This is a Provisional LCR Assessment (UK Version).

This LCR Assessment covers the LCR rules and guidelines as at the date of this document.

This Provisional LCR Assessment must be read together with the PCS Procedures Manual and the PCS Term Evidentiary Standards Manual. This document is based upon the draft materials received by PCS as at the date of this document. Any references in this document are to the preliminary prospectus unless otherwise stated.

Any references in this LCR Assessment to any EU regulations are meant to refer to such EU regulations as amended and incorporated into United Kingdom law by the Withdrawal Act 2019.

This Provisional LCR Assessment is not the final LCR assessment and it based on the draft documents and information provided to PCS by or on behalf of the originator as of the date of this assessment. It is anticipated at the date of this Provisional LCR Assessment that a Final LCR Assessment will be made available at or around closing of the transaction (i.e. when the contractual amendments are executed and the Supplement is published). However, such Final LCR Assessment will be based upon the final materials received by PCS and will only be made available on a fully ticked basis if no material adverse changes have been made to the transaction or the relevant material which, upon becoming known to PCS, would not adversely change our analysis. Therefore, no guarantees can be provided that such Final LCR Assessment will be made available on a fully ticked basis.

It is important that the reader of this checklist reviews and understands the disclaimer referred to on the following page. Note that all comments on the disclaimer relate to both Provisional LCR Assessments and Final LCR Assessments.
