This Provisional LCR Assessment is not the final LCR assessment and it based on the draft documents and information provided to PCS by or on behalf of the originator as of the date of this assessment. It is anticipated at the date of this Provisional LCR Assessment that a Final LCR Assessment will be made available at or around closing of the transaction (i.e. when the contractual amendments are executed and the Supplement is published). However, such Final LCR Assessment will be based upon the final materials received by PCS and will only be made available on a fully ticked basis if no material adverse changes have been made to the transaction or the relevant material which, upon becoming known to PCS, would not adversely change our analysis. Therefore, no guarantees can be provided that such Final LCR Assessment will be made available on a fully ticked basis.

It is important that the reader of this checklist reviews and understands the disclaimer referred to on the following page. Note that all comments on the disclaimer relate to both Provisional LCR Assessments and Final LCR Assessments.

LCR Criteria

(g) the securitisation position is backed by a pool of underlying exposures and those underlying exposures either all belong to only one of the following subcategories or else they consist of a combination of residential loans referred to in point (i):

(i) residential loans secured with a first-ranking mortgage granted to individuals for the acquisition of their main residence, provided that one of the two following conditions is met:

– the loans in the pool meet on average the loan-to-value requirement laid down in point (i) of Article 129(1)(d) of Regulation (EU) No 575/2013 ();

–the loans were originated in the United Kingdom and the law of the United Kingdom provides for a loan-to-income limit on the amount that an obligor may borrow in a residential loan. The loan-to-income limit is calculated on the gross annual income of the obligor, taking into account the tax obligations and other commitments of the obligor and the risk of changes in the interest rates over the term of the loan. For each residential loan in the pool, the percentage of the obligor's gross income that may be spent to service the loan, including interest, principal and fee payments, does not exceed 45 %;

(iii) commercial loans, leases and credit facilities to undertakings established in the United Kingdom to finance capital expenditures or business operations other than the acquisition or development of commercial real estate, provided that at least 80 % of the borrowers in the pool in terms of portfolio balance are small and medium- sized enterprises at the time of issuance of the securitisation, and none of the borrowers is an institution as defined in Article 4(1)(3) of Regulation (EU) No 575/2013; ()

(iv) auto loans and leases to borrowers or lessees established or resident in the United Kingdom. For these purposes, auto loans and leases shall include loans or leases for the financing of motor vehicles or trailers as defined in points (11) and (12) of Article 3 of Directive 2007/46/EC of the European Parliament and of the Council, tractors as defined in point (8) of Article 3 of Regulation (EU) No 167/2013 of the European Parliament and of the Council (as it had effect immediately before IP completion day), powered two-wheelers or powered tricycles as defined in points (68) and (69) of Article 3 of Regulation (EU) No 168/2013 of the European Parliament and of the Council (as it had effect immediately before IP completion day) or tracked vehicles as referred to in point (c) of Article 2(2) of Directive 2007/46/EC. () Such loans or leases may include ancillary insurance and service products or additional vehicle parts, and in the case of leases, the residual value of leased vehicles. All loans and leases in the pool shall be secured with a first-ranking charge or security over the vehicle or an appropriate guarantee in favour of the SSPE, such as a retention of title provision;

(v) loans and credit facilities to individuals resident in the United Kingdom for personal, family or household consumption purposes.
