the request of) the Issuer (in respect of the Class A Notes) or the VFN Registrar (in

respect of the Class Z VFNs and the Seller's Note), as the case may be, by any two or more of the Reference Banks, at which such banks were offered, at approximately the Specified Time on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) plus or minus (as appropriate) the Margin (if any) or, if fewer than two of the Reference Banks provide the Issuer (in respect of the Class A Notes) or the VFN Registrar (in respect of the Class Z VFNs and the Seller's Note), as the case may be, with offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, at approximately the Specified Time on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for the purpose) informs the Issuer (in respect of the Class A Notes) or the VFN Registrar (in respect of the Class Z VFNs and the Seller's Note), as the case may be, it is quoting to leading banks in the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) plus or minus (as appropriate) the Margin (if any), **provided that**, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest for such Series and Class of Notes will be determined as at the last preceding Interest Determination Date for such Series and Class of Notes (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period in place of the Margin relating to that last preceding Interest Period).

If the Reference Rate from time to time in respect of a Series and Class of Floating Rate Notes is specified in the applicable Final Terms as being other than EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided in paragraphs (v) and (vi) below.

(v) *Compounded Daily Interest Rates*

Where screen rate determination is specified for a Floating Rate Note in the applicable Final Terms as the manner in which the Rate of Interest is to be determined for such Note, and the Reference Rate is specified in the applicable Final Terms as being a Compounded Daily Interest Rate, the Rate of Interest for each Interest Period will, subject as provided below, be the Compounded Daily Interest Rate for the relevant currency plus or minus (as indicated in the applicable Final Terms) the Margin, as determined on the basis of the provisions set out below:

"Compounded Daily Interest Rate" means, with respect to an Interest Period for the relevant currency:

- (A) where "Index Determination" is specified as "Not Applicable" in the relevant Final Terms, the rate of return of a daily compound interest investment during the Interest Period (with the daily Sterling, US Dollar or Euro (as the case may be) overnight reference rate as reference rate for the calculation of interest) as calculated by the Agent Bank (in respect of the Class A Notes) or the VFN Registrar (in respect of the VFNs), as the case may be (or other party responsible for calculating the Rate of Interest as set out in the relevant Final Terms) as at the relevant Interest Determination Date in accordance with the following formula (and the resulting percentage will be rounded if necessary to the nearest fourth decimal place, with 0.00005 being rounded upwards):

$$\left[\prod_{i=1}^{d_0} \left(1 + \frac{Rate_i \times n_i}{D} \right) - 1 \right] \times \frac{D}{d}$$

- (B) where "Index Determination" is specified as "Applicable" in the relevant Final Terms the rate calculated by the Agent Bank (in respect of the Class A Notes) or the VFN Registrar (in respect of the VFN_s) as at the relevant Interest Determination Date in accordance with the following formula (and the resulting percentage will be rounded if necessary to the nearest fourth decimal place, with 0.00005 being rounded upwards):

$$\left(\frac{Index_{END}}{Index_{START}} - 1 \right) \times \frac{D}{d}$$

provided, however, that if the Agent Bank (in respect of the Class A Notes) or the VFN Registrar (in respect of the VFN_s) is unable for any reason to determine either or both of Index_{END} and Index_{START} in relation to any Interest Period, then the Compounded Daily Interest Rate shall be calculated for such Interest Period as if "Index Determination" had been specified as being "Not Applicable" in the relevant Final Terms (and paragraph (A) of this definition shall be applied accordingly),

where:

"Banking Day" is:

- (A) if the relevant reference rate is SONIA, a London Banking Day;
- (B) if the relevant reference rate is SOFR, a US Government Securities Business Day; and
- (C) if the relevant reference rate is €STR, a TARGET Business Day;

"D" is:

- (A) if the relevant reference rate is SONIA, 365;
- (B) if the relevant reference rate is SOFR, 360; and
- (C) if the relevant reference rate is €STR, 360;

"d" is:

- (A) where "Index Determination" is specified as "Applicable" in the relevant Final Terms, the number of calendar days from (and including) the day in relation to which Index_{START} is determined to (but excluding) the day in relation to which Index_{END} is determined; and
- (B) where "Index Determination" is specified as "Not Applicable" in the relevant Final Terms:
 - (I) where "Lag" or "Lock-out" is specified in the relevant Final Terms as the Observation Method, the number of calendar days in the relevant Interest Period; and

- (II) where "Shift" is specified in the relevant Final Terms as the Observation Method, the number of calendar days in the relevant Observation Period;

" d_o " is:

- (A) if the relevant reference rate is SONIA: (i) where "Lag" or "Lock-out" is specified in the relevant Final Terms as the Observation Method, the number of London Banking Days in the relevant Interest Period; and (ii) where "Shift" is specified in the relevant Final Terms as the Observation Method, for any SONIA Observation Period, the number of London Banking Days in the relevant SONIA Observation Period;
- (B) if the relevant reference rate is SOFR: (i) where "Lag" or "Lock-out" is specified in the relevant Final Terms as the Observation Method, the number of US Government Securities Business Days in the relevant Interest Period; and (ii) where "Shift" is specified in the relevant Final Terms as the Observation Method, for any SOFR Observation Period, the number of US Government Securities Business Days in the relevant SOFR Observation Period; and
- (C) if the relevant reference rate is €STR: (i) where "Lag" or "Lock-out" is specified in the relevant Final Terms as the Observation Method, the number of TARGET Business Days in the relevant Interest Period; and (ii) where "Shift" is specified in the relevant Final Terms as the Observation Method, for any €STR Observation Period, the number of TARGET Business Days in the relevant €STR Observation Period;

"€STR" means Euro short-term rate;

"**€STR Observation Period**" is, in respect of an Interest Period, the period from, and including p TARGET Business Days prior to the relevant Interest Period (and the first Interest Period will begin on and include the Interest Commencement Date) and ending on, but excluding, the date falling p TARGET Business Days prior to the Note Payment Date for such Interest Period (or the date falling p TARGET Business Days prior to such earlier date, if any, on which the Notes become due and payable);

"**FOMC Target Rate**" means the short-term interest rate target set by the Federal Open Market Committee and published on the Federal Reserve's website or, if the Federal Open Market Committee does not target a single rate, the mid-point of the short-term interest rate target range set by the Federal Open Market Committee and published on the Federal Reserve's website (calculated as the arithmetic average of the upper bound of the target range and the lower bound of the target range);

" i " is:

- (A) if the relevant reference rate is SONIA, a series of whole numbers from one to d_o , each representing the relevant London Banking Day in chronological order from, and including, the first London Banking Day in the relevant: (i) where "Lag" or "Lock-out" is specified in the relevant Final Terms as the SONIA Observation Method, Interest Period; and (ii) where "Shift" is specified in the relevant Final Terms as the Observation Method, SONIA Observation Period;

- (B) if the relevant reference rate is SOFR, a series of whole numbers from one to ∞ , each representing the relevant US Government Securities Business Day in chronological order from, and including, the first US Government Securities Business Day in the relevant: (i) where "Lag" or "Lock-out" is specified in the relevant Final Terms as the Observation Method, Interest Period; and (ii) where "Shift" is specified in the relevant Final Terms as the Observation Method, SOFR Observation Period; and
- (C) if the relevant reference rate is €STR, a series of whole numbers from one to ∞ , each representing the relevant TARGET Business Days in chronological order from, and including, the first TARGET Business Days in the relevant: (i) where "Lag" or "Lock-out" is specified in the relevant Final Terms as the Observation Method, Interest Period; and (ii) where "Shift" is specified in the relevant Final Terms as the Observation Method, €STR Observation Period;

"Index_{END}" means, in relation to any Interest Period, the Index Value on the day which is "p" Banking Days prior to the Note Payment Date for such Interest Period (and in respect of the final Interest Period for any relevant Series of Notes, the relevant Final Maturity Date);

"Index_{START}" means, in relation to any Interest Period, the Index Value on the day which is "p" Banking Days prior to the first day of such Interest Period (and in respect of the first Interest Period for any relevant Series of Notes, the relevant Issuance Date);

"Index Value" means:

- (A) where "SONIA" is specified as the Reference Rate in the relevant Final Terms, in relation to any Banking Day, the value of the SONIA Index as published by authorised redistributors on the Relevant Screen Page on the immediately following London Banking Day **provided, however, that** in the event that the value originally published is subsequently corrected and such corrected value is published by authorised re-distributors or the Bank of England, as the administrator of SONIA (or any successor administrator of SONIA) on the original date of publication, then such corrected value, instead of the value that was originally published, shall be deemed the Index Value in relation to such London Banking Day; and
- (B) where "SOFR" is specified as the Reference Rate in the relevant Final Terms, in relation to any Banking Day, the value of the SOFR Index as published by the SOFR Administrator as such index appears on the Federal Reserve's website at or around 3.00pm (New York time) on such Banking Day;

"Interest Determination Date" is the day defined as such in the Final Terms;

"London Banking Day" is any day on which commercial banks are open for general business (including dealing in foreign exchange and foreign currency deposits) in London;

"n" is:

- (A) if the reference rate is SONIA, for any London Banking Day, means the number of calendar days from (and including) such London Banking Day up to but excluding the following London Banking Day;

- (B) if the reference rate is SOFR, for any US Government Securities Business Day, means the number of calendar days from and including such US Government Securities Business Day up to but excluding the following US Government Securities Business Day; and
- (C) if the reference rate is €STR, for any TARGET Business Day, means the number of calendar days from and including such TARGET Business Day up to but excluding the following TARGET Business Day;

"**OBFR**" means on a Note Payment Date, the Overnight Bank Funding Rate that appears on the Federal Reserve's website at 5.00pm (New York time) for trades made on the related Interest Determination Date;

"**OBFR Index Cessation Effective Date**" means, following the occurrence of an OBFR Index Cessation Event, the date on which the Federal Reserve Bank of New York (or any successor administrator of the Overnight Bank Funding Rate), ceases to publish the Overnight Bank Funding Rate, or the date as of which the Overnight Bank Funding Rate may no longer be used, in each case as certified in writing by the Issuer to the Agent Bank (in respect of the Class A Notes) or the VFN Registrar (in respect of the Class Z VFNs and the Seller's Note), as the case may be (or such other party responsible for the calculation of the rate of interest, as specified in the applicable Final Terms);

"**OBFR Index Cessation Event**" means the occurrence of one or more of the following events:

- (A) a public statement by the Federal Reserve Bank of New York (or a successor administrator of the Overnight Bank Funding Rate) announcing that it has ceased or will cease to publish or provide the Overnight Bank Funding Rate permanently or indefinitely, **provided that**, at that time, there is no successor administrator that will continue to publish or provide the Overnight Bank Funding Rate;
- (B) the publication of information which reasonably confirms that the Federal Reserve Bank of New York (or a successor administrator of the Overnight Bank Funding Rate) has ceased or will cease to provide the Overnight Bank Funding Rate permanently or indefinitely, **provided that**, at that time, there is no successor administrator that will continue to publish or provide the Overnight Bank Funding Rate; or
- (C) a public statement by a regulator or other official sector entity prohibiting the use of the Overnight Bank Funding Rate that applies to, but need not be limited to, fixed income securities and derivatives, to the extent that such public statement has been acknowledged in writing by ISDA as an "OBFR index cessation event" under the 2021 ISDA Definitions as published by ISDA;

"**p**" means:

- (A) if the reference rate is SONIA, the number of London Banking Days as they may be specified in the applicable Final Terms or, if no such number is specified, five London Banking Days;

- (B) if the reference rate is SOFR, the number of US Government Securities Business Days as they may be specified in the applicable Final Terms or, if no such number is specified, five US Government Securities Business Days; and
- (C) if the reference rate is €STR, the number of TARGET Business Days as they may be specified in the applicable Final Terms or, if no such number is specified, five TARGET Business Days;

"Rate_i" is the relevant reference rate (being the SONIA reference rate, SOFR or €STR) for the Banking Day (being a Banking Day falling in the relevant Observation Period) falling "*p*" Banking Days prior to the relevant Banking Day "*i*". For: (a) any London Banking Day "*i*" that is a Reset Date, the relevant reference rate in respect of the London Banking Day immediately preceding such Reset Date; and (b) any London Banking Day "*i*" that is not a Reset Date (i.e. a London Banking Day in the Cut-off Period), the relevant reference rate in respect of the London Banking Day immediately preceding the last Reset Date of the relevant Interest Period (such last Reset Date coinciding with the Interest Determination Date);

"Reset Date" is each Business Day in the relevant Interest Period, other than any Business Day in the period from, and including, the day following the Interest Determination Date to, but excluding, the corresponding Note Payment Date (such period, the **"Cut-off Period"**). For any Business Day in the Cut-off Period, the relevant reference rate in respect of the Business Day immediately preceding the last Reset Date in the relevant Interest Period (such last Reset Date coinciding with the Interest Determination Date) will apply;

"SIFMA" means the Securities Industry and Financial Markets Association (or any successor entity);

"SOFR" means:

- (A) the daily secured overnight financing rate as provided by the Federal Reserve Bank of New York, as the administrator of such rate (or any successor administrator of such rate) on the New York Fed's Website on or about 5.00pm (New York City time) on each US Government Securities Business Day in respect of the US Government Securities Business Day immediately preceding such day;
- (B) if the daily secured overnight financing rate does not appear on a US Government Securities Business Day as specified in paragraph (A), unless both a SOFR Index Cessation Event and a SOFR Index Cessation Effective Date (each, as defined below) have occurred, the daily secured overnight financing rate in respect of the last US Government Securities Business Day for which such rate was published on the New York Fed's Website; or
- (C) if the daily secured overnight financing rate does not appear on a US Government Securities Business Day as specified in paragraph (A), and both a SOFR Index Cessation Event and a SOFR Index Cessation Effective Date have occurred, the rate (inclusive of any spreads or adjustments) that was recommended as the replacement for the daily secured overnight financing rate by the Federal Reserve Board and/or the Federal Reserve Bank of New York or by a committee officially endorsed or convened by the Federal Reserve Board and/or the Federal Reserve Bank of New York for the purpose of recommending a replacement for the daily secured overnight financing rate

(which rate may be produced by the Federal Reserve Bank of New York or other designated administrator), **provided that**, if no such rate has been recommended within one US Government Securities Business Day of the SOFR Index Cessation Event, then the Interest Rate reference rate will be determined as if, for each US Government Securities Business Day occurring on or after the SOFR Index Cessation Effective Date: (i) references to the Secured Overnight Financing Rate were references to OBFR; (ii) references to US Government Securities Business Day were references to New York City Banking Day; (iii) references to SOFR Index Cessation Event were references to OBFR Index Cessation Event; and (iv) references to SOFR Index Cessation Effective Date were references to OBFR Index Cessation Effective Date; and **provided further that**, if no such rate has been recommended within one US Government Securities Business Day of the SOFR Index Cessation Event and an OBFR Index Cessation Event has occurred, then the Interest Rate reference rate will be determined as if, for each US Government Securities Business Day occurring on or after the later of the SOFR Index Cessation Effective Date and the OBFR Index Cessation Effective Date: (x) references to the Secured Overnight Financing Rate were references to FOMC Target Rate; (y) references to US Government Securities Business Day were references to New York City Banking Day; and (z) references to the New York Fed's Website were references to the Federal Reserve's Website;

"SOFR Administrator" means the Federal Reserve Bank of New York or any successor administrator of the Index Value in respect to SOFR, and Secured Overnight Financing Rate;

"SOFR Index" means the index known as the "SOFR Index" administered by the SOFR Administrator (or any successor administrator thereof);

"SOFR Index Cessation Effective Date" means, following the occurrence of a SOFR Index Cessation Event, the date on which the Federal Reserve Bank of New York (or any successor administrator of the Secured Overnight Financing Rate), ceases to publish the Secured Overnight Financing Rate, or the date as of which the Secured Overnight Financing Rate may no longer be used, in each case as certified in writing by the Issuer to the Agent Bank (in respect of the Class A Notes) or the VFN Registrar (in respect of the Class Z VFNs and the Seller's Note), as the case may be (or such other party responsible for the calculation of the rate of interest, as specified in the applicable Final Terms);

"SOFR Index Cessation Event" means the occurrence of one or more of the following events:

- (A) a public statement by the Federal Reserve Bank of New York (or a successor administrator of the Secured Overnight Financing Rate) announcing that it has ceased or will cease to publish or provide the Secured Overnight Financing Rate permanently or indefinitely, **provided that**, at that time, there is no successor administrator that will continue to publish or provide the Secured Overnight Financing Rate;
- (B) the publication of information which reasonably confirms that the Federal Reserve Bank of New York (or a successor administrator of the Secured Overnight Financing Rate) has ceased or will cease to provide the Secured Overnight Financing Rate permanently or indefinitely, **provided that**, at that

time, there is no successor administrator that will continue to publish or provide the Secured Overnight Financing Rate; or

- (C) a public statement by a regulator or other official sector entity prohibiting the use of the Secured Overnight Financing Rate that applies to, but need not be limited to, fixed income securities and derivatives, to the extent that such public statement has been acknowledged in writing by ISDA as a "SOFR index cessation event" under the 2021 ISDA Definitions as published by ISDA;

"SOFR Observation Period" means in respect of each Interest Period, the period from, and including, the date falling "p" US Government Securities Business Days preceding the first date in such Interest Period to, but excluding, the date "p" US Government Securities Business Days preceding the Note Payment Date for such Interest Period;

"SONIA" means the Sterling Overnight Index Average;

"SONIA Index" means the index known as the "SONIA Index" administered by the Bank of England (or any successor administrator thereof);

"SONIA Observation Period" means the period from and including the date falling *p* London Banking Days prior to the first day of the relevant Interest Period (and the first Interest Period will begin on and include the Interest Commencement Date) and ending on, but excluding, the date falling *p* London Banking Days prior to the Note Payment Date for such Interest Period (or the date falling *p* London Banking Days prior to such earlier date, if any, on which the Notes become due and payable);

"SONIA Reference Rate", in respect of any London Banking Day ("**LBD_x**"), is a reference rate equal to the daily SONIA rate for such LBD_x as provided by the administrator of SONIA to authorised distributors and as then published on the Relevant Screen Page (or, if the Relevant Screen Page is unavailable, as otherwise published by such authorised distributors) on the London Banking Day immediately following LBD_x;

"TARGET Business Day" means a day on which the TARGET System is open;

"TARGET System" means the Trans-European Automated Real-time Gross Settlement Express Transfer (known as TARGET2) system which was launched on 19 November 2007 or any successor thereto; and

"US Government Securities Business Day" means any day except for a Saturday, a Sunday or a day on which SIFMA recommends that the fixed income departments of its members be closed for the entire day for the purposes of trading in US government securities.

If, in respect of any London Banking Day in the relevant Observation Period, the Agent Bank (in respect of the Class A Notes) or the VFN Registrar (in respect of the VFNs), as the case may be or such other party responsible for the calculation of the Rate of Interest, as specified in the applicable Final Terms determines that the SONIA Reference Rate is not available on the Relevant Screen Page or has not otherwise been published by the relevant authorised distributors, such SONIA Reference Rate will be: (i) the Bank of England's Bank Rate (the "**Bank Rate**") prevailing at close of business on the relevant London Banking Day; plus (ii) the mean of the spread of the SONIA Reference Rate to the Bank Rate over the previous five days on which a SONIA Reference Rate has been published, excluding the highest spread (or, if there is more

than one highest spread, one only of those highest spreads) and lowest spread (or, if there is more than one lowest spread, one only of those lowest spreads) to the Bank Rate.

Notwithstanding the paragraph above, in the event the Bank of England publishes guidance as to: (i) how the SONIA Reference Rate is to be determined; or (ii) any rate that is to replace the SONIA Reference Rate, the Agent Bank (in respect of the Class A Notes) or the VFN Registrar (in respect of the VFNs), as the case may be (or such other party responsible for the calculation of the Rate of Interest, as specified in the Final Terms) will, subject to receiving written instructions from the Issuer and to the extent that it is reasonably practicable, follow such guidance in order to determine SONIA for the purpose of the relevant Series and Class of Notes for so long as the SONIA Reference Rate is not available or has not been published by the authorised distributors.

In the event that the Rate of Interest cannot be determined in accordance with the foregoing provisions by the Agent Bank (in respect of the Class A Notes) or the VFN Registrar (in respect of the VFNs), as the case may be (or such other party responsible for the calculation of the Rate of Interest, as specified in the applicable Final Terms), the Rate of Interest will be: (i) that determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or maximum Rate of Interest or minimum Rate of Interest is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin or maximum Rate of Interest or minimum Rate of Interest relating to the relevant Interest Period in place of the Margin or maximum Rate of Interest or minimum Rate of Interest relating to that last preceding Interest Period); or (ii) if there is no such preceding Interest Determination Date, the initial Rate of Interest which would have been applicable to such Series and Class of Notes for the first Interest Period had the Notes been in issue for a period equal in duration to the scheduled first Interest Period but ending on (and excluding) the Interest Commencement Date (but applying the Margin and any maximum Rate of Interest or minimum Rate of Interest applicable to the first Interest Period).

If the relevant Series and Class of Notes become due and payable in accordance with Condition 9 (*Events of Default*) or 10 (*Enforcement*), the final Interest Determination Date will, notwithstanding any Interest Determination Date specified in the applicable Final Terms, be deemed to be the date on which such Notes became due and payable and the Rate of Interest on such Notes will, for so long as any such Note remains outstanding, be as determined on such date.

Unless otherwise stated in the Final Terms, the Minimum Interest Rate in respect of the Floating Rate Notes determined as the sum of the relevant floating rate and Margin (if any) (each as specified in the Final Terms in respect of the applicable Series and Class of Notes) will be deemed to be zero.

(vi) *Minimum Rate of Interest and/or Maximum Rate of Interest*

If the applicable Final Terms specifies a Minimum Rate of Interest for a Floating Rate Note for any Interest Period, then, in the event that the Rate of Interest for such Note in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is less than such Minimum Rate of Interest, the Rate of Interest for such Note for such Floating Interest Period will be such Minimum Rate of Interest.

If the applicable Final Terms specifies a Maximum Rate of Interest for such Note for any Interest Period, then, in the event that the Rate of Interest for such Note in respect

of such Interest Period determined in accordance with the provisions of paragraph (ii) above is greater than such Maximum Rate of Interest, the Rate of Interest for such Note for such Interest Period will be such Maximum Rate of Interest.

(vii) *Determination of Rate of Interest and calculation of Floating Interest Amounts*

The Agent Bank (in respect of the Class A Notes) or the VFN Registrar (in respect of the VFNs), as the case may be, will at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period.

The Agent Bank (in respect of the Class A Notes) or the VFN Registrar (in respect of the VFNs), as the case may be, will calculate the amount of interest payable on the Floating Rate Notes in respect of each Specified Denomination (each a "**Floating Interest Amount**") for the relevant Interest Period. Each Floating Interest Amount will be calculated by applying the Rate of Interest to the Principal Amount Outstanding of each Note, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

"**Day Count Fraction**" means, in respect of the calculation of an amount of interest in accordance with this Condition 4 (*Interest*):

- (A) if "Actual/Actual – ISDA" or "Actual/Actual" or "**Actual/365**" is specified in the relevant Final Terms, the actual number of days in the relevant period from (and including) the most recent Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant Payment Date (the "**Accrual Period**") divided by 365 (or, if any portion of that Accrual Period falls in a leap year, the sum of: (A) the actual number of days in that portion of the Accrual Period falling in a leap year divided by 366; and (B) the actual number of days in that portion of the Accrual Period falling in a non-leap year divided by 365);
- (B) if "**Actual/365 (Fixed)**" is specified in the relevant Final Terms, the actual number of days in the Accrual Period divided by 365;
- (C) if "**Actual/360**" is specified in the relevant Final Terms, the actual number of days in the Accrual Period divided by 360;
- (D) if "**30/360**", "**360/360**" or "Bond Basis" is specified in the relevant Final Terms, the number of days in the Accrual Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

"**Y₁**" is the year, expressed as a number, in which the first day of the Accrual Period falls;

"**Y₂**" is the year, expressed as a number, in which the day immediately following the last day included in the Accrual Period falls;

"**M₁**" is the calendar month, expressed as a number, in which the first day of the Accrual Period falls;

"**M₂**" is the calendar month, expressed as a number, in which the day immediately following the last day included in the Accrual Period falls;

"**D₁**" is the first calendar day, expressed as a number, of the Accrual Period, unless such number would be 31, in which case D1 will be 30;

"**D₂**" is the calendar day, expressed as a number, immediately following the last day included in the Accrual Period, unless such number would be 31 and D1 is greater than 29, in which case D2 will be 30;

- (E) if "**30E/360**" or "Eurobond Basis" is specified in the relevant Final Terms, the number of days in the Accrual Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

"**Y₁**" is the year, expressed as a number, in which the first day of the Accrual Period falls;

"**Y₂**" is the year, expressed as a number, in which the day immediately following the last day included in the Accrual Period falls;

"**M₁**" is the calendar month, expressed as a number, in which the first day of the Accrual Period falls;

"**M₂**" is the calendar month, expressed as a number, in which the day immediately following the last day included in the Accrual Period falls;

"**D₁**" is the first calendar day, expressed as a number, of the Accrual Period, unless such number would be 31, in which case D1 will be 30; and

"**D₂**" is the calendar day, expressed as a number, immediately following the last day included in the Accrual Period, unless such number would be 31, in which case D2 will be 30;

- (F) if "Sterling/FRN" is specified in the relevant Final Terms, the actual number of days in the Interest Period divided by 365 or, in the case of a Payment Date falling in a leap year, 366; and

- (G) if "**Actual/Actual – ICMA**" is specified in the relevant Final Terms:

(1) if the Accrual Period is equal to or shorter than the Determination Period during which it falls, the number of days in the Accrual Period divided by the product of: (A) the number of days in such Determination Period; and (B) the number of Determination Periods normally ending in any year; and

(2) if the Accrual Period is longer than one Determination Period, the sum of:

- (x) the number of days in such Accrual Period falling in the Determination Period in which it begins divided by the product of: (1) the number of days in such Determination Period and; (2) the number of Determination Periods normally ending in one year; and
- (y) the number of days in such Accrual Period falling in the next Determination Period divided by the product of: (1) the number of days in such Determination Period; and (2) the number of Determination Periods normally ending in one year,

where "**Determination Period**" means each period from (and including) an Interest Determination Date to (but excluding) the next Interest Determination Date (including, where either the Interest Commencement Date or the final Payment Date is not an Interest Determination Date, the period commencing on the first Interest Determination Date prior to, and ending on the first Interest Determination Date falling after, such date).

(viii) *Notification of Rate of Interest and Floating Interest Amounts*

The Agent Bank (in respect of the Class A Notes) or the VFN Registrar (in respect of the VFNs), as the case may be, will cause the Rate of Interest and each Floating Interest Amount for each Interest Period and the relevant Note Payment Date to be notified as soon as possible after their determination but in any event no later than (A) five Business Days prior to the immediately succeeding Note Payment Date, to the Cash Manager and (B) two Business Days prior to the immediately succeeding Note Payment Date, to the Note Trustee, the Security Trustee, the Principal Paying Agent, the Registrar, the VFN Registrar and the Issuer, and any stock exchange or other relevant competent authority or quotation system on which the relevant Floating Rate Notes are for the time being listed, quoted and/or traded or by which they have been admitted to listing and to be published in accordance with Condition 14 (*Notice to Noteholders*). Each Floating Interest Amount and Note Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. Any such amendment or alternative arrangements will be promptly notified to the Note Trustee and the London Stock Exchange or other relevant authority on which the relevant Floating Rate Notes are for the time being listed or by which they have been admitted to listing and to Noteholders in accordance with Condition 14 (*Notice to Noteholders*).

(ix) *Certificates to be final*

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 4(b) (*Interest on Floating Rate Notes*), whether by the Agent Bank (in respect of the Class A Notes) or the VFN Registrar (in respect of the VFNs), as the case may be, will (in the absence of wilful default, gross negligence, fraud or manifest error) be binding on the Issuer, the Cash Manager, the Principal Paying Agent, the other Paying Agents, the VFN Registrar, the Note Trustee and all Noteholders and (in the absence of wilful default, gross negligence or fraud) no liability to the Issuer or the Noteholders will attach to the Agent Bank (in respect of the Class A Notes) or the VFN Registrar (in respect of the VFNs), as the case may be, in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(c) ***Accrual of interest***

Interest (if any) will cease to accrue on each Note (or in the case of the redemption of part only of a Note, that part only of such Note) on the due date for redemption thereof unless, upon due presentation thereof, payment of principal is improperly withheld or refused in which event, interest will continue to accrue as provided in the Trust Deed.

(d) ***Deferred interest***

To the extent that, subject to and in accordance with the relevant Priority of Payments, the funds available to the Issuer to pay interest on any Series and Class of Notes (other than the Class A Notes) on a Note Payment Date (after discharging the Issuer's liabilities of a higher priority and subject to and in accordance with the relevant Priority of Payments) are insufficient to pay the full amount of such interest, payment of the shortfall attributable to such Series and Class of Notes ("**Deferred Interest**") will not then fall due but will instead be deferred until the first Note Payment Date for such Notes thereafter on which sufficient funds are available (after allowing for the Issuer's liabilities of a higher priority and subject to and in accordance with the relevant Priority of Payments) to fund the payment of such Deferred Interest to the extent of such funds.

Such Deferred Interest will accrue interest ("**Additional Interest**") at the Rate of Interest applicable from time to time to the applicable Series and Class of Notes and payment of any Additional Interest will also be deferred until the first Note Payment Date for such Notes thereafter on which funds are available (after allowing for the Issuer's liabilities of a higher priority subject to and in accordance with the relevant Priority of Payments) to the Issuer to pay such Additional Interest to the extent of such funds.

Amounts of Deferred Interest and Additional Interest will not be deferred beyond the Final Maturity Date of the applicable Series and Class of Notes when such amounts will become due and payable.

Payments of interest due on a Note Payment Date in respect of the Class A Notes of any Series will not be deferred. In the event of the delivery of an Enforcement Notice (as described in Condition 9 (*Events of Default*)), the amount of interest in respect of such Notes that were due but not paid on such Note Payment Date will itself bear interest at the Rate of Interest applicable from time to time to such Notes until both the unpaid interest and the interest on that interest are paid as provided in the Trust Deed.

5. Redemption, Purchase and Cancellation

(a) ***Final redemption***

Unless previously redeemed in full as provided in this Condition 5, the Issuer will redeem a Series and Class of Notes at their then Principal Amount Outstanding together with all accrued interest on the Final Maturity Date in respect of such Notes.

The Issuer may not redeem such Notes in whole or in part prior to their Final Maturity Date except as provided in Condition 5(b) (*Mandatory redemption of the Notes in Part*), (e) (*Optional redemption in full or in part*), (f) (*Optional redemption for tax and other reasons*) or (g) (*Mandatory redemption of the Class Z(S) VFN and the Seller's Note in part*) below, but without prejudice to Condition 10 (*Enforcement*).

(b) ***Mandatory redemption of the Notes in Part***

On each Note Payment Date following the occurrence of an Asset Trigger Event and/or for so long as a Non-Asset Trigger Event is continuing and on each Note Payment Date following the Step-Up Date (if any) in respect of a Series and Class of Note, other than a Note Payment Date on which a Series and Class of Notes are to be redeemed under Condition 5(a) (*Final redemption*), (d) (*Note Principal Payments and Principal Amount Outstanding*), (e) (*Optional redemption in full or in part*) or (g) (*Mandatory redemption of the Class Z(S) VFN and the Seller's Note in part*), the Issuer will repay principal in respect of such Notes in an amount determined in accordance with the mechanics, rules and priorities as set out in the applicable Priority of Payments and the Reapplication Rule.

(c) ***Termination of the applicable Original Currency Swap***

If the Original Currency Swap relating to any Series and Class of Non-Sterling Notes has been terminated, then, on each Note Payment Date for such Series and Class prior to the delivery of an Enforcement Notice:

- (i) if, on such Note Payment Date, the *pro rata* share of the Enhanced Available Principal Receipts available under the relevant Pre-Enforcement Principal Priority of Payments to repay principal in respect of such Series in accordance with Condition 5(b) (*Mandatory redemption of the Notes in Part*) above, following conversion into the relevant Specified Currency at:

(A) if no replacement Currency Swap is in force, the Spot Rate (by the Cash Manager); or

(B) if a replacement Currency Swap is in force, the Replacement Exchange Rate, is less than the amount that would have been payable (in the relevant Specified Currency) by the Original Currency Swap Counterparty in respect of principal if the Original Currency Swap had not been terminated, the shortfall amounts (such amounts being "**Principal Shortfall Amounts**") will only be payable and paid from any Principal Excess Amounts (as defined below), and to the extent any amounts of such shortfall remain unpaid, such non-payment will not trigger an Event of Default and/or a Trigger Event;

- (ii) if, on such Payment Date, the *pro rata* share of the Enhanced Available Principal Receipts available under the relevant Pre-Enforcement Principal Priority of Payments to pay principal of the Non-Sterling Notes in accordance with this Condition 5(c) following conversion into Specified Currency at:

(A) if no replacement Currency Swap is in force, the Spot Rate (by the Cash Manager); or

(B) if a replacement Currency Swap is in force, the Replacement Exchange Rate, is greater than the amount that would have been payable in the Specified Currency by the original Currency Swap Counterparty in respect of principal if the original Currency Swap had not been terminated, then:

- (1) if no replacement Currency Swap is in force, excess amounts (such amounts being "**Principal Excess Amounts**") will be used to pay any Principal Shortfall Amounts, with any excess being transferred to the

Swap Excess Reserve Account for application (subject to the terms of the Transaction Documents) on subsequent Payment Dates to pay any future Principal Shortfall Amounts; and

- (2) if a replacement Currency Swap is in force, Principal Excess Amounts will be used to pay any Principal Shortfall Amounts, but any excess shall be released (and for the avoidance of doubt any amounts of such excess already held in the Swap Excess Reserve Account will also be released) and will be transferred to a Transaction Account (after conversion into Sterling at the applicable Spot Rate) and credited to the Revenue Ledger for application in accordance with the Pre-Enforcement Revenue Priority of Payments; and
- (iii) if that Note Payment Date falls on or following the Sterling Equivalent Redemption Date:
 - (A) if the relevant Series of Non-Sterling Notes have not been redeemed in full, following application of any amounts held in the Swap Excess Reserve Account towards the redemption of the relevant Series, any Principal Amount Outstanding of such Series will only be payable and paid subject to and in accordance with paragraph (d) of the Pre-Enforcement Pre-Trigger Principal Priority of Payments (in respect of the application of the Funding Note Principal Portion); or
 - (B) if the relevant Series of Non-Sterling Notes have been redeemed in full, any amounts held in the Swap Excess Reserve Account will be transferred to the Transaction Accounts (after conversion into Sterling by the Cash Manager at the applicable Spot Rate) and credited to the Revenue Ledger for application in accordance with the Pre-Enforcement Revenue Priority of Payments.
- (iv) if that Note Payment Date is the Final Maturity Date of such Series and Class, to the extent that, subject to and in accordance with the relevant Priority of Payments, the funds available to the Issuer to redeem principal on such Series and Class (after discharging the Issuer's liabilities of a higher priority and subject to and in accordance with the relevant Priority of Payments) are insufficient to pay the full amount of such principal solely as a result of the termination of the Original Currency Swap, payment of the shortfall attributable to such Series and Class of Notes ("**Deferred Principal**") will not then fall due and be payable but will instead be deferred and will not be payable until the first Payment Date thereafter on which sufficient funds are available (after allowing for the Issuer's liabilities of a higher priority and subject to and in accordance with the relevant Priority of Payments) to fund the payment of such Deferred Principal to the extent of such funds.

On or after the delivery of an Enforcement Notice, any amounts held in the Swap Excess Reserve Account will be transferred to a Transaction Account (after conversion into Sterling by the Cash Manager at the applicable Spot Rate) and applied in accordance with the Post-Enforcement Priority of Payments.

(d) ***Note Principal Payments and Principal Amount Outstanding***

The principal amount redeemable (the "**Note Principal Payment**") in respect of each Note of a particular Series and Class of Notes on any Note Payment Date under Condition 5(b) (*Mandatory redemption of the Notes in Part*) above will be a proportion of the amount required as at that Note Payment Date to be applied in redemption of such Series and Class of Notes on

such date equal to the proportion that the Principal Amount Outstanding of the relevant Note bears to the aggregate Principal Amount Outstanding of such Series and Class of Notes rounded down to the nearest sub-unit of the Specified Currency, **provided always that** no such Note Principal Payment may exceed the Principal Amount Outstanding of the relevant Note.

On each Interest Determination Date, the Issuer will determine (or cause the Cash Manager to determine): (i) the amount of any Note Principal Payment payable in respect of each Note of the relevant Series and Class of Notes on the immediately following Note Payment Date; (ii) the Principal Amount Outstanding of each such Note which will be the Specified Denomination less the aggregate amount of all Note Principal Payments in respect of such Note that have been paid since the Issuance Date for such Series and Class of Notes and on or prior to that Interest Determination Date (the "**Principal Amount Outstanding**"); and (iii) the fraction expressed as a decimal to the fifth decimal point (the "**Pool Factor**"), of which the numerator is the Principal Amount Outstanding of that Note (as referred to in paragraph (ii) above) and the denominator is the Specified Denomination. Each determination by or on behalf of the Issuer of any Note Principal Payment of a Note, the Principal Amount Outstanding of a Note and the Pool Factor will in each case (in the absence of wilful default, gross negligence, fraud or manifest error) be final and binding on all persons.

The Issuer will cause each determination of the Note Principal Payment, the Principal Amount Outstanding and the Pool Factor in respect of a Series of Class of Notes to be notified forthwith, and in any event not later than 2.00pm (London time) on the Business Day immediately succeeding the Interest Determination Date, to the Note Trustee, the Security Trustee, the Paying Agents, the Registrar, the VFN Registrar, the Agent Bank and (for so long as such Class A Notes are listed on the London Stock Exchange) the relevant stock exchange, and will cause notice of each determination of the Note Principal Payment and the Principal Amount Outstanding to be given to Noteholders in accordance with Condition 14 (*Notice to Noteholders*) by no later than the Business Day after the relevant Note Payment Date.

(e) ***Optional redemption in full or in part***

Subject to the provisos below, upon giving not more than 60 or less than 14 calendar days' prior notice to the Note Trustee, the Noteholders and the relevant Swap Counterparty (if any) in accordance with Condition 14 (*Notice to Noteholders*), the Issuer may redeem a Series of Class A Notes (in whole or, other than in respect of paragraphs (i) to (iii) below, where specified in the applicable Final Terms, in part (in such case to be reflected in the records of ICSDs as either a pool factor or reduction in nominal amount, at their discretion)) at their aggregate Redemption Amount together with any accrued and unpaid interest in respect thereof on the following dates:

- (i) the date specified as the Step-Up Date for such Class A Notes in the applicable Final Terms and on any Note Payment Date for such Notes thereafter; or
- (ii) in respect of any Series of Class A Notes, on such Note Payment Date on which the aggregate Sterling Equivalent Principal Amount Outstanding of such Series of Class A Notes is less than 10% of the aggregate Sterling Equivalent Principal Amount Outstanding of such Series of Class A Notes as at the Issuance Date for such Series of Class A Notes; or
- (iii) in respect of any Class A Notes that satisfy the UK STS Criteria Requirements as of the date on which the Revolving Period End Trigger Event first occurred, on the immediately succeeding Note Payment Date for such Notes following the occurrence of a Revolving Period End Trigger Event; or

- (iv) on any date **provided that** all the Noteholders of the Class A Notes which are to be subject to such redemption have given prior written consent to such redemption,

provided that (in any of the cases above), the Issuer will have provided to the Note Trustee a certificate signed by two directors of the Issuer to the effect that:

- (A) it will have the funds, not subject to any interest of any other person, required to redeem such Class A Notes as aforesaid and any amounts required to be paid in priority to or *pari passu* with such Class A Notes (in the case of a redemption of Class A Notes in accordance with paragraph (iii) above, where the date of redemption of the Class A Notes is not a Note Payment Date, on the proposed date of redemption of such Class A Notes and on the Note Payment Date immediately following such date (in the case of the relevant Note Payment Date, on the assumption that such Class A Notes are redeemed on such Note Payment Date)) pursuant to the terms of the Deed of Charge and the Cash Management Agreement; and
- (B) the Reapplication Rule will not be broken by the making of such redemptions (in the case of a redemption of Class A Notes in accordance with paragraph (iii) above, where the date of redemption of the Class A Notes is not a Note Payment Date, on the proposed date of redemption of such Class A Notes and on the Note Payment Date immediately following such date (in the case of the relevant Note Payment Date, on the assumption that such Class A Notes are redeemed on such Note Payment Date)).

(f) ***Optional redemption for tax and other reasons***

If, at any time, the Issuer satisfies the Note Trustee immediately prior to the giving of the notice referred to below that, on the next Note Payment Date for a Series and Class of Notes the Issuer would be required to deduct or withhold from any payment of principal or interest or any other amount under such Notes any amount for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature and such obligation of the Issuer cannot be avoided taking reasonable measures available to it, then the Issuer will use its reasonable endeavours to arrange the substitution of a company incorporated in another jurisdiction approved by the Note Trustee as principal debtor under such Notes, subject to the provisions of the Trust Deed, including the Note Trustee being satisfied that such substitution will not be materially prejudicial to the Noteholders, and subject to the Security Trustee being satisfied that: (i) the position of the Secured Creditors will not thereby be adversely affected; and (ii) such substitution would not require registration of any new security under US securities laws or would materially increase the disclosure requirements under US law or the costs of issuance. Only if the Issuer is unable to arrange such a substitution will the Issuer be entitled to redeem the Notes as described in this Condition 5(f).

Subject to the proviso and the further condition below, if the Issuer is unable to arrange a substitution as described above and the obligation to make a withholding or deduction for or account of taxes is continuing, then the Issuer may, having given not more than 60 or less than 30 days' notice to the Note Trustee, the relevant Swap Counterparty (if any) and the Noteholders in accordance with Condition 14 (*Notice to Noteholders*), redeem all (but not some only) of such Notes on the immediately succeeding Note Payment Date for such Notes at their aggregate Redemption Amount together with any accrued and unpaid interest in respect thereof **provided that** (in either case), prior to giving any such notice, the Issuer will have provided to the Note Trustee:

- (i) a certificate signed by two directors of the Issuer stating the circumstances referred to above prevail and setting out details of such circumstances; and
- (ii) an opinion in form and substance satisfactory to the Note Trustee of independent legal advisers of recognised standing to the effect that the Issuer has or will become obliged to make such withholding or deduction.

The Note Trustee will be entitled to accept such certificate and opinion as sufficient evidence of the satisfaction of the circumstance set out above, in which event they will be conclusive and binding on the Noteholders.

Further, the Issuer may only redeem such Notes as aforesaid, if the Issuer has also provided to the Note Trustee a certificate signed by two directors of the Issuer to the effect that: (a) it will have the funds, not subject to any interest of any other person, required to redeem such Notes as aforesaid and any amounts required to be paid in priority to or *pari passu* with such Notes pursuant to the terms of the Deed of Charge and the Cash Management Agreement; and (b) the Reapplication Rule will be satisfied following the making of such redemptions.

(g) ***Mandatory redemption of the Class Z(S) VFN and the Seller's Note in part***

In accordance with the Reapplication Rule, where the Issuer draws down on:

- (i) the Class Z(S) VFN for the purpose of redemption of the Seller's Note (subject to maintaining the Minimum Seller's Note Amount); or
- (ii) the Seller's Note for the purpose of redemption of the Class Z(S) VFN (subject to maintaining the Required Subordination Amount),

the Issuer shall apply the amounts of such drawings directly to redeem the Seller's Note or the Class Z(S) VFN (as the case may be) on the date of such drawdown in accordance with the relevant Priority of Payments.

(h) ***Money Market Note Mandatory Transfer Arrangements***

- (i) Where the Money Market Note Mandatory Transfer Arrangements are specified in the applicable Final Terms as being applicable to a Series and Class of Money Market Notes, such Notes will be transferred in accordance with paragraphs (ii) to (iv) below on any Money Market Note Mandatory Transfer Date for such Notes in exchange for payment of the Money Market Note Mandatory Transfer Price for such Notes, **provided that** the Issuer will not be liable for the failure to make payment of such Money Market Note Mandatory Transfer Price to the extent that such failure is a result of the failure of the applicable Remarketing Agent or the applicable Conditional Note Purchaser to perform their respective obligations under the applicable Remarketing Agreement, the applicable Conditional Note Purchase Agreement or the Trust Deed.
- (ii) There will be no mandatory transfer of a Series and Class of Money Market Notes on a Money Market Note Mandatory Transfer Date for such Notes if:
 - (A) such Notes are fully redeemed or a notice has been given to the holders of such Notes accordance with Condition 5(e) (*Optional redemption in full or in part*) or Condition 5(f) (*Optional redemption for tax and other reasons*) on or prior to such Money Market Note Mandatory Transfer Date; or

- (B) an Automatic Remarketing Termination Event in relation to such Notes has occurred prior to such Money Market Note Mandatory Transfer Date.
 - (iii) In the event of the occurrence of any of the events in paragraph (ii)(A) or (ii)(B) above, the Issuer will not be obliged to procure any subsequent purchase of such Notes, the applicable Remarketing Agent will not be obliged to remarket any of such Notes and the applicable Conditional Note Purchaser will not be obliged to purchase any of such Notes.
 - (iv) For the avoidance of doubt, following occurrence of any of the events in paragraph (ii)(A) or (ii)(B) above, the Margin payable on such Notes will be the then current Money Market Note Reset Margin for such Notes.
 - (v) Following the occurrence of an optional Remarketing Termination Event in relation to a Series and Class of Money Market Notes, the applicable Remarketing Agent will have the option to terminate its remarketing obligations under the applicable Remarketing Agreement. Following termination of its remarketing obligations, in the absence of an Automatic Remarketing Termination Event referred to in paragraph (ii) above in relation to such Notes, the Remarketing Agent will still be obliged under the applicable Remarketing Agreement, if required by the Issuer, to facilitate the transfer and settlement of such Notes.
 - (vi) For the avoidance of doubt, the obligations of the applicable Conditional Note Purchaser, under the applicable Conditional Note Purchase Agreement to purchase the unplaced Notes (of a Series and Class of Money Market Notes) on a Money Market Note Mandatory Transfer Date for such Notes will not be affected by the occurrence of an optional Remarketing Termination Event in relation to such Notes, and the Maximum Reset Margin for such Notes will be applicable to such Notes from and including the applicable Money Market Note Mandatory Transfer Date.
 - (vii) Subject to paragraphs (i), (ii) and (iii) above, all of the applicable Noteholders' interests in a Series and Class of Money Market Notes will be transferred on the applicable Money Market Note Mandatory Transfer Date for such Notes either as directed by the applicable Remarketing Agent and/or to the applicable Conditional Note Purchaser, or, if Individual Note Certificates are then issued, such Notes will be registered by the Registrar as notified by or on behalf of the applicable Remarketing Agent and the Register will be amended accordingly with effect from the applicable Money Market Note Mandatory Transfer Date.
- (i) ***Redemption Amounts***

For the purposes of this Condition 5 (*Redemption, Purchase and Cancellation*), "**Redemption Amount**" means, in respect of any Series and Class of Notes, the amount specified in relation to such Notes in the applicable Final Terms or, if not so specified, and in respect of any note, the Principal Amount Outstanding of such Note. Where the applicable Final Terms specify that such Series and Class of Notes may be redeemed in part in accordance with Condition 5(e) (*Optional redemption in full or in part*), the "**Redemption Amount**" (where such Series and Class of Notes is to be redeemed in part) will be the amount determined in accordance with the provisions set out in the applicable Final Terms.

6. Payments

(a) *Payment of interest and principal*

Payments of principal shall be made by cheque in the specified currency, drawn on a designated bank, or upon application by a holder of the relevant Note, to the specified office of the Principal Paying Agent (or, in the case of a VFN, the VFN Registrar) no later than the fifth Business Day before the Record Date, by transfer to a designated account maintained by the payee with a designated bank and (in the case of final redemption) upon (other than in the case of a VFN) surrender (or, in the case of part payment only, endorsement) of the relevant Note Certificates at the specified office of any Paying Agent.

Payments of interest shall be made by cheque in the specified currency, drawn on a designated bank, upon application by a holder of the relevant Note to the specified office of the Principal Paying Agent (or, in the case of a VFN, the VFN Registrar) no later than the fifth Business Day before the Record Date, by transfer to a designated account maintained by the payee with a designated bank and (in the case of interest payable on final redemption) upon (other than in the case of a VFN or the Seller's Note) surrender (or, in the case of part payment only, endorsement) of the relevant Note Certificates at the specified office of any Paying Agent.

All amounts payable to DTC or the DTC Custodian as registered holder of a Global Note Certificate in respect of the Class A Notes denominated in a Specified Currency other than U.S. dollars shall be paid by transfer by the US Paying Agent to an account in the relevant Specified Currency of the Exchange and Transfer Agent on behalf of DTC or the DTC Custodian for conversion into and payment in U.S. dollars unless the participant in DTC with an interest in the Notes has elected to receive any part of such payment in that Specified Currency, in the manner specified in the Agency Agreement and in accordance with the rules and procedures for the time being of DTC.

(b) *Laws and regulations*

Payments of principal and interest in respect of the Notes are subject in all cases to any fiscal or other laws and regulations applicable thereto. Noteholders will not be charged commissions or expenses on payments.

(c) *Payment of interest following a failure to pay principal*

If payment of principal is improperly withheld or refused on or in respect of any note or part thereof, the interest which continues to accrue in respect of such Note in accordance with Condition 4(d) (*Deferred interest*) will be paid in accordance with this Condition 6.

(d) *Change of agents*

The initial Principal Paying Agent, each other initial Paying Agent (other than the US Paying Agent), the Registrar, the VFN Registrar and the Exchange and Transfer Agent and their respective initial specified offices are listed at the end of these Conditions. The Issuer reserves the right, subject to the prior written approval of the Note Trustee, at any time to vary or terminate the appointment of the Principal Paying Agent, the US Paying Agent, any other Paying Agent, the Registrar, the Exchange and Transfer Agent and/or the VFN Registrar and to appoint additional or other Paying Agents. The Issuer will at all times maintain a Paying Agent with a specified office in London, (on and from the issuance of the first Rule 144A Notes) a US Paying Agent, a Registrar and a VFN Registrar. Except where otherwise provided in the Trust Deed, the Issuer will cause at least 30 days' notice of any change in or addition to the Paying Agents, the Exchange and Transfer Agent, the Registrar or the VFN Registrar or their specified

offices to be given in accordance with Condition 14 (*Notice to Noteholders*) and will notify the Rating Agencies of such change or addition.

(e) ***No payment on non-Business Day***

Where payment is to be made by transfer to a designated account, payment instructions (for value the due date or, if the due date is not a Business Day, for value the next succeeding Business Day) will be initiated: (i) (in the case of payments of principal and interest payable on redemption) on the later of the due date for payment and the day on which the relevant Note is surrendered (or, in the case of part payment only, endorsed) at the specified office of a Paying Agent (in respect of Class A Notes only) or of the VFN Registrar (in respect of the VFNs), as the case may be; and (ii) (in the case of payments of interest payable other than on redemption) on the due date for payment. A holder of a Note will not be entitled to any interest or other payment in respect of any delay in payment resulting from the due date for a payment not being a Business Day.

(f) ***Partial payment***

If a Paying Agent makes a partial payment in respect of any Class A Note, the Issuer will procure and the Registrar will ensure that the amount and date of such payment are noted on the Register and, in the case of partial payment upon presentation of an Individual Note Certificate, that a statement indicating the amount and date of such payment is endorsed on the relevant Individual Note Certificate and, in the case of a Global Note Certificate held in the NSS, the Registrar or Principal Paying Agent, as the case may be, will instruct the ICSDs to make appropriate entries in their records to reflect the amount of such payment and, in the case of a payment of principal, the remaining Principal Amount Outstanding of such Class A Note.

If the VFN Registrar (in respect of a VFN) makes a partial payment in respect of a VFN, the VFN Registrar will, in respect of such VFN, annotate the VFN Register, indicating the amount and date of such payment.

(g) ***Record date***

Each payment in respect of a Note will be made to the persons shown as the holder in the Register (or, in the case of a VFN, the VFN Register): (i) where the Note is represented by a Global Note Certificate, at the close of the Business Day (being for this purpose a day on which the relevant Clearing Systems are open for business) before the due date for such payment; or (ii) where the Note is represented by Individual Note Certificate, at the opening of business in the place of the Registrar's (in respect of the Class A Notes) or in the case of a VFN, the VFN Registrar's specified office on the 15th day before the due date for such payment (the "**Record Date**").

(h) ***Payment of interest***

Subject as provided otherwise in these Conditions, if interest is not paid in respect of a Note of any Class on the date when due and payable (other than because the due date is not a Business Day) or by reason of non-compliance with Condition 6(a) (*Payment of interest and principal*), then such unpaid interest will itself bear interest at the Rate of Interest applicable from time to time to such Note until such interest and interest thereon are available for payment and notice thereof has been duly given in accordance with Condition 14 (*Notice to Noteholders*).

7. Prescription

Claims against the Issuer for payment of interest and principal on redemption will be prescribed and become void if the relevant Note Certificates are not surrendered for payment within a period of ten years from the relevant date in respect thereof. After the date on which a payment under a Note becomes void in its entirety, no claim may be made in respect thereof. In this Condition 7 (*Prescription*), the "**relevant date**", in respect of a payment under a Note, is the date on which the payment in respect thereof first becomes due or (if the full amount of the monies payable in respect of those payments under all the Notes due on or before that date has not been duly received by the Principal Paying Agent, the US Paying Agent or the Note Trustee on or prior to such date) the date on which the full amount of such monies having been so received or notice to that effect is duly given to Noteholders in accordance with Condition 14 (*Notice to Noteholders*).

8. Taxation

All payments in respect of the Notes will be made without withholding or deduction for, or on account of, any present or future taxes, duties or charges of whatsoever nature unless the Issuer or any relevant Paying Agent or the VFN Registrar is required by applicable law (including FATCA) to make any payment in respect of the Notes subject to any such withholding or deduction. In that event, the Issuer or such Paying Agent or the VFN Registrar will make such payment after such withholding or deduction has been made and will account to the relevant authorities for the amount so required to be withheld or deducted. Neither the Issuer nor any other person will be obliged to make any additional payments to Noteholders in respect of any such withholding or deduction.

The occurrence of the Issuer or any Paying Agent or the VFN Registrar being required to make a withholding or deduction in the circumstances outlined in the previous paragraph will not constitute an Event of Default.

The Issuer will treat the Class A Notes as indebtedness for US federal income tax purposes. Each holder of a Class A Note, by the acceptance thereof, agrees to treat such Class A Note as indebtedness for US federal income tax purposes.

For purposes of this Condition 8, "**FATCA**" shall mean Sections 1471 through 1474 of the US Internal Revenue Code of 1986, as amended, any regulations or agreements thereunder, any official interpretations thereof, or any law implementing an intergovernmental approach thereto.

9. Events of Default

(a) *Class A Noteholders*

The Note Trustee, in its absolute discretion, may (and if so requested in writing by the holders of not less than 25% in aggregate Sterling Equivalent Principal Amount Outstanding of the Class A Notes of all Series of Notes or if so directed by or pursuant to a Programme Resolution of the Class A Notes, will), subject in each case to being indemnified and/or secured and/or prefunded to its satisfaction, deliver notice (a "**Class A Note Enforcement Notice**") to the Issuer and the Security Trustee, with a copy to the Class Z VFN Holder and the Seller's Note Holder declaring (in writing) the Class A Notes and all other Notes to be due and repayable (and they will forthwith become due and repayable) at any time after the happening of any of the following events, which is continuing or unwaived (each a "**Class A Note Event of Default**"):

- (i) default being made for a period of seven Business Days in the payment of any amount of principal of the Class A Notes of any Series when and as the same ought to be paid in accordance with these Conditions or default being made for a period of five Business Days in the payment of any amount of interest on the Class A Notes of any Series when and as the same ought to be paid in accordance with these Conditions, provided that in relation to (i) any Series or Sub-Series of Controlled Amortisation Notes non-payment of the applicable Controlled Amortisation Amount on the relevant Controlled Amortisation Date shall not constitute an Event of Default and (ii) any Series or Sub-Series of Soft Bullet Redemption Notes non-payment of the applicable Soft Bullet Redemption Notes on the relevant Soft Bullet Scheduled Redemption Date shall not constitute an Event of Default;
- (ii) the Issuer failing duly to perform or observe, in any material respect, any other obligation binding upon it under the Class A Notes of any Series, the Trust Deed, the Deed of Charge or any other Transaction Document and, in any such case (except where the Note Trustee certifies that, in its opinion, such failure is incapable of remedy, in which case no notice will be required), such failure is continuing unremedied for a period of 30 days following the service by the Note Trustee on the Issuer of notice requiring the same to be remedied and the Note Trustee has certified that the failure to perform or observe is materially prejudicial to the interests of the holders of the Class A Notes of such series;
- (iii) the Issuer, otherwise than for the purposes of such amalgamation or reconstruction or merger as is referred to in paragraph (iv) below, ceases or threatens to cease to carry on its business or, in the opinion of the Note Trustee, a substantial part of its business or the Issuer is deemed unable to pay its debts within the meaning of section 123(1)(a), (b), (c) or (d) or section 123(2) of the Insolvency Act 1986 (as that section may be amended, modified or re-enacted); or
- (iv) an order being made or an effective resolution being passed for the winding up of the Issuer, except a winding up for the purposes of or pursuant to an amalgamation, restructuring or merger the terms of which have previously been approved by the Note Trustee in writing or by an Extraordinary Resolution of the holders of the Class A Notes;
- (v) proceedings being otherwise initiated against the Issuer under any applicable liquidation, insolvency, composition, reorganisation or other similar laws (including, but not limited to, presentation of a petition or the making of an application for administration or the filing of documents with the court for an administration) and (except in the case of presentation of a petition for an administration order) such proceedings are not, in the opinion of the Note Trustee, being disputed in good faith with a reasonable prospect of success, a formal notice is given of intention to appoint an administrator in relation to the Issuer or an administration order being granted or an administrative receiver or other receiver, liquidator or other similar official being appointed in relation to the Issuer or in relation to the whole or any substantial part of the undertaking or assets of the Issuer, or an encumbrancer taking possession of the whole or any substantial part of the undertaking or assets of the Issuer, or a distress, execution, diligence or other process being levied or enforced upon or sued out against the whole or any substantial part of the undertaking or assets of the Issuer and such possession or process (as the case may be) not being discharged or not otherwise ceasing to apply within 30 days, or the Issuer initiating or consenting to judicial proceedings relating to itself under applicable liquidation, insolvency, composition, reorganisation or other similar laws or making a conveyance or assignment for the

benefit of its creditors generally or a composition or similar arrangement with the creditors or taking steps with a view to obtaining a moratorium in respect of its indebtedness, including without limitation, the filing of documents with the court,

provided that, for the avoidance of doubt, a failure to make or produce any payment required by Condition 5(h) (*Money Market Note Mandatory Transfer Arrangements*) by reason of any failure on the part of any Remarketing Agent or any Conditional Note Purchaser to perform its respective obligations under the Programme Documents will not constitute a Class A Note Event of Default.

(b) ***The Seller's Note Holder***

This Condition 9(b) will have no effect if, and for as long as, any Class A Notes of any Series are outstanding. Subject thereto, for so long as the Seller's Note is outstanding, the Note Trustee in its absolute discretion, may (and if so requested in writing by the Seller's Note Holder or if so directed by or pursuant to a Programme Resolution passed by the Seller's Note Holder, will), subject in each case to being indemnified and/or secured and/or prefunded to its satisfaction, deliver notice (a "**Seller's Note Enforcement Notice**") to the Issuer and the Security Trustee, with a copy to the holder of the Seller's Note, declaring (in writing) the Seller's Note to be due and repayable (and they will forthwith become due and repayable) at any time after the happening of any of the following events, which is continuing or unwaived (each a "**Seller's Note Event of Default**"):

- (i) default being made for a period of seven Business Days in the payment of any amount of principal of the Seller's Note when and as the same ought to be paid in accordance with these Conditions or default being made for a period of five Business Days in the payment of any amount of interest on the Seller's Note when and as the same ought to be paid in accordance with these Conditions (**provided that** failure to pay interest on the Seller's Note where such payment has been deferred by the Issuer will not constitute an Event of Default); or
- (ii) the occurrence of any of the events in Condition 9(a)(ii), (iii), (iv) or (v) above **provided that** the references in Condition 9(a)(ii) and Condition 9(a)(iv) (*Class A Noteholders*) to Class A Notes will be read as references to the Seller's Note.

(c) ***Class Z VFN Holder***

Prior to the occurrence of an Asset Trigger Event and for so long as no Non-Asset Trigger Event is continuing, this Condition 9(c) will have no effect if, and for as long as, any Class A Notes of any Series or the Seller's Note is outstanding. Following the occurrence of an Asset Trigger Event and/or for so long as a Non-Asset Trigger Event is continuing, this Condition 9(c) will have no effect if, and for as long as, any Class A Notes of any Series are or the Seller's Note is outstanding. Subject thereto, for so long as any Class Z VFNs are outstanding, the Note Trustee in its absolute discretion, may (and if so requested in writing by the holders of not less than 25% in aggregate Principal Amount Outstanding of the Class Z VFNs or if so directed by or pursuant to a Programme Resolution passed at a meeting of the holders of the Class Z VFNs, will), subject in each case to being indemnified and/or secured and/or prefunded to its satisfaction, deliver notice (a "**VFN Enforcement Notice**", together with the Class A Note Enforcement Notice and the Seller's Note Enforcement Notice, each an "**Enforcement Notice**") to the Issuer and the Security Trustee declaring (in writing) the Class Z VFNs to be due and repayable (and they will forthwith become due and repayable) at any time after the happening of any of the following events, which is continuing or unwaived (each a "**VFN Event of Default**", together with the Class A Note Event of Default and the Seller's Note Event of Default, collectively "**Events of Default**"):

- (i) default being made for a period of seven Business Days in the payment of any amount of principal of the Class Z VFNs when and as the same ought to be paid in accordance with these Conditions or default being made for a period of five Business Days in the payment of any amount of interest on the Class Z VFNs when and as the same ought to be paid in accordance with these Conditions (**provided that** failure to pay interest on the Class Z VFNs where such payment has been deferred by the Issuer will not constitute an Event of Default); or
 - (ii) the occurrence of any of the events in Condition 9(a)(ii), (iii), (iv) or (v) (*Class A Noteholders*) above **provided that** the references in Condition 9(a)(ii) and Condition 9(a)(iv) (*Class A Noteholders*) to Class A Notes will be read as references to the Class Z VFNs.
- (d) ***Following service of an Enforcement Notice***

For the avoidance of doubt, upon any Enforcement Notice being given by the Note Trustee in accordance with Conditions 9(a) (*Class A Noteholders*), (b) (*The Seller's Note Holder*) and (c) (*Class Z VFN Holder*), all Notes then outstanding will immediately become due, without further action or formality at their Principal Amount Outstanding together with accrued interest (or, in the case of a zero coupon note, at its Redemption Amount, calculated in accordance with Condition 5(h) (*Money Market Note Mandatory Transfer Arrangements*)).

10. Enforcement

(a) ***Enforcement***

The Note Trustee may, at its discretion and without notice at any time and from time to time, take such steps and institute such proceedings against the Issuer or any other person as it may think fit to enforce the provisions of the Notes, the Trust Deed (including these Conditions) or any of the other Transaction Documents to which it is a party and may, at its discretion and without notice, at any time after the Security has become enforceable (including after the service of an Enforcement Notice in accordance with Condition 9 (*Events of Default*)), instruct the Security Trustee to take such steps as it may think fit to enforce the Security. The Note Trustee will not be bound to take such steps or institute such proceedings unless:

- (i) (subject in all cases to restrictions contained in the Trust Deed to protect the interests of any higher-ranking Class of Noteholders) it will have been so directed by a Programme Resolution of the Most Senior Class of Notes or so requested in writing by the holders of not less than 25% in aggregate of the Sterling Equivalent Principal Amount Outstanding of the Most Senior Class of Notes across all Series; and
- (ii) it will have been indemnified and/or secured and/or prefunded to its satisfaction.

The Security Trustee will not be bound to take such steps or take any such other action unless it is so directed by the Note Trustee and indemnified and/or secured and/or prefunded to its satisfaction.

Amounts available for distribution after enforcement of the Security will be distributed in accordance with the terms of the Cash Management Agreement.

No Noteholder may institute any proceedings against the Issuer to enforce its rights under or in respect of the Notes, the Trust Deed, the Deed of Charge or any other Transaction Document unless: (1) the Note Trustee or the Security Trustee, as applicable, has become bound to institute proceedings and has failed to do so within 30 days of becoming so bound; and (2) such failure

is continuing; **provided that**, the holder of the Seller's Note or the VFN Holders (as relevant) will not be entitled to commence proceedings for the winding up or administration of the Issuer unless the Seller's Note or the Class Z VFNs (as the case may be) is the Most Senior Class of Notes or there is consent of Noteholders of not less than 25% of the aggregate Sterling Equivalent Principal Amount Outstanding of the Most Senior Class of Notes across all Series . Notwithstanding the foregoing and notwithstanding any other provision of the Trust Deed, the right of any Noteholder to receive payment of principal and interest on its Notes on or after the due date for such principal or interest, or to institute suit for the enforcement of payment of that principal or interest, may not be impaired or affected without the consent of that Noteholder.

(b) ***Limited Recourse***

If at any time following:

- (i) the occurrence of either:
 - (A) the Final Maturity Date or any earlier date upon which all of the Notes of each Class are due and payable; or
 - (B) the delivery by the Note Trustee of an Enforcement Notice; and
- (ii) Realisation of the Charged Property and application in full of any amounts available to pay amounts due and payable under the Notes in accordance with the applicable Priority of Payments,

the proceeds of such Realisation are insufficient, after payment of all other claims ranking in priority in accordance with the applicable Priority of Payments, to pay in full all amounts then due and payable in respect of any Class of Notes then the amount remaining to be paid (after such application in full of the amounts first referred to in paragraph (ii) above) in respect of such Class of Notes (and any Class of Notes junior to that Class of Notes) will, on the day following such application in full of the amounts referred to in paragraph (ii) above, cease to be due and payable by the Issuer. "**Realisation**" means, in relation to any Charged Property, the deriving to the fullest extent practicable, of proceeds from or in respect of such Charged Property including (without limitation) through sale or through performance by an obligor.

None of the Noteholders, the Note Trustee, the Security Trustee or any other Secured Creditor (nor any other person acting on behalf of any of them) will be entitled at any time to institute against the Issuer or its directors, officers, successors or assigns, or join in any institution against the Issuer of, any bankruptcy, examinership, reorganisation, arrangement, insolvency, winding up or liquidation proceedings or for the appointment of a liquidator, administrator, receiver or any other insolvency official in relation to the Issuer or in relation to the whole or any substantial part of the undertakings of the Issuer.

11. Meetings of Noteholders, modifications and waiver

(a) ***Meetings of Noteholders***

The Trust Deed contains provisions for convening meetings of Noteholders to consider any matter affecting their interests, including provisions as to the Ordinary Resolution and the sanctioning by Extraordinary Resolution of a modification of any provision of these Conditions or the provisions of any of the Transaction Documents.

(i) *Class A Notes*

In respect of the Class A Notes, the Trust Deed provides that, subject to Condition 11(a)(ii) (*Meetings of Noteholders*) and Condition 10(b) (*Limited Recourse*):

- (A) a resolution which, in the sole opinion of the Note Trustee, affects the interests of the holders of the Class A Notes of one Series only will be deemed to have been duly passed if passed at a meeting of the holders of the Class A Notes of that Series;
- (B) a resolution which, in the sole opinion of the Note Trustee, affects the interests of the holders of the Class A Notes of any two or more Series but does not give rise to a conflict of interest between the holders of such two or more Series of Class A Notes, will be deemed to have been duly passed if passed at a single meeting of the holders of such two or more Series of Class A Notes;
- (C) a resolution which, in the sole opinion of the Note Trustee, affects the interests of the holders of the Class A Notes of any two or more Series and gives or may give rise to a conflict of interest between the holders of such two or more Series of Class A Notes, will be deemed to have been duly passed only if, in lieu of being passed at a single meeting of the holders of such two or more Series of Class A Notes, it will be passed at separate meetings of the holders of such two or more Series of Class A Notes; and
- (D) if, in the sole opinion of the Note Trustee, there is a conflict of interest between the interests of the holders of the Class A Notes of one Series and the holders of the Class A Notes of another Series or group of series, then a resolution directing the Note Trustee to take any action will be deemed to have been duly passed only if passed at separate meetings of the holders of each Series of Class A Notes subject to the conflict.

(ii) *Sub-Classes of Class A Notes and Class Z VFNs*

In respect of any Series of Class A Notes constituting two or more Sub-Classes, and in respect of the Class Z VFNs, the Trust Deed provides that subject to Condition 11(b) (*Programme Resolution*):

- (A) a resolution which, in the sole opinion of the Note Trustee, affects the interests of the holders of Notes of one Sub-Class only will be deemed to have been duly passed if passed at a meeting of the holders of the Notes of such Sub-Class;
- (B) a resolution which, in the sole opinion of the Note Trustee, affects the interests of the holders of more than one Sub-Class but does not give rise to a conflict of interest between the holders of such Sub-Classes will be deemed to have been duly passed if passed at a single meeting of the holders of all such Sub-Classes;
- (C) a resolution which, in the sole opinion of the Note Trustee, affects the interests of the holders of more than one Sub-Class of Notes and gives or may give rise to a conflict of interest between the holders of such Sub-Classes will be deemed to have been duly passed only if, in lieu of being passed at a single meeting of the holders of such Sub-Classes, it will be passed at separate meetings of the holders of such Sub-Classes; and

- (D) if, in the sole opinion of the Note Trustee, there is a conflict of interest between the interests of the Noteholders of one or more Sub-Classes of Notes of a Series and the Noteholders of another Sub-Class of Notes of the same Class and Series, then a resolution directing the Note Trustee to take any action will be deemed to have been duly passed only if passed at separate meetings of the holders of such Sub-Classes of Notes.

The quorum at any meeting of Noteholders of any Class or Classes for passing an Ordinary Resolution will be one or more Eligible Persons holding or representing not less than 25% of the aggregate Sterling Equivalent Principal Amount Outstanding of the Notes of the relevant Series and Class or of the relevant one or more Series of Notes of the same Class or, at any adjourned meeting, one or more Eligible Persons holding or representing the Notes of the relevant Series and Class of Notes or of the relevant one or more Series of Notes of the same Class whatever the aggregate Principal Amount Outstanding of the Notes so held or represented by them.

Subject as provided in the following paragraph, the quorum at any meeting of the Noteholders of any Series and Class of Notes or any one or more Series of Notes of the same Class convened to consider an Extraordinary Resolution which does not include the sanctioning of a Basic Terms Modification will be one or more Eligible Persons holding or representing more than 50% of the aggregate Sterling Equivalent Principal Amount Outstanding of such Series and Class of Notes or such one or more Series of Notes of the same Class or, at any adjourned meeting, one or more Eligible Persons holding or representing Notes of the relevant Series and Class of Notes or of the relevant one or more Series of Notes of the same Class whatever the aggregate Principal Amount Outstanding of the Notes so held or represented by them.

The quorum at any meeting of the Noteholders for passing an Extraordinary Resolution which includes the sanctioning of a Basic Terms Modification will be one or more Eligible Persons holding or representing not less than 75% of the aggregate Sterling Equivalent Principal Amount Outstanding of the Notes of the relevant Series and Class or of the relevant one or more Series of Notes of the same Class or, at any adjourned and reconvened meeting, one or more Eligible Persons holding or representing not less than 25% of the aggregate Sterling Equivalent Principal Amount Outstanding of the Notes of the relevant Series and Class or of the relevant one or more Series of Notes of the same Class.

An Ordinary Resolution, an Extraordinary Resolution or a Programme Resolution passed at any meeting of Noteholders will be binding on all of the Noteholders of the relevant Series and Class or of the relevant one or more Series of Notes of the same Class whether or not they are present at the meeting.

In connection with any meeting of the Noteholders where the relevant Notes (or any of them) are not denominated in Sterling, the Principal Amount Outstanding of any note not denominated in Sterling will be converted into Sterling at the relevant Specified Currency exchange rate.

A resolution signed by or on behalf of one or more Eligible Persons holding at least 75% in aggregate Sterling Equivalent Principal Amount Outstanding of the Notes of the relevant Series and Class who for the time being are entitled to receive notice of a meeting under the Trust Deed will for all purposes be as valid and effective as an Ordinary Resolution or an Extraordinary Resolution passed at a meeting of such Series and Class of Noteholders.

Other than in respect of any matter requiring an Extraordinary Resolution, Noteholders are required to vote by way of an Ordinary Resolution.

(b) ***Programme Resolution***

Notwithstanding the provisions of Condition 11(a) (*Meetings of Noteholders*), any Programme Resolution of the Noteholders of any Class of Notes to direct the Note Trustee to deliver an Enforcement Notice to the Issuer and the Security Trustee pursuant to Condition 9 (*Events of Default*) or to take any enforcement action or to instruct the Security Trustee to enforce the Security pursuant to Condition 10 (*Enforcement*) will only be capable of being passed at a single meeting of the Noteholders of all Series of such Class of Notes. The quorum at any such meeting for passing such Programme Resolution will be one or more Eligible Persons holding or representing not less than 75% of the aggregate Sterling Equivalent Principal Amount Outstanding of all Series of such Class of Notes or, at any adjourned and reconvened meeting, one or more Eligible Persons holding or representing not less than 25% of the aggregate Sterling Equivalent Principal Amount Outstanding of all Series of such Class of Notes.

A Programme Resolution passed at any single meeting of all Series of any Class of Notes will be binding on all Noteholders of all series of that Class of Notes, whether or not they are present or represented at the meeting.

(c) ***Limitations on Noteholders***

Subject as provided in Condition 11(d) (*Approval of modifications and waivers by Noteholders*) Condition 11(e) (*Modifications and determinations by Note Trustee and Security Trustee*):

- (i) an Ordinary Resolution of the Class A Noteholders of any Series will be binding on the holder of the Seller's Note and the Class Z VFN Holder;
- (ii) an Extraordinary Resolution of the Class A Noteholders of any Series will be binding on the holder of the Seller's Note and the Class Z VFN Holder;
- (iii) a Programme Resolution of the Class A Noteholders of all Series will be binding on the holder of the Seller's Note and the Class Z VFN Holder;
- (iv) an Ordinary Resolution of the holder of the Seller's Note will be binding on the Class Z VFN Holder;
- (v) an Extraordinary Resolution of the holder of the Seller's Note will be binding on the Class Z VFN Holder;
- (vi) a Programme Resolution of the Seller's Note will be binding on the holder of the Seller's Note and the Class Z VFN Holder.

(d) ***Approval of modifications and waivers by Noteholders***

- (i) For so long as any Series of Class A Notes remains outstanding, no Extraordinary Resolution of the Noteholders of any one or more Series of Class A Notes to sanction a modification (including a Basic Terms Modification) of, or any waiver or authorisation of any breach of, or proposed breach of, any of the provisions of the Transaction Documents or the Conditions will take effect unless it has been sanctioned by an Extraordinary Resolution of the holder of the Seller's Note and the Class Z VFN Holder (**provided that** no such sanction by an Extraordinary Resolution of the holder of the Seller's Note and the Class Z VFN Holder will be required where the Note Trustee is of the opinion that it would not be materially prejudicial to the interests of the holder of the Seller's Note and the Class Z VFN Holder).

- (ii) For so long as no Series of Class A Notes remains outstanding and while the Seller's Note remains outstanding, no Extraordinary Resolution of the holder of the Seller's Note to sanction a modification (including a Basic Terms Modification) of, or any waiver or authorisation of any breach of, or proposed breach of, any of the provisions of the Transaction Documents or the Conditions of such Notes will take effect unless it has been sanctioned by an Extraordinary Resolution of the Class Z VFN Holder (**provided that** no such sanction by an Extraordinary Resolution of the Class Z VFN Holder will be required where the Note Trustee is of the opinion that it would not be materially prejudicial to the interests of the Class Z VFN Holder).
- (e) ***Modifications and determinations by Note Trustee and Security Trustee***
 - (i) The Note Trustee, the Security Trustee and the Issuer may, from time to time, without the consent or sanction of the Noteholders of any Series or any other Secured Creditor (other than any Secured Creditor who is party to the relevant Transaction Document) (i) concur with the Issuer or any other person or (ii) direct the Security Trustee to concur with the Issuer or any other person:
 - (A) in making any modification of the Notes of one or more Series or Sub-Series (including the Conditions applicable thereto) or of any Transaction Document (except for a Basic Terms Modification) **provided that** the Note Trustee is of the opinion that such modification will not be materially prejudicial to the interests of the holders of the Most Senior Class of Notes of any Series; or
 - (B) in making any modification of the Notes of one or more Series or Sub-Series (including the Conditions applicable thereto), or of any Transaction Document, which in the opinion of the Note Trustee (i) is made to correct a manifest error or (ii) is of a formal, minor or technical nature.
 - (ii) The Note Trustee and the Issuer may from time to time and at any time without the consent or sanction of the Noteholders of any Series and without the consent of the other Secured Creditors at any time and from time to time and without prejudice to its rights in respect of any subsequent breach, (a) waive or authorise any breach or proposed breach by the Issuer or any other party of any of the covenants or provisions contained in any Transaction Document if, in the opinion of the Note Trustee, such waiver or authorisation will not be materially prejudicial to the interests of the holders of the Most Senior Class of Notes of any Series, as applicable, or (b) in relation to the Note Trustee only, determine that any Event of Default in respect of any of the Noteholders of any Series will not be treated as such if in the opinion of the Note Trustee, such waiver or authorisation will not be materially prejudicial to the interests of the holders of the Most Senior Class of Notes of any Series **provided always that** the Note Trustee will not exercise any powers conferred on it in contravention of any express direction given by an Extraordinary Resolution or a Programme Resolution, or of a request in writing made by the holders of not less than 25% of the aggregate Sterling Equivalent Principal Amount Outstanding of the Most Senior Class of Notes then outstanding across all Series, in accordance with these Conditions (but so that no such direction or request will affect any waiver, authorisation or determination previously given or made). Any such waiver, authorisation or determination may be given or made on such terms and subject to such conditions (if any) as the Note Trustee may determine.
 - (iii) Any such modification, waiver, authorisation or determination will be binding on the Noteholders and Secured Creditors and, unless the Note Trustee agrees otherwise, any

such modification will be notified to the Noteholders and the Rating Agencies in accordance with Condition 14 (*Notice to Noteholders*) as soon as practicable thereafter.

(f) ***Additional rights of modification***

(i) Notwithstanding the provisions of Condition 11(d) (*Approval of modifications and waivers by Noteholders*), the Note Trustee will be obliged, without any consent or sanction of the Noteholders, to concur with the Issuer in making and/or approving any modification (other than in respect of a Basic Terms Modification to the Notes) of one or more Series or Sub-Series (including the conditions applicable thereto) or of any Transaction Document to which it is a party or in respect of which it holds security or enter into any new, supplemental or additional documents, in each case that the Issuer (or the Cash Manager on its behalf) considers necessary:

(A) for the purpose of complying with, or implementing or reflecting, any change in the criteria of one or more of the Rating Agencies which may be published from time to time, **provided that**:

(1) the Issuer (or the Cash Manager on its behalf) certifies in writing to the Note Trustee and the Security Trustee that such modification is necessary to comply with such criteria or, as the case may be, is solely to implement and reflect such criteria;

(2) in the case of any modification to any Class of Notes, the Notes of one or more Series or Sub-Series, or of any Transaction Document proposed by any of the relevant Swap Counterparties, an Account Bank, the Custodian, the Cash Manager, the Servicer or the Seller in order for such relevant entity (x) to remain eligible to perform its role in such capacity in conformity with such criteria and/or (y) to avoid taking action which it would otherwise be required to take to enable it to continue performing such role (including, without limitation, posting collateral, obtaining a guarantee or advancing funds), the relevant Swap Counterparty, an Account Bank, the Custodian, the Cash Manager, the Servicer or the Seller, as the case may be, certifies in writing to the Issuer, the Note Trustee and the Security Trustee that such modification is necessary for the purposes described in paragraph (x) and/or (y) above (and in the case of a certification provided to the Issuer, the Issuer will certify to the Note Trustee and the Security Trustee that it has received the same from the relevant Transaction Party); and

(B) in order to meet the eligibility criteria for any funding or liquidity scheme provided by a central bank **provided that** the Issuer (or the Cash Manager on its behalf) certifies to the Note Trustee and the Security Trustee in writing that such modification is required solely for such purpose and has been drafted solely to such effect;

(C) in order to enable the Issuer and/or the relevant Swap Counterparty to comply (or continue to comply) with, as applicable:

(1) any obligation which applies to it under Articles 9, 10 and 11 of Regulation (EU) 648/2012 of the European Parliament and of the Council on OTC derivatives, central counterparties and trade repositories dated 4 July 2012, as amended, (including, without

limitation, any associated regulatory technical standards and advice, guidance or recommendations from relevant supervisory regulators) ("EU EMIR") and/or EU EMIR as it forms part of the English domestic law ("UK EMIR", and together with EU EMIR, "EMIR"); or

- (2) any other obligation which applies to it under EMIR,

provided that the Issuer (or the Cash Manager on its behalf) or the relevant Swap Counterparty, as appropriate, certifies to the Note Trustee and the Security Trustee in writing that such modification is required solely for the purpose of enabling it to satisfy such obligation and has been drafted solely to such effect;

- (D) for the purpose of complying (or continuing to comply) with any changes in the requirements of:

- (1) the EU Securitisation Regulation (including the EU Risk Retention Requirements);
- (2) the UK Securitisation Framework (including for the purposes of complying with the UK Risk Retention Rules);
- (3) the EU CRR;
- (4) the UK CRR; or
- (5) the US Credit Risk Retention Requirements or any other risk retention legislation or regulations or official guidance in relation thereto,

provided that the Issuer (or the Cash Manager on its behalf) certifies to the Note Trustee and the Security Trustee in writing that such modification is required solely for such purpose and has been drafted solely to such effect;

- (E) for the purpose of enabling the Class A Notes to be (or to remain) listed on the London Stock Exchange, **provided that** the Issuer (or the Cash Manager on its behalf) certifies to the Note Trustee and the Security Trustee in writing that such modification is required solely for such purpose and has been drafted solely to such effect;

- (F) for the purposes of enabling the Issuer to comply (or continue to comply) with the provisions of Rule 17g-5 of the Securities Exchange Act 1934, **provided that** the Issuer (or the Cash Manager on its behalf) certifies to the Note Trustee and the Security Trustee in writing that such modification is required solely for such purposes and has been drafted solely to such effect;

- (G) for the purpose of complying (or continuing to comply) with any changes in either or both of the requirements of the EU CRA Regulation or the UK CRA Regulation after the Programme Date, including as a result of the adoption of regulatory technical standards in relation to the EU CRA Regulation or the UK CRA Regulation or regulations or official guidance in relation thereto, **provided that** the Issuer (or the Cash Manager on its behalf) certifies to the Note Trustee and the Security Trustee in writing that such modification is required solely for such purpose and has been drafted solely to such effect;

- (H) for the purposes of enabling any Class of Notes to comply with the relevant criteria set out in Article 13 of the LCR Regulation or Article 13 of the UK LCR Regulation (as amended, replaced and/or supplemented from time to time and to the extent permitted by applicable law) (the "**Liquidity Coverage Ratio**"), **provided that** the Issuer (or the Cash Manager on its behalf) certifies to the Note Trustee and the Security Trustee in writing that such modification is required solely for such purpose and has been drafted solely to such effect;
- (I) to enable the Issuer, the Seller or the Servicer to comply with any obligation which applies to it under either or both of the EU Securitisation Regulation and the UK Securitisation Framework (including for the purposes of complying with the UK STS Criteria Requirements), including as a result of the adoption of the relevant technical standards in relation to either or both of the EU Securitisation Regulation and UK Securitisation Framework or any other legislation or regulations or official guidance in relation thereto and including for the purposes of enabling any Series of Class of Notes to comply with the criteria for simple, transparent and standardised securitisations set out in either or both of the EU Securitisation Regulation and the UK Securitisation Framework or any other legislation or regulations or official guidance in relation thereto, **provided that** the Issuer, the Seller or the Servicer certifies to the Note Trustee and the Security Trustee in writing that such modification is required solely for such purpose and has been drafted solely to such effect;
- (J) for the purposes of complying (or continuing to comply) with the applicable requirements of the UK CRR, the EU CRR, UK Solvency II or EU Solvency II after the Programme Date, including as a result of the adoption of regulatory technical standards in relation to the UK CRR, the EU CRR, UK Solvency II or EU Solvency II or regulations or official guidance in relation thereto, **provided that** the Issuer (or the Cash Manager on its behalf) certifies to the Note Trustee and the Security Trustee in writing that such modification is required solely for such purpose and has been drafted solely to such effect;
- (K) for the purposes of amending the Mortgage Loan Warranties, the Product Switch Warranties, the Eligibility Criteria or the Portfolio Criteria solely for the purpose of the addition of a New Mortgage Loan Type to the Mortgage Portfolio **provided that** the Issuer (or the Cash Manager on its behalf) certifies to the Note Trustee and the Security Trustee in writing that such modification is required solely for such purpose and has been drafted solely to such effect;
- (L) for the purposes of amending any Mortgage Loan Warranty and/or any Product Switch Warranty made by the Seller in relation to a Further Advance and/or Product Switch, **provided that** the Issuer (or the Servicer on its behalf) certifies to the Note Trustee and the Security Trustee in writing that such modification is required solely for such purpose and has been drafted solely to such effect;
- (M) in connection with the transfer of any Swap to a replacement Swap Counterparty, to enable such modifications to the original Swap Agreement as may be agreed with the replacement Swap Counterparty **provided that** the Servicer or the replacement Swap Counterparty certifies to the Note Trustee and the Security Trustee that, following any such modifications, the relevant Swap Agreement will satisfy the rating criteria of the Relevant Rating Agencies;

- (N) for the purposes of amending the Swap Agreement(s) to ensure that the interest rate risk present in the transaction in the context of the Notes is effectively mitigated, **provided that** the Servicer certifies to the Note Trustee and the Security Trustee that, following any such modifications, the Swap Agreement(s) will continue to satisfy the rating criteria of the Relevant Rating Agencies;
- (O) for the purposes of entering into any new account bank agreement and/or making any changes necessary to any Account Bank Agreement(s), including in relation to the transfer of the Transaction Account provided that the Issuer (or the Cash Manager on its behalf) certifies to the Note Trustee and the Security Trustee in writing that such modification is required solely for such purpose and has been drafted solely to such effect;
- (P) for the purposes of entering into any new custody agreement to transfer the Custody Account to a replacement Custodian and/or making any changes necessary to the original Custody Agreement provided that the Issuer (or the Cash Manager on its behalf) certifies to the Note Trustee and the Security Trustee in writing that such modification is required solely for such purpose and has been drafted solely to such effect;
- (Q) for the purposes of appointing any number of additional Rating Agencies to rate any Series of Notes (each, an "**Additional Rating Agency**") where such Additional Rating Agency is not an Initial Rating Agency, **provided that** the Issuer (or the Cash Manager on its behalf) certifies to the Note Trustee and the Security Trustee in writing that such modification is required solely for such purpose and has been drafted solely to such effect;
- (R) for the purpose of allowing the Notes to be recognised as eligible collateral for Eurosystem monetary policy and intra-day credit operations by the Eurosystem, **provided that** the Issuer (or the Cash Manager on its behalf) certifies to the Note Trustee and the Security Trustee in writing that such modification is required solely for such purpose and has been drafted solely to such effect; or
- (S) in order to enable the Issuer to issue Notes in the future that are subordinated to the Class A Notes, but are senior to Class Z VFNs and the Seller's Note **provided that** the Issuer (or the Cash Manager on its behalf) certifies to the Note Trustee and the Security Trustee in writing that such modification is required solely for such purpose and it has been drafted solely to such effect

(each a "**Modification**") and the certificate to be provided by the Issuer, the Servicer or the Cash Manager on behalf of the Issuer, the relevant Swap Counterparty or any other relevant Transaction Party, as the case may be, pursuant to paragraphs (A) to (S) above (inclusive) being a "**Modification Certificate**" (upon which the Note Trustee and the Security Trustee will each be able to rely conclusively and without liability), **provided that:**

- (1) at least 30 calendar days' prior written notice of any such proposed modification has been given to the Note Trustee and the Security Trustee;
- (2) the Modification Certificate in relation to such modification will be provided to the Note Trustee and the Security Trustee (and in respect of paragraph (A)(1) and/or (A)(2) above to the Issuer) both at the time the Note Trustee and the

Security Trustee is notified of the proposed modification and on the date that such modification takes effect;

- (3) the consent of each Secured Creditor (x) who is a party to the relevant Transaction Document and which has a right to consent to such modification pursuant to the provisions of such Transaction Document and/or Deed of Charge or (y) whose ranking in any Priority of Payment is affected by the proposed modification has been obtained; and
- (4) the Issuer pays all costs and expenses (including legal fees) incurred by the Note Trustee and the Security Trustee in connection with such modification,

and **provided further that:**

- (I) other than in the case of a modification pursuant to Condition 11(f)(i)(C) or Condition 11(f)(i)(S), the Issuer obtains a Ratings Confirmation from each Rating Agency; and
- (II)
 - (a) the Issuer has provided at least 30 calendar days' notice of the proposed modification to the Noteholders of each relevant Class in accordance with Condition 14 (*Notice to Noteholders*); and
 - (b) Noteholders representing at least 10% of the aggregate Principal Amount Outstanding of the Most Senior Class of Notes of any affected Series of Notes then outstanding have not contacted the Note Trustee and/or the Principal Paying Agent in writing (or otherwise in accordance with the then-current practice of any applicable Clearing System through which such Notes may be held) within such notification period notifying the Note Trustee that such Noteholders object to the modification.

If Noteholders representing at least 10% of the aggregate Sterling Equivalent Principal Amount Outstanding of the Most Senior Class of Notes of any affected Series of Notes have notified the Note Trustee in writing (or otherwise in accordance with the then-current practice of any applicable Clearing System through which such Notes may be held) within the notification period referred to above that they object to the modification, then such modification will not be made unless an Extraordinary Resolution of the Noteholders of the Most Senior Class of Notes of each affected Series of Notes then outstanding notified pursuant to Condition 11(f)(II) above is passed in favour of such modification in accordance with Condition 11(a) (*Meetings of Noteholders*).

Objections made in writing other than through the applicable Clearing System must be accompanied by evidence to the Note Trustee's satisfaction (having regard to prevailing market practices) of the relevant Noteholder's holding of the Notes.

- (ii) Notwithstanding the provisions of Condition 11(d) (*Approval of modifications and waivers by Noteholders*), the Note Trustee and the Security Trustee will be obliged, without any consent or sanction of the Noteholders or, subject to paragraph (iv) below, any of the other Secured Creditors, to concur with the Issuer in making any modification (other than a Basic Terms Modification, **provided that** neither a Benchmark Rate Modification nor a Swap Rate Modification (each as defined below) will constitute a Basic Terms Modification) to the Trust Deed, the Conditions and/or any other Transaction Document to which it is a party or in relation to which it holds

security to or enter into any new, supplemental or additional documents that the Issuer considers necessary in order to:

- (A) change the screen rate or the benchmark rate that then applies in respect of the Notes to an alternative benchmark rate (such replacement rate, an "**Alternative Benchmark Rate**") and make such other amendments as are necessary or advisable in the commercially reasonable judgment of the Issuer (or the Servicer on its behalf) to facilitate such change which, for the avoidance of doubt, may include modifications to when the Floating Rate of Interest applicable to any Class of Notes is calculated and/or notified to Noteholders (a "**Benchmark Rate Modification**") **provided that** the Servicer (on behalf of the Issuer, as applicable) certifies to the Note Trustee in writing (such certificate, a "**Benchmark Rate Modification Certificate**") that:
 - (1) such Benchmark Rate Modification is being undertaken as a result of any of the following events (each a "**Benchmark Rate Disruption**"):
 - (I) a material disruption to EURIBOR, SONIA, €STR, SOFR or any other relevant interest rate benchmark, an adverse change in the methodology of calculating such interest rate benchmark, such interest rate benchmark ceasing to exist or be published or the administrator of such interest rate benchmark having used a fall-back methodology for calculating such interest rate benchmark for a period of at least 30 days;
 - (II) the insolvency or cessation of business of the administrator of EURIBOR, SONIA, €STR, SOFR or any other relevant interest rate benchmark (in circumstances where no successor administrator has been appointed);
 - (III) a public statement by the administrator of EURIBOR, SONIA, €STR, SOFR or any other relevant interest rate benchmark that it has or will cease publishing the relevant interest rate benchmark permanently or indefinitely (in circumstances where no successor administrator has been appointed that will continue publication of such interest rate benchmark) or has changed or will change such interest rate benchmark in an adverse manner;
 - (IV) a public statement by the supervisor of the administrator of EURIBOR, SONIA, €STR, SOFR or any other relevant interest rate benchmark that the relevant interest rate benchmark has been or will be permanently or indefinitely discontinued or will be changed in an adverse manner;
 - (V) a public statement by the supervisor of the administrator of EURIBOR, SONIA, €STR, SOFR or any other relevant interest rate benchmark that means the relevant interest rate benchmark may no longer be used or that its use is or will be subject to restrictions or adverse consequences or that such interest rate benchmark is, or will no longer be, representative of the underlying market it purports to measure as of a certain date, and such representativeness will not be restored;

- (VI) it having become unlawful and/or impossible and/or impracticable for any Paying Agent, the VFN Registrar, the Agent Bank, the Issuer or the Cash Manager (as the case may be) to calculate any payments due to be made to any Noteholder using EURIBOR, SONIA, €STR, SOFR or any other relevant interest rate benchmark;
 - (VII) where the base rate that applies in respect of the Floating Rate Notes is Compounded Daily SONIA, an alternative manner of calculating a SONIA-based base rate is introduced and becomes a standard means of calculating interest for similar transactions;
 - (VIII) following the implementation of a Benchmark Rate Modification, it becomes generally accepted market practice in the publicly listed asset-backed floating rate notes market to use a benchmark rate of interest which is different from the Alternative Benchmark Rate which had already been adopted by the Issuer in respect of any Series or Class of Notes pursuant to a Benchmark Rate Modification; or
 - (IX) it being the reasonable expectation of the Issuer that any of the events specified in paragraphs (I) to (VIII) above will occur or exist within six months of the proposed effective date of a Benchmark Rate Modification, subject to certification by the Issuer that such is its reasonable expectation;
- (2) such Alternative Benchmark Rate satisfies one of the following requirements (each a "**Benchmark Rate Eligibility Requirement**"):
- (I) a benchmark rate published, endorsed, approved or recognised by the Federal Reserve, the Bank of England, the Financial Conduct Authority, the Prudential Regulation Authority, the European Central Bank, any regulator in the US, the UK or the European Union or any stock exchange on which any Series or Class of Notes is listed or any relevant committee or other body established, sponsored or approved by any of the foregoing, including, without limitation, the Working Group on Sterling Risk-Free Reference Rates (which may be an alternative benchmark rate together with a specified adjustment factor which may increase or decrease the relevant alternative benchmark rate);
 - (II) a benchmark rate with an equivalent term utilised in at least five publicly listed new issues of asset-backed floating rate notes prior to the effective date of a Benchmark Rate Modification;
 - (III) a benchmark rate utilised in a publicly listed new issue of asset-backed floating rate notes where the originator of the relevant assets is the Seller; or
 - (IV) such other reference rate as the Issuer reasonably determines, subject to certification by the Issuer:

- (a) that, in its reasonable opinion, none of paragraphs (I) to (III) above are applicable and/or practicable in the context of the Programme; and
 - (b) of the rationale in the Benchmark Rate Modification Certificate for choosing the proposed Alternative Benchmark Rate.
- (3) the modifications proposed in the context of the Benchmark Rate Modification are required solely for the purpose of applying the Alternative Benchmark Rate and making consequential modifications to the Conditions or any Transaction Document which are, as determined by the Issuer (or the Servicer on behalf of the Issuer) in its commercially reasonable judgement, necessary or advisable, and the modifications have been drafted solely to such effect; or
- (B) change the benchmark rate that then applies in respect of the fixed-floating rate swap under any Swap Agreement to an Alternative Benchmark Rate solely as a consequence of a Benchmark Rate Modification and solely for the purpose of aligning the benchmark rate of the fixed-floating rate swap under such Swap Agreement to the benchmark rate of the Notes following such Benchmark Rate Modification (a "**Swap Rate Modification**") **provided that:**
 - (1) the relevant Swap Counterparty provides its prior written consent to such Swap Rate Modification; and
 - (2) the Servicer (on behalf of the Issuer, as applicable) certifies to the Note Trustee in writing that such modification is required solely for such purpose and it has been drafted solely to such effect (such certificate being a "**Swap Rate Modification Certificate**");

provided that, in the case of any modification made pursuant to a Benchmark Rate Modification and/or a Swap Rate Modification above (as applicable):

- (I) at least 30 days' prior written notice of any such proposed modification has been given to the Note Trustee **provided that** this notice must be delivered prior to publication of any Benchmark Rate Modification Noteholder Notice;
- (II) the details of and the rationale for any Note Rate Maintenance Adjustment proposed in accordance with Condition 11(f)(B)(VII)(d) below are as set out in the Benchmark Rate Modification Noteholder Notice published in accordance with Condition 11(f)(B)(VII) below;
- (III) the relevant Benchmark Rate Modification Certificate or, as applicable, a Swap Rate Modification Certificate in relation to such modification is provided to the Note Trustee both at the time the Note Trustee is notified of the proposed modification, five Business Days prior to the publication of the Benchmark Rate Modification Noteholder Notice and on the date that such modification takes effect;
- (IV) the consent of each Secured Creditor (including the Agents and the Cash Manager) which is a party to any relevant Transaction Document being amended has been obtained;

- (V) the Issuer has obtained a Ratings Confirmation;
- (VI) in respect of a Benchmark Rate Modification only, by no later than the date on which the proposed Benchmark Rate Modification becomes effective, the Issuer has agreed the corresponding Swap Rate Modification, other than if the Rating Agency provides written confirmation to the Issuer that the Benchmark Rate Modification would not result in a downgrade, withdrawal or suspension of the then current ratings assigned to the Class A Notes by such Rating Agency if there is no corresponding Swap Rate Modification;
- (VII) the Issuer has provided at least 30 days' notice to the Noteholders of the proposed modification in accordance with Condition 14 (*Notice to Noteholders*) (such notice, the "**Benchmark Rate Modification Noteholder Notice**") notifying the following:
 - (a) the period during which Class A Noteholders may object to the proposed Benchmark Rate Modification and the method by which they may object;
 - (b) the Benchmark Rate Disruption on the basis of which the Benchmark Rate Modification and/or Swap Rate Modification is being proposed;
 - (c) the Benchmark Rate Eligibility Requirement satisfied by the Alternative Benchmark Rate and, if paragraph (IV) of the definition of Benchmark Rate Eligibility Requirement is being applied, the Issuer's rationale for choosing the Alternative Benchmark Rate; and
 - (d) details of the adjustment which the Issuer proposes to make (if any) to the Margin payable on each Class of Notes which are the subject of the Benchmark Rate Modification in order to, so far as reasonably and commercially practicable, preserve what would have been the expected Floating Rate of Interest applicable to each such Class of Notes had no such Benchmark Rate Modification been effected which, for the avoidance of doubt, may effect an increase or a decrease to the Margin or may be set at zero (the "**Note Rate Maintenance Adjustment**"), **provided that:**
 - (i) in the event that (in the case of Notes with an original Reference Rate of EURIBOR) the European Money Markets Institute or, in each case, any relevant committee or other body established, sponsored or approved by any of the foregoing, has published, endorsed, approved or recognised a note rate maintenance adjustment mechanism which could be used in the context of a transition from EURIBOR to the Alternative Benchmark Rate, then the Issuer will propose that note rate maintenance adjustment mechanism as the Note Rate Maintenance Adjustment, or otherwise the Issuer will set out in the Benchmark Rate Modification Noteholder Notice the

rationale for concluding that this is not a commercial and reasonable approach in relation to the Notes and the proposed Benchmark Rate Modification;

- (ii) in the event that it has become generally accepted market practice in the publicly listed asset-backed floating rate notes to use a particular note rate maintenance adjustment mechanism in the context of a transition from EURIBOR (as the case may be) to the Alternative Benchmark Rate, then the Issuer will propose that note rate maintenance adjustment mechanism as the Note Rate Maintenance Adjustment, or otherwise the Issuer will set out in the Benchmark Rate Modification Noteholder Notice the rationale for concluding that this is not a commercial and reasonable approach in relation to the Notes and the proposed Benchmark Rate Modification; and
 - (iii) in the event that neither paragraph (i) nor (ii) above apply, the Issuer will use reasonable endeavours to propose an alternative Note Rate Maintenance Adjustment as reasonably determined by the Issuer (or the Servicer on behalf of the Issuer) and will set out the rationale for the proposal or otherwise the Issuer will set out in the Benchmark Rate Modification Noteholder Notice the rationale for concluding that this is not a commercial and reasonable approach in relation to the Notes and the proposed Benchmark Rate Modification;
- (VIII) details of (i) other amendments which the Issuer proposes to make (if any) to these Note Conditions or any other Transaction Document and (ii) any new, supplemental or additional documents into which the Issuer proposes to enter to facilitate the changes envisaged pursuant to Benchmark Rate Modification and/or Swap Rate Modification;
- (IX) Noteholders representing at least 10% of the Sterling Equivalent Principal Amount Outstanding of the Most Senior Class of Notes then outstanding of the affected Series have not contacted the Note Trustee in writing (or otherwise in accordance with the then-current practice of any applicable Clearing System through which such Notes may be held) within the relevant notification period notifying the Note Trustee that such Noteholders do not consent to the Benchmark Rate Modification and/or Swap Rate Modification; and
- (X) the Issuer pays all costs and expenses (including legal fees) incurred by the Issuer, the Note Trustee and the Servicer in connection with such modification.

If Noteholders representing at least 10% of the Sterling Equivalent Principal Amount Outstanding of the Most Senior Class of Notes of the affected Series then outstanding have notified the Note Trustee in writing (or otherwise in accordance with the then-current practice of any applicable Clearing System through which such Notes may be held) within such notification period that such Noteholders do not consent to the

modification, then such modification will not be made unless an Extraordinary Resolution of the Noteholders of the Most Senior Class of Notes of each affected Series of Notes then outstanding notified pursuant to Condition 11(f)(ii)(B)(2)(IX) is passed in favour of such modification in accordance with Condition 11 (*Meetings of Noteholders, modifications and waiver*).

Objections made in writing other than through the applicable Clearing System must be accompanied by evidence to the Note Trustee's satisfaction (having regard to prevailing market practices) of the relevant Noteholder's holding of the Notes.

- (iii) The Note Trustee will concur with the Issuer in effecting any Ratings Modification Event (as defined below), subject to receipt by the Note Trustee and the Security Trustee of a certificate (upon which the Note Trustee and the Security Trustee will be able to rely conclusively and without liability) of the Issuer signed by two directors of the Issuer (a "**Rating Modification Certificate**") certifying that the requested modifications to the Conditions applying to such Notes and/or any Transaction Documents are to be made solely for the purposes of enabling the Issuer:

- (A) to remove any one of the Rating Agencies (a "**Removed Rating Agency**") from rating any Series of Notes together with the related ratings criteria, rating tests, rating triggers and any and all requirements specified by and/or relating to such Removed Rating Agency (an "**Existing Rating Agency Removal**"); and/or
- (B) subsequently to reappoint any such Removed Rating Agency or to substitute any such Removed Rating Agency for one of the Rating Agencies then rating such Series of Notes (an "**Existing Rating Agency Reappointment**") and to include the then current relevant ratings criteria, rating tests, rating triggers and any and all relevant requirements specified by and/or relating to such reappointed Rating Agency,

(a "**Ratings Modification Event**"), **provided that**, in each case and at all times, such Series of Notes continues to be rated by at least two of the four Rating Agencies, and **further provided that** the Issuer has given at least 15 Business Days' prior notice to the holders of each relevant Series and Class of Notes of such Ratings Modification Event.

- (iv) Notwithstanding Condition 11(f) or any Transaction Document:
 - (A) when implementing any modification pursuant to this Condition 11(f) (save to the extent the Note Trustee considers that the proposed modification would constitute a Basic Terms Modification (**provided that** neither a Benchmark Rate Modification nor a Swap Rate Modification (each as defined herein) will constitute a Basic Terms Modification)), the Note Trustee will not consider the interests of the Noteholders, any other Secured Creditor or any other person and will act and rely solely and without further investigation on any certificate or evidence provided to it by the Issuer or the relevant Transaction Party, as the case may be, pursuant to this Condition 11(f) and will not be liable to the Noteholders, any other Secured Creditor or any other person for so acting or relying, irrespective of whether any such modification is or may be materially prejudicial to the interests of any such person; and
 - (B) the Note Trustee will not be obliged to agree (or direct the Security Trustee to agree) to any modification which, in the sole opinion of the Note Trustee would have the effect of (A) exposing the Note Trustee and/or the Security Trustee to

any liability against which it has not been indemnified and/or secured and/or pre-funded to its satisfaction or (B) increasing the obligations, liabilities or duties, or decreasing the rights or protection, of the Note Trustee and/or the Security Trustee in the Transaction Documents and/or these Conditions.

(v) Any such modification will be binding on all Noteholders and will be notified by the Issuer as soon as reasonably practicable to:

(A) so long as any of the Notes rated by the Rating Agencies remains outstanding, each Rating Agency;

(B) the Secured Creditors; and

(C) the Noteholders in accordance with Condition 14 (*Notice to Noteholders*).

(g) **Exercise of Note Trustee's functions**

Where the Note Trustee is required, in connection with the exercise of its powers, trusts, authorities, duties and discretions under these Conditions or any other Issuer transaction document, to have regard to the interests of the Noteholders (of a Class, Series or Series and Sub-Class thereof), it will have regard to the interests of such Noteholders as a Class and, in particular but without prejudice to the generality of the foregoing, the Note Trustee will not have regard to, or be in any way liable for, the consequences of such exercise for individual Noteholders resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory. In connection with any such exercise, the Note Trustee will not be entitled to require, and no Noteholder will be entitled to claim, from the Issuer or any other person, any indemnification or payment in respect of any tax consequence of any such exercise upon individual Noteholders.

(h) In these Conditions:

"Basic Terms Modification" means, in respect of any Series and Class of Notes, any modification which would have the effect of:

(i) reducing or cancelling of the amount payable or, where applicable, modifying, except where such modification is bound to result in an increase, the method of calculating the amount payable or modifying the date of payment or, where applicable, altering the method of calculating the date of payment in respect of any principal or interest in respect of such Notes;

(ii) altering the currency in which payments under such notes are to be made;

(iii) altering the quorum or majority required to pass an Extraordinary Resolution;

(iv) changing what constitutes a Basic Terms Modification; or

(v) altering the priority in which payments are made to the Noteholders of such Notes pursuant to any Priority of Payments.

"Block Voting Instruction" means an English language document issued by a Paying Agent in which:

(i) it is certified that:

- (A) certain specified Notes (each a **Blocked Note**) have been blocked in an account with the relevant Clearing System and will not be released until the conclusion of the meeting or, if later, any adjourned meeting, and that the holder of each Blocked Note or a duly authorised person on its behalf has instructed the Registrar that the votes attributable to such Blocked Note are to be cast in a particular way on each resolution to be put to the meeting or any adjourned meeting; or
 - (B) each registered holder of such Notes or a duly authorised person on its behalf has instructed the Registrar that the vote(s) attributable to the Note or Notes so held (each a Relevant Note) should be cast in a particular way in relation to the resolution or resolutions to be put to such Meeting or any adjourned meeting; and
 - (C) in each case that, all such instructions are, during the period commencing 48 hours prior to the time for which such meeting or any adjourned Meeting is convened and ending at the conclusion or adjournment thereof, neither revocable nor capable of amendment;
- (ii) the aggregate principal amount of the Blocked Notes and Relevant Notes so held are listed distinguishing with regard to each such resolution between those in respect of which instructions have been given as aforesaid that the votes attributable thereto should be cast in favour of the resolution and those in respect of which instructions have been so given that the votes attributable thereto should be cast against the resolution; and
 - (iii) one or more persons named in such document is or are authorised and instructed by such Registrar to cast the votes attributable to such Blocked Note and Relevant Notes so listed in accordance with the instructions referred to in paragraph (iii) above as set out in such document;

"Electronic Consent" means, where any Class of Notes are held on or on behalf of a Clearing system or Clearing systems, approval of a resolution proposed by the Issuer or the Note Trustee (as the case may be) given by way of electronic consents communicated through the electronic communication systems of the relevant Clearing System(s) in accordance with their operating rules and procedures by or on behalf of the holders.

"Extraordinary Resolution" means, in respect of the holders of any of the Classes of Notes:

- (a) a resolution of the Noteholders passed at a meeting duly convened and held in accordance with the provisions of the Trust Deed by a majority consisting of not less than 75% of the Eligible Persons voting thereat upon a show of hands or if a poll is duly demanded by a majority consisting of not less than 75% of the votes cast on such poll; or
- (b) a Written Resolution signed by or on behalf of the Noteholders of not less than 75% of the aggregate Sterling Equivalent Principal Amount Outstanding of the relevant Series and Class of Notes or such one or more Series of Notes of the same Class; or
- (c) an Electronic Consent given by or on behalf of the Noteholders of not less than 75% of the aggregate Sterling Equivalent Principal Amount Outstanding of the relevant Series and Class of Notes or such one or more Series of Notes of the same Class.

"Eligible Person" means any one of the following persons who shall be entitled to attend and vote at a meeting:

- (a) a registered holder of an Individual Note Certificate presently outstanding who produces such Individual Note Certificate at such meeting;
- (b) a bearer of any Voting Certificate; and
- (c) a proxy specified in any Block Voting Instruction or form of proxy; and
- (d) in the case of Notes represented by a Global Note Certificate registered in the name of DTC or its nominee, a sub-proxy appointed by any direct participant of DTC

"Programme Resolution" means, in respect of the holders of any of the Classes of Notes, a resolution unanimously passed at a single meeting duly convened and held in accordance with the provisions of the Trust Deed by the Eligible Persons voting thereat upon a show of hands, or if a poll is duly demanded, unanimously by the number of votes cast on such poll.

"Ordinary Resolution" means, in respect of the holders of any of the Classes of Notes:

- (a) a resolution passed at a meeting of Noteholders duly convened and held in accordance with the Trust Deed and these Conditions by not less than a majority of the Eligible Persons voting thereat on a show of hands or, if a poll is duly demanded, by a majority of the votes cast on such poll; or
- (b) a Written Resolution signed by or on behalf of the Noteholders of not less than a majority in aggregate Principal Amount Outstanding of the relevant Class of Notes; or
- (c) an Electronic Consent given by or on behalf of the Noteholders of not less than a majority in aggregate Principal Amount Outstanding of the relevant Class of Notes.

"Voting Certificate" means an English language certificate issued by a Paying Agent in which it is stated:

- (a) that on the date thereof the Notes (not being the Notes in respect of which a Block Voting Instruction has been issued and is outstanding in respect of the meeting specified in such Voting Certificate) are blocked in an account with the relevant Clearing System and that no such Notes will be released until the earlier of:
 - (i) the conclusion of the meeting or, if later, any adjourned Meeting specified in such Voting Certificate; and
 - (ii) the surrender of the Voting Certificate to the Paying Agent who issued the same; and
- (b) that the holder thereof or a duly authorised person on its behalf is entitled to attend and vote at such meeting in respect of the Notes represented by such Voting Certificate.

"Written Resolution" means a resolution in writing signed by or on behalf of the Noteholders of the relevant Series and Class or of the relevant Class of more than one Series of Notes who for the time being are entitled to receive notice of a Meeting in accordance with the provisions of the Trust Deed, whether contained in one document or several documents in the same form, each signed by or on behalf of one or more such holders of the relevant Class of Notes.

12. Indemnification of the Note Trustee and the Security Trustee

The Transaction Documents contain provisions governing the responsibility (and relief from responsibility) of the Note Trustee and the Security Trustee and providing for their indemnification in certain circumstances, including, among others, provisions relieving the Security Trustee from taking enforcement proceedings or enforcing the Security unless indemnified and/or secured and/or prefunded to its satisfaction. The Note Trustee and the Security Trustee are also entitled to be paid their costs and expenses in priority to any interest payments to Noteholders.

The Note Trustee and the Security Trustee and their related companies are entitled to enter into business transactions with the Issuer, the Cash Manager, the Seller and/or the related companies of any of them and to act as Note Trustee or Security Trustee for the holders of any new Notes and/or any other person who is a party to any Transaction Document or whose obligations are comprised in the Security and/or any of its Subsidiary or associated companies without accounting for any profit resulting therefrom.

Neither the Note Trustee nor the Security Trustee will be responsible for any loss, expense or liability which may be suffered as a result of any assets comprised in the Security, or any deeds or documents of title thereto, being uninsured or inadequately insured or being held by clearing organisations or their operators or by intermediaries such as banks, brokers or other similar persons on behalf of the Note Trustee or the Security Trustee, as applicable.

Furthermore, the Note Trustee and the Security Trustee will be relieved of liability for making searches or other inquiries in relation to the assets comprising the Security. Neither the Note Trustee nor the Security Trustee has any responsibility in relation to the legality and the enforceability of the trust arrangements and the related Security. Neither the Note Trustee nor the Security Trustee will be obliged to take any action which might result in its incurring personal liabilities. Neither the Note Trustee nor the Security Trustee is obliged to monitor or investigate the performance of any other person under the Transaction Documents and is entitled to assume, until it has actual knowledge to the contrary, that all such persons are properly performing their duties, unless it receives express notice to the contrary.

Neither the Note Trustee nor the Security Trustee will be responsible for any deficiency which may arise because it is liable to tax in respect of the proceeds of any Security.

13. Replacement of Notes

If Individual Note Certificates are lost, stolen, mutilated, defaced or destroyed, the Noteholder can replace them at the specified office of any Paying Agent subject to all applicable laws and stock exchange requirements. The Noteholder will be required both to pay the expenses of producing a replacement and to comply with the Issuer's, the Registrar's and the Paying Agent's reasonable requests for evidence and indemnity.

If a Global Note Certificate is lost, stolen, mutilated, defaced or destroyed, the Issuer will procure the delivery of a replacement Global Note Certificate to the registered holder upon receipt of satisfactory evidence and surrender of any defaced or mutilated Global Note Certificate. A replacement will only be made upon payment of the expenses for a replacement and compliance with the Issuer's, Registrar's and Paying Agents' reasonable requests as to evidence and indemnity.

Defaced or mutilated Note Certificates must be surrendered before replacements will be issued.

14. Notice to Noteholders

(a) *Publication of notice*

- (i) While the Notes are represented by Global Note Certificates, any notice to Noteholders shall be validly given by delivering such notice to the relevant Clearing System for communication by it to Noteholders. Any notice delivered to the relevant Clearing System shall be deemed to have been given on the day of such delivery.
- (ii) Where the Notes are represented by Individual Note Certificates, any notice to Noteholders shall be validly given by (A) email or (B) first class post (or its equivalent) or (if posted to an address outside the United Kingdom) by airmail, at the respective email addresses or addresses (as the case may be) on the Register or the VFN Register. Any such notice sent by post will be deemed to have been given on the fourth day after the date of posting and any notice sent by email shall be deemed to have been given at the time of dispatch; or
- (iii) So long as the relevant Notes are admitted to trading and listed on the Official List, any notice to Noteholders shall be valid if published in a manner which complies with the rules and regulations of the London Stock Exchange and any such notice will be deemed to have been given on the date sent to the London Stock Exchange (which may also include simultaneously delivering a copy via a regulatory information service such as the Regulatory News Service of the London Stock Exchange).

(b) *Global Note Certificates*

While the Class A Notes are represented by Global Note Certificates, any notice to the Class A Noteholders will be validly given if such notice is provided in accordance with Condition 14(a) (*Publication of notice*) or (at the option of the Issuer) if delivered to DTC (in the case of the Rule 144A Notes) or Euroclear and/or Clearstream, Luxembourg (in the case of the Regulation S Notes) or (in relation to a Series and Class of Notes, if specified for such Notes in the applicable Final Terms) if delivered to any alternative Clearing System. Any notice delivered to the DTC and/or Euroclear and/or Clearstream, Luxembourg and/or such alternative Clearing System will be deemed to be given on the day of delivery.

(c) *Note Trustee's discretion to select alternative method*

The Note Trustee will be at liberty to sanction some other method of giving notice to the Noteholders or any Series or Class or category of them if, in its opinion, such other method is reasonable having regard to market practice then prevailing and to the requirements of the London Stock Exchange on which the Notes are then admitted for trading and **provided that** notice of such other method is given to the Noteholders in such manner as the Note Trustee will require.

15. Further issues

The Issuer will, subject to the terms of the Trust Deed, be at liberty from time to time, without the consent of the Noteholders, subject to the Issuance Tests, to create and issue further Class A Notes having terms and conditions the same as the Class A Notes of any Series then in existence or the same in all respects save for the amount and date of the first payment of interest thereon, issue date and/or purchase price and so that the same will be consolidated and form a single Series and Class with the outstanding Notes of such Series. References in these Conditions to the Notes include (unless the context requires otherwise) any other notes issued pursuant to these Conditions (including, as the case may be, any Sub-Series of the Class A

Notes) and forming a single Series with the Notes. The Trust Deed contains provisions for convening a single meeting of noteholders and the holders of notes of other Series in certain circumstances where the Trustee has so decided.

16. Governing law and jurisdiction

The Transaction Documents and all non-contractual obligations arising out of or in connection with them and the Notes are governed by English law unless specifically stated to the contrary. Unless specifically stated to the contrary:

- (a) the courts of England are to have non-exclusive jurisdiction to settle any disputes (including any disputes relating to non-contractual obligations arising out of or in connection with these conditions) which may arise out of or in connection with the Notes and the Transaction Documents; and
- (b) the Issuer and the other parties to the Transaction Documents irrevocably submit to the non-exclusive jurisdiction of the courts of England.

17. Contracts (Rights of Third Parties) Act 1999

No person will have any right to enforce any term or condition of the Notes under the Contracts (Rights of Third Parties) Act 1999, but this will not affect any right or remedy of a third party which exists or is available apart from that Act.

18. Increasing the Principal Amount Outstanding of the VFNs

(a) Notice of Increase

If the Cash Manager (on behalf of the Issuer) determines that a further drawdown on a Class Z VFN and/or the Seller's Note should be made (the "**Further VFN Drawdown**"), the Cash Manager (on behalf of the Issuer) will serve a notice of the Further VFN Drawdown on the holder of the related Class Z VFN or the Seller's Note requiring or requesting, as appropriate, that the Class Z VFN Holder or the holder of the Seller's Note, as the case may be, makes such Further VFN Drawdown available in respect of the relevant Class Z VFN or the Seller's Note on the date specified in such notice of increase in the amount specified therein. Any notice of increase given by the Cash Manager (on behalf of the Issuer) shall be irrevocable.

The Class Z VFN Holder and/or the holder of the Seller's Note, as the case may be, upon receipt of a notice of increase from the Issuer (or the Cash Manager on behalf of the Issuer):

- (i) where the funding of the Further VFN Drawdown is mandatory, shall advance the amount equal to such Further VFN Drawdown to the Issuer on the date and in accordance with the instructions specified in the notice of such Further VFN Drawdown; and
- (ii) where the funding of the Further VFN Drawdown is at the sole discretion of the Class Z VFN Holder and/or the holder of the Seller's Note, will notify the Issuer and the Cash Manager if the Class Z VFN Holder and/or the holder of the Seller's Note, as the case may be, is prepared to advance the amount equal to such Further VFN Drawdown (the "**Further VFN Drawdown**"),

provided that (i) where the Class Z VFN Holder and/or the holder of the Seller's Note, as the case may be, has sole discretion over advancing such Further VFN Drawdown, it is recognised by the Issuer that any such advance of further monies is at all times at the sole discretion of the

Class Z VFN Holder and/or the holder of the Seller's Note, as the case may be, and on an uncommitted basis until such time as the Class Z VFN Holder and/or the holder of the Seller's Note, as the case may be, informs the Issuer in writing that it will make such advance of further monies, and (ii) in any event such Class Z VFN Holder and/or the holder of the Seller's Note, as the case may be, will not be obliged to advance such Further VFN Drawdown available unless and until such time as the Issuer has complied with the requirements of Condition 18(b) (*Conditions to Further VFN Drawdown*) below.

(b) ***Conditions to Further VFN Drawdown***

The Class Z VFN Holder and/or the holder of the Seller's Note will advance the amount of such Further VFN Drawdown to the Issuer for value on the Business Day specified in the notice of increase if the following conditions are satisfied:

- (i) the relevant notice of increase is given not later than one Business Day prior to the proposed date for the advancing such Further VFN Drawdown (unless agreed otherwise by the Class Z VFN Holder and/or the holder of the Seller's Note);
- (ii) either:
 - (A) the Issuer confirms in the notice of increase that no Event of Default has occurred or will occur as a result of advancing such Further VFN Drawdown; or
 - (B) in circumstances where the relevant advance is to be made at the sole discretion of the Class Z VFN Holder and/or the holder of the Seller Note, the Class Z VFN Holder and/or the holder of the Seller's Note agrees in writing (notwithstanding any matter referred to in paragraph (A) above) to advance such Further VFN Drawdown in accordance with the notice of increase;
- (iii) the proposed date of such Further VFN Drawdown falls on a Business Day prior to the Final Maturity Date of the relevant Class Z VFN and/or the Seller's Note; and
- (iv) the advance of such Further VFN Drawdown will not cause a breach of the US Credit Risk Retention Requirements where any Rule 144A Notes are outstanding, the EU Risk Retention Requirements or the UK Risk Retention Rules.

19. Non-Responsive Rating Agency

- (a) In respect of the exercise of any power, duty, trust, authority or discretion as contemplated hereunder or in relation to any rated Series of Notes and any of the Programme Documents, the Note Trustee and the Security Trustee (acting on the directions of the Note Trustee) shall be entitled but not obliged to take into account any written confirmation or affirmation (in any form acceptable to the Note Trustee and the Security Trustee) from the Rating Agencies that the then current ratings of the relevant Series of Class A Notes will not be reduced, qualified, adversely affected or withdrawn thereby (an "**Actual Ratings Confirmation**").
- (b) If an Actual Ratings Confirmation or other response by a Rating Agency is a condition to any action or step under any Programme Document and a written request for such Actual Ratings Confirmation or response is delivered to each Rating Agency by or on behalf of the Issuer (copied to the Note Trustee and the Security Trustee, as applicable) and:
 - (i) (A) one or more Rating Agency (such Rating Agency, a "**Non-Responsive Rating Agency**") indicates that it does not consider an Actual Ratings Confirmation or

response necessary in the circumstances or that it does not, as a matter of practice or policy, provide such Actual Ratings Confirmation or response; or (B) within 30 days of delivery of such request, no Actual Ratings Confirmation or response is received and/or such request elicits no statement by such Rating Agency that such Actual Ratings Confirmation or response could not be given; and

- (ii) one Rating Agency has given such Actual Ratings Confirmation or response based on the same facts,

then such condition to receive an Actual Ratings Confirmation or response from each Rating Agency will be deemed to be modified so that there will be no requirement for the Actual Ratings Confirmation or response from the Non-Responsive Rating Agency if the Issuer (or the Cash Manager on its behalf) provides to the Note Trustee and the Security Trustee a certification that, if there is only one Non-Responsive Rating Agency, each of the events in sub-paragraph (i)(A) or (B) and (ii) above has occurred or if there is more than one Non-Responsive Rating Agency that the events in sub-paragraph (i)(A) or (i)(B) above are satisfied (such certification, a **"Deemed Ratings Confirmation"**). The Note Trustee and the Security Trustee will be entitled to rely on such Deemed Ratings Confirmation without further enquiry or liability. Any Deemed Ratings Confirmation by the Issuer (or the Cash Manager on its behalf) may or may not be given at the sole discretion of the Issuer (or the Cash Manager on its behalf).

UK TAX CONSEQUENCES

The following is a summary of the UK withholding taxation treatment at the date hereof in relation to payments of principal and interest in respect of the Notes. It is based on current law and the practice of His Majesty's Revenue and Customs ("HMRC"), which may be subject to change, sometimes with retrospective effect. The comments do not deal with other UK tax aspects of acquiring, holding or disposing of Notes. The comments relate only to the position of persons who are absolute beneficial owners of the Notes. Prospective Noteholders should be aware that the particular terms of issue of any Series of Notes as specified in the relevant Final Terms may affect the tax treatment of that and other Series of Notes. The following is a general guide for information purposes and should be treated with appropriate caution. It is not intended as tax advice and it does not purport to describe all of the tax considerations that may be relevant to a prospective purchaser. Noteholders who are in any doubt as to their tax position should consult their professional advisers. Noteholders who may be liable to taxation in jurisdictions other than the UK in respect of their acquisition, holding or disposal of the Notes are particularly advised to consult their professional advisers as to whether they are so liable (and if so under the laws of which jurisdictions), since the following comments relate only to certain UK taxation aspects of payments in respect of the Notes. In particular, Noteholders should be aware that they may be liable to taxation under the laws of other jurisdictions in relation to payments in respect of the Notes even if such payments may be made without withholding or deduction for or on account of taxation under the laws of the UK.

UK Withholding Tax

The Notes issued by the Issuer which carry a right to interest will constitute "quoted Eurobonds" provided they are and continue to be listed on a recognised stock exchange (within the meaning of section 1005 of the Income Tax Act 2007 (the "Act") for the purposes of section 987 of the Act). While the Notes are and continue to be quoted Eurobonds, payments of interest on the Notes may be made without withholding or deduction for or on account of UK income tax.

Securities will be "listed on a recognised stock exchange" for this purpose if they are admitted to trading on an exchange designated as a recognised stock exchange by an order made by the Commissioners for HMRC and either they are included in the UK Official List (within the meaning of Part VI of the FSMA) or they are officially listed, in accordance with provisions corresponding to those generally applicable in European Economic Area states, in a country outside the UK in which there is a recognised stock exchange.

The London Stock Exchange is a recognised stock exchange, and accordingly the Class A Notes will constitute quoted Eurobonds **provided that** they are and continue to be included in the UK Official List and admitted to trading on the regulated market of that Exchange.

In all other cases interest on the Notes may fall to be paid under deduction of UK income tax at the basic rate (currently 20%) subject to such relief as may be available following a direction from HMRC pursuant to the provisions of any applicable double taxation treaty, or to any other exemption which may apply. However, this withholding will not apply if the relevant interest is paid on Notes with a maturity date of less than one year from the date of issue and which are not issued under arrangements the effect of which is to render such Notes part of a borrowing with a total term of a year or more.

Other Rules Relating to UK Withholding Tax

Notes may be issued at an issue price of less than 100% of their principal amount. Any discount element on any such Notes will not generally be subject to any UK withholding tax pursuant to the provisions mentioned in the section entitled "UK Withholding Tax" above.

UK Tax Consequences

Where Notes are to be, or may fall to be, redeemed at a premium, as opposed to being issued at a discount, then any such element of premium may constitute a payment of interest. Payments of interest are subject to UK withholding tax as outlined above.

Where interest has been paid under deduction of UK income tax, Noteholders who are not resident in the UK may be able to recover all or part of the tax deducted if there is an appropriate provision in any applicable double taxation treaty.

The references to "**interest**" above mean "interest" as understood in UK tax law. The statements above do not take any account of any different definitions of "interest" or "principal" which may prevail under any other law or which may be created by the terms and conditions of the Notes or any related documentation. Noteholders should seek their own professional advice as regards the withholding tax treatment of any payment on the Notes which does not constitute "interest" or "principal" as those terms are understood in UK tax law.

The above description of the UK withholding tax position assumes that there will be no substitution of an Issuer and does not consider the tax consequences of any such substitution.

MATERIAL US TAX CONSIDERATIONS

The following section is a discussion of the anticipated material US federal income tax consequences of the purchase, ownership and disposition of the Class A Notes that may be relevant to a US holder or non-US holder (each as defined later in this section).

In general, the discussion assumes that a holder acquires a Class A Note at original issuance at its issue price (generally the first price at which a substantial amount of substantially similar Class A Notes are sold for money, excluding sales to bond houses, brokers, or similar persons or organisations acting in the capacity of managers, placement agents or wholesalers) and holds such note as a capital asset. It does not purport to be a comprehensive description of all the US tax considerations that may be relevant to a decision to purchase the Class A Notes. In particular, it does not discuss special tax considerations that may apply to certain types of taxpayers, including dealers in stocks, securities or notional principal contracts; traders in securities electing to mark to market; insurance companies; regulated investment companies; real estate investment trusts; tax exempt organisations; banks, savings and loan associations and similar financial institutions; certain former citizens and residents of the United States, tax consequences attributable to persons required to accelerate the recognition of any item of gross income with respect to the Class A Notes as a result of such income being recognised on an applicable financial statement; US holders whose functional currency is other than the US Dollar; taxpayers that hold a Class A Note as part of a hedge or straddle or synthetic security or a conversion transaction, within the meaning of section 1258 of the Code; and subsequent purchasers of Class A Notes. Further, this discussion does not address alternative minimum tax consequences, the Medicare tax on net investment income or any tax considerations to holders of interests in a US holder. In addition, this discussion does not describe any tax consequences arising under the laws of any taxing jurisdiction other than the US federal government. This discussion also does not address the characterisation of Class A Notes for US federal income tax purposes that are held by members of the expanded (or modified expanded) group under Treasury Regulations under Section 385 of the Code (or any successor regulations). In addition, please consult the applicable Final Terms for a discussion of additional US federal income tax consequences in the event the Money Market Notes are subject to remarketing arrangements. This discussion is based on the US federal income tax laws, regulations, rulings and decisions in effect or available as of the date of this Base Prospectus. All of the foregoing are subject to change, and any change may apply retroactively and could affect the continued validity of this discussion. Further, the following discussion assumes that the Issuer will conduct its affairs as described in this Base Prospectus and in accordance with assumptions made by, and representations made to, counsel.

There are no authorities directly addressing transactions substantially identical to this transaction and no ruling on any of the consequences or issues discussed below will be sought from the Internal Revenue Service (the "IRS") in connection with this transaction. As a result, the IRS or a court may disagree with all or part of the discussion herein. **Accordingly, the Issuer encourages persons considering the purchase of Class A Notes to consult their own tax advisers as to the personal US tax consequences of the purchase, ownership and disposition of the Class A Notes, including the possible application of state, local, non-US or other tax laws, and other US federal income tax issues affecting the transaction.**

As used in this section the term "US holder" means a beneficial owner of Class A Notes that is, for US federal income tax purposes (a) an individual who is a citizen or resident of the US, (b) an entity treated as a corporation that is organised or created under the law of the US, a State thereof, or the District of Columbia, (c) any estate the income of which is subject to taxation in the US regardless of source, or (d) any trust if a court within the US is able to exercise primary supervision over its administration and one or more "United States persons" (as such term is defined in the Code) have the authority to control all substantial decisions of the trust. A "non-US holder" is a beneficial owner of Class A Notes that is neither a US holder nor a partnership for US federal income tax purposes.

Material US Tax Considerations

If an entity or arrangement that is treated as a partnership for US federal income tax purposes holds Class A Notes, the US federal income tax treatment generally will depend upon the activities of the partnership and the status of the partners. Such an entity or arrangement should consult its own tax adviser as to the US federal income tax consequences to itself and its partners of acquiring, holding and disposing of the Class A Notes.

Tax status of the Issuer

The Issuer intends to operate so as not to be subject to US federal income tax on its net income. In that regard, under the Programme Documents, the Issuer covenants not to engage in any activities in the US (directly or through agents), not to derive any income from sources within the US as determined under US federal income tax principles, and not to hold any property if doing so would cause it to be engaged or deemed to be engaged in a trade or business within the US as determined under US federal income tax principles.

Characterisation of the Class A Notes

Unless indicated otherwise in an applicable drawdown prospectus, the US federal income tax counsel to the Seller (the "**US Federal Income Tax Counsel**") will provide the Issuer with an opinion to the effect that, although there is no authority regarding the treatment of instruments that are substantially similar to the Class A Notes, and while the issue is not free from doubt, the Class A Notes will be treated as debt for US federal income tax purposes. The opinion of the US Federal Income Tax Counsel is not binding on the IRS, and no assurance can be given that the characterisation of the Class A Notes as debt would prevail if the issue were challenged by the IRS. The Issuer will treat the Class A Notes as debt of the Issuer for all purposes, including US federal income tax purposes. By acceptance of a Class A Note, each holder will agree, and by acceptance of a beneficial interest in a Class A Note, each beneficial owner will be deemed to agree to treat the Class A Notes as debt for US federal income tax purposes.

Taxation of US holders of the Class A Notes

*Stated Interest and Original Issue Discount ("**OID**")*

Unless indicated otherwise in an applicable drawdown prospectus, US holders of Class A Notes that have a stated maturity of more than one year (i.e., other than short-term obligations, discussed below) generally will be required to include in gross income the stated interest accrued or received on their Class A Notes as foreign source interest income in accordance with their usual method of tax accounting, as ordinary income. If a Class A Note is issued at a discount that is less than a statutorily defined *de minimis* amount (generally equal to or less than 0.25% of a note's stated redemption price at maturity multiplied by the number of complete years to its maturity or, if any amount included in the stated redemption price at maturity is payable before maturity, the weighted average maturity as determined for these purposes), such discount will be treated as *de minimis* OID and generally will be included in income on a *pro rata* basis as capital gain as principal payments are made on the Class A Notes.

If a Class A Note with a stated maturity of more than one year is issued with OID that is equal to or more than a statutorily defined *de minimis* amount, the US holder of such Class A Note must include the OID as foreign source income over the term of the Class A Note under a constant yield method that takes into account the compounding of interest. While not entirely clear, the Issuer intends to take the position that the Class A Notes are subject to the OID rules applicable to debt instruments that may have accelerated payments by reason of prepayments of other obligations securing such debt instruments. Although the relevant regulations do not provide the specific manner in which OID is calculated for such instruments, legislative history provides, and the Issuer intends to take the position, that OID must be calculated using the same prepayment assumptions that are used in pricing the original offering of the Class A Notes. No representation is made that the Mortgage Loans will pay on the basis of such prepayment assumption or in accordance with any other prepayment scenario.

With respect to Class A Notes that have a stated maturity of not greater than one year ("**Short Term Obligations**"), US holders that report income for US federal income tax purposes under the accrual method are required to accrue OID on short-term obligations on a straight line basis unless an election is made to accrue the OID under a constant yield method (based on daily compounding). A US holder who is an individual or other cash method holder is not required to accrue OID on a Short Term Obligation unless such holder elects to do so. If such an election is not made, any gain recognised by such holder on the sale, exchange or maturity of such Short Term Obligation will be ordinary income to the extent of the holder's rateable share of OID accrued on a straight-line basis, or upon election under the constant yield method (based on daily compounding), through the date of the sale, exchange or maturity. Once made, such an election cannot be revoked without consent from the IRS.

As an alternative to the above treatments, US holders may elect to include in gross income all interest with respect to the Class A Notes, including stated interest, acquisition discount, OID, *de minimis* OID, market discount, *de minimis* market discount, and unstated interest, as adjusted by any amortisable bond premium or acquisition premium, using the constant yield method described above.

Sales, Retirement or Other Taxable Disposition

In general, a US holder of a Class A Note will have a basis in such note equal to the cost of the Class A Note to such holder, increased by accruals of original issue discount and reduced by any payments thereon other than payments of qualified stated interest. Upon a sale or exchange of the Class A Note, a US holder will generally recognise US source gain or loss equal to the difference between the amount realised (less any accrued but unpaid qualified stated interest, which would be taxable like a payment of interest) and the holder's tax basis in the Class A Note. Such gain or loss will be a long-term capital gain or loss if the US holder has held the Class A Note for more than one year at the time of disposition. In certain circumstances, US holders that are individuals may be entitled to preferential treatment for net long-term capital gains. The ability of US holders to offset capital losses against ordinary income is limited.

Foreign Currency Gain or Loss With Respect to Interest on Class A Foreign Currency Notes

The following discussion applies to US holders of the Class A Notes that are denominated in a currency other than US Dollars ("**Class A Foreign Currency Notes**").

A US holder that uses the cash method of accounting for US federal income tax purposes and that receives a payment of stated interest on a Class A Foreign Currency Note will be required to include in income the US Dollar value of the payment in the foreign currency (determined by reference to the spot rate in effect on the date such payment is received) regardless of whether the payment is in fact converted to US Dollars at that time, and such US Dollar value will be the US holder's tax basis in the foreign currency amount.

A US holder that uses the accrual method of accounting for US federal income tax purposes, generally will be required to include in income the US Dollar value of the amount of interest income that has accrued and is otherwise required to be taken into account with respect to a Class A Foreign Currency Note during the relevant accrual period. The US Dollar value of such accrued income will be determined by translating such income at the average rate of exchange for the accrual period or, with respect to an accrual period that spans two taxable years, at the average rate for the partial period within the taxable year. A US holder will recognise exchange gain or loss (which will be treated as ordinary income or loss) equal to the difference, if any, between the US Dollar value of the payment of foreign currency received (determined on the date such payment is received) and the US Dollar value of interest income that has accrued during such accrual period (as determined above). Such US holder may elect to determine the US Dollar value of the interest by reference to the spot rate in effect on the last day of the interest accrual period (and in the case of a partial accrual period, the spot rate on the last day of the taxable year). If the last day of the interest accrual period is within five business days of the receipt of

Material US Tax Considerations

the payment, the electing US holder may translate interest at the spot rate on the date of the receipt. This election will apply to all debt instruments held by a US holder at the beginning of the first taxable year to which the election applies and to all debt instruments thereafter acquired by the US holder and will be irrevocable without the consent of the IRS.

Any exchange gain or loss resulting from the disposition of the foreign currency amount subsequent to the receipt of such amount by the US holder will be treated as ordinary income or loss. Any exchange gain or loss generally will be treated as US source income or loss for foreign tax credit purposes.

To the extent that a Class A Note is issued with OID, US holders that use the cash method or accrual method of accounting must accrue OID generally in the same manner as an accrual method US holder with respect to stated interest above.

US holders should consult their own tax advisers regarding how to account for payments made or received in foreign currency.

Foreign Currency Gain or Loss on Sale, Retirement or Other Taxable Disposition of the Class A Foreign Currency Notes

The following discussion applies to US holders of the Class A Foreign Currency Notes.

Generally, a US Holder will recognise gain or loss based on the difference between the US Dollar value of the amount realised upon the sale, retirement or other taxable disposition of a Class A Foreign Currency Note and the US Holder's US Dollar basis in the Note. The amount realised does not include amounts received with respect to accrued but unpaid stated interest on the Note, which will be taxable like a payment of interest on the Note, as described above. US Holders should consult their own tax advisers with respect to determining the US Dollar amount realised on the sale, retirement or other taxable disposition of a Class A Foreign Currency Note as well as their US Dollar basis in the Note.

A portion of this gain or loss will be US source ordinary income or loss in an amount equal to the difference between the US Dollar value of the amount of units of foreign currency for which the Note was originally purchased, determined on the date the Note is disposed of (in the case of a sale or other taxable disposition) or such payment is received (in the case of retirement of the Notes), and the US Dollar value of that amount of foreign currency, determined on the date the US holder purchased the Class A Foreign Currency Notes. Any such exchange gain or loss in connection with the sale, retirement or other taxable disposition of a Class A Foreign Currency Note (including for this purpose exchange gain or loss with respect to accrued but unpaid interest) will be realised only to the extent of total gain or loss realised on the sale, retirement or disposition of the Class A Foreign Currency Note (including, with respect to accrued but unpaid interest). Gain or loss in excess of the exchange gain or loss generally will be recognised as US source capital gain or loss, subject to the rules discussed above regarding capital gain or loss.

US holders should consult their tax advisers with respect to the tax consequences of making or receiving payments in a currency different from the currency in which payments with respect to Class A Foreign Currency Notes are made or accrue and with respect to the payment and receipt of amounts in a currency other than US Dollars.

Potential Consequences of a Deemed Exchange

Under certain circumstances certain terms of the Class A Notes may result in a deemed exchange of "old" Class A Notes for "new" Class A Notes for US federal income tax purposes (including, in certain circumstances, a substitution of the Issuer by the Note Trustee, a Basic Terms Modification or a Benchmark Rate Modification). As a result of the occurrence of a deemed exchange, a US holder may recognise gain or loss, treated in the manner described above, and "new" Class A Notes deemed received

Material US Tax Considerations

in a deemed exchange may be treated as issued with OID. Prospective US Holders should consult their own tax advisers regarding the application of these rules in their particular circumstances.

Taxation of Non-US Holders of the Class A Notes

Subject to the backup withholding and Foreign Account Tax Compliance Act rules discussed below, a non-US holder generally should not be subject to US federal income or withholding tax on any payments on a Class A Note and any gain from the sale, redemption or other disposition of a Class A Note, unless: (a) such income is effectively connected with a trade or business conducted by such non-US holder in the United States; or (b) in the case of federal income tax imposed on gain, such non-US holder is a non-resident alien individual who holds a Class A Note as a capital asset and is present in the United States for 183 days or more in the taxable year of sale and certain other conditions are satisfied.

Non-US holders are encouraged to consult their own tax advisers regarding the US federal income and other tax consequences to them of owning Class A Notes.

Information Reporting and Backup Withholding

A US holder may be subject to information reporting on amounts received by such US holder from a distribution on, or disposition of, Class A Notes, unless such US holder establishes that it is exempt from these rules. If a US holder does not establish that it is exempt from these rules, it may be subject to backup withholding on the amounts received unless it provides a taxpayer identification number and otherwise complies with the requirements of the backup withholding rules. Backup withholding is not an additional tax and the amount of any backup withholding from a payment that is received will be allowed as a credit against a US holder's US federal income tax liability and may entitle such US holder to a refund, **provided that** the required information is timely furnished to the IRS. Non-US holders may be required to comply with applicable certification procedures (usually on IRS Form W-8BEN or IRS Form W-8BEN-E) to establish that they are not US holders in order to avoid the application of such information reporting requirements and backup withholding.

In addition, US holders should consult their tax advisers about any reporting obligations that may apply as a result of the purchase, ownership or disposition of the Class A Notes. Failure to comply with certain reporting obligations could result in the imposition of substantial penalties.

Foreign Account Tax Compliance Act

Pursuant to certain provisions of the Code, commonly known as "**FATCA**", a "foreign financial institution" may be required to withhold on certain payments it makes ("**foreign passthru payments**") to persons that fail to meet certain certification, reporting, or related requirements. The Issuer may be a foreign financial institution for these purposes. A number of jurisdictions (including the UK) have entered into, or have agreed in substance to, intergovernmental agreements with the US to implement FATCA ("**IGAs**"), which modify the way in which FATCA applies in their jurisdictions. Under the provisions of IGAs as currently in effect, a foreign financial institution in an IGA jurisdiction would generally not be required to withhold under FATCA or a relevant IGA from payments that it makes. Certain aspects of the application of the FATCA provisions and IGAs to instruments such as the Notes, including whether withholding would ever be required pursuant to FATCA or an IGA with respect to payments on instruments such as the Notes, are uncertain and may be subject to change. Even if withholding would be required pursuant to FATCA or an IGA with respect to payments on instruments such as the Notes, under US Treasury regulations and IRS guidance, FATCA withholding would not apply prior to the date that is two years after the publication of the final regulations defining "foreign passthru payment" in the Federal Register, and Notes that are issued on or prior to the date that is six months after the date on which final US Treasury regulations defining the term foreign passthru payment are filed with the Federal Register generally would be "grandfathered" for the purposes of FATCA withholding unless materially modified after such date (including by reason of substitution of the

Issuer). Potential investors should consult their own tax advisers regarding how these rules may apply to any investment in the Notes. In the event any withholding would be required pursuant to FATCA or an IGA with respect to payments on the Notes, no person will be required to pay additional amounts to a holder of Notes as a result of the withholding.

CERTAIN ERISA AND RELATED CONSIDERATIONS

Unless otherwise specified in the applicable Final Terms, the Rule 144A Notes will be eligible for acquisition by Benefit Plan Investors (as defined below) and by governmental, church or non-US plans that are subject to any federal, state, local or non-US law or regulation that is substantially similar to the prohibited transaction provisions of Section 406 of ERISA or Section 4975 of the Code ("**Similar Law**"), subject to consideration of the issues described in this section. ERISA imposes certain requirements on "employee benefit plans" (as defined in Section 3(3) of ERISA) subject to the fiduciary responsibility provisions of Title I of ERISA, including entities such as collective investment funds and separate accounts whose underlying assets include the assets of such plans (collectively, "**ERISA Plans**") and on those persons who are fiduciaries with respect to ERISA Plans. Investments by ERISA Plans are subject to ERISA's general fiduciary requirements, including the requirements of investment prudence and diversification and the requirement that an ERISA Plan's investments be made in accordance with the documents governing the ERISA Plan. The prudence of a particular investment must be determined by the responsible fiduciary of an ERISA Plan by taking into account the ERISA Plan's particular circumstances and all of the facts and circumstances of the investment including, but not limited to, the matters discussed under the section entitled "Risk Factors" and the fact that in the future there may be no market in which such fiduciary will be able to sell or otherwise dispose of the Notes.

Section 406 of ERISA and Section 4975 of the Code prohibit certain transactions involving the assets of an ERISA Plan (as well as those plans that are not subject to ERISA but which are subject to Section 4975 of the Code, such as so-called Keogh plans and individual retirement accounts (together with ERISA Plans, the "**Plans**")) and certain persons (referred to as "**parties in interest**" under ERISA or "**disqualified persons**" under the Code) having certain relationships to such Plans, unless a statutory or administrative exemption is applicable to the transaction. A party in interest or disqualified person who engages in a non-exempt prohibited transaction may be subject to excise taxes and other penalties and liabilities under ERISA and Section 4975 of the Code.

Any of the Seller, the Issuer, the Arranger, the Dealer(s) or any of their respective affiliates may be a party in interest or a disqualified person with respect to many Plans. Prohibited transactions within the meaning of Section 406 of ERISA or Section 4975 of the Code may arise if any of the Rule 144A Notes is acquired or held by a Plan with respect to which the Issuer, the Seller, the Servicer, or any other party to such transactions, is a party in interest or a disqualified person. Certain exemptions from the prohibited transaction provisions of Section 406 of ERISA and Section 4975 of the Code may be applicable, however, depending in part on the type of Plan fiduciary making the decision to acquire any such Notes and the circumstances under which such decision is made. Included among these exemptions are Prohibited Transaction Class Exemption ("**PTCE**") 91-38 (relating to investments by bank collective investment funds), PTCE 84-14 (relating to transactions effected by a "qualified professional asset manager"), PTCE 95-60 (relating to transactions involving insurance company general accounts), PTCE 90-1 (relating to investments by insurance company pooled separate accounts) PTCE 96-23 (relating to transactions determined by in-house asset managers) and the service provider exemption under Section 408(b)(17) of ERISA and Section 4975(d)(20) of the Code (relating to the purchase and sale of securities and related lending transactions, **provided that** neither the issuer of the securities nor its affiliate has or exercises any discretionary authority or control or renders any investment advice with respect to the assets of any Plan involved in the transaction (in other words, not a fiduciary) and **provided further that** the Plan pays no more than, and receives no less than, adequate consideration in connection with the transaction). There can be no assurance that any of these exemptions or any other exemption will be available with respect to any particular transaction involving the Notes.

In addition, a regulation promulgated by the US Department of Labor at 29 C.F.R. § 2510.3-101, as modified by Section 3(42) of ERISA (the "**Plan Asset Regulation**"), describes what constitutes the

assets of a Plan with respect to the Plan's investment in an entity for the purposes of certain provisions of ERISA, including the fiduciary responsibility provisions of Title I of ERISA and prohibited transaction provisions of Section 406 of ERISA and Section 4975 of the Code. Under the Plan Asset Regulation, if a Plan invests in an "equity interest" of an entity that is neither a "publicly-offered security" nor a security issued by an investment company registered under the Investment Company Act, the Plan's assets include both the equity interest and an undivided interest in each of the entity's underlying assets, unless one of the exceptions to such treatment described in the Plan Asset Regulation applies. Under the Plan Asset Regulation, a security which is in debt form may be considered an "equity interest" if it has "substantial equity features". If the Issuer were deemed under the Plan Asset Regulation to hold assets of a Plan by reason of the Plan's investment in any of the Rule 144A Notes, such assets of the Plan would include an undivided interest in the assets held by the Issuer and transactions by the Issuer would be subject to the fiduciary responsibility provisions of Title I of ERISA and prohibited transaction provisions of Section 406 of ERISA and/or Section 4975 of the Code.

Unless otherwise specified in the applicable Final Terms, each purchaser and subsequent transferee of any Rule 144A Note (or any interest therein) will be deemed by such purchase or acquisition of any such Note to have represented, warranted and agreed, on each day from the date on which the purchaser or transferee acquires such Note (or any interest therein) through and including the date on which the purchaser or transferee disposes of such Note (or any interest therein), either that: (A) it is not, and is not acting on behalf of (and for so long as it holds such Note or interest therein will not be, and will not be acting on behalf of), a Plan or any person or entity whose underlying assets include, or are deemed under the Plan Asset Regulation to include, the assets of such Plan by reason of the Plan's investment in the person or entity (each of the foregoing a "**Benefit Plan Investor**"), or a governmental, church or non-US plan which is subject to any Similar Law; or (B) its acquisition, holding and disposition of such Note (or any interest therein) will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code or, in the case of a governmental, church or non-US plan, a violation of any applicable Similar Law.

In addition, each purchaser and subsequent transferee of any Rule 144A Note that is, or is acting on behalf of, a Benefit Plan Investor will be deemed to have represented, warranted and agreed, by its purchase of such Notes that: (1) none of the Seller, the Issuer, the Arranger, the Dealer(s) or any of their respective affiliates has provided or will provide any investment recommendation or investment advice to the Benefit Plan Investor, or any fiduciary or other person investing the assets of the Benefit Plan Investor (a "**Plan Fiduciary**"), in connection with the decision to acquire any interest in such Notes; (2) the Plan Fiduciary is acting as a "fiduciary" within the meaning of Section 3(21) of ERISA or Section 4975(e)(3) of the Code with respect to the Benefit Plan Investor in connection with the Benefit Plan Investor's acquisition of any interest in such Notes; and (3) the Plan Fiduciary making the decision to acquire any interest in such Notes by or on behalf of such Benefit Plan Investor is exercising its own independent judgement in evaluating the transaction.

Any insurance company proposing to purchase any of the Rule 144A Notes using the assets of its general account should consider the extent to which such investment would be subject to the requirements of ERISA in light of the US Supreme Court's decision in *John Hancock Mutual Life Insurance Co. v. Harris Trust and Savings Bank* and under any subsequent guidance that may become available relating to that decision. In particular, such an insurance company should consider the retroactive and prospective exemptive relief granted by the US Department of Labor for transactions involving insurance company general accounts in PTCE 95-60, 60 Fed. Reg. 35925 (12 July 1995), the enactment of Section 401(c) of ERISA by the Small Business Job Protection Act of 1996 (including, without limitation, the expiration of any relief granted thereunder) and the regulations thereunder.

Regulation S Notes are not designed for, and may not be purchased or held by, a Benefit Plan Investor. Each purchaser or transferee of a Regulation S Note (or any interest therein) will be deemed to have represented, warranted and agreed that (i) it is not, and is not acting on behalf of (and for so long as it

Certain ERISA and Related Considerations

holds such Note or interest therein will not be, and will not be acting on behalf of), a Benefit Plan Investor, and (ii) if it is a governmental, church or non-US plan, (A) it is not, and for so long as it holds such Note or interest therein will not be, subject to any federal, state, local or non-US law or regulation that could cause the underlying assets of the Issuer to be treated as assets of the investor in any Note (or interest therein) by virtue of its interest and thereby subject the Issuer (or other persons responsible for the investment and operation of the Issuer's assets) to any Similar Law, and (B) its acquisition, holding and disposition of such Note (or any interest therein) will not constitute or result in a violation of any such Similar Law.

Each Plan fiduciary who is responsible for making the investment decisions whether to purchase or commit to purchase and to hold any of the Rule 144A Notes should determine whether, under the documents and instruments governing the Plan, an investment in the Notes is appropriate for the Plan, taking into account the overall investment policy of the Plan and the composition of the Plan's investment Mortgage Portfolio. This Base Prospectus is not directed to any particular investor, nor does it address the needs of any particular investor. None of the Seller, the Issuer, the Arranger, the Dealer(s) or any of their respective affiliates will provide any advice or recommendation with respect to the management of any Notes held by an investor in the Notes or the advisability of acquiring, holding, disposing or exchanging of any such interest. Any Plan proposing to invest in such Notes (including any governmental plan) should consult with its counsel to confirm, among other things, that such investment will not result in a non-exempt prohibited transaction or a violation of any applicable Similar Law and will satisfy the other requirements of ERISA, the Code or any applicable Similar Law.

The sale of any Notes to a Plan is in no respect a representation by the Seller, the Issuer, the Arranger, the Dealer(s) or the Servicer that such an investment meets all relevant legal requirements with respect to investments by Plans generally or any particular Plan, or that such an investment is appropriate for Plans generally or any particular Plan.

US LEGAL INVESTMENT CONSIDERATIONS

None of the Notes is a "mortgage related security" under the US Secondary Mortgage Market Enhancement Act of 1984, as amended.

The appropriate characterisation of the Notes under various legal investment restrictions and, consequently, the ability of investors subject to these restrictions to purchase such Notes, is subject to significant interpretative uncertainties. These uncertainties may adversely affect the liquidity of, and the creation of any secondary market for, the Notes. Accordingly, investors should consult their own legal advisers in determining whether and the extent to which the Notes constitute legal investments or are subject to investment, capital or other restrictions.

ENFORCEMENT OF FOREIGN JUDGMENTS IN ENGLAND AND WALES

The Issuer is a UK public company incorporated with limited liability in England and Wales.

Any final and conclusive judgment of any New York State or US Federal Court sitting in the Borough of Manhattan in the City of New York having jurisdiction recognised by England or Wales in respect of an obligation of the Issuer in respect of the Notes for a fixed sum of money and which has not been stayed or satisfied in full, would be enforceable by action against the Issuer in the courts of England and Wales without a re-examination of the merits of the issues determined by the proceedings in the New York State or US Federal Court.

This will be the case unless the following occurs:

- the proceedings in the New York State or the US Federal Court in which the judgment was obtained were contrary to the principles of natural or substantive justice;
- enforcement of the judgment is contrary to the public policy of England or Wales;
- the judgment was obtained by fraud or duress or was based on a clear mistake of fact;
- the judgment is of a public nature (for example, a penal or revenue judgment);
- there has been a prior judgment in another court concerning the same issues between the same parties as are dealt with in the judgment of the New York State or the US Federal Court;
- the enforcement would contravene section 5 of the Protection of Trading Interests Act 1980; or
- the enforcement proceedings are not instituted within six years after the date of the judgment.

The Issuer expressly submits to the non-exclusive jurisdiction of the courts of England for the purpose of any suit, action or proceedings arising out of this offering. A judgment by a court may be given in some cases only in Sterling.

All of the directors of the Issuer reside outside the US. Substantially all of the assets of all or many of such persons are located outside the US. As a result, it may not be possible for the Noteholders to effect service of process within the US upon such persons with respect to matters arising under the federal securities laws of the US or to enforce against them judgments obtained in US courts predicated upon the civil liability provisions of such laws.

The Issuer has been advised by Allen Overy Shearman Sterling LLP, English counsel to the Seller, that there is doubt as to the enforceability in England and Wales, in original actions or in actions for enforcement of judgments of US courts, of civil liabilities predicated upon the Federal securities laws of the US based on the restrictions referred to above.

SUBSCRIPTION AND SALE AND TRANSFER AND SELLING RESTRICTIONS

The Dealer(s) have, in the Programme Agreement agreed with the Issuer, a basis upon which such Dealer(s) or any of them may from time to time agree to purchase Notes. Any such agreement for any particular purchase by a Dealer will extend to those matters stated under the section entitled "Terms and Conditions of the Notes" above. The Issuer may pay the Dealer(s) commission from time to time in connection with the sale of any Notes. The Dealer(s) is or are entitled to be released and discharged from its or their obligations in relation to any agreement to issue and purchase Notes under the Programme Agreement in certain circumstances prior to payment to the Issuer.

One or more Dealer(s) may purchase Notes from the Issuer, as principal, from time to time for resale to investors and other purchasers at a fixed offering price or in individually negotiated transactions at negotiated prices which may vary among different purchasers and may be greater than the initial issue price of the relevant Notes.

A Dealer may sell Notes it has purchased from the Issuer as principal to certain other dealers less a concession equal to all or any portion of the discount received in connection with such purchase. The Dealer(s) may allow, and such dealers may re-allow, a discount to certain other dealers. After the initial offering of Notes, the offering price (in the case of Notes to be resold at a fixed offering price), the concession and the reallowance may be changed.

The Issuer may withdraw, cancel or modify the offering contemplated hereby without notice and may reject offers to purchase Notes in whole or in part.

In connection with the issue of any Series or Class of Notes, or any Sub-Series of the Class A Notes of a Series, the Dealer(s) (if any) named as the stabilising manager(s) (or persons acting on behalf of any stabilising manager) in the applicable Final Terms may over-allot such Notes (**provided that**, in the case of any Series or Class of Notes or any Sub-Series of the Class A Notes of the relevant Series to be admitted to trading on the regulated market of the London Stock Exchange or any other regulated market (within the meaning of MiFID II) in the European Economic Area or in the UK, the aggregate principal amount of a Series or Class of Notes or any Sub-Series of the Class A Notes of the relevant Series allotted does not exceed 105% of the aggregate principal amount of the relevant Series and Class of Notes or any Sub-Series of the Class A Notes of the relevant Series) or effect transactions with a view to supporting the market price of that Series and Class of Notes or any Sub-Series of the Class A Notes of the relevant Series at a level higher than that which might otherwise prevail. However, there is no assurance that the stabilising manager(s) (or persons acting on behalf of a stabilising manager) will undertake stabilisation action. Any stabilisation action may begin on or after the date on which adequate public disclosure of the terms of the offer of the relevant Series and Class of Notes or any Sub-Series of the Class A Notes of the relevant Series is made and, if begun, may be ended at any time, but it must end no later than the earlier of 30 days after the issue date of the relevant Series and Class of Notes or any Sub-Series of the Class A Notes of the relevant Series and 60 days after the date of the allotment of the relevant Series and Class of Notes or any Sub-Series of the Class A Notes of the relevant Series. Any stabilisation action or over-allotment must be conducted by the relevant stabilising manager(s) (or person acting on behalf of any stabilising manager(s)) in accordance with all applicable laws and rules.

These transactions may consist of bids or purchases for the purpose of pegging, fixing or maintaining the price of the Notes. If the Dealer creates or the Dealers create, as the case may be, a short position in the Notes, that is, if it sells or they sell Notes in an aggregate principal amount exceeding that set forth in the applicable Final Terms, such Dealer(s) may reduce that short position by purchasing Notes in the open market. In general, purchase of Notes for the purpose of stabilisation or to reduce a short position could cause the price of the Notes to be higher than it might be in the absence of such purchases.

Neither the Issuer nor any of the Dealer(s) makes any representation or prediction as to the direction or magnitude of any effect that the transactions described in the immediately preceding paragraph may

Subscription and Sale and Transfer and Selling Restrictions

have on the price of Notes. In addition, neither the Issuer nor (any of) the Dealer(s) makes any representation that the Dealer(s) will engage in any such transactions or that such transactions, once commenced, will not be discontinued without notice.

Under the Programme Agreement, the Issuer has agreed to indemnify the Dealer(s) against certain liabilities (including liabilities under the Securities Act) or to contribute to payments the Dealer(s) may be required to make in respect thereof in connection with the establishment and any future updates of the Programme and the issue of Notes under the Programme. The Issuer has also agreed to reimburse the Dealer(s) for certain other expenses in connection with the establishment and any future updates of the Programme and the issue of Notes under the Programme.

The Dealer(s) may, from time to time, purchase and sell Notes in the secondary market, but they are not obligated to do so, and there can be no assurance that there will be a secondary market for the Notes or liquidity in the secondary market if one develops. From time to time, the Dealer(s) may make a market in the Notes.

The Dealer(s) and its or their respective affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Issuer and the Dealer(s) has or have not provided any legal, accounting, regulatory or tax advice with respect to the offering contemplated hereby and the Issuer has consulted its own legal, accounting, regulatory and tax advisers to the extent it deemed appropriate. Certain of the Dealer(s) and their respective affiliates have, directly or indirectly, performed investment and commercial banking or financial advisory services for the Issuer for which they have received customary fees and commissions, and they expect to provide these services to the Issuer and its affiliates in the future, for which they also expect to receive customary fees and commissions.

Transfer Restrictions

As a result of the following restrictions, purchasers of Notes are advised to consult legal counsel prior to making any purchase, offer, sale, resale or other transfer of such Notes.

Each purchaser of Notes or person wishing to transfer an interest from one Global Note to another or from global to definitive form or vice versa, will be deemed to or will be required to acknowledge, represent and agree as follows (terms used in this paragraph that are defined in Rule 144A or in Regulation S are used herein as defined therein):

- (a) that either:
 - (i) it is a QIB, purchasing (or holding) the Notes for its own account or for the account of one or more QIBs and it is aware and each beneficial owner of such Notes has been advised, that any sale to it is being made in reliance on Rule 144A; or
 - (ii) it is outside the US and is not a US person and it is not purchasing (or holding) the Notes for the account or benefit of a US person;
- (b) that the Notes are being offered and sold in a transaction not involving a public offering in the US within the meaning of the Securities Act, and that the Notes have not been and will not be registered under the Securities Act or any applicable US state securities laws and may not be offered or sold within the US or to, or for the account or benefit of, US persons except as set forth in this section;
- (c) it agrees that the Issuer has no obligation to register the Notes under the Securities Act;
- (d) that, with respect to Rule 144A Notes, unless otherwise specified in the applicable Final Terms, either (i) it is not, and is not acting on behalf of (and for so long as it holds such Notes or any

interest therein will not be, and will not acting on behalf of), (i) a Benefit Plan Investor or (ii) a governmental, church or non-US plan which is subject to any Similar Law, or (ii) its acquisition, holding and disposition of the Rule 144A Notes (or interests therein) will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code or, in the case of a governmental, church or non-US plan, a violation of any applicable Similar Law; and that (A) none of the Seller, the Issuer, the Arranger or the Dealer(s) or any of their respective affiliates has provided or will provide any investment recommendation or investment advice to the Benefit Plan Investor or any Plan Fiduciary, in connection with the decision to acquire any interest in such Notes, (B) the Plan Fiduciary is acting as a "fiduciary" within the meaning of Section 3(21) of ERISA or Section 4975(e)(3) of the Code with respect to the Benefit Plan Investor in connection with the Benefit Plan Investor's acquisition of any interest in such Notes; and (C) the Plan Fiduciary making the decision to acquire any interest in such Notes by or on behalf of such Benefit Plan Investor is exercising its own independent judgment in evaluating the transaction;

- (e) that, with respect to Regulation S Notes, (A) it is not, and is not acting on behalf of (and for so long as it holds such Notes or interests therein will not be, and will not be acting on behalf of), a Benefit Plan Investor, and (B) if it is a governmental, church or non-US plan, (x) it is not, and for so long as it holds such Notes or interests therein will not be, subject to any federal, state, local or non-US law or regulation that could cause the underlying assets of the Issuer to be treated as assets of the investor in any Note (or interest therein) by virtue of its interest and thereby subject the Issuer (or other persons responsible for the investment and operation of the Issuer's assets) to any Similar Law, and (y) its acquisition, holding and disposition of such Notes (or any interest therein) will not constitute or result in a violation of any such Similar Law;
- (f) that, unless otherwise specified in the applicable Final Terms, either (i) it is not and for so long as it holds a Note (or any interest therein) will not be (A) a Benefit Plan Investor, or (B) a governmental, church or non-US plan which is subject to any Similar Law, or (ii) its acquisition, holding and disposition of the Notes (or interests therein) will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code or a violation of any applicable Similar Law;
- (g) it will, and will require each subsequent holder to, notify any purchaser of the Notes from it of the transfer and resale restrictions referred to in paragraph (d) above, if then applicable;
- (h) that Notes initially offered in the US to QIBs will be represented by one or more Rule 144A Global Note Certificates, and that Notes initially offered outside the US in reliance on Regulation S will be represented by one or more Regulation S Global Note Certificates;
- (i) that the Notes represented by a Rule 144A Global Note Certificate and Definitive Rule 144A Notes, will bear a legend to the following effect unless otherwise agreed to by the Issuer:

"NEITHER THIS NOTE NOR BENEFICIAL INTERESTS HEREIN HAVE BEEN OR ARE EXPECTED TO BE REGISTERED UNDER THE US SECURITIES ACT OF 1933, AS AMENDED (THE "**SECURITIES ACT**"), THE SECURITIES LAWS OF ANY STATE OF THE UNITED STATES OR THE SECURITIES LAWS OF ANY OTHER JURISDICTION. THE ISSUER HAS NOT BEEN REGISTERED AND DOES NOT INTEND TO REGISTER AS AN "INVESTMENT COMPANY" UNDER THE US INVESTMENT COMPANY ACT OF 1940, AS AMENDED.

BY PURCHASING OR OTHERWISE ACQUIRING A BENEFICIAL INTEREST IN THIS GLOBAL NOTE CERTIFICATE, EACH OWNER OF SUCH BENEFICIAL INTEREST WILL BE DEEMED TO HAVE REPRESENTED FOR THE BENEFIT OF THE ISSUER AND FOR ANY AGENT OR SELLER WITH RESPECT TO THE NOTES THAT IT (I)(A)

IS A "**QUALIFIED INSTITUTIONAL BUYER**" (AS DEFINED IN RULE 144A UNDER THE SECURITIES ACT), (B) WILL HOLD AT LEAST THE MINIMUM DENOMINATION OF \$100,000 (OR ITS EQUIVALENT IN ANOTHER CURRENCY), (C) WILL PROVIDE NOTICE OF APPLICABLE TRANSFER RESTRICTIONS TO ANY SUBSEQUENT TRANSFEREE, (D) IS PURCHASING FOR ITS OWN ACCOUNT OR FOR THE ACCOUNTS OF ONE OR MORE OTHER PERSONS EACH OF WHOM MEETS ALL THE PRECEDING REQUIREMENTS AND (E) AGREES THAT IT WILL NOT REOFFER, RESELL, PLEDGE OR OTHERWISE TRANSFER THE NOTES OR ANY BENEFICIAL INTEREST HEREIN TO ANY PERSON EXCEPT TO A PERSON THAT MEETS ALL THE PRECEDING REQUIREMENTS AND AGREES NOT TO SUBSEQUENTLY TRANSFER THE NOTES OR ANY BENEFICIAL INTEREST HEREIN EXCEPT IN ACCORDANCE WITH THIS CLAUSE (E) OR (II) IS A NON-US PERSON AND IS ACQUIRING THE NOTES IN AN OFFSHORE TRANSACTION MEETING THE REQUIREMENTS OF RULE 903 OR 904 OF REGULATION S OF THE SECURITIES ACT. IN THE CASE OF ANY SUCH TRANSFER PURSUANT TO CLAUSE (II), (1) THE TRANSFEREE WILL BE REQUIRED TO HAVE THE NOTES SO TRANSFERRED TO BE REPRESENTED BY AN INTEREST IN THE REGULATION S GLOBAL NOTE CERTIFICATES (AS DEFINED IN THE TRUST DEED) AND (2) THE TRANSFEROR WILL BE REQUIRED TO DELIVER A TRANSFER CERTIFICATE (THE FORM OF WHICH IS ATTACHED TO THE TRUST DEED AND IS AVAILABLE FROM THE REGISTRAR).

UNLESS OTHERWISE SPECIFIED IN THE APPLICABLE FINAL TERMS, BY ITS ACQUISITION AND HOLDING OF THIS NOTE, EACH PURCHASER OR TRANSFEREE OF THIS NOTE (OR ANY INTEREST HEREIN) WILL BE DEEMED TO HAVE REPRESENTED, WARRANTED AND AGREED THAT ON EACH DAY FROM THE DATE ON WHICH THE PURCHASER OR TRANSFEREE ACQUIRES THIS NOTE (OR ANY INTEREST HEREIN) THROUGH AND INCLUDING THE DATE ON WHICH THE PURCHASER OR TRANSFEREE DISPOSES OF THIS NOTE (OR ANY INTEREST HEREIN), EITHER (I) IT IS NOT, AND IS NOT ACTING ON BEHALF OF (AND FOR SO LONG AS IT HOLDS THIS NOTE OR INTEREST HEREIN WILL NOT BE, AND WILL NOT BE ACTING ON BEHALF OF), FOR PURPOSES OF THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974, AS AMENDED ("**ERISA**") OR SECTION 4975 OF THE INTERNAL REVENUE CODE OF 1986, AS AMENDED (THE "**CODE**") TO BE (A) AN "EMPLOYEE BENEFIT PLAN" AS DEFINED IN SECTION 3(3) OF ERISA WHICH IS SUBJECT TO PART 4 OF SUBTITLE B OF TITLE I OF ERISA, (B) A "PLAN" AS DEFINED IN SECTION 4975(e)(1) OF THE CODE, WHICH IS SUBJECT TO SECTION 4975 OF THE CODE, OR (C) ANY PERSON OR ENTITY WHOSE UNDERLYING ASSETS INCLUDE OR ARE DEEMED FOR PURPOSES OF THE PLAN ASSETS REGULATION TO INCLUDE "PLAN ASSETS" BY REASON OF ANY SUCH EMPLOYEE BENEFIT PLAN'S OR PLANS' INVESTMENT IN THE PERSON OR ENTITY (ANY OF THE FOREGOING, A "**BENEFIT PLAN INVESTOR**") OR GOVERNMENTAL, CHURCH OR NON-US PLAN THAT IS SUBJECT TO ANY US FEDERAL, STATE, LOCAL OR NON-US LAW THAT IS SUBSTANTIALLY SIMILAR TO THE PROHIBITED TRANSACTION PROVISIONS OF SECTION 406 OF ERISA OR SECTION 4975 OF THE CODE ("**SIMILAR LAW**"), OR, (II) ITS ACQUISITION, HOLDING AND DISPOSITION OF SUCH NOTE (OR ANY INTEREST THEREIN) WILL NOT CONSTITUTE OR RESULT IN A NON-EXEMPT PROHIBITED TRANSACTION UNDER SECTION 406 OF ERISA OR SECTION 4975 OF THE CODE, OR IN THE CASE OF A GOVERNMENTAL, CHURCH OR NON-US PLAN, A VIOLATION OF ANY SIMILAR LAW. ANY PURPORTED TRANSFER OF THIS NOTE THAT DOES NOT COMPLY WITH THESE REQUIREMENTS WILL BE NULL AND VOID AB INITIO.

IN ADDITION, EACH PURCHASER AND SUBSEQUENT TRANSFEREE OF THIS NOTE THAT IS, OR IS ACTING ON BEHALF OF A BENEFIT PLAN INVESTOR, WILL BE DEEMED TO HAVE REPRESENTED, WARRANTED AND AGREED THAT (1) NONE OF THE SELLER, THE ISSUER, THE ARRANGER OR THE DEALER(S) OR ANY OF THEIR RESPECTIVE AFFILIATES: HAS PROVIDED OR WILL PROVIDE ANY INVESTMENT RECOMMENDATION OR INVESTMENT ADVICE TO THE BENEFIT PLAN INVESTOR, OR ANY FIDUCIARY OR OTHER PERSON INVESTING THE ASSETS OF THE BENEFIT PLAN INVESTOR (A "**PLAN FIDUCIARY**"), IN CONNECTION WITH THE DECISION TO ACQUIRE ANY INTEREST IN THIS NOTE, AND (2) THE PLAN FIDUCIARY IS ACTING AS A "FIDUCIARY" WITHIN THE MEANING OF SECTION 3(21) OF ERISA OR SECTION 4975(e)(3) OF THE CODE WITH RESPECT TO THE BENEFIT PLAN INVESTOR IN CONNECTION WITH THE BENEFIT PLAN INVESTOR'S ACQUISITION OF ANY INTEREST IN THIS NOTE; AND (3) THE PLAN FIDUCIARY MAKING THE DECISION TO ACQUIRE ANY INTEREST IN THIS NOTE BY OR ON BEHALF OF SUCH BENEFIT PLAN INVESTOR IS EXERCISING ITS OWN INDEPENDENT JUDGMENT IN EVALUATING THE TRANSACTION.

THE PURCHASER OR ACQUIRER ACKNOWLEDGES THAT THE ISSUER RESERVES THE RIGHT PRIOR TO ANY SALE OR OTHER TRANSFER TO REQUIRE THE DELIVERY OF SUCH CERTIFICATIONS, LEGAL OPINIONS AND OTHER INFORMATION AS THE ISSUER MAY REASONABLY REQUIRE TO CONFIRM THAT THE PROPOSED SALE OR OTHER TRANSFER COMPLIES WITH THE FOREGOING RESTRICTIONS.

PROSPECTIVE PURCHASERS ARE HEREBY NOTIFIED THAT THE SELLER OF THE NOTES MAY BE RELYING ON THE EXEMPTION FROM THE PROVISIONS OF SECTION 5 OF THE SECURITIES ACT PROVIDED BY RULE 144A. TERMS USED IN THIS LEGEND HAVE THE MEANINGS GIVEN TO THEM UNDER SUCH RULE.";

- (j) if it is outside the US and is not a US person, that if it should resell or otherwise transfer the Notes prior to the expiration of the Distribution Compliance Period, it will do so only (a)(i) outside the US in compliance with Rule 903 or 904 of Regulation S under the Securities Act or (ii) to a QIB in compliance with Rule 144A and (b) in accordance with all applicable US State securities laws; and it acknowledges that the Notes represented by a Regulation S Global Note Certificate and Definitive Regulation S Notes will bear a legend to the following effect unless otherwise agreed to by the Issuer:

"NEITHER THIS NOTE NOR BENEFICIAL INTERESTS HEREIN HAVE BEEN OR ARE EXPECTED TO BE REGISTERED UNDER THE US SECURITIES ACT OF 1933, AS AMENDED (THE "**SECURITIES ACT**"), THE SECURITIES LAWS OF ANY STATE OF THE UNITED STATES OR THE SECURITIES LAWS OF ANY OTHER JURISDICTION. THE ISSUER HAS NOT BEEN REGISTERED AND DOES NOT INTEND TO REGISTER AS AN "INVESTMENT COMPANY" UNDER THE US INVESTMENT COMPANY ACT OF 1940, AS AMENDED.

BY PURCHASING OR OTHERWISE ACQUIRING A BENEFICIAL INTEREST IN THIS GLOBAL NOTE CERTIFICATE, EACH OWNER OF SUCH BENEFICIAL INTEREST WILL BE DEEMED TO HAVE REPRESENTED FOR THE BENEFIT OF THE ISSUER THAT IF IT SHOULD DECIDE TO DISPOSE OF ITS BENEFICIAL INTERESTS REPRESENTED BY THIS GLOBAL NOTE CERTIFICATE, SUCH INTERESTS MAY BE OFFERED, RESOLD OR OTHERWISE TRANSFERRED ONLY PURSUANT TO AN EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT AND IN ACCORDANCE WITH ANY APPLICABLE LAWS OF ANY STATE OF THE UNITED STATES. ACCORDINGLY, ANY TRANSFER OF THE NOTES PRIOR TO THE

TERMINATION OF THE DISTRIBUTION COMPLIANCE PERIOD MAY ONLY BE MADE: (A) TO A NON-US PERSON IN A TRANSACTION MEETING THE REQUIREMENTS OF RULE 903 OR 904 OF REGULATIONS OF THE SECURITIES ACT OR (B) TO OR FOR THE ACCOUNT OR BENEFIT OF PERSONS WHO ARE QUALIFIED INSTITUTIONAL BUYERS (AS DEFINED IN RULE 144A UNDER THE SECURITIES ACT). IN THE CASE OF ANY SUCH TRANSFER PURSUANT TO CLAUSE (B), (1) THE TRANSFEREE WILL BE REQUIRED TO HAVE THE NOTES SO TRANSFERRED BE REPRESENTED BY AN INTEREST IN THE RULE 144A GLOBAL NOTE CERTIFICATES (AS DEFINED IN THE TRUST DEED) AND (2) THE TRANSFEROR WILL BE REQUIRED TO DELIVER A TRANSFER CERTIFICATE (THE FORM OF WHICH IS ATTACHED TO THE TRUST DEED AND IS AVAILABLE FROM THE REGISTRAR).

UNLESS SPECIFIED OTHERWISE IN THE APPLICABLE FINAL TERMS, BY ITS ACQUISITION AND HOLDING OF THIS NOTE, EACH PURCHASER OR TRANSFEREE OF THIS NOTE (OR ANY INTEREST HEREIN) WILL BE DEEMED TO HAVE REPRESENTED, WARRANTED AND AGREED THAT (I) IT IS NOT, AND IS NOT ACTING ON BEHALF OF (AND FOR SO LONG AS IT HOLDS THIS NOTE OR INTEREST HEREIN WILL NOT BE, AND WILL NOT BE ACTING ON BEHALF OF), FOR PURPOSES OF THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974, AS AMENDED ("**ERISA**") OR SECTION 4975 OF THE INTERNAL REVENUE CODE OF 1986, AS AMENDED (THE "**CODE**") (A) AN "EMPLOYEE BENEFIT PLAN" AS DEFINED IN SECTION 3(3) OF ERISA WHICH IS SUBJECT TO PART 4 OF SUBTITLE B OF TITLE I OF ERISA, (B) A "PLAN" AS DEFINED IN SECTION 4975(e)(1) OF THE CODE WHICH IS SUBJECT TO SECTION 4975 OF THE CODE, OR (C) ANY ENTITY WHOSE UNDERLYING ASSETS ARE DEEMED FOR PURPOSES OF THE PLAN ASSETS REGULATION TO INCLUDE "PLAN ASSETS" BY REASON OF ANY SUCH EMPLOYEE BENEFIT PLAN'S OR PLANS' INVESTMENT IN THE ENTITY (ANY OF THE FOREGOING, A "**BENEFIT PLAN INVESTOR**"), AND (II) IF IT IS A GOVERNMENTAL, CHURCH OR NON-US PLAN, (A) IT IS NOT, AND FOR SO LONG AS IT HOLDS THIS NOTE OR INTEREST HEREIN WILL NOT BE, SUBJECT TO ANY FEDERAL, STATE, LOCAL OR NON-US LAW OR REGULATION THAT COULD CAUSE THE UNDERLYING ASSETS OF THE ISSUER TO BE TREATED AS ASSETS OF THE INVESTOR IN ANY NOTE (OR INTEREST THEREIN) BY VIRTUE OF ITS INTEREST AND THEREBY SUBJECT THE ISSUER (OR OTHER PERSONS RESPONSIBLE FOR THE INVESTMENT AND OPERATION OF THE ISSUER'S ASSETS) TO ANY US FEDERAL, STATE, LOCAL OR NON-US LAW OR REGULATION THAT IS SUBSTANTIALLY SIMILAR TO THE PROHIBITED TRANSACTION PROVISIONS OF SECTION 406 OF ERISA OR SECTION 4975 OF THE CODE ("**SIMILAR LAW**"), OR (B) ITS ACQUISITION, HOLDING AND DISPOSITION OF THIS NOTE (OR INTEREST HEREIN) WILL NOT CONSTITUTE OR RESULT IN A VIOLATION OF ANY SIMILAR LAW. ANY PURPORTED TRANSFER OF THIS NOTE THAT DOES NOT COMPLY WITH THESE REQUIREMENTS WILL BE NULL AND VOID AB INITIO.

THIS NOTE IS NOT TRANSFERABLE EXCEPT IN ACCORDANCE WITH THE RESTRICTIONS DESCRIBED HEREIN AND IN THE TRUST DEED. ANY SALE OR TRANSFER IN VIOLATION OF THE FOREGOING WILL BE OF NO FORCE AND EFFECT, WILL BE VOID AB INITIO, AND WILL NOT OPERATE TO TRANSFER ANY RIGHTS TO THE TRANSFEREE, NOTWITHSTANDING ANY INSTRUCTIONS TO THE CONTRARY TO THE ISSUER, THE NOTE TRUSTEE OR ANY INTERMEDIARY. EACH TRANSFEROR OF THIS NOTE AGREES TO PROVIDE NOTICE OF THE TRANSFER RESTRICTIONS SET FORTH HEREIN AND IN THE TRUST DEED TO THE TRANSFEREE."; and

Subscription and Sale and Transfer and Selling Restrictions

- (k) that the Issuer and others will rely upon the truth and accuracy of the foregoing acknowledgements, representations and agreements and agrees that if any of such acknowledgements, representations or agreements made by it are no longer accurate, it will promptly notify the Issuer; and if it is acquiring any Notes as a fiduciary or agent for one or more accounts it represents that it has sole investment discretion with respect to each such account and that it has full power to make the foregoing acknowledgements, representations and agreements on behalf of each such account.

No sale of Rule 144A Notes in the US to any one purchaser will be for less than US\$200,000 (or the approximate equivalent in another Specified Currency) principal amount and no Rule 144A Note will be issued in connection with such a sale in a smaller principal amount. If the purchaser is a non-bank fiduciary acting on behalf of others, each person for whom it is acting must purchase at least US\$200,000 (or the approximate equivalent in another Specified Currency) principal amount of Notes.

Relevant Dealer(s) may arrange for the resale of Notes to QIBs pursuant to Rule 144A and each such purchaser of Notes is hereby notified that the relevant Dealer(s) may be relying on the exemption from the registration requirements of the Securities Act provided by Rule 144A. The minimum aggregate principal amount of Notes which may be purchased by a QIB pursuant to Rule 144A is US\$200,000 (or the approximate equivalent in another Specified Currency). To the extent that the Issuer is not subject to or does not comply with the reporting requirements of Section 13 or 15(d) of the Exchange Act or the information furnishing requirements of Rule 12g3-2(b) thereunder, the Issuer has agreed to furnish to holders of Notes and to prospective purchasers designated by such holders, upon request, such information as may be required by Rule 144A(d)(4).

Selling Restrictions

US

The Notes have not been and will not be registered under the Securities Act or the securities laws of any state of the US or other relevant jurisdictions and Notes may not be offered, sold, resold or delivered directly or indirectly within the US or to, or for the account or benefit of, US persons except in certain transactions exempt from, or in transactions not subject to, the registration requirements of the Securities Act and any applicable local, State or Federal securities laws. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

In connection with any Regulation S Note, the Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree that it will not offer, sell or deliver any such Regulations S Note within the US or to, or for the account or benefit of, US persons (i) as part of its distribution at any time or (ii) otherwise until 40 days after the completion of the distribution of the Notes (including any Sub-Series of Class A Notes), as determined and certified by the relevant Dealer, in the case of a non-syndicated issue, or the Dealer, in the case of a syndicated issue, and except in either case in accordance with Regulation S under the Securities Act. The Dealer has further agreed, and each further Dealer appointed under the Programme will be required to agree, that it will send to each dealer to which it sells any Regulation S Note during the Distribution Compliance Period a confirmation or other notice setting forth the restrictions on offers and sales of such Regulation S Note within the US or to, or for the account or benefit of, US persons. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

Until 40 days after the completion of the offering of any Notes (including any Sub-Series of the Class A Notes of the relevant Series), an offer or sale of any Regulation S Note within the US by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with an available exemption from registration under the Securities Act.

Subscription and Sale and Transfer and Selling Restrictions

The Programme Agreement provides that selected relevant Dealer(s), through their selling agents which are registered broker-dealers in the US, may resell Notes in the US to QIBs pursuant to Rule 144A and each such purchaser of Notes is hereby notified that the relevant Dealer(s) may be relying on the exemption from the Securities Act provided by Rule 144A.

Prohibition of Sales to EEA Retail Investors

The Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not offered, sold or otherwise made available and will not offer, sell or otherwise make available any Notes which are the subject of the offering contemplated by this Base Prospectus as completed by the Final Terms or, as applicable, the Pricing Term Sheet in relation thereto to any retail investor in the European Economic Area. For the purposes of this provision:

- (a) the expression "**retail investor**" means a person who is one (or more) of the following:
 - (i) a retail client as defined in point (11) of Article 4(1) of MiFID II; or
 - (ii) a customer within the meaning of the Insurance Distribution Directive where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; and
- (b) the expression "**offer**" includes the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe for the Notes.

Prohibition of Sales to UK Retail Investors

The Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not offered, sold or otherwise made available and will not offer, sell or otherwise make available any Notes which are the subject of the offering contemplated by this Base Prospectus as completed by the Final Terms or, as applicable, the Pricing Term Sheet in relation thereto to any retail investor in the UK. For the purposes of this provision:

- (a) the expression "**retail investor**" means a person who is one (or more) of the following:
 - (i) a retail client as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law by virtue of the Withdrawal Act; or
 - (ii) a customer within the meaning of the provisions of the FSMA and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the Withdrawal Act; and
- (b) the expression "**offer**" includes the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe to the Notes.

Selling Restrictions Addressing Additional United Kingdom Securities Laws

The Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that:

Subscription and Sale and Transfer and Selling Restrictions

- (a) in relation to any Notes which have a maturity of less than one year, (i) it is a person whose ordinary activities involve it in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of its business and (ii) it has not offered or sold and will not offer or sell any Notes other than to persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or as agent) for the purposes of their businesses or who it is reasonable to expect will acquire, hold, manage or dispose of investments (as principal or agent) for the purposes of their businesses where the issue of the Notes would otherwise constitute a contravention of Section 19 of the FSMA by the Issuer or the Seller;
- (b) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of Section 21 of the FSMA) received by it in connection with the issue or sale of any Notes in circumstances in which Section 21(1) of the FSMA does not apply to the Issuer; and
- (c) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to any Notes in, from or otherwise involving the UK.

General

The Dealer has agreed and each further Dealer appointed under the Programme will be required to agree that it will comply with all applicable securities laws and regulations in force in any jurisdiction in which it purchases, offers, sells or delivers Notes or possesses or distributes this Base Prospectus, any drawdown prospectus or any Final Terms and will obtain any consent, approval or permission required by it for the purchase, offer, sale or delivery by it of Notes under the laws and regulations in force in any jurisdiction to which it is subject or in which it makes such purchases, offers, sales or deliveries and none of the Issuer, the Seller, the Note Trustee, the Security Trustee nor any of the other Dealer(s) will have any responsibility therefor. Furthermore, they will not directly or indirectly offer, sell or deliver any Notes or distribute or publish any form of application, base prospectus/prospectus, advertisement or other offering material except under circumstances that will, to the best of their knowledge and belief, result in compliance with any applicable laws and regulations, and all offers, sales and deliveries of Notes by them will be made on the same terms.

None of the Issuer, the Seller, the Note Trustee, the Security Trustee or any of the Dealer(s) represents that Notes may at any time lawfully be sold in compliance with any applicable registration or other requirements in any jurisdiction, or pursuant to any exemption available thereunder, or assumes any responsibility for facilitating such sale.

With regard to each Series of Notes and each Sub-Series of Class A Notes, the relevant Dealer(s) will be required to comply with such other additional or modified restrictions (if any) as the Issuer and the relevant Dealer(s) will agree as a term of issue and purchase as indicated in the applicable Final Terms.

Each Dealer will, unless prohibited by applicable law, furnish to each person to whom they offer or sell Notes a copy of the Base Prospectus as then amended or supplemented or, unless delivery of the Base Prospectus is required by applicable law, inform each such person that a copy will be made available upon request. The Dealer(s) are not authorised to give any information or to make any representation not contained in the Base Prospectus in connection with the offer and sale of Notes to which the Base Prospectus relates.

This Base Prospectus may be used by the Dealer(s) for offers and sales related to market-making transactions in the Notes. Any or each of the Dealer(s) may act as principal or agent in these transactions. These sales will be made at prices relating to prevailing market prices at the time of sale. None of the Dealer(s) has any obligation to make a market in the Notes, and any market-making may

be discontinued at any time without notice. The Dealer(s) are participating in the initial distribution of the Notes.

GENERAL INFORMATION

Authorisation

The issue of each Series of Notes from time to time has been authorised by resolution of the board of directors of the Issuer passed on [●]. The Issuer has obtained or will obtain from time to time all necessary consents, approvals and authorisations in connection with the issue and performance of the Notes.

Clearing and settlement

The Rule 144A Notes denominated in US Dollars are expected to be accepted for clearance through DTC. The Rule 144A Notes denominated in a currency other than US Dollars and the Regulation S Notes (other than the Class Z VFNs) are expected to be accepted for clearance through Clearstream, Luxembourg and Euroclear. The appropriate CUSIP numbers, Common Codes, International Securities Identification Numbers ("ISINs") Financial Instrument Short Name ("FISN") and Classification of Financial Instruments ("CFI") code (as applicable) for each Series and Class of Notes will be specified in the applicable Final Terms.

Transactions in respect of the Rule 144A Notes accepted for clearance through DTC will normally be effected for settlement in US Dollars and for delivery on the third working day after the date of the transaction. Prior to listing, however, dealings will be permitted by the London Stock Exchange in accordance with its rules.

Litigation

There are no governmental, legal or arbitration proceedings (including any such proceedings which are pending or threatened of which Issuer is aware) during the 12 months preceding the date of this Base Prospectus, which may have or have had in the recent past, a significant effect on the financial position or profitability of the Issuer.

Accounts

The Issuer was incorporated on 14 January 2025. So long as Class A Notes issued under the Programme are listed on the Official List and are traded on the Market, the most recently published audited annual accounts of the Issuer from time to time will be available at the specified office of the Principal Paying Agent in London. The Issuer will not publish interim accounts.

Since the date of its incorporation, the Issuer has not entered into any contracts or arrangements not being in the ordinary course of business.

Significant or material change

Since 14 January 2025 (being the incorporation date of the Issuer) there has been no material adverse change in the financial position or prospects and no significant change in the financial or trading position of the Issuer.

APPENDIX 1

FORM OF FINAL TERMS

IMPORTANT – PROHIBITION OF SALES TO EEA INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area ("**EEA**"). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, "**MiFID II**"); or (ii) a customer within the meaning of Directive (EU) 2016/97 (as amended), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II. Consequently no key information document required by Regulation (EU) No 1286/2014 (the "**PRIIPs Regulation**") for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared, and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

PROHIBITION OF SALES TO UK RETAIL INVESTORS

The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the United Kingdom ("**UK**"). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 and secondary legislation made under it, in each case, as amended, including by the European Union (Withdrawal Agreement) Act 2020 (the "**Withdrawal Act**"); or (ii) a customer within the meaning of the provisions of the Financial Services and Markets Act 2000 ("**FSMA**") and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of the domestic law of the UK by virtue of the Withdrawal Act. Consequently no key information document required by Regulation (EU) No 1286/2014 as it forms part of domestic law by virtue of the Withdrawal Act (the "**UK PRIIPs Regulation**") for offering or selling the Notes or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.

MIFID II PRODUCT GOVERNANCE / PROFESSIONAL INVESTORS AND ECPS ONLY TARGET MARKET – Solely for the purposes of each manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in Directive 2014/65/EU (as amended, "**MiFID II**"); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a "**distributor**") should take into consideration the manufacturers' target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers' target market assessment) and determining appropriate distribution channels.

UK MIFIR PRODUCT GOVERNANCE / PROFESSIONAL INVESTORS AND ECPS ONLY TARGET MARKET – Solely for the purposes of each manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is only eligible counterparties, as defined in the FCA Handbook Conduct of Business Sourcebook ("**COBS**"), and professional clients, as defined in Regulation (EU) No 600/2014 as it forms part of the domestic law of the UK by virtue of the Withdrawal Act ("**UK MiFIR**"); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. MATURITY AND REPAYMENT CONSIDERATIONS

[Delete the following text in respect of Class Z(S) VFN, Class Z(R) VFN and the Seller's Note, and replace it with the following: "The average life of the [Class Z(S) VFN]/[Class Z(R) VFN]/[Seller's Note] is subject to factors largely outside the control of the Issuer. For more information relating to the risks involved in the use of these estimated average lives, see the section entitled 'Risk Factors' in the Base Prospectus."]

The average life of the Series [●] Class A Notes refers to the average amount of time that will elapse from a certain date to the date of distribution to the investor of amounts distributed in net reduction of principal of a security to zero (assuming no losses). The average life of the Series [●] Class A Notes cannot be stated because the actual rate of repayment of the Mortgage Loans and redemption of the mortgages and a number of other relevant factors are unknown. Calculations of the possible average life of the Series [●] Class A Notes can be made, however, based on certain assumptions. The assumptions used to calculate the possible average lives of the Series [●] Class A Notes in the following table include that:

- (a) the Security is not enforced;
- (b) the Mortgage Loans are assumed to amortise in accordance with their scheduled payments and assumed constant payment rate indicated in the table below.
- (c) no Trigger Event occurs;
- (d) no event occurs that would cause payments on the Series [●] Class A Notes to be deferred;
- (e) the Issuer exercises its option to redeem the Series [●] Class A Notes on the Step-Up Date relating to such Notes;
- (f) immediately prior to the amortisation of the Series [●] Class A Notes, the Mortgage Portfolio is at the size required to maintain the Required Subordination Amount and the Minimum Seller's Note Amount. On the date at which the Series [●] Class A Notes begins to amortise, the portfolio will amortise in line with the existing portfolio;
- (g) the Series [●] Class A Notes is issued on [●];
- (h) each payment made by the Issuer to the Noteholders is paid on the [●]th day of the relevant month in which such payment is payable, regardless of whether such date is a business day (except in relation to the Step-up Date);
- (i) the Bank of England Base Rate is equal to [●]%, and the Seller's Standard Variable Rate is [●]%;
- (j) a day count fraction of [●] is utilised in respect of bond and swap payments, and a day count fraction of [●] is utilised in respect of loan payments;
- (k) there is a balance of £0 in Cash Accumulation Ledger at the Issuance Date;
- (l) no interest or fees are paid from any Enhanced Available Principal Receipts;
- (m) the Mortgage Loans are not subject to any defaults or losses, and no Mortgage Loan falls into arrears; and
- (n) no further Series of Notes is issued after the Issuance Date specified herein.

Appendix 1
Form of Final Terms

Based upon the foregoing assumptions, the approximate average lives of the Series [●] Class A Notes, at various constant payment rates for the Mortgage Loans, would be as follows:

Constant payment rate (% per annum)	Possible average life of the Series [●] Class [●] Notes (in years)
0%.....	[●]
5%.....	[●]
10%.....	[●]
15%.....	[●]
20%.....	[●]
25%.....	[●]
30%.....	[●]
35%.....	[●]

The average life of each Class of the Series [●] Class A Notes is subject to factors largely outside the control of the Issuer and consequently no assurance can be given that these assumptions and estimates are realistic and they must therefore be viewed with considerable caution. For more information relating to the risks involved in the use of these estimated average lives, see the section entitled "*Risk Factors – Effects of prepayments on, or redemptions of, the Mortgage Loans on the yield to maturity of the Notes*" in the Base Prospectus.

[The statistical and other information contained in these Final Terms has been compiled by reference to the Mortgage Loans in the Cut-Off Date Mortgage Portfolio as of [●] (the "**Cut-Off Date**"). The Cut-Off Date Mortgage Portfolio comprised an aggregate Current Balance of £[●]. The Mortgage Loans in the Cut-Off Date Mortgage Portfolio were originated between [●] and [●].]⁶

A Mortgage Loan included in the [Provisional Mortgage Portfolio]/[Cut-Off Date Mortgage Portfolio] [(and which has not already been assigned to the Issuer pursuant to the terms of the Mortgage Sale Agreement)] will not be so assigned to the Issuer if, in the period up to (and including) the [Issuance Date]/[applicable Assignment Date], it is repaid in full or if it does not comply with the terms of the Mortgage Sale Agreement on or about the Issuance Date.

[The characteristics of the Cut-Off Date Mortgage Portfolio which will be sold to the Issuer as at the Cut-Off Date will differ from those set out below as a result of repayments and redemptions of the Mortgage Loans from the Provisional Cut-Off Date to the Cut-Off Date. As a result of the differences between the Provisional Mortgage Portfolio and the Cut-Off Date Mortgage Portfolio, there can be no assurance that the performance of the Provisional Mortgage Portfolio will be indicative of the performance of the Cut-Off Date Mortgage Portfolio.]⁷

Once the determination has been made as to the anticipated principal amount of the Notes to be issued and the corresponding size of the Mortgage Portfolio that would be required ultimately to support payments on the Notes, the Seller will then randomly select the Mortgage Loans to be assigned to the Issuer on the Issuance Date from the Mortgage Loans available to be so assigned on such date. It is expected that the aggregate Current Balance of the loans to be assigned to the Issuer on the [Issuance Date]/[applicable Assignment Date] will not exceed £[●].

As at the Issuance Date, and at any point thereafter, the Issuer's economic exposure to any single Borrower will not exceed [2]% of the aggregate Current Balance of the Mortgage Loans comprising the Mortgage Portfolio from time to time as required by Article 243(2)(a) of the UK CRR.

As of the [Provisional Cut-Off Date]/[Cut-Off Date], [●]% of the aggregate Current Balance of the Mortgage Loans in the [Provisional Mortgage Portfolio]/[Cut-Off Date Mortgage Portfolio] were Fixed Rate Mortgage Loans and [●]% of the aggregate Current Balance of the Mortgage Loans in the Cut-Off Date Mortgage Portfolio were Tracker Mortgage Loans. The remaining [●]% of the aggregate Current Balance of the Mortgage Loans in the [Cut-Off Date Mortgage Portfolio as of the Cut-Off Date]/[Provisional Mortgage Portfolio as of the Provisional Cut-Off Date] were Variable Rate Mortgage Loans as described below.

The tables set out in the section entitled "Mortgage Portfolio" below show statistical and other information relating to all Mortgage Loans in the [Cut-Off Date Mortgage Portfolio as of the Cut-Off Date]/[Provisional Mortgage Portfolio as of the Provisional Cut-Off Date].

⁶ Relevant section to be included depending on when the data is available for each Issuance.

⁷ To be included if the data is provided as at the Provisional Cut-Off Date.

Appendix 1
Form of Final Terms

Each Mortgage Loan in the [Provisional Mortgage Portfolio]/[Cut-Off Date Mortgage Portfolio] consists of one or more live Sub-Accounts ("Sub-Accounts"). Each Sub-Account in respect of a Mortgage Loan is secured on the same Property and their Related Security. The [Provisional Mortgage Portfolio]/[Cut-Off Date Mortgage Portfolio] consisted of [●] Sub-Accounts.

Columns stating percentage amounts may not add up to 100% due to rounding.

Delinquency and loss experience of the Mortgage Portfolio [(including Mortgage Loans that previously formed part of the Mortgage Portfolio)]

[Since the establishment of the Mortgage Portfolio, total losses on Mortgage Loans in the Mortgage Portfolio (including Mortgage Loans that previously formed part of the Mortgage Portfolio) were £[●] as at the [Provisional Cut-Off Date]/[Cut-Off Date].]

The following table summarises loans in arrears and repossession experience for Mortgage Loans in the Mortgage Portfolio [(including Mortgage Loans that previously formed part of the Mortgage Portfolio)] as at the [Provisional Cut-Off Date]/[Cut-Off Date]. The Seller will represent and warrant on the Issuance Date that no Mortgage Loan to be transferred to the Issuer on the Issuance Date has experienced any arrears in excess of the Monthly Payment due on such Mortgage Loan during the course of the prior 2 months.

The Mortgage Loans used for statistical purposes in the table below are administered in accordance with the Mortgage Policies and Procedures. The method by which the Seller classifies Mortgage Loans as being in arrears is described in the Base Prospectus under the section entitled "The Mortgage Loans and the Mortgage Portfolio – Overpayments, Restructurings and Credit Arrears Positions", and is important in helping to understand the Seller's arrears and repossession experience for Mortgage Loans in the Mortgage Portfolio as set forth in the following table.

STATIC AND DYNAMIC POOL DATA

This section sets out, to the extent material, certain static pool information with respect to the Bank of Ireland (UK) plc's wider prime owner occupied mortgage portfolio.

The Issuer has not included static pool information on prepayments in this section, as this information is not separately identified by the Servicer. However, prepayment rates in respect of the Mortgage Loans in the Mortgage Portfolio are set out in the reports to investors that are prepared pursuant to the Servicing Agreement.

The sale of Additional Mortgage Loans by the Seller to the Issuer is subject to conditions, including conditions required by the Rating Agencies, designed to maintain certain credit-related and other characteristics of the Mortgage Portfolio. These include limits on Mortgage Loans in arrears in the Mortgage Portfolio at the time of sale and limits on the LTV ratio post-sale in respect of any sale. See a description of these conditions in "Assignment of the Mortgage Loans and Related Security – Portfolio Criteria" in the Base Prospectus.

The following tables show, for each of the last [●] years of origination, the distribution of loans originated in that year by delinquency category as at each year end date starting in [●].

Dynamic historical performance data in relation to the mortgage loans originated by the Seller was made available prior to pricing on the website of [●] at [●]. Such information will cover the period from [●] to [●]. The mortgage loans that are referred to in such data are originated under, and serviced in accordance with, the same or highly comparable policies and procedures as the Mortgage Loans comprising the Mortgage Portfolio and, as such, it is expected that the performance of such mortgage loans, over a period of four years, would not be significantly different to the performance of the Mortgage Loans in the Mortgage Portfolio.

CHARACTERISTICS OF THE UK RESIDENTIAL MORTGAGE MARKET

The UK housing market is primarily one of owner-occupied housing, with the remainder in some form of public, private landlord or social ownership. The mortgage market, whereby loans are provided for the purchase of a property and secured on that property, is the primary source of household borrowings in the United Kingdom.

Set out in the following tables are certain characteristics of the UK mortgage market.

Industry CPR rates

In the following tables, quarterly industry constant prepayment rate data was calculated by dividing the amount of unscheduled repayments of mortgages made by banks, building societies and other specialist mortgage lenders in a quarter by the quarterly balance of mortgages outstanding for banks, building societies and other specialist mortgage lenders in the UK. These quarterly prepayment rates were then annualised using standard methodology.

House price index

The UK housing market has been through various economic cycles in the recent past, with large year-to-year increases in the housing indices occurring in the late 1980s and large decreases occurring in the early 1990s and from 2007 to 2013.

UK SECURITISATION FRAMEWORK*[UK STS Criteria Requirements]*

The Seller (as originator for the purposes of the 2024 UK SR SI), [has]/[has not] procured a UK STS Notification to be submitted to the FCA, in accordance with SECN 2.5, that the UK STS Criteria Requirements have been satisfied with respect to the Series [●] Class A Notes. It is expected that the UK STS Notification will be available for download on the FCA Register of Securitisation STS Notifications at the following website: <https://data.fca.org.uk/#/sts/stssecuritisations> (or its successor website) (the "**FCA STS Register website**"). For the avoidance of doubt, this website and the contents thereof do not form part of these final terms.]

[The Seller [has not used the services of]/[has used the services of [●] as] an authorised verification agent authorised under Regulation 25 of the 2024 UK SR SI] ("**Authorised Verification Agent**") to assess whether the Series [●] Class A Notes comply with the UK STS Criteria Requirements and prepare a UK STS Assessment.] It is expected that the UK STS Assessment prepared by the Authorised Verification Agent will be available on the website of the Authorised Verification Agent ([●]) (the "**Authorised Verification Agent Website**") together with a detailed explanation of its scope at [●]. For the avoidance of doubt, the Authorised Verification Agent Website and the contents thereof do not form part of these Final Terms. For further information please refer to the Risk Factor entitled "Simple, Transparent and Standardised Securitisations and UK STS Designation". *[In respect of the Class Z(R) VFN, Class Z(S) VFN and the Seller's Note, mark this section as not applicable.]*

Mitigation of interest rate [and currency] risk[s]

The Mortgage Loans and the Notes are affected by interest rate [and currency] risk[s] (see the sections entitled "The Notes may be subject to exchange rate and interest rate risks" and "Delinquencies or Default by Borrowers in paying amounts due on their Mortgage Loans" in the Risk Factors section of the Base Prospectus). The Issuer aims to hedge the relevant interest rate [and currency rate] exposure[s] in respect of the Mortgage Loans and the Notes, as applicable, by entering into certain Swap Agreements (see the section entitled "The Swap Agreements" in the Base Prospectus).

Interest rate risks are also managed through:

- a requirement in the Servicing Agreement that any discretionary rates set by the Servicer in respect of the Mortgage Loans are set in accordance with the Seller's Policy (subject to the terms of the Mortgage Loans and applicable law);
- with respect to Variable Rate Mortgage Loans, interest on which is calculated by reference to the Standard Variable Rate, which become subject to a rate linked to the Standard Variable Rate, the correlation between the Standard Variable Rate and the relevant benchmark rate in respect of the Series [●] Notes (see further the table set out below); and
- the entry by the Issuer into the Swap Agreements with respect to the Fixed Rate Mortgage Loans.

Except for the purpose of hedging interest rate [or currency] risk, the Issuer will not enter into derivative contracts.

The following table shows the historical interest rates indicated for the period from [●] to [●]:

Verification of data

The Seller has caused the Mortgage Loans included in the Mortgage Portfolio (including the data disclosed in respect of those Mortgage Loans) to be verified by one or more appropriate and independent third party and completed on or about [●] with respect to the Mortgage Portfolio in existence as of [●] (the "AUP Report"). The Mortgage Portfolio has been subject to an agreed-upon procedures review to review a sample of Mortgage Loans selected from the total Mortgage Portfolio as at the Cut-Off Date for certain information and confirm that the actual errors, within a total population, are contained within the range of a predetermined precision limit. The Seller also provided the relevant third party with a data file containing information on the Mortgage Portfolio to review conformity of each of the Mortgage Loans included with the Eligibility Criteria. No significant adverse findings arose from such review. This independent third party has also performed agreed-upon procedures in order to verify that the stratification tables disclosed in respect of the Mortgage Loans are accurate. The third party undertaking the review only has obligations to the parties to the engagement letters governing the performance of the agreed-upon procedures subject to the limitations and exclusions contained therein. [The AUP Report was filed with the US Securities and Exchange Commission on [●] and is publicly available.]¹⁰ The Seller has reviewed the reports of such independent third parties and is of the opinion that there were no significant adverse findings in such reports.
