Legislative Text

Article 243 (NOTE 1)

2. Positions in a securitisation, other than an ABCP programme or ABCP transaction, that qualify as positions in an STS securitisation, shall be eligible for the treatment set out in Articles 260, 262 and 264 where the following requirements are met:

NOTE 1: Regulation (EU) 2017/2401 of the European Parliament and of the Council of 12 December 2017 amending Regulation (EU) No 575/2013 on prudential requirements for credit institutions and investment firms.

1a

CRR Criteria

(a) at the time of inclusion in the securitisation, the aggregate exposure value of all exposures to a single obligor in the pool does not exceed 2 % of the exposure values of the aggregate outstanding exposure values of the pool of underlying exposures. For the purposes of this calculation, loans or leases to a group of connected clients shall be considered as exposures to a single obligor.

Meets Criteria?
YES

PCS Comments

This requirement is satisfied since the Receivables will have an exposure value lower than the maximum threshold permitted.

It is noted that pursuant to the Eligibility Criteria, the Receivables have an exposure not higher than Euro 56,000 each:

<<12. Receivables having an Outstanding Principal not higher than Euro 56,000;>>.

In respect of the highest exposure vs the same Borrower / Debtor, it is noted that the Originator has represented (see §(uu) of section "Representation and Warranties") that:

<<Under the Receivables Purchase Agreement, the Originator has given the following representations and warranties in relation to the Portfolio: (...)

(uu) Retail exposure pursuant to article 123 of the CRR: each Receivable included in the Portfolio complies with the criteria set out in let. (a) to (c) of the first paragraph of article 123 of the CRR.>>.

The reference to compliance with Article 123(c) includes the confirmation that no exposure vs the same Debtor is higher than Euro 1 million.

This requirement is therefore satisfied.

1b

CRR Criteria

In the case of securitised residual leasing values, the first subparagraph of this point shall not apply where those values are not exposed to refinancing or resell risk due to a legally enforceable commitment to repurchase or refinance the exposure at a pre-determined amount by a third party eligible under Article 201(1);
