ST5521	The Italian insolvency laws do not contain severe clawback provisions within the meaning of articles 20, paragraph 2, and 20, paragraph 3, of the EU Securitisation Regulation and the EBA Guidelines on STS Criteria. For the purpose of compliance with articles 20(2) and 20(3) of the Securitisation Regulation, under the Master Receivables Purchase Agreement and Intercreditor Agreement the Seller has confirmed that the Seller has its centre of main interest (as that term is defined in the EU Insolvency Regulation) in the Republic of Italy; therefore, the Seller is subject to Italian insolvency laws that do not contain severe clawback provisions. Reference is made to sections entitled 'Description of Transaction Documents - Master Receivables Purchase Agreement' and 'Description of Transaction Documents - Intercreditor Agreement' of the Prospectus. In addition, although as at the date of the Prospectus 80.10 per cent. of the share capital of Credits is owned by Columbus Holdco S.a.r.l., in case of insolvency of Columbus Holdco S.a.r.l., the Luxembourg law would not per se apply to a possible claw back action aimed at the recovery of Credits' assets on the basis that Credits would be subject to insolvency proceedings only to the extent that it is found to be insolvent. The transfer of the Receivables included in each Additional Portfolio will be rendered enforceable against the assigned debtors and any third party creditors of the Originator (including any insolvency receiver of the same) through (A) the publication of a notice of transfer in the Official Gazette and (y) the registration of the transfer in the Companies Register of Milan-Monza-Brianza-Lodi. Representations and warranties	Concise Explanation	(ALPHANUM-10000)	Article 20(6)	Where alternative mechanisms of transfer are used, the STS notification shall confirm that an insolvency of the originator would not prejudice or prevent the SPM from enforcing its rights.	Item 3.3 of Annex Delegated Regulation

575526	Under the Intercreditor Agreement, the parties thereto have acknowledged that the disposal of Receivables is permitted only in the following circumstances: (i) from the Issuer to the Originator, in case of any breach of representations and warranties by the Originator pursuant to the terms of the Warranty and Indemnity Agreement, (ii) from the Issuer to the Originator, in case of repurchase of individual Receivables pursuant to the terms of the Master Receivables Purchase Agreement, (iii) from the Issuer to the Originator, in case of repurchase of the Aggregate Portfolio in the context of an early redemption of the Notes in accordance with Condition 8.1 (Early redemption upon exercise of the Originator Call Option), Condition 8.4 (Optional Redemption) and Condition 8.5 (Optional Redemption for taxation reasons) pursuant to the terms of the Conditions and the Intercreditor Agreement, and (iv) from the Issuer (or the Representative of the Noteholders on its behalf) to third parties in case of disposal of the Aggregate Portfolio following the delivery of a Trigger Notice pursuant to the terms of the Intercreditor Agreement.
